The Alberta Division, Canadian Red Cross Society reports that mid-way in its annual campaign for funds returns total $132,977 representing 21.6% of the provincial objective of $579,700. This is approximately $5000 less than returns for the same period last year.

Campaign returns to date show Calgary donations of $29,791; contributions of $27,204 from southern Alberta points; Edmonton returns of $61,506 and $14,475 from points in northern Alberta.

THE BEST WAY TO KEEP THE BOSS OFF YOUR TOES IS TO KEEP ON THEM YOURSELF.

HERE AND THERE

Call a doctor in Russia and you'll most likely get a woman, points out The Financial Post. No less than 75% of all doctors are women. In Canada the proportion is 4.2%; in the U.S. 3%. Soviet statistics indicate a ratio of one doctor to 617 people. In the U.S. it's one to 780, in Canada about one to 1000.

PARADISE VALLEY NEWS

The mixed bonspiel held in the local rink has almost been completed. Nickle and Knor have still to play for the hard luck prize. In the other events winners were: Grand Challenge — 1. Knutson, 2. Wiley, 3. Baxter; 4. Embury. 2nd event — 1. Herbert; 2. Kragness; 3. Joe Mayo; 4. Blondie Churchill. 3rd event — 1. McLean; 2. Clarke; 3. Rayson; 4. Don Churchill.

The curling club wish to thank the following who donated prizes for the spiel: D. B. Baxter, F. Henry, E. Knor, W. A. Gunn, Beaver Lumber, Imperial Lumber, T. Rayson, D. Churchill, L. Block, Mrs. G. Block, Mr. and Mrs. L. Vice.

The first Paradise Valley Brownie Pack held a very successful [illegible] sale in the hall on Saturday night before the [illegible]. The proceeds from the sale is to help cover cost of Brownie recruit pins and golden bars. The leaders would like to thank the mothers and all others for making this sale a success.

CONCERT ENJOYED

Standing room only in the [illegible] hall greeted local players recently when they put on an evening's entertainment. Old time favorites and a one-act play "Too Much Matrimony" followed by a dance was the program. All the singers were in the gay costumes of the Gay 90s. The program was as follows: Casey Jones by mixed chorus; Solo by Art Levitt; Duet by Barney and Gladys Baxter; Ladies' chorus; Men's chorus; mixed chorus; "Who Threw the Overalls in Mrs. Murphy's Chowder" acted by Parke Dobson and Velma Henry; Solo by David Clarke; song by ladies' chorus; song by male quartette; song by ladies' quartette; song by mixed chorus; [illegible] by men's chorus; song by [illegible] "Bicycle Built for Two" acted by George and Irene Guy; solo by Henry Enns; "When You Wore a Tulip" [illegible] by Jim and Florence Gordon; mixed chorus then rendered three or four more songs to bring the singing to a close. The players wish to thank everyone for the splendid suport given them. As a result of their efforts a grand sum was added to the Hall fund. Mrs. Edith Hoskins accompanied all numbers.

The hard luck prize was won Wednesday night, the Knor rink turned out to be the winners in a very close game.

Patients in the Lloydminster hospital include George Dodd, Robert Bleakley and Monty Hoskins. We hope to see them home before long much improved in health.

Mr and Mrs. Emil Knor spent the week end in Edmonton. Mrs. T Rayson also spent a few days in the city with her daughter Athena.

On Friday evening the P.V. hall club held a very successful amateur night. Due to condition of the roads several of those entered could not come. The heifer calf donated by Frank Brassington was drawn for, and Kenny Brassington drew the lucky ticket. He promptly turned the calf back to the club and it was sold by auction. With tickets sold and the auction sale the tidy sum of $485.50 was netted. The club wishes to thank both the Brassingtons for their donation.

Another patient has been added to the list of those in the Lloydminster hospital when Mrs. Vincent Phillippe had to be rushed to the hospital for an operation.

W A MEETS

The Paradise Valley W. A. of the United church met at the home of Mrs. C Elliott on March 5th at 2 o'clock p.m. with Mrs. C Bleakley as co-hostess. There were 15 members, 2 visitors and Rev Gladys Giffen present. The president opened the meeting in the usual manner with Mrs. C. Ball leading the devotional. Mrs. H. Fair being absent, Mrs. Gordon read the treasurer's report. A donation was sent to St. Stephen's college, also a donation of $100 was made to the Memorial Organ fund for a payment on the new electric organ bought for the United Church. Donations to this fund will be appreciated to help make the final payment on the organ. It was decided to collect used clothing for the Salvation Army again this year. A box will be placed in the P. O. for collecting these articles. Anyone wishing to donate, please take notice. The Christian Citizen committee of Mrs. C. Bleakley and Mrs. K Brassington will take charge of this. The next meeting will be held at the home of Mrs. K. Brassington on April 1st at 2 p.m. with Mrs. Gunn as co-hostess.

CLAYSMORE CLIPPINGS

Quite a crowd of interested people turned out to the meeting held at the school on Tuesday, March 18th to hear Progressive-Conservative candidate, Clifford Smallwood speak.

Mike Malek and Pete Piitruchney were visitors at the Blue Hill Hereford Ranch on March 12th. The ranch is owned by the Balgie Bros. of St. Paul.

They report seeing the $11,000 bull "Silver Prince 12th." This is an outstanding animal and has made quite a name for itself as well as for the ranch. This ranch won the Master Farm Family Award a few years ago.

The Claysmore Community Club held their regular meeting on March 18th with the president Mike Malek and secretary Ronnie Bauer in charge. There were 17 members present and various matters were discussed. It was decided to do some remodelling on the hall, repair the windows, etc. Mike Woywitka and J. Horne are in charge of the repair committee.

Laurie and Paul Horne were visitors at the home of Mr. and Mrs. F Groenveld on Sunday afternoon.

Oliver and Vernon [illegible] are spending the week in Edmonton attending the Spring [illegible].

Mrs. A. Olstad and Mrs. E. Larcombe are visiting friends in Edmonton for a few days and will attend the W. I. convention while there.

Mrs. H. Ralph, who has been in Northern Ontario visiting her daughter and family for several weeks, returned to her home last week end.

Sandra Olstad is staying with Mr. and Mrs. P. Hawley in Mannville this week.

NEW PUBLICATION NOW READY be

Valuable information for Alberta farmers who are preparing to sow their 1958 crop is contained in the new publication 'Fertilizer Recommendations for Alberta'. Kind and amount of fertilizer to use on various crops including irrigated ones, proper placement of fertilizer and the Soil Testing service are explained.

Other interesting notes are also found in it. For instance, a map on Alberta illustrating the soil zones will quickly familiarize farmers with the type of soil in their area and the most advantageous fertilizer to use in combination with that soil. Just off the press, the publication can now be obtained from any District Agriculturist or The Field Crops Branch, Legislative Buildings, Edmonton.

ON CREDIT

Nearly 40% of the new car buyers are seeking credit terms, reports The Financial Post. Some 10,57? new cars were bought on credit worth $24 million in January compared with 10,4?? units involving $23.3 million a year earlier. New commercial vehicles financed in the month totaled 1,508 vs. 2,291 and involved $4.8 million vs. $7.2 a year ago. Sales of 21,201 used cars were financed for $21.1 million as against 20,814 units bought on credit for $20.8 million a year earlier.

At least silence puts up a bluff that is mighty hard to call.

NEWS from ALLANDALE

Weather has been grand. It did drop to 16 below but there was no wind.

On Feb. 23rd a plane cruising over Allandale around noon was [illegible] Ronaghan from Wainwright on his first solo flight. He circled Islay and his mother, Mrs. Nora Ronaghan was on the look out and saw him.

Mrs. Nora Ronaghan from Islay was a visitor at her sister Erna's home on Feb. 28th and at her brother Orley's on Mar. 2nd.

Mr. and Mrs. Gus Throndson from town spent the week end of March 1st with the latter's brother, the Johnny Nelson family at Lloydminster.

Allandale was well represented at one of the Princess Ann W.I. card parties at Geo. Mead's. Prizes were won by Mrs. F. Throndson, Mrs. E. Throndson and Mrs. Geo. Mead; Steve Gordey, Gus Throndson and Orley Omnsen. Thanks again George and Vera for a very socialable evening much enjoyed.

A belated happy birthday to Mrs. Mabel Lee of Vermilion who was 72 on March 8th.

On March 9th Mr. and Mrs. Isidore Nelson had as their guests their daughter Helen and Frank Schmidt and family, also daughter Anna from Lloydminster and Evelyn and Alvin Throndson.

The general meeting for the Allandale United church was held in the community centre on March 10th. Board members for the coming year are Geo. Mead, Ralph Strome and Woody Wilson. There was some discussion on improving the church and the grounds.

Bill Axley of Islay opened the roads again on March 11th after the snowfall. North and south roads were the heaviest.

Mr and Mrs. Isidore Nelson and son Leslie motored to the city on the 13th and while there will visit the latter's sister Lily, the Hanson family, at Fort Saskatchewan.

On March 13th Mr. Jack Cross and Mr. Louis Baldock left for the Calgary bull sale taking five purebred Herefords. Good luck to them.

The Allandale W. A. met on March [illegible] in the afternoon with a good attendance. For the devotional along with the usual reading the book "My Cup Runneth Over" will be read in chapters. It is written by Rev. Chung Choon Kim, B.D., of Korea, of his life and hardships through sickness and the Korean war. Few could have endured such hardships.

The date set for the church supper and bazaar is July 3rd. The May meeting will be held at the Woody Wilson home; lunch: Mrs. F. Throndson and Mrs. M. [illegible]

We are very happy and pleased to hear that Mrs. Opel Cooper of Clandonald has been elected as a delegate from St. Paul Presbytery to attend conference at Red Deer in April. Congratulations and I'm sure you will do justice to all concerned.

Mr. and Mrs. Ben Axley from Dewberry were visitors March 14th at the Omnsen home and attended the whist and pictures shown by Bob Maggs that evening at the centre.

Around 80 were in attendance at the centre on the evening of March 14th. Ten tables of whist were played and prizes were won by Mrs. Ben Axley, Alvin Throndson (as lady), Mrs. J. Lee, Lorne McPhee, Vic McKee and Ben Hanson. Mr. Bob Maggs very kindly showed moving pictures in part, 1957 Lea Park Stampede and Vermilion and Lloydminster fairs. The pictures of Bob's Arabians, the colts and mother of Miss Donna Young's of Dewberry, and all the other horses, were grand.

The jumping horses taken by Mrs. Bob Maggs in England were thrilling, some of the jumpers scanning over six feet. All in all it made a very enjoyable evening. Our thanks to Bob and those in charge.

The next whist and entertainment will be at the centre on March 28th. Proceeds for the Red Cross. Everybody welcome, come and help a worthy cause. We all know [illegible] work the Red Cross does.

It was very pleasing to have a phone call on March 14th from Mrs. Bessie Moore. Bessie was in town visiting with daughter Edna and son Wilbur. Edna has her own phone which makes it more convenient. Though Charlie and Bessie live only a short way to the east we must go miles around both in winter and summer to get there. We can be very grateful for our roads here in Allandale.

Mr. and Mrs. Louis Baldock are having a Fleetwood TV set installed on the Jack Cross farm. We hope their reception will be satisfactory.

Mrs. Wm. Armstrong visited relatives in town the week end of March 15th.

An enjoyable evening was had at the centre at the St. Pat dance. Much credit should be given to the Melody Ranchers who supplied the music. Mr and Mrs. Funnell and the lad with the banjo sang at supper time which was appreciated very much.

Mrs. Mildred Baldock accompanied her son Glenn to the city recently to visit daughter Beryl and Tommy for the day.

Mr. and Mrs. Gus Throndson recently spent several days at the home of their daughter, Mr. and Mrs. Ralph Strome. Gus, being a very competent carpenter helped Ralph make over the upstairs into a couple of bedrooms.

Closing Thought: For five minutes at the close of each day, think of lost opportunities to help someone. You will miss fewer chances tomorrow.

RENTED CARS

Car leasing, on a long-term basis, attracts more attention as competition sharpens, reports The Financial Post. Some Canadian dealers are among those enrolling for a three-day seminar on leasing held at the University of Miami. The university predicts by 1966 that 30% of all cars on the road will be leased.

The proper way to face the difficulties of life is to turn your back on them.

TULLIBY LAKE

The Watchtower Bible and Tract Society presented a Bible discourse in the Kingdom Hall of Jehovah's Witnesses at Lloydminster on March 16 at 3 p.m. Mr R. Fahie spoke on the timely subject "Meeting the needs of Life Seekers." In the evening at 8 o'clock Mr. Fahie delivered a talk on baptism. Following this eight new ministers were ordained. Mr and Mrs Roy Wagner, Mrs. Mollie Behrens and Juvenile motored to Lloydminster to take in these functions.

On March 15, some members of the local square dance club journeyed to Heinsburg. This was in acceptance of an invitation from the Heinsburg square dance club.

We extend congratulations to Mr and Mrs. Allan Hewitt (nee Sylvia Ruud) on their recent marriage.

Mr Ingvar Bolsheim is a patient in the Elk Point Hospital.

More signs of spring are in the offing this week. Juvenile Behrens and Mr Roy Wagner report catching sight of a crow.

Shirley Harrison is employed at the New Royal Cafe in Lloydminster.

The Tulliby Lake 4-H Club held their monthly meeting on March 1. The members answered the roll call with the names of their [illegible].

A card party was held at the North Park Hall on March 1st.

We are glad to report that Mrs. Ingvar Hornsen, Daryl Moss and Mr L.T. Bolsheim are all home from the Elk Point Hospital.

Juvenile Behrens.

Mannville Legion Mixed 'Spiel

MANNVILLE. — Members of the Canadian Legion, their auxiliary and members' wives met on Sunday for a social curling event. Lunch was available at the Legion hall for players between games and darts were enjoyed as well as curling with keen competition shown. Skipping their rinks to victory in the curling finals were Mac Smith's rink composed of himself, Chester Gamble and Mrs. F. Richardson, defeating M. Malin's foursome. In the second event skip E. Kreller defeated C. Blackford's rink, with fellow curlers being Emery Matney, P. Laidler and Mrs. Oldstead. All present report a most sociable day spent.

Just because he has no family tree many a man has succeeded because he branched out for himself.

DEWBERRY GAMES NIGHT

A games night will be held in the Dewberry school auditorium on March 29th. There will be bingo, whist, canasta, and crib played. Children are welcome and there will be sponsored games for the younger ones. A 25 cent admission charge will be made. 27

IF YOU BREAK EM
WE REPLACE EM

. . . that's **EMPIRE**
the sweep with the down-to-earth
GUARANTEE

That's right! If an Empire sweep breaks — bring it back for *free* replacement. Of course, if long, hard service has worn it right down to the stem — or young Joe hits it with a sledge-hammer — we know you'll be only too pleased to buy a new one. Ordinary wear and tear won't shorten its long life one bit, thanks to Empire's exclusive "Isothermal" heat treatment for extra toughness.

In deep tillage cultivation, wear and tear on both sweep and cultivator, depend on perfect matching of sweep stem angle to chisel plow shank angle. Only Empire, specialists in tillage tools since 1840, make sweeps in 4 different stem angles.

Write for free literature on Empire high carbon steel sweeps, shovels, teeth, chisels, spikes and seeds — they draw light, scour freely and last, *and last* . . . under all soil conditions.

You Hear Strange Things About Catholics

Yes, you can hear some strange things about Catholics.

You hear it said that Catholics believe all non-Catholics are headed for Hell . . that they believe non-Catholic marriages are invalid.

Some think Catholics believe the Pope is God . . that he can do no wrong . . . that they owe him civil allegiance and that he should have the political power to rule America.

It is said that Catholics want religious freedom only for themselves . . that they oppose public schools and separation of Church and State as evils which should be destroyed.

The claim is made that Catholics pay the priest for forgiveness of their sins . . that they must buy their departed relatives and friends out of Purgatory . . that they adore statues . . are forbidden to read the Bible . . use medals, candles and holy water as sure-fire protection against the loss of a job, lightning or being run down by an automobile.

But what is worse, some say, Catholics corrupt the true teachings of Jesus Christ with the addition of pagan superstitions and practices that are nothing less than the inventions of the devil.

If all these things — or any of them — were true, it would be a pity. For at least two out of every five Canadians are Catholics — and it would be a national tragedy if forty per cent of all Canadians entertained such erroneous ideas.

The Knights of Columbus is an organization of 700,000 Catholic men of reason and intelligence. In our ranks will be found statesmen, scientists, historians, physicians, movie stars, lawyers, educators and others representing every cross-section of Canadian life. And for each and all of them loyalty to the Catholic Faith is the act of a reasonable man.

We are deeply interested in the welfare of our Church and our Country. And we believe the interests of both will be served best when fair-minded people know the Catholic Church as it is — not as it is sometimes mistaken to be.

If you have heard and believed any of these false claims, and want the truth, we will gladly send you a free booklet which explains many aspects of Catholic belief and practice concerning which people are commonly misinformed. Write and ask for Pamphlet No. 1-N.

A GENERAL MOTORS VALUE

COME TRY THE *SMOOTHEST* CHEVY THAT EVER WHISPERED *"BUY"*!

Silence says volumes about Chevrolet! Quieter engines tell of super smoothness never bettered by any car at any price.

And Chevrolet moves from a standstill to cruising speed like greased lightning without the thunder. Then ride Chevy — and be even more amazed: One of two new suspensions smooths your way like broadloom — while 23 kinds of insulation in its Fisher Body all but swallow sound completely. Absolute newness from road to roof supplies the answer!

First, on a 30% stronger X-built frame, Chevrolet's stylists placed the sleekest, roomiest and most luxurious body they'd ever planned. But not before Fisher engineers saw to it that Chevrolet's "Sound Barrier" body matched its beauty in practical protection.

Next, Chevrolet increased its power range with the most efficient V8's ever built . . . *radically* new, with machined-in-block precision for *pace-setting* performance and economy. Total engine choice is now six, with four cream-smooth transmissions. It's the *widest* selection ever available in every Chevrolet made!

Talk about *smoothness!* Chevrolet tops it off with a choice of two new rides. Standard on all Chevrolets, completely new Full Coil suspension means a big advance in riding comfort. Deep steel coils at all four wheels soak up road shocks like a sponge! And Chevrolet engineers went even further to bring you the suspension news of the year — Level Air Ride — the *lowest-priced* air ride available!* You just have to try it to know how easy a ride can be!

Yet, with all its newness, this smoothest of all Chevrolets comes to you at its *traditionally* low price. Little wonder that Chevy's whispering "Buy!" to more Canadians than ever before. Come try 1958's most popular car at your Chevrolet dealer's soon!

*Optional, at small additional cost, on V8 models with automatic transmission.

V8-6 The most modern engines in the world

Health Unit Notes

YOUR CHILD'S TEETH EARLY VISITS TO THE DENTIST

By the time Junior is 2½ or 3, he is ready for his first of many regular twice-a-year visits to the dentist.

Why start so young? Cavities don't wait for children to grow up. 60 per cent of 3-year-old children already have tooth decay. If these cavities are filled while they are small, they won't get big. If they are neglected the child may lose some of his first teeth before the permanent ones are ready to come in. This often means the second teeth are crooked, making it easy for tooth decay and gum disease to develop.

Many mothers don't realize that the primary teeth are far less sensitive to pain than permanent teeth and small fillings are practically painless. It is a good idea to start your children in the habit of regular dental visits at an age when they can be pleasant experiences. The child who makes a friend of his dentist at an early age and who keeps having his teeth repaired while decay is in the first stage, will never fear dental work.

TOOTH DECAY

Tooth decay is most active during childhood, yet it is then that the growth of teeth and jaws goes on. It will save many discomforts and even illnesses in later years, to see that the child's teeth are always in first class condition.

Regular maintenance of the teeth usually makes it possible to bring a child to adulthood without the loss of a single tooth. In Canada today, the average 16 year-old has already lost two permanent teeth. This is needless, and is often the cause of teeth growing crooked, not meeting properly and not being able to chew well. Neglected mouths suffer from gum disease too, and it is a tragic but not uncommon sight, to see people in their early twenties with complete sets of false teeth.

MOTHER'S PART

It is mother who makes the appointments, and it is also mother who prepares her child for his dental visit. It should be treated as a matter of fact, not as a subject for discussion. It should be described like any other excursion, above all, mother should not give her child the idea of fear. Many adults like to exaggerate their sufferings in the dental chair, which may have been real enough in the days before local anesthetics were widely used. Never frighten your child by tales of torture, or threats of the drill or anything else so silly. If you do, you will be storing up trouble for him and for yourself.

It is not hypocrisy but quite true to tell a child that if he goes to the dentist regularly and looks after his teeth at home he will enjoy his dental visits. Children brought up in this way look forward to a session with their friend the dentist.

Never try to fool your child. Don't tell him you are 'just going downtown' then suddenly swing him into the dental office without warning. If he is faced with corrective work, like straightening the teeth, don't pretend that it won't be a nuisance. If your child trusts you he can take bad news.

DENTAL HYGIENE

Of course you have been telling your child to brush his teeth or rinse his mouth after every meal ever since he first had had teeth. But now the dentist will tell him too, and Junior will begin to think that maybe there's something to it. It will be years before he will brush his teeth without urging but it should be possible before long to have him head for his toothbrush at the first reminder.

The reason it is so important to brush your teeth immediately after eating is that tooth decay is caused by acids produced by bacteria feeding on sweet food particles in the mouth. Brush them right away, and you've brushed out the possibility of decay.

Decay is increased by sweet foods such as cake, jam, pies and candy. Encourage your child to eat the foods for health: milk, fruits, vegetables, meat, fish, eggs, cheese and whole-grain cereals. Limit his candy eating to after meals, just before tooth-brushing.

BABY & PRE-SCHOOL CLINICS

Monday, March 31st — Vermilion (Health Unit Office) 2 to 4 p.m.

Tuesday, April 1 — Wainwright (Office) 2 to 4 p.m.

Thursday, April 3 — Derwent (School) 10:30 to 12 noon.

Thursday, April 3 — Clandonald. (School) 2 to 3:30 p.m.

Thursday April 3 — Kinsella (Rest Room) 2 to 3 p.m.

Friday, April 4th — Dewberry Clinic will be cancelled due to a holiday.

Monday, April 7th — Vermilion Clinic will be cancelled due to a holiday.

The urge in spring is to get the old jalopy and let'er go. Spring, remember, inevitably follows winter, the season that inevitably wrecks highways and leaves them rampant with unsuspected holes, bumps, icy sections. Spring is the time for careful driving, warns the Canadian Highway Safety Conference.

NEWS from KITSCOTY

We regret to report Mrs. J. McCorry had to return to the University hospital and undergo surgery again last week. Mr McCorry spent the week end in [illegible] and reports Mrs. McCorry is improving. Best wishes are extended to her for a complete recovery.

Mr. J. Locke is home again after spending the past month at the Pacific Coast where he renewed acquaintances with several of his old neighbors from here.

Mr. and Mrs. George Mathewson and family from Heath spent the past week end here visiting with the former's mother, Mrs. Mathewson.

Rev. A. E. Potter received the sad news on Sunday evening that his mother had passed away that day in Calgary after a short illness. Mr. Potter left that night for his home in Calgary. Sincere sympathy is extended to Rev. Potter and Mrs. Potter in their sad bereavement.

Pleased to report Mrs. R. Swyripa has returned home after being a patient in Lloydminster hospital for the past five months.

Mr. Ed Tyler is also home from the Lloydminster hospital after spending three weeks there suffering from pneumonia. He is now much improved in health.

Best wishes for a complete recovery are extended to all the folks who are still in hospital and confined to their homes with the flu.

The Lorena Barfoot Evening group W.A. of St. John's Anglican church will hold a sale of home baking in Wilf Clifford's Hardware store on Friday, Mar. 28th at 3:00 p.m. Come and buy some of the best home baking in town and district!

The Kitscoty United Church Sunday school will hold their open Easter service in the United church on April 6th at 9:45 a.m. Parents and friends are cordially invited to come and worship with the children.

THAT'S TELLING HIM ANGUS!

The Cranbrook *COURIER* tells of a local couple who were touring Europe and ran across the following letter to the editor to the editor in a Hamburg newspaper:

"To the Editor — If you don't stop printing Scotch jokes in your newspaper I'll stop borrowing your - - - - - paper from my neighbor. Signed, Angus McPherson."

The hard loser is usually the fellow who started the fight.

Alberta Provincial Library Dec.59

Vol. XLIX. No. 38. Vermilion, Alberta, Thursday, April 3rd, 1958. 12 PAGES $2.50 A YEAR

New United Church At Mannville Dedicated Friday, March 28th

MANNVILLE — Last Friday, March 28, the new McQueen Memorial United Church at Mannville, Alberta was formally opened and dedicated by the Rev. G. Preston MacLeod, President of the Alberta Conference of the United Church of Canada. In his address to the capacity congregation which filled the new church and a part of the basement social rooms, Dr. MacLeod stated that the Church stood for the assertion of a God-given morality and authority in the community through the witness of individuals, the members of Christ's Church. He paid tribute to the congregation that had erected the new building, and stated that its architecture although modernistic had nothing to detract from the worship of God, and fitted in well with the needs of the community.

The builder of the Church, Mr R. Bodard presented the keys to the Chairman of the Building Committee, Mr Ross Ewing. The keys were then presented to Mr Norman Crooks, the Chairman of the Board of Trustees, who gave them to the Rev. Harvey Inglis, the Chairman of the St. Paul Presbytery. The President of Conference returned the keys to the Chairman of the Board of Trustees and entrusted the Board to hold the building in the name of the United Church of Canada.

Bringing greetings from other churches and taking part in the service were the Rev. C. McPherson, rector of Christ Church, Anglican; the Rev. W.E. Mullen of St. Paul's United Church, Edmonton; the Rev. Harvey Inglis, Chairman of the Presbytery; the Rev. C. MacKay of Vermilion United Church; the Rev. T.E. Thomas of Vegreville [illegible] Church and the Rev. Thomas Hart, past Superintendent of Home Missions for Northern Alberta.

The choir of McQueen United Church led in the service of praise and rendered special anthems during the dedication of the building. The minister led the choir, and Miss Donna Doherty played the organ for the service.

Mr. Ed Sloan, Clerk of Session officiated at the ceremony of the opening [illegible] the doors and Mr Art Baker gave a brief history of the Church's building program.

The minister of the Church, the Rev. Ian Holter paid tribute to the group of the Church who assisted in the project and thanked various community organizations for thei rassistance in giving the congregation space in which to carry on its activities when it had no church of its own.

Following the service of dedication the Women's Association invited all attending to the social hour which was held in the Church's new social hall.

McQueen Memorial United Church is the second new church to be dedicated in the St Paul United Presbytery this year. In late January, Grace United Church in Wainwright was formally opened and dedicated.

Graduation and Closing Exercises At V. S. A. Wednesday, April 9

The graduation exercises of the Vermilion School of Agriculture will be held on Wednesday, Apr. 9th commencing with the very popular fashion show at 2 p.m. Graduation exercises and presentation of diplomas, prizes and scholarships will commence about 3:30. The general public is invited to attend.

Guests of the students and special visitors for the graduation exercises will attend the banquet and dance in the evening.

Jim Robson Elected President Of Vermilion Rotary Club

At last Friday's meeting Vermilion Rotary Club elected Jim Robson as president for 1958-59. Jim was secretary the previous club year and his election to president was unanimous.

Ross Boake was chosen as vice-president and Reg Mitchell is the secretary. The executive consists of Gordon Park, Carl Heckbert and Israel Miller.

Bill Sutherland gave the club members an excellent talk on Vocational Service. He started off on model T cars but ended up on a more elevated note.

In introducing the speaker, Chas. Heckbert related his life history from his birth in Bruce County to his business career in Vermilion. Dr Ben King thanked Mr Sutherland for his address. As a matter of fact as far as this reporter could make out he thanked him both before and after his speech.

Carl Heckbert reported on charter night which will be held on April 9th. Carl also mentioned a visit he made recently to the St. Paul Rotary Club. He brought back a tie which was awarded to the rotarian living the farthest away from St. Paul.

Ross Boake on behalf of the club presented a farewell gift to Charter member Mitch Taylor who is leaving Vermilion to take a position in Edmonton. Everyone in the club and in fact the whole community regrets that Mitch has pulled up stakes in Vermilion. Maybe after a spell of city life he will come back here again and we hope so.

One of our newer members Claude Brennan had a birthday last week. The usual carnation was pinned on by Ross Boake and the dollar was collected.

Ken Greenwood reported that the arrangements [illegible] made for 16 rotarians and their wives to attend the district conference at Grande Prairie from April 26th to 28th.

St Simonson was chairman. He introduced three Lloydminster visitors to the meeting. These rotarians were Mel Lavold, Harold Foisey and Mr. Turnbull.

C. W. L. Elect New Officers for 1958

The last meeting of the Catholic Women's League was held on March 27th in the Parish Hall. After the annual report of the various convenors officers were elected for the 1958-59 term. They are as follows.

President	Mrs Kay Williams
1st Vice	Mrs. Mary Perrier
2nd Vice	Mrs. Terry Kelly
3rd Vice	Mrs. Gladys Herrog
Secretary	Mrs. Doris Keting
Treasurer	Mrs. Lorna LaMaureux

Arrangements are being made for the Spring Tea on April 26 at the Legion Hall.

As most people are aware, the Marion Centre in Edmonton is a charitable institution and extend help to anyone in need regardless of race, color or creed.

The demands on the Centre's supplies have been extremely heavy and they are in urgent need of vegetables or monetary donations with which to purchase food to feed the needy. Any contributions to this worthwhile and humanitarian cause would be very much appreciated.

Survey of Town By Civil Defence

A group of Civil Defence volunteers are now taking a complete survey of accommodation within the town of Vermilion. At the present time they are working on household registers.

The object of the survey is to ascertain the number of evacuees that could be taken into the town and cared for over a period of three to five days.

All householders are asked to co-operate with this survey by giving the information to the civil defence workers when they call. The information is strictly for civil defence records of Vermilion.

Curling Season Ends at Derwent

DERWENT. — The Derwent Curling club held an "End of a good curling season social" at the town hall with many curlers, their wives and others in attendance.

A very interesting and exciting program was prepared by W. C. Bober. A solo was sung by Mrs. Pearl Algot accompanied by Siri Algot. Games and sing songs were enjoyed by all, also a sports film was shown.

W. C. Bober gave a review of trophies won this season brought from many other curling clubs including Clandonald, St. Paul, Vermilion, Dewberry and two from Myrnam.

Acquitted In City Police Court

On Tuesday in the Edmonton police court before City Magistrate Beaumont Myron Machuk was acquitted of a charge of impaired driving. F. J. Richardson, Q.C., of Vermilion acted [illegible].

Canadian Legion Notes

LEBROCQ MEMORIAL FUND

Last week the Legion canvassed the town and district for donations to the LeBrocq family fund. Over $500.00 was collected and made available to Mr. LeBrocq for funeral expenses of his two children who were drowned in the Vermilion River.

Al Colburn was in charge of the canvass for the Legion. It should be mentioned that the Foresters Lodge made some collections which were turned over to the Legion fund.

All donators to this fund are thanked very much for their subscriptions.

VIMY BANQUET

Members of the Legion and all veterans in this area please remember that the Vimy banquet will be held on April 10th. Tickets are available from the secretary or any members of the executive. Please remember also that no tickets will be available at the door.

VARIETY SHOW

The entertainment put on by Bob Carmichael was a big success. A number of entertainers from Lloydminister and Vermilion district put on a very excellent variety show including skits, dancing and singing. The artists were all very excellent and the audience was very appreciative.

The Legion wishes to thank Bob Carmichael all the performers and the people who attended. The sale of tickets amounted to $174.50. This amount will be turned over to the Legion polio fund after expenses are taken care of.

Defeat Myrnam Two Games to One

Bob Cats Win Juvenile Crown; Defeat Myrnam 2 Games to 1

The Vermilion Bob Cats won the Eastern Alberta Juvenile [illegible] championship with a [illegible] sive victory over the Myrnam Penguins on Tuesday night at the local arena by an 8-2 score. The game was a tie breaker as each team had won one game. Despite the heavy ice the game was fast with the Bob Cats standing the pace better throughout.

[illegible] scored the [illegible] with an assist from [illegible] in the first period. [illegible] two more [illegible] Leahy from Coy and Coy from Leahy. In the third the Cats were [illegible] faster than ever and scored five [illegible] Dargatz, French and Mattheis showed what they could do on their own by scoring unassisted goals and Jerry Schmidt scored from Leahy and [illegible] with assists going to Leahy and [illegible]. Myrnam's star sharpshooter Nestor Chomyk tallied both Penguin counters. Chomyk was the top goal-getter in the league.

Nine penalties were handed out, [illegible] to Myrnam and 4 to Vermilion. [illegible] of these were to [illegible] Lock and E. Swertin for [illegible] free for all break [illegible] seconds from the end of the game and involved [illegible] the [illegible] the Myrnam [illegible] O. Swertin.

PRESENTS TROPHY

[illegible] Shalka of the [illegible] presented the [illegible] Capt. [illegible] of the [illegible] league [illegible] championship of the [illegible] Alberta Juvenile league.

THREE TIMES WINNER

Fourteen-year-old Keith Barr of Vermilion, son of Mr. and Mrs. Manson Barr, is shown here with his Shorthorn calf, the grand champion of Edmonton Spring Livestock show and sale. It is the third grand championship for Keith, who also won in 1954 and 1956. The animal sold to Safeway for $1.15 a pound. Keith attends school in Vermilion and is a member of the 4-H Beef club.

P. C.'s Given Sweeping Mandate

Smallwood Wins in B. R. - Camrose

Prime Minister John Diefenbaker and his Conservative party were given the most sweeping mandate in the history of Canada on Monday when they won 208 of the 265 seats in the House of Commons.

In achieving this astounding victory the Conservatives eliminated all Social Credit members in the House of Commons winning all 17 Alberta seats previously held by Social Crediters as well as the 6 in B.C. The P.C.s also practically wiped out the C.C.F. stronghold of Saskatchewan winning 16 of the 17 seats there leaving one lone C.C.F. member from the prairies, 2 in Ontario and 5 in B.C. The Liberal stronghold of Quebec was cracked wide open and this reduced the Liberals in the House of Commons from the 104 of the last session to 48. Standing at present is Conservatives 208, Liberals 48, C.C.F. 8.

The idea "Give Diefenbaker a chance" to try and [illegible] country out of the present [illegible] seemed to be the [illegible] prevailing from Atlantic to Pacific. As far as the voters were concerned they were voting for "John . Diefenbaker's unexpected victory over the Liberals [illegible] June [illegible] [illegible] great odds.

Many [illegible] failures can be charged to the lack of will power than to lack of strength.

It caught the fancy of the people who seemed intent one year ago on turning the Liberals out after 22 years in office. This time they were just as intent on the election of the Conservatives with a working majority. Diefenbaker's victory on Monday even topped the achievement of last June and its extent was truly amazing sweeping everything in its path. Even where very little campaigning or organizing was done the trend was the same, a terrific swing to Conservatism.

BATTLE RIVER - CAMROSE

Battle River — Camrose went along with the Tory landslide and elected the Conservative candidate, Clifford Smallwood, farmer of Irma, by a huge majority. The former member James A. Smith of Vermilion, [illegible] Social Credit member for two [illegible] [illegible] [illegible]

[illegible]

C. C. F.	2175	1139
Liberal	5419	2152
Prog Con	7771	12,981
Soc Cred	[illegible]	[illegible]

VERMILION RESULTS

In Vermilion the [illegible] count gave Smallwood 682, Smith 463, Saville 102 and Roberth 30. Smith polled 828 in 1957 so that he lost only 65 votes from the support accorded him then, the main body of the Social Credit vote remaining loyal to a fellow citizen of Vermilion. The Liberal vote was heavily reduced while 234 more votes were cast, all adding to the Smallwood total. Town ballot statistics for the two elections are interesting.

	1957	1958
Roberth	29	30
Saville	387	102
Smallwood	79	682
Smith	828	463
	1083	1277

The Conservative victory ended for the time being the short but hectic career of James Smith in the House of Commons. Elected in a by-election he took part in three election campaigns in less than three years. He was elected on June 21st, 1955 in the by-election and in the session following witnessed and took part in the torrid pipe line debate [illegible] which scenes unparalleled in the history of the House of Commons were enacted. He was re-elected in the general election of June 10th, 1957 and sat until dissolution early this year.

A FINE RECORD

Hansard official publication of House of Commons debates, records that in his first full session in the Commons he took a major part in debates on 36 bills and acts, all pertaining to the welfare of Western Canada, [illegible] record for a new [illegible].

In the short session just ended he spoke on the Speech from the Throne and debated on 27 bills and acts. He made a special study of agricultural legislation and was chairman of the Social Credit Agricultural committee. A record of which he has every right to be proud.

Junior High School Students Attend Session of Alberta Legislature

On March 25th the two grade nine classes of Vermilion Junior High school made the trip to Edmonton to witness an afternoon session of the current legislature. Mrs. Pare, Miss Behnke, Mr. Welsh, Mr. Novak, Mr J. Bell, Mr. Forby, Mr Park, Mr Simonet, Mr R. Wilson, Mr Clendenning, Mr Forbes and Mr G. Stephens were the drivers of the cars who drove the students up to the city.

The first stop was made at the City hall where the students saw the now famous wild geese and the art gallery.

Dinner was enjoyed at the cafeteria in the Administration building.

Two o'clock found the students and drivers at the Legislative building [illegible] the start of the session. A tour of the museum, and of the dome were both enjoyed and proved very educational. Mr R. Whitson the M. L. A. for Vermilion constituency made seating arrangements in the public gallery and introduced the grade 9 students to the other members of the Legislature. After the session all the drivers and students were treated to a lunch in the cafeteria of the Legislative building by Mr Whitson.

Hon. A. R. Patrick Minister of Economic Affairs made it possible for members of the group to participate in a guided tour of the Jubilee auditorium.

The students and teachers extend their appreciation to all whose cooperation made this very successful trip possible.

Mallards Here Early

Game officer George Senz spotted a pair of mallards swimming in the water in a ditch on Friday March 28. They were just north of the C.P.R. crossing on highway [illegible]. George says that this is the earliest return [illegible] [illegible] experienced.

DELVING INTO CANADIAN POLITICAL HISTORY

The Liberal party under the premiership of Sir Wilfred Laurier, held unbroken sway in Canada from 1896 to 1911. Then the first Conservative government of this century was elected and continued in office without an election until 1917, due to the first world war, and with Robert Borden as premier. Conscription became issue at that time and the coalition of Conservatives and Liberals took place and it was elected as the Unionists to better prosecute the war still under Premier Borden. This Unionist government with their conservative leader held office until 1921 when a depression set in and the party was defeated by the Liberals under Mackenzie King. This Liberal administration continued until 1925. A minority Conservative government was then elected under Premier Arthur Meighen and remained in office from January to July 1926 when the Liberals were returned as the largest party but still with a minority government. They carried along very well until 1930. In that year, R.B. Bennett and his Conservatives were given a clear majority. During this era the great depression came along and spelled doom for the Conservatives for many years to come. The Liberals have held office since then until the Diefenbaker victory of less than one year ago. It is also the first time in this century that the Conservative party has been elected for two consecutive terms. In adding up the years the conclusion is reached that it is time the Conservatives be given a chance to even up the years in office. Since 1900 the Liberals have been in power for 42 of the 58 years, Conservatives 13 years, and the Unionists for the remaining three years. The Conservative regimes heretofore have never lasted for more than one term in office. Will history repeat itself, or will Diefenbaker continue to make political history as he has done in 1957 and 1958?

Battle River-Camrose Members in The House of Commons

For the first time since 1921 this constituency has elected a representative of an old line party to the House of Commons at Ottawa. Back in 1921 Alberta rural constituencies sent to Ottawa the well remembered UFA "Ginger Group." As their nickname implies they were free thinkers, accomplished speakers; they had thoughts of monetary reform and many progressive ideas. They were probably born just fifty years too soon. The Battle River member for that length of time was Henry E. Spencer and no one can say that Battle River people were not effectively represented during that period. Along came the great depression. Old line parties threw up their hands in helplessness with not a thought in the world how to combat it and thousands of people went hungry and cold in the midst of plenty. A courageous band of men pointed out that monetary reform was needed to solve for all times such recurring periods of depression and advocates of Social Credit were sent to Ottawa in 1935 serving there until the present time. From 1935 until his early death in 1954 the Battle River member was the late Robert Fair. Hansard records him as a champion of western agriculture and of the veterans of the first world war. An inveterate reader his command of facts and general knowledge made him greatly respected in the House of Commons where he was highly esteemed by all members regardless of party.

From midsummer of 1955 to Feb 1, 1958, our member has also been an advocate of Social Credit, James A. Smith. A student with an analytical mind, the ability for research and study, an agricultural background, an excellent vocabulary and command of the English language, he almost immediately [illegible] known as a debater of ability. Hansard, the record of the House of Commons, reports his speeches, his parts in the debates on bills and acts, and anyone who follows Hansard and thereby knows the true story, will say that James Smith did give conscientious, efficient and effective representation at Ottawa for all the people of Battle River-Camrose. All was done that could have been effected by any member of either side of the House.

Now a representative of the old line parties takes over, and his contribution at the House of Commons as recorded in Hansard will be followed with interest.

"Of course I believe in the Sunday school. Crime among youth would become almost negligible if the young people of America attended Sunday school regularly during their formative years." — *Mr. J. Edgar Hoover, Director, FBI (1955).*

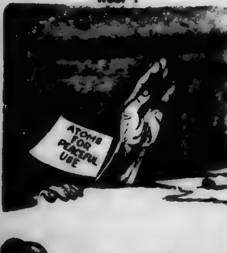
HELP!



The Homemaker

EDNA M. CRAIG
District Home Economist
Wainwright, Alta.

WHAT PART DO CRAFTS PLAY IN YOUR LIFE?

The homemaker is as pressed for time as any one in our district. Her[?]ly chooses to sides keeping a home and taking part in community activities, she frequent spend part of her time in creative crafts.

It is a good idea for each and every homemaker to analyze her craft interests. The craft should provide genuine pleasure in order to fulfill the need for relaxation. If a person is skillful in handiwork, the craft should help to train and further these skills. If the homemaker should at any time wish to earn money with her craft, it should be a craft which produces a worth while object.

If the craft is just "busy work — a hobby that occupies time with little return in the way of pleasure, training or actual money — then has it any purpose?" The main requirement here of course is whether the craft pursued as a hobby provides relaxation and pleasure to the homemaker.

This is the last of the series on handicrafts. Though this column unlike others, did not deal with design, perhaps it is just as important in choosing crafts for hobbies. Any remarks or comments on the column will be welcomed.

GARDEN TIME AGAIN

It's time again for the garden plan to be taking definite shape. If you'd like to add a few new vegetables to your family's diet there are about 40 types from which to choose. To select vegetables and flower varieties which will grow well in this district, obtain the pamphlet 'Horticultural Guide' from my office or the office of the District Agriculturist.

If you have a freezer, you'll want to grow the varieties best suited to freezing. A list is compiled yearly by the Brooks Experimental Station which will give you this information. It is also available from my office at Wainwright.

NOTE TO 4-H CLUBS

It's time again to organize Garden Clubs. Is there one in your district?

Annual Meeting Of Farm Radio Forum

The annual meeting of National Farm Radio Forum will be held at the Seaway Hotel, Toronto, April 10 and 11, announced Dr. E.A. Corbett, chairman of the National Executive. This meeting will replace the annual conference usually held in early summer. The main purpose of the meeting is to discuss the proposed re-allocation of responsibilities between the provincial and national sponsors.

At the meeting the National Board will be faced with the problem of securing a National Secretary to replace Mr. Floyd Griesbach who has resigned after eight years of service.

Amazing progress made by the Canadian plastics industry in home furnishings is demonstrated by this living room. Apart from the brick fireplace, almost everything you see is of plastic material. 'Fabrilite' upholstery fabric vinyl-coated to make it wear-proof and washable, permits the luxury of white and pastels in chesterfields and chairs. Lighting fixtures, table tops, carpet, and folding doors all make use of plastics.

Spring, claims tradition, is the time when the sap runs. Spring, warns the Canadian Highway Safety Conference, is also the time when the sap wakes and drives so be on the lookout for him!

Letters to Editor

Cooper Brothers, Editors,
Vermilion Standard,
Vermilion, Alberta.

Dear Sirs:

As the time draws near for the completion of the first annual campaign for funds of the Alberta Heart Fund, the Committee hoped through the columns of your paper to express its appreciation to the citizens of the Vermilion district for their support of the campaign.

Through research and education, the Alberta Heart Fund hopes this financial support will in the future be turned into very material assistance for all the people of Alberta who suffer from some form of this dreaded disease.

Yours very truly,
D. [illegible],
Public Information Chairman.

Chamber of Commerce Week To Be Observed April 13 - 19

Chamber of Commerce Week will be observed across Canada, April 13-19, according to an announcement by President Ralph C. Pybus of The Canadian Chamber of Commerce. This week has been set aside to bring about a greater understanding and appreciation of the role of community Chambers of Commerce and Boards of Trade in developing citizenship responsibility and in making individual communities better places in which to live and make a living.

Chambers of Commerce and Boards of Trade look upon the weekly newspaper as one of their best allies in the job of community building. The close working relationship existing between these community organizations and weekly editors was brought out a few years ago in a survey of representative weekly, twice-weekly and tri-weekly editors which revealed that 85% had served one or more terms as president of their local board or chamber.

Many newsworthy features are being planned by Boards and Chambers during Chamber of Commerce Week, such as membership drives, joint meetings with neighboring Chambers and, in some cases, international meetings with U.S. Chambers near the border, announcement of new projects, proclamations by mayors and reeves, ladies' night, platform appearances by prominent speakers, oratorical and essay contests by high school students on "What Does Our Community Need?". The Canadian Chamber has urged its member organizations to contact weekly newspapers in their communities and the Canadian Chamber is also encouraging local businesses to jointly cooperate with the weekly newspapers on a special page or pages of advertising, spotlighting the activities of the Chamber.

Marwayne F.W.U.A. Plans A Variety Of Projects

MARWAYNE. — The Marwayne F.W.U.A. held a regular meeting at the home of Mrs. C. Harrington on Monday, March 24th with Violet Elliot and Gladys Hutchinson as co-hostesses and Golline Kvill and Lillian Tupper helping with lunch. There were 20 members present. The meeting opened with reading of the Farm Women's Creed and roll call answered by the "Hobby I would like most to develop".

Fifteen pair of hospital pyjamas were turned in and a few more pairs are still to come in.

It was decided to fill Easter baskets for our elderly friends at the home of Violet Elliot on Thursday afternoon, April 3rd and then to attend the United Church tea 'en masse'.

The following committees were appointed: Handicrafts — Betty Hale and Della Protach; Flower Show — Ollie Midgley, Golline Kvill, Della Protach and Gladys Hutchinson.

Remnants received from Simpsons and Eatons were auctioned and $15 realized.

The next meeting will be held Monday evening April 28th at the home of Irene Johnson. There will be exchange of plant slips for roll call.

Sixteen Years Ago

MARCH 26, 1942

Manson Barr attended the Lacombe horse sale last week and sold a bay gelding for $132.50. The purchaser was M.L. Lang of [illegible].

Mrs. Vernon Cooper and little daughter Joanne returned home on Tuesday morning after visiting the former's parents, Mr. and Mrs. J.F. Cowell of Blaine, Wash., for the past three weeks. Mrs. Cooper also saw two brothers and two sisters, none of whom she had seen for 16 years and more.

Manager George Grasby announces that the new bowling alleys will be opened on Wednesday, April 1 and that the entire proceeds of the first day will be donated to the Red Cross. During the afternoon and evening the Red Cross W.A. will serve tea in the fine new Bowladrome.

Equipment in this recreation centre consists of two brand new alleys, new balls and all accessories for playing five or ten pins. Bowling is recognized as a healthy, vigorous exercise and the opening of the alleys will meet a consistent demand of Vermilion people for this game.

32 Years Ago

MARCH 25, 1926

Bill Mead won the gold medal offered by Albert M. West for the most efficient and obedient player in observance of training rules of the Vermilion Junior hockey team.

Wm. Young, assistant [illegible] at the power plant has [illegible] from that position and is [illegible] to B.C.

The death of James D. Buxton who came to Vermilion 19 years ago took place at the hospital on Wednesday.

Tom Watts, well known young business man was given a farewell party in the Memorial Hall on the eve of his departure for Calgary where he will work for the wholesale department of the [illegible] Hardware.

[illegible] At the bride's home, Cummings, Miss [illegible] to Herman Eyben.

48 YEARS AGO

Quite a number of farmers were at work with their discs at the end of the week, and with this kind of weather, seeding will be general in a week's time.

The football season opened on Monday night.

Richland school district is calling for tenders for a new school.

Geo. Barber, Alf Thompson and Chas. Dover, all homesteaders on 13-50-4 arrived from Edmonton with a car of effects.

Married. At St. Saviour's Vermilion, Miss L. [illegible] to Andrew Semple of Landonville.

The town of Vermilion voted the Board of Trade $100 for publicity purposes.

OBITUARY

JANET MURIEL BOBROSKE

On March 4, 1958, Janet Muriel, infant daughter of Mr. and Mrs. Herbert Bobroske, 408-12th Street East, Prince Albert, Sask. passed away in the Holy Family hospital.

She leaves to mourn her loss, her parents, brother Bobby, maternal grandparents, Mr. and Mrs. V.H. Sweezy of Mannville, Alta. and her paternal grandmother, Mrs. E. Bobroske of Marwayne, Alta.

Funeral service was held in the Prince Albert Funeral Home Chapel with interment in the St. Mary's Anglican cemetery. Canon R.L. Taylor officiated.

Prince Albert Funeral Home were in charge of arrangements.

For Seed Growers

Opportunities for seed growers to produce certified Lasalle red clover and Climax timothy seed with prospects of a definite market, reports Supervisor of Alberta's Crop Improvement Service, R.L. Pharis. Demand in eastern Canada and the United States for seed of these varieties is strong.

Registered seed, suitable for planting for certified production, is available through seed trade.

Information on the production of forage seed is obtainable from the Field Crops Branch, Alberta Dept. of Agriculture, Edmonton.

A man misses the road to success, and then insists that some one changed the guide post.

'The Bible Today'

The Easter message has been carried to the world in over 1100 written languages through the Bible Societies. The 24 major societies, including the British and Foreign Bible Society in Canada, are linked in a co-operation association known as the United Bible Societies.

The Bishop of Bradford, Rt. Rev. F. D. Coggan, has succeeded the former primate of Norway, Bishop Berggrav, as president of the U.B.S. The general secretary is M. Olivier Beguin, and the honorary treasurer is Lord Luke of Pavenham. The chairman of the council of the U.B.S. is an Indian, Mr. P. Mahanty, general secretary of the Bible Society of India and Ceylon.

Among the members of the U.B.S. is the Hungarian Bible Council, the only representative of Bible work on the other side of the 'iron curtain'.

Suggested readings for next week:

Sunday	Psalms 8:1-9.
Monday	Psalms 15:1-5.
Tuesday	Psalms 19:1-14.
Wednesday	Psalms 37:1-40.
Thursday	Psalms 42:1-11.
Friday	Psalms 80:1-19.
Saturday	Psalms 93:1-5.

OBITUARY

PHILIP OSINCHUK

Funeral services for the late Mr. Philip Osinchuk, who passed away on Thursday, March 13th, were held at the Seventh Day Adventist Church at Myrnam on Monday, March 17th. Interment followed in the church cemetery.

Mr. Osinchuk came from Austria in 1912. He farmed in the Myrnam district until nine years ago when he moved to a farm a few miles east of Vermilion. He and Mrs. Osinchuk moved into Vermilion four years ago. The deceased was 64 years of age.

He leaves to mourn his loss his sorrowing wife, one son Paul in Toronto, one brother John in Toronto, and six grandchildren.

Moyers were in charge of the funeral arrangements.

Floral tributes and memorial donations were received as follows:

Mr. and Mrs. Paul Osinchuk, Toronto; Mr. and Mrs. Mike Sawchuk, Edmonton; Mr. and Mrs. John Osinchuk, Toronto; Mr. and Mrs. P. Golonowski and and family; Mr. and Mrs. Walter Golonowski and family; Mr. and Mrs. P. Golonowski and family; Mr. and Mrs. F. Golonowski and family; Mr. and Mrs. M. Golonowski and family; Elizabeth Semeniuk; Mr. and Mrs. Fred Semeniuk; Mr. and Mrs. Tom Sherwood; Mr. and Mrs. A. Zulinski and family; Mr. and Mrs. Wm. Melnichuk; Mr. and Mrs. M. Malnowski; Mr. and Mrs. Anton Proskin; Mr. and Mrs. Paul Trynchuk; Mr. and Mrs. Peter Trynchuk; Mr. and Mrs. J. Trynchuk.

Donations to the Crippled Children's Fund: Mr. and Mrs. Peter Krushinsky; Mrs. Todd, Wm. Bradshaw and Chris Bradshaw.

Bible Donations: Mr. and Mrs. Mike Kupin, Mr. and Mrs. E. Clendenning and family.

Money Donations: Mr. and Mrs. J. Wilson, Mr. W. McCrimmon, Mr. and Mrs. M. Coma, Mr. and Mrs. Doherty; Mr. and Mrs. Schmidt; Mr. and Mrs. Banks, Mr. and Mrs. T. Rochford, Mr. and Mrs. E. Geake, Mrs. A. Geake; Mr. and Mrs. W. B. Mix, Mr. and Mrs. Steve Warawa, Mr. and Mrs. Albert Mix; Mr. and Mrs. J. A. Curtis, Mr. and Mrs. H. Rohwer; Mr. and Mrs. E. Clendenning, Mr. and Mrs. J. Wilhite; Mr. and Mrs. W. Robinson, Mr. and Mrs. L. Coombe, Mr. and Mrs. J. Perkins, Mr. and Mrs. E. Madill.

KITSCOTY

Mrs. Thomas McGreeney of Edmonton was a guest at the home of Mr. and Mrs. T. Givens for a few days last week. While here Mrs. McGreeney visited with several of her old friends.

Mr. and Mrs. Earl Franke of Fort Saskatchewan spent last week end here visiting with Earl's parents Mr. and Mrs. A. Franke and Lloyd.

Mrs. Hilbert Kheun of Edmonton is at present visiting with her parents, Mr. and Mrs. J. H. Manson.

Best wishes for a speedy and complete recovery are extended to Mr. W.A. McCourt, Mr. Roy Parker and Mr. R.A. Evans who are at present patients in the Lloydminster hospital.

It's easy to figure out why some people never had a show in life — they've never even saved the price of admission.

CHATSWORTH CHATTER

With winter almost over we are fortunate indeed to have most roads still passable though last Thursday's wind and snow did block some side roads. Compared to what we usually get at the time of the equinox, it was not too bad. Weather throughout March has been rather pleasantly monotonous with warm days, frosty nights and this last week little sunshine but plenty of fog which we'd rather have than snow.

Friends of "Dad" Howes who lived in the Ottawa district with his son Mervin Howey for some time will regret to hear that he passed away in Edmonton on Feb. 8th.

Erich Ludwig brought home a bingo prize from the Carleton district bingo on the 28th — but it was neither a Volkswagen nor a Cadillac. At the whist party held at Carleton on Mar. 14th, Mrs. Erick Ludwig was the winner of the ladies' 1st prize. Ken Thompson took 2nd in the Men's and the writer of 'Chatter' won the consolation so once again Chatsworth was well represented.

The Chatsworth Country Club met at the home of Mrs. H. Good on Wednesday 19th with thirteen members and two visitors present, the visitors being Mrs. J. M. Keague who that day became a member and Mrs. N. Jacula. A donation was made to the Red Cross; the sick committee of Mrs. J. Thompson and Mrs. R. Good were busy with report of flowers, cards and visits to Mrs. M. Farkash, cards of congratulation sent to Mrs. A. Scoggins and to Mrs. [illegible] N. Garnett a former Chatsworth girl on the birth of a daughter and a son respectively and a gift and card and visit to Mrs. Ray Hutchinson on the birth of a daughter. A paper of gardening questions was discussed, with experiences exchanged. At the close of the meeting the nickle draw was won by Mrs. J. M. Keague. The Social by Mrs. Patterson resulted in the ladies being all very calorie-conscious during the bountiful lunch served by the hostess and lunch committee, but it was decided that we'd talk of dieting the next day, consequently full justice was done to lunch.

The next meeting is to be held at Evelyn Henningsen's, roads permitting, on April 16th. Should road be impassable the meeting is to be at Mrs. R. Hutchinson's. The Sick committee is Mrs. H. Good and Mrs. J. Farkash Jr. Social: E. Henningsen's. Lunch: Mrs. East, Mrs. M. Farkash, Mrs. J. Farkash and Mrs. R. Hutchinson, Mrs. S. Jacula replacing last named if the meeting is at Hutchinson's. After lunch Marie Ewell gave us her address on the United Nations, which was educational and well delivered. We wish her every success in this undertaking.

The whist party to have been held at Chatsworth last Friday was cancelled on account of drifted roads.

All good wishes are extended to Mrs. Art Scoggins, a patient at the General hospital in Edmonton for a speedy recovery and return.

"These are written, that ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through His name."
—St. John 20 : 31

Lattice work [illegible] and cummerbunds complete with forget-me-nots galore, these spring fashions for big and little sister. The fabric, a blend of 65 per cent Terylene and 35 per cent cotton, is a delight to busy mothers because it keeps its freshness through several wearings, washes easily and needs little or no ironing. Dresses by Kittie Craft

QUEEN ELIZABETH OPENS — The new Queen Elizabeth in Montreal has now opened its doors to the public and plans are well advanced for the official opening on April 15 and 16. Ceremonies opening the completely air-conditioned hotel will be attended by business and church leaders, government officials and celebrities of the entertainment world. Some 200 conventions running into 1967 have been booked to date in the 1,216-room hotel whose official crest is shown upper left. The hotel is owned by Canadian National Railways and operated by Hilton of Canada Ltd.

the Snapshot Guild

If you use your camera and film properly, appealing pictures like this can be yours for the taking this very spring.

Be Sure You Have "Beginner's Luck"

Today we were thinking about all the new camera owners who've just joined our "happy breed." Excitement, challenge, adventure, discovery—these and a myriad of other pleasurable sensations await anyone using a camera. And never is this truer than in those first days when the proud new picture taker realizes it's a shutter-finger that holds the world by a string.

Of course, to be sure of getting the best possible pictures you new camera owners would do well to arm yourselves with certain very basic information. Contrary to the proverb, here's a case where "a little learning" is not "a dangerous thing" at all.

The tips we have in mind are very simple ones—and you'll see that the advice they offer is the kind even veteran snapshooters often need to be reminded about.

First of all, read through the instruction booklet that was tucked into the box along with your new camera, to give you all the information you need about how the camera works. A quick reading—and you'll spare yourself wasted time and needless disappointment later on. For only when you know what your particular camera is designed to do and what its own individual limitations are can you expect the best kind of results from its use.

If any of this information isn't absolutely clear to you, or if you're still not sure about how any part of your camera works, don't hesitate to ask your photo dealer about it. He'll be happy to help you—and you'll be far happier than if your own "experimental technique" caused damage to the mechanism.

Second on the list of "must" reading is the information printed right on the package of every roll of film you buy. Read it carefully before you load your camera for action. That way, you'll be able to determine exactly what you have to do under the prevailing conditions of light and atmosphere.

Though most cameras are constructed to take a lot of abuse, they are precision instruments and deserve as much consideration as you'd give a good watch. Plan to keep your camera away from heat and dust as much as possible when not in use. Avoid a "hot spot" such as the glove compartment of your car, or a "dust-catcher" like the back-window ledge. Instead, just hang it on the seat beside you while in transit.

—John Van Guilder

Court of Revision April 28th

Renew Contract With R.C.M.P. For Policing Of The Town

The regular meeting of the Council, Town of Vermilion, was held on Tuesday, March 18th with Mayor Hill and Crs. Locke, Cooper, McCormick, Sutherland, Rowe, Thompson, present.

Correspondence: Municipal Finance Corp re statement; RCMP re contract renewal; Haddin, Davis & Brown re Pettigrew contract; Mitchell Taylor re resignation as auditor; Aero Surveys Ltd re mapping; Alta Govt Telephones re fire calls; By-law 3-58 re third reading; By-law 4-58 re Court of Revision; Vermilion Hospital re requisition.

Lot Sales: Lester M Maier Lots 13 and 14 Blk 30 Plan 635V; Alta. Wheat Pool, 100ft. frontage.

Moving permit, G T Skinner, house to Lots 17 and 18 Blk 29 Plan 635V.

Other business included arena rental and tax sale.

The following motions carried.

That a contract for policing the Town of Vermilion be entered into with the RCMP, as previously operating.

That Court of Revision be held on April 28th at 8 p.m. with the members of Council, except G.W. Sutherland.

That title to the property Lots 1 and 2, Blk. 14, Plan 6647S, known as the Imperial Block, be transferred to I. Miller.

That By-law 3-58 be given 2nd and 3rd reading and finally passed.

That By-law 4-58 be given 1st, 2nd and 3rd reading and finally passed.

That Lots 13 and 14, Blk. 30, be sold to Lester W. Maier for the sum of $200 subject to usual building by-laws.

That Graham Skinner be given a permit to move his house, as previously inspected by building committee, to Lots 17 and 18, Blk. 29, subject to usual building by-laws.

That a tax sale be held in the town office May 14th, commencing at 2 p.m.

OUR LETTER FROM EDMONTON

Alberta Legislature Plans Major Changes In Liquor Laws

by KEN MASON

EDMONTON. — If there was anything surprising about the new liquor laws introduced in the Legislature it was because they went much farther than a lot of Albertans thought they would.

A substantial number of members on both the Opposition and Social Credit side still are opposed to any relaxation of the drinking laws, although they are outnumbered by the wets and semi-wets.

But the attitude of all seems to be that they have little or no choice in view of the way the majority voted in last fall's liquor plebiscite.

In the main the consensus is that the government is taking a sensible approach. In the Social Credit caucus, the drys stayed out of it for the most part, relying on those who favor the new laws to arrive at the best solution.

Minister Without Portfolio, Fred Colborne, Calgary, introduced the legislation and is piloting it through the House.

It provides for liquor sales in high-class dining rooms, straight cocktail lounges in conjunction with licensed dining rooms, liquor in cabarets or night clubs, and liquor on trans-continental trains. There will be no drinking on airliners.

The aim of the legislation is to make liquor secondary by tying the laws closely to food. As a concession to teetotallers, a licensed dining room will be required to provide a separate room or area where liquor is not available.

One unexpected move was the provision for the new types of liquor outlets without mandatory local option vote.

According to the bill, a local option vote won't be necessary unless it is demanded in a petition signed by 300 voters or by 25 per cent of the voters, whichever is less.

Once licenses are granted in an area there can't be another local option vote for three years, and there must be a petition with 2,000 names.

The government decided against making local option votes mandatory because in some areas the plebiscite vote was so decidedly wet that the citizens might feel another vote is unnecessary. On the other hand, it was felt that provision for a vote should be there for those who want it.

Conceivably there could be a vote on liquor every three years, but officials doubt if that will happen.

Here's the way the new laws will work once they come into force in either May or June.

Any operator of a high-class dining room who wants a liquor licence will apply to the liquor control board. The board will advertise its intention to consider the aplication.

If no petition is received within 30 days after the last advertisement, the board can grant a licence. If there is a petition, the cabinet must authorize holding a local option vote.

The first to be established will be licensed dining rooms. Then any operator who serves drinks in his dining room will be able to apply for a cocktail lounge license. In the lounge all types of liquor will be served with or without food, but food must be available if patrons want it.

The liquor board will have wide powers to regulate all phases of operation. It will be able to require certain standards of accommodation, types of lighting, furnishings and fixtures, quality of liquor and price of drinks.

Cabaret licenses will be restricted to establishments which already serve high-quality food, and which offer dancing and live entertainment.

Another provision aimed at keeping liquor secondary to food is a clause which says revenue from the bar must never exceed that from food service. This is to discourage huge bars in tiny restaurants.

The liquor laws were expected to be passed without any major debate, although some members will want to reaffirm their views on the subject.

They also were expected to pass with little change from the way they were drafted.

Members of the Alberta Hotel Association are reported unhappy about restaurants getting into the liquor business, but at the moment it seems doubtful if any change will be brought about.

Unless something unforeseen happens, Alberta could become Canada's newest "wet" province by late this year.

The Legislature sat morning, afternoon and night last week in an all-out effort to complete some of its business before April 1, the start of the new fiscal year.

The house completed its detailed study of the budget estimates, authorizing the spending of amounts set aside in the $263,000,000 budget. Then members began plowing through the 100-odd bills which are before the House.

Last week ended with Lieutenant-Governor Dr. J.J. Bowlen giving Royal assent to some of the legislation which has to be in force for the start of the new fiscal year.

Charles E. Pinnell, Calgary, presents the Calvert Trophy to Murray Robison, Cadogan, director of 'All Summer Long' best production in the Alberta Regional Drama Festival. Richard West (center) of London, England, was adjudicator. In addition to the Calvert trophy, given for the top presentation in the series, the winning group also received a cash award of $100. Mr Robison, adjudged the best director in the regional competition won a personal award—the [illegible] during Hayman cup.

Marwayne H. & S. Hold Card Party

MARWAYNE. — There were seven tables for crib and five tables for whist at the Home & School card party in the school on Friday, March 28. Crib winners were, high, Mrs. L. Dale, Mr Haskell Tupper; low, Mrs. Lucas and Mr Gudzowaty. The whist winners were, high, Miss E. Howe, Mrs. R. Milne (playing as a gentleman); low, Mrs. McClean, Mrs. Reishus (playing as a gent). After the card playing everyone went to a classroom for lunch and this being the last party of the season, the grand aggregate prizes were given out. Mrs. L. Dale won the prize for cribbage with a score of 4785 and Mrs. Bert McClean the whist prize her score being 983. The prizes were double decks of cards. Mrs. Culford on behalf of the H. & S. thanked everyone for attending so regularly, thus helping the venture to be so successful.

Home & School will hold their next meeting on the regular night with Mr J. R. Robson as guest speaker.

The news came out that maternity care will no longer be free in Alberta as of this week.

Under the province's new hospital insurance program, maternity cases are treated the same as other cases. Hospitals will charge $1.50 to $2.00 a day for the mother and $1.00 a day for the newborn infant.

It marks the end of about 10 years of free maternity treatment. The government estimates the maternity "coinsurance" fee will net $300,000, and the money will go into providing drugs which until now haven't been available under the province's $2-a-day hospital plan.

Toeing the mark is made more difficult each time the mark takes up an advanced position.

An all around man doesn't continue going in circles, but progresses toward some given point.

BY-LAW No. 906
Municipal District of Vermilion River No. 71

A BY-LAW of the Municipal District of Vermilion River No. 71 to limit the operation of trucks, trailers and traction engines on all public roads, highways, streets, and lanes in the Municipal District of Vermilion River No. 71.

WHEREAS under the provisions of the Municipal Districts Act 1954 the control of all public roads, highways, streets and lanes within the said Municipal District is vested in the Municipal District of Vermilion River No. 71 and there is a duty on the Municipal District to repair the said roads, and

WHEREAS under the provisions of the Public Services Vehicles Act the Council may prohibit the use of any district road, local road, or portion thereof by an truck, trailer or traction engine and the said Public Services Vehicles Act and the Highways Traffic Board do not provide for the control as contemplated in this By-Law.

THEREFORE the Council of the Municipal District of Vermilion River No. 71 enacts as follows:

The term "truck" shall include all trucks with a rated capacity of one ton or more and the term "tractor" shall include traction engines operated on wheels and also such motor vehicles as run on tracks.

No person shall operate any truck, trailer, or tractor on any district road, local road or portion thereof without permission of the Councillor in the Division in which the vehicle is operating during any rain storm or during a rainy season or at any time when the said vehicle breaks through the surface of the roadway or causes rutting or breaks chunks of road material from the road bed.

Any person or persons who are found guilty of a breach of this By-Law shall be guilty of an offence, and liable on summary conviction for a first offence to a penalty of not more than twenty-five ($25.00) dollars and costs, for a second offence to a penalty of not more than fifty ($50.00) and costs, for a third or subsequent offence to a penalty of not more than one hundred ($100.00) dollars and costs.

DONE AND PASSED in Council this 3rd day of April, 1957 A.D.

MOVED: First Reading — Councillor McGuigan.
MOVED: Second Reading — Councillor Wheat.
MOVED: Third Reading — Councillor Wallington.

This By-Law to become effective immediately upon the [illegible].

Take the "Wraps off" Your selling

. . . put your advertising where people ready-to-buy

MUST SEE IT!

An advertisement can't even begin to sell unless and until it is SEEN by those who are in the market for what is offered for sale. Best way to make sure that your advertisement will be SEEN by the right people at the right time is to advertise in this newspaper. It's all as simple as one-two-three: (1) Folks who want to buy something like to get all the information they can get about what's for sale. (2) They turn naturally to the advertising columns of this paper for a quick comprehensive look at the market. (3) Your advertisement here is never an intrusion or interruption, instead it is exactly what your best prospects are LOOKING for! Take the shortest distance to your largest, most responsive market . . . via advertising in this newspaper.

EFFICIENT FEEDING AND LIVESTOCK MANAGEMENT

By Dr. Gustav Bohstedt
Emeritus Professor of Animal Husbandry
University of Wisconsin

Preparing Steers For Shipment To Market

Old-time cattlemen were very much concerned about "drift" or loss of weight in cattle being driven long distances to market. They would make sure of plenty of grass and water enroute, provide salt and permit the animals sufficient stops for chewing their cud. In other words they would, as much as possible, provide the comforts of home to keep the cattle contented in order to hold the weight losses low.

Dr. Bohstedt

Such loss of weight enroute to market is not eliminated by modern conditions where cattle are shipped by train or truck. The modern cattlemen are still concerned and careful to minimize the loss.

Mere nervous tension under the crowded and uncomfortable shipping conditions has a tendency to pull weight off the cattle. Depending on the distance to market, this weight may not be entirely "fill," but also actual tissue live-weight. For the most part, however, it is the reduction of the contents of the digestive tract, and in recognition of that fact a buyer weighing steers right out of a feed lot customarily, by agreement, discounts the scale weight perhaps 4 per cent.

Where the steers are to be weighed at the stock yards or packing plant, the shrink [illegible] can be held down if you follow these pre-shipment management practices: On the evening before shipment and on the morning before loading, reduce both corn and silage, if any is fed, to one-half the customary level. Allow free access to the hay that has been fed all along, and to water all night long, so that the cattle are reasonably full and comfortable. However, you should shut the steers away from water first thing in the morning so they won't be in a sloshing condition during transport.

The modern cattleman's principle here is the same as that of the oldtimers—comfortable cattle suffer less weight loss than those whose comfort has not been considered.

Question: How much salt do horses need?

Answer: Studies at Michigan, Mississippi and other stations show that horses and mules differ greatly in their individual consumption of salt, and they consume different amounts at different seasons, also according to their activity. In one study the salt intake of 12 horses ranged from a high of 3.28 ounces per day to a low of about ½ ounce per day. Because of the wide variation it is advisable for horses and mules to have constant access to loose salt. Use of iodized or trace mineralized salt for horses is becoming increasingly prevalent.

McCULLOCH
NEW LOW PRICED Thrifty MAC
$189.50

Take the hard work out of wood cutting! Powerful, light, easy to operate, extremely rugged, low in cost! The McCulloch "Thrifty Mac" features automatic clutch, automatic kickproof rewind starter, weight less than 20 lbs. and the famous McCulloch built ignition and fuel systems. These are only some of the many features found on more costly equipment.

LOCAL NEWS

Mr and Mrs. Ernest Veysey, former residents of Marwayne have taken Mr. Dave Rose from the hospital in Lloyd to their home in Edmonton to stay, until he can make arrangements to enter the Veterans Home there. Mr. Rose has his property up for sale.

Mr. and Mrs. S.L. Conboy, Ian and Heather of Forestburg spent Thursday and Friday with Mr. and Mrs. T.L. Conboy.

Mr. and Mrs. R.J. Shepherd of Edmonton spent the week end with the latter's parents, Mr. and Mrs. T.L. Conboy.

Mrs. L.P. Horne leaves Calgary for Montreal by plane where she will embark the Empress of France on April 15 for England and other parts of the continent.

Jack Bowman has returned home after spending the winter in the lumbering industry at Marlboro, Alberta.

The tea set recently raffled by the Britannia Rebekah lodge was won by Mrs. James Smith with ticket number 1665.

Mr and Mrs. John Kuzek left this Thursday for Ontario where they will spend three weeks visiting three brothers of Mrs. Kuzek and one brother of Mr. Kuzek's. Their daughter Rose Kuzek will spend the Easter school vacation at Grande Prairie visiting her brother Victor and Mrs. Kuzek, and her sister Mrs. Ev. White and Mr. White at Fairview.

Mr. and Mrs. Jos. Stewart and Mr. and Mrs. Dave Stewart and families returned during the past week from Mesa Arizona where they spent the winter months. The change was enjoyed very much.

Wayne Tuey of Vancouver is visiting his uncle Art Tuey and family this week.

The Standard wishes to correct a mistake in last week's issue in that Mr. and Mrs. Bruce Wilson intended visiting the farm of the late Harvey Wilson at Tillsonburg, Ont. It will be remembered that Mr. Harvey Wilson died three years ago.

Mr. and Mrs. Wm. McGinnis returned to Vermilion this week after spending the winter months at Vancouver and Victoria with a side trip to Portland Oregon.

Mr. and Mrs. Walter Thompson have had their daughter Mrs. Marshall of Edmonton staying with them for the past week, during the illness of Mrs Thompson. Mrs. Marshall returned to her home in Edmonton on Saturday last.

Roy Finlay of Dewberry attended the Edmonton livestock show and sale last week and purchased a prize Shorthorn bull.

Nick Adams was in town over the week end coming from Calgary where he is now stationed. Nick is a supervisor for Western Grocers. Mrs. Adams and family are still here but will be joining Nick in the chinook city in the very near future. Nick says that moving to Calgary is just like going home as he already has a sister and a brother living there.

Mr. and Mrs. Bob Rouse who are presently at Red Deer were in town for the week end and to cast their votes in the election on Monday.

Miss Alice Keith is now home and reports a very enjoyable time spent in Honolulu Hawaii. Quite a number of Vermilion and former Vermilion people were met while there.

John Brimacombe returned recently from spending some two months visiting the Hawaiian Islands. Most of the time was spent in Honolulu but all points of interest were visited including Pearl Harbor.

Red Cross Plans Aquatic Courses

During the week of April 7 to 12 Red Cross will hold courses in both Calgary and Edmonton for the purpose of training instructors in water safety methods.

These schools are designed to train men and women in the organization of aquatic programs, supervision of pools and waterfronts and instruction in the skills of water safety pertaining to swimming, boating and skating.

The schools are divided into two sections, one section to train instructors, the second for senior leaders. Candidates for the instructor course must be 18 years of age, hold a senior swimmer award, a recognized life saving award equivalent to the bronze Medallion of the Royal Life Saving Society, and be willing to conduct classes on a voluntary basis. Special consideration will be given to older candidates holding [illegible] and life saving awards if they are considered at a 'senior level' by the course instructor; however, candidates with the necessary pre-requisites will be given priority.

Persons wishing to train as senior leaders must be 16 years old, have qualified as an intermediate swimmer and be willing to assist with water safety instruction. Holders of life saving awards will be given preference.

Registration fee for instructor candidates is $10 while a $5 fee is payable by senior leader candidates. Further information may be obtained from water safety service at Red Cross House, 9931 106th St. in Edmonton.

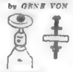
Don't Throw Old Plates Away Now

Officials of the A M A have issued a warning to members against throwing away their old car license plates as soon as they obtain the new 1958-59 licenses.

"These old plates should be retained in a safe place at least until April 30th when their use is no longer permitted on cars," said an official. "If they are carelessly thrown away or left where they can be picked up they might be used on stolen cars or in some other illegal way. This would cause owners some embarrassment. It is a good rule, even if you have your new plates, to put the old ones safely away for a while and avoid trouble."

YOU CAN FIX IT

by GENE VON



HANDY BUFFER

An ordinary powder puff chucked into a ¼-inch portable drill makes an excellent small buffing wheel for cleaning silverware [illegible] or other articles with a figure or pattern that requires a soft polish. Just punch a hole in the center of the puff and mount it on an arbor made from two washers and a nut fitted on a machine screw, as shown in the illustration.

News from The Halls of V. S. A.

One week ago Saturday the Vermilion School of Agriculture and Home Economics saw the wind-up of gym activities. The climax of the gym program was "Gym Night", which featured a fascinating display of amateur gymnastics. Included was tumbling, vaulting, pyramid building and judo.

Last Saturday was "Color Night" at which formal presentation of major awards is made. The program is well named and every student watches attentively as one-by-one the winners are named. Proudly they assemble to receive the symbols of their achievements and the plaudits of an appreciative audience.

Several students well known in Vermilion and district were honored this year. Mitchell Bendixon of Marwayne received three of these much prized tokens of success. He was presented with major crests for his contribution to the school as Vice President, for his performance in the orchestra and for obtaining the highest standing in his class. Rod Hines of Vermilion was recognized for his service to student affairs as chairman of the gym committee and as an all star on the basketball team. Robert Parker of Dewberry was rewarded for his work with the orchestra and as an outstanding gymnast. Dewberry claims another double winner in the person of Halvor Lofthaug. Halvor won recognition for his performance in the orchestra and with the hockey squad. Marwayne was represented by Robert Wilds. Bob made his mark in the orchestra taking the fourth of the four awards in this department. He was also rated a stellar defenceman on the hockey team. Bill Robinson of Vermilion was given one of the two crests available for work on the Year Book. He too was recognized as a hockey [illegible].

This year has been an exceptional one at the school. It is noted that Vermilion and district students have won [illegible] of the [illegible] awards [illegible]. These boys are a credit to this school and their communities. They are to be congratulated for their excellent showing. It seems a pity that all these lads are in their final year at the school. We wonder what will happen to our hockey team and our orchestra next year.

William Kinash of Kitscoty came out second best in a rugged four-way contest for the presidency of next year's Student Council. Under the election rules he thereby becomes next year's vice-president. Congratulations Bill.

Many Parties Fete Bride-Elect

In honor of Miss Jean Hildreth, who will become the bride of Const. Dennis Norton on April 9th, Mrs. John Sadonyk entertained thirty-one guests at her home on March 17th.

Contests were enjoyed and caused much fun and laughter. The gifts were presented in a box depicting a cell with Const. Norton behind bars. After opening her gifts the bride-elect thanked her guests and the evening was brought to a close with the serving of a delicious lunch.

Mrs Joan Kowlachuk entertained thirty-seven guests at a shower in her home on March 24th in honor of Miss Jean Hildreth. After a number of games were enjoyed, Jean was presented with a prettily decorated cradle of gifts.

The bride-elect thanked her guests sincerely and a lovely lunch was served.

TROUSSEAU TEA

On March 26th, at the home of Mrs A Hildreth Mrs Hildreth entertained at a trousseau tea in honor of her daughter Jean.

The telephone girls assisted Mrs Walker, Mrs Buckingham, and Miss Misick with the serving. The bride-to-be's gifts and trousseau were displayed and attended by Mrs O J Elder, along with the guest book where over 80 guests signed.

Telephone Staff Loses Two

Miss Pat McLaughlin left the telephone office on Feb 28th after five years of service. She was married on March 13th and is making her home in Edson as Mrs. A. J. Thursby.

Miss Jean Hildreth, who has been on the staff for the past seven years, is to be married on April 9th.

The girls will be greatly missed by the staff and the public will miss the capable service rendered by them.

Even the fellow who raises the hatchet may have a hidden weapon.

The man who boasts he never goes to the races broke often comes home that way.

Donations To The Crippled Children's Fund

The following donations to the Crippled Children's fund have been received in memory of the late Mrs. Jane McDonald of Clandonald: Mr and Mrs Goldsmith; Mrs. Quick and Allan; Mr and Mrs. Taschuk; Mr and Mrs Kada; Mr and Mrs. H Carlton; George, Thelma and Wilfred; Harry and Ruth Brake and Marilyn; Harry and Kathleen Brake; Mr and Mrs Tom Stockwell; Mr and Mrs Trost; Mr. and Mrs Thompson; Mr and Mrs Seal; Mr and Mrs O'Neill; Mrs L. Good and family; Mr and Mrs Vernon Keast and family; Mr and Mrs E. Burns and girls; Mike, Martha and boys; Betty and Ernie Antfelt; Mr and Mrs Fred; Mr and Mrs H Hagen and Ann; Mr and Mrs Fred Goddard; Mr and Mrs D McIntyre.

CARD OF THANKS

I wish to extend my sincere thanks to Dr. Stephens, the nurses and staff of the Vermilion hospital for the care and attention while a patient in the hospital; to all my friends and neighbors for kindnesses received with special mention of Mrs. Walter Fisk and Mr. Ashley Cooper.

Mrs. Walter Thompson

CARD OF THANKS

The Canadian Order of Foresters wishes to thank Capt. Bill Seales, O.C. 'A' Coy. L.E.R. for the use of the Armories and facilities for the ham shoot held on Saturday, March 29th. Appreciation also to all the sharpshooters who turned out to make the shoot a decided success.

CARD OF THANKS

The Vermilion Red Cross executive wish to thank the canvassers for the splendid work they did during the annual Red Cross drive and the public for their generous contributions. It was all very much appreciated.

CARD OF THANKS

Mr and Mrs. G. A. Dickson wish to thank all their friends and neighbors for the very generous gift. [illegible] kindness will never be forgotten.

IN MEMORIAM

In loving memory of
GEORGE H. STONE
who passed away Apr. 3, 1951.
"In our garden of memories
we meet every day."
Ever remembered by Mr and Mrs Walter Thompson

Ham Bingo Held At Derwent

DERWENT — The Derwent Curling club sponsored a ham bingo at the National hall on March 28th. Due to the muddy roads many people from the surrounding district could not attend this event but the Curling club was happy to see a good turnout nevertheless. The ten lucky winners at this ham bingo were: Mrs. Emil Mudryk, Gordon Benson, Nick Boyko, Harry Borowski, Mrs. Alice Wysocki, Eddie Bykewich, John Palinka, Mrs. Anne Jacula, John Bober, all of Derwent and Mrs. Joe Machney of Myrnam.

It will delight every cook to know the days of lumpy brown sugar may soon be over. Recently some manufacturers have been packaging it in an airtight polythene bag. With a snug plastic clip at the top to keep moisture in and dry air out, the sugar should stay soft indefinitely. Both the two-pound and five-pound bags of sugar can be bought in this convenient new package. The bag is easily re-fastened each time the sugar is used.

Vietnam Children Need Shoes . . . You Can Help

Thi Kim Hoang is a little Vietnamese girl six years old. Her father died in 1955 leaving her mother to support five children herself. Money is scarce, food is scarcer and shoes and socks are unheard of in her large unhappy family.

Now to the average Canadian there is nothing nicer to see than a barefoot child playing outside a pretty suburb home. Such is not the case in Viet Nam. Bare feet spell danger, disease and often death.

Day after day, Thi Kim Hoang has to walk barefoot to play and school through the thick, oozy muck which covers the lanes and roads in her village. Her feet are constantly exposed to such things as worm infestations, snake bites, cuts from sharp, [illegible] and worst of all, leprosy. According to a well-known doctor, 51% of the world's leprosy is caught through the feet — a fate which has befallen many of Thi Kim's little playmates.

Foster Parents' Plan, Inc., has recently launched a campaign to provide shoes for these unfortunate youngsters — 100,000 of them! They are supplying them with traditional Vietnamese clogs fashioned of rubber and plastic and looking not unlike a heel-less, toe-less bedroom slipper. These are the only kind of shoe the heavy muck will not suck off. Best of all they are sturdy and strong and can protect a small foot against all disease and hurt.

You can buy a pair of shoes to help a Vietnamese child walk safely through her daily life. Fifty cents provides one pair of shoes which will last about 3 months and $2 will supply shoes for a year. Send your contributions to FOSTER PARENTS' PLAN, P.O. BOX 65, Station B, Montreal, P.Q.

NEWS from ISLAY

If you wonder what one does in a little town here are some of the doings for next week — Monday, March 31st, election day, and the United Church W.A. will serve lunch, cafeteria style, in the church hall most of that day; April 1st, Home & School meeting at 8 p.m. when Mrs. Lois Karlsson will address the meeting "Going places with the United Nations; April 2nd, Mr. Fleming, the Wheat Pool representative will present an evening of films for the 4-H Grain Club and the 4-H Girls' club in the town hall at 8 p.m., lunch will be served; April 3rd is the United Church W.A. meeting at 3 p.m. at the home of Mrs. Patsy Robertson and April 4th is Good Friday and one could go to Kitscoty at 3 p.m. and hear the Kitscoty United Church choir present Stainer's Crucifixion — well, then comes Saturday and you'll be preparing for Sunday, Easter.

Coming up, and we are giving you plenty of time, to get ready to take part in the annual Islay Amateur, April 25th. Let's have some real items!

After seven weeks of holding church membership classes in all four points on the Kitscoty charge of the United Church 30 new members were received into the four different congregations last Sunday. Rev. James Shortt is the minister in charge. Beginning Easter Sunday times change. Islay services will be held at 3 p.m.

On March 19th Mrs. Jean Axley and little Miss Marilyn Walton celebrated their birthdays at Mrs. Axley's home in Islay. Present were the Walton family, Charlie Redmond family, Mr. and Mrs. Monroe of Dewberry (parents of Mrs. Axley) and Mr. and Mrs. Wellington Barnett.

Hi Mrs. Roebuck! At your expense we have had a good laugh and feel years younger for it. How did you and your piano get mixed up with helping the lads at V.S.A. prepare their animals for the Little Royal? Music hath charms and yours has, we know. If puzzled look at March 27th issue of the Standard.

Islay got a surprise Tuesday when Harry and Annie Young of Victoria arrived — unbeknown to anyone.

The tea in the chuch hall on Monday was very successful, thanks to all who came in and to those who supplied the food. The ladies are always right there with the goods. The aprons on sale were very lovely.

Mr and Mrs. Hurst went to Elk Point Tuesday to attend the funeral of Mrs. Hurst's brother-in-law.

On Easter Sunday there will be an open Sunday school at 11 a.m., all are welcome. At 3 p.m. church service will be held — all are welcome.

Noticed the Walter Carlsons driving a different car, a two-tone job.

On Sunday afternoon some 12 year old lads thought to build up their leg muscles and rode their bicycles to Borradaile and back in the matter of about 3 hours, a distance of some 19 miles. They were Jack Teskey, Jim Shaw, Douglas Van den Dolder and Allan Belton. Did they rest any? Only three times they say.

In a recent survey we were told that 60% of our children from 6 to 12 years are considered not physically fit, while in Europe only 8% failed in the same tests. Our health educators are worried, saying we ride rather than walk.

Check that date on your label.

Before you take your car out for a spin, be sure it is in safe mechanical condition. Have it given a thorough checking, advises Canadian Highway Safety Conference and drive with that comfortable sense of safety.

Most brides would like most a cookbook with a happy ending.

McLAUGHLIN'S SELF-SERVE

Tips on Touring

By Carol Lane
Women's Travel Authority

It may be a man's world, but in the world of car design we women exert a tremendous influence. Here's how: Women are nearly always consulted in the selection of the family car, so automobiles are fashioned more and more to appeal to them. The feminine eye looks for color, fabrics, comfort and convenience, and the manufacturers oblige.

One large auto manufacturer, for example, has women artists and designers. Market research analysts constantly consult the distaff public about likes and dislikes in car styles. Another automotive company set up a national women's panel to discuss design innovations. One result was the increased use of linen for upholstery. It doesn't wrinkle easily, is static-free, feels comfortable in summer and winter, and lets clothing slide easily — all requirements desired by women.

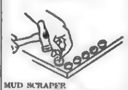
The feminine trend in car design has been apparent for some time. Automotive experts agree that the glove compartment, the assist straps, floor carpeting, inside lighting, and non-skid tires are the result of the ladies' influence.

One third of all motorists are women. So the car is designed to make it easier and more comfortable for the woman to operate. Two results - power steering, power brakes.

Other suggestions by women: a door button that won't break fingernails, better back-up lights, wider doors, glove drawers, mirror on back of sun visor.

YOU CAN FIX IT

by GENE VON



MUD SCRAPER

Here's a real efficient, and easily made, scraper for removing mud from the shoes before entering the house. Just nail a number of discarded bottle caps as illustrated, to a board about one by two feet in measurement. Use a ball peen hammer for this, the rounded end coming in handy for the final hammering to avoid flattening the edges of the bottle caps. You can keep this mud scraper outside your rear door during muddy weather.

NEW ROLLING STOCK

New rolling stock acquired by Canadian National Railways during 1957 included 100 passenger train units, 6,524 freight cars and 152 units of work equipment.

News from Dewberry

We are pleased to report that Mrs. Durnin is back at school again — with her arm in a sling but as cheerful and happy as ever.

Laurie Durnin is now working in Lloydminster.

Mr. and Mrs. Gordon Wilson are spending a holiday in the States. Their son Arley, his wife and young daughter came by car from Edmonton and all left on the trip. They will be home in time for their grandson Earl's wedding.

Philip Porter is back on the farm. It should snow several inches now, usually does. He has purchased a new and larger truck.

Bob Braithwaite is the proud owner of a new car.

Mrs. Jenny Axley is home again from Calgary. Her sister's son and wife Mr. and Mrs. Dewey Butz drove her back by car.

The ice sports are over for another winter. Our curling season came to a close with a dance on March 28th. The club shield was won by the Neil Jones' rink. One of the big winners this season was the Frank Bowman quartet with 3 seconds in Grand Challenge finals and the Grand Challenge winner in the local mixed spiel. Our farmers' spiel this year was won by the Frank Mead rink.

The local grade nine held a one - day spiel with Lorraine Braithwaite and her Dewberry rink knocking over the Gardner rink of Marwayne in the final game.

GOOD HOCKEY SEASON

Hockey has had a good season here. Four teams of Pee Wees enjoyed doubleheader games on Saturday afternoon in the semi finals. Black Hawks beat the Leafs and the Red Wings took out the Rangers. In the final game the Red Wings won over the Hawks and will hold the Powell trophy for one year. This will be presented some Saturday at an informal party in the hall of all players and friends. It is hoped to have some films on sports. Art Mead is the captain of the Red Wings.

Congrats to Jimmy Jones and Lorne Braithwaite who played on the winning Juvenile team from Edmonton and won the provincial title.

Ernie Braithwaite who plays for the Varsity Golden Bears also had a good season as they won the Western College events.

BUYS SHORTHORN BULL

Roy Finlay attended part of the Edmonton Spring Livestock show and purchased a young Shorthorn bull from the Melrigh farms at Chipman. This farm has made good showings in the rings both in Alberta and at Toronto.

PLAN DISPERSION SALE

Frank Bowman is probably one of the busiest cattlemen in Alberta these days as he is preparing for his dispersion sale of all his purebred Herefords, over 200 head, including young bulls. Horn branding and all reading of tattoos and papers takes a long time. Sale will be held near the end of April.

Lloyd Brett has purchased the Harry Williscroft farm and will be moving in soon. Mr. and Mrs. Williscroft and family are moving to Edmonton where Harry has taken a job with the Canadian Legion.

POOL AGENT TRANSFERRED

Mr. Stan Chodak, our local Pool elevator agent for a number of years is being transferred to house construction of Pool residences. We wish him well in his change of occupation. We will miss his ready hand for help around our skating rink next winter. Stan plans on working in the Vegreville area.

The White Lunch cafe owned by Mr. and Mrs. W. Boyce is undergoing alterations. It now has a new display counter for hobby work done by Mrs. Boyce including plaster of paris work and all sorts of flowers. Mrs. Boyce is quite a skillful artist in this line of work, and her dolls and flowers have to be seen to be appreciated. Her latest flower bouquets and corsages are made from the new foam rubber.

Win Braithwaite also has a new display counter running up the middle of the store. New counters and more alterations are planned we hear.

Elmer Elliott is a patient in the Islay hospital and is quite ill. Other patients who were in the hospital, some of whom have returned home are Mrs. M. Parker, Mrs. Brett, Mrs. Collins, Mrs. McIntosh, Mrs. Kiss, Mr. Herb Websdale and the two Websdale children. A speedy return to health is wished all these folk.

Mrs. Win Braithwaite has undergone an operation in Islay hospital and is reported to be making good progress. Mrs. Grace Woods is looking after the house and children.

The games night sponsored by the Home & School held in the school auditorium was well attended. Whist, crib and bridge were played. A sale of aprons, bird cages, candy, etc. was held by the grade 6 and 7 room under the direction of their teacher Miss Beirman prior to the playing of cards. They had a very nice display and all articles were sold.

Remember the bingo on April 9th. It is an all cash bingo. The Jack Pot of $40 will be played off so plan to attend — you may be the winner.

'COOTIE' PARTY AT PRESTON

Don't forget, folks the 'Cootie' party to be held at Preston Central school on Thursday night April 10th in aid of funds for the Home and School. Everyone is welcome. Prizes for 'Cootie' winners. Bring just a bit of lunch. Coffee will served.

Winter takes its toll of human energy and mechanical condition. Check your car and check your driving, the Canadian Highway Safety Conference warns, to check accidents.

WILDMERE WINKS

A nice visit was enjoyed with Mr and Mrs Arthur and family and grandad Alex Arthur. Mrs Arthur had only arrived home from hospital on Friday where she had spent 12 days with sinus trouble. Thanks for the good coffee and cake folks, we really enjoyed our visit. We wish Mrs Arthur continued recovery.

Had nice chats at the curling rink with Mrs R. Mead, Mr and Mrs McGuigan, Miss Fletcher, Mrs Dowdell and Miss A Keith who told me about her grand trip to Hawaiian Islands and the Capital Honolulu. Several Vermilion girls are nursing there, namely Lorna Dales, Betty Kibblewhite, Noreen Dougan and Marion Barr. Miss Keith said it was 84 above when she landed there and it stayed much the same temperature all the six weeks she was there. It must be a grand place to go for a holiday. Glad you enjoyed it Miss Keith, you truly deserve a holiday like that.

Up town we met Mr. and Mrs Peter Jensen, Mr and Mrs Angus Anderson, Mrs C Wahlenberger, Mrs Sperberg. In the evening we met Mr and Mrs Venance and Mr and Mrs Frank Martin from Kitscoty. How did you make out playing crib Mr Venance?

A Mr McFee from Vancouver visiting in Vermilion told the writer how he enjoyed reading the Winks. Thanks very much, it's such comments that helps us keep writing.

This week the writer is Wildmere W.I. delegate to the District 2 convention held in Edmonton Wednesday and Thursday. Jim will be driving to the city as he received word his brother Tom at Tofield had fallen and broken his hip and is in a hospital in Edmonton. Jim will also visit his sister at Stony Plain.

Mrs Ken Shepherd of Vegreville spent the week end with her parents. Ken came down on Saturday.

Several young folks attended the dance at Thorncliffe Friday evening.

Maureen Crothers spent Saturday evening at the Sweeney home in Thorncliffe.

Gary Crothers was a city visitor on Monday of this week.

[illegible] at rest [illegible] suffering. [illegible]

[illegible] The biggest fish weighed [illegible] [illegible]

[illegible] visited Nuffield and Alex Small and families. They came back on Sunday evening.

HOW CAN I?

By ANNE ASHLEY

Q.: How can I remove water stains from furniture?

A.: Use a tablespoonful of powdered pumice, mixed with enough linseed oil to make a thin paste. Rub on the spots until they disappear, then wipe off with a cloth dampened in polish.

Q. How can I clean eiderdown?

A. An eiderdown garment can be cleaned by rubbing it thoroughly with cornmeal, allowing it to stand for a few days, and then shaking thoroughly.

Q. How can I impart a different flavor to steak?

A. Squeeze the juice of a lemon over the steak and onions just before serving and it will add a delicious flavor.

Q.: How can I measure molasses and keep it from sticking to the measuring cup?

A. Grease the cup lightly before measuring molasses, or dip it full of flour and then empty it. Either method will enable every drop of molasses to come out of the cup without sticking.

Q. How can I make a substitute for a pastry board?

A. Try using a piece of clean white oilcloth. It is more easily cleaned than a board, and can be rolled up and put away in a clean place ready for the next time wanted.

Q.: How can I prepare vegetables that are a little old, to make them more tender?

A. By adding a little baking soda to the water used for boiling.

Q. What should I feed a pet turtle?

A.: Pet turtles should be fed raw beef, insects, earthworms, vegetables and fruits.

DEWBERRY

The Dewberry Ladies' Aid are having an Easter Tea and apron sale to be held on Saturday, April 5 in the hall from 2 to 5 p.m. with home baking, home produce and candy to be sold and there will also be a White Elephant table. If anyone would care to help in any way with the tea, it would be much appreciated.

Greetings From Uranium City

Miss Shirley Underdown sends greetings to all her friends here after arriving at Uranium City. Shirley has been transferred from the local branch to the staff of the Canadian Bank of Commerce in the northern city.

Warning Flares Removed

Truck drivers Maurice Cashman and Bernard Tury state that the only reason someone wasn't killed or seriously injured one night last week was because fate was kind. On that night a truck was in difficulty on the North Saskatchewan River hill and was left at the bottom of the hill. Flares were set out to warn of the danger according to regulations. By the time the truck drivers returned someone had stolen the flares and there was no warning on either side of the stalled truck. What can such people be thinking of?

Golden Age Club Social Evening Is Greatly Enjoyed

The Golden Age Fellowship club enjoyed a variety of entertainment at a greatly enjoyed social evening on Wednesday evening last week. To begin proceedings Mrs. M. Hill and her pupils entertained with a half hour of music and songs. It was very much enjoyed by all and everyone hoped that Mrs. Hill and the boys and girls who took part would come back again soon.

The Club members publicly thank Mrs. Hill and her pupils for the delightful entertainment.

The rest of the evening was spent playing whist of which there were 13 tables and one of Chinese checkers. Whist prizes were won by: 1st, Mrs. Stoden, 2nd, Mrs. A. Cameron; 3rd Mrs. Simmons for the ladies while the gents in order were Mr. Hobbis, Mr. Cross and Mr. Wirtz.

Following the whist the tables were all placed together and lunch was served by Mrs. Johnson and her committee. Mrs. Hill brought in the birthday cake all lighted with candles and placed it on the table at which all members of the club who had a birthday in March were seated. There were eight birthdays in all, everyone made a wish, blew out the candles and the rest of the members sang 'Happy Birthday'. The cake was then cut and passed around.

Towards the close of the evening's program the president, Mrs. Wes Waldenberger thanked Mrs. Simonet and Mrs. Lee for donating the prizes for whist and Mrs. Hill for the birthday cake.

The evening was closed by the singing of 'God Save the Queen'.

Farm Forums End Season With Rally

Approximately 90 persons representing ten district Forums gathered together in the Lavoy Community Hall for the annual Spring Rally, March 24, chairman for the evening being Lawrence Smiley. The meeting began by those attending listening to the final broadcast of Farm Forum for the 18th consecutive season.

'Your Permit To Drive' and 'Incredible Journey' were two excellent films on Safety shown by Cpl. H. Alme of the Vegreville detachment, R.C.M.P. who also gave a short address stressing the importance of safety on the farm and on the road.

Chairman of the Northern Alberta Committee, Dan Gethelhaus, gave a brief resume of the work of the committee during the past year and also conducted elections for the two new committee members added this year. Mrs. M. Rosher and Ross Taylor were elected to fill these posts. Items of business included arranging for the annual picnic tentatively planned for July 4 at Vermilion Park.

Chairman for the Alberta Council, Hans Mayer, addressed the group on his attending the National Board meeting of Radio Farm Forum in Montreal the end of January and also the C.F.A. annual meeting which followed. Stressing the highlights of the National Board meeting Mr. Mayer once again emphasized the importance of Farm Forums with the urge to make sure it is kept going for it is an excellent means of adult education.

The skit, 'Fashion Forecast' was presented by members of the Lavoy W.I. and Farm Forum, and a peppy game 'Grab Bag' was played and enjoyed by all present. Lunch and 'The Queen' completed a successful evening.

"COOTIE" PARTY AT PRESTON

Don't forget, folks, the 'Cootie' party to be held at Preston Central school on Thursday night April 10th in aid of funds for the Home and School. Everyone is welcome. Prizes for 'Cootie' winners. Bring just a bit of lunch. Coffee will served.

A person wrapped up in himself makes a small package.

The Vermilion Standard

Vermilion, Alberta, Thursday, April 3rd, 1958.

Vermilion Man's Idea Is Winner

A suggestion by PO Alastair Newall, 32, of Vermilion and Patricia Bay has gained him an award of $100 from the suggestion award board of the public service of Canada, and a certificate from the naval secretary.

P.O. Newall suggested a modification to certain RCN anti-submarine aircraft which allows the aircraft to carry out functions not previously possible. The idea was forwarded to the board for evaluation by specialist officers and has been adopted for use by the Royal Canadian Navy.

PO Newall was born in Vermilion on January 1, 1926, and served with the RCAF from January 1944, until October, 1945.

He entered the R.C.N. in March 1946, and after serving ashore on both coasts and at sea in HMCS Ontario, he specialized as an air mechanic and later as an air ordinanceman. He subsequently served with the air group at HMCS Shearwater, RCN air station near Dartmouth, N.S., and at sea in HMCS Magnificent and took courses in the United Kingdom.

PO Newall is now serving with VU-33, naval utility squadron based at Patricia Bay near Victoria.

Road Jobs Coming

Give us a few weeks of good weather early, and watch the road dollars roll, says Rodney Touche in The Financial Post.

That means about $800 million in jobs and spending right across Canada.

Our road building bill is almost certain to hit that record this year. All we need now is the weather.

There's every indication that spending will be increased at all levels — federal, provincial and municipal.

Mannville Red Cross Tag Day Nets $109.28

MANNVILLE. — Tag day for Red Cross Saturday last netted the sum of $109.28. This brings the present total to date to $344.79. There is some canvassing yet to be done, but as is easily seen this is far from $800, the goal set. Remember your donation will still be gladly accepted if you have been inadvertently missed — just leave same at Fane's store, Mrs. Rutherford's or with Nancy Coxford.

"What's Your Beef?" Theme Of Dewberry Home and School Meet

DEWBERRY — The March meeting of the Dewberry Home and School Association was held on Thursday, March 13th with 27 present.

A financial statement for the skating rink was given by the secretary-treasurer.

It was decided to hold a 'Game Night' on Saturday Mar. 29th commencing at 8 p.m. in the school auditorium. There will be bridge, whist, canasta, crib, ping pong, and supervised games for the small children. Admission will be 25 cents per adult. Ladies please bring cake or sandwiches.

The theme of the meeting was "What's Your Beef?". The box contained eight questions. Each was read and discussed by those present.

The banner and book went to Mrs. Durnin's room for March. This actually was a threeway [illegible] Mrs. Durnin, Mrs. Williamson and Miss Young.

It was decided that the Association would present the Grade XII scholarship this year as in previous years. To date we have the following names: Jean Craige, Fay Poitras, Ronald Mathison, Kenneth Porter, Arthur Redman, John Machon, Marion Wilson, Larry Grant. If there is a Dewberry student taking Grade XII who is not included in this list, would you kindly let the H. & S. know.

The highlight of the evening was a contest in designing an Easter bonnet. There were 3 groups. The hats were modelled by Mrs. Protsch, Mrs. Sweet and Miss Knaen. The creation worn by Miss Knaen was the winner. The men of the audience were the judges.

The next Home and School meeting will be extended to Apr. 17th due to the Easter holidays.

Preston 4H Beef Club Hear Talk

The regular meeting of the Beef club was held on March 21 at the Preston Central school. [illegible] led the Pledge. The roll call was read and two members were absent. Secretary's report was read and approved. Jimmy and Hewitt gave an interesting talk on 'How I taught my calf to lead'.

The president had invited Mr. Young to come and give a talk on the duties of a Dominion Government Veterinarian. After the talk Dr. Young was thanked for his interesting talk by the president. The meeting was then adjourned and a delicious lunch served.

The next meeting will be held on April 19th at Mr. Frank Gibson's farm, starting at 10 a.m. A demonstration will be given. Linda will lead the Pledge. Recreation — Johnny; Lunch — Joan D., Johnny, Joanne and Linda. —Contributed.

FUA Hold Meeting At Tulliby Lake

TULLIBY LAKE. — Local No. 432 of the Farmers' Union of Alberta held a meeting in the Tulliby Lake Central school on March 17th at 7 p.m.

The minutes of the previous meeting were read and adopted. The members decided to enter a float in the parade at the forthcoming Lea Park bridge opening ceremonies on June 13th.

It was suggested that an investigation be made into the procedures being followed in regard to making payments under the PFRA.

Mr. Hozack showed some interesting educational films. The first of these, "Hidden Power", showed the procedures followed by Canada's atomic energy plant at Chalk River, Ont. Another film dealt with the construction of the oil pipe line between Edmonton and the Lakehead. One film on finding jobs for the handicapped proved very enlightening. The last picture took the audience on an imaginative 'Ski Holiday' in Canadian Rockies.

The evening's proceedings then came to a close by the serving of lunch.

The next meeting will take place on May 19th in the Tulliby Lake Central school. This will be held in conjunction with the achievement day of the Tulliby Lake 4-H Calf club. —Juvenile Behrens.

Jasper Park Lodge Opens in June

OTTAWA. Jasper Park Lodge, famous resort in the Rockies will open its doors for the 1958 summer season on June 11. Robert Sommerville, general manager of Canadian National Hotels announced here today. Closing date is set for September 15.

Reservations already confirmed and enquiries received indicate more people than ever will enjoy the well-appointed accommodations of the Lodge in its setting of rugged mountain splendour.

This year and next secondary roads throughout Jasper National Park will be improved and camping grounds will be extensively renovated and developed. The Federal Government plans a special highway program to link Jasper with Yellowhead and rebuild the road between Jasper and the Columbia Icefield.

BOWTELL BULLETIN

Today, March 22, we are having real March weather — big snow flakes and wet muddy roads.

Some five tables of cards were played at the recent card party at Mrs. Caro's. Prizes went to the following ladies: — Margaret Robinson, Frances Sherwood and Omar Caro, gents: — Edgar Williams, Randy Freestone, and Tom Sherwood.

Mr. and Mrs. Robinson and family were guests for dinner Sunday at the home of Mr. and Mrs. G. Millar.

Mr. and Mrs. O. Repp and Jim were visitors to Edmonton Friday.

Ye writer and hubby enjoyed a visit Saturday night at the Knutson home.

We wish to extend our own and the sympathy of the district to those who lost loved ones recently. To the LeBrocq family, the Williamson family and the Harrison family.

Mr. and Mrs. D. Harrison journeyed to Edmonton Thursday to attend the funeral of the former's uncle, Mr. Bob Harrison.

Congratulations to Miss Mary Gow who is to be married in April. Did we hear whispers of a shower to be held in the community hall on April 11 for her? Please look elsewhere in the Standard for details.

The writer would like to thank Gerald Millar for his kindness Saturday.

Speaker From India At Mannville

MANNVILLE. — Speaking to a poorly attended Home and School meeting on Thursday last, Mr. Krishan Tuly of India, presented a most informative account of life in his country. Mr. Tuly is employed by the Husky Oil Company at Lloydminster and has spent three years in the States and two in Canada. A Chemical and Petroleum engineer Mr. Tuly attended university in Delhi, India, as well as in the U.S. Comparatively speaking, Canada and India are vastly different. Where Mannville for example differs very little from Chicago in dress, looks and foods eaten, so do people of India differ in looks and habits, as people in the south of India eat rice mainly and drink coffee whereas the other places mentioned had a diet of wheat (made into pancake-type meal) and tea was the main beverage. Mode of dress denotes cast of people one finds there. Hinduism said Mr. Tuly is a philosophy rather than a religion and stated that Mahatma Ghandi was a 'Holy Man' and the speaker's idol. India it was said would welcome another man such as he. Referring to Communism, Mr. Tuly said that India's people could never be Communists, because Communism and Hinduism simply do not mix. Speaking of education the gathering was told that those having education usually had too much, while others had too little or none at all. As regards comparison of money, our dollar equals five over there. A meal worth a dollar here could be procured for 15 cents there, and although it sounds cheap to us there are many to whom even fifteen cents would be beyond them.

A WOMAN CAN TAKE TEN YEARS OFF HER AGE WITH A SMOOTH PAINT JOB, BUT SHE CAN'T FOOL A LONG FLIGHT OF STAIRS.

News of Clandonald United Church

On March 22 the Rev. C.W. MacKay and Mr. Ernest Schurman conducted a very enlightening service at the United Church.

Many thanks are extended to Allandale W.A. for the invitation to the card party and films on March 14. A very good crowd attended.

Fourteen members and one visitor attended the March 13 meeting at the home of Mrs. Olsen. Mrs. Cooper, the president was in the chair. Both Mrs. Cooper and Mrs. Feenstra attended the annual Presbytery meeting held in Vegreville on March 5. Mrs. Cooper related the interesting business carried on there. She will also attend the convention at Red Deer as a delegate.

Two very unique bazaar articles were submitted by Mrs. Goddard and Mrs. Campbell. Two clown-like pajama bags and a green and gold frog.

Roll call for the next meeting will be another bazaar item. The next meeting will be at the home of Mrs. Gower on April 10.

A man's shortcomings appear short because it is difficult for him to get them in his field of vision.

"TWO IS COMPANY, THREE IS A CROWD"

- *Author's Name Below -

For thousands of years the two ancient professions of medicine and pharmacy have unitedly served the health of everyone. In order that they may do this properly all physicians and pharmacists spend years studying at a college and must pass a state examination to prove their knowledge.

Recently, untrained persons, grasping an opportunity to make some quick money are selling vitamins and other medicines from door-to-door. They even presume to tell people how to take them. Your health is not to be trifled with. Be wise. You are safe when you depend on your physician and pharmacist.

NEWS from ALLANDALE

March has been a cold month, [illegible] so much wind, but more snow [illegible] rain in the later part. Roads [illegible] heavy, though in places are dry.

On March 19, Malore Nelson's truck [illegible] with barley overturned on its side two miles north of the Community Centre at the corner, caused from slippery roads. No one was injured and there was no damage done to the truck.

March 21.— Our appreciation to Vernon Nelson for ploughing the roads into the buildings at Jimmy Martin's and the Omness.

The Princess Anne W.I. had a card party at the Rock Mead home on March 21. Prizes went to Ladies — Mrs. F Throndson, Mrs. E. Throndson, [illegible] Miss B. Taylor. [illegible] — [illegible] Nelson, Allan [illegible] and [illegible] Taylor. Our appreciation to the Mead families.

The highlight of the evening for Mrs. Rock Mead was when Miss Joan Taylor presented her with a lovely framed painted picture done by herself. It was a beautiful scene.

Mr. and Mrs. Doug Windsor from Clandonald were visitors at the Omness home on March 23.

March 22 Sorry to hear of Mrs. Johnny Starko's accident. While the family were on their way to Elk Point the car door opened letting Mrs. Starko fall to the ground. She is in the Elk Point Hospital getting on very well. A speedy recovery is wished her from her many friends.

Mr. and Mrs. Wm. Armstrong left for the Fort and Edmonton on March 23 to visit relatives. Bill's ambition has been for some time to attend a bull sale and he will be doing that in the city.

On March 22 Cpl. Paul Whelan of Calgary left for Whitehorse for a seven weeks stay. He told his four year old daughter Paulette he was going and she later told her mother, 'Daddy's going far away on a white horse.'

Mr. and Mrs. Don Wilson and family motored to the city on March 23 to visit Mr. Wilson's sister Della Walsh and the family.

Mr. and Mrs. I. Nelson spent week end of March 22 at the home of Mrs. Nelson's parents, Mr. and Mrs. Ackerman at Ferguson Flats.

Congratulations to Mr. and Mrs. Wm Armstrong on their 14th wedding anniversary and may you have many more.

On March 24 Mr. and Mrs. Herb McPhee motored to Provost to visit the latter's sister Violet and Jerry Kluck and daughters. Violet hasn't been too well but is getting on very well now. Herb and Mossy returned home the next day.

Congratulations to Mr. and Mrs. Glen Baldock of Vermilion on the birth of a son on March 26.

Mrs. George Mead and Mrs. Wm McIntyre from the Princess Anne W.I. attended the W.I. convention in the city on March 26 and 27.

Mr. and Mrs. Lee Nelson and daughter Shirley Elaine returned home from Prince George, B.C. where Lee had been working at the Martin Bros mill for the winter.

Home again from a grand holiday in Ireland are Mr. and Mrs. D. McCormick Sr., Mr. and Mrs. D. McCormick Jr. and Johnny McIntyre and brother. The ocean trip coming home was terribly rough as we hear.

Mr. and Mrs. George Leighton from south of Dewberry were visitors at the John Arnold home on March 28.

An enjoyable evening was had at the Centre on March 28 at the whist party. The proceeds are for the Red Cross. Ladies prizes were won by by Mrs. M. Baldock, Mrs. T. Armstrong and Mrs. M. McPhee. Men's prizes went to Orley Omness, Mrs. Evelyne Throndson (playing as a man) and Ralph Strome. Travelling [illegible] Miss Deanna Currie, [illegible] Alvin Throndson. The next party will be held on April 11.

Congratulations to Mr. and Mrs. Ons Throndson on their 41st wedding anniversary.

Closing thought, 'Easter is a day to celebrate life, not death. It speaks of tomorrow, not yesterday. It is the day of the Lord, not a night of doom. We need to keep the windows of our lives clean and shining so that we may reflect the light of God's love.'

Spring Frolic Popular At Mannville School

MANNVILLE Tastefully and most suitably carrying out the theme of Spring was the decorated Auditorium at the recent party last Friday evening, sponsored by the grade twelve students. Gratifying indeed was the parent attendance at this enjoyable affair. Music for dancing was supplied by Debuc's orchestra, with dances for young as well as old. The old time waltz contest was won by Mr. and Mrs. H. Modin. At these parties there is entertainment for all; those who do not wish to dance may enjoy a game of cards. Teachers and parents alike joined in the frolic with the young folks as the mood of the theme was captured. All parents, teachers, high school and junior high school students were invited.

Second Egg Marketing Plebiscite Will Be Held

by KEN MASON

EDMONTON—Members of the Legislature have set themselves a killing pace in an effort to hammer through a hefty part of their business by the end of this month.

There's a mountain of work — including the budget estimates — which have to be cleared by March 31, the end of the fiscal year. And to date, the plodding has been slow and laborious.

As a result, Premier Manning found it necessary to ask Opposition co-operation in a crash program of morning, afternoon and night sittings.

The premier introduced a motion, seconded by Opposition Leader J.H. Prowse, to suspend the House rule which sets aside Tuesday and Thursday afternoons for private members' resolutions. The Opposition agreed on the condition that private resolutions will be dealt with later.

So it appears that the House will work long hours this week, adjourn for March 31 so members can cast federal election ballots in their home ridings, and then return for three days to clean up tag ends and try to prorogue before Good Friday.

There are three reasons for the necessity to turn on the heat. The session opened about two weeks later than usual this year, Easter falls early, and progress has been slow.

The House sat four nights last week, and at the time of writing had plodded through about $76,000,000 of the total budget of $263,000,000. Persistent questions by Opposition members kept cabinet ministers on their feet constantly.

Among major bills which must be passed by month-end is the legislation which will launch the province's new hospital insurance [illegible]

Some members are beginning to show the strain of long hours, but no one looks more haggard than the ink-stained minions of the press gallery who don't really start to work until those after-midnight sittings are over.

Agriculture Minister L. C. Halmrast gave the news last week that the government plans to hold another egg-marketing plebiscite sometime this year. The date has not been set.

He said the government decided to hold the vote because of protests from farm organizations that faulty enumeration was a factor in the defeat of the egg marketing board plan in last year's plebiscite.

At that time 48.41 per cent of the producers were in favor of the marketing board — just 733 votes short of the 51 per cent majority required under the Marketing Board Act.

Mr. Halmrast admitted that some of the enumerators in last year's vote made up their lists of registered producers without actually visiting farms.

If the measure is approved this time, it will clear the way for establishment of a board which will be able to control all marketing of commercial eggs in the province.

Controversy over natural gas export is nothing new, but it's developing as one of the major issues of the current session.

The Opposition introduced a non-confidence motion last week based on charges that U.S. interests are gaining a monopoly on Alberta gas and that domestic consumers may be paying higher rates.

Premier Manning and his followers defeated the motion handily but the Opposition isn't letting it go at that. A private resolution on the order paper asks government to prepare a white paper outlining policies designed simply to open a debate on gas export. The Opposition—spearheaded by the Liberals — is demanding assurances that his export policy will provide protection for domestic consumers.

Earlier this week, the Social Creditors rejected a move to give the Opposition a hand in [illegible] Alberta's brief to the Gordon royal commission on energy resources. Premier Manning said the brief is the sole responsibility of the government.

He also rejected a Liberal suggestion that the House sit in closed session so the gas brief could be [illegible] to all members.

The trouble hinges over an application by Alberta and Southern Gas Company before the oil and gas conservation board for a permit to export 167 billion cubic feet of gas per year to California.

Liberal members cited evidence that Alberta and Southern has contracts for 80 per cent of all Alberta's gas resources. The contracts, of course, won't be in effect until an export permit is granted.

The argument is that the export companies will pay higher rates to the producers for natural gas, and in this event the producers will be entitled to higher rates to supply the domestic market.

The matter is still up in the air, but Premier Manning said the government will look after the interests of Alberta citizens.

Introduction of Alberta's new liquor legislation was believed imminent at the time of writing.

The new laws were to be embodied in three bills, covering licensing of new types of outlets, government control of liquor sales, and local option votes.

The bills will replace the existing Alberta Liquor Act.

IF YOU BREAK EM
WE REPLACE EM

...that's EMPIRE the sweep with the down-to-earth GUARANTEE

That's right! If an Empire sweep breaks — bring it back for free replacement. Of course, if long, hard service has worn it right down to the stem — or young Joe hits it with a sledge-hammer — we know you'll be only too pleased to buy a new one. Ordinary wear and tear won't shorten its long life one bit, thanks to Empire's exclusive "Isothermal" heat treatment for extra toughness.

In deep tillage cultivation, wear and tear on both sweep and cultivator, depend on perfect matching of sweep stem angle to chisel plow shank angle. Only Empire, specialists in tillage tools since 1940, make sweeps in 4 different stem angles.

Write for free literature on Empire high carbon steel sweeps, [illegible] — they draw light, scour freely and last, and last . . . under all soil conditions.

Mannville Brings Trophy Home

MANNVILLE — While attending a locker-freezer convention, the local locker man, Len Mann, won further honors in a curling game. With the aid of Les Kreller and two locker representatives from other points, he emerged the victor, winning a trophy put up for the first time by L. N. Arnold, Locker supervisor.

ASKED FOR IT

People who live in glass houses can't expect the neighbors not to look out of their windows.

Health Unit Notes

SPRING CLEAN-UP.

Now that spring weather is here, homes in towns, villages, hamlets and even farms are in need of a special effort to clear up all the waste materials accumulated in the winter months.

Flies and our latest public enemy, the rat, will soon take advantage of open garbage piles which provide them with food and shelter.

WATER SUPPLIES

Any farmers or residents of villages and hamlets who rely on private wells for their water supply can have the water checked which is part of the Health Unit service. Advice is also given on protection and sitting water supplies. Please leave your name and adress at the local municipal offices in Wainwright, Mannville and Kitscoty or village secretaries or by writing or phoning the Health Unit Offices in Vermilion or Wainwright — Telephone Vermilion 302; Wainwright 495.

FLIES

As soon as the warm weather arrives so does the house-fly. Screens and insecticides are useful but by far, the most effective and economical method of reducing the fly population is by depriving them of food, shelter and breeding grounds.

KEEP GARBAGE COVERED

Burning it in a barrel does not make it any less attractive. On farms it is good practice to throw your garbage into a pit and immediately cover it with soil.

BABY & PRE-SCHOOL CLINICS

Monday, April 7 — Vermilion (Clinic will be cancelled due to a holiday.)

Solve a Crime
BY
A.C. GORDON

YOU ARE THE DETECTIVE

You gaze reflectively at the blood-stained rear floor rug and seat cushion of the car in which the body of the pretty young blonde secretary, Kay Kemper, was found. Her brutal murder has attracted wide attention the past two days, and now you have been called in on the case. You turn away from the car, enter the office building, and proceed to the room in which the murder is supposed to have taken place. Here you are introduced by police Sergeant Tim Dolan to Dick Mosby, one of the clerks in the office where Kay worked, and Wayne Stephenson, vice president of the company. It was Dick Mosby who had phoned the police about the tragedy.

"She was my girl," Mosby exclaims to you. "Everything was fine with us until Stephenson here began making a play for her. He kept asking her to go out with him, and she kept refusing. It made matters very uncomfortable here in the office. Well, two evenings ago, right after closing time, I was waiting for Kay in front of the building. We had a dinner date. When she hadn't appeared after about 20 minutes, I came back to the office. I could hear Stephenson and her arguing as I neared the door . . . then she screamed . . . I threw open the door, and saw Stephenson plunge the letter opener into her heart!

"He's so much bigger than I, and his face was so wild-looking . . . I was afraid to tackle him. So I ran back down the stairs, hid myself behind a tree across the street and waited. I stood there a little more than an hour, I guess, and finally he came down carrying poor Kay's body . . . and he put it into my car where the police found it. After he left, I ran to the car . . . but it was much too late. She was dead!" And Dick Mosby breaks into sobs.

"A fine story he's told you! A preposterous story!" Wayne Stephenson breaks in. "In the first place, Kay never was Mosby's girl. She had gone out with him a few times, but of late she and I had been dating almost steadily. Just because she had been nice to the fellow, he became very proprietary and he followed us a number of times in his car. Kay and I had discussed the matter between ourselves, and were doing our best to handle the situation tactfully. She was a wonderful girl . . . "

"Yes a wonderful girl," young Dick Mosby blurts out. "And you had to kill her, and then you tried to frame me!"

You turn to Mosby and say, "If there was any framing done, it looks to me as though you were the one who tried it. Your story contained a couple of glaring errors!"

Why do you suspect Dick Mosby of the murder?

* * *

SOLUTION

If Kay Kemper's body had been put into Mosby's car more than an hour after she was murdered there would have been no blood stained rug or cushions in the car — because blood does not flow from a dead body more than a few minutes. Also, you wonder very much how an innocent witness to such a crime—and especially a person in love with the victim — could wait for more than an hour before calling for help or the police.

Protect Your Crop

Seed treatment is sound farm practice. It controls seed-borne diseases, reduces seed rot and seedling blight and assures more uniform germination and field [illegible]

Approved seed dressings should be used on clean, good germinating grain, says J. B. Gurba, Supervisor of Crop Protection, Alberta Department of Agriculture. Organic mercurials are recommended for cereals and flax. Non mercurial fungicides are recommended only for bunt of wheat with one type, Orthocide, approved for flax. Formaldehyde treatment is not recommended, since germination is reduced especially in wheat. 5 years of department field trials with wheat have shown that formaldehyde treament has given only 57 per cent of the yield given by mercurial treatments.

Seed may be treated several months before use. Wheat, rye, and flax should be treated at least 24 hours before sowing; oats and barley at least one week in advance. Label directions should be followed closely and proper precautions taken with poisonous chemicals.

Laboratory tests are showing that most flax has poor germination this year. Thus good seed treatment is even more important than usual.

PARADISE VALLEY NEWS

The following are the winners of the Amateur night held at Paradise Valley Friday, March 21st:

Pre-school — 1. Marion Allen, 2. Bart and Glen Clark.

Under 12 Years. Vocal — 1 Beverly and Maureen Dobson 2. Brian Gordon.

Under 12. Instrumental 1 Arthur Teasdale; 2. Greg Clark, 3. Maureen Gordon; 4. Ken Gabrielson.

Over 12. Vocal — 1. Gloria Greenwood, Irene Block, Mildred Teasdale and Ellen Teasdale. 2 Linda and Doreen Stepenoff; 3, Marjorie Allen; 4. Shirley Nyset [illegible]

Mr. and Mrs. William Yeaudell and family of Edmonton are visiting with the former's brothers James and David.

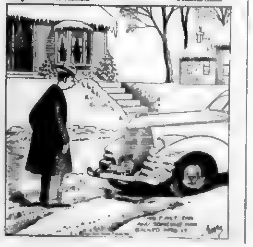
Glad to see Mr. George Dodd home after his long stay in the Lloydminster hospital. It will be some time before George is back to work but we hope that good home cooking will soon put him back on his feet.

Mr. and Mrs. N. Aspeslet of Edmonton spent the week end at the home of Mr. and Mrs. A. M. Levitt, Mrs. Aspeslet's parents.

The H.H. club held a whist drive in the hall on Friday evening. Fourteen tables. Winners were 1. Mrs. F. Wiley 2. Mrs. Knutson 3. Mrs. Thibodeau. For the men first was won by Fred Strott 2. M. Nysetvold 3. C. Elliott.

In listing the program of the Gay 90's the names of Mr. David Clarke 'The Man Who Broke the [illegible] of Monte Carlo' and Mrs. [illegible] Brown who had a part in 'Ship Ahoy' were omitted.

Life's Darkest Moment — A WEBSTER CLASSIC



Islay 4H Food Club Make Fudge

The Islay 4-H Food Club met at the home of the leader, Mrs. Moncrieff on March 17th at 8.00 p.m. The roll call was 'healthful tips', which the girls answered efficiently. After a short business meeting, Mrs. McLennan gave a demonstration on the making of her special fudge. Since Mrs. Gilpin was unable to attend, Mrs. Redmond, assistant leader, gave a demonstration on the making of a butter cake. After this was accomplished the girls enjoyed a delicious lunch supplied by Margaret Robinson. Mr. Fleming will be showing films in the hall on April 2. Everyone is welcome. 4-Her's please bring lunch.

Mannville United Church Nears Completion; Opened on Friday

MANNVILLE — The structure of the new United Church follows the modernistic trend with its Gothic style roof and 25 little windows, set in with amber colored glass, on the east side. The 15 windows on the [illegible] side of the church are visible under the overhang of the roof as are the 12 on the north side. An interesting factor noted about said windows are the panes of [illegible] of amber, rose, blue and green colors respectively. [illegible] have panes divided into two and three different colors of almost panelled glass, and no two windows are the same. Upon entering the building which measures 65 feet by 28, one proceeds up a set of stairs to the church [illegible] and entry from the vestibule may be made to the basement or to the balcony which seats approximately 20 people also at the end of the church. Aside from the entrance to the left is a study, and at the left and right of door leading into church proper are two windows measuring 36 x 60 and 36 x 72 respectively. Also to the right there is a hat and coat rack. The church roof is supported by five interior laminated beams with dark finish contrasting well with the 84 beautifully blonded cedar panels used in ceiling and walls (provided by the Gothic roof style.) The remaining part of the walls is painted a becoming shade of green, while the floor is covered with black rubber tiles and inlaid linoleum alternately. The chancel is in the west upon which the newly built pulpit will be, the choir and to the left is the organ screen behind which will be the organ. Most impressive [illegible] wood wall with a panelled effect created in a fifteen foot wooden cross of polished mahogany. The lights are also antique [illegible] attractive copper shades, five twin lights down the north side of the slanted ceiling and five down the south side.

Blonded birch walls are noted [illegible] the way downstairs to spacious basement room of full size. Walls are finished with wallboard and painted a [illegible] beige color. A full set of kitchen cupboards grace the kitchen room with twin steel sinks, a modern gas stove and refrigerator. Counters are well constructed and covered with white arborite with black and red scroll design. A serving window is complete with a slideout door and small light above for [illegible]. The [illegible] two forced air furnaces and a hot water heater. There are two bathrooms in the extreme north of the basement which are finished in green and [illegible]. There are no exposed heating ducts anywhere. There is a storage room for Sunday School supplies etc. and chairs and other equipment, and a choir room 14 x 7 feet. Acoustic tile covers the basement ceiling. All of the basement will be completely finished by Friday, as will be the whole church. All in all it is a building the United Church congregation may well be proud of and is a definite witness of [illegible].

R. Budard is the contractor in charge of building operations.

Mr Smith was driving through the country when his motor stopped. He got out of the car and raised the hood to locate the trouble. "The trouble is in the carburetor," a voice behind him said. Smith turned, surprised, but saw only an old horse standing nearby. Not believing his ears, he asked, "Did you say something?"

"I said you'd better check the carburetor," replied the horse.

Rushing to the nearest farmhouse Smith excitedly told his experience to the old farmer. "Was it an old bay horse [illegible]?" asked the farmer.

"Yes, yes, that's the one!"

"Well, don't pay any attention to him" the farmer smiled. "He don't know anything about automobiles anyway."

Lady: May I try on that dress in the window?

Clerk: Don't you think you'd better use the dressing room?

A farmer and his wife whose Uncle Luke lived close to the steelworks, the gas works and a chemical plant invited him to come for a visit and enjoy some fresh air. Uncle Luke was delighted but cut short his visit after two days with the comment "This country air may be all right, but there's no body to it."

"Don't you both know the rules . . ."

Ten New Members Join Marwayne United Church

The ladies Auxiliary to the Canadian Legion report that $53.20 was realized from the Bake Sale and Raffle held last week. All of this money goes to the Polio Fund.

At the service in the United Church on Sunday, March 23, ten new members joined. Joan Robbie, Darlene, Arline and Jean Kvill, Eunice and Isobel Gray, Louise Parker, Allen Midgley, Neel Hancock and Mrs. Holmes. In Kitscoty 9 joined; Dewberry 7 and Islay 2.

The W.A. of the United Church are holding an Easter Tea on Thursday, April 3 in the church [illegible].

Mrs. Joan Gratz, Mrs. Alpin and 4 girls of the Durness 4-H Clothing Club were guests of the Marwayne 4-H Clothing Club at their regular meeting on Tuesday, March 18.

The O.O.R.P. of Marwayne put on a Variety Concert by the members on Wednesday March 19 which will be long remembered. This is the second concert of local talent and it is plain to see that we do have talent.

Mr and Mrs. H B. Dow have a new granddaughter born to Mr and Mrs. Jack Parsons (nee Alemeda) of [illegible].

The Pee Wee Hockey Club was invited to attend a tournament at Kitscoty on Saturday and brought home the second prize of $5.00. They won over Kitscoty in their first game and bowed to Streamstown in the final.

The Vermilion Bantams played the Marwayne 14 year old team here on Tuesday and won by a score of 5-1.

On Sunday a team of boys from Lloyd played Marwayne boys with Marwayne coming out on top this time by 11 goals to 3.

Mr. R. Isert disposed of his 3 school busses this week end. Gerald Kent bought the largest and smallest ones while Don Ure purchased the medium one. Two meetings have been held at the school recently of local trustees and divisional heads, to discuss busses and routes etc.

Remember the 4-H Amateur Night on Tuesday April 1st. More local talent folks.

Service will be at 11 o'clock in St. George's Anglican Church on Easter Sunday. Ordinarily, it being the 1st Sunday in the month, it should be in the evening but it is changed for this month only.

Plymouth has the LOWEST PRICES of all leading Canadian cars!
Twenty-one models of the popular '58 Plymouth are right at the bottom of the price ladder among leading Canadian makes. You pay the least . . . yet you get the utmost in advanced features, styling and luxury!
Here's one case where buying at the lowest price isn't just the mark of thriftiness; it's the mark of a real sense of value!
For Plymouth actually offers a number of advances you can't even get on many high-priced cars. Total-Contact brakes, for example. And push-button Torque-Flite automatic drive. And, of course, Plymouth's famous no-extra-cost Torsion-AIRE Ride.
There's just no denying that Plymouth's a smart buy. And it's mighty smart in other ways as well. You'll like its sleek, Silver-Dart styling . . . its lively performance with either the big "318" V-8 or newly improved, extra-thrifty Six.
Why not come in and look over all the low-priced Plymouth models this week? One's just right for you. And we'll make you the right kind of trade-in offer, too.
Highest quality, lowest prices . . . both are yours with Plymouth! From basic materials, through every step in manufacture, rigid quality controls assure that any Plymouth you purchase is built right.
You're always a step ahead in cars of The Forward Look
Fashion plate for '58 Plymouth New…and simply terrific!

Graduation Exercises Mark Completion of V.S.A. Term

The staff and students of the Vermilion School of Agriculture and Home Economics, have been working at peak capacity during the past week. With the little royal behind, they settled down to the job — the staff to prepare and mark, the students to study for and write — final examinations.

GRADUATION DAY

Wednesday, April 9th was graduation day. The afternoon began with the annual fashion show. This gives the girls in the Home Economics class an opportunity to display their handiwork. It is an event that never fails to attract a goodly number of ladies of Vermilion and district. This year was no exception.

After the fashion show, the graduands, accompanied by their parents, assembled in the gymnasium for the colorful graduation exercises. The presentation of the diplomas was preceded by an address by Mr. S. C. Heckbert of Vermilion, a one time instructor on the staff of the school.

This was followed by the awarding of the prizes. These valuable gifts of merchandise have been donated by public-spirited firms and organizations. The prizes have stimulated keen competition among the students, not only because of the value of the gifts, but also because of the honor of winning one.

A number of scholarships are also available to top students in various courses of study. These too, added greatly to the color of the afternoon, to say nothing of the incentive they provide for hard work on the part of the students.

The list of graduands and the scholarship winners follows:

HOME ECONOMICS

FIRST CLASS HONORS

Emily Mendiuk, Andrew.

HONORS

Lois Donalda Landsiedel, Violet Grove.

Florence Eunice Mills, Alcomdale.

Laura Marilynn Paul, South Edmonton.

Loya V. Stonebocker, Cherry Grove.

Myrna May Sharlene Trimble, Vegreville.

[illegible]

Mary June Gail Parker, Morinville.

Eileen E. Pinchbeck, Mayerthorpe, Alberta.

Arlene Muriel Rosland, Dinant.

Isobella June Sterling, Westlock.

Mae Catherine Swartz, Dar[illegible]

AGRICULTURE, 3-IN-1

HONORS

Wayne Bruce Forsberg, New Norway.

William Lyle Robinson, Vermilion.

Halvor Geo. Lofthaugh, Dewberry.

Lloyd Dennis Miller, Winterburn.

Robert George Parker, Dewberry.

Donald Alan Thomson, Tofield.

The excitement of the day was capped by the evening banquet in the dining room of the school. Given in honor of the graduands, it was attended also by their guests, the staff and a number of distinguished people.

Blood Donor Clinic At Mannville On Tuesday, April 15

A blood donor clinic will be held in the Mannville school auditorium on Tuesday, April 15th, 3 to 5 and 7 to 9 p.m. The need for blood in this great service of the Red Cross is now greater than ever and all those able to give are requested to make a special effort to attend this clinic. Once again, this service has been used by one of our own daughters, namely Doreen Bennett, with wonderful results, and we are therefore especially interested to see a record response to our call for donors this time. The clinic is being sponsored by the Ladies' Auxiliary to the Canadian Legion.

Sponsor Farm and Home Award

The Farm and Home Improvement award in the M.D. of Vermilion River is again being sponsored by the Lloydminster and District Chamber of Commerce. The program is being commenced this year in the M.D.'s of Britannia, Wilton and Manitou Lake.

The program is particularly suited for younger farmers who are interested in a program of various projects of improvement on their farms.

Interested farmers may apply to R. A. Robertson, Secretary, Lloydminster Board of Trade for information.

Derwent Pioneer Honored on Birthday

A surprise birthday party was held for Mr. Theodore Harasluk on the occasion of his 74th birthday at his home twelve miles north-east of Derwent on Sunday March 9th. The day was his oldest grandson Robert Stachniak's birthday also, celebrating his 11th birthday at that time. All of Mr. Harasiuk's seven children and all of his grandchildren were present.

Mr. Harasiuk was presented with a platform rocker and a foot stool.

Death of Mrs. A. F. Galloway

Mrs. Margaret Pringle Galloway, [illegible] wife of Mr. Alex F. Galloway, passed away in the Vermilion hospital on Monday, April 7 following an illness of several months. She was 75 years of age.

Mrs. Galloway was born in Peebles, Scotland on January 24, 1883. She came to Canada on November 21, 1911 and was married that same day to Mr. Galloway. The couple then came to the Union district south east of Vermilion where they have made their home ever since. In Nov. 1957, Mr. and Mrs. Galloway retired from farming and moved in[illegible].

She is survived by her sorrowing husband, two sons Alex and Pringle, both of the Union district, and two daughters, Mrs. Fred Scott of Vermilion and Mrs. Garfield Pringle, Innisfail. There are 13 grandchildren.

Funeral services will be held on Saturday, April 12 at 2:00 p.m. at the First United Church and interment will take place in the Vermilion cemetery.

Moyers are in charge of ar[illegible].

Flying Farmers Spend Night Here

A plane from the States, carrying farmers to the convention of the Flying Farmers being held in Edmonton, landed at the Vermilion airfield here on Monday afternoon. The four passengers, all farmers, remained here overnight. The fourth member remained in Vermilion to visit his father, Mr. Herman Krueger of Tolland whom he had not seen for 20 years.

The four men were Henry Krueger of Triumph, Minn.; Earl Kuehl, Ormsby, Minn.; Vic Christianson, Ormsby, and Ben Leinenweber, St. James, Minn. The latter was the pilot of the plane, and is manager of the airport at St. James as well as being a farmer.

These flying farmers are so named because they are all pilots and all use a plane in carrying on their farming operations.

Wins At V.S.A. "Little Royal"

Kenneth Stiles, of Didsbury, carried off top honors Wednesday last, winning the grand championship at the 25th annual Vermilion School of Agriculture 'little royal'. Stiles showed a prize swine beating winners in six other classes. Stiles is shown receiving a championship showman ribbon from J. H. Harcus, animal husbandry instructor and farm ma[illegible].

Lady Curlers Raise $1050.00

The Vermilion Ladies' Curling club brought their very successful 1957-58 season to a close on Wednesday, April 2nd with a supper held in the Rio cafe. Because of the catering they had done during the season the ladies were able to turn over to the Men's Curling club the very worthwhile sum of $1050.

Rudolph Isert, Marwayne Pioneer Passes Away

One of the most widely known business men of north-eastern Alberta, Rudolph Frederick Isert passed away at the Elk Point hospital on Saturday, April 5th at the age of 59 years.

Funeral services were held on Wednesday, April 9th at 2:00 o'clock at the Marwayne Tabernacle with interment following in the Dewberry cemetery.

He is survived by his wife, two sons Cameron of Elk Point and Larry in Marwayne, one daughter, Mrs. Terry Hines of Marwayne, and three grandchildren.

Moyers were in charge of the funeral arrangements.

Vermilion People Urged to Visit Mannville Clinic

All Vermilion people are advised of the Red Cross Blood Donor clinic in the school auditorium at Mannville on Tuesday, April 15th, from the hours of 3 to 5 p.m. and 7 to 9 p.m. and are urged to visit this clinic if at all possible. There will not be a blood clinic in Vermilion this spring so all persons able to do so should visit the Mannville clinic on Tuesday.

Kenneth Stiles Tops V.S.A. Little Royal

Kenneth Stiles, a young showman from Didsbury, captured top honors here on Wednesday, April 2nd at the Vermilion School of Agriculture's 25th annual little royal and achievement day.

For the second consecutive year a student showing a prize swine took the grand championship at the school's annual royal. The winner last year was Erk hard Tiller of Lunford in the Barrhead district.

Stiles fell a little short of the outstanding job of training his animal as compared with Tiller last year, but he had the swine he showed beautifully trained and beat out an exceptionally fine field.

Approximately 500 persons turned out to watch the show. Many of them were parents who were treated to a full demonstration of their sons and daughters at work both in the field of agriculture and home economics.

SPECIAL GUESTS

Among special guests were R. M. Putnam, deputy minister of agriculture for Alberta, and a number of businessmen of the town. Mr. Putnam spoke briefly and presented a department of agriculture cane to V. T. Jansen, judge of the show.

To win the grand championship showman honors Stiles first had to top his swine class. He did this handily although he was closely followed by Lawrence Stelmach, of Westok. After he had taken his class Stiles competed against the winners in the other six classes and again gave an exceptionally fine performance.

Bright sunshine and a warm day greeted the large crowd on its annual inspection of the school classrooms, the mechanics building and other features of this large farm school.

WINNERS

Winners in the various classes were: Aberdeen Angus, Mitchell Bendiksen, Marwayne; Hereford, Rod Hines, Vermilion; Shorthorn, William Robinson, Vermilion; Holstein calves, Henry Hohl, Vegreville; Holstein yearlings, Robert Parker, Dewberry; sheep, Halvor Lofthaugh, Dewberry.

In a special butchering class Terrance McDonald of Darwell beat out Peter Sorenson of Edmonton.

TOUR BUILDINGS

Throughout the afternoon interested parents and others made a tour of the various buildings. They saw many well turned out garments sewn by the girls in the home economics class. They also saw outstanding work in cooking and took in exhibits of field crops, agronomy, dairying, metal work including forging and welding.

The large crowd, following its inspection trip, visited the main dormitory where tea was served and many persons renewed old acquaintances.

Wednesday's little royal and achievement display came as an anti-climax to year-end closing exercises. The big day will be this coming Wednesday when full and formal graduation exercises will be held at the school.

Officiating at the little royal show were J. A. R. Palin, acting principal in the absence of N. N. Bentley who is on leave in Egypt, and J. H. Harcus, instructor in animal husbandry and also farm manager.

COMPLETE RESULTS

Complete little royal results were: Aberdeen Angus — 1, Mitchell Bendiksen, Marwayne; 2, Robert Willes, Vermilion; 3, Allan Sorensen, Wetaskiwin; 4, Leo Stewart, Namao.

Hereford — 1, Rod Hines, Vermilion; 2, Joseph Corbiere, Mallaig; 3, James Chesterman, Heath; 4, Richard McBain, South [illegible].

Shorthorn — 1, William Robinson, Vermilion; 2, Gary Green, Vermilion; 3, Lloyd Miller, Winterburn; 4, Lester Chesterman, Kingman; 5, Dwayne Litke, Edmonton.

Holstein yearlings — 1, Robert Parker, Dewberry; 2, Frank Seibert, Sangudo; 3, Donald Thomson, Tofield; 4, Walter Frank, St. Albert.

Holstein calves — 1, Henry Hohl, Vegreville; 2, Wayne Forsberg, New Norway; 3, Norman Archibald, Ponoka; 4, Bernard Klashinsky, Vermilion.

Swine — 1, Kenneth Stiles; 2, Lawrence Stelmach, Westok; 3, Earl Stewart, Ponoka; 4, Norman Saterno, Lake Isle; 5, William Letts, Westlock.

Sheep — 1, Halvor Lofthaugh, Dewberry; 2, Carl Mary Gano, Gleichen; 3, Richard Schroettler, Vegreville; 4, William Fox, Rife.

Cancer Control Sunday April 13th

MANNVILLE. — Worshippers at various churches in Mannville are asked to join with many thousands of others throughout the nation in observing Cancer Control Sunday, April 13th. Congregations of all faiths have been asked to devote a portion of their services and prayers to cancer control on this day, as the spiritual highlight of 1958 Crusade. April was designated by Canada's Governor General as Cancer Control Month, and Cancer control Sunday has been a notable feature for several years. This special Sunday presents an opportunity for people to pause and reflect upon their personal lives, and upon the work of those who are engaged in the fight against a disease that will strike one in every four persons, unless new methods of control are found. In Mannville Birch Creek W. I. with Happy Centre W.I. are conducting the cancer canvass, and will call upon the town people between the 14th and 24th. Tag day is set for April 26, so remember these dates. Here is something to think about . . . . Cancer kills almost seven times as many people each year as are killed in automobile accidents. Many research leaders are confident that we will ultimately conquer cancer. It is just a matter of time. Public donations will help shorten that time. Last year cancer killed 20,000 Canadians, an average of 57 per day, and yet many Canadians are unaware of the danger signals of cancer. Remember more money, more research. Free drawings, free transportation to and from clinics, nursing care, grants for special medicines, loaning of sickroom equipment and visits to patients in hospital, all this is provided by you, when you give. Let's make Mannville an example to all, by supporting [illegible].

C. O. F. Organize At Kitscoty

KITSCOTY. — An organization meeting of the Canadian Order of Foresters was held in the Tracy Memorial hall, Kitscoty on Friday evening, March 28th at 8 p.m. Mr. P. Dribnensky the district manager conducted the meeting. After greeting the 26 members present and outlining what the organization was doing in other centres, the following executive was elected:

Chief Ranger—Alex McIntyre
Vice Chief Ranger—Alan Batty
Recording Sec.—Bill Tipper
Finan. Sec.—Frank Martin
Chaplain—Gordon Blake
Treasurer—Boyd Mitchell
Sr. Woodward—Cec Conarroe
Jr. Woodward—Mike Skoreyko
Sr. Beadle—Bob Tyler
Jr. Beadle—Robert Stone
Conductor—Bill Swyripa

Meetings are to be held on the third Tuesday of every month in the Tracy Memorial hall.

Anglican Club Members Hear Talk On "Child Adoption in Alberta"

The Anglican Men's Club and their guests were treated to an exceptionally interesting program on Monday evening when Mr. Kenneth Austin, an official of the Dept. of Welfare, Edmonton told of the methods of child adoption in Alberta and showed a film with commentary on the care taken before placing a child in a new home.

Mr. Austin was introduced by Mr. Bob Allen, local official of the Welfare Dept. Mr. Allen also dealt with a portion of the work carried out concerning [illegible].

The talks given by Mr. Austin and Mr. Allen, the film and commentary were vivid reasons why the plan for adoption in Alberta meets with the most success of any on the north American continent.

The program was preceded by a dinner. Guests included the wives of the members of the men's club, this being the annual ladies night; the members of the St. Saviour's Dramatic Society, their wives or husbands, and Mrs. Allan. Mr. Austin was accompanied by Mrs. Austin and their two children, Patricia and Charles.

The president of the club, Mr. J. V. Kneale was chairman. Mr. Ashley H. Cooper thanked the speakers for the enlightening program while Mr. Alex Palin thanked the men's club on behalf of the members of the Dramatic Society.

The final meeting of the Anglican Men's Club for the season will be held on Monday, May 5.

Council Deal With Requisitions And Budget at Regular Session

A regular meeting of the Ver[illegible] Council was held on Monday April 7th with Deputy Mayor G. W. Sutherland and Crs. Cooper, Locke, Howe, Thompson present. Absent were Mayor Hill and Cr. McCormick.

Correspondence: Alta. Mobile Home Assoc. re trailer parking, RCMP re March report, Mrs. H. B. Curtis re cemetery plots, Vermilion S.D., Vermilion Mun. Hospital re requisitions, Dept. of Mun. Affairs re Hospital plan, Dept. of Public Health re Hospital Benefits Act, Alberta Welding re steam boiler, Rubber Companies re quotations.

Lot Sales: Victor Rogers, Lot 5 Blk 1 Plan 5766AY; Chas. and Ellen Hollen, Lots 4 and 5 Blk 30 Plan 5619HW.

Building permits: J. J. Hobbis addition to house Lot 13 Blk 26 Plan 635W.

Following motions carried:

Shirley Porter be advanced $30 to take swimming instructors' course in Edmonton, for one week, sponsored by Red Cross. Also that $15 of the above be refunded to the town from wages earned at the park this summer.

That Victor Rogers be sold Lot 5 Blk 1 Plan 5766AY for $350 subject to usual by-laws.

That Charles Hollen be sold Lot 5 Blk 30 Plan 5619HW for $200 and that Ellen Hollen be sold Lot 4 Blk 30 Plan 5619HW for $200 subject to usual by-laws.

That J. J. Hobbis be granted a permit to build addition to his house on Lot 13 Blk 26 according to plan submitted.

Meeting adjourned.

Craig Cup Goes to Lloydminster

For defeating the St. Paul Hornets three straight games in the Eastern Alberta Hockey League finals, the Lloydminster Chevies were awarded the Craig trophy. It is seen in this picture being presented to club captain Eddie Barrack by Mr. Al Locke of Vermilion, president of the league. Barrack was the league's leading scorer in the east and west division finishing off with 70 points. Russ Carroll, the secretary-treasurer of the league can be seen in the background. —*Picture courtesy the St. Paul Journal*

Wins Bob Cats Booster Jacket

In order to accumulate funds to purchase jackets for the members of the juvenile Bob Cats hockey team, tickets were sold on a jacket. The draw for the winner was made recently and Elmer Jones of Dewberry was the lucky boy with ticket number 83.

Mannville Handicraft Collection Featured At Jubilee Auditorium

An impressive display of handicrafts of Alberta artists, and of artists of other Canadian provinces and the United States comprises the "Albertacraft '58" festival to be held at the Jubilee Auditorium in Edmonton and Calgary April 17-19 and April 29-May 1 respectively. The exhibits are open to the general public. The festival, sponsored by the Cultural Activities Branch of the Provincial Department of Economic Affairs, will also feature demonstrations of their special skills by master craftsmen. Guest exhibits will include pieces from the Southern California Handweavers Guild; the Edmonton Lapidary club's polished and set stones; pottery by Mrs. Sybil Laubenthal, Edmonton; a fabulous collection of 80 dolls from many countries by Miss Jean Allanach, Mannville; displays from Canadian Handicraft Guild of Montreal, Eskimo and Indian crafts from the Charles Camsell Hospital in Edmonton, and scholarship winning Alberta paintings and [illegible].

Large Numbers At Easter Services

All churches in Vermilion had the same experience on Easter Sunday — congregations which overflowed facilities. People flocked to the services in the morning and again in the evening.

In several of the churches special Easter anthems were sung by the choirs, while the sermons told of the meaning of the Crucifixion and the Resur[illegible].

4-H Club Meets At Derwent

DERWENT. — The Derwent 4-H Club held its regular meeting at the Derwent school. Films on agriculture were shown to the members by the District Agriculturist. The 4-H Club members decided that they will hold a dance on April 25.

TRADITION PAYS OFF

It's a good old Canadian custom. We refer to the way friends and neighbors get together to tackle their problems.

We've done it from the beginning of our history — from the first stockade built by the first settlers.

Barn-raisings, corn-huskings, Home and School meetings, church festivals and all other get-togethers to achieve communal goals — they're in the same fine tradition.

And so are the victories that have been won against disease during this century of medical know-how.

We are justly proud of our scientists who have vanquished so many one-time killers since 1900 and added 22 years to our life expectancy. But let's be proud of our share in this achievement, because we are the ones who gave our scientists the tools they needed for their great research projects.

The defeat of disease since the turn of the century is splendid evidence of what we can accomplish by co-operative and voluntary effort — voluntary agencies working with volunteers and supported by voluntary contributions. Here in Canada we give time or money — because we want to.

And it pays off.

Fresh in memory is the fight against polio. The Canadian people bought and paid for the victory against polio. In Canada and the United States we contributed almost half a billion dollars. That's a lot of money but can anyone doubt it was worth the return of the Salk vaccine?

Let's go back a few years and remember diabetes and tuberculosis and typhoid and pneumonia, just to mention a few other diseases that no longer take a heavy toll of mankind.

And then let's give sober thought to the fact that April is Cancer Crusade Month, and that cancer is the number two disease killer in Canada today.

The Canadian Cancer Society believes science can and will find the answer to cancer, too. Only two things are needed. Time and the tools for research.

Let's keep this in mind when we hear a knock and open the door to a Cancer Crusader. The national goal is $2,494,000.

And multiply that Crusader by half a million. That's the number of Cancer Society volunteers who will visit their friends and neighbors to ask them to "fight cancer with a checkup and a cheque."

Friends and neighbors — there is the cue to our Canadian way for getting things done.

Of Many Things . .

By AMBROSE HILLS

SUNDAY DRIVER

I confess to being one of those dawdling Sunday drivers you get-there-in-a-hurry motorists cuss about. If you see a station wagon loaded with kids poking along the highway on a Sunday afternoon, don't cuss at us too hard. We'll be off the highway and onto a side road as soon as a good one appears; meanwhile, even from the highway, the countryside is good to look at and we're gawkers from away back.

We don't plan our drives in detail, just the general direction. We start out early in the afternoon, knowing that we'll wind up in some small town for a meal about six o'clock, and a leisurely drive back home just in time for the twins to get to bed by nine. That small town meal appeals to them even when the cooking isn't perfect. It's the adventure that pleases them, and my wife enjoys almost any meal when she's free of the dishes afterwards.

We've often tried to figure out why we are such a gypsy-like family when week ends roll around. On the humdrum week days we are stay-at-homes, even our teenagers. But the itch for motoring starts Friday and by Sunday afternoon we're eager to be off.

We take it easy. The kids like to pull up beside the road, toss gravel stones at poplar trees, or snap pictures of anything that happens to be handy. We watch for birds or rabbits, tell stories, crack jokes and sometimes climb a farmer's fence to look at cattle, sheep or horses. Dogs that have come raging down a road to chew our tires have been surprised to have us stop, doors fly open and a horde of youngsters rush at him. It is surprising how quickly the angry snarls and barks change to [illegible] tail-wagging.

Sometimes I find myself wondering after one of these country excursions about human values. Certainly my youthful plans for [illegible] didn't include Sunday afternoon [illegible] over country roads, with a carload of athletic, noisy youngsters. Yet when I take stock of the really good things life has given me, these country jaunts are near the top. And I thank God I was lucky enough to be born in a free and prosperous country where a man of modest means can earn a car and take his family for Sunday outings. We don't realize, sometimes, how fortunate we are.

STORING CLOTHES

With arrival of spring the time has come to store our winter clothing. Each year moths destroy enough wool to clothe nearly 1,000,000 people! Hard to believe, is it not? Especially when the storage of your winter coat and other woolens actually takes so little time and effort. Remember these pointers when storing:

1. Clean all your woolens before storing.

2. Washable woolen can be made moth repellent by using a product like EQ 53 in the rinse.

3. Look for garments with a 'Mitin' label. They have been durably moth-proofed, so need no special care in storing.

4. Container with moth preventatives should be placed at the top of the closet or garment bag so vapors will filter down through the garments.

5. If possible put all your woolens in a closet that won't be used during the summer months.

6. Fumigate the closet by spraying thoroughly with a contact spray.

7. Seal off closet, including keyhole with cellophane tape or [illegible] tape.

8. If storing in plastic bags — plastic bags with heat sealed seams are more airtight than plain sewed. If sewed, the seams should be bound or flat felled to keep vapor fumes from escaping. Bags with zipper closings are usually more airtight than bags with other type closures.

FABRIC BLENDS

Spring fabrics will consist of more blends rather than one fibre fabrics. Man-made fibres are blended with natural or other synthetic fibres. The resulting material has the combined properties of the original components.

Some of the advantages which result include, greater durability, increased ease of handling, greater crease and soil resistance. When buying a blended fabric check carefully for methods of care and cleaning.

A well-known [illegible] was invited to address a prominent women's club on the Chinese situation, carefully boned up on the subject and prepared a brilliant paper. Upon meeting the chairwoman, he inquired how the club had come to organize a talk on China.

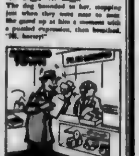
"Oh," the lady explained sweetly, "we're having a chow-mein luncheon, and wanted something to give the spirit of the occasion."

"I see here," said the husband, glancing up from his newspaper, "that The Ford Foundation just gave away [illegible]."

"Really?" gasped his wife. "What was the question?"

My neighbor's three-year-old daughter loves dogs. One day while she was playing in front of her house she saw a huge boxer down the street and ran toward him shouting "Hi, doggie! Hi, doggie!"

The dog bounded to her, stopping just when they were nose to nose. She gazed up at him a moment with a puzzled expression, then breathed, "Hi, horsey!"



"These aren't my [illegible] . . . But I'll take them, anyway!"

Released by [illegible]

Sixteen Years Ago

APRIL 9th, 1942.

Another Vermilion landmark was destroyed early Thursday morning when fire practically consumed the old one-storey frame structure between the Memorial Hall and Rowe & Spencer's garage. Fortunately there is vacant property on either side and the night was also very calm so the danger of spreading was nil.

Bob Dunsmore, well known old timer of the town who now resides at West Burnaby, in B.C., erected the building away back in 1905. He used is as a land office and implement agency, carrying on those lines of business in company with the late J. H. Foster. It was later put to a variety of uses, including millinery shop, garage, auto wreckage, cabinet works, etc. Value of the building was around $1,000.00.

Here is one for Ripley: A New Hampshire breed of laying hen on the farm of Mrs. George Steinhauer, near Islay, has gone patriotic and in an effort to produce more eggs for Britain laid a huge egg which contained in its outer shell, not only double yolks but another perfect egg.

Peter J. Nester, well known Derwent district resident, has returned home after spending several months at Fort William.

32 Years Ago

APRIL 8th, 1926

H. N. Stephens, pioneer merchant of the town, passed away suddenly last Saturday morning. He was in his 63rd year and had served as mayor, councillor and school trustee.

Percy Falkner has been transferred to the Bank of Commerce at Stony Plain.

The weather continues cold and spring seems to be marking time. It will take a week of good warm days to open up the land.

The Commercial Grads of Edmonton lost the first of a two-game series at Cleveland by a score of 23 to 16.

Curling continues and a double-header for the Blair Cup was played on Good Friday against Islay. The cup was lost in the afternoon games and won back in the evening.

48 YEARS AGO

APRIL 9th, 1910

Rev. H. A. Edwards and Mrs. Edwards reached Islay on their return trip from England. Mr. Macoun accompanied them.

Norman E. Morrison of Creemore, Ont. arrived in town to fill a position with Stephens Ltd.

If the spring is the augury of what the season is to be, this district should garner the best crop in its history. Reports from different points indicate that the land is in splendid condition, with wheat seeding well underway and plowing going ahead with a swing.

Vermilion baseball players have reorganized with A. F. Turner president, Ed Long secretary and Jim Glasford manager. A committee is composed of Fred Long, H. A. Field and Jno. Brimacombe.

Mr. Gordon Dunsmore and his bride arrived home from the east last week. Gord received the heartiest congratulations of his numerous friends.

J. A. M. Craig and C. V. Caesar are contemplating a trip to the country north of the Saskatchewan river.

T. Nichols and J. Purser have each brought in a carload of settlers' effects to the Islay district, while A. MacMillan and Mr. McEachern also brought in two cars.

C. L. Freeman who has been practising law in town for nearly two years, is leaving for Edmonton, having entered into partnership with one of the city's leading legal firms, Messrs. Boyle and Parlee.

NEWS from KITSCOTY

Mrs. E. H. Sheppard is spending a holiday in Vermilion with her daughter and son-in-law Mr. and Mrs. J. I. Parkin and Ted.

Mrs. Harold Chisholm and Nancy of Edmonton, also Mrs. Elleene Gray, Mr. and Mrs. Don Gray were week end guests at the home of Mr. and Mrs. C. N. Gray.

Mr. and Mrs. Lyle Cook have returned home after spending the winter months in Edmonton.

Mrs. P. Sloan and Mrs. S. O'Connor of Mannville were guests at the Kitscoty W. I. pot luck supper which was held Tuesday, April 1st at the home of Mrs. M. K. McDonald.

Miss Marion Inglis of Lacombe spent the long week end here with her parents Mr. and Mrs. J. G. Inglis.

Rev. and Mrs. F. T. Nelson and family spent the Easter week end at Elstow, Sask.

Mrs. J. Bootsman and Morven of Cold Lake were in town last week end.

Mr. and Mrs. Andy McGladrie and family of Alder Flats called on several of their old friends here during the holidays.

Mrs. William Lang and Judy are spending the Easter holidays at Dawson Creek, B.C., visiting with Mr. and Mrs. Russell [illegible] and family.

Mr. and Mrs. R. S. Pidcock spent Easter Sunday and Monday in Edmonton visiting relatives.

Misses Joyce and Myrna Miller of Edmonton visited here for the Easter week end with Mr. and Mrs. Stan Gerritts and [illegible] and Mr. and Mrs. David [illegible] and family in the Earlie [illegible].

Mr. and Mrs. Robert Milligan and Robert of Edmonton spent the week end here with Mr. and Mrs. Henry Joy in the Kinnaird district.

Best wishes for a speedy recovery are extended to Mrs. Stan Byrt and all the other Kitscoty folk who are ill in hospital.

Kitscoty now sports two TV aerials, at the homes of Mr. and Mrs. C. N. Gray and Mr. and Mrs. L. E. Speelman. They report reception at times is excellent. Mr. and Mrs. Speelman viewed the live telecast of the blasting of Ripple Rock off the B.C. coast last week end.

Mr. and Mrs. Jack Tyler and baby son of Drayton Valley spent the Easter week end here visiting with their grandmother Mrs. W. L. Apperson and father Mr. E. Tyler.

Mr. and Mrs. Wm. Sage and family of Edmonton visited here with their parents Mr. and Mrs. A. W. Govier for the Easter week end. Master Billie Sage is spending the holiday week here with his grandparents on the farm.

WO2 J. Kropinak and Mrs. Kropinak and girls of Edmonton spent the long Easter week end here with Mr. and Mrs. L.E. Speelman.

Mr. and Mrs. Mike Zubiak and family spent the long week end visiting relatives at points in Saskatchewan.

Mr. J. McCorry was an Edmonton visitor at the week end. He reports Mrs. McCorry is much improved in health.

Sincere sympathy is extended to Mr. and Mrs. Burton Parker, Miss Minnie Parker and Mr. Ray Parker in the passing of their brother Mr. Elmer Parker in the Lloydminster hospital after a lengthy illness.

U.C.W.L. Hold Home Baking and Tea Sale

DERWENT. — The UCWL have sponsored a successful Home Baking and Tea Sale on April 3 at the National Hall. Easter Bread, Easter eggs, buns, doughnuts and also some handicraft were sold. Tea and sandwiches were served by the Ladies League.

Good resolutions never die — they just have a hard time being lived up to after being born.

BY-LAW No. 141
Municipal District of Vermilion River No. 71

A BY-LAW of the Municipal District of Vermilion River No. 71, in the Province of Alberta, prohibiting the running at large or grazing of domestic animals.

Under the authority and subject to the provisions of the Domestic Animals Act (Municipalities), Chap. 91, R.S.A. 1942, and amendments thereto, the Council of the Municipal District of Vermilion River No. 71, enacts as follows:

1. That any and all Domestic Animals are hereby prohibited from running at large in the said Municipal District, save and except that portion thereof north of the Saskatchewan River, in accordance with the following schedule:

ANIMALS	Period of Prohibition	Area of Prohibition
1. Horses 2. Asses 3. Mules 4. Cattle 5. Geese 6. Goats 7. Sheep 8. Pigs	January 1st to December 31st in each and every year.	The whole of the said Municipal District of Vermilion River No. 71 save and except that portion thereof north of the Saskatchewan River.

2. That the provisions of the said Domestic Animals Act (Municipalities), and amendments thereto, are incorporated herein and are deemed to constitute and form a part of this Bylaw.

3. That any and all Bylaws respecting the running at large of Domestic Animals or the grazing of animals in effect in the said Municipality or in any portion or division thereof or in any Municipality now incorporated in and forming a part of the said Municipal District are hereby repealed.

4. That this Bylaw shall come into force and effect upon the date of the final passing thereof.

FIRST READING — T. W. Lambie.
SECOND READING — T. W. Lambie.
Dated this 8th day of August, 1948.
APPROVED this 21st day of August, A.D. 1948.
(Signed) LUCIEN MAYNARD,
Acting Minister of Municipal Affairs.
THIRD and final reading — G. E. Clay.
Done and finally passed in Council this 14th day of November, 1948.

W. I. Ladies Visit 'Little Royal'

MANNVILLE. — Attending the recent little royal at the Vermilion school of agriculture were a number of Burch Creek W.I. members. Seats at the affair were at a premium. Most interesting was the procession of animals, preceded by a beautiful team of black horses, which were not entered for [illegible] but drew many an admiring glance and added to the procession in no small manner. Judges gave a detailed and highly explanatory talk on why the prizes were awarded to the various entries. Interesting examples of cooking and particularly sewing were observed with interest, each classroom having a teacher or student in attendance.

Afternoon tea was served in the dining room where many Mannville-ites were seen. Young people should be encouraged to take advantage of this excellent training.

'The Bible Today'

"Assuming that we do not commit mass suicide by means of atomic warfare, there will be five billion people on the earth in the year A.D. 2000, as compared with 2½ billion in 1950," claims Prof. F. Baade, a German economist.

The fact that the population of the world may double within 50 years, for the first time in history, poses a problem as well as an opportunity to those interested in reaching people with the printed page.

The Bible Societies, including the British and Foreign Bible Society in Canada, at their present increased rate of production, go less than half-way towards meeting the current growth of the world's population.

Protestant people everywhere are being asked to increase their Bible Society support, to make it possible to provide Scriptures for the millions of new readers who are being added to the world population each year.

BIBLE READINGS

Suggested readings for next week:

Sunday	Deuteronomy 5 1-33
Monday	Deuteronomy 7 1-26
Tuesday	Deuteronomy 30 1-20
Wednes.	Deuteronomy 34 1-12
Thursday	Judges 5 1-31
Friday	I Samuel 17 1-31
Saturday	I Samuel 17 32-58.

News from Dewberry

Mrs. Vic Dowell visited the home of Mrs. Ivy Hornigold and girls in Edmonton and presented Mrs. Hornigold with a chest of silverware, setting for eight, also six coffee spoons, a berry spoon, gravy ladle and a cold meat fork, a gift from her friends and well-wishers in Dewberry. Mrs. Hornigold has a beautiful home in Edmonton at 8802 79th Ave., and is very comfortably settled there. All like it in the city. Margaret is attending McTavish college. Jean has a stenographer's position and Mary attends school. We still miss you here in Dewberry Ivy and girls, sorry we could not make it up there at Easter.

Quite a few visitors from Edmonton were noticed in and around Dewberry, among them Mr. and Mrs. Roger Lemp at the Philip Lemp home; Mr. and Mrs. Leonard Romanchuk and family at the Romanchuk and Maltais homes; Mr. and Mrs. Bob Gordon at Ryan's; Mrs. Jean Clark at Mrs. Durnin's; Francis Maltais at the Albert Lert's, also the Hodgson boys at relatives; Mr. and Mrs. Jim Bailey of Calgary were at Mrs. Allen's and when they left Mrs. Allen accompanied them and will stay in Calgary a week.

Mr. and Mrs. Chris Haskell and girls are spending a few days in the city. [illegible] waite accompanied them.

Betty Ewan who is training as a nurses aide has been transferred to the University hospital in Edmonton.

We saw Mrs. George Fluney in town on Saturday. Mrs. Fluney is training in Calgary as a [illegible].

Best wishes for a quick recovery to Richard Parker who is in Islay hospital having undergone an appendectomy. Too bad that you had to miss the [illegible].

Best wishes for speedy return to health is wished all our hospital patients.

Congratulations to Bob Parker and Halvor Lofthaug who have both been rewarded for their work in the orchestra at the V.S.A. [illegible] also an outstanding gymnast and Halvor a good hockey player.

Congrats again to Jimmy Jones and Lorne Braithwaite who play with the Maple Leafs in Edmonton. The Leafs won the provincial trophy. The A team of which both boys are members were challenged by the B team, the A's winning 5 to 3.

The United Church Ladies Aid had a lovely day for their tea on Saturday, April 5th. It was well attended and much enjoyed.

To Mrs. Conlon of Edmonton: Will you please write again Mary as I've lost your address.

Bingo winners [illegible] Mrs. Manz, Lillian Fedechko, [illegible] Johnston, G. Majeau, Mrs. Manz (two others), L. Fedechko and Mrs. Pyklywyc but Mrs. Manz won the tie [illegible] Mrs. Vanduern, Sandy Machin, Jack Croxford, Mrs. F. McLaughlin, Mrs. Pat Cotter, W. McCauley, Mrs. Joe Bauer, Julie Pulvk won in a tie with J. Croxford. Barry Smith, Mrs. Jack Golledge.

'Teen Club Forced To Change Plans

MANNVILLE. — Due to absolutely nothing but the weather, plans for a sleighing party had to be cancelled on Friday two weeks ago by the Teen club. However enthusiasm is never dampened apparently, so the young fry met anyway amusing themselves by 'tripping the light fantastic' until lunch time. Sleigh rides they [illegible] strictly for the birds and have well laid plans for a hay ride in the near future.

CHAMBER OF COMMERCE WEEK

Community building for the national good

What is the Vermilion Board of Trade? A group of business men devoted to prove that the sun shines all the time in our community? Public-spirited citizens banded together to see that the town enjoys the highest possible standard of living? Supporters of free enterprise and freedom vigorously opposing collectivism and socialism? Business men trying to bring new industry and more tourists to this area? These are some of the most commonly held ideas about the Board of Trade. Whatever is said about the Board of Trade, there is one thing sure—it is one of the most important organizations in the town. With the church and the municipal government the Board of Trade forms a strong pillar supporting the welfare and the progress of the community.

The work of the Board of Trade touches nearly every citizen. In most towns the Board of Trade is responsible for tourist promotion. In many others it undertakes the work of an industrial commissioner, seeking new industry for the town and district. It takes a leading part in community affairs, improving relations between the farmers and the businessmen, sparking community interest in education, running 'Get-out-the-Vote' campaigns at election time, taking a lead in fire prevention and health and safety work, sponsoring clean-up and beautification weeks, organizing the Santa Claus parade at Christmas and a host of similar projects. Few boards of course do all these things because they are a volunteer organization.

Provincial and National Matters Too

The interest of the Board of Trade is not, however, confined only to local matters. Just as the citizen of a municipality is also a citizen of his province and of his country, so the Board of Trade has provincial and federal interests in addition to its local activities. In the provinces there are provincial Boards, and indeed many regions within a province have their own associations to advance the interests of their particular region. At the provincial level the activity of the Board of Trade is coordinated and presented to the provincial government through the provincial Chamber of Commerce—a provincial federation of Boards and Chambers.

At the federal level the activity of the Board of Trade is coordinated and presented to the federal government through the Canadian Chamber of Commerce — the national federation of more than 750 Boards of Trade and Chambers of Commerce. The policy of this national group is determined by the majority votes of the member Boards and Chambers - each of which has one vote to equal strength.

The national Chamber undertakes public relations programs to explain the virtues of the private enterprise system. Similiar programs are often undertaken by the local Boards and Chambers. Many of them have produced booklets, radio programs and undertaken other publicity projects to bring to the attention of their fellow citizens the case for private initiative and a traditional Canadian way of life.

A Stabilizing Influence

An organization such as the Vermilion Board of Trade is a stabilizing influence on a community. It is instrumental in focussing greater attention on municipal, provincial and national affairs. It brings about greater understanding among various segments of the community and it makes the community a better place in which to live. The Vermilion Board of Trade deserves the support and understanding of all the citizens in the community. Every city, town and even village should have a strong and lively Chamber of Commerce or Board of Trade if it is to make the most of its potentials and if community life is going to be as pleasant as possible.

The same applies to the national scene. Canada needs a strong national group to speak on behalf of business generally and it has such a voice in The Canadian Chamber of Commerce. Canada has a great future and the cities and towns of Canada are going to share in it in proportion to the effort and intelligence they individually put forth. The Board of Trade is a chief means for employing this effort and this intelligence. For that reason it deserves support.

CANADIAN NATIONAL

Medical Association Head Urges Support of The Cancer Crusade

Warm commendation of the current Cancer Crusade was expressed this week by Dr. Morley Young of Lamont, resident of the Canadian Medical Association, who suggested that both the members of the medical profession and the general public had an 'obligation' to support the appeal.

'The Canadian Medical Association was responsible for bringing about the formation of the Canadian Cancer Society,' said Dr Young, 'and the medical profession has been, and is, vitally interested in the work the Society is doing in its efforts to reduce the mortality rate by cancer.'

During the month of April, which has been designated "Cancer Control Month" by the Governor General, Canadian Cancer Society will appeal for funds needed to carry on its fight against cancer on a threefold front of Research, Education and Welfare Services. The national objective is $2,484,000, while Alberta's goal is $300,000.

Dr Young stated that $798,000 of the crusade objective has been earmarked for research projects supported by National Cancer Institute of Canada, the Society's research affiliate, with a further $95,000 allocated to graduate training of doctors and others specializing in cancer treatment.

'Through its affiliation with the National Cancer Institute of Canada, the Society has made notable contributions to the scientific attack which is being carried on in our Universities and Institutions with funds raised annually in its campaigns,' the Medical Association had observed.

Dr Young also praised the educational efforts of the Cancer Society. 'The Society is dedicated to the promotion of a better public understanding of the disease,' he said. 'Through its volunteers, it carries on a year round educational effort to encourage people to seek early treatment. These same volunteers also assist over 16,000 cancer patients each year, bringing comfort to, and easing some of the burdens of those afflicted with the disease.'

'The doctors of Canada, together with their fellow citizens, have an obligation to support this appeal,' Dr. Young emphasized. 'I commend it to you and urge that you lend your efforts to the volunteers in your community whose efforts to eliminate cancer as a major disease are worthy of the fullest support.'

All grand thoughts come from the heart.

It may frighten you at first, but it's worth trying; praise your wife.

A donation to the Canadian Cancer Society is an investment in health.

Baby Shower Is Held at Derwent

A very pleasant afternoon was spent on Sunday, March 23rd at the home of Mr. and Mrs. Alex Rogucki, when friends, neighbors and relatives gathered to honor their little daughter Darlene and to shower her with numerous beautiful gifts. These included a large size crib which was a gift from all those present. The afternoon was spent admiring the new baby, chatting, card playing and political discussions. This was followed by a bountiful lunch and finally by the opening of the gifts. Those present and who donated for the crib were Mr and Mrs Dmytro Rozka, Mr and Mrs. John Mudryk, Mr. and Mrs. Peter Charchun, Mr. and Mrs. John Zack, Mr and Mrs Steve Kulinsky, Mr and Mrs. John Bober, Mr. and Mrs. Peter Noster; Mr and Mrs. Marshall Mudryk, Mr and Mrs. Max Hanasyk, Mr and Mrs. Harry Jablonski, Mrs. Sophie Karpchuk; Mr and Mrs. John Palinka; Mr. and Mrs. Stan Woloshyn; Mr and Mrs. Ed Charchun; Mr. and Mrs. Matt Charchun; Mr. and Mrs. Earl Noster; Miss Nellie Bober; Mr. and Mrs. Walter Wysocki; Mr and Mrs. Joe Mistal; Mr. and Mrs. Tony Rogucki; Mr. and Mrs. John Zalasky; Mr. and Mrs. Paul Mielech; Mr. and Mrs. Bill Wysocki; Mr. and Mrs. Steve Dobransky; Mr. John Karpchuk; Grandma Hanasyk; Grandma Rogucki.

Other gifts were received from many of the same people. Gifts of money, totalling $32.00, were received from: Mr and Mrs. Joe Bober, Mr. W. Grodecki; Mr and Mrs. T Rogucki; Mrs. Zielinsky; Mr. and Mrs. B. Rogucki; Mrs. K Hanasyk; Mr. and Mrs. J R Bober; Mr. and Mrs. Ed Charchun;, and Knights of Columbus.

Mr. and Mrs. Rogucki expressed their heartfelt thanks for the kind generosity of all those present. Everyone wished little Darlene a long, healthy and happy life.

Those present thanked Mr. and Mrs. Rogucki in turn for their kind and generous hospitality and sociability.

Dull But Healthy

In the main stock market investors are probably waiting to see what effect current measures by government may have on the economy, says Investment Editor Paul Deacon in The Financial Post. They realize the first quarter isn't encouraging, and more and more forecasts are putting the leveling out and eventual upturn farther toward the end of 1958. At the same time, actual news of lower earnings could hurt market prices, even though the news is expected.

All this keeps market trends on an understandably dull but probably healthy basis.

LOCAL NEWS

Mr. Melvin Fisk flew from Trenton, Ontario to spend the Easter week end at the home of his parents, Mr. and Mrs. Walter Fisk. Visiting at the same home were Mr. James C. Fisk and family of Lashburn and the Fisk's grandson, Adrian Lovig of Mayerthorpe.

Mr. and Mrs. W.B. Mix returned from Eastern Canada this week driving back piggy back style, three new trucks which they took delivery of in Ottawa and which were purchased through the local dealers, Rowe and Sons.

Ellef B. Johnson of Dawson Creek was a visitor in town on Sunday afternoon for a few hours on his return to Edmonton from Marwayne where he left Mrs. Johnson and little daughter Elnor Mae for a few days' visit at the home of Mrs. Johnson's parents, Mr. and Mrs. Berg.

Mr. and Mrs. Bob Bell and Brenda of Calgary spent part of the Easter vacation in Vermilion and district visiting relatives.

Cpl. and Mrs. Stan Sorby and family of Westlock were in town for a few days this week to attend the Norton-Hildreth wedding on Wednesday.

Visitors at the home of Mr. A. W. Elliott for Easter were Mr. and Mrs. Bob Elliott and son Clarence from Lodgepole, Alberta and Mr. and Mrs. Art Elliott and daughter Mary of Fort Saskatchewan for the Easter school vacation.

Miss Peggy Stephens, nurse-in-training at the Royal Alex hospital in Edmonton, spent the Easter week end at the home of her parents, Dr. and Mrs. C. W. Stephens.

Miss Margaret Goodwin is spending three days in Edmonton attending the Boris Roubachine recital and reception.

Mr. and Mrs. Jim Goodwin were in Vermilion over the week end visiting Mrs. A. Goodwin and family. Visiting presently at the same home is Mrs. Goodwin's daughter Mrs. D. E. Carson and her two young sons.

Mr and Mrs. Bert Wells and two children, Phyllis and Douglas of Calgary spent the Easter week end with the formers parents, Mr. and Mrs. E. Wells at the farm just north of Vermilion.

Rev. and Mrs. C.W. MacKay and the boys left on Monday to visit Mrs. MacKay's parents Mr. and Mrs. Scott. They plan to return home on Friday.

ENGAGEMENT ANNOUNCED

The engagement is announced of Mary Rose, daughter of, Mr. Logan Gow and the late Mrs. Frances Gow, to Mr. Thomas B Creteau, son of Mr. and Mrs. Philip Creteau of San Fernando, Trinidad, B.W.I. The wedding to take place on April 19 at St. Joseph's Cathedral, Edmonton.

John Stewart of Edmonton spent the holiday week end with his parents, Mr. and Mrs. E.M. Stewart and the family in town.

Peter Kupin was here from varsity for the Easter week end visiting his parents Mr. and Mrs. Mike Kupin and brother Russell.

Mr. and Mrs. Keith Chalmers and the children of Edmonton were in town for the Easter week end. Keith returned on Monday, leaving Mrs. Chalmers and the children to spend the Easter week school vacation visiting her old family home at Lloydminster.

Mrs. Harvey Anderson is convalescing nicely at the Royal Alexandra hospital, Edmonton, following a major operation. She expects to return home within a week.

Mr and Mrs. Rex Boake of Edmonton spent the Easter week end at the family home in town.

Dr. and Mrs. A. Ben King and the children motored to Camrose on Easter Sunday to visit the formers father, R.L. King and Mrs. King. Pamela and Murray remained in Camrose to spend the Easter vacation with their grandparents.

Mrs. Sheppard of Kitscoty is a visitor at the home of her daughter and son-in-law, Mr. and Mrs. John Parkins.

Mrs. T.K. Holte and two children, Richard and Robert of Winnipeg were recent visitors at the home of the former's parents, Mr and Mrs. A.M. West in Vermilion, and Mr and Mrs. Albert Holte. During this time Mr. Ken Holte was in Eastern Canada on a buying trip.

Mr. and Mrs. Ted Langridge, Robert, Reddy and Cathy of Banff were guests at the home of Mr. and Mrs. Albert M. West during the Easter holidays.

Gerry Pauls, a student at the U. of A. spent the Easter holiday week end at the home of his grandmother, Mrs. M. Keys.

Mr. and Mrs. Bill Williams of Edmonton were among the visitors in town for the holiday Easter week end guests at the home of the formers parents, Mr and Mrs. Gordon Williams.

Mr and Mrs. Laird Kearns and son Lee of Edmonton visited at the home of Mrs. Kearn's sister, Mrs. Roger Rowe and Mr. Rowe for Easter.

Mr and Mrs. Reg Ireland and Mrs. Eileen Young left last week end by C.N.R. for Oakville, Ont. where they will take delivery of a new Meteor station wagon purchased through Webb & Sons.

Mr. and Mrs. Mike Malinowski and family of Devon, Alberta spent a few days in town and district during the past week visiting relatives and renewing acquaintances with old friends.

Mr. and Mrs. Roy Cameron and two boys from Edmonton were guests for the Easter week end with Roy's mother Mrs. A. Cameron in Vermilion and Mrs. Cameron's mother Mrs Johnson of Mannville.

Mr. and Mrs. Bill Elder and Cathy of Calgary were in town for the holiday week end, visiting Bill's mother Mrs. Elder and his sister Mrs. Frank Welsh, Mr. Welsh and family.

Sympathy is extended to Mr. Bob Watt who was called to Vancouver this week by the death of his father.

Mrs. A. Marsluk had as her guests over the Easter week end her brother and family, Mr. and Mrs. Nick Nesplesky, Verna and Linda from Redwater, Alta.

Mr. and Mrs. Bill Rogan and two children from Berwyn in the Peace River country visited the formers mother Mrs. S. Rogan in town.

Miss Jean Kibblewhite of the Lacombe teaching staff is spending the Easter vacation visiting her parents Mr. and Mrs. Andrew Kibblewhite and the family south of town.

Mr. and Mrs. Harry T. Taylor left last Thursday night via CNR for New Westminster, B.C. to visit the latters brother Mr. Osmond Walker who is very ill in hospital.

There is no charm so great as the charm of a cheerful temperament.

Marjorie Smith Honored at Shower

On March 22, Miss Marjorie Smith was honored at a miscellaneous shower at the home of Mr. and Mrs. McLennan. Several games and contests were played, the highlight being the composition of songs relating to Marj and Earl's courtship and coming marriage to the tune of 'Put On Your Old Gray Bonnett.'

Seated in a stenographer's chair, the bride-elect received a decorated basket of gifts. Marjorie expressed her appreciation in very fitting words, for the beautiful gifts received.

A dainty lunch provided by several of the ladies present was served bringing to a close a very enjoyable evening.

Shower Honors Mannville Girls

MANNVILLE. — Approximately 54 ladies gathered recently at the Anglican hall to honor Miss Jessie Clark at a miscellaneous shower. She was the recipient of many beautiful and useful gifts and was assisted in unwrapping them by her mother Mrs. Clark and Mrs. Kufeldt. Miss Clark thanked all those present as well as those unable to be there who sent gifts, for their kindness, and those sponsoring the shower. Presenting the gifts to Jessie in a few well chosen words, Mrs. L. Smith expressed the good wishes of all.

Easter Services Well Attended At Mannville

MANNVILLE. — Both the new McQueen Memorial United church and Christ Anglican church here reported capacity crowds on Sunday last. In the Anglican church, with the service of Holy Communion and Rev. C. McPherson celebrant, there were 109 communicants.

Flying Farmer Visits Father Herman Krueger

A member of the flying farmers Harry Krueger of Triumph, Minn., landed here on Monday by plane and stayed over to visit his father, Herman Krueger of the Tolland district. It was the son's first visit here in 20 years.

The visit was an unexpected one but word was sent down to Mr. Krueger who was staying at the home of Mr. and Mrs. Wolters as he had but recently been a patient in hospital. Harry left his three companions to go on to Edmonton to the Flying Farmers' convention while he stayed and had a real visit with his dad.

Riverton Pioneer Of 1913 Plans Auction Sale

Graham Skinner, a pioneer homesteader and farmer of the Riverton district where he settled in 1913, is holding an auction sale on April 23rd, and will move into Vermilion.

Since settling at Riverton some 45 years ago Graham has proved himself a community minded citizen. He took a prominent part in community affairs and a few of the offices he has filled were the first president of the Riverton Local F.U.A. while prior to that he had acted as both president and secretary of the U.F.A. He was also the first president of the Dewberry Co-op Assoc. on the board of directors of the telephone company in that district and of the Rural Electrification Association. He is also an ardent curler and for years curled at the Dewberry rink.

The Riverton district is losing an extra good citizen. However seeing Graham is well along in his 70's he probably deserves to retire. He has moved a house into Vermilion and will live here in future. Graham has spent the past winter in Vermilion, is an ardent member of the curling club and the people of the town extend a warm welcome to him.

Miss Joy King returned to Edmonton after visiting the old family home south of town for Easter.

Pigs Need Plenty Of Water

MANAGING WEANLING PIGS

A recent trip through various parts of central and northern Alberta indicated that many farmers are completely disregarding proper sanitation, feeding and housing of weanling pigs and older pigs too. The basic principle of reasonably warm quarters in properly ventilated and dry barns is still very important if a large number of weanling pigs for each sow farrowed are to be raised to market weights, says A J Charnetski, Livestock Supervisor, Alberta Department of Agriculture.

Proper feeding of feeds low in fiber and fairly high in protein and vitamin A and D is essential for normal growth and development. A few dollars spent on fish oil and concentrates will assure healthier pigs going to market sooner. This will result in a larger percentage of net dollars returning to the farmer which after all, says Mr. Charnetski is the reason why pigs are being produced.

Water must not be overlooked as part of winter feed requirement. Few people realize that even in wintertime full-grown pigs require at least two gallons of water daily. On many farms visited pigs were eating snow and chewing on ice. In practically all cases these pigs appeared to be suffering from constipation, a condition that results in poor thrift and small growth. Large water tanks fitted with automatic waterers and tank heaters would overcome this situation completely, advises Mr. Charnetski.

APPROVED
GOVERNMENT INSPECTED
ACCOMMODATION

At the request of motel operators, a sign to designate government inspected and approved accomodation has been authorized by the Alberta Government Travel Bureau.

Display of the sign is not compulsory but it may be used only by operators whose motels have been classified under the star rating system which is uniform throughout the four western provinces.

Any sign painter may make the signs but only signs which comply with the specifications may be used. Motel operators will place their orders with any sign maker they choose. Copies of the specifications may be obtained from the Alberta Travel Bureau, Legislative Building, Edmonton, Alberta or from Mrs. C. Colwell, secretary, Alberta Motor Courts and Resorts Association, High River.

Mirrors have a miserable habit of casting reflections on a man's best friend.

When you argue with a fool be sure he isn't similarly engaged.

RURAL DELIVERY

By AL SMITH
PARDON, MADAM, BUT I THINK YOU'RE MOULTING!

Princess Anne W. I.

All members of the Princess Anne W.I. met at the home of Mrs. A. Simonet for their March meeting.

We welcomed three visitors Mrs. M. Fraser, Mrs. P. McCambridge and Mrs. G. Dekman.

The poems composed by the members for roll call were enjoyed by all. Two card parties and two skating parties were discussed, also a card party to follow. We talked over the handicraft list. A donation of ten dollars was made to the Canadian Mental Health Association. The theme for the Convention in Edmonton this year is 'Building Better Branches.' Delegates attending will be our president, Mrs. George Mead and either Mrs. Fred Dougan or Mrs. Wm. McIntyre to accompany her.

Our topic was Education by Mrs. R. Mead. She conducted an enquiry of all members as to their opinions on subjects to be presented to the Canadian Royal Commission.

Following adjournment, a delicious lunch was served by Mrs. N. Armstrong, and Mrs. J. Parchewsky.

The most intensive medical search in history is going on for a drug that will cure cancer. Although no "wonder drug" has yet been found there are a number of chemicals that assist in the treatment of cancer.

McLAUGHLIN'S SELF-SERVE

Farm Young People Week June 18-26

The 40th annual Farm Young People's Week will be held at the University of Alberta in Edmonton, June 18 to 26. The course is sponsored by the University's extension department and features lectures and demonstrations on better farming methods.

As it has done for a number of years, the Alberta Wheat Pool will participate by sponsoring 35 young farm people, one from each of the even-numbered Wheat Pool districts. Farm organizations in these sub-districts may nominate a candidate between the ages of 16 and 26 to attend the the course. In selecting the winning candidates preference will be given to those who have demonstrated their interest in school and community affairs, but consideration will also be given to those who have had little opportunity to participate in 4-H and other community activities.

As well as paying the return transportation of the selected candidates, the Alberta Wheat Pool will contribute $15.00 toward the cost of room and board of each while attending the short course.

Interested organizations may obtain application and nomination forms from Alberta Wheat Pool elevator agents located in the even-numbered sub-districts.

ART CLUB TO MEET

The Art club of Vermilion will hold a meeting at the public school on Tuesday, April 15th at 8:15 p.m. The object is to organize classes for the fall of all interested in art. 39

MARWAYNE

A meeting was held on April 2nd to organize a club to be known as the Marwayne Athletic Association. Officers are as follows: President — Gene Chester; Vice-President — Mac Hancock; Sec'y — Murray Lowrie; Treas. — Ken Brown. For further information contact any of the officers, they will gladly help you. The purpose of this club is to promote better sports in our town. Be a sport and help them out.

Home for the holidays were Betty Klinkner from Lamont, Leah Culford of Calgary and Eleanor Demchuk, Edmonton.

Mr. and Mrs. Dow's daughter Mable is at home and will be taking Larry back to Calgary with her.

Mr. and Mrs. Jack Parks and children are visiting at the Cook home.

Mr. and Mrs. Joe Thompson and sons of Edmonton are visiting relatives and friends here.

Miss Allison Elliot, sister of Mr. Elliot, is at their home and Miss Petryshen, sister of Mr. Petryshen, at that home.

Congratulations go to Mr. and Mrs. Irwin Bobroski and Mr. and Mrs. Lloyd Berg on the birth of daughters in the Lloydminster hospital.

Visiting at the Berg home are Mrs. Carl Tannis (Eunice) and children of Edmonton, Mrs. F. Johnson (Elaine) and daughter of Dawson Creek; Mrs. Berg's sister and husband of Cut Knife.

Art Berg is now with the R.C.M.P. at Regina.

Back after a winter spent at the coast are Mr. and Mrs. Keith Kent and boys and Mrs. West.

Away during the week: Mr. and Mrs. W. McDonald Sr., Mr. and Mrs. Alec McDonald, Mr. and Mrs. W. McDonald Jr., attending the wedding of a niece at Drumheller; Mr. and Mrs. Reinheimer and Judy to the Pikorsky home in Edmonton; Mr. and Mrs. Andy Bystrom and girls on a motor trip to Kelowna.

Mr. and Mrs. Lucas and Mrs. Meiklejohn went to Edmonton where they were met by Jerry Lucas. Mr. Lucas continuing on to Nanaimo with him. Mr. Lucas phoned Mrs. Lucas while on the boat that crosses to Nanaimo, reporting a safe trip.

Mr. and Mrs. J. Radcliffe and family have moved into Mrs. Holland's house.

Mrs. Albin Swanson and Connie are spending the week with her parents Mr. and Mrs. Ford of the Jumbo Hill district while Albin attends a Bible conference in Regina.

Rev. and Mrs. M. Johnson have moved to a new charge at North Battleford.

Lawrence Perks is at the home of Mr. and Mrs. Albert George after leaving the hospital. Mrs. Bernard Freehill is just home from the hospital also.

We note with deepest regret the passing of Rudi Isert at the Elk Point hospital and extend sincere sympathy to Mrs. Isert and family.

Sympathy also to Bob Young and family in the passing of his father at Meadow Lake, Sask.

One of the very old timers of the district, Mr. Elmer Parker was laid to rest in the Marwayne cemetery on Saturday after a long illness. The sympathy of the community is extended to Mrs. Parker and family. Mr. and Mrs. R. Shoff (Flora) of Sioux Lookout, Ont. motored home to attend the funeral. Iona Parker, granddaughter from Lamont, Alec and George Parker of Red Deer and Kenneth Hayes and family.

Wayne Laird is relieving in the bank at Clandonald this week owing to sickness on the staff there.

Mr. and Mrs. Tyson Spence and daughter spent the week end at the Spence's.

The W. A. of the Anglican church will hold a bake sale and serve coffee, buns and doughnuts in Mr. Elliot's office on Saturday night, April 19th, starting at 8 o'clock.

Mr. and Mrs. J. Gardiner motored to Duhamel, Mrs. Gardiner's old home on Monday.

Mannville and District Local News

Mrs. Claude Ramsey was home over Sunday to visit her family and returned to Edmonton on Monday to be with her husband Claude, who is seriously ill in the Col. Mewburn Hospital, reported to be holding his own.

Word received from John Croft states that he will be back from Japan in Victoria, and is taking two weeks holiday, a trip through the States, about April 1. Gary Croft was an Edmonton visitor Saturday.

Delgates to the W.I. convention were Mrs. D. Croft and Mrs. C. Finlay.

Quite a number of Mannvillites attended the Hockey game in Edmonton Saturday. Mrs. Chisholm, (nee Pauline Cain) has been a Mannville visitor at her sister and mother's home for the past seven weeks.

Attending the United Church dedication were noticed a few former residents of Mannville, Dr. Hart, Mrs. Emma Chrysler (nee Sargent) Marion Black, Mr. and Mrs. H. Elliott, Mr. and Mrs. Art Bartlett.

Miss Betty Proudfoot was home over the week end.

Mr. and Mrs. Stan Boe and family paid a recent visit to the home of Jean's parents, Mr. and Mrs. Mitchell at Busby.

Roads here are becoming almost impassable. A school bus was seen getting in at ten past ten on Monday.

Mr. and Mrs. Gust Berg, son Howard and Iver returned last Thursday from a trip to Coeur D'Alene, Idaho, U.S.A. where they had been to celebrate the 50th anniversary of their sister and brother-in-law, Mr. and Mrs. Chris Holms. They made the trip by car.

Mannville news went astray last week, turning up too late for the April 3rd issue of the Standard.

* * *

Beckett Thompson reports having recently visited Alan Cockie who is well known to Mannville, now a patient in the University Hospital and a most cheerful one we hear. He wished to send regards to all friends here and to Challey (this home) who have been asking about his health.

Rev. I. Holter, Mrs. Holter and family were Easter visitors to Edmonton. The Fred Proudfoot family also went to the city to spend the week end with daughter Betty and relatives.

At the Chris Hamilton home were daughters Margaret (Mrs. Morden) and Edith (Mrs. C. Dalmer) and families of Edmonton for the holidays.

Mr. and Mrs. R. Forsyth accompanied by R. Leitch motored to the city Friday of last week to call for Mrs. J. Forsyth who is spending the holidays at Mannville.

Mrs. Arlie Marshall was an Edmonton visitor for a few days recently. Word received re Norma (Prill) Scoggins is that she is responding quite well to treatment, and is in good spirits in the General Hospital.

Claude Ramsey, after undergoing surgery in the Col. Mewburn Hospital, is doing as well as may be expected.

Seen home over the week end were Florence Otto, Carol and Bruce Bennett, Nora and Tom Osborn, Harold Hawley and his wife, Norma and Howard McLuckie, Barbara Bennett, G. Bartlett, "Red" Clark, Leo and Verdi Colborne, Arline and Sandra Leitch, Joan, Joe and Joanne Dowicki, Helen and Marvin Wakeruk.

Sympathy of the town and district is extended to relatives of the late Joe Horbach; we hope to have a complete report in a future issue.

Mrs. D. Mahaffy is spending some time at Cherry Grove.

Mrs. Ross Leitch and daughter Joanne have gone to the west coast holiday bound.

Attention is drawn to Cancer Canvass coming soon — let's all help.

RUMMAGE SALE

BY-LAW No. 963
Municipal District of Vermilion River No. 71

A BY-LAW to regulate the use of all nuisance grounds within the jurisdiction of the Municipal District of Vermilon River No. 71.

WHEREAS under the provisions of Section 286, Sub-section "J" the Municipal District has authority to pass a by-law to regulate nuisance grounds, and

WHEREAS this course is now considered to be advisable as abuses have occurred in the use of nuisance grounds under the jurisdiction of the Municipal District of Vermilion River No. 71 and located within the boundaries of the Municipal District,

THEREFORE the Council of the Municipal District of Vermilion River No. 71 enacts as follows:

No person shall deposit straw, hay or animal manure or any dead animal or any car body or car frame or truck body or truck frame or running gear or box of any wagon or any pieces of formed metal greater in area than four (4) square feet in pits on the property or on any part of the property provided and set aside as a nuisance ground by the Municipal District of Vermilion River No. 71 and within the boundaries of said Municipal District.

Any persons who are found guilty of a breach of this by-law shall be guilty of an offence and liable on summary conviction for a first offence to a penalty of not more than twenty-five dollars ($25.00) and costs, for a second offence to a penalty of not more than fifty dollars ($50.00) and costs and for a third or subsequent offence to a penalty of not more than one hundred dollars ($100.00) and costs.

DONE AND PASSED in Council this 10th day of December, 1957, A.D.

This by-law to become effective immediately upon the passing thereof.

JOHN H. KELLY, Reeve.
A. R. KAY, Secretary-Treasurer.

World Missions Choir To Sing in Vermilion

Colorfully dressed in costumes of other countries, these students are singers in the World Missions Choir from the Canadian Bible College in Regina. They will present a missionary program of choral music on the theme "Global Conquest" at the Alliance Chapel on Thursday, April 17th at 8 o'clock. Three student messages will depict the progress of missions around the world. The speakers are Maxine Craig of Unity, Sask., fifth from right in front row, Jess Jesperson of Spruce Grove, Alta., third from right in second row; Bill McCathy of Dawson Creek, B.C., first on left in third row. This musical group, travelling 3000 miles during April, is under the direction of Mr. David Tarr.

A party for Alex Barr who was 80 years old that day, was held recently in the Brunswick hotel with Andy and John Hlus acting as hosts. Alex has recently left the hospital after a three month stay due to a broken hip.

W. I.'s To Hold Rummage Sale

MANNVILLE — The rest room and library committee will hold their annual rummage sale on Saturday April 19th along with a tea and bake sale in the Orange hall at 2 p.m. This is the only affair sponsored by the Mannville W.I.'s and Library committee to raise funds for the upkeep of the building, light, heat and caretaking. Please keep this date in mind, come out and support this effort and let them know you appreciate the convenience of the rest room and library.

Fire Department To Hold Raffle

The Vermilion Fire Dept. will not hold the usual firemen's ball this year but instead will raffle a miniature fire wagon loaded with groceries. Junior or grandson will just love the fire wagon while the rest of the family can apreciate the groceries. Proceeds of the sale are for fire department funds.

Tickets are now on sale and the draw will be made within a few days. Contact a member of the fire brigade and buy a few tickets. 39c

193 Reg. Horned and Polled Herefords

100 COWS (approx. 60 to 70 Calves by Sale time)
10 Outstanding 2-year-old BULLS
34 2-year-old HEIFERS 23 1-year-old HEIFERS
23 1-year-old BULLS 3 HERD SIRES

43 Grade Herefords

7 outstanding Milk Cows; 10 Hereford Range Cows; 20 one-year-old Steers; 6 pail-fed Calves.

These are exceptionally well bred cattle out of Canada's most outstanding herds. Mr. Bowman first started with Alex Mitchell cows and sires, then to a Warren Smith Calgary Bull Sale sire and a V. C. Hines bull which is being sold at this sale. All females are in good range condition. The two-year-old bulls are rugged, well-fleshed and well grown out. Yearling bulls are exceptionally good with some real herd sire prospects in them. This Royal Domino V.C. 36J sire, bred by V. C. Hines, is an outstanding range bull and his offspring which you will examine at this sale will prove what he could do for your herd. If you are wanting young, well-bred stock you would be well advised not to miss this Sale. Please be on time.

THIS IS AN ACCREDITED HERD.

TERMS — CASH

FRANK BOWMAN, OWNER.

Sale starts at 8:00 a.m. — Lunch available.

"The Low Income Farmer"

500 Farm Forums across Canada met recently to discuss 'The Low Income Farmer'. Of these, 75% felt that there is a special problem of the 'low income' farmer and specific policies should be developed to help him. 61% of the forums thought that these programs should be to help him increase his income from the farm especially if the individual is efficient, prefers farming as a way of life, but lacks the resources to establish an economic unit. He should be helped to become established in some other industry if he is not suited to farming said 21%.

35% of the forums suggested that extension and education courses in farm management and soil conservation would be one way of helping the 'low income' farmer Long term, low interest loans to enable the 'low income' farmer to establish an economic unit would also help said 15% of the forums. 10% thought that the loans should be supervised.

How about your SUB?

OBITUARY

JUNIOR WILLIAMSON

Funeral services for Mr. Junior Williamson who passed away on March 25th, were held at the First United church on Friday March 28th at 1:30 o'clock in the afternoon. Interment was in the Vermilion cemetery. Pall bearers were George Farkash, Wally Marcinew, Frank Marcinew, Allen Olstad, Vern Willes and Lee Kreller. Rev. C. W. MacKay officiated.

Born at Consort, Alta., Junior had lived at Claysmore since 1938. He leaves to mourn his loss his loving wife and one son Dean Lee, his parents Mr and Mrs. Harry Williamson, of Claysmore, one sister Mrs. Harvey Seymour of Vermilion and one brother in Ontario.

Moyers were in charge of the funeral arrangements.

Beautiful floral tributes were received from:

Loving wife Myrna and son Dean Lee. Mother and Dad; Mary, Harvey and family. Lester and John; Joe, Jean, Tommy [illegible] Eva; Uncle Arthur and Aunt Laura Strong, Winnipeg; George, May and family, Vancouver; Helen, Reube; Ken and Evelyn; Stewart and Maxine; Juanita and Sam and boys; Jack and Audrey and family; Mil, Ted and family; Shirley, Jim and family; Glen, of Lawson Sask.; Mary, Charlie and boys; Emily and George Farkash; Mr. and Mrs. R. D. Lynch; Mr. and Mrs. R. A. Hutchinson; John and Mary McKeague; Don and Hilda; Mrs. Rose Gordon. Laverne and Bob; Stanley and Jean Boe; Hazel, Jack, Joan and John Duffy; Mr. and Mrs. Joe Farkash Sr.; Mr and Mrs. Charlie Hollen; Mike, Kate and family; Mr and Mrs. Herb Challman; Mr and Mrs. Bill Woywitka; Joe Good and Allan; Frank Marcinew; Isobel and Freeman French; Mr and Mrs W. D Woywitka; the Webb Families; Sam and Alice Soldan; Dolly, Ray and Marilyn; Charles, Irene, Robert and Beth; Joe and Anne Farkash; Annie and Ted Dchuk; Murray Anderson and family; Les, Sophie and Robert; Mr. and Mrs. Robert McMillan; Mr. and Mrs. Edwin Daley and family.

Flowers for the home: Mr. and Mrs Ronnie Bauer; June and Ted Herbert; Hazel and Al Coulburn; Vic and Marge Tillett and family

Donations to Cancer Society: Mr and Mrs. Fred Watling, Jr.; Mr and Mrs. Joe Bauer; Mr. and Mrs Andy Smith; Mr. and Mrs. George Wealing.

Cemetery Fund: Leona and Billy McLaughlin; Mr. and Mrs. Lawrence Mayhew.

Donations to United Church Organ Fund: Mr. and Mrs. Manson Barr; Mr. and Mrs. G. F. Stephens.

Donations to Crippled Children's Fund: Bev and Anne Baldeck; Mr. and Mrs. J. W. Livingston and Mr and Mrs. E. Livingston; Mr. and Mrs. Nick Woywitka; Mr and Mrs. Leonard Kenzie, Mr and Mrs. Harvey Anderson and family; Mr and Mrs. Jack Marfleet; Mr and Mrs. John Hasmelk and Norman; Treasury Branch Manager and staff

CARD OF THANKS

We wish to extend our sincere thanks to Dr King, Miss McPhee and nursing staff of Vermilion hospital for their kind care of Junior prior to his passing on March 25th, 1958. Also to all friends and neighbors for the many flowers, cards and letters received during our sad bereavement.

Myrna and Dean; the Williamson and Seymour families.

Perhaps the movies would be better if they shot less film and [illegible].

The way to understand is to be understanding.

GREENLAWN GOODWILL CLUB

The Greenlawn Goodwill club met at the home of Ada Lumley's for their March meeting with about twenty ladies present. It was a real March blizzardy day. However the ladies made it through the drifts — but not so the men — they had to be pulled through! Tsk, tsk, but we won't mention names!

This being Red Cross month a donation was sent to the head office by the club, also several individual donations. An invitation is to be sent to Dr. Wiggernick to attend one of our meetings to give us information on the value of free blood transfusions. In July it is hoped to have some films from the Canadian Utilities. Details tabled until the June meeting.

It was decided to make a quilt, each member to make two print blocks, 11 inches square, crazy quilt pattern. Please send them to Mrs. Walter Jones as soon as possible. Quilting to be done at the April meeting at Alma Rainey's.

Vivian Curtis was elected to make an apron for the ladies to sew patches on with a donation inside. Proceeds to go to the Crippled Children's fund. The one who sews on the neatest patch gets the apron.

On April 1st a number of the ladies armed with scrub brushes and elbow grease, gave the hall floor a face lifting. We felt like April 'fools' scraping off all the gum that had been parked on the floor. We can't help dragging in mud, but please do not throw gum on the floor — it takes hours to scrape it off. What a delight it was to have Easter service in a clean hall when the Sunday School class brought us the Easter message in words and songs.

After adjournment a very lovely lunch was served by our hostess and daughters June and Vivian.

See you all at Alma Rainey's with needles and thimbles

WILDWOOD EAST

Mr. and Mrs. E. Edgar visited the Ernest Jack's over the week end.

Mrs. Hilts and Mrs. Stone spent Easter in Saskatoon.

Mrs. Bud Shattuck made a flying trip to the city on Monday.

Misses Ellern and Beverlie Jack are enjoying a week's holiday at their respective homes.

Mr. and Mrs. Stoddart and family came down for the Easter week end.

Miss Marion Campbell has returned to Ontario after a very pleasant holiday here.

Mr. and Mrs. Merinus Hansen enjoyed an evening with Mr. and Mrs. Neil Shook recently.

Mrs. Chas. Drysdale was a visitor in the city at the home of her daughter Alberta.

F.U.A. Local No. 763 held their regular monthly meeting in the Wildwood hall on April 2nd. Following the business meeting Mr. Karl Marklund, sub-district director, introduced Mr. George Findlay of Durness, secretary-treasurer of District No. 7 F.U.A. board, also Mrs. Findlay, vice-president of the F.W.U.A. Mrs. Findlay in turn introduced the candidate for queen of this district, who spoke a few words to the Juniors. Mrs. Findlay then proceeded to outline some very interesting items of her work not generally known.

The local is making plans for the annual Farmers' Day picnic [illegible].

Mr. and Mrs. M. L. Granger spent Easter with Mr. and Mrs G. D. Jack, as did the Payne children of Edmonton.

Multi-Lingual Menu On C.N.R. Trains

Hungry? Well, how about some "Roereieren met 3 stukjes spek, met 2 boterhammen."

You don't fancy that? Well, then, try "Ovos mechidos com 3 fatias de presunto, servidos cum pao com amanteiga, 2 fatias."

That may all sound confusing to you but, to natives of the Netherlands and Portugal, it would simply mean scrambled eggs, bacon and buttered toast.

These items are selections from the multiple-language menu to be found on Canadian National Railways' lunch - counter cars. The menus are printed in nine different languages to tell the patrons what's cooking, no matter what their nationality or tongue.

The CNR is constantly adding to its lunch-counter menus as quickly as new Canadians of different tongues are welcomed to Canada. Greek was the latest to be added. Others are [illegible], German, Scandinavian, Italian, Magyar and English.

To simplify ordering even more, all selections are numbered. The patron only has to point out his choice and the waiter immediately understands.

Mannville Girls At Training Course

MANNVILLE — Attending a United Church Leadership Training course at Edmonton is Miss Lillian Schock from Mannville. The course will last for a week and provides instruction for those interested in the work of the church and community as a whole

Cancer is caused by the unruly growth of body cells. Often this growth can be completely stopped if caught in time

Mannville Lodge Celebrates First Birthday

MANNVILLE. — Ladies of the Order of the Royal Purple held their regular meeting on the anniversary of their first birthday, Monday, March 24th. This was a combined meeting and social to which Brother Elks were invited. Past Exalted Ruler Proudfoot expressed the opinion of those present at the meeting when he complimented the ladies on the progress made in the year. Following the meeting a social time was enjoyed by dancing after which a banquet was partaken of at a late hour. Turkey with all the trimmings was on the menu and fittingly enough a decorated birthday cake kept the occasion in mind. A most enjoyable evening is reported.

Mannville Votes Conservative

MANNVILLE. - With 80 per cent of the people here exercising their franchise and a record set for Mannville of no spoiled or rejected ballots, following are the results of the March 31st election

OUR LETTER FROM EDMONTON

Commission Advocates Railway and Highway Building for Nor. Alberta

by KEN MASON

EDMONTON. -- The Alberta government has been told in several thousand words that it will have to play its full part in the great development which is bound to occur in Northern Canada.

That, in effect, is what was said by the province's Royal Commission on Northern Development in a 115-page report tabled in the Legislature last week by Industries and Labor Minister Ray Reierson.

The commission takes the stand that the major need in northern Alberta and all northern Canada is improved transportation, and accordingly it urges an immediate start on a railway from McMurray north to Pine Point, N.W.T., on Great Slave Lake.

It also urges the province to make an early start on a major improvement program in the north, and calls for the building of an east-west highway through the top half of Alberta, linking the proposed new railway on the east with the Mackenzie Highway to the west.

The [illegible] sive report, the result of nearly a year of public hearings and intensive studies, covers every aspect of potential development in Alberta's sparsely-settled northland.

Depending upon what the government does with it, it could be the biggest break ever for the north. Mr. Reierson told the press nothing will be done during the current session to implement any of the recommendations. He said the report will be studied during the coming year.

The commission says Alberta should be willing to subsidize the 400-mile $60,000,000 northern railway to the extent of granting free right of way and paying part of the $7,000,000 cost of combined highway-railway bridges over the Peace and Athabaska Rivers.

Such a railway, the commission says, is essential to Canada from a defence standpoint, and vital to Alberta from an economic sta[illegible]

The rail line would provide access to rich deposits of lead, zinc, copper and nickel along the south shore of Great Slave Lake. It can't be mined now because there is no means of transporting it to market.

The commission seems to take it for granted that the railway will be built, although the final decision is with the federal government, the C.N.R. and the C. P. R.

Also the commission seems to take it for granted that the line will be built from McMurray instead of Grimshaw.

It says the volume of freight to be expected from the growing uranium mining area in northwestern Saskatchewan will tip the economic scales in favor of the eastern route.

It may be just that the commission obtained a fairly good indication from federal authorities that the easter route will be favored. Commission chairman James G. MacGregor went to eastern Canada to confer with railway and federal government officials in the early stages of the [illegible]

If the eastern route is finally built, it will be a disappointment to residents of north-western Alberta. However, the commission makes up for it by recommending rebuilding of the Mackenzie Highway to modern standards and hard surfacing from Manning to Grimshaw.

The proposed east-west road would run from the Mackenzie Highway east to join up with a road being built in Wood Buffalo National Park. Eventually, the report says, this road could be extended to Uranium City.

Thus, the report says, no point in northern Alberta would be more than 100 miles from a railway or a highway.

A railway to the Northwest Territories has long been the dream of northern residents. The voluminous report says: 'Transportation is the key that will unlock the resources of northern Alberta.'

Among other major projects suggested is a highway from Lac La Biche to McMurary.

The commission's report covers the area north of the 55th parallel, about 100 miles north of Edmonton. The area is about 350 miles wide and runs 350 miles to the N.W.T. boundary — in all, about 120,000 square miles.

The area's resources include about 14,300,000 acres of good undeveloped farmland; 27 billion cubic feet of sawlog timber and 333 million feet of pulpwood; 'tremendous possibilities' for base and precious metals; 300 billion barrels of oil in the Athabaska oil sands; nine trillion cubic feet of natural gas, and 2,715,000 horsepower of undeveloped hydro power.

Among other recommendations, the commission urges establishment of a permanent advisory board to carry on a continuous study of northern requirements, and a northwestern research institute to co-ordinate northern studies.

The commission was headed by James G. MacGregor, chairman of the Alberta Power Commission and author of several historical books on western Canada.

The Legislature gave up all hope of being able to prorogue last week, as study of bills slowed to a snail's pace.

The guessing is now that the session will end sometime this week, although at the time of writing there was still a heavy volume of work to be finished.

Members packed up Thursday afternoon to go home for the Easter weekend, and were back on the job Wednesday afternoon.

However, 28 members of the private bills committee were back at work Tuesday to continue study of a bill which would permit dental technicians, or 'denturists,' to fit patients with dentures. The Alberta Dental Association is violently opposed.

LIQUOR LAWS

The House continued to plod through the liquor laws last week but made only slight progress.

Brief discussion developed over an Opposition member's suggestion that the province permit liquor advertising. The argument was that plenty of advertising comes in now through national publications.

Opposition Leader J.H. Prowse said 'let's grow up' and let honest advertising replace such hidden advertising as breweries promoting ginger ale.

The government wasn't prepared to relax the advertising restrictions, but it was announced that studies will be held in the coming year regarding the hidden advertising.

Members forgot their political differences last Tuesday and gave desk-thumping congratulations to the Progressive-Conservative Party on its overwhelming election victory. Premier Manning, who saw the Social Credit party obliterated in the March 31 vote, said it was not a day for post-mortems but for congratulations.

Health Unit Notes

WATER SUPPLIES

The greatest single factor in the prosperity of home life is health, and health in a home is only possible when there is a safe and sufficient supply of water to meet the daily needs of the household.

QUANTITY REQUIRED DAILY

With the [illegible] of the [illegible] the, [illegible] more necessary to sustain human life than any other thing. If it is so important to our well being then surely the supply which you and your children drink should be of the best obtainable.

We must have sufficient water to meet body demands to assist the organs to function properly and to flush the wastes from the system. The quantity of water required for this purpose is about five pints, some of which is contained in the food we eat.

There must be a sufficient quantity of water for cooking, personal washing, washing of clothes and watering of stock. Additional water will be required where plumbing is installed.

The average quantity of water used by each person daily varies greatly with the circumstances and environment of the individual. For ordinary domestic purposes on the farm approximately fifteen gallons per day are used per person. Should there be five persons in the home the total amount for drinking and washing and ordinary purposes will b about 75 gallons. To this we must add the quantity required for watering animals, say four cows, two horses and one or two pigs, an additional 100 gallons per day would have to be added.

WHY THE SUPPLY MUST BE SAFE

Impure water may affect the health of the consumer in several different ways. If there is an [illegible] water, disorders due to gastric or intestinal irritation such as dyspepsia and diarrhoea may be caused.

Impurities in the water may also, through continued entrance into the human system bring about a condition in the consumer which makes him susceptible to a communicable disease.

The most serious consequence of drinking impure water, however, is the probability of direct infection by disease germs contained in the water.

Communicable diseases are carried and spread by minute forms of vegetable life called bacteria or germs. The bacteria are so small that they can only be seen with the aid of a microscope. The germs of such diseases as Typhoid Fever and Dysentry are discharged from the human system through the intestinal tract and are found in human wastes. If human wastes can directly or indirectly gain access to a river, lake or well, that source is dangerous and may be infected with the germs of these diseases. Although it is desirable that a water supply be clear and sparkling, such a water is not always safe. Diseased organisms may be present in the clearest supply.

There are a great many considerations which must be carefully weighed before a supply can be pronounced safe.

Solve a Crime
BY
A.C. GORDON

YOU ARE THE DETECTIVE

The well-known portrait photographer, Michael M. Morehead, lies dead on the floor at the foot of a high stepladder in his studio, which is on the top floor of this downtown building. As you walk across the asphalt-tiled floor to examine the body more closely, your eye is caught by the ugly-looking, black and blue welt over his left temple.

Mary Lou Baker, beautiful and glamorous photographer's model, and her fiance, Brian Kennedy, are standing togther in one corner of the room. Kennedy is trying to soothe Mary Lou, who is sobbing convulsively into a [illegible]

"It all happened so suddenly . . . so, so horribly," wails Mary Lou. "We were completely stunned. One minute he was with us . . . so charming and alive . . . and the next minute [illegible]"

Brian Kennedy chimes in. "I'd just dropped in here at the studio to watch Morehead and Mary Lou at work. Morehead — always great for those extra-special effects — was attempting to shoot an overhead view of Mary Lou from the top of that ladder. I was just complimenting him on his idea, when all of a sudden while he was manipulating his focussing device, he lost his balance on the ladder and fell heavily to the floor. There was a sickening thud as his head struck the floor. He must [illegible] died almost instantly, because he didn't move a muscle after he hit . . . just lay there as you see him now."

You walk over to the nearby table and pick up Morehead's camera. You examine the lens and some of the adjustment controls, then you turn to Mary Lou and ask, "Had he taken any pictures previous to this last one he was working on?"

"Oh yes," she replies as she dabs at her eyes with her handkerchief. "We had been working [illegible]"

"Which one of you phoned in this news to headquarters?"

"I did," speaks up Kennedy. "Mary Lou was much too wrought up about this, and I must confess it took me about five minutes or so to recover enough to think of calling you."

"Has either of you touched or moved anything at all since this happened?" you ask.

"Not a thing other than the phone when I called you," states Kennedy. "We know better than to meddle with anything involving police work."

You shook your head slowly. "And you should have known better than to attempt to hoodwink us. I'll have to take you both in for further questioning!"

What has made you suspicious of Mary Lou Baker and Brian Kennedy?

[illegible]

According to Brian Kennedy's story, Michael Morehead had been focussing his camera from the top of the ladder when he was supposed to have fallen. Yet you found his camera on the table — despite the fact that Kennedy further claimed that neither he nor Mary Lou had touched or moved anything after the 'accident'. All of which leads you to believe that maybe [illegible] was struck a fatal blow.

PARADISE VALLEY NEWS

The [illegible] of the 4-H Calf club was opened by repeating the 4-H Pledge. The roll call was answered by repeating our calves' heart girth. We discussed our uniforms and they will be purchased at H. B. Hall store in Lloydminster. Mr. Stepanoff is attending to this. Discussion ensued on feed boxes, signs and pails. Ruth and Mildred are to draw two Hereford calves four feet high for club signs. Jack is to cut them out and the Sunderland boys will paint them. Mr. Douglas gave a [illegible] on some films and dramatic display. Mr Stepanoff gave a talk on the sale in Lloydminster. Lunch was then served.

Mrs. Steps of Vancouver who has been visiting her brother Mr H J Enns for the past month, returned home on Thursday.

Miss L. Krawchuk spent the holiday at her home in Dewberry, Mr Enns with friends in Saskatchewan. Both are members of the P V school staff.

Mr and Mrs George Venner and Miss Lynn Venner spent the week end in Edmonton visiting with Mr and Mrs Frank Venner and grandchild. 'Grandma' was quite excited over seeing the new grandchild for the first time.

Mr and Mrs. Roy Block of Hinton were down visiting with the Block family in Paradise Valley over the holiday.

Fog and rain is the order of the day. As a result the streets are not drying up so we have mud to spare. Anyone wanting any of this substance apply to D. B Baxter as he has plenty to give away on his street.

A meeting was held on Tuesday in the Legion hall to hear a report on the possibility of installing water works in Paradise Valley. More information was asked for as to cost, regulations, etc.

Patients in Lloydminster hospital include George Dodd, M Hoskins, Mrs. Frank Flint, Mrs. Fred Towndrow and Mrs. C. Elliott.

The bridge crew that has been working on the Edgerton bridge has now completed the job and it is now up to the M.D. to finish the approach to the bridge before it can be used.

A repair crew has been in town giving the A.P elevators a going over in order to give better service.

Mr Fred Foxwell who spent the winter at Fort Nelson has returned home to the farm all ready for spring work.

Messrs. John Rayson, Tucker Rayson and Frank Woods left by car to visit at several points in the U.S.A. All will be visiting relatives in the south.

Miss Helen Krewchuk who is in training at the [illegible] Alex in Edmonton, spent Easter here with Mr and Mrs. Swedak.

Mr and Mrs. Stan Wesley of Edmonton were holiday visitors with Mrs. [illegible]'s parents, Mr. and Mrs. Lloyd Knutson.

[illegible] Rayson [illegible] his call to report as he has joined the Canadian Navy. He will begin his training at Cornwallis, Nova Scotia.

Visitors at the Gunn home during the past week were Mr. and Mrs. Reg Dobson of Lloydminster, Mr and Mrs. Art Nicholson and family of Rivercourse, Mr. and Mrs. Hugh Leighton of Vermilion and Mr and Mrs. P. Dobson and family. Reg brought out his [illegible] of slides of which he has a wonderful number. He is quite an artist with the camera and has some grand pictures, especially of flowers and of a hunting trip last fall. We hope to see more of his collection at some future date.

The Paradise Valley U[illegible] Church W.A. met for their regular monthly meeting in the Sunday school hall on April 1st at 2 o'clock with 12 members and one visitor present. Mrs. [illegible] Kragness and Mrs. K Brassington were hostesses. The president opened the meeting in the regular manner with Mrs. Ball taking the scripture. A motion was [illegible] that the W.A. meet on the [illegible] Tuesday of the month in the evening at 8 for the next six months. Also that there be two hostesses as usual, but that we serve one beverage and one [illegible], either sandwiches, cookies or cake. An old people's home for the Vermilion area was discussed and favorably looked upon by the members. Mrs P Wolfe is the new member on the cupboard committee and will assist Mrs. Thibodeau who will [illegible] like all towels or any other articles that are outstanding to be turned in as soon as posible so she can make a check before leaving. It was decided to purchase a large electric tea kettle. Mrs. Knutson, S.S superintendent for the Junior room, asked for volunteers to help paint the inside walls of the Sunday school hall. The work to be done during Easter week and financed by the Sunday school. A new member Mrs. H. Deauville was welcomed. Next meeting will be held at the home of Mrs. Gunn on Tuesday, May 5th at 8 p.m. with Mrs. Nickle as co-hostess.

Mr. and Mrs. William Stoddart and family of Red Deer spent the long week end in town. They report all well in that city.

Mr and Mrs. Hugh McAmmond and family of Barrhead are visiting with relatives in town and country. They report a good winter but with the ban on the roads Hugh is out of a job with his trucks for the time being.

One in a Million!

MANNVILLE. -- This could happen only once in a lifetime. You have heard of chances "one in a million" they say, well that's what happened here this week when C.N.R. agent Slim Hammond went to seal a number on a freight car -- and the number? 999,999. That's it folks . . . one in a million!

HOW CAN I?

By ANNE ASHLEY

Q.: How can I blanche almonds?

A.: By placing in boiling water for a few minutes. Remove the skins, dry and brown in heated butter on top of stove, stirring constantly. Remove from fire when they are very light brown, then drain on brown paper and sprinkle with salt.

Q. How can I get more cream out of milk?

A. Heat the milk until lukewarm, then chill it, and it will bring more cream to the surface.

Q.: How can I renew dull patent leather?

A. By [illegible] the article with a little milk thoroughly and then polishing with a dry cloth.

Q. How can I keep [illegible] crisp and fresh for several [illegible]

A.: It will stay crisp if washed thoroughly, the leaves separated, then put into a tin receptacle with an air-tight cover.

Q. How can I remedy cream that seems too [illegible] to whip properly?

A.: Place the dish of cream in another dish containing cold water. When it is [illegible] place it in a dish of hot [illegible] for a few minutes. It will then whip very readily.

Q.: How can I easily clean sponges?

A. Soak them in milk for 3 or 4 hours, wring them until perfectly dry, then rinse thoroughly in hot water.

Q.: How can I remove fat from soup?

A.: All fat should be removed from the top of soup, as it is indigestible. Wet a cloth with cold water, wipe over top of the soup and the hot fat will adhere to the cloth.

Q.: How can I make the taste of olive oil more palatable?

A.: By adding a small pinch of salt to the olive oil.

TULLIBY LAKE

At time of writing we are [illegible] in the middle of the spring breakup, with the accompanying problem of numerous washouts on our district roads. It seems like a few more culverts in the right places would do a world of good.

The enthusiastic lumberjacks have been lately making us all sit up and pay attention to [illegible] activities. Roy Wagner and [illegible]don Coleman found working in their partnership quite strenuous. When they called in Everett Morton with his chain saw, things went a lot easier for them. Raymond and Demase Nolin have been doing their [illegible] with just the [illegible] 'ole axe. A chain saw may come your way yet boys. No matter which way you do it the final results will be the same — lots of logs to be sawed into shiny new lumber.

Mrs. M. Trimble has again found it necessary to seek medical attention in Elk Point.

Leslie Ferris has been giving a helping hand at the Cecil Trimble establishment for the past while.

Some people feel poverty stricken if they can't have every thing they want.

WE GOT A REAL TRUCK!

W. R. DWYER
Manager
Canadian Water Corporation

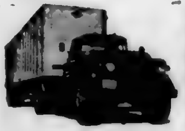
"Wouldn't use any other make!"

"The first truck we bought when we went into business 10 years ago was a GMC one ton panel job. Of the 25 trucks purchased since then, 23 have been from General Motors. We need reliability—our trucks have to stay on the road, seven hours a day, six days a week. GMC trucks give us that reliability. When things do go wrong, we need fast service, and we get it from our GMC dealer. Wouldn't use any other make!"

"GMC provides the greatest selection of all!"

"These new 9000 Series stake body models are already giving good service—on every kind of road—with all manner of loads. About GMC in general, we know that for G.V.W.'s, models, engines, axles and transmissions—every possible specification—GMC provides the greatest selection of all!"

S. V. MARTIN
President
Transport Ltd.



W. H. MALE
Vice President and General Manager
Transport

"Our drivers really like GMC's!"

W. H. Male

"We have relied on the efficient performance of GMC trucks for many years and have always found them completely satisfactory. Maintenance costs have been low and our drivers really like GMC's! Now, with our new '58 models, we are anticipating even greater success and satisfaction for the future."

Farm School Winners

Impressive graduation exercises were held at the Vermilion School of Agriculture and Home Economics on Wednesday last, and scholarships and special prizes were awarded. Pictured are four scholarship winners — left to right, Walter Huber, of Bulford; Arnold Malone, of Rosalind; Orest Steinack, of Andrew, and Jack Burlet, of Barrhead. Burlet also is the president of the students' council.

Gov. Art Balfour Guest Speaker At Rotary Third Anniversary

The program on the occasion of the third anniversary of the Vermilion Rotary Club held on Wednesday evening was highlighted by the exceedingly humorous address of the guest speaker, Arthur Balfour of Grande Prairie, Governor of Rotary District No. 536. Governor Art, noting the gay mood of the occasion changed his subject from one of more serious vein to a humorous one entitled "The Suppression and Elimination of After - Dinner Speakers." This proved to be a happy thought and many were comments on the very witty address which held the intense interest of his audience of just over one hundred throughout. Every line brought forth a witticism, a pun or a comical situation.

As noted the event was the third annual charter night of the Vermilion Rotary Club which was instituted on April 23, 1955. In his opening remarks, the chairman for the occasion Ashley Cooper, stated that we Rotarians feel, and we have reason to believe the whole community feels likewise, that the institution of Rotary into our community is well worthy of an annual celebration.

Guests from visiting Rotary clubs came from Edmonton, Vegreville and Lloydminster, further enhancing the memorable event.

Outstanding entertainment was provided by the Northern Aires Barber shop quartet from Camrose. These four men, Rudi Magnusson, Arnie Dahl, Ross Gould and Gordon Ness, lived up fully to their advance fame, the gathering would have kept them singing all evening.

In addition to the singing of the Barber Shop quartet the banquet program included a toast to the ladies proposed by Gordon Park with reply by Rotaryanne Kathleen Stewart. Gerald Stephens toasted the visitors and was answered by brief replies from Buster Shaw of Vegreville, Ernie Lewis of Edmonton and Marsh Tindall of Lloydminster, all presidents of their respective clubs.

Jim Smith was called upon to introduce the guest speaker, Governor Art Balfour of Grande Prairie. Following the very entertaining address Art was very fittingly thanked by Carl Heckbert.

During the course of the evening the chairman complimented [illegible] ful job of decorating the hall; had words of praise for Ross Boake who was responsible for bringing the Camrose Quartet to the Charter night with their outstanding renditions. He had warm words of praise for the ladies of the Royal Purple for the delicious banquet and deft service. The Northern Aires came in for [illegible] from everyone.

Two new members of the Vermilion Rotary Club and their Rotaryannes, Mac and Gertie Simonsen and Curtis and Jessie Alfke were officially welcomed.

Early in the evening a telegram was received from immediate past president Tom McPherson and Mona McPherson now at Red Deer wishing the club a happy charter night and stating that their thoughts were very much in Vermilion that evening.

Rotarians take pride in regular attendance at their own meetings and by making up the odd meeting missed by attending Rotary gatherings at neighboring clubs. A list compiled by acting secretary Reg Mitchell revealed that the following thirteen members had perfect attendance at the 31 meetings held from April 1, 1957 to March 31, 1958: Ross Boake, [illegible] Ashley Cooper, Ken Greenwood, Carl Heckbert, Israel Miller, Reg Mitchell, Tom McPherson, Alex Palin, Gordon Park, Gil Rampling, [illegible]

The Vermilion Rotary Club was chartered three years ago and six members have kept their attendance records intact. The charmed circle includes Ross Boake, Ernie Buckingham, Israel Miller, Reg Mitchell, Tom McPherson and Bill Sutherland.

Following the completion of the banquet program a short dance was held with Ben King acting as emcee with a peppy program of mixer and short dances. Music was by Swan Swanson and his orchestra from Wainwright.

The evening was a memorable one, well in keeping with the active and prominent place Rotary now fills in the town and district of Vermilion.

Four Youths Pay A Total Of $340.00 For Damage to Park

Four very repentant youths paid a total of $340 in fines and restitution in police court on Monday when they appeared before Magistrate Basler. This is the sequel to a wild spree of vandalism embarked upon in the Vermilion provincial park on the night of Sunday, Aug. 25th, 1957.

It will be recalled that no trace was found at the time of those responsible for the damage to picnic tables, benches, band shell, floating piers, outhouses while two lifebuoys were gone, only one of which was found later, badly damaged. A tent and camping equipment of a family of tourists staying in the park, was torn up and damaged. The reward of $50 for information was apparently too small and consequently brought no results.

Only recently Constable Kelly of the local R.C.M.P detachment uncovered a clue which led to the apprehension of the four boys.

It was the intention to lay a charge of mischievous damage against them but such a charge must be laid within six months of the crime, so a charge of theft was laid as two lifebuoys were taken and one has never been [illegible]

Appearing before Magistrate Basler on Monday the four pleaded guilty. They listened with downcast mien while K G Urquhart, secretary of the park committee related to the court [illegible] age that been done. It had cost $40 in labor to repair the destruction. Cost price of two buoys, smaller but still adequate for use in the park would be $24.50 each. He assessed the minimum damage at $100.

Mr Urquhart further stated that since being apprehended for the vandalism, each of the boys had come to him and paid his share of the damage $25 each. They had further expressed regret and repentance for their actions of that night.

Magistrate Basler questioned the boys attempting to find the motivating reason for embarking upon such a destructive venture. The boys just didn't know why they had done such a thing, all appearing to be older and perhaps more sensible now.

Magistrate Basler stated that he had no intention of being lenient which would only encourage others to carry on such depredations.

As the boys had no previous convictions and in view of their youth they were fined $60 each or given the option of 60 days in jail. The fines were all paid.

Annual Meeting of Athletic Association Friday, April 18th

The annual meeting of the Vermilion [illegible] Athletic Association is to be held on Friday, April 18 in George's Lower Deck. Anyone who is interested in promoting or in any way assisting in arranging for amateur sports, particularly for boys and girls is invited and urged to attend this meeting.

The Amateur Athletic Association has been functioning in recent years largely as promoters, by arranging and assisting in the organization of junior hockey for all ages, and for the promotion of the Little League and Pony League baseball. The executive [illegible] this opportunity to publicly express their thanks to all those who contributed in any way to the success of the hockey season just finished, and to urge the same sort be put forth into the [illegible]

It is hoped that organizations can again be found to sponsor teams in the the boys baseball leagues for the coming season, and this will be one of the chief topics of discussion at the annual meeting, as well as the election of the officers for the coming year.

It must be remembered that any undertaking such as boys sport can only be as successful as the promotion that's behind it. It requires the assistance of every citizen of the town to make a real success of any such undertaking, and you are therefore urged to come to this meeting and to assist in any way you can.

Five-Day Work Week Discussed by Town Business Men

The five-day work week which is becoming increasingly popular throughout the West, was the subject of discussion at a recent meeting of Vermilion business men.

Some civil servants and rail employees are already on a five-day week system.

As the outcome of the discussion it was decided to circulate a printed ballot to all business men in town, asking several questions including if the manager or owner was in favor of a five-day week: if so, which day he favored closing, Monday or Wednesday.

The result of this ballot was announced by G. F. Stephens, chairman of the Retail committee, at the Board of Trade meeting on Wednesday, and revealed that the five-day week was generally favored: 44 for closing on Monday; six for closing Wednesday; two for Saturday, ten opposed to the five-day week with ten ballots not returned.

Nine surrounding towns and villages have been contacted and informed of the movement for a five-day week here in an attempt to have the plan a general one throughout the entire area.

W. L. Robinson Wins at Saskatoon

W. L. Robinson entered a bull "Glenrobin Lucky" at the Saskatoon show and sale held this week. This bull took first in his class, was Senior champion and Reserve grand champion of the show. The sale takes place today (Thursday).

E. A. H. L. Re-elect Locke and Carroll

The annual meeting of the Eastern Alberta Hockey league was held in Vermilion on Sunday and re-elected E. A. Locke of Vermilion as president, L. H Drouin of St. Paul as vice-president and R. E. Carroll of Vermilion, secretary-treasurer. As all officials were thus re-elected, everyone was apparently well satisfied with the manner in which the league was administered.

The executive will also include two members from each club to be appointed by the club itself.

All towns which operated in the league at the end of last season had representatives with the exception of Vermilion. All seven teams now have permanent franchises meaning that the E.A.H.L. is comprised of seven members: Neilburg, Maidstone, Lashburn and Lloydminster, Vermilion, St Paul and Bonnyville.

Referees Stan Manyluk and Howard McConnell were present at the meeting and discussed the refereeing problems. A vote of thanks was passed by the club members present to the referees for a job well done. General satisfaction was also expressed on the operation and administration of the league. The past season was looked upon as a very successful one.

A meeting will be held next November to draw up a schedule for the 1958-59 season.

Wins $150.00 in Foresters' Draw

Mr Arthur Hughes, a young farmer just north of Vermilion, was enriched by $150 Saturday night by being drawn in the C.O.F. raffle.

The draw was made on the stage of the Columbia theatre by the kind permission of Mgr [illegible]

Gratifying results were obtained for the Pony League fund of the Canadian Order of Foresters and some 12 to 14 boys will benefit shortly as uniforms and equipment are being ordered immediately.

Sincere appreciation is expressed to all who purchased tickets and you are all invited to see the results of your donations [illegible] ball season gets underway.

Farmer Finds Park Muskrats Expensive

A farmer of the Vermilion district west of town appeared before Police Magistrate Basler in court on Monday morning and pleaded guilty to shooting muskrats in the Vermilion Park. He had been caught right in the law breaking act by Game Officer George Semi[illegible]

The offender could have been charged for three violations: shooting muskrats without a license, carrying firearms in a provincial park, and for hunting in a prohibited area. However only the one charge was laid. The sentence was $60 and costs or 60 days in the provincial gaol at Fort Saskatchewan. His rifle, shells and three muskrat skins were confiscated. The offender elected to pay the fine.

Scout and Cub News

The Scouts went on an overnight hike the latter part of March, and even though it was rather wet underfoot the boys reported a grand time.

The 2nd Vermilion Pack of Cubs entertained their mothers on April 2nd. "Up the Ladder" was the theme in which each boy participated. Lunch was then served. The mothers greatly enjoyed and appreciated the boys' performance.

AWARDS WON

First Star: David MacKay, Doug Keen, Ronnie Herbert, Mason Stone, Billy Callas, Paul Wilson. James McPherson will receive his by mail.

Collector's Badge: Doug Keen, Ronnie Herbert, Mason Stone.

One of the lawn chairs that the boys made and are going to raffle off was on display.

SCOUT DISTRICT COUNCIL PLANNED FOR THIS LINE

Members of the executive of the Scout Parents Association along with leaders of the groups attended a District Council meeting at Wainwright recently.

It is proposed to form a District Council on the line east and west of here [illegible]

Tiger Hockey Club Makes Wondrous Showing in Field of Finance

The Vermilion Tigers hockey club didn't win many games during the past season but when it came to financing they were wizards. Not only did they operate the club with a fine surplus from hockey games played but they held a turkey bingo, a ham bingo, a one-day rural hockey tournament (which was very popular), and the Sportsmen's dinner, with excellent financial results. In fact, so successful were these projects that the Tigers were able to pay off nearly $700 worth of old debts taken over from the 1955-56 season, the last previous year the club operated.

These remarkable achievements were outlined by Tiger President Jack Brown at a party held Saturday evening at the Brunswick hotel, a gathering which officially closed the hockey season for 1957-58. In attendance were the members of the Tigers executive, the players, representatives of the Foresters who helped to run the bingos, Ashley Cooper of the Standard and Don Ewart and Howard Simmons of CKSA.

Furthermore the wives and girl friends of the players had operated the concession booth to good purpose at all games with a net profit of $226. This is being used to purchase jackets for each member of the team.

President Brown had words of praise for the publicity carried by the Standard attributing the steady attendance to the continuous coverage of games and sidelights in the newspaper and for Don Ewart and Howard Simmons of CKSA for the innovation into this part of the province of local hockey broadcasts.

Other speakers during the evening were Mr Cooper, Mr Ewart and Mr. Simmons.

The executive of the Tigers hockey club for the past year has been President Jack Brown, Vice president Reg [illegible], Sec-Treas Murray Miller and executive members Russell Carroll, Irvin Gordon and Joe Brower.

Local Civil Defence Exercise May 3, 4

The Vermilion River Civil Defence unit have received notice that their headquarters will be activated for 24 hours on May 3 and 4. The object of this exercise is to test out the preparedness of the different zones within the province and the municipalities within the zone.

Personnel to operate the local headquarters will be drawn from Marwayne, Dewberry, Vermilion, Kitscoty and districts. Included also will be personnel from the M.D. of Wainwright No. 61 and the County of Beaver No. 9.

The exercise will be carried out under the direction of unit director George Martin along with the directors of the M.D. of Wainwright and the County of [illegible].

Death of Mrs. David E. Brown

Just as the Standard goes to press, word is received of the death of Susie May Brown, aged 50 years, beloved wife of David F. Brown. The death took place Thursday, April 17 at the University hospital following a lengthy illness.

A shallow talker seldom makes a deep impression.

MISS EMILY MENDIUK

Pictured above is Emily Mendiuk of Andrew, a clever student at the Vermilion School of Agriculture and Home Economics who was awarded a number of prizes for her work at the graduation last Wednesday. [illegible] the prizes won were General Proficiency, Home Management and Associated Subjects: Nutrition and Cooking; Best apartment work; Best kept room.

Noted Speaker To Address Agricultural Society Meeting

Following their usual practice in the spring of the year the Vermilion Agricultural Society is holding the annual at the St Saviour's Anglican hall on the evening of Thursday, May 15th. The special guest speaker will be Dr. Kenneth E. Prior, a former student at the Vermilion School of Agriculture and for the past 30 years an agricultural missionary in Africa.

Dr. Prior is well known as an outstanding speaker and has a most interesting story to tell which he does in an appealing manner and with plenty of humor.

Unfortunately it is necessary to limit the number to be accommodated and as it will be a case of first come first served, it is necessary that those desiring to attend make their wishes known without delay by contacting the office of the Secretary-Manager of the Agricultural Society, S. C. Heckbert. Requests for tickets should not be made later than Saturday, May 10th.

The Society will take advantage of the opportunity to pay tribute to district residents who have brought further publicity to our district by their remarkable achievements in exhibiting livestock at the major spring shows, having particularly in mind at this time Keith Barr, son of Mr and Mrs. Manson Barr, winner of the Grand Championship at the Edmonton Spring show and winner of the Showmanship class and Miss Betty Robinson daughter of Mr. and Mrs W. L. Robinson, who was awarded the Reserve Grand Championship at the same show.

A short musical program will round out the evening and those interested are reminded that the attendance must necessarily be limited. Tickets will be $1.50 [illegible]

Fourteen Vimy Veterans Feted At Canadian Legion Banquet

130 members of Vermilion branch Canadian Legion and guests attended a Vimy night banquet held in the Legion hall. Fourteen veterans of the Battle of Vimy Ridge were special guests. Their names are Geo Scarborn, Curtis Martin, A Tuey, Jas Duncan, Cliff Isley, Geo. Chick, Thos Wilson, Albert Beck, Wm Simmonds, Harry Scott, Rudy Fielding, Ab Frizzell, John [illegible] and Vaughan Smith.

The veterans were piped into the hall by piper Neil McLean. The gathering stood in reverence until the veterans had [illegible] seats.

Brigadier W. G. Roaf, regional administrator of the Department of Veterans Affairs, Vancouver and Elmer Scott, District administrator of the D.V.A. Edmonton were guest speakers for the occasion.

Deputy Mayor Sutherland extended greetings and best wishes from the town council and the town of Vermilion.

F. H. Buckingham proposed the toast to the men of Vimy which was replied to by Vimy veteran Harry Scott. The toast to the ladies was proposed by Vic Tillett and replied to by Mrs. Ivy Pare president of the ladies auxiliary.

Lester Metcalf toasted the legion and Zone Commander R.G. Ruud of Mannville replied.

An interesting part of the program was the presentation by Mr J.W.G. Morrison, Q.C. of a framed picture of Rt. Hon. Sir Winston Churchill, K.G. to Vermilion [illegible].

The gathering [illegible] by several musicians and vocalists. Miss Margaret Goodwin sang two songs accompanied by Mrs. Kells Minchin. Little Mavis McCauley played two selections of her own composition on the piano.

President Geo Richardson of Vermilion branch was chairman. He thanked Mr Morrison for his gift and thanked the artists for their fine music.

Cardinals Organize For Fastball Season

The Vermilion Ladies' Fastball team welcomed the forthcoming ball season by holding their first meeting this week. Coach elected for the season is Murray Millar with John Gordey and Herman Rowher Sr. assistants. Officers elected were:

President — Elma Martin
Sec-Treasurer — Doreen McDougall

The opening practice will be held on Sunday, April 20th at 2:30 p.m. at the Athletic park. Any ladies interested in playing ball will be welcome.

This scene was taken at the recent ceremony which dedicated the new McQueen Memorial United church at Mannville. The builder of the truly beautiful edifice, Raoul Bodard, is in the centre of the picture and is seen presenting the keys of the church to Ralph Ewing, chairman of the building committee. From left to right are: Rev. Ian C. Holter, minister of the church; Rev C. McPherson, rector of Christ church (Anglican), Mannville, Rev. W. F. Mullen of St. Pauls United church, Edmonton; Mr Bodard, contractor, of Mannville; Rev. Harvey Inglis, chairman of [illegible] St. Paul United Presbytery; Rev. C. W. MacKay, minister of the First United church, Vermilion.

—TIME TO FIGHT CANCER

This is Cancer Crusade Month the annual occasion for the Canadian Cancer Society's Cancer Crusade. That great public service organization is the only national voluntary health agency fighting cancer on three fronts—through research designed to find new methods of cure for this disease and eventually conquer it professional and public education, and service to cancer patients.

Momentous strides are being made in the attack on man's cruelest enemy. In the last twenty years more progress has been made in understanding cancer than in all the previous history of mankind. This is largely due to the fine assistance volunteers in the April Crusade both men and women, have given to the Canadian Cancer Society. There are nearly a million Can[illegible] Crusaders, over five thou[illegible] of [illegible] in Alberta.

More people die of cancer each year, but more are being saved from it. Until the spring of 1956, statisticians estimated that one in four men, women and children on the North American continent who had cancer was being cured. At the Third National Cancer Conference in Detroit in June 1956, it was disclosed that one in three was being saved. From one-in-four to one-in-three means over 40,000 lives in Canada and the United States of America are being saved annually which would have been lost to cancer a decade ago. In all, about 13,000 are saved in this country each year. That is heartening, but physicians agree that one in two half of those who develop cancer or about 40,000 could be saved today by earlier diagnosis and prompt treatment.

The Society has led the way in the greatest research attack ever launched against single disease and has devoted nearly $5,000,000 to research since World War 2.

The Canadian Cancer Society is not a permanent organization. It is working hard to put itself out of business. It will last only until cancer is conquered. Public contributions to enable the Society to carry on its attack have mounted from less than ten thousand dollars in 1944 to more then $2,000,000 in 1957. To continue this accelerating attack, the Society relies on its independent fund-raising and educational Crusade. The 1958 goal is $2,164,000.

Certainly the Canadian Cancer Society in seeking that goal deserves all possible support from the public.

W.A. Bids Farewell To Mrs. McPherson

MANNVILLE Hostess at the regular meeting of the Happy Hour W.A. on Thursday April 10 was Mrs. Harry Allen. Sixteen members were present to bid farewell to Mrs. McPherson who, with her husband, Rev. C. C. McPherson, is leaving this parish. Upon presenting Mrs. remembrance president Kay Sutton commented upon the valuable work done by Mrs. McPherson, having presided over two girls clubs, G.A. and J.A. and organizing Sunday Schools in the country. Plans were made by the group to cater to a future banquet, and sponsor a card party. Lunch concluded the meeting. McPherson with a small token of

The season for fortune hunting is always open, but few of the hunters hit the bull's eye.

Sixteen Years Ago

April 16, 1942

W.L. Robinson's year old Short horn bull, Glenrobin Belmuchy 4th stood 1st in the 18 month old class at the Edmonton Spring stock show which was held last week. Later on the outstanding young animal sold for $250.00.

Norman Armstrong is $50.00 richer as a result of winning a radio contest sponsored by Odex soap. The prize was in the form of a war bond.

32 Years Ago

Geo. W. Field left during the week for Ontario where he will spend the summer at his old home at Clifford.

Fire of unknown origin but which can only be surmised to have started from a defective wire as there was no fire in the house, completely destroyed the residence and contents of Editor S.R.P. Cooper and family on Wednesday evening about six o'clock. No one was home at the time. The house was a large two-storied frame structure containing 12 rooms. The loss is estimated at $7,000 with insurance of only $3,300.

Ben Calvert who has been on a visit to England for the past three months reached home this week.

First settlers for the new Hebridean colony will reach Vermilion this Thursday.

48 YEARS AGO

April 13, 1910

Voting on the flour mill franchise is taking place on Saturday.

Splendid headway is being made with seeding and the grain goes into a well prepared seed bed. Conditions are ideal.

L. L. Kehoe, formerly of the Mannville district has moved onto his land south of town.

Fencing for the town park has now been ordered through Seed and Yungblutt.

Cancer research is being carried out in 8 of the 10 Canadian provinces. Most of the money for its support is provided by the Canadian Cancer Society.

SPREAD HAPPINESS

Do a good deed every day — it is the straightest road to the best there is in life.

ONE AT A TIME

Trying to combine business with pleasure sometimes turns out to be a losing combination.

"GREEN ACRES"

RATS ON THE MOVE

Rats have been found on several farms recently along the fourth meridian. It would appear that rats are getting over crowded and some are moving on. Every farmer in range 1 should have warfarin bait set out at all times. That is the law. Get bait from your municipal office at Kitscoty. It is required also that anyone having rats must report to the municipal office immediately. It is only through the co-operation of all farmers and all town and city people that the movement of rats can be checked. Are you doing your part?

SOD-BOUND BROME

Every farmer knows that brome grass gets sod bound after about three years and the yield of grass or hay is very small. This condition is caused by a lack of available nitrogen in the soil. Where alfalfa is sown with the brome the sod bound condition does not occur because alfalfa that is inoculated has the ability to convert nitrogen from the air into nitrogen compounds that can be used by brome grass. This is what gives us so much bigger yields of brome and alfalfa hay compared to brome that is grown alone.

Two years ago quite a lot of alfalfa winter killed in this area. This left only brome grass growing in these fields. It would be best to break up these old stands of brome and put the land into crop.

MANGE IN PIGS

Rough and scaly skin behind pigs' ears and on their backs usually means that the pigs have a skin disease called mange. It can be treated with disinfectants such as creolin, or crank case oil can be used. If gunny sacks or canvas are soaked in oil and tied to overhead wires, the pigs will rub oil on themselves. [illegible] thing should be done as hogs infested with mange mites will not do very well.

TREATING SEED

It will soon be seeding time and time to treat seed. It is good business to treat every bushel of seed that goes into the ground. Mercury dust treatments kill both smut and root rot diseases that carry over winter on the seed. The grain auger is a quick way to treat seed. Wheat, rye, and flax should be [illegible] at least 24 hours before seeding and oats and barley at least a week before sowing. It pays to treat seed. Not only does mercury dust kill the smut, it also protects the young plants from root rot diseases, damping off, etc.

BLACKLEG IN CATTLE

Blackleg germs are present on nearly every farm in this area. Anyone who does not vaccinate calves at 3 to 5 months of age is taking a big chance. In fact, it is wise to vaccinate the second time before calves are first turned out on pasture at this time of year. Use the blackleg [illegible] [illegible] bacterin.

NEWS from ISLAY

On Thursday evening a social time was spent in the church hall when crokinole was played followed by slides shown by Wayne Shortt of Kitscoty. These were pictures of the Scout Jamboree in England last summer which Wayne attended. All very interesting too. A lunch was also served.

April 1st was the fifth birthday of the Islay H. & S. Association. Mrs. Nancy Buchanan made the cake which was beautifully decorated, complete with five candles. It was delicious. Mrs. Lois Karlsson addressed the meeting "Going places with the U.N." was most interesting as she spoke from actual experience. Students who were studying U.N. were visitors and really enjoyed it too.

The Moncrieff family was in Calgary Easter week. Mr. Moncrieff [illegible] the A.T.A. annual meeting. Mrs. Moncrieff and the children visited her sister.

Mr. and Mrs. Harold White, Eva and Rhena of Lacombe, were callers in and around Islay last Wednesday. Harold stopped in at the square dance which was in progress that night and renewed many acquaintances.

Miss Betty Martin of Alberta College was home for Easter week.

Spring is really here — Jim Carey has returned from the south. He called on friends in Edmonton on his way home Monday. Jim brings word of the passing of Mrs. Jim Darrah, while visiting in Florida. [illegible] timers [illegible] the Darrahs who [illegible] from 1911 to 1928 or thereabouts in the general store now occupied by Walter McCaughan.

Mrs. August Iaert has been spending the past week with her mother Mrs. Hutton and family.

The 4-H Cooking club met at the home of Grace Schaffer and her mother, Monday night. Mrs. Lois Karlsson spoke to the girls on "United Nations as a Career". She spoke from experience and the talk was most interesting as she related a few of the customs on marriage, in some of the countries, one where a bride is bought with certain number of cows, others, also quite different to our customs.

'The Bible Today'

A translation committee of eight men is busily engaged in South America in revising the Bible in the Tsonga language under the auspices of the British and Foreign Bible Society.

Tsonga is spoken by half a million people who live in an area extending from Portuguese Mozambique to the Transvaal and the southern border of Rhodesia. The committee has to ensure that the Tsonga Scriptures will be written in the most generally accepted dialect of this widely spread language group.

No less than 32 complete Bibles and 45 New Testaments are at present in the hands of revision comittees of the British and Foreign Bible Society under supervision of the translations department in London.

Sugested readings for next week

Sunday	1 Samuel 18 1-16
Monday	2 Samuel 7 18-29
Tuesday	2 Kings 6 8-23
Wednesday	Nehemiah 1:1-11
Thursday	Galatians 3 1-26
Friday	Ephesians 3 1-21
Saturday	Ephesians 3 1-33

Pleasant Valley

The valley is getting to look a little like spring with the green grass showing through here and there and the buds on some of the shrubs beginning to open. The [illegible] forecast tonight said there would be snow in the Peace River area let's hope we don't get any of it here.

There were quite a few Easter visitors in this district. Mrs. Sylvia Gould visited her son Marvin for a few days. They were dinner guests at the writer's home on Friday and supper guests at the Purvis home.

Tillie and Cecil Gould journeyed up from Sedgewick to visit her father and brothers. On their way home they visited with the writer and family for a short while.

Ken Reid and family from Edmonton spent the week end at Chrissie Gould's home returning to Edmonton on Sunday.

Doreen Gould and family were supper guests at the home of the writer during the week and so were Lawrence Gould and family.

On Sunday, daughter Jean and family were dinner guests and then later that evening they journeyed into town where they were guests at the Inman home for supper.

Gordon Gould and family were super guests on Sunday at Billy Shaw's home, the occasion being Bill's birthday. The Gould families are certainly in the limelight this week aren't they folks?

Not forgetting Darby and Jane who enjoyed the square dance at Blackfoot on Saturday night.

Annie's sister and family were visitors at the Clark home on Sunday evening.

Hi Mr Bothwell, do hope you are feeling better. Your old friends and neighbors are thinking of you these days.

Hope to see Mrs Wallington again soon.

Mannville Girls' Auxiliaries Hold A Preview Concert

MANNVILLE. — On Monday evening last the G.A. aided by the J. A. presented a most enjoyable preview of the forthcoming festival work which was held in Edmonton on April 8 and 9. Included in the concert were a number of novelty items such as the Tennessee Wig-Walk, a request from a previous concert, that was encored, by the J.A. These young folk really put their all in their work, as well as entertainment. Their Japanese number "Mo-mo Taro San" was much appreciated by parents and others present. The G.A. gave a good rendition of their theme song (composed by themselves) and their folk song sung in both German and English "Wiegenlied". Their leader Mrs. McPherson had divided their missionary lessons into a play, with the girls instructing the audience on the study book this year, "The Cross and the Chrysanthemum" depicting life and conditions in Japan. This was well given and comments of a favorable nature were heard on the clear diction of most of the members. A play which was also on the required list for the annual festival was composed by the girls and presented in true teen-age fashion, in fact it gave a far-fetched sketch of what could happen if parents were not too careful of baby sitters they hired. The play left nothing to the imagination as far as teen-talk went, and the girls showed good sportsmanship in mimicking themselves and present-day talk. Jeanette Peskilivets, one of the G.A. leaders, was the popular M.C. for the show.

Many types of cancer can be cured by radiation or surgery or a combination of both. Regular medical check-ups on persons over 40 years of age may reveal cancers in a curable stage.

SQUARE NOTES From Circle 8

Our Easter square dance was very successful despite the fact that there were three square dances in this area that same night. Many reported that this was one of the best dances that they had ever attended so it is to be hoped that we can arrange with Billy Coulter to visit us again in the near future.

Henry Lien of Bawlf will be back with us at our next and last Saturday night dance in the Legion Hall, this Saturday, April 19. We had nineteen squares for Henry last time so let's pack the hall again.

We of the executive are truly sorry that our square dancing season must come to a close earlier this year as it seems that the noise from dancing has become offensive to those using the basement of the Legion Hall on Saturday evenings. Two facts have been established over the past four years in town — you could depend that the Circle Eight would hold their dances regularly and that Vermilionites were known for their hospitality. We hope that those responsible for cancelling our Saturday night dances will put as much effort into drawing as many visitors on Saturday evenings as we have done in the past.

Will all members of the Circle Eight Club and any others wishing to join our club, please plan to attend our annual meeting at the Bowtell Community Hall on Monday April 21. A nominating committee consisting of Sammy Riddle, Bob Martin and Milton Lee are working hard to present a slate of officers at our meeting so if you have any ideas kindly pass them on to the above mentioned and do attend the meeting.

The Canadian Cancer Society is organized in 1600 Canadian communities where it carries on education programes and gives assistance to cancer patients. It also provides money for research.

LOCAL NEWS

ENGAGEMENT ANNOUNCED

Mr. and Mrs. N. H. Armstrong wish to announce the engagement of their daughter Joyce Alberta, to Mr. James Macdonald, son of Mr. and Mrs. John Macdonald of Vegreville. The marriage will take place on Saturday, April 19th, 1958.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Nap Balduc of Lloydminster announce the engagement of their eldest daughter Irene Yvonne, to Robert Ernest Brass, only son of Mr. and Mrs. Ernest Brass of Vermilion. The wedding will take place in St. John's Anglican Church, Lloydminster at three-thirty o'clock in the afternoon on Wednesday, April 23, followed by a reception in the Church Hall. Friends and relatives please accept this as your invitation.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Chester [illegible] announce the engagement of their youngest daughter, Ruth Evelyn to Mr. Dean Wesley Walker, son of Mr. and Mrs. Jasper Walker of Wetaskiwin, Alberta. The wedding will take place in the Metropolitan United Church, Edmonton, on Saturday, May 17 at 2.30 o'clock in the afternoon. Will all friends please accept this as their invitation to attend the ceremony.

ENGAGEMENT ANNOUNCED

The engagement is announced of Miss Shirley Fry, eldest daughter of Mr. and Mrs. A. H. Fry of Torquay, England, and Mr. John Barnes, only son of Mrs. and the late Mr. J. Barnes, formerly of Torquay, England, now of Vermilion. The wedding will take place at the St. Saviour's Anglican church on Saturday, April 26th, 1958 at 2.30 p.m.

John Dale Williams, son of Mr. and Mrs. Norman Williams of Edmonton, spent a few days of the Easter holidays visiting at the home of his grandparents, Mr. and Mrs. W. D. Williams.

Mrs. Stella Mayers from Chipman was the guest of her sister Mrs. Lee in town for the Easter holidays.

F.O. Alton Ronning, Mrs. Ronning and their three children of Saskatoon were visitors in town over the Easter vacation, guests at the home of Mrs. Ronning's parents, Mr. and Mrs. E. H. Buckingham.

Mr. and Mrs. Clem Hildreth and family who now reside in Calgary, were visitors in town for several days last week to attend the wedding of Miss Jean Hildreth.

Mrs. Chas. Climie and two children of Wetaskiwin were visitors with Mrs. Climie's mother Mrs. L. Goad at Clandonald over Easter.

Dr. E.L. Young, Dominion Veterinarian stationed at Vermilion was the guest speaker at the Chamber of Commerce meeting held at Viking last week. The Viking Chamber has been trying to secure the services of a resident Veterinarian for some time.

Mr. and Mrs. John Rubel of Edmonton spent the Easter week with the latter's parents, Mr. and Mrs. George Sueffert in town.

The miniature fire truck filled with groceries recently raffled by the Fire Brigade was won by Mrs. Albert W[illegible].

Ted Dell is now home and moving about under his own power after undergoing major surgery for stomach ulcers in Edmonton.

Miss Aline Shattuck who is now completing her senior year in Home Economics at the University in Spokane, spent the Easter vacation with her mother in Vermilion. Aline graduates in May with her degree in Home Economics.

Visitors at the homes of Mr. and Mrs. Chas Young and Mr. and Mrs. Frank Young of Vermilion this week were Mr. and Mrs. Harold Stewart and daughter from Dalemead (Mrs. Stewart being a niece of Mr. and Mrs. Chas Young), and Mr. and Mrs. Bert Young of Blackfalds. Mr. Young being a nephew of Mr. and Mrs. Chas Young. These folks all came to help Mr. and Mrs. Chas Young celebrate their 55th wedding anniversary.

While spending the Easter vacation at Rimbey [illegible] Eugene Ferguson entered a Search for Talent show and emerged the winner with first prize. Mrs. Jim Ferguson and the children were visiting at the time with the former's sister.

Mrs. Lottie P. Horne of Vermilion sailed from Montreal on Wednesday on board the Empress of France for a three months visit with friends in England. The Empress was recently recon[illegible] at a cost of over $300,[illegible] and was the first passenger ship to reach Montreal this [illegible].

Dr. and Mrs. R. N. Eidem of Edmonton and Dr. and Mrs. J. S. Graham of Swift Current, were visitors at the home of Mrs. Oakley and Mrs. Eidem over the Easter week end.

Mr. and Mrs. Jim Chalmers and John David of Medicine Hat were recent visitors at the home of Mr. and Mrs. Stuart Barr. Mrs. Chalmers had spent a week here with her daughter and the new grandson, with Jim and John David coming up for last week end.

Two former popular and well remembered former residents of Vermilion paid a brief visit last week in the persons of Leonard G. Dunaway and Fenton H. Sharp of Edmonton. Mr. Dunaway, now retired, was in the employ of the C.N.R. and Fenton was with Craig's as accountant. Mr. and Mrs. Dunaway have sold out their holdings at Kelowna and are moving to Edmonton to be near their son Ian. Fenton is in the office furniture and stationery business in Edmonton. Both of them were amazed at the transformation in Vermilion since they lived here some 20 years ago.

Mr. and Mrs. Bernie Ackerman and the three boys have recently returned from a holiday motor trip to California.

BORN — To Mr. and Mrs. Maurice Horpestad of Lloydminster on April 10th, a baby boy Bradley Maurice.

Visitors at the home of Mr. and Mrs. I. R. Metcalf for Easter were Mr. and Mrs. A. F. Hawes from Edmonton and Mr. and Mrs. I. O. [illegible] and son from Calgary.

Howard Metcalf who is attending school in Idaho spent his Easter holidays visiting relatives in California and also made a short trip to Mexico.

David [illegible] Brown spent from [illegible] last week [illegible] Mrs. [illegible] the University [illegible] of the [illegible] Brown [illegible] David Wilson [illegible] Wilson [illegible] are living in Calgary.

Miss Bertha Wilson who has three weeks leave from her nursing duties at the Holy Cross Hospital [illegible]. During the three weeks she spent one week with her mother Mrs. D.F. Brown who is a patient in the University hospital and the remainder of the time with her sister Mrs. Jensen at Vermilion. Mrs. Jensen [illegible] in Edmonton where she will spend [illegible] with her mother.

A NICE TRIBUTE

In tribute to the achievements of W.L. Robinson and daughter Betty and of Keith Barr, Craig brothers displayed the ribbons won at the recent Edmonton Spring Livestock show, along with the prizes won. The attractive window display drew much attention.

Dean Jacula, son of Mr. and Mrs. Steve Jacula is the first to report picking crocuses this spring. Dean picked some in full bloom at his home north of town.

Dr. and Mrs. C. W. Stephens left on Sunday by Canadian National from Wainwright for Winnipeg where Dr. Stephens will attend the National Scientific Convention of the College of General Practice of Canada, which is being held April 14, 15 and 16 at the Royal Alexandra hotel.

Week end visitors in town Saturday evening and Sunday from Redwater were Mr. and Mrs. Tom Stack, daughter Marjorie and three of her school chums.

E. A. Locke and J. V. Kneale represented the Vermilion Board of Trade at the annual spring banquet of the Lloydminster Chamber of Commerce on Monday evening.

Guests at the annual banquet to wind up the hockey season at Lloydminster on Tuesday evening were E. A. Locke, Russell Carroll, Stan Manyluk and Jim Ferguson.

Mr. and Mrs. Irvin Gordon spent the Easter holiday week end visiting their son-in-law and daughter Mr. and Mrs. Gerald Cunningham at Jasper Place. They were accompanied by Mr. and Mrs. Arnold Winters. Irvin says there is plenty of mud around Jasper Place.

Mr. and Mrs. Wm. S. Porter have now returned to their farm at Dewberry after spending the past several months at their winter home in Vancouver.

Home from a holiday trip which took them south into Mexico are Mr. and Mrs. J. R. Robson and daughter Miss Jean Robson of Calgary. A wonderful holiday is reported.

Miss Donna Stack and Miss Bunny Millbank, nurses in training at the University hospital, were week end visitors in Vermilion at the home of Donna's grandmother, Mrs. H. Elliott.

The following additional floral and memorial tributes have been received in memory of the late Mr. Junior Williamson: Flowers, Mr. and Mrs. P. Krushinsky, Mr. and Mrs. George Stewart, Mrs. Laura Van Nest, Mr. and Mrs. Walter Walker. Cancer donation — Mr. and Mrs. Dale Williams.

IN MEMORIAM

In loving memory of a dear mother and grandmother
ALICE RILEY
who passed away Apr. 20, 1957.
"To live in the hearts of those we leave behind is not to die."
The Family

It's a pretty good sign that he [illegible] friends are [illegible] to him if a man is continually making new ones.

CARD OF THANKS

We wish to extend our heartfelt thanks for the many acts of kindness and help, the expressions of sympathy and assistance during our recent bereavement.
Mr. and Mrs. Arthur LeBrocq.

CARD OF THANKS

After being confined to the house for some time I am able to be out and around a little. I wish to thank the many friends for their visits which I really did enjoy, also for the lovely cards which I appreciated so much. It is so nice that people think about one who is not well. Thanks again. - Hiram Hodgins.

CARD OF THANKS

I wish to take this opportunity to thank Dr. Stephens, the matron and staff of the Vermilion Hospital for the excellent care and attention received while a patient. Also to those who sent cards, fruit and flowers. Many thanks.
Mrs. H. Schoenmaker.

CARD OF THANKS

Mrs. Robert Woodruff wishes to thank Dr. Stephens, the nurses and staff of the Vermilion Hospital, and all her friends for the lovely cards and gifts of fruit etc., that she received while a patient there. It was all very much appreciated.

Don Braithwaite

AUCTIONEER

Lic. No. 148 DEWBERRY

News from Dewberry

Congratulations to Mr. and Mrs. Earl Keast who were married recently. Earl is a former Dewberry boy.

Bruce Craige recently took a trip to Toronto and returned with a new light delivery pick up Ford truck. The return trip was made through the States. While East, [illegible] visited his brother Harry and his wife at Elliott Lake. Harry works at the [illegible] mines.

Mrs. Norris and daughter Fay of Mirror spent the Easter holidays with the former's mother Mrs. Craige Sr.

Brian Braithwaite of Lloydminster visited his uncle James Gray.

Jim Strachan spent a few days in Islay hospital.

The last bingo of the season sponsored by the C.W.L. was held on the 9th. A large number attended and the prizes of $5.00 were won by Ed Garnier, Mrs. Vivian Curtis (a double winner) Alfred Avery, Mrs. Mazepa, Stuart Hartwell, Mrs. Meikeljohn, Mrs. Peggy Garnier, Mrs. J. Ritt, Rob Hansen, Jim Kurusz, Florence Laboucane. The full card, $15.00 winner was Jim MacGillawee. Mrs. J.K. Whiteside won the $40.00 jackpot.

The C.W.L. wish to thank all who attended and supported the bingos held during the winter months. A special thank you to Mr. Philip Lamp, the caller, and also to Ernest Garnier and Mr. Erven Garnier who attended the door and checked the cards.

The 4-H club raffled a grocery hamper at the Bingo. It was won by Mr. H.J. Bronjensky. The 4-H kets for the raffle and those who sold tickets. Better luck next time to the losers.

To the friend who wants to know what honeymoon salad is composed of: —Lettuce (let us) alone.

Success comes to a man who travels straight forward — with an aim on only what is right.

The Rainy Season will soon be here, and your

EAVESTROUGHS

probably need attention.

We fix those leaky joints, adjust the drainage, repair and alter to suit you.

McLAUGHLIN'S SELF-SERVE

The Homemaker

BENA M. CRAIG
District Home Economist
Wainwright, Alta.

It's important to your looks (and your pocket book!) to understand the different types of nylon stockings. So remember this — the HIGHER the gauge and denier, the stronger and therefore better wearing your stockings will be.

DENIER — (pronounced denyer) tells how fine the yarn is—thus 10 denier will be much, much finer and thinner than 30 denier. (A single strand of hair is about 50 denier). Today the manufacturers make stockings ranging from 10 to 60 denier.

GAUGE — Gauge indicates the number of stitches per inch and a half of stocking fabric. The higher the gauge the tighter the fabric and therefore the longer the wear. Hosiery today ranges from 45 to 72 gauge.

WHAT TO BUY

First decide on the denier — choosing the weight preferred for afternoon or evening wear. Remember a 30 denier yarn is thicker, therefore stronger, than a 15 denier (but it is also a less sheer stocking).

Then decide on the gauge. The higher gauge stocking is a tighter fabric and so will wear longer. For example a 15 denier 45 gauge will not give you nearly the wear of a 15 denier 66 gauge and the 66 gauge will look sheerer.

For those who like a heavy weight stocking, either the 60 denier or the heavy crepes have excellent covering power.

Size is important — for comfort and longer wear.

To determine foot size — measure foot from toe to heel. The length in inches is your correct stocking size.

Correct leg length is also important. If stockings are too long they will be baggy, if too short they will be tight and not wear long.

The Right Shade can make or mar your outfit. Choose tones that blend with your outfit. Light flesh tones and seamless stockings make legs appear plumper. You look taller wearing stockings toned to your outfit. The latest trend is for stockings in the same shade as your dress. Save money by buying 2 or 3 pairs in the same shade.

Mannville and District Local News

Recent visitors to Mannville during the Easter holidays were Lorraine and Donnie White of North Battleford, and Jim Allenach and his wife from Fort Saskatchewan.

Seen home over the week end were Jim Croft, the Dowicke family, Harbie Kufeldt and wife, Mr. and Mrs. Otto Kufeldt and Mr. and Mrs. Bob Clark.

Weather at Mannville has been so nice we are suspicious of what may come.

The Lutheran Bazaar and Tea which was held recently was reported to have been a success.

The Jim Panter home was the scene of a housewarming Saturday. The Panters moved into their new home only recently.

A great number of Mannvillites attended the Clarke - Kufeldt wedding and dance and renewed acquaintances with many old friends Saturday last.

Mr. and Mrs. John Schock and family were Lloydminster visitors on Sunday.

Mrs. North and sons Russell and Donald were Edmonton visitors during the Easter holidays where they visited with Mrs. North's mother.

Attending the G.A. festival in Edmonton Tuesday and Wednesday of last week were members Lynne Kreller, Ruth Hughes, Janet Laidler, Judy Webb, Marilyn North, Kay Emmott, Dianne Whitson and Karen Hubbard and the leaders, Mrs. C. McPherson and Mrs. R. Legg.

Margaret Sturt and Elaine Rea were among those from Mannville, Vermilion, Irma and Edmonton who motored to Regina by school bus to attend the Canadian Bible College for four days during Easter holidays.

Miss Gail Mercer was a holiday visitor in Edmonton during the Easter week and while there she attended the G.A. festival.

Mr. and Mrs. R. Forsyth spent part of the Easter holidays at Mr. Forsyth's brother's home at Pierceland.

Firemen To Rescue

MANNVILLE. — When a fire set to destroy an old straw stack, jumped the fire guard, and started fire on the stubble close to R. D. Lynch's elevator, the local fire brigade was called to the Lynch farm home at Claysmore as a safety measure. The fire was soon extinguished without too much damage to any property.

Mannville Boy Wins Further Scholarship

MANNVILLE. — Of interest to Mannville and district is the scholarship awarded recently to Tom Webb, son of Mr. and Mrs. Donald Webb of Mannville. This particular one is for the sum of $1200 at the University of Toronto where Tom is taking his Ph. degree. This is the second scholarship to be won by this young man, having received one at the University of Alberta from whence he graduated in 1957.

BOWTELL BULLETIN

Some of these items may be a little late, but of interest to our friends who have moved away.

Mr. and Mrs. Robinson and family were guests Sunday at the Caro home.

Mrs. Knutson enjoyed the primroses Mrs. Dedelly sent her from the coast — reminds one of England Rose.

Happy birthday Mr. Cooper and may you enjoy many more.

The first land work was done in this district by Mr. C. Pierman.

The April Loafers Lodge meeting was held at the home of Mrs. G. Millar. Ten members were present and two guests. Jean's mother Mrs. Watt and sister were the guests. The following officers were elected: Pres. Edna Payne, Vice-pres. Min Williams, Sec. Isabell Repp, Treas. Thelma Robinson. It was decided to have a card party Friday the 18th at Edna Payne's home.

The May meeting will be held at Isabell Sherwood's.

We wish to extend our own and the district's deepest sympathy to the Galloway family on the loss of a loving wife and mother.

Mr. and Mrs. O. Repp, Mr. and Mrs. Caro and Jack were supper guests Sunday at the home of Mr. and Mrs. J. Repp.

Quite a number were present at the hall Friday night at the shower for Mary Gee. Due to the writer not being present, a full report cannot be given but we are pleased to say that Mary received a large number of useful gifts. Among those present [illegible] Mr. and Mrs. P. Cartwright.

Mrs. Maybelle Knutson was a recent guest for supper at the [illegible] home.

Some 17 attended Easter services at Pleasant Valley Church. The roads are good now folks so [illegible] forget the next service.

WILDMERE WINKS

Sorry, no Winks last week as the writer was sick with cold and flu. Early Thursday Bobby Graham was taken to the hospital with pleurisy. So our household has been mostly on the sick list. However glad to say all are on the mend once more.

It was fifty years last Friday since the writer and her parents landed in Vermilion. Bob Beckett with his livery brought us out to what is now known as the John Wilson farm. There was lots of snow yet that spring and no bridge over the Grizzly Bear coulee. It was running full from bank to bank. The crossing then was close to where Mr. Bezaire lives now on the Kehoe farm. Even with all the hardships those were good days. And as Mr. Fred Arthur (who was a patient in the hospital with Bobby) says, even at his age he would like to homestead all over again.

Congrats to Mr. and Mrs. Jeff Martin on the birth of a son, to Mr. and Mrs. Lloyd Howard on the birth of a daughter, to Mr. and Mrs. Richardson on the birth of a son. Congratulations Granny and Grandad Richardson.

To all the sick folks we wish a speedy recovery — Mrs. Ivan McGinnis, Mrs. Melvin Arthur, Mrs. A. West, Mr. Fred Arthur and others.

On Friday evening the Wildmere W.I. are holding a grocery bingo at Preston Central. Plan to attend.

Gary Crothers attended the wedding of Les Dutton on Friday afternoon at Edmonton.

Bill and Adam Smith are expected back home this week. They stopped off to visit their brothers Alex and Norman in Edmonton. Mr. and Mrs. Norman Smith are the proud parents of a new baby daughter born April 5th, Janet Evelyn.

Deepest sympathy to the family of Mrs. A. F. Galloway. Another of our early day homesteaders has gone to her well earned rest. She was a wonderful person and her good works and deeds will never be forgotten. May God comfort the family in the knowledge that she is now free of all suffering.

Best wishes for a long and happily married life to Mr. and Mrs. Stewart Eyben (nee Audrey Symes). We hear they will reside in Edmonton.

A nice crowd attended church on Sunday. Rev. MacKay has only [illegible] Sundays here as our student for the summer will be here in May. We are sorry Mr. Brieghaupt is not coming back, he has a field at Morningside south of Ponoka. We hear a Mr. [illegible] will be in charge here. [illegible] Smith whom we [illegible] couple of years ago will be [illegible] to St. Walburg, Sask. [illegible] plans to visit here before [illegible] work.

Mr. and Mrs. [illegible] Garnett were [illegible] visitors last Thursday. They took daughter Judy up to an eye specialist. We are sorry to hear that one eye is almost totally blind.

Ray Garnett of the Utilities was home for a few days last week. He returned to work on Monday.

Mr. David Hughes of Baseweal left Sunday to take a month's course in welding at Calgary. [illegible]

Miss Marlene Smith, nurses' aide at [illegible] hospital has been visiting her parents and family Mr. and Mrs. Albert Smith. She returned on Tuesday to her work after a nice visit.

CONCERNING FLAX

During the past two years the interest in Flax as a "cash" crop has increased considerably.

In response to a demand for an up-to-date pamphlet on this important crop, our Research Department recently prepared such a pamphlet entitled "Flax in Western Canada."

Those interested should write for a free copy or should see the nearest Searle agent who will be glad to supply one.

Attend Civil Defence Classes in Edmonton

Attending civil defence classes in Edmonton this week studying control room procedures are Mrs. Emily Locke and Mrs. Marge Tough of Vermilion; Mr. and Mrs. A. Vaughn Smith of Marwayne, and Mr John Anderson of Dewberry.

Death of Mrs. Wm. Hanna At Islay

Missing from her farm home in the Islay district for the past six weeks, the body of Mrs. Margaret Hanna, aged 48 years, wife of William Hanna of Islay, was found by her husband on Tuesday morning, April 15th, while he was checking fences. The body lay in some brush about a half mile from the farm house, and close to the fence.

The Hanna farm is located 2 miles east and 2 miles south of the Islay corner.

Mrs Hanna was reported missing to the R.C.M.P. at the end of March by her husband. As she often attended religious conventions for as long as a week at a time, and visited relatives at Dewberry and Greenlawn, her absence did not alarm Mr Hanna until she had been away for a month. Even then he had no premonition that his wife was not safe and well [illegible].

Besides her husband she leaves to mourn her passing two sons, William and David, and one daughter Margaret at home.

Funeral services will be held at the United church in Islay on Friday, April 18th at 2 o'clock in the afternoon. Interment will be in the Islay cemetery. The Rev Shortt of Kitscoty will officiate.

Moyers' Funeral Home is in charge of arrangements.

Death of Robert Douglas, Edmonton

On April 8th, Mr Robert Douglas, formerly of Vermilion, passed away in Edmonton. He is survived by his loving wife; three sons, George of Edmonton; David and Keith, both of Calgary; one daughter Mrs Edward Rogers of Trochu; four sisters, Mrs G White of Vermilion; Mrs Wm. Maggs of Coalspur; Mrs K Scott and Mrs. Montgomery, both in Ireland; one brother Samuel, also in Ireland and 13 grandchildren.

Funeral services were held on Friday afternoon at 1:30 o'clock at Howard & McBrides Chapel. Rev W. E uBrgess officiated and interment took place in the Evergreen Memorial Gardens. There were no flowers by request.

The deceased Robert 'Bob' Douglas lived in Vermilion for many years during which time he was employed by the Canadian National Railways. The family grew up in town. Mr Douglas was then transferred to Camrose, and two years ago moved into Edmonton where he had since resided at 14827-104 avenue.

It may be true that it is never too late to mend our ways, but most of us feel that it is too early.

Kitscoty News

Murray McDonald of Yellowknife, N. W. T., spent several days here recently visiting with his parents Mr and Mrs M K [illegible]

Prof E. A. McCourt, professor of English at the University of Saskatchewan, author of several books, spent the long Easter week end here visiting with his mother, brother Bert and family and his father, Mr W. A. McCourt who is a patient in Lloyd[illegible]

Mrs. R.W. Matheson spent the Easter holidays in Edmonton visiting with Mr Matheson and their family.

Teskey at Islay phone 28, or to Gordon Gould, Islay phone R2311. Lunch will be served. A complete evening of entertainment for only 75 cents. Music by Hanna's orchestra. 40-41

News Crowded Out

Among news items crowded out this week are the complete lists of special prize winners of the Vermilion School of Agriculture, and a number of rural news bulletins. All will receive priority next week.

Canadian Legion Notes

Legion members joined with 'A' Coy. The Loyal Edmonton Regt. for a church parade last Sunday. Rev. Capt. Kells Minchin, padre of the Vermilion Branch 'A' coy conducted the service.

VIMY SMOKER

A well attended smoker was held on Saturday night. We were glad to see quite a few veterans there who are not members of Vermilion branch. We welcome you but how about joining up with us? Our slogan is 'Duplicate in '58'. Help us make our objective.

VIMY BANQUET

Once again Vermilion Branch went all out to put on a banquet in honour of local men who fought in the Battle of Vimy. President Richardson and his executive are to be congratulated for a good show.

NEW MEMBERS

John Trachuk of Clandonald was admitted to regular membership and Ewald Polinsky and Louis Baldock were accepted as honourary members of Vermilion branch.

PICTURE PRESENTED

J.W.G. Morrison, Q.C., Honorary President of the Vermilion branch for many years presented to the club a framed picture of Rt. Hon. Sir Winston Churchill K.G. The fine gesture of Mr. Morrison was greatly appreciated.

HANDICRAFT GUILD

The following is a list of teachers, and classes which will be taught at Handicraft meetings starting soon:

Hardanger—Mrs. G. Baranyk, phone 150.

Elementary Sewing — Mrs. Marguerite McDonald, ph. 350.

THERE'S A GREAT FUTURE IN AVIATION!

Are Today's Children As Important As Yesterday's?

Where does education begin—in the home or in the school? Our children have four sets of teachers, i.e., the home; their playmates; community, as Cubs, Scouts, hockey, etc.; their school teachers.

It is the parents' responsibility to develop sound habits towards the school. They must train their children to be responsible citizens with respect towards teachers and all others. Children need a good pattern of habits which lend security to the child. This is learned through practice of co-operation of parents with teachers. If a teacher knows the home influence of the child, she may be able to use a [illegible] to the child's [illegible] than might otherwise [illegible].

Intelligent understanding by parents of the work and the methods of the school is obtained by an occasional visit to the school and by participation in the Home and School Association.

Parents are interested in final results. Business men complain that their stenographers can't spell, compose a sentence, etc., etc. Parents find it difficult to understand that students may obtain a Grade XII diploma and still be unable to enter a university. From time to time parents petition for extra subjects in the curriculum without too much knowledge of the burden put on pupil and teacher. The study of the curriculum is done at Home and School Association meetings.

The social part of the meeting is where parents with the same problems may meet and discuss those problems and try to find a solution.

(to be continued)

Former Vermilion Man Dies, Fairview

FAIRVIEW. — W. R. Knight died after being stricken at his work at the School of Agriculture. He was 64 years of age.

Born in Souris, P.E.I., Mr. Knight came west in 1914, settling in Saskatchewan. He married in May, 1919, and brought his wife and family to the Peace River country in 1929.

In the wars of 1914-18 and 1939-45 he served overseas with the Canadian Army.

The Knight family came in 1950 to Fairview where Mr. Knight was employed as maintenance foreman and instructor in farm building at the School of Agriculture, having served previously in that capacity at the School of Agriculture in Vermilion.

Mr. Knight lived by a motto, "Any job worth doing is worth doing well." Those who knew him and worked with him, found that he lived up to the motto very well.

Besides Mrs. Knight he leaves five sons, PO Russell of the Royal Canadian Navy, Victoria; Reg of McLennan; Tom of Ensign, Alberta; Bob and Bill in Edmonton. There are 9 grandchildren, a sister and brother in Victoria, and a sister in Chicago.

Funeral services were conducted from the Legion hall, Fairview, and burial was in the Waterhole cemetery, where the A.F. and A.M. lodge took part in the graveside service. There was also a guard of honor from the Legion.

Mr. Russell Knight and the family are well remembered in Vermilion, having lived for several years on the campus at the Vermilion School of Agriculture.

Easter Sales Up

Canadian retailers reckon they have chalked up a general 5% Easter sales gain over last year, despite the holiday's early date, says Richard Ogden in The Financial Post.

The hero: Sunshine, which brought out the shoppers in droves.

Clothes sales were hefty, led by teen age garments, followed by women's wear.

Candy sales were reported 'excellent' right across the country.

Health Unit Notes

WATER SUPPLY AND SEWAGE DISPOSAL UNITS

In the last few years there has been a desire among our farm families and residents of villages and hamlets to seek for considerable improvement in the environ[illegible].

One of the most important ways in which their standard of living has been raised is by the provision of a safe and adequate water supply to hundreds of homes. Equally as important has been the provision of drainage facilities to remove and dispose of waste water so that no danger to health may arise.

Health authorities have carried out many research projects which has made possible the installation of water and sewage disposal systems to smaller communities and to the individual farm home.

Any persons who are interested or contemplating the installation of water or sewage disposal systems can obtain information and booklets from your Sanitary Inspector at the Health Unit Office. Telephone number [illegible] -- 592. Wainwright — 435.

BABY & PRE SCHOOL CLINICS

Monday, April 21 -- Vermilion (Health Unit Office) 2 to 4 p.m.

Tuesday, April 22 -- [illegible]wright (Office) 2 to 4 p.m.

Thursday, April 24 — Albert (School) 2 to 3 p.m.

Friday, April 25 — Irma (Rest Room) 2 to 4 p.m.

Friday, April 25 — Paradise Valley (United Church Basement) 2 to 3 p.m.

APPRECIATION

The Juvenile Hockey Club would like to express their appreciation of the assistance given them throughout the past season. Many thanks to the Vermilion Standard for excellent game coverage, all those who helped to transport the club to outside games, Aldous Kent, Dr. Stephens, Carmen Long, Gordon Williams, and the many others who helped to make the hockey season a success.

THE EXECUTIVE,
Juvenile Hockey Club.

Islay Old Time Homesteader Dies At Meadow Lake

ISLAY — A former resident of the Islay district, Charles Edward Young, 82, died recently at Meadow Lake, Sask.

He was born in Blackstock, Ont., where he married in 1900 Annie Axworthy, also of Blackstock. She predeceased her husband in 1952. He homesteaded in the Islay district 50 years ago this Easter until in 1929 he moved to Marshall, Sask. In 1935 he settled in the Blue Bell district, and in 1945 moved to Meadow Lake, where he resided till his death.

He is survived by three daughters, Mrs. Edna Taylor, Meadow Lake; Mrs. Eunice Bobroski, Pibrock, Alberta; Mrs. Alice Firth Edmonton, and four sons: David, Albright, Sask.; Robert, Marwayne, Alberta; Clarence, Lloydminster, Alta and Ernest, Jarrow, Alta.

One son, Louis, died in Hong Kong while a prisoner of war.

The deceased also leaves 19 [illegible].

The service was conducted by Rev H Neufeldt at the Lutheran church on Easter Monday, and burial took place in the Woodlan family plot.

PARADISE VALLEY NEWS

Mrs. J. W. Guy spent the past week in Edmonton staying with her son and his wife, Mr. and Mrs. Gordon Guy.

Miss Pat Ferricks of Prince George B.C. was home for a brief visit during the week. We understand that Pat is going to become a permanent resident of B.C.

Mr. and Mrs. L.J. Block and family have returned home after spending the long week with friends and relatives at Hinton and other points.

Miss Mary Hoskins of Viking visited with Mrs. M. Hoskins in town and with brother Monty in the Lloydminster hospital.

Mr. and Mrs. D.L. Clark and family spent the Easter week end visiting at Edmonton while Mr. Clark was in Calgary.

Misses Judy, Brenda and Norma Rasmussen spent their holiday visiting in Edmonton.

We regret to hear that Mr. Frank Ball is a hospital patient. Others in the hospital are Mrs. John McAmmond, M. Hoskins, and George Dodd.

Mrs. Mary Safnuk of Pangman, Sask., is visiting with her parents, Mr. and Mrs. D.B. Baxter.

Mrs. L. Lever and family spent the past week visiting with friends at Westlock. They returned home on Sunday.

Mr. and Mrs. Roy Wil[illegible] and family of Senlac, Sask., have moved into the Gunn house. Mr. Whitey has accepted a position with Knox's Sales and Service.

NEWS from ALLANDALE

The weather is mostly cloudy, but warm. On April 8th we saw the thermometer at 60 above, a lovely calm, warm sunny day. Since that however we have had cloudiness and showers.

Mr. and Mrs. Louis Baldock spent the week end of March 29 in the city visiting daughter Beryl and Tommy Greaves and family. Grandson Brian returned to the farm for a holiday.

Elections results on March 31 at Allandale were P.C. 39, Liberal 7, S.C. 6.

A beautiful gift from Ireland with the kindness of the McCormicks. A lovely Irish linen tea cloth, all embroidered in green shamrocks, and lovely Irish lawn hankies. Such a beautiful treasure and remembrance. It is appreciated very much.

April 3rd Mr. and Mrs. Woodrow Wilson and family, Curtis, Lynda and Sandy, left for Chilliwack, B.C., to spend the Easter holidays with the latter's parents and family. Mr. Ernest Strang from Lloydminster is taking care of the farm.

On account of the bad roads the school bus didn't come to Allandale on April 1st. Most of the children will be staying in Clandonald for the remainder of the week.

Proceeds for the Red Cross from the Allandale district were $30.25. Our appreciation to all who contributed to this worthy organization.

Easter Sunday visitors at the Isidore Nelson home — daughter Helen and Frank Schmidt and family from Lloydminster, and Joan Lee and daughter Shirley. At the Baldock home, daughter Beryl and Tommy Greaves and family from the city, son Glenn, Evelyn and son Darryl, and Evelyn's folks, the Nick Klashinsky family from town. At Mr. and Mrs. Alvin Throndson's home the latter's parents Mr. and Mrs. Sheppard, and sisters Sylvia, Donna and Patsy from Kitscoty, Alvin's parents Mr. and Mrs. Gus Throndson from town, and Alvin's sister Delsie and Ralph Strome and family.

Mr. and Mrs. Rufus Omness and daughters Janice and Irene from New Serepta spent the Easter week end visiting their daughter Lurlene and Jack Hobbie and family in town and Mrs. Omness's brother Mr. and Mrs. Dave Bury and family in Lloydminster.

Eddie Throndson on his way home from Gunner Mines, Uranium City, stopped at Fort McMurray and spent Easter Sunday with brother Theodore and Mabel and family.

Easter Sunday visitors at the Wm. Armstrong home were their daughter May and Warren Edwards and family from town, granddaughter Dorothy and George Dimma from Forestburg, daughter Myrtle and Norman Anderson and family from Lloydminster and daughter Violet and Jack Dwyer and family from Edmonton.

At the Omness home, daughter Della and Jimmy Walsh and family from the city and daughter Hilda and Don Wilson and family. The Walsh family will be holidaying most of the week.

Easter Sunday visitors at the John Arnold home were Mr. and Mrs. Geo. Leighton, Mrs. Stella Mayers and Mrs. Mabel Lee.

Keith David from town spent the Easter holidays with his uncle and aunt, the Herb McPhee family.

Mr. and Mrs. Herb McPhee and daughters Myrna and Irene and the Omnesses attended the Easter Sunday church service in Clandonald taken by Rev. MacKay and Mr. E. Schurman. A very inspiring sermon on "Victory".

It is grand to have morning devotion over the radio. The week before Easter Rev. Smith of Lloydminster and the week after Rev. MacKay. Services throughout the winter would be an inspiration to the shut-ins.

Our student this summer is coming from Nova Scotia and will be on the field around May 9th.

On April 7 sisters Mrs. Mayers and Mrs. Lee motored to Lloydminster and visited the latter's daughter Anna, the Strang family, at the John Nelson home and with an old friend Mr. Gib Nichols. Back to Islay where they spent the night with sister Mrs. Ronaghan. The following Wednesday visited at the Armstrong home (sister Erna), on Thursday at brother Orley's. Then accompanied by sister Erna they visited at sister Gertie Swanson's Elk Point, returning on Friday accompanied by Mrs. Swanson and [illegible] the party at the 'centre'. On Sunday Gertie left for Lashburn to visit her daughter Florence and Raymond Hammond and Saturday Stella went back to her position at Chipman.

Error in last week's news — Mr. and Mrs. Wm. Armstrong were married 65 years [illegible] 28th, not 64 as stated.

Miss Donna Sheppard of Kitscoty spent some of the Easter holidays with sister Evelyn and Alvin Throndson.

An enjoyable evening was had April 11th by a good crowd at the centre, whist and [illegible] until midnight. Prizes were won by Mrs. McCambridge, Mrs. Mabel Lee and Miss Helen Dollman, men, Bent Hanson, Vic McKee and Keith Burt. At lunch time Miss Louise Klashinsky from town very kindly gave a few selections on her accordian accompanied on the guitar by Glenn Baldock. This was much appreciated.

Closing Thought: "To recognize what things you know, and what things you do not know— this is wisdom."

GRANDMA WON MANY A BAKING CONTEST

It's amazing what Grandma could do on that quaint old wood and coal stove she had . . . I often wonder what she might have done on an electric range . . . and I sigh for the cakes she might have baked — had she cooked electrically.

Nothing measures up to Electric Cooking. It's cooler . . . cleaner . . . faster . . . safer. Pots and pans stay shiny and clean . . . and so does your kitchen. Electric cooking means less work, more leisure time. On an electric range there's no guess-work. Set a dial, flick a switch, and you cook automatically. Every day, and in every way — you cook better, when you cook electrically.

"Power for Alberta's Progress"

Government Will Continue Free Hospital Maternity Care

by [illegible]

EDMONTON — Friday came and went, and the Alberta Legislature was still in session.

Plans for prorogation at the end of last week were washed out when it became apparent there was too much work left to do. Members were back on the job Monday. There was talk at the time of writing that only one day would be needed to wind things up, but the way it's been going, who would be brave enough to hazard a prediction?

A major hurdle still to be cleared was the new liquor legislation. The entire section on penalties was held back for study of apparent discrepancies uncovered by eagle-eyed lawyers in the Opposition.

As a result of this year's prolonged session, next year's will start earlier and the throne speech debate will be limited to around eight days.

FREE MATERNITY HOSPITAL CARE.

The government's decision to abandon its program of free maternity hospital care must have raised a lot of protest in circles close to the government.

Health Minister Dr. J.D. Ross announced last week that the government has reversed its decision. Maternity care will continue to be free of charge.

With the introduction of the new province-wide hospital insurance plan this month, maternity cases were treated the same as other cases. Mothers were charged $2.00 a day and newborn infants $1.00.

Dr. Ross says the decision to return to free treatment will be retroactive to April 1.

TO PROTECT ALBERTA GAS CONSUMERS

Natural gas provided the fuel for most of the talking during the final days of last week.

Premier Manning held the spotlight with an hour-long policy statement on what the government hopes to do about protecting Alberta gas consumers in the face of an inevitable increase in prices.

Until now, gas prices in Alberta (the lowest on the continent) have been 'unrealistic', he said. They are bound to rise because of development in the oil and gas industry and steadily increasing export and domestic demand.

The situation has been that only a domestic market was available for gas, and producers had to sell at whatever prices were offered. With an export market offering higher prices, that situation will no longer exist.

Premier Manning said the government is considering several approaches to keeping prices as low as possible.

The most promising at present is a program of 'integrating' all gas fields in the province, along with the export and domestic markets.

This would be done by building a vast, province-wide gathering system linking all gas-producing areas. Such a system would go a long way toward equalizing transportation costs — the biggest factor in gas prices.

It would also eliminate the necessity of setting aside certain fields for certain areas. Total gas reserves would be considered as a single unit — anything over and above Alberta's needs would be available for export immediately.

Another suggestion under study is the possible establishment of a central gas marketing board which would act as a common buyer and seller of gas at prices designed to protect the Alberta consumer and encourage industry.

One disadvantage of this idea, the premier said, is that it could stifle competition.

The marketing board setup was suggested for consideration in a Liberal motion proposed last week. The House passed it unanimously after the premier said the government was studying it anyway.

Arbitrary price controls have also been suggested, the premier said, but these were 'definitely undesirable,' because they would depress the oil and gas industry.

The premier's talk climaxed a persistent Opposition campaign to draw him into a discussion on natural gas policies. Liberals, in particular, have been hammering at charges that the government lacks any policy which will keep prices down and assure future supplies.

NATURAL GAS FOR RURAL AREAS

Natural gas was the issue in another discussion, of particular interest to rural Alberta.

Proposed by Social Crediter A. O. Fimrite of Spirit River, the resolution called for establishment of an advisory board to aid co-operatives and other groups interested in distribution of gas in rural areas.

The motion was passed unanimously but only after the House defeated a Liberal amendment suggesting the setting up of a pilot area to iron out the practical difficulties of bringing gas to country points not served at present.

Here are some points brought out in the debate:

1. Gas distribution in rural areas hinges on the development of a big gas export market. This would necessitate a province-wide gathering system which in turn would put pipelines into areas where gas is at present not available.

2. It also hinges on the development of plastic or cellulose pipe suitable for gas transmission. The cost of steel pipe makes it prohibitive.

3. Industries and Labor Minister Raymond Reierson warned rural residents not to let their hopes rise too high. There are many problems which have to be solved first, he said, and the advisory board is a good place to start. But he stressed that rural gas distribution 'isn't just around the corner.'

SUBSIDIZED WEEKLY NEWSPAPERS [illegible]

Legislation which would have [illegible] town and village councils to guarantee circulation of weekly newspapers was thrown out last week — at least for the time being.

Amendments to the Town and Village Act would provide for the publishing of council meeting minutes in local weeklies. The municipal council would be able to provide for distribution of the newspaper to all ratepayers.

The provision was killed after Opposition Leader J.H. Prowse and Municipal Affairs Minister Hooke said they had received representation from some weekly newspaper publishers.

Mr. Hooke said he felt the clause of the bill should be held at least until weekly newspapermen had a chance to discuss it at their annual convention.

There is a similar provision now in effect in the Municipal District Act.

After about 13 hours of repetitious discussion, the committee decided to carry out a study in the coming year aimed at setting up a training course for dental technicians and possibly establishing an association for those who meet the requirements.

MORE SMALL CARS

Within a few days, two giant European auto makers, Fiat of Italy and Renault of France, will kick off a Canadian auto-selling blitz reports The Financial Post.

Canada's growing market for small imported cars (12% of all car sales last year) has attracted the products of a number of European makers. But these two operations, separate but similar, will rank among the largest

THE MONARCH LIFE

MUST WE GO TO CHURCH TO BE CHRISTIANS?

You've probably heard people comment at times on the fact that their Catholic neighbors go to church so often. Perhaps you have wondered yourself . . is all this necessary?

Catholics, you may be sure, have good reasons.

Going to Mass on Sunday is of course, an obligation for every Catholic. Confession and Holy Communion at least once a year are a sacred duty. But most Catholics go to Confession and receive Holy Communion oftener . . some every month, some every week, some every day.

There are also many other special services and devotions for which Catholics go to church. In the average city, the Catholic Church is always open — and seldom empty. Many will enter the church at any hour of the day to visit Jesus Christ present on the altar, mindful of His invitation: "Come to Me, all you who labor and are burdened, and I will give you rest."

But, you ask, is all this necessary? Catholics believe it is.

They believe that Christ not only called upon us to honor and serve God . . but prescribed the ways in which we should do so. He did not say how often we must go to church . . nor how many prayers we were to recite. But He did establish a Church with the power and authority to carry on His work . . and He promised that His Church would last to the end of time — that it would have God's protection in teaching all men to observe all things He had commanded, especially to believe and to be baptized and thereby become members of His Church to attain the purpose of their lives.

And how do Catholics know theirs is Christ's Church?

Because it possesses the distinguishing marks Christ gave His Church. It covers the earth as Christ said it would. Unchanged after nearly 2,000 years, it continues to live and grow, in fulfillment of His promise that His Church would last to the end of the world.

But the most convincing mark that He gave it is its unity of faith, worship and obedience under the authority of the lawful and historical successor of Peter, the first Bishop of Rome and the "rock" upon which Christ built His Church. Just as Peter was the first Pope and the first Vicar of Christ, so also is Pius XII the 262nd Pope and the Vicar of Christ today.

If you would like to know more about the distinguishing characteristics which Christ declared His Church must have and which the Catholic Church possesses today, we'll be happy to send you without cost or obligation an interesting and enlightening pamphlet. Write today . . ask for Pamphlet No. 2-N.

WOODVALE NOTES

Having returned from a two weeks vacation at the coast, we are trying to get some news items together to fill our column. Maybe a few of the readers will be interested to know that we went to Vancouver, Campbell River and Victoria and saw, besides lovely flowers and trees in bloom, quite a number of former neighbors and people from Vermilion, and of course, the Vermilion Standard. In Vancouver we stayed with the Van Hees family, who once lived at Borradaile and saw Mr. and Mrs. R. Allison. In Victoria we [illegible] the hospitality of Mr. and Mrs. Bill Barr, who showed us much of the countryside and took us out fishing — we even brought home eight fresh salmon! We also spent a day with Mr and Mrs. Eric Foster and daughter Kay, now Mrs. Robert Look, who used to live in Woodvale, and had [illegible] with Mr. and Mrs. Norman Greig the former sporting a fashionable 'centennial' beard, and Mr and Mrs. Tom Dick. Had a glimpse of Mr and Mrs. Hollman on a street corner and were sorry we could not have talked a bit longer with them. Both looked well. We missed seeing some of our other friends but we found Vancouver Island such a lovely vacation spot we'll go back some other time.

Home again we were sorry to hear that Mrs Eva Dickson was still in the hospital having undergone an operation in Edmonton, and hope her recovery will be speedy from now on. Sandra Dickson spent the Easter holidays with her grandparents in Lloydminster.

Ted Monger came home again last week and seems to feel much better after his stay in the Islay hospital, and now Mrs. S. J. Procter is in the Vermilion hospital where she celebrated her 81st birthday on Sunday. May she soon be home again!

A great many people showed their sincere sympathy in attending the funeral of Mrs. A. F. Galloway, who after a lengthy illness passed away on April 7. Having lived for almost 47 years in the Union district, she was well known and loved throughout the community and we hope that this knowledge will comfort her children and grandchildren. Dorothy Pringle, the only one of her family not living in the district, nursed her for the last few weeks here in the hospital.

The Red Cross meeting that was scheduled for April 2 was called off due to bad roads and will be held at the home of Mrs. E. Anderson on April 23rd.

When Herman Kreuger's son paid him a visit arriving with the 'Flying Farmers' he took his father and Herman Wolters for a plane ride over the Tolland district which they found very interesting and enjoyable.

Mrs. Elsna Lysons spent a week with her son Brooks and family in Edmonton.

Mr. and Mrs. Wm. Fortune have gone to Vancouver and vicinity for a vacation where they will visit several relatives and friends.

Congratulations to Mr and Mrs. Roy Oldenburg on the birth of a son. Roy's mother stayed at the farm while Ruth and the baby were in hospital and afterwards visited with her other son Clifford and family.

Mrs. M. Watson has two more grandchildren. Congratulations to Mr and Mrs. Bill Bissonnette of Edmonton and Mr. and Mrs. Jeff Martin of Triangle. Little Wayne Bissonnette stayed with his grandmother while his mother and new sister Teresa were in the hospital.

Mumps are making the rounds in the district and all kinds of flu and colds are still much in evidence despite the lovely spring weather.

Mrs. Mary McGrath is expected home this week from the Islay hospital where she spent over a week with flu complications.

Brownie Meeting Paradise Valley

PARADISE VALLEY. — On Monday evening March 31st a Brownie Ceremony meeting took place in the P. V. elementary school auditorium with all the mothers and one grandmother in attendance.

Guider, Mrs. Emil Knor, enrolled seven Brownies and presented twelve Brownies with their Golden Bar.

Tawny Owls Mrs. Nick Stepenoff and Mrs. Don Levitt assisted in the ceremony. Following the meeting lunch was served by the Sixers.

The seven Brownies enrolled were: Polly Fredericksen, Lillian Lever, Beverly Henry, Norma Rasmussen, Gwendy Guy, Lorraine Nystvold, Elaine Coleman.

The twelve Brownies receiving Golden Bars were: Patricia Elliott, Vallerie Teasdale, Sharon Holgate, Doreen Stepenoff, Diane Knor, Maureen Dobson, Maureen Gordon, Brenda Rasmussen, Donna Brassington, Sharon Phillippe, Rosemary Kitching, Polly Frederickson.

Protect Young Stock Against Blackleg

Before turning out your cattle this year, remember to protect the young stock against blackleg. A 'stitch in time' here can save many calves, since losses occur very quickly in [illegible] animals, and treatment is often not possible. The vaccination program may vary with different circumstances, but Dr. H. N. Vance, Veterinary Pathologist, the Alberta Veterinary Services Branch, favors injection of blackleg-malignant edema bacterin at 3-5 months of age followed by a second injection at 6-8 months. When an outbreak occurs in unvaccinated stock all cattle on the premises should be inoculated.

THE DIESEL FIREMAN DISPUTE ON CANADIAN PACIFIC

TWO YEARS AGO, in April 1956 the Firemen's Union demanded wage increases and other benefits involving substantial increased costs.

AT THE SAME TIME Canadian Pacific proposed that, as firemen were not necessary, they should no longer be carried on diesel locomotives in freight and yard service.

CANADIAN PACIFIC also proposed dropping both arbitrary wage payments for which no service was rendered and differential wage rates in mountain territory.

IN DECEMBER 1956 a Federal Board of Conciliation recommended substantial wage increases and other benefits. At the same time, it found that firemen were not required on diesel locomotives in freight and yard service and made provision for protection of their employment. It also found that payment of arbitraries and mountain differential should be modified.

CANADIAN PACIFIC accepted the Conciliation Board's report.

THE FIREMEN'S UNION rejected the report and called a strike on January 2, 1957.

THE STRIKE WAS ENDED on January 11, 1957 on the following basis—

1. Canadian Pacific agreed to pay the substantial wage increases retroactive to April 1 of the previous year and other benefits recommended by the Conciliation Board.
2. The Union and Canadian Pacific agreed to refer the DIESEL ISSUE as well as payment of arbitraries and mountain differentials to a ROYAL COMMISSION.
3. The Union and Canadian Pacific agreed to negotiate these issues in the light of and immediately following the publication of the ROYAL COMMISSION'S Report.

THE KELLOCK ROYAL COMMISSION of three senior judges devoted ten months to hearing 119 witnesses and, at the request of the Firemen's Union, made on-the-ground investigations across Canada and also made observations on four major European railway systems. It was the most extensive and thorough investigation in the history of labour relations in Canada.

IN ITS UNANIMOUS REPORT published February 4, 1958 the ROYAL COMMISSION found that—

1. Firemen are not required on diesel locomotives in freight and yard service on Canadian Pacific either for safety or any other reason.
2. The proposal of Canadian Pacific for protecting firemen from loss of employment and seniority is fair and generous.
3. Arbitraries have become unrealistic and should be dropped and payment made on the basis of service rendered.
4. Mountain differential payments should be dropped and replaced by valley differential.

CANADIAN PACIFIC accepted the report of the KELLOCK ROYAL COMMISSION as it had undertaken to do when the Commission was appointed.

THE UNION rejected the report, stating that nothing in it was acceptable to them. They did so knowing that not one fireman would suffer loss of railway employment who was hired before the proposal to discontinue firemen on freight and yard diesels was made in April, 1956. All across Canada there are less than 100 firemen hired after that date and now working who face possible lay-off.

ALL EFFORTS of Canadian Pacific to settle the dispute through negotiations with the Firemen's Union have failed.

FOR TWO YEARS firemen have enjoyed substantial wage increases. During these two years action on the diesel issue has been postponed while the Union had every contention it could advance investigated by two enquiries.

CANADIAN PACIFIC has a duty to the public to operate the railway efficiently and economically.

CANADIAN PACIFIC, to fulfill this duty, has given notice to the Firemen's Union that the findings of the KELLOCK ROYAL COMMISSION will take effect on May 11, 1958.

THIS ACTION is in accordance with Federal labour law.

Boys Risk Lives Daily Playing In Vermilion Railroad Yards

Boys ranging in age from 6 to 16 years, risk their lives [illegible] playing in the Vermilion [illegible] yards. The boys [illegible] a habit of climbing on the [illegible] cars and tampering with the brakes on such cars. They have been observed darting across the tracks on which [illegible] and generally [illegible] a [illegible] to the railroadmen's work.

So bad has the habit of playing around the box [illegible] become that it was the subject of special [illegible] by the Investigation Department of the Canadian National Railways, and the situation was found to be even more serious than represented by the complaints of the section foreman. It follows that some mischief is also being done by the boys in their play there.

Sooner or later a serious accident will result in the yard and all parents should make it a point to warn their boys against using the railroad yards as a playground. These young boys are exposing themselves to a very real danger. A rail accident usually means a fatality or of being crippled for life.

The Standard is giving this warning as one of its many public services, to the end that a life, maybe your own boy's life, may be saved or serious injury might be prevented.

Fire Nipped in Bud

What could have resulted in a serious fire was nipped in the bud at 8:30 Sunday morning at the Searle elevator. In some peculiar manner fire had started on the south side of the elevator and burned a small hole through the siding. Fortunately, Gordon Williams spied a whisp of smoke as he was crossing the railroad tracks to go to his garden on the south side. The fire brigade was called and the fire doused in short order.

A strong wind was blowing from the west at the time and had the fire had another [illegible] minutes, all of elevator row certainly could have [illegible].

It's a good thing Gordon is an early riser and has [illegible] as he was a long [illegible] of the elevator when he [illegible] the whisp of smoke.

182 Blood Donors At Mannville

MANNVILLE.—Tuesday, April 11, was Blood Donor Clinic Day in Mannville with afternoon and evening appointments. The afternoon response was not too great, but the evening proved a more popular time for donors. A total of 182 donated [illegible], closely resembling last year's figures, [illegible] the Ladies Auxiliary to the Canadian Legion had hoped to [illegible] the [illegible] mark. They [illegible] especially pleased with the response [illegible] the High School, as many of them made their first contribution, those being 18 years of age or [illegible]. Mrs. [illegible] of Vermilion, former [illegible] resident, made her 20th donation which is quite a [illegible].

FIREMEN ENJOY ANNUAL BANQUET

Firemen whom Vermilion citizens usually see just at work, either at a practice or when the fire siren shrieks its warning, took time out Wednesday evening to play a little. This was the occasion of the annual banquet of the fire brigade held in the Elks Hall. It was attended by the firemen and their wives, with a few guests including Wm. and Mrs. McKay of Edmonton. Mr. McKay is the deputy fire commissioner for the province. Mayor and Mrs. Melvin Hill, councillor E.A. Locke, Mr. and Mrs. Ashley Cooper, Mr. Milo Fleming.

Guest speaker for the occasion was Mr. McKay who took as his topic 'What does the Fire Commission Department Do?' He brought out many interesting points in his short discourse.

Fire Chief Ken Urquhart was chairman for the occasion, while Melvin Hill paid a sincere tribute to the work of the fire brigade on behalf of the town of Vermilion.

The program was completed by the showing of films by Mr. Milo Fleming. Arrangements for the enjoyable annual affair were carried out by brigade secretary Russell Carroll.

Roy Watkins Sells Business and Block

An interesting business transaction was completed this week when Roy Watkins sold his real estate and insurance business and his fully rented business block to Stan Waldenberger, well known young Vermilion life insurance salesman. The business change is effective May 1st. On and after that date the new [illegible] will conduct his business from the office in his newly-acquired building.

Mr. Watkins came to Vermilion six years ago and bought the main street property on which he erected the present building. He opened his real estate and insurance business just five years ago. Mr. Watkins' plans are indefinite at present but [illegible] that he will probably [illegible] business with his only son Lawrence who is a highly qualified welder but just where and when this might take place hasn't come in for any consideration yet.

The new owner is [illegible] to everyone in Vermilion and district. He [illegible] up [illegible] and was for years connected with the Imperial Oil wholesale business with his father Wes, and brother Chester. Last summer he entered the life insurance field and has been active in this line of endeavor since.

Rotary Club Hears Dr. A. B. King

One of the Vermilion Rotary Club Charter members Dr. A. Ben King addressed the Friday meeting. The subject of his talk was coronary thrombosis. As far as this reporter could figure out it is a disease of the blood vessels supplying blood to the heart. Before the discussion was over most of the Rotarians present were sure they had heart diseases of one kind or another.

Fred Stewart introduced the speaker, but by saying that he made a few well chosen remarks is not half the story. The club members will certainly not soon forget his introduction. Following the talk Dr King was thanked by Claude Brennan on behalf of the club.

Mac Simonsen was inducted into the club by the chairman of the meeting Ashley Cooper while Curtis Alfor, a former member of the Peace River Rotary club was welcomed as a new member of the Vermilion club. Mr Cooper was assisted in the ceremony of induction by president elect Jim Robson. Bill Baranyk was welcomed as a guest.

The meeting agreed that Rotary would again sponsor a peewee baseball team in the league with Stan Jones and Gordon Park as coaches.

The chairman announced with regret the resignation of two members, George Senz and Jim Smith who would be away from town so would not be able to attend the meetings.

This week end some thirty club members and their wives will attend the district convention at Grande Prairie.

TAX RATE REDUCED 3 MILLS

Vermilion property owners will pay less taxes this year as the town council at their meeting on Monday night reduced the rate three mills. The overall assessment of the town is also reduced as a result of the new assessment made during the past year. Land assessment on some residential property went up $40 to $50 per lot but that of buildings was generally lowered. The lower tax rate will thus mean a saving of actual dollars to everyone.

The tax rate this year is 50 mills compared to 53 mills for 1957. The municipal rate for 1958 is 18.75, down 2.25 from 1957; school rate remains at 26, the same as one year ago, hospital requirements 7.25 instead of 8 mills.

Tax notices will soon be in the mail and all taxes paid before June 15th are subject to a 5 per cent discount.

Red Shield Appeal Begins — Wm. Anderson Campaign Chairman

Organization for The Salvation Army's annual appeal for funds is complete, according to Mr. Wm. Anderson, campaign chairman. The general canvass will [illegible]

National objective for the 1958 begin on Thursday next, May 1 Red Shield Appeal is $2,500,000. This is the amount needed to meet the deficit incurred in a year's operation of more than 100 social service institutions. Local quota is $2946, the campaign chairman stated.

Special committees have already gone into action, Mr. Anderson revealed, and all workers believe this year's appeal will be the most successful yet.

Captain Morgan, local commanding [illegible] Army, reports that her organization is meeting greater demands in both service and institutional fields. The increased unemployment has created a heavy burden and the local objective must be reached and passed in order to support these additional obligations.

Rotarians to Invade Grande Prairie for District Convention

A group comprising nearly 50 per cent of the membership of the Vermilion Rotary club will invade Alberta's newest city, Grande Prairie, from Sunday to Tuesday. The occasion is the convention of Rotary Clubs for District 536.

The trip north is being made in a chartered bus supplied by the Canadian Coachways Ltd. The Vermilion delegation includes president-elect Jim Robson, incoming secretary Reg Mitchell, Ross Boake, Bill Sutherland, Walt Duncan, Ernie Buckingham, Ken Greenwood, George Webb, Jack Kneale, Bill Pettigrew, Ashley Cooper, Gerald Stephens, Bill Cross, Elmore Stewart, Gordon Park. They are being accompanied by their Rotaryannes, meaning that some thirty Vermilion folk will be Grande Prairie visitors for the three days.

Several members of the Lloydminster Club as well as three couples from Edmonton are making the trip with the Vermilion [illegible].

Board of Trade Hears Harry Brown On Railway Dispute

The Board of Trade at the regular meeting last Wednesday listened to a very interesting address by Mr Harry Brown, locomotive foreman of the C.N.R. Mr Brown dealt with the question of locomotive firemen on Diesel engines. He gave briefly the findings of the Royal Commission in this regard and stated the Commission's final conclusion was that it was unable to secure any evidence to show that safety was affected by employing only one man on diesels.

Mr Brown further stated that the C.N.R. planned to put on a bud car service on this line in place of the regular steam service, and this would probably commence in June. These bud cars can be operated in singles or in multiples. They will give a daylight service between here and Edmonton.

Mannville Oil Lease Sold

MANNVILLE. — Texaco Exploration obtained petroleum and natural gas rights to 380 acres near Mannville for $381 at the sale held on Tuesday by the Alberta Department of Mines and Minerals.

Scores Winner

Brent Macnab is the toast of Vancouver today as a result of scoring the tie breaking goal on Wednesday evening when the Vancouver Canucks defeated the Calgary Stampeders in the opening game of the Western Hockey finals 4 goals to 2. The two teams were battling along on a 2-all score when Brent scored the priceless marker.

An Invitation To Attend Agricultural Society Dinner

The Agricultural Society dinner to be held on Thursday, May 15 at 7 o'clock in St. Saviour's hall promises to be an event of genuine interest and the Society feels it has been most fortunate in securing as guest speaker, Dr. Kenneth Prior, a former student at the School of Agriculture and, for the past thirty years, an agricultural missionary in Africa. Dr Prior, in addition to telling a very interesting story of the agricultural life of other peoples, adds plenty of humor to his addresses and district residents, both men and women are cordially invited to attend.

Special tribute is to be paid to Keith Barr and Betty Robinson, youthful winners of major honours at agricultural exhibitions and worthy ambassadors for the Vermilion area.

A programme is being planned which will have appeal for all and it is hoped that every seat will be taken. It is pointed out that attendance is necessarily limited to 120 and for this reason all interested are urged to make their reservations early. Reservation list will close at noon on Monday May 12 and tickets will be available at the office of the Secretary Manager S. C. Heckbert at $1.50 each. Make your reservation early and avoid disappointment.

Kinsmen Win Zone Bone Athletic Trophy At Veg.

A volleyball team representing the Vermilion Kinsmen club journeyed to Vegreville on Tuesday April 15 in a challenge series against the Vegreville Kinsmen. The Vegreville club has successfully defended the 'Zone Bone' emblematic of Kinsmen athletic prowess in Zone 2, for the past seven months. However the local Kinsmen chose volleyball as their challenge game and caught the Vegreville boys off balance. When the smoke cleared in the Vegreville school gymnasium, the stalwarts from Vermilion had won the series two games to one.

Terry Soldan of the Vegreville club presented the trophy, a reconditioned buffalo skull, to president Jack Wright of the Vermilion club.

Kinsmen clubs from Edmonton, Edson, Barrhead, Wainwright, Grand Centre, Provost and Vegreville are now eligible to challenge the Vermilion Kinsmen club in any athletic activity providing the challenge goes through District Deputy Governor John King of Wainwright. Golf, water skiing, fishing, softball, bird watching, basketball, snooker, marbles and boxing are on the approved list, and the Vermilion Kinsmen have twenty four hours to prepare for any given challenge.

The grapevine has it that the Kalmakoff brothers were Kinsmen in [illegible] ferred to the Edmonton club. However Vermilion's answer to a wrestling challenge will be none other than the mighty Andersons, Bob and Bruce.

Members of the Vermilion volleyball squad were Bruce Anderson, Ed Evans, [illegible], Ferguson, Syd Moore, Bill Novak, Bob Rowe, Johnny Sadow[illegible], Johnny Webb and Jack Wright.

Scholarship and Prize Winners At Vermilion School of Agriculture

The following is a complete list of prizes and scholarships awarded to students at the V.S.A. for the 1957-58 term, also names of the donors of special prizes:

Best kept room in the boys' dormitory — Lawrence Steimach, Wostok and Orest Steimach, Andrew. Boake's Drug, Vermilion.

Best kept room in the girls' dormitory — Emily Mendiuk, Andrew and Eileen Pinchbeck, Mayerthorpe. Long's Drug, Vermilion.

Best apartment work — Emily Mendiuk, Andrew. The Canadian Bank of Commerce, Vermilion.

Best work in preparation for the livestock show at the Little Royal — Ken Stiles, Didsbury. Ketchum Company, Ottawa.

Best model in the fashion parade — Laura Paul, S. Edmonton. Craig's Ltd., Vermilion.

Best work in Home Nursing and Physical Education — Loys Stonehocker, Cherry Grove.

Student showing most improvement during the year — Jack Sanderson, Meadowview. Somerville Co. Ltd.

Student having highest standing in Economics and Co-operation — Richard Schoettler, Vegreville. Vermilion Dist. Co-op.

Staff medal to the graduating student who by vote of the staff [illegible] considered to have made the [illegible] contribution to the Social, Athletic, Literary and Academic Life of the school — Ken Stiles, Didsbury.

SCHOLARSHIPS
FIRST YEAR AGRICULTURE

Vermilion Board of Trade — to the student who has made the greatest contribution to the Academic, [illegible], Literary and Athletic Life of the School. Winner: Jack [illegible], Barrhead.

Clothing and Sewing — Stephens Limited: Laura Paul, So. Edmonton.

The staff of the Vermilion School of Agriculture is sincerely grateful to the many donors who have over the years taken an interest in the work of the school. The prize and scholarship lists have been good ones and it is gratifying to note that many see fit to increase the value of both prizes and scholarships at this time.

Free I.H.C. Show Friday, April 25th

R. H. Norton, International Harvester dealer for the Vermilion area, is sponsoring a free show on new International farm machinery on Friday afternoon, April 25th, commencing at 2.30 o'clock in the Elks Hall.

The films will show the new I. H. machinery for 1958 featuring the all new model 46 McCormick baler and the model 101 combine. Mr and Mrs. Farmer and the whole family are invited, and valuable door prizes will be given away.

Golf Lessons For The Ladies

Golf lessons for the ladies will commence on Wed. April 30 at 2 p.m. at the local golf course. These lessons will be given by Dr King and there will be no charge.

Any new golfers who would like tips on the fundamentals of golf and golf etiquette please be at the golf course on Wednesday [illegible].

Juniors interested in lessons on Saturdays should leave their names with Gerald Stephens.

Drug Stores To Close One Hour Earlier

Commencing May 1st the two drug stores in Vermilion, Boake's and Long's, will commence closing at 8 p.m. Monday through Friday.

80 per cent. of Relief Now Borne By Provincial Government

Eighty percent of the cost of maintaining Alberta residents who find themselves in need will be borne by the Provincial Department of Public Welfare as a result of amendments to the Public Welfare Act during the recent session of the Alberta Legislature. The grant paid to municipalities has been increased by 20 percent and will amount to approximately $325,000.

Right of the Provincial government to recover [illegible] expended on behalf of such persons was rescinded.

Rehabilitation program restoring disabled persons to [illegible] maximum physical, mental, vocational and economic usefulness will be expanded by the department's Rehabilitation Branch

Golden Speedway To Open Stock Car Racing Here May 19th

Stock car racing for the summer will commence here on the Golden Speedway on Monday, May 19. This is the day observed as a holiday for Victoria Day.

Preliminary action to this end was made at a meeting held on Sunday afternoon when the Golden Speedway Club was organized and the following officers [illegible]:

President — [illegible]
Vice-Pres. — Gordon Allen
Sec Treas. — Bob Carmichael
Grievance Committee — Earl Pollard, Nick Kowalchuk.

There was a very good attendance at the meeting and already seven drivers are building cars to take part in the racing this summer. The circuit is presently comprised of Lloydminster and Vermilion but hopes are held out that a track will be built at St. Paul so that that town may be incl[illegible] before the season is too far underway.

TWENTY CARS HERE MAY 19

It is expected that twenty cars will compete on May 19 and competition between Vermilion and Lloydminster cars will be particularly keen. Vermilion cars will all have golden tops in keeping with the name of the speedway so that they will easily be distinguishable no matter where they are racing.

TRACK LENGTHENED

The track two miles west of town has been worked over already this spring and has been made nearly twice as long. This means that the straightaways are much longer than last year allowing the cars to travel at a greater speed. They will thus hit the corners at a fast clip and more trouble in making the turns will mean much more excitement for the spectators and many spills for the stock car speed demons.

Watch for advertising and details on the opening day of races on the Golden Speedway.

FERGUSON TO BE [illegible]

Jim Ferguson of Vermilion has been asked to act official starter at both Lloydminster and Vermilion races for the summer meets. It is expected a second starter will be named from Lloydminster to act as relief when Jim cannot officiate.

Highway Safety Is Topic At Home and School

Cpl Atme, R.C.M.P. of Vegreville, will address the Vermilion Home and School meeting on April 29th at 8 p.m. His subject will be 'Highway Safety' and his talk will be followed by films.

Included in his talk will be the possibility of a driver's course to be held through the co-operation of the Alberta Motor Association.

Everyone is urged to attend as all can do with more knowledge of "Safety on Our Highways".

Elem. Teachers Hold Reception

Members of the elementary school teaching staff held a very interesting reception last Wednesday evening when parents of the pupils attending that school were invited to come and see the work being done by the children, inspect the school they attended, converse with the teachers, and to enjoy ample refreshments.

Work of the children was on display in all its various forms, not just done for this occasion, but the work actually carried on in the classroom every day. Decoration of the rooms was decidedly noteworthy and empha[illegible] the phase of visual aids now so prominent in teaching. As more than one parent was heard to remark, "Children should be able to learn in these surroundings . . . quite a contrast to the bare classroom I sat in."

The reception was very well attended, the parents turning out en masse, and many were the compliments paid the teachers for their initiative and for the opportunity to visit the school under such circumstances.

Board To Honor Stock Show Winners

The members of the Manson Barr and the W. L. Robinson families will be guests of honor at the noonday luncheon meeting of the Board of Trade on Wednesday noon next in the Rio Cafe. On this occasion their outstanding achievement in winning the major prizes at the Edmonton Spring Livestock show will be recognized. Everyone interested is invited to attend.

Home from North

Bobby King who has spent some seven months at Resolute Bay, has now returned to his former base at Namao, making the 4000 mile trip by air. Bob remarked on the big change in temperature. When he left Resolute Bay it was 26 below zero with lots of snow, landing at Churchill it was 20 below, and on reaching Montreal the thermometer read 70 above. However Bobby enjoyed every bit of the experience in the far north. His next posting will be for [illegible] years and he hopes that it [illegible] be overseas, Germany or [illegible]land.

School Sponsors Three-Act Comedy

Vermilion high school students union is bringing to Vermilion on Saturday May 3rd the three act comedy "Brides to Burn". This will be presented by the Lloydminster Little Theatre Group.

The play will be held in the armories on Sat. May 3 at 8 p.m. with admission price of 75c for adults and 50c for students.

The play is an outstanding comedy written by Jay Tobias and according to reports is exceptionally well presented by the Lloydminster group. Proceeds are for students union activities.
41-2

Rotary Luncheon Friday

The Rotary luncheon will be held at the Rio Cafe as usual on Friday, April 25th at 12 noon.

The tree planting project will be held a little later at a date to be arranged.

Maurice Stanley, Pioneer Of Landonville, Dies in Victoria

Another pioneer of the Landonville district, Mr Maurice Stanley, 1145 Faithful Street, Victoria, B.C. was laid to rest on Wednesday, April 16 in Hatley Memorial Gardens, Colwood.

Mr Stanley was born in Carleton County, Ontario in 1880, and came to Landonville, Alberta, in 1908 where he obtained a homestead. In 1919 he married Marie Souder, youngest daughter of the late Mr and Mrs. F. Souder of Allandale. They [illegible] two children Dr. R. F. Stanley, Duncan, and Mrs. E. L. (Vera) Crosman of Vancouver.

Mr and Mrs Stanley developed a very progressive and successful mixed farm until their retirement in 1943. With their departure to Victoria the community lost two of its best friends and neighbors, friends who were ever ready with the encouraging word and assistance for all whose paths were rough, and there were many throughout the years.

While in Landonville Mr and Mrs Stanley were loyal members and supporters of St. Mary Magdalene Church and after moving to Victoria joined the membership of St. John's Anglican [illegible].

To mourn his loss, Mr Stanley leaves his loving wife, Marie, son Floyd and family, daughter Vera and family, one sister Mrs. A. Semple, Victoria, four brothers, Lewis of Victoria, Jim of Peterborough, Ont., Ernest of Clandonald and Vincent of Worsley, Alberta, also a number of [illegible] and nephews.

The officiating clergyman was the Reverend Dr Kenneth [illegible]. [illegible] were Mr Billy [illegible], Mr. Joley, Mr. Dave Piper, Mr. Ayer, Mr Johnson and Mr. Harold [illegible], all old friends of the deceased.

Many very beautiful floral tributes were received both at the house and the chapel from his host of friends both near and far. Maurice will ever be remembered for his cheerful disposition and liberality.

Truly this was a case of another Ontario lad who made good in the great North West.

GIVING WITH A REASON

There is an old saying that thinking comes from the head but giving comes from the heart.

But can we say that giving is entirely emotional?

Giving is a responsibility: it involves thought and reason. The current Crusade of the Canadian Cancer Society appeals to the heart, yes, but also to the sense of responsibility of thoughtful Canadians to help stamp out a sinister disease which kills nearly 21,000 of us each year and which will strike two out of three Canadian families.

Industry and labor recognize this responsibility toward the health and welfare of their workers and their members in an effort to improve working conditions and provide for health checkups — the annual examinations which the Canadian Cancer Society advocates as a means of detecting cancer in its earliest and most curable stages.

This is encouraging progress, but much more needs to be done through research and education to help save the many Canadians who die every year needlessly from cancer. They could have been saved if they had been treated in time.

Any disease as pervasive as cancer robs the Canadian labor force of thousands of lives each year. The cost in dollars and cents reaches into the many millions.

Emotionally we can say that this tragedy can never be reckoned. Let us also think of the appalling loss not only in human terms but in the mounting deficit in manpower and dollars.

We can be thoughtful givers. We can give with our hearts, but we give with a reason — to fight the scourge of cancer.

Canada Needs Them

It's to be hoped there is no general exodus of senior civil servants at Ottawa, says the Financial Post.

Throughout the western world, the Canadian civil service has an exceptionally high reputation among people well qualified to judge its expertness and its performance. Besides brains, many of them have long experience in their jobs.

"The complexity of present day 'big government' makes them invaluable to any set of ministers. They are indispensable to a new regime that consists mainly of amateurs learning their way about the administrative and legislative maze.

"These senior civil servants have talents and qualifications that would command much higher pay in private business than their present salaries. They can't be blamed if they switch connections.

"But it will make life very difficult for Mr. Diefenbaker and his colleagues, and it will be a serious misfortune for the country, if the public service loses any considerable number of them."

Turning your back on one problem brings you face to face with another.

Some people never accomplish anything because they refuse to do a little at a time.

A leader takes 'no' as a request for more information.

The Homemaker

EDNA M. CRAIG
District Home [illegible]
Wainwright, Alta.

This week I have an announcement of interest for those of you with boys or girls between the ages of 13 to 18. It concerns Vermilion Fair summer camp.

Fair Camp will be held again this year at the School of Agriculture from July 21 - 26. Those who wish to attend are urged to send in applications early as a large attendance is anticipated. Practical courses in household science for girls and agricultural subjects for the boys are given and entertainment features are being arranged. Those attending are guests of the Fair Board for the three days of the annual exhibition.

Applications will be accepted in the order in which they are received and preference is given to those who have not previously attended.

Applications and further information are available from my office in Wainwright or from Mr S C Heckbert, Secretary Manager Vermilion Agricultural Society, Vermilion.

It is a worthwhile educational and social experience for boys and girls.

WHAT DOES GOOD HANDICRAFT REQUIRE?

The following suggestions for good handicraft comes from Miss Helen Mousson, Clothing Specialist for the Alberta Department of Agriculture. Keep these in mind when working on articles for the local exhibition this year.

Handicraft is an art possessing good taste and good taste is acquired by applying the principles of beauty. It is important that the article serve the purpose for which it is intended. It should be practical and attractive at the same time. The design should be simple and pleasing and conform to the shape of the piece. There is harmony in a good design and much of it depends upon color used with discrimination. Stylized, conventional or geometric designs that fit the shape of the article are best. Naturalistic or pictorial ones should only be used in pictures.

Proportion is worth keeping in mind. Delicate trimmings belong on delicate shapes, and bold trimmings on bold shapes.

Following these suggestions may ensure you a blue ribbon this year.

Bowtell Bulletin

Deepest sympathy is extended to the Hanna family in their recent sorrow.

Jimmy Repp has bought the farm formerly owned by the late Mr Osinchuk. The land is better known to most of us as Dud [illegible].

Congratulations and all good wishes go to the newly weds, Mr and Mrs. B. Creteau (nee Mary Gow).

The writer is sorry to learn that Mr J. Hardie is a patient in the hospital. Mr and Mrs. Walker have been on the sick list also.

Margaret Robinson spent the week end with the B. Hanna family. Frances Sherwood visited the same time with her aunt and uncle, Mr. and Mrs. A. Coutts.

Tractors are humming early and late but it also sounds as if they are stuck quite a lot of the time in muddy spots.

Bobby King is home on a week's furlough from air force duties at Resolute Bay. He will then be posted in Edmonton.

Mr and Mrs. Robinson and Bryan were Sunday visitors at the Freestone home.

Prize winners at the recent card party held at the Payne home were Edna Payne, Thelma Robinson, Kathleen Payne. Gents prizes went to Isabell Repp playing as a gent, Frank Robinson, and Dick Payne.

Viking Car Bingo

Numbers drawn on Saturday, April 19th: I 27; N 37; N 38.

The following is a list of the numbers drawn to date in the Viking Curling Club's car bingo:

B -- 4, 1, 13, 2, 5, 12
I — 18, 21, 29, 30, 25, 19, 22, 27,
N - 35, 43, 44, 31, 34, 37, 38
G — 51, 54, 57, 60, 46, 53, 48, 58, 59
O — 66, 61, 63, 73

The 4-corner bingo has been won.

Cards are available from Mr. Walter Fisk in Vermilion.

Establishment of Homes For Aged Made Easier

Establishment of homes for the Aged in Alberta municipalities will be made easier as result of amendments to the Home for the Aged and Infirm Act approved at the recent sitting of the Alberta legislature.

The previous requirement demanding title to any such home being vested in a single municipality has been changed to permit ownership of a home also being held by a company. This permits easier co-operative effort by municipalities participating in construction and operation of a single home. The company may be made up of representatives from the co-operating municipalities, and each municipality may finance its share through sale of debentures.

Under the new system, the grant from the provincial government may be payable to the company instead of only to one responsible municipality as formerly.

Financial assistance for such homes have been materially increased under amendments to the act. Grant for construction of a new building is on a per capita basis at the rate of $1500 for facilities provided to maintain each resident housed in the home.

For reconverted structures the grant is based on the rate of one third the cost of conversion, or $750 for each 200 square feet of occupied floor space, whichever is the lesser. Structural additions to existing buildings are considered reconversions under the act.

All plans are subject to ministerial approval prior to commencement of construction. The grants are payable in three instalments. The first follows commencement of framing operations, the second at aproximately mid-point in construction and the final portion when the building is ready for occupancy.

Vermilion Elks Newspaper Bingo

Number drawn Friday, April 18th: B 2.

B — 1, 9, 13, 14, 5, 12, 10, 2
I — 16, 18, 19, 20, 23, 21, 24, 28, 30, 26, 27, 25
N — 32, 35, 39, 41, 36, 44, 33, 42,
G — 48, 50, 55, 56, 53, 46, 59
O — 61, 65, 72, 73, 62, 63, 60, 68, 74

"GREEN ACRES"

BURNING STUBBLE

This year as well as last it is against the law to burn stubble unless the land owner obtains a permit from the fire guardian. It is a mistake to burn stubble as it should be worked into the soil to [illegible] wind and water erosion. These points are very important for the well being of farmers and their land. I hope that farmers in this area will not put a match to their stubble fields [illegible] getting a permit and I hope they will have a good reason before asking for a permit.

MASTER FARMERS

The master farm family programme will be conducted again this year. As most people know this is a programme whereby five prizes of $1,000.00 each will be paid by the Alberta Government to farm families who have stood the highest in their respective regions. All that is required is for three farmers to nominate a neighbour for this programme. I would like to get some nominations for this district. Please see me for particulars and an application form.

LICE ON DELPHINIUMS

Every year I see delphiniums that are ruined by plant lice (aphids). It is too bad to let plant lice destroy these lovely flowers. Black-leaf 40, DDT, and malathion will kill plant lice. I use malathion myself as it seems to control all kinds of insects very [illegible] for [illegible] lice on columbines, glads, dahlias, etc., spray as soon as noticed.

HORTICULTURAL GUIDE

The 1958 issue of the Alberta Horticultural Guide is on hand. Have you got your copy? Recommended varieties of vegetables, flowers, apples, etc., for this district are listed. All varieties of vegetables are not suited for freezing. The Guide lists the varieties you should use if you are using a freezer. Then there is good information on controlling garden insects, plant diseases and weeds.

GLADS AND DAHLIAS

Both glads and dahlias should be started in shallow boxes inside. Peat moss is the best filler but vermiculite, sawdust and sand can also be used. These bulbs can be planted in the garden when danger of frost is past.

If planted outside by May 20 any growth above ground should be well covered if frost threatens.

HEAT LAMPS

Infra-red heat lamps for brooding chicks, poults and [illegible] are a boon to farmers [illegible] ing steady heat to [illegible] birds and animals. Thermometers are not necessary as the actions of the livestock soon tell the operator if they are getting enough heat. Circulars on heat lamps and brooders are available from this office.

Men have been known to use gold bricks in the construction of their air castles.

NOTHING BUT THE TRUTH by Ross Arnold
KEEP FIT, GIRLS! Almost one-third of the adult population of the U.S. is OVERWEIGHT — and 60% of the women of the 50 to 70-year age group!
LIGHTNING WILL MORE LIKELY STRIKE A HEALTHY TREE THAN IT WILL A DEAD, DRY TREE!!
SNAKES ARE A STRANGE SPECIE OF LIFE — SOME ARE BORN — AND SOME ARE HATCHED!!

F.U.A. Sponser Well Attended Amateur Programme At Dewberry

DEWBERRY. — The annual amateur hour sponsored by the local F.U.A. was held in the school auditorium on Easter Monday. A large and appreciative audience was in attendance. There were contestants from Clandonald, Kitscoty, Marwayne and Mannville, as well as local talent. There could and should have been more local talent on hand as we know it is here. Come on folks, don't hide your ability to entertain. Next time turn out in grand style.

Prizes were awarded as follows:

Vocal, 1 to 8 — 1. Ann Holman.

Instrumental 1 to 8—1. Marion Allen, Kitscoty.

Recitation 1 to 8 — 1. Wayne Hale; 2. Loretta Holman; 3. Jerry Sinclair.

Vocal 8 to 15 — 1. Deanna Butz; 2. Wynonna Lunden; 3. Jerry Kada and Patsy Thiesen, duet, Clandonald.

Instrumental, 8 to 15 — 1. Cheryl Jones; 2. Isabelle Jones; 3. Elaine Fitzpatrick.

Adult Vocal — 1st. Evelyn Parker; 2. Mrs. Donald Maddex; 3. trio, Mrs. Jones, Mrs. Craige and Mrs. Davis.

Adult Instrumental — 1. Ted and Dennis Allen; 2. Doris, Dennis and Ted Allen. 3. Doris and Dennis Allen (Kitscoty).

Miscellaneous class was won by Dewberry Acrobatic group.

The judges were Mr. Hume of Lloydminster, D. Schlitt, CKSA, Harlan Green and Mrs. Donald Mathison.

At times the judges were faced with a very difficult task as judging was done on a basis of the best of a possible 240 points. Some were just one point apart. The F.U.A. wish to thank the judges and all who attended the amateur hour program.

Mr. John Anderson was the very capable M.C. A dance followed in the hall which was packed to capacity.

Health Unit Notes

Rats are steadily invading Alberta and as people generally seem to be unaware of the extent of the damage to property and disease they are responsible for, there is set below a list of diseases associated with rats.

WEILS DISEASE

This is primarily a disease of rats and in some cases up to half the rat population may be infected. The germ which causes the disease is excreted in the rat urine and can gain entry to the human body in two ways. (1) The germ is excreted into water and if anyone comes into contact with this water the germ can enter his body through minute breaks in the skin. (2) Food may be contaminated with rat urine and if this food is eaten the germ enters the blood stream from the stomach. Weils disease is characterized by fever, general malaise, kidney [illegible] and usually jaundice after four or five days. The disease causes an absence from work of up to six weeks and in some cases has been fatal.

TRICHINIASIS

This is caused by a worm and the spread of infection is from rat to hog and from hog to man. The hogs eat dead rats which are infected and the worms grow in the hog muscles. Anyone eating this hog meat inadequately cooked will be infected with the worms. The symptoms include loss of apetite, abdominal pain, vomiting and diarrhoea and after two weeks severe muscular pain. The disease runs a course of several weeks.

TYPHUS FEVER AND SCRUB TYPHUS

This disease is transmitted from rats to humans by a flea. Symptoms include high fever, headache, pain behind the eyes, dizzyness, noises in the ears, cough and pains in the limbs. The patient is mentally confused and excitable and a course red rash appears after about four or five days. Possible complications include cerebral haemorrhage, often neuritis, nerve deafness, gangrene of feet or hands, pneumonia and arthritis. The disease runs a course of twenty days and the patient is convalescent for many years after this.

RELAPSING FEVER

There is a sudden onset of fever, weakness, abdominal pain and vomiting. This lasts four or five days, then a fine rash appears and the patient begins to feel better. After a few days a relapse occurs and the sequence of events is repeated. This continues for two or three months and then the relapses get less frequent and less severe. This means the total course of the disease lasts for several months. It is transmitted from rats to man by tics and fleas.

BUBONIC PLAGUE

This is spread from rat to man by the rat flea. There is a sudden onset of headache, backache, high fever, and complete collapse in a few days; extreme enlargement of the glands all over the body occurs and they are painful and tender. Delirium and convulsions sometimes occur and seventy percent of all cases are fatal.

RAT BITE FEVER

Due to an actual bite of the rat. The wound heals and then after one to three weeks shows signs of irritation. This is accompanied by fever of an undulating type. It is common in children who are likely to be bitten by a rat while sleeping. There have been several cases of extreme mutilation of a sleeping child by a rat.

FOOD POISONING

The rat carries the organism in its digestive system and food stuffs may be contaminated by the rats urine or faeces. The patient has cramps, abdominal pain, vomiting and diarrhoea, a dirty tongue and an extreme feeling of weakness. The illness lasts for several days according to the severity of the infection.

All diseases can be prevented by only one method — preventing the rats from getting established.

A daylight train service will be inaugurated between Vermilion and Saskatoon.

After a residence in Islay of some twenty years Mr Albert Trumbo has gone back to his old home near Chicago.

J Millar successor to Darrah and Darrah Islay has now moved to town and purchased the Bob Darrah house.

Rev. J H Graham incumbent of St Saviour's has been appointed to a parish in the Huron Diocese Ontario near Owen Sound.

Fine weather during the past week has enabled farmers to push operations on the land. Some wheat seeding has been done.

Shower Honors Miss Eileen Balduc

Approximately forty ladies gathered at the home of Mrs. Sid Burdett on April 17th to honor Miss Eileen Balduc at a miscellaneous shower. Co-hostesses were Mrs E M Stewart, Edith Gunn, Mrs. Ted Dell, Mrs. E. Trocher, Miss Dianne Taylor and Miss Jean Burdett. The evening was spent playing games and amusing contests after which Eileen was presented with a decorated grocery cart of many beautiful and useful gifts, and was assisted in opening them by Miss Lillian Misick. Following the opening of the gifts, Eileen very sincerely thanked the ladies present for all the beautiful gifts received. A delicious lunch served by the hostesses brought a most enjoyable evening to a close

Shirley and Colleen Calvert take delight in picking crocuses with the largest number of petals. This spring they ran across quite an oddity a crocus with 21 petals. The clump of flowers of about one dozen all had 14 or more petals. This is twice the number usually found on a [redacted]

WILDMERE WINKS

Remember folks, service this Sunday April [illegible] will [illegible] in Wildmere Church, [illegible] at the school as before.

Our deepest sympathy is extended to Mr. Dave [illegible] and family on the loss of a loving wife and mother. We always remember the kindness Mr. and Mrs. Brown showed us when Peggy Graham had appendix trouble and our roads were blocked with snow. May you all find comfort in knowing she is now at rest.

Wildmere W.I. held its April meeting at the home of Mrs. Roy Dibben and as the writer was unable to be present we have no report on the meeting. The next meeting will be held at the home of Mrs. F. Gibson on May 7. Roll call — name a breed of dog; Topic — Mrs. Dibben; Social — Mrs. Wilson; Lunch — Mrs. Haines, Mrs. Holte and Mrs. Howard.

Preston Central Home and School was held last Tuesday evening. Mrs. L. Alexander is the delegate to the H & S Convention to be held in Edmonton May 7 - 9. After the business was over, Mr. A. Palin was guest speaker and he showed some slides of the Agricultural Schools. These slides were very much enjoyed. There were three V.S.A. graduates at the meeting: Mrs. H. Symes, Baillie Holte and Roy Dibben.

Wildmere W.A. meeting was held in the Preston Central School with six members present. Mrs. Howard had the devotional. 'Gospel of Easter' read by Mrs. Holte. Devotional for May — Mrs. W. Westman. Lunch — Mrs. Haines and Mrs. Gibson.

On Friday evening the W.W.I. held a Grocery Bingo at Preston School with a very nice crowd. Mrs. Robert Smith won the grand prize of a box of groceries.

We are sory to hear that Mrs. W. Ford of town has been a patient in the hospital and that Howard Coborn of Battleview was also rushed to hospital last week. To all these sick people we wish a speedy recovery.

Several Wildmere-ites attended the dance at Woodvale Hall on Friday evening.

A large crowd attended Leeman Clark's sale on Tuesday afternoon and nearly everything was sold at fair prices. Leeman has sold his farm to Mr. and Mrs. Frank Wilhelm of Thorncliffe.

On Saturday afternoon Mrs. George Harrison of Battleview had a 'shower' for Mrs. Stewart Eyben (nee Audrey Symes) and Wildmere ladies were invited. Around 25 ladies gathered. Among them were Mrs. J. Moses of Thorncliffe, Mrs. Waterfield of Islay and Mrs. Capatos of Vermilion. Audrey received a lovely lot of useful gifts. Some were amusing and caused a good laugh. As each gift came up the owner had to act out the contents and Audrey was to guess what it was. Mrs. Eyben heartily thanked everyone for all their kindness to her and invited anyone who goes to Edmonton to visit her and Stewart.

Everyone enjoyed the delicious lunch and the piano selections by Mrs. Waterfield.

We were pleased to see Mrs. Geo. Symes and Mrs. A. Seale who we do not see very often. Hope you were not any worse for your outing Gladys. May Audrey and Stewart have many happy years together. Thanks Mrs. Harrison for the nice afternoon.

TENDERS

Separate tenders are invited for the purchase of one barn and one coal shed located on the Triangle school site. Tenders must be in the hands of the undersigned by May 15th. Highest or any tender not necessarily accepted.

Wm. McGrath, Sec'y.,
Tolland Community Assoc.,
Tolland P.O. 41-2

McLAUGHLIN'S SELF-SERVE

'The Bible Today'

Some 700 copies of Scriptures have been distributed on the American side of the St. Lawrence seaway by a theological student employed as part-time colporteur by the American Bible Society.

Lawrence G. Spriggs, a former professional skater and now a student for the ministry, is visiting the trailer courts and temporary cabins along a sixty-mile strip of northern New York State, encouraging families to buy and read the Bible. He leaves an illustrated Gospel in each home. There are 4,000 mobile homes in the area, so the part-time work will take the salesman several months to complete.

Suggested readings for next week:

Sunday — Philippians 3:1-21
Monday — Colossians 3:1-25
Tuesday — Colossians 4:1-18
Wednesday — 1 Thessalonians 4:1-18.
Thursday — Psalms 97:1-12
Friday — Psalms 98:1-9
Saturday — Proverbs 30:1-33.

The man with a weak character is the one who is continually trying to have it vindicated.

Mannville and District Local News

Mr. and Mrs. Ken Scoggins have had as their guest, the former's sister, Mrs. Ian McLeod (nee Velma Scoggins) of Prince Albert. While here she motored to Elk Point with Mrs. Mae Wyllie, also a guest of the Scoggins' family, from Vancouver, and Mrs. K. Scoggins to visit Velma's sister Mrs. Beatty there.

Rummage, Bake Sale And Tea Profitable

MANNVILLE — The annual Rummage, Bake Sale and Tea held Saturday last was most successful, netting $193.16. There was a good display of home baking, plenty of bargains in used clothing and shoes and numerous other articles. Any clothing not sold was sent to the Salvation Army at Vermilion. Appreciation is expressed to all W.I.'s who turned out so well to help and to the public for their support. Results will insure the Rest Room and Library to be kept going as this is their only means of assistance. The committee was more than pleased at the result. It was the best attended Tea to [illegible]

Mrs. Margaret Baguley and family have returned from a visit to the west coast recently where they called on friends and relatives. Mrs Baguley, employee of the local Bank of Commerce, is on holidays.

** * **

Mrs. T. Henderson is a patient in the University hospital and is reported progressing favorably.

** * **

Latest word on progress of Claude Ramsey reveals he is on regular diet and has attempted a little exercise, which is good news.

** * **

Mrs Grace (Nicoll) Phillips and family have been spending a week's holiday with sister Mrs. Len Manz and family. Her husband came on Sunday to take them all home.

** * **

Little Miss Daphne Hughes brought the first buttercup and the first bouquet of crocuses to the writer of these notes on Friday.

** * **

Miss Gwen Symington formerly of Mannville was the guest preacher at the New McQueen Memorial United church on Sunday when she with other students from St. Stephens College, took all the United services on Sunday. Gwen is the daughter of Mr and Mrs Russell Symington now of Edmonton.

Mr. and Mrs. E. Kroller left Saturday morning via train for Detroit where they will pick up a new station wagon and a truck and drive back.

News from Dewberry

Congratulations to Mr. and Mrs. Vernon Keast on the birth of a daughter, also to Mr. and Mrs. James Ryan on the birth of a daughter. Both were born in the Islay hospital.

Nixie Curtis is a patient in the Islay hospital and so is Mrs. Frances Gray.

Evelyn Parker and Mrs. W. Curtis spent a week or so in the Elk Point hospital. Evelyn to undergo treatment and Mrs. Curtis to have some teeth extracted.

Mrs. Bob Gordon and Joe Ryan Jr. were week end visitors at the Ryan home.

Gary Garnie of the R.C.A.F. has returned to his training base after spending a two week leave with relatives here.

Donna Fleming is home from Vancouver where she had spent the past year. She returned with her parents, brother and sister when they came back after a trip to B. C. and the States.

Mr. and Mrs. James Munro and family spent a few days with James parents in Dewberry.

Mr and Mrs. Milo Hodgson and family spent the Easter holidays at Red Deer.

Mr and Mrs. Witzaney and Pat visited Saskatoon during the Easter recess.

Mr. John Anderson has been taking part in the Civil Defense exercises in Edmonton.

Mr. and Mrs. Fester and son Michael have moved their trailer into town. Mr. Fester is teaching grade eight here.

Mr. Wm Braithwaite has purchased the McKay hardware and will move there in due time and operate a grocery and hardware business.

Try and attend the play in the school auditorium on April 26. The high school players under the direction of Mr. Angus Smith will be the actors.

Mr and Mrs Harold Matheson, Mr and Mrs Jim Hores, Mr and Mrs George Joy, Mr and Mrs Bill Brock all spent Easter week end in Prince Albert to attend the wedding of their nephew Ross Jardine, son of Mr and Mrs Thomas Jardine.

Mr and Mrs John Ritt were recent wedding guests at a wedding at Retaler.

Derwent Locasl

A 'Spring Prom', dance sponsored by the Derwent High School Student's Union was successfully held at the school auditorium. Music was supplied by the Vegreville Troubadours.

** * **

On Sunday April 20 a memorial concert was held at the National Hall to honor a great Ukranian poet, Taras Shevchenko.

** * **

An IH show was held at the Derwent Town Hall with interesting films shown on Farm machinery. The show was sponsored by Mr. Clarence Algot IH dealer in Derwent.

Husbands! Wives!
Get Pep, Vim; Feel Younger
Thousands of couples are weak, worn-out, exhausted because body lacks iron. For new younger feeling, after 40, try Ostrex Tonic Tablets. [illegible] All druggists.

CLAYSMORE CLIPPINGS

Mr and Mrs. Allan Olstad and family were supper guests at the Jack Willes home on Sunday evening.

Mr and Mrs. Flor Gruenveldt and family were Sunday supper guests at the Jim Horne home. Afternoon callers were Mr and Mrs Chris Emsland and family of Lloydminster.

Mr and Mrs. Ernie Larcombe and family motored to Frog Lake on Sunday.

The Allan Olstad family were supper guests at the Tim Nelson home in Vermilion on Saturday evening.

Russell Van Nest has returned home after a two week stay with Leonard Nelson at Lea Park.

Mr and Mrs. Harry Williamson were Sunday callers with Mr and Mrs Robert MacMillan and Laurie Horne.

Mr and Mrs Oliver Willes and family were Sunday guests with the Ken Kennedy family at Buffalo Coulee.

Elevator Row has been busy this past week. Quite a number of farmers are combining and threshing. George Schumaker of Mannville has been busy removing grain from the Pool Annex.

There is to be a dance at Claysmore School on Friday April 25 sponsored by the Farmer's Union. Come out and support your farmer's union.

Mr and Mrs. Mike Maick and family were Saturday evening visitors at the [illegible] Rose Isaac home.

[illegible] Van Nest is employed at the [illegible] Jarrott Jr. farm at Wildmere.

Several ladies from Claysmore attended the W.I. Tea and Rummage sale in Mannville Saturday afternoon.

Mr. Percy Willes returned home from the Mannville hospital on Monday. Sure hope you're a lot better now Mr. Willes.

The W.I. meeting for April was held at the home of Mrs J. Scott. There were eight members present and two visitors Mrs F. Mills and Mrs Bud Scott. All enjoyed a very interesting and well prepared report by Mrs. F. Larcombe of the W.I. convention held in Edmonton March 27 and 28. These reports help to keep the members well informed of the work carried on by the various branches during the year.

The tea and rummage sale to be held at Mannville Orange hall on April 19 was discussed and plans made [illegible] branch members [illegible] committees and helping for the day.

[illegible] flowers and Mrs R[illegible] different flowers and [illegible] made and members [illegible] flower making [illegible] meeting. This meeting is at Mrs. G. Watling's May 14.

After the meeting was closed several of the ladies present helped [illegible] serve a very delicious lunch.

Mr and Mrs. J. Durrer were Sunday afternoon visitors at the home of Mr and Mrs N. MacHardy.

[illegible] home of Mr and Mrs Robert Miller during Easter week was their daughter Mrs. Margaret Shannon and small son David and Mrs F. Miller of Onaway.

Other people who called during the week were Mrs J. Van Nest, Mr and Mrs H Humber and Mr and Mrs Peter Krushinsky.

Home and School In Buzz Session At Mannville

MANNVILLE. - Thursday evening of last week marked the regular meeting of the Mannville Home and School Association, with a fair attendance. It was decided to send a delegate to the Home and School convention in Edmonton this year. Mrs. M. Forsyth was chosen to represent this group for the three-day affair May 7, 8 and 9. A lively buzz session ensued as a result of the following topic introduced regarding the Cameron Royal Commission "If you were going to appear before this Commission what changes in Alberta's school system or curriculum would you recommend." Comments and suggestions were interesting and provided food for thought.

You can't get rid of a bad temper by losing it.

Does Own Wash On 88th Birthday

MANNVILLE. -- On the occasion of Mrs. Harry Drayer's 88th birthday, the evening of April 12, members of her bridge club honored her with a party and much fun was had reminiscing over old times while cards were enjoyed and later lunch. Mrs. Drayer when interviewed by the Standard reporter, had just put out her wash, and this shortly after nine a.m. She does all her own work and rises at 6 or 7 at the latest during the summer months. Hearty wishes are extended for many more happy years.

Red Cross Total Soars At Mannville

MANNVILLE. — Soaring to a new high, Mannville Red Cross contributions have reached the new total of $455.05, with a few more contributions to come in. This total exceeds that of last year by a few dollars, a fact which is certainly appreciated by the local Red Cross branch.

Happy Hour W. A. Sponsor Card Party

MANNVILLE. — On Friday evening of last week the Happy Hour W. A. sponsored a card party with approximately forty-two present. Fun and fellowship were evident between hands of whist or bridge, and lunch concluded the effort. Winners at cards were: Bridge — Lady's 1st, Mrs. Sweeney; gent's first, Mr E. Hubbard; lady's consolation, Mrs. C. Manz; gent's consolation, Mr D. Norman. Whist winners were: lady's first, Mrs. L. Colborne; gent's first, Geo Jackson; lady's consolation, Mrs. G. Jackson, and gent's consolation, Mr. W. Mc-Cauley. There were six tables of bridge and four of whist.

NEWS from ISLAY

It was a most gratifying evening Monday at the Knox United church when the C.G.I.T. girls of Dewberry under the guidance of Mrs. Neil Jones, were affiliated with the Islay Women's Missionary Society. Mrs. Sweet, the Islay president and Miss Anderson acting for Mrs. R. R. [illegible] of Lloydminster, received the girls. The program began with the C.G.I.T. carrying out their usual meeting, which was exceptionally [illegible] done. Miss Sherril Jones played the organ for their several hymns and trio remarkably well. The girls presented the Islay W.M.S. with a gift of their Mission [illegible]. The Islay ladies [illegible] took part in the program, [illegible] Inman and Mrs. Martin sang a duet, [illegible] Axley and Mrs. Torrance a duet, with Mrs. Lila Waterfield at the organ; then a humorous skit "Putting Spice into Housework" was presented. There was a film strip and a record on Japanese life among the young people of Japan. It was hoped to have the film of Mrs. Watari but it could not be obtained for this date. The meeting was closed with a prayer by Rev. Mr Shortt. After a sing song all moved into the church hall where tables were set, making a pretty picture with flowering plants, place cards and plates of tasty sandwiches and cakes. The 4-H Cooking club were guests so to get acquainted the place cards were arranged with a C.G.I.T. girl beside a 4-H girl. The 4-H club recited their creed and sang their grace at the table. There were quite a number of mothers of both clubs present, as well as members of the W.M.S. Rev. Mr. Shortt and Mrs. Shortt were also present. Mr. Shortt very kindly managed the running of the film.

A most pleasant and stirring evening was enjoyed, may we have more of the same.

Mannville Man 25 Times Blood Donor

MANNVILLE. — Edwin Torrance receives the distinction of having donated blood for the 25th time. Besides this contribution, Edwin also puts up all the Red Cross flags for the Ladies' Auxiliary to the Canadian Legion in prominent places for all to see and recognize on the day of the clinic.

The Standard does not hold itself responsible for opinions expressed by correspondents

Vermilion, R.R. 3,
April 15th, 1958.

Editor, Vermilion Standard,
Vermilion, Alberta.

Dear Sir:

I was wondering what your Board of Trade in Canada found so much bad about Socialism, Public Enterprise as opposed to Private Enterprise.

The farmers of Canada do not seem to have done so well under private enterprise. Mr. Diefenbaker's offer of a little socialism in the way of support prices and increases in the old age pensions seemed to go over well. Mr. Bruce Hutchinson writing in the Edmonton Journal sees how the old line parties purloined the policies of the CCF on the expanding of the Welfare State. The private enterprisers [illegible] relying on the government controlled mechanism of money, Mr. Hutchinson's own words. What we need is lots of credit and pegged prices.

I see where the Cancer Society is making its appeal (Alberta's goal $300,000) that should be easy in Alberta, let each [illegible] contribute the $20 the provincial government handed out last year for such purposes as this.

Hardy Wear.

Clandonald W. A. Makes Plans

The Clandonald United Church W.A. meeting was held April 9 at the home of Mr. and Mrs. E. Gower with nine members present.

The ladies decided to clean up the manse on May 1st as the student minister will arrive May 9th. This means Mr. MacKay's services on the 20th will be the last for this season.

The next W.A. meeting will be held in the United church on May 8th. Allandale ladies are all invited to come and hear the report by Mrs. Opel Cooper who is attending the presbytery meeting in Red Deer.

The evening closed with a very tasty lunch served by the hostess assisted by Mrs. L. Goddard.

NOVEL ASH TRAY
Bert Osbaldeston has taken up making novel ash trays, his latest one is designed with ginger ale bottle caps. Bert recently presented one to the Standard Office and also forwarded one to the Ginger Ale people in Calgary who acknowledged it with thanks.

Mannville High School Play Proves Clever Production

MANNVILLE. — Well-received was the recent presentation of the High school's play "Quit Your Kiddin'," directed by Mr. Angus Smith of the High school teaching staff. Opening the evening with "O Canada", M. C. Brian Kufeldt welcomed all those present, approximately 450 people. The stage setting was most attractive and boasted a realistic stairs which were very much in use at all times. The players were well cast, parts well acted and the direction was excellent. From the time that Mrs. Buford entered the stage with her twins staging a later arrival, a lively evening was assured the audience. With mother struggling to make ends meet and one daughter assisting in the financial battle, Aunt Sophronia decides to pay a visit — she hates boys and one of the twins Winnie, (short for Winston) is one — so the fun begins when Winnie dresses as a girl in order to gain favor and $5000 as will the other girls Evelyn and Twin Binnie. As the Bufords hire a maid, we meet Camelia, who as the backwoods gal, in old style dress, is a riot from start to finish. In the supporting roles of Spike, Mel, Tom and Travis, friends of the family, all were equally strong actors. The part of Mother (Mrs. Buford) was also a strong one, with plenty of action entailing a great deal of speaking.

Personnel of cast follows:

Mrs. Buford — Alice Winters
Daughter Evelyn — Merlyn [illegible]
Twins Winnie and Binnie — David Croft and Loretta Swain
Aunt Sophronia — Josie Mc[illegible]
Spike (a neighbor) — Benny Bury
Tom (florist) — Lorne Songgies
Mel (interne) — Walter Smart
Tina — Rheta Bauer
Betty — Dianne Bauer.

Make-up artists were Jeanette Peskilvets and Donna Doherty.

All ends well as Auntie suffers an ankle injury and decides that men are O.K. and Winnnie gets $25,000 as he removes his girl's disguise, a wig.

This was definitely a treat for all drama lovers and we hope another play follows soon.

After the introduction of the cast and director, 'The Queen' was sung and an enjoyable evening came to a close.

Meeting of the Marwayne H. & S.

The meeting was held Tuesday April 8th with a small attendance, owing to the Easter holidays.

Mrs. Reishus class won the book for the March meeting by a very small margin over Mr. Gardiner's.

Gross receipts for the card parties was $156.50, leaving about $125.00 clear. This was considered very good. Many of the prizes were donated. A vote of thanks was made to the score keepers, Mrs. Sinclair and Mrs. [illegible]

It was decided that there will be no May meeting -- owing to the rush of the season and so many other events going on.

Money was voted to send a dele to the convention in Edmonton May 7, 8, 9. If any can go would they please contact the executive. We have a resolution to put before the convention and it will not be considered if this Association isn't present to move the adoption.

It was decided to have a banquet, and a dance with lunch served at 12.00 o'clock to honor the graduating class. Mr. Gardiner is to be consulted as to the date and various other details. Committee for this, Mrs Harrington, Mrs. Gray, Mrs. Hathaway and Mrs Midgley. Dance conveners Mr E. Gray and Mrs Sinclair.

Those on lunch for June meeting are Miss Hannis, Mrs Hathaway and Hutchinson for cake. Miss Howe, Jim Hale, Mrs Rauben Johnsons for sandwiches.

Next meeting will be held on June 10th.

Alberta Boy Scout Jamboree July 5-12

More than 1,550 Boy Scouts from Alberta and the NWT will attend the second Alberta Boy Scout Jamboree from July 5 to 12 inclusive. This was announced this week by J. A. W. Blake of Calgary, jamboree chairman.

The campsite is in the picturesque Hillsdale Flats region of Banff National Park — in the shadows of Mount Eisenhower about 12 miles west of Banff on the old Lake Louise highway. All boys attending the jamboree must be second class scouts by May 31st.

"Looking Ahead" is the theme of the jamboree which will feature scouting survival camping. While spending a week under canvas, the scouts will be afforded the opportunity to participate in many beneficial activities such as demonstrations, scout skilday, tours, hikes and morning [illegible].

The jamboree will be divided into four sub-camps.

Father and Son Banquet Held by The Paradise Valley Scouts

PARADISE VALLEY. -- On Tuesday evening Troop No. 1 held a father and son banquet in the United Church Sunday School hall. Over 60 sat down to a very fine banquet prepared by the scout mothers. Rev. Johnson gave the invocation. After the main course Scoutmaster Rev. Mr. Potter proposed the toast to the Queen. After dessert Mr Potter gave an outline of the Scout movement started over 50 years ago by Lord Baden Powell and how it has spread throughout the world. Gerald McLean proposed the toast to the fathers and David Clark replied. Don Levitt proposed a toast to the Cubs. Tommy Walters replied. Nick Stepanoff's toast was answered by Bruce Davidson. Rev. Potter proposed the toast to the scouts and Jim Doty replied. Assistant leader Bill Brassington to the scouts replied to by Don Deaville. Ronnie Rayson proposed a toast to the group committee and Emil Knor replied. The toast to the mothers was proposed by L. Nyastvold and was answered by Mrs. L. Knutson. After a few impromptu speeches the meeting adjourned for a short while and then pictures were shown by Scoutmaster Potter and Emil Knor. This was a very worthwhile effort and we are sure more interest will be shown in the Scout movement. It is very discouraging to those who give time and effort to this work. It is up to the parents to see that their boys join up as it is the time of their lives when they are laying the foundation of their character of tomorrow.

"Are Today's Children As Important As Yesterday's?"

(Continued from last week)

ISLAY. — A paragraph taken from "Parents' Code of Ethics" [illegible]

"I will establish a direct and personal contact with the school my children attend by availing myself of the opportunity to visit it and get first-hand information regarding the equipment, teaching and activities of the school"

The welfare of every child is the guiding principle. The Golden Rule must be upheld.

The question was put "What has your Home & School accomplished?".

To answer that we may say that H. & S. may not show concrete results too much as the H. & S. has to do with the social and human relations. Listing ours we have:

1 Health — An address by Miss Ross on immunization; Mr Boulton, the sanitary engineer, dealing with many things; smoking at school checked; Talk by Miss Bailey, nurse from the Health Unit centre.

2 Safety — Mr McKay of the Highway Safety; also got hand rails on stairways.

3 Recreation — Donated to baseball uniforms, got swing and extra ball diamond.

4 Common Influence — Sponsor Cub Pack.

5 Education — Credit system explained; new report cards, Civil Defence, talks; scholarship.

6 Social — Supply and prepare treats for school at Xmas and June, hold card parties, sent two boys to Jasper for a leadership course.

These are a few of our accomplishments. The Home and School could study to learn what schools are doing and trying to do.

Five years for a H. & S. organization isn't long enough to establish what it can do. Any person may learn something as long as he lives so can a Home and School organization as long as there are living [illegible] in it. Are parents and others interested in what the children are doing at school? Your community is what your home is — what your school is.

A certain principal of a city school says "H & S Association is a training ground for leadership.

Our teachers view H. & S. Associations thus:

Home and School meetings provide an unequalled opportunity for parents and teachers to come together in an understanding atmosphere where the common goal is the best education possible for all children.

An enthusiastic H. & S. group acquainted with school conditions and the possibilities for their improvement can greatly influence public opinion. And no improvement in school conditions is possible until a strong public opinion approves and demands it.

Very important to the teacher is the opportunity to become acquainted with the parents of their individual students. This acquaintanceship makes possible a more intelligent understanding by the teacher of the childrens needs and potentialities.

Then, too, an intelligent understanding by parents of the work and methods of the school helps to develop a loyalty among the children and the teacher's efforts become more effective.

Last but certainly not the least important to either parent or teacher is the [illegible] that discipline usually becomes easier when the child realizes that father, mother and teacher not only understand each other, but are *WORKING TOGETHER.*

Dewberry Ladies' Aid Meet

The monthly meeting of the Dewberry Ladies' Aid was held at the home of Mrs. N. Jones with seven members and Mrs. F. Durnin as a visitor, present. The opening hymn "Take My Life" was followed by readings from the 12th chapter of Luke by Mrs G. Ewen and from the Upper Room by Mrs. Proud.

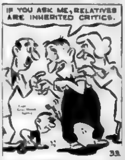
The treasurer's report revealed a very successful Easter tea and many thanks to all those who sent things and patronized this effort. The Sunshine lady reported sending many cards and a wish for the speedy recovery of all those still hospitalized is sent from the Ladies' Aid.

Mr Shortt requested continuation of the visiting committee and volunteers for April are Mrs Ewen and Mrs D. Munro.

The L.A. will sponsor a three-act comedy entitled "Brides to Burn" produced by the Lloydminster Little Theatre Group. This will be held in the school gymnasium on May 1st and this being a Thursday night and the play about three hours long it must start at 8 p.m. sharp.

Mrs. Jones gave the reading of interest for the month.

Next meeting is Mrs. Ewen's at the home of Mrs. N. Jones.



IF YOU ASK ME, RELATIVES ARE INHERITED CRITICS.

...so both are borrowing from a bank

Faced with unforeseen household expenses? Want to make some special major purchase? Need money for taxes—or to meet a family emergency? Personal loans to help people meet just such situations are being made by the chartered banks every day.

You're not asking a favour when you visit a chartered bank to arrange a personal loan. The manager welcomes opportunities to make loans, repayable out of earnings in convenient instalments.

And at a chartered bank, you can always count on privacy and courteous consideration, whether you are arranging a loan or using other valuable services the bank provides.

THE CHARTERED BANKS SERVING YOUR COMMUNITY

BUFFALO COULEE ACTIVITIES

Held over from last week.

What a difference a couple of weeks can make! Curling all finished, snow gone, birds back from the south and the frogs croaking in the ponds. Ladies are busy housecleaning and the men are preparing for the spring work on the land.

Quite a number of people were noticed visiting in the community during the Easter holidays.

The Myers and Watson families from Edmonton were at the Majury home, Mr and Mrs Jack Brown and two boys of Calgary at the Macnab home, Mr and Mrs. Stuart Little and baby daughter of Brownvale at F.H. Eyben's and Mr and Mrs Geo Rodgers and Carol at the Stone home.

Mr. and Mrs. Dahl and children of Ft. St. John spent Easter with Mrs. Dahl's parents, Mr and Mrs. Harry Cooper.

Mr and Mrs. Jackson visited in the city during the holidays while the Junior teachers Miss McDonald and Miss Allen were at their respective homes at Mannville. Miss Allen went to Fairview a few days before Easter to attend the funeral of her fiance's father Mr Knight. Mr Knight was formerly employed at the Vermilion School of Agriculture.

Mr and Mrs. Carl Smart and boys went to the city to visit their son who works there. Winston and Betty Green were Calgary visitors and Miss Doreen Dicke a Regina visitor during the holidays.

The Cunningham family spent a day at the home of Mr and Mrs Peter Noster of Derwent.

Mr. Wilson Brook attended the wedding of his sister in Saskatchewan recently and remained to visit with his parents for a few days.

Congratulations and best wishes go to Mr. and Mrs Stuart Eyben (nee Symes) whose wedding took place at Knox United Church, Edmonton on April 3rd. Mr. and Mrs John Eyben and family and Mr and Mrs George Symes and Mr Symes Sr of Wainwright and Mrs Carlson of Vermilion attended the wedding. The newly-weds are making their home in Edmonton.

The Autumn Leaf W.M.S. held their April meeting at the home of Mrs. Geo. Eyben while the Heatherbell W.A. met at the home of Mrs. I Larsen in Vermilion.

A number of B.C. people attended church at Wildmere last Sunday afternoon.

There will likely be just one more service with Mr McKay as the student for the Auburndale field will be arriving early in May. Mr. Breithaupt, our student last year is to be at Morningside this year in the Red Deer Presbytery, rather a disappointment to the Auburndale people as we had hoped to have him back here. Mr. Plant, a former student is going to Cadogan and Mr. Blaine Smith to St. Walburg in Saskatchewan.

The Boy Scouts held a very successful Box Social recently. The older people enjoyed court whist while the young ones had a jive session. Prizes for whist were: ladies 1st — Mrs. Ruth Haverslew, 2nd — Mrs. Wyn Kennedy and consolation [illegible] to Cecil [illegible] playing as a lady. For the men it was: 1st — Tom Smith, 2nd — Ernie Gabrielson and Henry Eyben got the consolation.

Hubert Rogan was the successful winner of the box of chocolates on guessing the number of beans in a jar.

The auctioning of the boxes, all of them beautifully decorated, was done by Ted Marfleet and Russell Kennedy. Since the affair was put on to raise funds to send a group of scouts to the Jamboree at Banff in July, the men were generous in their bidding. Not to be outdone by their elders, the young boys really went all out on their bidding for the girls' boxes.

Their financial objective was reached and Henning Haverslew Scout Master very fittingly thanked all for their attendance and generosity in helping the boys.

The Student's Union are sponsoring a dance this Friday with all people in the community cordially invited.

Mr and Mrs. Alf Green are now settled on their farm again for the summer. Clara came down for the Easter holidays.

Mrs. Ivan McInnis is at present a patient in the Vermilion hospital. Her dad Mr. Fred Arthur is also there and Mrs Melvin Arthur just returned home from the hospital on Saturday. Best wishes to all the members of this family for a speedy return to health. Best wishes also to Mrs. Wallington of Wildmere who is a victim of the 'flu.

The Edenvale Farm Forum held their postponed 'Pot Luck' supper at the home of Mr and Mrs. Henry Eyben on Easter Monday night with about thirty five in attendance. A good time was enjoyed by all with lots of good eats.

The regular Home and School meeting will be held this week on Wednesday evening. Theme for the program will be the explanation and discussion of report cards used in the schools.

TULLIBY LAKE

The annual commemoration of the Lord's Evening Meal was observed by Jehovah's Witnesses in their Kingdom hall at Lloydminster on the evening of April 3. Mr Gordon Enns gave a very enlightening exposition on this seasonal memorial occasion. A total attendance of 124 was registered which included two local residents, Mrs. Mollie Behrens and Juvenile.

Last week Juvenile Behrens caught a glimpse of a Northern Pileated Woodpecker. To the best of his knowledge this type woodpecker has never been seen in this locality before.

Mrs. Christina Maas has arrived back after a short stay in an Edmonton hospital. At present she is a guest of Mrs. Ida Horness and son Donald. Shortly she will be taking up residence with her son, Mr. and Mrs. Reuben Maas and family.

Roger Morris spent the Easter holidays at home. This winter Roger has been staying with Mr and Mrs. Ed Senner and family of Golden Valley near Lloydminster. While there he has been receiving his Grade 8 education, also acting as general helper about the farm. The latter includes assisting in looking after of some 65 pigs.

Still with the Morris family, Freda is once again employed at the Lloydminster Telephone exchange office. We also understand that she is taking a course in typing.

Two showers were held in honor of bride-elect Sylvia Ruud. On Friday afternoon, March 7 Mrs. Eric Giles and daughter Dorothy, of Harlan, were hostesses to about 20 friends of that area. A gay time was enjoyed. On [illegible] afternoon March 8, Mrs. Forbes Parke was hostess when friends and relatives from the Onion Lake, Greenvale, Tulliby Lake and St. Margaret's districts gathered to honor the bride-elect. The lovely gifts received by Sylvia at these showers were many and varied, dishes, cooking utensils, table linen, pillow slips, blankets and many more. Her friends all join in wishing Sylvia and her husband good luck and happiness in their married life.

Following their wedding on Friday, March 14th in Lloydminster, Sylvia and Alan Hewitt entertained their friends at a dance in the Harlan hall. A large crowd of nearly 200 danced to the music of the Frenchmen's Butte orchestra, the latter ably assisted by Herman Benson and his violin. A collection of [illegible] was taken and handed to the bride.

On the evening of Wednesday, March 19th a surprise party and shower was held for Mr and [illegible] who were married around Xmas time but who returned only recently to make their home on the Louise Huntly place. About fifteen people gathered to enjoy a most pleasant evening, presenting gifts to the newlyweds and wishing them much happiness in their years together. Later, a delicious lunch was served by the ladies. One person was overheard to remark, "That's the nicest evening I've spent for a long while. I wonder why we don't get together more often, just to talk!"

A card party was held in the North Park hall when Norwegian whist was played. There was a fair attendance.

Mr. Jimmie Lee and a friend have been spending a few days in the district.

FROM FERTILIZED FORAGE
$15 MORE PER TON!...

Protein is essential for meat and milk production. A ton of unfertilized grass hay contains approximately 100 lbs. of protein. Application of high analysis Elephant Brand Fertilizer can double this figure to give you 200 lbs. of protein in every ton!

Most protein feed supplements contain 32 per cent protein, and cost up to five cents per pound. *On this basis, the increased protein content resulting from the use of Elephant Brand adds $15 to the value of every ton of forage* . . . plus extra profits from faster growth and more abundant yields!

See your Elephant Brand Agent for these high analysis products:

43 Grade Herefords
7 outstanding Milk Cows; 10 Hereford Range Cows; 20 one-year-old Steers; 6 pail-fed Calves.

These are exceptionally well bred cattle out of Canada's most outstanding herds. Mr Bowman first started with Alex Mitchell cows and sires, then to a Warren Smith Calgary Bull Sale sire and a V. C. Hines bull which is being sold at this sale. All females are in good range condition. The two-year-old bulls are rugged, well-fleshed and well grown out. Yearling bulls are exceptionally good with some real herd sire prospects in them. This Royal Domino V.C. 30J sire, bred by V. C. Hines, is an outstanding range bull and his offspring which you will examine at this sale will prove what he could do for your herd. If you are wanting young, well-bred stock you would be well advised not to miss this Sale. Please be on time

Pioneer Resident Passes

MRS. ALEX GALLOWAY

The Vermilion district lost one of its pioneer citizens in the passing of Mrs. Alex Galloway on April 7th, 1958.

Margaret Lambert Cairns came from Peebles, Scotland, arriving in Vermilion on November 21st, 1911, where she was married to Alexander F. Galloway who had preceded her to this country earlier the same year. The marriage ceremony was performed by the late Rev. William Simons in the Presbyterian manse.

They took up residence on a homestead in the Union district south-east of Vermilion, where they resided until last November when they moved into Vermilion.

Mrs. Galloway was active in community affairs, assisted in organizing the first Sunday school in the area, and was school trustee and secretary of the Union School district for many years.

She is survived by her loving husband, two sons, Robert and Pringle of Vermilion; two daughters, Margaret (Mrs. Fred Scott) of Vermilion and Dorothy (Mrs. Garry Pringle) of Innisfail; one brother Andrew Cairns of Chichester, Sussex, England; ten grandsons and three granddaughters.

The funeral services were held from Vermilion United church on Saturday, April 12th. Rev C. W. MacKay officiated. He paid a touching tribute to the deceased and spoke a comforting message to the bereaved. The very large gathering of town and country people attending the services testified to the esteem and respect in which the deceased was held.

Mr Jack Brown was organist and Mr. John Webb soloist.

Interment took place in the Vermilion cemetery.

Honorary pallbearers were: Messrs. W. J. Macnab, P. H. Cartwright, R. R. Rankin, G. N. King, C. P. Hobbis and W. G. Bowman.

Active pallbearers were: Jack Cartwright, Kenneth McCrae, and four grandsons, Gordon, John and Dale Scott and Donald Galloway.

Beautiful floral tributes were received from:

Dad and the family; Vermilion Old Timers' Association; the [illegible] Family; [illegible] and Mary Thompson; Mrs. Cora F Rankin; the Teasdale Family, Mr and Mrs. J W Tattersall and family, Karl Fern and Emma, Don and Jean Harrison, Mr. W E. McCrae, Elsie and Cli; Edith and Frank; Evelyn and Lloyd; Elsie and Jim; Eva and Emil; Eileen Wes and Larry Funnell; the MacFarlane Family; Mr. and Mrs. Roebuck; Mr and Mrs. J. Ahlgren and family; Mr and Mrs Cecil Hobbis, Hugh and Ruby Pearman; George and Ina Webb; Margaret and Garfield Roberts; Mr and Mrs Melvin Hill; Mr and Mrs. Clarence Neis; Mike, Sylvia and family; Mr and Mrs. Joe Farkash. Mr and Mrs Robert Tweedy, Fred, Bertha and family; Mr and Mrs. W Walker and William, Mr and Mrs. Leonard Yarwood and family; Mr. and Mrs. W G Bowman and family; Fred and Ruth Kottmeier and Ross. Beulah and Fred [illegible] and Louise Bishop; Mr. and Mrs. Peter Cartwright and Jack; Mr and Mrs. Ray Norton.

Flowers to the home: Mr and Mrs A. M. West, Mr. and Mrs E. M. Stewart; R. R. Rankin and family; Margaret and Barr Gilmour and family; W. F. Pringle, Duff and Mary McGrath; Hugh and Florence Stewart, Mary Forge.

Donation to Salvation Army: Mr and Mrs Yarwood and Ruby.

Donations to Crippled Childrens' fund: Mr and Mrs Knutson and family; Mrs. D. Cameron and family; Mr and Mrs Val Budzilka; Mr and Mrs Zig Budzilka, Mr and Mrs. Dave Sweeney, Mr and Mrs. W. S. Dougan; Mr. and Mrs Chas Cox, Mr and Mrs Frank Gould and family; Mrs. Florence Stone, Ken and Arleigh; Alex, Edna and family; the Freestone Family, Ken and Evelyn McCrae. Mr and Mrs R. Good, the Filipkowski Family, Mr and Mrs Mungo Forbes, Mr and Mrs John McLeod; Mr and Mrs John Shalka, the Shirriff Family; Mr. and Mrs. Art Ganton and family; Mr and Mrs. Stan McCrae, Mr and Mrs. V. Watt; Mr. and Mrs. Geo. Colton and Jack; Mr. and Mrs. Gerald Colton.

Donations to the St. Saviour's Memorial fund: Mr. and Mrs. E. Jones; E. H. Buckingham; Mrs. K. A. King, Keith and Joy.

Gideon Bibles: Mr. and Mrs. Peter Cartwright and Jack; Mr. George E. Brown; Mr. and Mrs. Peter Jensen.

Donation to the United Church Memorial fund: Mr and Mrs. Jack Brown.

Vermilion Cemetery fund: Mr. and Mrs. H. Ganton; Mr and Mrs. W J. Crocker; Logan Gow; Mr. and Mrs. A M. Holte and Baillie; Mr and Mrs. G N King; Mr. and Mrs. Clarence Lysons; Mr and Mrs. Cliff Oldenburg and Mrs. Sadie Oldenburg; Mr. and Mrs. Jim Ross, Charles and Hazel Pearman; Ken Vivian and family; Mr. and Mrs J. M. Wilson; Mr. and Mrs. Tom Wilson; Mr. and Mrs. W. Waldenberger; the McQuid Family, Mr and Mrs. W. Procter and Reg.

The Canadian Cancer Society: the Macnab Family; Mr. and Mrs. T. Watts; Pearl, Dale and Billy Williams; Miss Alice Keith; Mr and Mrs. P M. Ruud; The Prestons; Mr. and Mrs. Carmen Long; Mr. and Mrs. A. C. Thompson and family; Joe Dixon; Roger Watt and family, Marjorie and Joe Thompson and family; Eric, Jean and Brian Nelson; Fred Slocum; Mr and Mrs Ches Waldenberger; Mr. and Mrs Grant Roberts; Mr. and Mrs. N MacHardy; Otto, Gladys and family; Mr and Mrs Roy Jory. The Fentons; Wes and Isabel Lamport; Mr. and Mrs. T Nelson and family; Jean and Dave McPhee; Mr. and Mrs. Carl Nelson and family; Mr. and Mrs Jim Johnson.

CARD OF THANKS

We wish to extend our heartfelt thanks and appreciation for the many acts of kindness, cards, letters, flowers and gifts to Mother during her illness; and for the flowers, cards and messages of sympathy from friends during our recent bereavement. Our special gratitude to Rev. C. W. MacKay for his many kindnesses and his comforting message in final tribute to our loved one.

A. Galloway and family

CARD OF THANKS

Our sincere thanks to Dr. Stephens, Miss McPhee and the entire Vermilion hospital staff for their many kindnesses to our loved one during her last illness.

A. F. Galloway and family.

Free I.H.C. Show Friday, April 25th

R. H. Norton International Harvester dealer for the Vermilion area, is sponsoring a free [illegible] International farm machinery on Friday afternoon April 25th commencing at 2.30 o'clock in the Elks Hall.

The films will show the new I. H. machinery for 1958 featuring the all new model 46 McCormick baler and the model 101 combine. Mr and Mrs. Farmer and the whole family are invited and valuable door prizes will be given away.

READ and USE THE [illegible]

PARADISE VALLEY NEWS

Please note that the next meeting of the United Church W. A. will be held on May 6th at the home of Mrs. Gunn at 7:30 p.m.

Patients in Lloydminster hospital this week include Mrs. Fred Towndrow, Mrs. Charles Elliott, Mr George Dodd, M. Hoskins, and in Islay hospital Mrs. Coleman.

Mr. and Mrs Ross Embury and family left for a vacation trip to the West Coast during the week. Mr Embury is the C.P. station agent at this point.

Miss Lucy Switzer of Vermilion has accepted a position with Mr. and Mrs. Floyd Henry.

Mrs. George Clay left for the east where she will continue her work with Civil Defence.

Mr Jensen of Lloydminster is relieving at the C.P.R. station during Mr. Embury's absence.

Our prospects of an early spring seem to be fading. Cold winds and plenty of dust seem to be the order of the day. Fields are drying fast and quite a few farmers are working on the land.

SPRING TEA

St. Saviour's spring tea, bake sale and sale of sewing will be held on Saturday May 3rd in the parish hall commencing at 2.30 p.m. 41-2

75% of all church members; 85% of church workers and 90% of ministers and missionaries come from the Sunday School.

What truck buyers can learn from the big Fargo fleets...

Look behind the scenes and you'll soon discover why more and more haulers are making the swing to FARGO. When successful fleet operators such as Kleysen's Cartage Company, Limited, Winnipeg buy forty big Fargos at once, you know Fargo's got something special to offer!

Kleysen's Cartage typifies the truck fleets that find real day-after-day, year-after-year satisfaction with Fargo on the job. There are plenty of reasons for that satisfaction, too.

Take economy, for instance. New Fargo V-8's pack up to 234 horsepower, yet their unique combustion chamber design wrings bonus miles from every tankful of gas. And no other engine has the famous-for-thrift reputation of Fargo's efficient Six!

Ruggedness is another reason. Fargo rear axles in all models are heavy-duty engineered, specially treated for fatigue-resistance. Rear springs on high-tonnage D700's have been increased to 3 inches wide, are extra long and resilient for greater strength. Frames have double-width front crossmembers, and extra-deep centre and rear crossmembers.

Fargo's a better deal for the driver, too, with shorter turning diameters, smooth, super-responsive steering, an independent parking brake that adjusts from inside the cab.

So why not follow the lead of successful truck operators like Kleysen's Cartage Company, and check into '58 Fargo Power-Masters now? Come in right away—see how you're farther ahead when you haul the FARGO way!

You get more of the future with
FARGO POWER-MASTERS
4,250 LBS. G.V.W. TO 65,000 LBS. G.C.W.—BUILT TOUGHER FOR TOUGHEST JOBS

Kleysen's Cartage Company, Limited, of Winnipeg keeps this fleet of Fargo Power-Master trucks in service day in, day out.

Mannville Girls' Auxiliary Win Cup In Edmonton

MANNVILLE.—Tuesday, April 8th began a day of interest for the Mannville G. A. group, when at Edmonton they gathered with girls from city and out of town at the tenth competitive G. A. festival. After registering the girls proceeded into All Saints' Cathedral where Very Rev Dean Burch led them in a worship service. Present at this service were Bishop H. H. Clark and the Primate of All Canada Archbishop Barfoot, with Bishop Clark pronouncing the blessing at its conclusion. Most impressive were the words of Dean Burch who [illegible] Easter Sunday with its message of hope and people standing in the Cathedral asked 'You have only one life — what are you going to do with it?' Following the service girls assembled in the parish hall where they were offered hospitality, those needing same. Peggy Burch from All Saints W.A. welcomed all G.A.'s. For the next two days activity was evident in each group as [illegible] Theme Songs, Dancing, Folk Songs, Plays etc were all judged. The girls were delighted with Japanese dancers who entertained them on Tuesday afternoon, all in costume of their native Japan. Barbara Arnold of St. Mary's thanked the dancers and their teacher for the entertainment.

Addressing the G.A.'s during the two-day session were Mrs. Chamberlain, Mrs. Hammett, the president of W.A. for Diocese, and Mrs. Clough. Girls were all urged to think seriously of preparig themselves along with a profession, for missionary service. The girls were exceptionally well treated, free lunch was available, games and singing enjoyed and a spirit of fellowship was ever present.

At the concert on Wednesday night Mannville girls were asked to present their Theme Song, Folk Song and Radio Play and were successful in winning the out of town cup for highest aggregate on all entries the Irene [illegible] trophy. They were also runners up for the Chamberlain Missionary cup. High tribute was paid to their Worship centre which stood out amongst other entries. Highest score was 82 per cent and Mannville had 79 per cent for the Mission cup.

NEWS from KITSCOTY

Mrs F. Miles and Margaret spent the Easter week at Calmar with Mr and Mrs Russell Sutton.

Mr and Mrs John McLean Jr of Estevan, Sask. visited here for a week end recently with their sister and brother-in-law, Mr and Mrs Princen Earl and family and Mr McLean Sr.

Mrs Stan Gerritts was also an Edmonton visitor during the school holidays.

Mr and Mrs Bill Gowler and family of Edmonton spent last week end here with their parents Mr and Mrs A.W. Gowler.

[illegible] Judy Sheppard and Carol Richardson were Edmonton visitors last week having their medical check ups prior to entering the University hospital in the fall to train as nurses. The girls were accompanied to the city by Mr and Mrs C.A. Richardson and Gail.

Miss Sylvia Sheppard of Edmonton spent Easter Sunday here with her parents Mr and Mrs. C. H. Sheppard and sisters Donna and Patti.

Mrs. Joseph Batty and Joe Jr of Beverley were in town one day last week and called on several of their old friends.

Visiting last week at the home of Mr John Dale were his son Merne of Calgary, and granddaughter Gail Walker of Saskatoon. His daughter Mrs Ross Walker joined them for the week end and they all motored to Saskatoon on Sunday.

Mr and Mrs. Clifford Driver and their mother Mrs. J.R. Chisholm of Edmonton were guests at the home of Mrs H. Batty for several days last week. They also called on several of their old friends.

Best wishes for a speedy recovery are extended to Mrs. A.E. Potter, Mr R. A. (Dick) Evans who underwent surgery Monday and Mr W.A. McCourt who has been ill for some time. They are all patients in the Lloyd hospital.

Also best wishes to Lyle Sherti who was a patient in Islay hospital all of last week.

* * *

Mr James A. Smith of Vermilion has accepted a position on the High School staff here replacing Mr E. R. Foster who is now teaching at Dewberry.

Mr John Dale is spending the next two weeks in Edmonton visiting with his son Jack, Mrs Dale and family.

Mrs Bert Martin and small son of Jarvie are visiting here with her parents Mr and Mrs C. Gray and other relatives.

Mrs H. Gordon returned home at the week end after spending the winter in the U.S. with relatives and friends.

Mr and Mrs. Thomas Bohan of Calgary spent the week end here with their parents Mr and Mrs. Patrick Bohan.

Mr and Mrs C.O. Bruse of Saskatoon were week end visitors here with their brother and sister-in-law, Mr and Mrs R.W. Bruse.

Mr and Mrs Alex Potter Jr of Edmonton were in town on Saturday and called on some of their friends.

Several farmers in the district are busy combining last year's wheat while others have already started working on the land in preparation for their spring seeding.

Congratulations are extended to O.S. David Potter R.C.N. of Esquimalt BC who received the second highest standing in his year's training in the radio division in the navy. Dave has been posted to H.M.C.S. Glasgow. He is the son of Mr and Mrs J.C. Potter.

Mr Thomas Stephenson accompanied Mr and Mrs. R.L. McKerihen to Three Hills last week end where their daughter Jean graduated from the P.B.I. Jean accompanied her parents home for a holiday.

Kitscoty and district residents were shocked to hear of the sudden passing on Sunday morning of Mr R.A. 'Dick' Evans in the [illegible] hospital after a short illness. Sincere sympathy is extended to Mrs. Evans and family in their bereavement.

Vol. XLIX. No. 42. Vermilion, Alberta, Thursday, May 1st, 1958. 12 PAGES $2.50 A YEAR

Official Opening of New School Set For May 28th

The official opening of the new half million dollar Vermilion Junior High and High School will take place on Wednesday, May 28 with the Hon. Anders A. Aalborg the guest speaker. The date was set at the regular monthly meeting of the Vermilion school board on Monday night. Details of the event are now being arranged.

In attendance at the meeting were the chairman Don Taylor, trustees C. Brennan, E. Schurman, E. Clendenning and Ashley Cooper, and the four principals of the schools, Mrs. Shaika, W.F. Stewart, Wm. Novak and John David.

Attendance reports showed the following number of pupils and students attending school: — primary 128 in 5 rooms; elementary — 265 in 10 rooms; junior high 236 in 8 rooms; high school 146 for a total of 775.

Considerable thought was given to the possible zoning of the town next September when the new school goes into use. It is the intention to accommodate grades 7 to 12 inclusive at the new building. The board desires to have grades 1 to 6 in each of the west and east end schools providing a zoning plan which will give a balanced attendance on that basis can be achieved. A dividing line midway between the two school set-ups gives a very large enrollment in the east end and a small one in the west end. Further study is being given to this matter.

The second function to be held in the new school will be graduation dance on Friday evening, May 30 when the grade 11 students host the graduates.

Outstanding V. S. A. Student

Ken Stiles of Didsbury, Alberta who this year won the Staff medal at the Vermilion School of Agriculture as the most distinguished graduate of 1958.

Ken Stiles was a member of the 1957-58 Students' Council in the capacity of Chairman of the Literary committee. In this position he was responsible for organizing and successfully carrying to completion the Amateur Hour, the Competitive Literary programs, the Public Speaking contest and 'Play-Nite'. Ken won the Public Speaking contest.

He was a member of the Senior Basketball team, winning a major award as one of the 'All Stars'.

On many occasions Ken acted as M.C. for student activities. In addition, he maintained an excellent academic record, winning the major award for the highest standing in the "Two-in-One" class.

At the Little Royal held at the school on April 2, Ken carried off the Showmanship award, presented to the best showman of the day. Later he won the award given to the showman who made the best preparation for the Little Royal.

It was truly fitting that with a record of achievement such as he had, Ken Stiles should be named the most distinguished graduate of 1958 at the Vermilion School of Agriculture.

Rail Diesel Cars To Replace Night Trains Effective June 1st

Night passenger trains which have been serving this line since the laying of the steel, will become a thing of the past, effective June 1st. They will be replaced by rail diesel cars operating on a daytime schedule. These single car diesel units are for passengers only and will carry neither express nor mail. They are often alluded to as 'Bud' cars after the name of their designer.

The new service will provide daylight round trip transportation to Edmonton, as the diesel cars will run from Edmonton to North Battleford and North Battleford to Edmonton. Travelling west to Edmonton the rail diesel car will leave Vermilion at 9:33 a.m. and arrive in Edmonton at 12:15 noon. The car leaves Edmonton at 5:20 p.m. and arrives in Vermilion at 8:00 p.m., thus providing a fast, convenient service to the city and intermediate points.

The rail diesel cars travel at 65 miles per hour on straight track and 60 miles per hour on the curves. A very brief stop is made at all stations but not at flag stations.

While the new rail diesel car plan provides a much superior passenger service between Vermilion and Edmonton, it eliminates entirely the excellent mail and express service formerly provided by the trains.

Mail by Truck Instead of Rail On June 2nd

On and after June 2nd the mail from both east and west will be by truck. This will replace the rail mail service which has been in effect since the completion of the railroad away back in [illegible]. During this long period of time mail service has been excellent. The mails went out on the night trains and came in on the same trains. Thus mail for the day was received first thing in the morning and every [illegible] to complete out [illegible] and it seemed that [illegible] was posted by mid night or even 7 a.m. at our post [illegible] went out that same [illegible]. The railroad also carried [illegible] mail car and mail [illegible] meant that all mail destined for intermediate towns was picked off and put off there. [illegible] will not be possible by [illegible] all the mail going to [illegible] depots at Edmonton and [illegible] and made up from there.

The change in method of mail carrying service was necessitated by the trains on the C.N.R. on this line being replaced by rail diesel cars which will not carry mail or express.

MAIL TIMES

The mail from the west will reach Vermilion at 5:30 a.m. so that all east bound mail will leave here at that time. Chief difference in this is that mail from here for Islay, Kitscoty and Blackfoot will be taken in to Lloydminster, made up into sacks there and delivered on the next trip west.

Mail from the east comes in at 7 p.m. which means that the outgoing mails to Edmonton and intermediate points must be posted by 6 p.m. at the latest. Mails for intermediate points from Vermilion will be taken into Edmonton and then made up into sacks there for delivery on the next eastbound trip. It is still hoped that some changes will be effected which will allow mail to be made up here for Mannville, Islay and Kitscoty, thus saving a day in delivery.

PONY BASEBALL LEAGUE FORMED

A meeting of baseball coaches and interested people was held at the armories in Vermilion on Saturday, April 26th. Represented were: Buffalo Coulee — Tom Smith and Ted Marfleet; Islay — Bill Shaw; Vermilion Foresters — Bert Moore; Vermilion Elks — Roy Hitchcock; President Don Taylor and the secretary-treasurer Russ Carroll kept the discussions in order. Jack Brown, newly-elected president of Vermilion Amateur Athletic Association was present, along with Syd Moore, the recreational superintendent for Vermilion.

It was decided, due to lack of numbers in most communities concerned, that the age limit be altered. The alteration finally boiling down to this, that a boy may play at 15 years of age, providing he does not come 16 until Jan. 1, 1959, or after. This decision was well-founded and should do much to keep these boys in baseball.

Games in the league will be played on Wednesdays and Fridays, with each team playing a "home and home" series. The actual draws have not as yet been made, pending notice from Mannville and Clandonald as to intentions of entering teams.

League openers are tentatively set for May 6th. Watch your Standard for any changes and further news of the Pony league.

All in all, it adds up to a real interesting season ahead. The league executive and coaches of the team would certainly like you out at game time. Let's support them and the boys too by being on hand when the umpire yells "Play Ball!"

Agric. Society Dinner Drawing Large Attendance

The annual dinner of the Vermilion Agricultural Society which is scheduled for Thursday evening, May 15th at 7:00 o'clock, appears to be drawing an unusually large attendance. Mannville directors of the Society have requested a double order of the usual number of tickets and Vermilion residents are daily making reservations.

It is pointed out that the attendance must necessarily be limited and all who desire to hear the eminent Dr. Kenneth Prior should make their arrangements at once through the office of S. C. Heckbert, Secretary-Manager.

All dinner reservations should be in the hands of the secretary not later than Monday, May 12.

Kitscoty Scout To Receive Badge

David McCourt of Kitscoty will receive recognition as a Queen's Scout at the second annual Queen's Scout Recognition ceremony for the north-central region of the Alberta Provincial Council, the Boy Scouts Association, which will be held on Saturday, May 3rd at 8 p.m. in the Red Deer Memorial centre, Red Deer.

The certificates will be presented to the new Queen's Scouts by His Honour Dr. J. J. Bowlen, Lieutenant-Governor of Alberta.

The Queen's Scout badge is a pinnacle in a boy's scouting career wherein the boy has achieved a high standard of qualification both practically and morally in service to his country and fellow men.

Vermilion Fastball Teams To Be Red Deer Attraction

Two teams of senior fastball players from Vermilion, one ladies and one men, will travel to Red Deer Sunday and each will play doubleheaders against Red Deer teams. Return games will be played here soon, watch the Standard for date.

C. W. L. Appoint Com. Conveners

An executive meeting of the Catholic Women's League was held in the parish hall on Apr. 16th to appoint conveners for the standing committees for the year. This completes the full slate of officers as follows:

President — Mrs. Kay Williams
Sec'y — Mrs. Doris Keating
Treas. — Mrs. Lorna Lamoureux
Past Pres. — Mrs. Lydia Delainey — Social and Marian Centre convener
1st Vice Pres. — Mrs. Marg Perrier — Hospital Visiting convener
2nd Vice Pres. — Mrs. Terry Kelly — Gifts and Sick convener
3rd Vice Pres. — Mrs. Gladys Herzog — Kitchen conv.
Councillors — Mrs. Vivian Dyck, Spiritual conv.; Mrs. Nora Ferguson, Membership conv.; Mrs. Marie Edwards, Press and Publicity conv.

S. D. Simonson To Attend Work Conference School Superintendents

Mr. S. D. Simonson, Superintendent of Schools for Vermilion School Division, is one of seventy educationists from Canada's ten provinces meeting at the University of Toronto for three weeks beginning May 12 to study problems of educational leadership in local communities. He has been selected as a member of a short course for school superintendents and inspectors offered by the Canadian Educational Association in conjunction with the Ontario College of Education.

Forty-seven of the seventy are superintendents or inspectors from predominantly rural areas selected by Departments of Education of the various provinces. Twelve are city superintendents, employees of local school boards. Teacher, trustee and parent points of view will be assured by the inclusion of three appointees of the Canadian Teachers' Federation, two of the Canadian School Trustees' Association and one of the Canadian Home and School and Parent-Teacher Federation. Additional places have been allotted to a Superintendent of Schools from the Northwest Territories, and a Regional Inspector of Indian Schools from Manitoba.

Much of each day during the course will be devoted to work in groups set up on the basis of problems as outlined by members based on their experiences in their own areas. Four such groups will focus on varying phases of instructional leadership: one dealing with the principal and his place in the school system, and three concentrating on supervision of the work of teachers and pupils. The other two groups will be concerned with curriculum and the administrative problems of operating school systems.

Members of the faculty of the Ontario College of Education will act as group advisers. In addition, each group will have as a consultant another outstanding educator specializing in the field being studied by the group. A daily lecture series is scheduled. The following speakers are among those who will take part: J. L. Page, Que., Deputy Minister of Education; Toronto Architect Gordon S. Adamson; Dr. John H.M. Andrews of the Faculty of Education at the University of Alberta; D.M. Graham, Director of Education, Forest Hill Schools, Ontario; Mrs. Nan Murphy, member of the Winnipeg School Board and President of the Canadian School Trustees' Association; Dr. K. F. Prueter, Superintendent of Public Schools and D. L. Emond, Business Administrator, Etobicoke Schools, Ontario; Dr T.C. Byrne, Alberta Chief Superintendent of Schools; Col. S.A. Watson, Ontario Superintendent of Curriculum and Text Books; J. Bascom St. John, senior editorial writer of the Toronto Globe and Mail; H. Thorsteinsson, consultant on school law from the province of British Columbia, and Dr C.F. Cannon, Chief Director of Education for Ontario.

This is the sixth annual course of its kind operated by the Canadian Education Association. More than one-half of Canada's inspectors and superintendents of schools have attended one of the courses. Initially financed with the help of a grant from the W. K. Kellogg Foundation, courses are now made possible by the co-operation of the ten provinces, local school boards, and other groups selecting members. An equalization scheme has been worked out so that relative distance from Toronto does not affect the cost to a sponsoring body of sending a member to the course.

The theme of the course is 'The Role of the Superintendent in Educational Leadership.' With the overall aim of working toward better education for children in the schools, the course is intended to serve four purposes: (1) to provide an opportunity for further exploration of problems in educational administration and supervision; (2), to provide an opportunity for individual members to form definite plans for later local action, (3) to provide members with an opportunity to gain further understanding of philosophies and techniques of leadership, including evaluation, group processes and communication; and (4) to stimulate the intercommunication of educational ideas and practices between widely separated areas in Canada, looking toward the identification of emerging principles of supervision and administration in a Canadian setting.

Members have been selected for the course roughly in proportion to the number of superintendents or inspectors in each province. Other members from this province include:

J.H. Blocksidge — Lamont
J.H. Finlay — Edson
L.H. Hall — Wainwright
L.A. Walker — Clover Bar
R.M. Ward — Fairview
G.L. Wilson — Calgary

Old Timers' Centre

With the return of balmier weather the average daily registrations have dropped to about 20. The past month has shown a total number using the centre of 520 with 7 of these being first time users.

Thanks are expressed to many who have shown an interest in the operation of the centre and to those who have made contributions of picture frames etc.

New pictures of the Vermilion of 50 years ago have been added to the collection in the centre and have evoked much comment and interest.

500 and Euchre as well as Checkers and Crokinole are the popular games and it takes experts to beat the old timers.

An electric clock has been added to the facilities and the care which is being taken of the centre by the old timers themselves is much appreciated by the sponsors: Clendenning's Family Wear, Schurman Electric Appliance Service, Roy Watkins Real Estate and Insurance.

Leo Durocher At Edmonton Dinner

On Monday evening, May 5th at the Edmonton Gardens the Edmonton Sportswriters' - Sportscasters' Association will once again be hosting a charity dinner.

The feature guests will be Leo Durocher of baseball fame and Sam Hanks the 1957 Indianapolis 500 Champion. Other head table guests will include such notables as Turk Broda and six other internationally famous sportsmen.

This dinner is for men only. Tickets will be $10 each and may be obtained by sending cheque or money order made out to the Association c/o Ken Foss, Station CJCA, [illegible] CJCA, Birks Building, Edmonton.

Active Year Anticipated By Golfers At Annual Meeting

The annual meeting of the Vermilion Golf club was held in George's Lower Deck on Wednesday evening March 26. There were thirty golfers and prospective golfers present.

The financial statement reviewed showed the club operated to a small surplus with a very active membership of 65 men, 35 ladies and 14 juniors for a total of 114.

A great deal of work was completed during the past year and the underbrush was cleared out on nearly every hole. The local tournament was a decided success there being 123 entries for the tournament. Several club functions were held during the year and the executive was asked to try and have more of these this year.

Retiring President Ken Greenwood in presenting Lorne Pockett with a footstool, thanked Lorne very much for his untiring work as grounds committee chairman during the past year.

The slate of officers for the ensuing year is as follows:

Hon. Pres. — Mayor Hill
Past Pres. — Ken Greenwood
Pres. — Stan Waldenberger
1st Vice Pres. — Warren Rosequist
2nd Vice Pres. — President elect of Ladies' Golf Club
Grounds Chairman — Lorne Pockett
Team Captain — Roger Rowe
Sec-Treas. — Gerald Stephens
Executive — Ken Rowe, Roy Hitchcock, Les Chivers.

Golf memberships were left the same as last year, making the Vermilion course one of the best and cheapest in the province. The executive asks the co-operation of all in seeing that fees are paid to the secretary as soon as possible. It will be noted that residents of Vermilion must become members if they wish to play golf; they are not allowed to pay by the game.

Special Service At Alliance Chapel

Special speakers at the Alliance chapel on Thursday, May 8th at 8 p.m. will be Messrs. de Luca and de Jesus from the Phillipine Islands. They will be accompanied by the former field chairman of this missionary field of the C. & M. Alliance.

These men are considered the A1 exhibit of missionary endeavour in the Near East. They are the direct result of Missionary activity of the Alliance in this area, graduates of the Bible school and head of the native church which is now completely self-governing and self supporting.

This party comes to Vermilion after a series of meetings in Western Canada and are on their way to attend the General Council of the Alliance to be held in Winnipeg this month.

Juvenile Hockeyists Feted By Board

Representatives of the Vermilion Bob Cats hockey club, winners of the Eastern Alberta Juvenile league for 1957-58 season, were guests at the regular noonday luncheon of the Vermilion Board of Trade Wednesday last week.

Jim Champion, chairman of the entertainment committee introduced Jim Ferguson, coach of the Bob Cats, and he in turn introduced Paul Mistal, assistant coach, Lee Coyne captain of the team and Jim Reid the goalie. Jim was also the winner of the A.M. Ward trophy for the most valuable player on the team.

Mr. Ferguson stated that he [illegible] pleasure to work with them and in his opinion no finer group of [illegible] mothers and fathers [illegible] Mr. [illegible] chairman for the occasion.

School Sponsors Three-Act Comedy

Vermilion high school students union is bringing to Vermilion on Saturday, May 10th, the three-act comedy "Brides to Burn". This will be presented by the Lloydminster Little Theatre Group. The play will be held in the [illegible] on Sat. May 10 at 8 p.m. with admission [illegible] for adults and 50c for students. [illegible] and according to reports is exceptionally well presented by the Lloydminster group. Proceeds are for students union activities. 42-1

Friends will be interested to learn that Henry Dewald has been appointed manager of the Treasury Branch at Bow Island having been transferred from Calgary April 1st. Henry and Kay's new address is now just Bow Island, Alberta.

Stores Open 'til 9 p.m.

All stores in Vermilion will be open this Saturday night to 9.

HI-SCHOOL HI-LITES

Well the Easter holidays, along with the Easter exams are completed and the school term is rounding on the home stretch.

The curling season this year was ended with the High School bonspiel. This bonspiel was well attended with 21 rinks being present, 10 of them from the high school. Vermilion also walked away with the lions share of the prizes by winning both events. Ken Graham and his rink of Sandra Park, Jim Sinden, and Dorothy Jean Stewart won first in the first event from Wilde of Paradise Valley. Bill [illegible] along with Marjorie Waldenburger, David Smith and Norma Harle won the second event. The other finalist in this event was Potvin of Kitscoty.

Vermilion also sent three rinks to the Kitscoty bonspiel. Although they did not win the first event they all returned with prizes. Dean McMullen won 2nd in the first event and third went to Bob Waldenburger. Bryon Calvert took the second event.

The baseball and softball seasons are starting this week and the House League standings up to this time are: Carman first, [illegible] and Lauder.

The High School is sponsoring a play on May 10th called 'Brides To Burn'. It is a three act play and is put on by the Lloydminster Little Theatre Group. It will be held in the gymnasium and the proceeds will go towards the buying of grad pins for the graduates.

PLAY DATE CHANGED

Owing to the illness of a member of the cast the date of the play "Brides to Burn" under the auspices of the Vermilion High school has been changed to May 10th. 42-1

Vermilion Club Is Big Award Winner At Rotary Convention

The Vermilion Rotary Club won the major awards for district 536 at the annual conference which was held in Grande Prairie on Sunday, Monday and Tuesday, April 27 to 29. The Vermilion Club had the highest percentage of attendance for the preceding year and thereby won what is regarded as the most coveted award made. This is symbolized by a [illegible] plaque. As Vermilion had 14 members of a possible 39 in attendance at the convention, all accompanied by their Rotary Annes, they also won the shield for the greatest percentage attendance at the conference.

The local Rotarians were also runners-up for the club conducting the best public [illegible] campaign throughout the year. This award went to High Prairie by a very [illegible] margin. As there are only seven awards made the Vermilion Rotary Club is justly proud of bringing home two of them.

Grande Prairie was aided in their arrangements by the clubs from the Peace River country, Peace River, Fairview and Dawson Creek. In some manner they had imbued the city of Grande Prairie with high enthusiasm for the event so that the whole city seemed to be acting as hosts, not just the Rotarians. It was a remarkable conference replete with many enlightening sessions and excellent entertainment features. Although in the north it was also the most largely attended convention in the history of Rotary District No. 536.

Vermilion delegation made the trip north in a chartered bus from Edmonton, with transportation arrangements being made by Rotarian Ken Greenwood. The entire outing proved a most enjoyable and enlightening one. It was the first trip into the Peace River country for many of those attending from Vermilion.

Anglican Rector Preaches Farewell Sermon At Mannville

MANNVILLE.—In a moving sermon preached on Sunday last Rev. [illegible] MacPherson bade farewell to his congregation. He chose as his text "Stand ye in the ways and see and ask for the old paths, where is the good way and walk therein, and ye shall find rest for your souls." (Jeremiah 6:16). Urging his parishioners to seek humility and dedicate their lives to God, Mr MacPherson assured them that would bring peace and rest to the soul as no worldly goods or achievement for self would. Speaking of the church's foundation, he said "We have pulled together you and I, and so we have standing this church which is a living memorial of our faith." However as he pointed out, ministers must move and thus continue their works elsewhere where the need is most urgent and a new rector comes to Mannville parish to add his part to the never ending propagation of Christ's gospel. Mr MacPherson likened his ministry at Christ Church Mannville to one's first [illegible] it carries memories with it which will never be forgotten.

At the close of the service a reception for the rector, his wife and daughter Cindy, beloved by the entire congregation was held in the church basement. Maurice Mercer, Rector's Warden, on behalf of the people congregated, presented the MacPhersons with a purse of money, and expressed gratitude of the people for Mr and Mrs MacPherson's work here. Mrs Whitson on behalf of the Senior W. A. of which Mrs. MacPherson is an honorary member, presented her with a farewell gift, in a few well chosen words. Expressions of goodwill were received also from Andrew Machin, on behalf of St Helen's Stelleville, and Mr Minter from St. Timothy's, Minburn.

As the church service was crowded to capacity, so was the reception. Mr MacPherson thanked all warmly and extended a hearty invitation to visit them in their new parish home at Fort Saskatchewan. Mrs MacPherson added her own thanks to all present, while wee Cindy tried to steal the show by strutting her to steal the show by "strutting her stuff" round her father.

Road Tips

35,000 Rural School Children To Help Prevent Farm Accidents

Over 35,000 rural school children have joined in the fight to help prevent farm tractor fatalities in Alberta during 1958.

Pupils in grades 5, 6, 7 and 8 from 65 school divisions as well as those taking correspondence school courses will be submitting essays on the farm tractor and its safe operation. The Hon. R. D. Jorgenson is chairman of the essay competition of the Alberta Safety Council. This is the 7th annual farm safety competition sponsored by the Alberta Safety Council in co-operation with the Department of Education.

Alberta's [illegible] fatalities in 1957 amounted to 25. Nine of these were children under 17 years of age. However, with co-operation between school children, teachers and parents, these fatalities can be cut down and especially those occuring to our young people. The essay competition aims to establish better understanding of safe operating methods and the reasons for keeping children off tractors and away from the operating area.

At the closing date of the essay competition April 19th, each teacher selects the two best essays from her room and forwards them to the school division superintendent who further reduces the entries from his division to four from grades 5 and 6 and four from grades 7 and 8. These are forwarded to the Alberta Safety Council for final judging [illegible] judges from the Department of Education.

Division winners in the farm safety essay competition receive an attractive lapel pin and the winning pupil's schoolroom receives a hand-lettered wall plaque. In addition to the division prizes 1st and 2nd prizes of $50 and $25 are given for the two best essays in the province from the grades 5 and 6 group and the grades 7 and 8 group.

The Canadian Cancer Society was organized in 1938 at the request of the Canadian Medical Association. One of its main functions is to teach Canadians that early diagnosis of cancer depends on the early reporting of suspicious symptoms to a doctor. It also supports cancer research and gives assistance to cancer patients.

Justice Louis L. Fawcett of the Supreme Court of the State of New York says: "That out of 4000 boys brought before him, he only found three who were members of a Sunday School at the time."

HIT THE NAIL

Hit the nail on the head, not your thumb. That's the idea, says The Financial Post, behind [illegible] signed for getting nails into corners and other hard-to-get-at [illegible].

Of Many Things . .

By AMBROSE HILLS

IS SOCIALISM DONE FOR?

The other night when the political landslide took place a friend turned to me and said, "Well that's the end of socialism in Canada!" I shook my hand.

Socialism doesn't die because a few CCF members are turned out. I wish it did, until the end of [illegible] socialism, because I [illegible] admit that in my opinion political socialism is immoral, even though some very fine persons have preached it.

Anything good about socialism can be practiced any time anywhere by any of us. True believers in true socialism are very rare birds indeed — they are the [illegible] who are ready, at any time, to give of their substance to others less fortunate. No laws are needed for this sort of thing.

Political socialism, on the other hand, proposes to level us all to the same standards by law or force. It leaves no need or room for charity. It legislates our moral life in that area. It robs Peter to pay Paul and does it all in the name of morality. To me it is a great sham and pretence, a horrible hoax, and I want no part of it. But I am not naive enough to think it is by any [illegible].

As long as it may be preached by a politician and he will give to John out of the pocket of Joe, there'll be a certain number of Johns ready to vote for political socialism. As long as it can be made to sound like a political party dedicated to the poor and the unfortunate, there will be innocent, high minded, well meaning persons ready to work for the party.

But Canadian voters are about the best informed voters in the world relatively speaking. The fact that they've shown, so clearly, that they do not want political socialism is cause for celebration.

Not too much celebration, however, for both the Liberals and the Conservatives have been willing to use lures from the bait barn of the socialists to hook voters. The urge for pie in the sky doesn't die in a hurry.

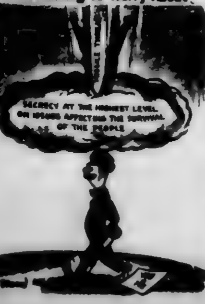
"I See Nothing To Worry About"



SECRECY AT THE HIGHEST LEVEL ON ISSUES AFFECTING THE SURVIVAL OF THE PEOPLE

Alberta Home and School Convention May 7, 8 and 9

The 27th annual convention of the Alberta Federation of Home and School Associations will feature "Progress — Service — Co-operation" when it meets in Edmonton on May 7th, 8th and 9th at Convocation Hall at the University of Alberta.

Delegates from 380 Associations from every corner of the province, representing a membership of 31,000, will gather to [illegible] 35 resolutions on a wide variety of [illegible]. The largest number of resolutions have been sent in by rural locals and cover many topics ranging from teachers' salary scales, teachers' duties, curriculum, [illegible] grants, teacher [illegible] and vocational guidance.

The first day of the convention, Wednesday, will feature the official opening. It will be "Parent Education Day" and, following an address on the "Meaning and Purpose of Parent Education", Mrs. J. G. Cameron of Calgary will take charge of the morning discussion. Rev. R. T. Northup of Irricana, will chair consideration of resolutions on parent education.

Thursday, May 8th, has been titled 'School Education Day' and Dr. Walter Johns, Vice-President of the University of Alberta, will be the featured speaker at the public meeting in the evening. Topic of his address is "Quest for the Best in Education".

Mr. R. H. Jeacock of Lethbridge, vice-president of the Alberta Federation, will chair the final day of the convention — "Community Influences Day". The annual banquet will be held on Friday evening, May 9, in Athabasca hall. Grant McEwan, Calgary M.L.A., and well known authority on western affairs, who will be speaker, has chosen "Quest for the Best in Community Influences" as his subject.

Tips on Touring

By Carol Lane
Women's Travel Authority

Spring is here and tourists are hitting the road hard on all four tires. Tires are not only vital to your safety, but they are expensive to replace. To prolong their life, Shell Oil's tire experts offer the following advice:

1. Check your wheel alignment. A wheel half an inch out of line will drag the tire sideways, scraping precious rubber off the treads.
2. Rotate your tires regularly in this sequence: front right tire to spare, spare to rear right, rear right to front left, front left to back left, and back left to front right.
3. Make gradual stops and starts to prevent abrasion.
4. When parking don't bang your tires headlong into the curb or scrape their sides against the cement.
5. Slow up on turns before reaching the curve. When tires squeal, rubber is coming off.
6. Keep your tires up to recommended pressure. Test pressure when the tire is cool, as in the morning. Inexperienced motorists who check their tires when they are still hot from extended driving will always find pressure high.

Think of tires as the 'shoes of your car' and take care of them accordingly.

The seven symptoms that may indicate cancer are:

1. Unusual bleeding or discharge.
2. A lump or thickening of the breast or [illegible].
3. A sore that does not heal.
4. Persistent changes in bowel or bladder habits.
5. Persistent hoarseness or cough.
6. Persistent indigestion or difficulty in swallowing.
7. Change in wart or mole.

It is wise to see your doctor when you suspect the presence of cancer.

Pleasant Valley

Nothing seems to be very pleasant these days — winds are cold with frost at night. Every morning of late there has been thick ice on drinking troughs. Let's hope it ends soon!

Last week end Mr. and Mrs. Shaw and members of their family journeyed to Purdee where Mrs. Shaw's sister and her husband celebrated their golden wedding anniversary. They arrived in time to attend the square dance jamboree held in that town and they report having had a wonderful time.

Hi Mrs. Moore, heard you were at the hairdresser's in town getting a summer hair-do.

Lily Giles and Louise paid the writer a surprise visit last week. Chrissie and her mother came along with a lovely angel cake which was certainly good.

Wednesday night David Giles and family were supper guests at the writer's home.

Sunday visitors at the Clarke home were Lila and Bill Waterfield and the Hobbis family.

Raymond Coombe and family were week end guests at the Golby home.

Had a chat with Mrs. Jones, Mrs. Van den Dolder, Connie and Muriel on Friday. It's so nice to meet your old neighbors whom we certainly miss.

It's a good time to be out digging grass from the shrubs as it is very moist now. Just get hubby's barn fork for this job but be sure to put it back again and if a tong is bent, just think of the song "Now You Shouldn't Do That!" Here's for good digging.

TULLIBY LAKE

With regret we report that Mr. Ingver Dolsholm is once again confined to the hospital at Elk Point.

On Friday, April 18th, the Onion Lake village hall was the scene of another very successful amateur hour sponsored by the Young People's Club. There was a very wide variety of talent presented by some 27 entrants, to which the audience expressed their approval by loud outbursts of applause. Mr. Peter Bertsch, [illegible] very capably in the role of M.C., kept things rolling right along with appropriate comments and humorous jokes. The prizes were awarded as follows: Group 1 — Vocal, 1st, Marjorie Kelliher; 2, Lawrence Dumont. Group 2 — Instrumental, 1, Hector Benson and Gary Grant. Group 3 — recitations, etc., 1 St. Anthony's Day school; 2 Catherine Rodgers and Tom Mapletoft. Group 4 — choruses, etc., 1, St. Anthony's Day school. Following the talent presentation everyone was treated to lunch. Proceedings came to a close with an enjoyable dance.

Harry Whitstone from the reserve at Onion Lake has terminated his employment at the Doug Cooke establishment.

The German measles have invaded the district again. The two most recent cases are Judy Carmichael and Mrs. Alec Marsh.

Matilda Dyrvik is a patient in an Edmonton hospital.

Doug Cooke is confined to the Elk Point hospital at present suffering from a dislocated back. During his absence John Wolf is assisting with the various duties around the place.

Health Unit Notes

MOSQUITOES

Mosquitoes are among the most annoying pests known to man. In many parts of the world they are very important transmitters of disease, particularly malaria which is said to cause 10,000,000 deaths annually. Since the end of the second World War many governments in co-operation with the World Health Organization have set up Anti-Mosquito and Malarial Control Programmes with considerable success.

Fortunately in this country the mosquito is chiefly known for being irritating and a nuisance, often making the pleasantest part of the day, the cool evenings, unbearable with her attacks. I used the term 'her' because it is only the female mosquito which feeds on blood, which is necessary before she can lay her eggs.

In recent years the mosquito name has been linked with several outbreaks of [illegible], a disease which had almost disappeared with the [illegible] of the principal carrier of the disease. Investigation of recent [illegible] have found the carrier of the disease had been wild life such as deer and even bats and the transmitter to man had been the mosquito, who had first taken a feed of infected blood from the animal, some of which was inoculated into the wound when biting man.

Today with modern knowledge and equipment it is not necessary even in rural centres to put up with this nuisance. Already several areas in the province of Alberta have set up Fly and Mosquito Control Programmes. Some of these programmes cover a single Health Unit area or a group of Health Units and the cost is reasonable. Only the people who directly derive benefit from such schemes pay the cost. A control programme done on an area basis is far more effective and less costly than individual groups trying to do its own [illegible] program.

This Health Unit will be pleased to provide additional information to interested groups on Fly and Mosquito Control Programmes.

The grand prize is a 1958 Dodge Crusader. 42

SCARE IT OUT

One place where 'permanent' does not mean 'for ever' is the anti-freeze business, remarks The Financial Post. There's a big campaign to get motorists to drain and discard their 'permanent' anti-freeze this spring. 'We're going to scare it out,' one chemical company is reported to be threatening.

The Homemaker
EDNA M. CRAIG
District Home Economist
Wainwright, Alta.

MAKE YOUR OWN SUMMER HATS

Fabric hats are in the fore front of the fashion picture this spring. If you would like to make your own hat to match a dress or a suit, I have instructions available to you on request. The materials for making hats are available from the Edmonton Millinery and Dressmaker's Supply recently opened at 104 10133 Jasper Avenue. Some of the supplies you'll require include buckram frames or hat shapes, straw needles in a size seven or eight, and a special thread in a size 40, the most common of which is called Summit.

KEEPING UP TO DATE IN YOUR HOME

COLOR TRENDS.—You can be up-to-date with almost any color this year, but there are a few favorites you may want to keep in mind if you're changing color schemes. Medium blue will soon overtake turquoise, oranges often teamed with red are moving up, more mauve — mostly used with blue, off white and light to medium beiges are top neutrals.

CARPET NEWS. You'll find blue, orange avocado, bronzy golds and vivid combinations in addition to the standard neutrals and pastels. Watch for Nomad, a pretty color that seems to change like a chameleon when used with other hues.

FURNITURE. The return to Early American, forecast last year is in full swing. Wood surfaces have added interest — burl and inlaid veneers. Walnut is the favorite wood. Cherry and teak rank second.

4H CLUB ACHIEVEMENT DAY

The clothing and food clubs will soon be holding their annual achievement days. If you would like to be well entertained for an evening plan to attend the achievement day held by your local club. The dates are as follows:

Hughenden — May 5.
Mannville — May 6.
Marwayne — May 7.
Paradise Valley — May 8
Islay — May 9
Minburn — May 12.

In Ceylon almost one half of the cancer deaths are from cancer of the mouth, possibly due to the practice of chewing betel nut. In Canada cancer of the mouth accounts for very few deaths.

NEWS from ISLAY

Mr. and Mrs. Fred Threadgold of Edmonton visited the former's sister, Mrs. Winnie Torrance, over the week end.

Mr. and Mrs. Dalt Torrance and Linda were supper guests at Mrs. Torrance's brother's, Mr. and Mrs. Howard Beck on Sunday.

Mrs. Bill Hancock, Peggy and Marilyn had dinner at the home of Gladys and Muriel Stone on Sunday.

Mrs. Violet Schaffer hopes to make a shipment of rags about the middle of May — so pack up your rags and bring them in.

Congratulations to Mr. and Mrs. Melvin Beck on the birth of their first son, Tuesday morning in Islay hospital.

Next Home and School Association meeting will be held May 6 at 8 p.m. in the room downstairs in the school.

Mrs. I. D. Inman is in Islay hospital with a broken bone in her wrist due to a fall, also sustained in the fall was a cut over the eye when her eyeglasses broke.

Mr. Dave Hanna has returned from Ontario — nothing like Alberta for him.

Miss Ann Epp, aid at the hospital, went home to Battleford for the week end.

Holiday in Montana

DERWENT. — Mr. and Mrs. Harvey Johnston and family and Harry Borowski, have spent a two weeks holiday at Boulder, Montana. They toured the Butte-Kelly mine which is 140 feet underground. Butte is known as the 'Richest Hill' on earth. They also received Radon gas treatments in old High Ore Copper mine.

Cockshutt Dealer Holds Show

DERWENT. — Max Hanasyk, Cockshutt farm equipment dealer at Derwent, sponsored a free show at the shop on April 24th. Free coffee and doughnuts were served and a good crowd was in attendance.

United Church Is Scene of Maciborski-Armstrong Nuptials

Bouquets of pink carnations and mixed flowers banked the altar of First United Church, Vermilion, on April 19 at 4 p.m., for the double-ring wedding ceremony of Miss Joyce Armstrong, only daughter of Mr. and Mrs. Norman Armstrong of Vermilion and Mr. James John Maciborski of Vegreville. Rev. C. W. McKay performed the ceremony.

Given in marriage by her father, the bride looked lovely in a full skirted, floor length gown of white nylon net, ending in a flowing train, with a fitted bodice of white lace. The gown was styled with a beaded sequin bateau neckline and lily point sleeves. Her coronet headpiece held in place her fingertip veil of French illusion. Her jewellery, a pearl necklace and earrings, was a gift of the groom. Red roses formed the bridal bouquet.

Miss Dianne Maciborski, sister of the groom was bridesmaid. She wore a princess style gown of cream brocade with a flowing train and complemented by a blue hat and matching gloves. She carried a bouquet of yellow roses.

Raymond Armstrong, brother of the bride acted as best man.

Mr. Neil Cassidy, brother-in-law of the groom played the wedding music.

The wedding reception, a full course turkey supper, was held in the Brunswick hotel guest room, which was fittingly decorated for the occasion. The bridal party's table was centred with a three-tiered wedding cake, beautifully decorated by the bride's aunt, Mrs. George Caron. Rev. MacKay proposed the toast to the bride to which the groom fittingly responded.

For her daughter's wedding, Mrs. Armstrong wore a black and white silk printed dress with white accessories and a corsage of lovely pink roses.

Mrs. Maciborski, mother of the groom, chose a copper sheath dress with beige accessories and a corsage of yellow roses.

The bride's grandmother, Mrs. Carlson and the groom's grandparents, Mr. and Mrs. Mike Maciborski were all present.

All members of the two families wore lovely corsages and carnations, gifts of the groom.

Out of town guests at the wedding were Raymond Armstrong of Consort; Mr. and Mrs. Mike Maciborski of Wetaskiwin; Mr. and Mrs. John Maciborski, Mr. and Mrs. Neil Cassidy, Jane and Dianne Maciborski; Miss Verda Dean and Miss Colleen Cassidy all of Vegreville. Miss Colleen Cassidy and Mrs. Stan McCrae took movie pictures.

A telegram from Mr. and Mrs. Bert Mockford (nee Kaye Simonson) was read by the best man.

Mr. and Mrs. Maciborski will reside on the groom's farm at Vegreville.

$350.00 in Cancer Drive At Mannville

MANNVILLE. — $350 is the amount reported as collected to date for the Cancer drive. As some collectors have not reported as yet more donations are expected to swell the fund even higher. Anyone who has been inadvertently missed kindly leave your contribution at the telephone office.

Showers Honor Joyce Armstrong

In honor of Miss Joyce Armstrong who became the bride of Jim Maciborski on April 19th, the Princess Anne W.I. and Mrs. Stan McCrae and girls entertained some 21 guests at the home of Mrs. McCrae on April 13th. Contests were enjoyed and caused much fun and many laughs. The gifts were presented in a beautifully decorated wedding cake. After opening her numerous and lovely gifts the bride-elect thanked her friends and the afternoon was brought to a close with the serving of a delicious lunch.

Miss Verda Dean entertained some twenty guests at a shower in her home in Vegreville April 17th in honor of Miss Joyce Armstrong. After a number of games were enjoyed and a helpful hint given from all present, Joyce was presented with a prettily decorated umbrella of very useful gifts, and a wishing tree supplied the wishes. The bride-elect thanked all present sincerely and a lovely lunch was served. Eileen Cassidy, sister of the groom, presented the bride, Mrs. Maciborski and Mrs. Armstrong with a very nice corsage.

CHATSWORTH CHATTER

Roads have dried up rapidly, and there is little difficulty in getting around now. Fields also have become workable, and a number are already busy with spring work although it is not expected that any seeding will be done for another ten days or so.

Harvesting has been underway this past week — as soon as fields were dry enough combines were busy. George Farkash has been harvesting peas. Joe Farkash, Jr. had some grain to harvest as did H. Henningsen on his farm south-west of town. Grain in the swath wintered well except for bleaching.

Visiting at the M. Tovell home for Easter were Mrs. Glen Hutchinson and family from Calgary.

June and George Honey and little son Bobby of Edmonton were Easter visitors to the Henningsen farm. They were accompanied by George's parents Mr. and Mrs. G. Honey Sr. June and Bobby remained for a two weeks' stay here, the family returned for them the week end of April 19th.

Weather was very nice for Easter but hasn't been very pleasant this week. The spring promises to be dry according to forecasts so perhaps it's just as well if we don't have summery weather too early. Poplar catkins are hanging thick and furry while crocuses have been in full bloom for quite some time.

Mrs. Julia Farkash was a recent visitor to Saskatoon to attend the funeral of a friend there.

Out and around again after sessions in the hospital are Mrs. Albert Tovell, and Mrs. J. Farkash of town.

Mr. and Mrs. Nelmes, parents of Mrs. Albert Tovell are visiting at the Albert Tovell home.

The April meeting of the Chatsworth Country club was held on Wednesday 23rd at the home of Evelyn Henningsen with 10 members and a visitor, Mrs. Nelmes present. As this was the Cancer Crusade month a donation of $5 was made to the Cancer Society. Mrs. Angus Anderson brought us a few interesting comments from the Multiple Sclerosis branch in Edmonton, to which we recently made a donation also. As the Sick committee of Mrs. H. Good and Mrs. J. Farkash were absent, no report was received. The nickel draw donated by Mrs. J. McKeague was won by Mrs. A. Anderson. The social, a contest by Evelyn Henningsen, was tied for by Mrs. Nelmes and Mrs. Anderson and a trio of Mrs. R. Good, Mrs. E. East and Mrs. J. K. Thompson, the latter group taking the prizes on a 'guess the number' settlement. At the close of the meeting lunch was served by the hostess assisted by Mrs. Julia Farkash. The next meeting is to be held at Mrs. Hutchinson's on May 21st. Sick committee is Mrs. East and Mrs. Patterson.

Mrs. R. Hutchinson was a recent visitor to Calgary where [illegible] Ian and family.

Mr. and Mrs. H. Henningsen, Mrs. G. Honey and little son Bobby, were visitors to Mr. and Mrs. W. Pretsch at Dewberry recently.

Norman Fowler of Edson accompanied by a friend, visited relatives in Vermilion and district last week end.

Wildwood East

E J Hearty, while cranking his tractor, had the misfortune to be thrown several feet on to the woodpile when the tractor backfired, breaking his arm. Very bad luck at this time of year

Recent visitors to this district Mrs. Foster, Mr and Mrs Christopher, Mr and Mrs J A Smith, Mr. and Mrs R. D Trask Mr and Mrs. Ernie Edgar Eileen and Doris Jack, and Mr M Currey

Mumps or a very similar disease has visited many of the homes hereabouts. We wish all those who are indisposed a very speedy recovery

Mrs. Hilts has moved her family back to the farm where Hugh is attempting to put the crop in. Good luck to him.

The following are the results of the Red Cross campaign in this district Kitscoty $125.55 Wildwood $85.00 Earlie $38.00 Lavada $32.15 This money has been forwarded to headquarters.

BUFFALO COULEE ACTIVITIES

Everyone is busy on the land, but it seems as though the cold weather is a bit loathe to leave

NEWLYWEDS SHOWERED

A shower for the newlyweds, Mr and Mrs. Stewart Eyben, was held in the school gym last Friday night with a large crowd in attendance Games and contests were very ably carried out under the direction of Eleanor and Albert Cleland Eleanor's art is marvellous.

A beautifully decorated crib loaded with gifts, was wheeled in to the guests of honor by Linda Olsen and Bert Samuelson, dressed as bride and groom Mrs Gordon Green and Mrs. Alf Green aunts of the bride assist with gifts. Mr Albert Cleland on behalf of their many friends extended best wishes to the young couple. Stewart very fittingly thanked everyone for the many beautiful and useful gifts which they received and extended an invitation to all to visit them when in Edmonton. Lunch brought a pleasant evening to a close

Calgary

Plans for the farmers day picnic June 13th [illegible] progressing favorably

Everyone was pleased to see Mrs Wm. Irving, grandmother of the groom at the shower She was accompanied by her daughter Mrs S Benner of Edmonton. They both spent the week end at the home of John Eyben, returning to the city with Stewart and Audrey

HOME & SCHOOL MEET

The last B C Home & School meeting was not too well attended but from a discussion standpoint was one of the best of the season. Mrs. Ken Kennedy, vice-president was in the chair Mrs Lilian Phessey gave a most interesting report on the objective and aims of the present type of report cards used in the school This led later to a most instructive discussion, with many phases of the method of marking being given by the teachers, particularly Mr. Jackson who has done considerable marking of Grade IX exam papers.

There was no one definitely appointed to go to the convention in Edmonton in May, as everyone felt they would be too busy However it is hoped that someone will be able to make it.

Ted Marfleet reported that the box social sponsored by the Home and School had been very successful in reaching its objective for the Boy Scouts.

Mrs. Henry Haverslew, social convenor, served lunch.

Mr and Mrs. Hardy Wear are spending a few days in the city

Mr Dave Love and family of Lamont visited friends and relatives over the week end.

WINS BINGO CAR

Mr Harold Barlow received the news last Friday that his son-in-law in Manitoba had won a Ford car at a bingo game

Billy Juskow is spending a few days with his parents

CHURCH SERVICES

Our church services for the summer will commence Sunday May 4th at 11 a.m. Mr Earl Robinson from Pine Hill College Halifax, will be the student. He is quite a young man so it is hoped everyone will give him their full support in his chosen work and make the church the vital force in the community that it should be.

The Heatherbell W A. group are cleaning the church this week in preparation for the opening service on Sunday

Vestry Surprises Mannville Minister

MANNVILLE Dressed in working man's clothes, totally unprepared for visitors, Rev C C MacPherson was busily engaged packing books Thursday evening of last week. when, upon answering the door, all his vestrymen trooped in one by one Tucked under their arms were steaks which were duly served complete with potato chips, fresh buns and all the trimmings, cooked by Alan Emmott The steaks were donated by Frank Renspies and were 'out of this world' by all reports. An evening followed [illegible] full of fun and good fellowship and was much appreciated by the rector who leaves for his new parish in Fort Saskatchewan on Monday

GREENLAWN Goodwill Club

The April meeting of Greenlawn Goodwill Club was held at the home of Mrs. Gordon Rainey There were twenty members and one visitor Dorothy Oxton, present We were glad to welcome Mrs Archie Wood back to the club.

The main activity of the meeting was sewing the Crazy quilt the club members are making The members are planning to put on a dance on May 23 in the Greenlawn hall. Preparations have been started for a bazaar to be held this fall.

The door prize was won by Mrs Bobby Walker

Meeting being adjourned, a delicious lunch was served by Mrs Rainey, daughter Louise, sons Harvey and Dwayne, and Mrs. Oxton.

Our next meeting will be held on May 15 at 8 p.m. at the home of Mrs George Lumley Dr Wagenbrock will be present and will speak on First Aid and the Red Cross

Alan Manz Wins Hockey Award

MANNVILLE -- Sponsored by the Juvenile Hockey club Friday evening last at the school gym, the hockey dance proved most successful with a record number in attendance. Of interest to all hockey fans was the 'Most Valuable Player' award presented to Alan Manz by Legion President Lloyd Boe In presenting the trophy Mr Boe in well chosen words congratulated Alan on achieving this honor, and expressed happiness at the team's progress This award was voted on by all town residents who wished to obtain ballots, and thereby express their opinions.

CARD OF THANKS

We wish to express our sincere thanks to everyone who sent flowers, donations and cards in our recent bereavement. Our special gratitude to Rev. C. W. MacKay for his comforting message in final tribute state sage in final tribute to our loved one. Special thanks to Dewberry choir and Mrs. Webstable, also Mrs. Laing and Mrs. Nicholson of Vegreville.

Mrs. D. Rainey and family.

CARD OF THANKS

I wish to take this opportunity to thank Dr. King, the matron, nurses and staff of the Vermilion hospital for their excellent care and attention while I was a patient there. To my many friends also many thanks for their cards, letter, phone [illegible] and visits. It was all [illegible] appreciated.

Mrs. J. Wilson Ford.

What does YOUR label read?

Coming home from the Rotary convention at Garnde Prairie on Tuesday afternoon, a stop was made at Stan Calvert's hotel at Valleyview where Stan had very convention at Grande Prairie on all on the house.

CARD OF THANKS

I wish to take this opportunity to thank Dr. King, the matron and staff of the Vermilion hospital for their excellent care and attention received while I was a patient there. Also for the parcels, cards and cigarettes.

Albert E. Frissell.

CARD OF THANKS

We wish to thank Dr. King, the nurses, the staff, Mr. Marion and all who were so kind to Mother while she was in the Vermilion hospital recently; to the [illegible] Army whose [illegible] played and sang Sunday mornings, and for all kindnesses received. Thank you.

Mr. and Mrs. Maddex.

LOCAL NEWS

Among several former Vermilion people seen at the Grande Prairie Rotary Conference at Grande Prairie were Art Butler incoming president for the Drumheller club; Mr. and Mrs. Russ McKeever of Dawson Creek; Walter Antoniuk of Peace River.

Mr. and Mrs. Gerald King left for Brandon, Man., on Thursday morning to visit the latter's brother Mr. Gordon Irwin and Mrs. Irwin for some ten days.

Mrs. E. Wells returned last Monday from a week spent visiting her daughter and family Mr and Mrs. Jack Horricks and the children at Lethbridge, and with son Bert and Mrs. Wells and children in Calgary. She also renewed acquaintances with several old friends of the family

George Washington of Edmonton spent Thursday and Friday last week visiting his mother in Vermilion.

While in Grande Prairie from Sunday to Tuesday Mr. and Mrs. Ashley Cooper visited at the home of their son-in-law and daughter Mr. and Mrs. Victor Kusak.

While visiting at the coast recently [illegible] George Rossbeck was a guest at the home of her daughter Mrs. W. M. Matheson and Mr. Matheson. Mention of this was omitted in last week's local news item.

At the last Legion card party on April 18th the following were the prize winners: Ladies' 1st, Mrs. Flo Maskell; 2nd, Mrs. Daisy Hildreth; Consolation, Mrs. Lily Giles. Men's 1st, Mrs. H. Scott (playing as a gent); 2nd, Mr. Wemp; Consolation, Mr. Dennill.

The winner of Claysmore-Stellaville F.U.A. 746 raffle for an electric fry pan was Mrs. Martha Radesh, ticket No. 34.

A donation to the Crippled Children's fund in memory of the late Mrs. Galloway has been received from Mr. and Mrs. James Ross.

How about that SUB. date?

Mr. and Mrs. Stanley Manyluk had as their guests from Sunday to Tuesday, Mrs Manyluk's parents Mr. and Mrs. Frank Pilkie, and her uncle Mr W. P. Pilkie, all from Edmonton, and former long time residents of Vermilion.

Trousseau Tea

Tulips and daisies were arranged with iris and snapdragons in a spring centrepiece on the tea table when Mrs. W. Pettigrew assisted by Mrs Chas. Heckbert and Mrs. Ken Greenwood entertained eighty guests at tea in honor of her daughter Miss Marie Miller on Wednesday, April 16th.

Miss Miller and Mr Garry Giebelhaus were married April 19th.

Receiving the guests were Mrs. Pettigrew, Miss Miller and Mrs. Ken Miller. Sharing honors at the tea table were Miss Grace Bury, Mrs. J. R. Robson, Mrs. S. C. Heckbert, Mrs. E. M. Stewart and Mrs. E. Evans.

Serving the guests were Miss Betty Lou Rooks, Miss Lillian Woyewitka, Miss Rita Majeau, Miss Margaret Pockett and Miss Carolie Brown.

The gifts were displayed by Mrs. Edith Millar, while Mrs. Sarah Carroll was in charge of the trousseau display and guest book.

Wildmere Winks

Mr. H. Friesen was the first one seen seeding wheat seeding on Friday, April 25th Every one around has done some field work

Bill and Adam Smith have a nice new tractor and press drill bought from Mr Proudfoot of Mannville. Arnold Rudd of Battleview has a new tractor and cultivator bought from Mr Little of Vermilion.

Mr David Hughes of Basswood who is taking a month course in welding at Calgary spent the week end at his home here He returned to Calgary Monday evening.

On Friday evening Wildmere curlers held their annual banquet at Basswood Hall with a good crowd The tables fairly groaned under the load of good eats topped off with pie and ice cream After everyone had eaten to their hearts content, Pres George Harrison took the floor he gave a very good outline of the curling of the past winter and stressed to the curlers not to forget there was still lots of work to be done at the curling rink He called on the skips of the 11 rinks and nearly every one handed on the speech making to the third man A short program followed and a dance finished up the pleasant evening. [illegible] said another curler of Wildmere was also in the crowd [illegible] called on [illegible] Graham who skipped the High School rink [illegible] Vermilion to say a few words [illegible] all are [illegible] forward [illegible] Curlers [illegible]

A [illegible] attendance at church on Sunday afternoon It was held in Wildmere [illegible] and was the last service Rev. MacKay will hold here for while [illegible] student will be here for May [illegible] All have enjoyed Rev. MacKay's services during the past winter and heartily thank him for coming out every two weeks.

Gary Cutler returned to his work on the oil wells at Wainwright on Sunday afternoon

Mr and Mrs Noel Garnett went to Edmonton over the week end and brought back their baby son from hospital there

We are pleased to hear Mrs Ford is now home from hospital

May these sick folks soon be well Mrs A Carlson Mr Abe Frissell and Mr Elmer Samuel [illegible]

Mr and Mrs Waldon Westman of Basswood [illegible] had the pleasure of a visit from Walo's mother Mrs [illegible] of Vermilion.

Mr and Mrs Bud Rutko of Lloydminster [illegible] visited at the same home [illegible] Friday evening and took in the Curlers banquet.

Congratulations to Mr Walter Burney [illegible] Brandon [illegible] Betty Barlow of Buff[illegible] on winning a [illegible]

[illegible] with Mrs [illegible] Mrs George Harrison Mrs Gibson Mrs I [illegible] and with Mrs I Gordon who is now a grandmother as her [illegible] and her husband have a baby daughter Congrats Mr and Mrs Cumming [illegible]

[illegible] where are you [illegible] in B.C. or in Saskatoon?

It never pays to argue with any man unless you are trying to sell him something

Marie Miller Feted At Showers

Prior to her marriage to Mr. Garry Giebelhaus on April 19th, Miss Marie Miller, daughter of Mr. and Mrs. W.J. Pettigrew, was feted at several showers.

Mrs. Murray Millar, assisted by her mother Mrs. Jack Brown held a surprise shower at the former's home There were twenty-two guests present. Upon entering the room Marie was presented with a beautiful corsage of pink carnations

After several enjoyable contests, the Misses Carol and Phyllis Brown carried in a basket piled high with beautiful gifts for Marie and Garry's future home. After the opening of the gifts, a delicious lunch was served by the hostess.

A miscellaneous shower was held at the home of Mrs Al Locke assisted by Mrs. Helen Bell, where fifteen guests spent a very enjoyable evening with games and contests. A trailer made by Alice Seuffert filled with lovely gifts was presented to Marie with best wishes for the future. Upon opening her parcels she made a wish for each one present and everyone enjoyed a tasty lunch served by Mrs. Locke and Mrs Bell

Mrs E A Evans entertained twenty nurses doctors' wives and neighbors in Marie's honor at an evening shower After seating the bride-to-be under a canopy of wedding bells streamers and balloons filled with confetti Mrs Evans pinned a beautiful corsage of red roses on Marie An enjoyable evening was spent with contests, the main event being a millinery project which turned out creations vying with anything that Hartnell could create Upon the judging of these Miss Jan Evans and Master John Evans wheeled a carriage in front of Marie which was piled to overflowing with a wonderful assortment of gifts for her home Marie thanked each person individually and the evening closed with a lovely lunch served by the hostess and her mother Mrs Eunan

Dr and Mrs Clive Stephens were hosts at an evening party at their home last week in honor of Miss Marie Miller Guests were nurses from the Vermilion hospital. During the playing of games and contests Marie was presented with several prizes Following that the guests enjoyed a delicious buffet supper served by the hosts

Following the Anglican Happy Hour Group meeting last Thursday evening the home of Mrs Fred Stewart was filled to capacity with members and friends.

After a name competition and an interesting treasure hunt Marie was presented with a model trailer (a duplicate of their own) made by Mrs Dot Webb

This proved to be filled with many beautiful and useful gifts including a lovely one from St Saviour's Sunday School of which Marie had been a teacher for four years After opening all her presents the evening was brought to a close with a delicious lunch served by the Happy Hour Group.

For all the good wishes and lovely gifts Marie expressed her deepest thanks and appreciation at each gathering

Air Cadets Entertain

Squadron No. 97, Vermilion Air Cadets, entertained at a very enjoyable gathering last Friday evening in the armories. Guests for the occasion, which was held in conjunction with National Air Cadet week, were the parents of the Cadets, junior high and high school students, members of the Air Cadets from Lloydminster and their girl friends. The function took the form of a dance and sumptuous lunch.

Friends here will be interested to learn that Bryan Ford is now working in the Lorado Mills in Uranium City, Sask., as is Blair Hicks They have been in the northern town about a month now

Mr. and Mrs. Bob Rouse of Red Deer were week end visitors in town.

NEWS from KITSCOTY

Mr. and Mrs. Russell Lang and family, Mr. and Mrs. Kirk Evans and Barbara, all of Dawson Creek, B.C., attended their father's (Mr. R. A. Evans) funeral here last week. Russell returned to Dawson Creek last Thursday while Mrs. Lang and the children will spend some time here with her mother. Kirk and Mrs. Evans are spending the next three weeks here while Kirk is helping with the spring work on the home farm.

We are pleased to report that Mrs. J. McCorry has returned home from the University hospital and is much improved in health.

Mr. and Mrs. Alan Batty were in Edmonton visiting over the week end. Their children spent the week end visiting with their grandparents, Mr. and Mrs. J. Shoreyko at Streamstown.

Mr. and Mrs. Harold Jeffries and Mr. and Mrs. Ivan Patton of Smiley, Sask., were visitors at the home of Mr. and Mrs. A. Franke last week.

Mr. and Mrs. Robert Seal of Edmonton spent the week end here visiting with Margaret's parents Mr. and Mrs. F. O. Seward.

Congratulations are extended to Mr. and Mrs. Frank Parkin who were married here on Saturday, April 26th in the Kitscoty United church.

Mr. and Mrs. Ronald A. Linsdell, Gordon and Stuart of Edmonton spent the week end here visiting at the homes of Mr. and Mrs. N.C. Browne and Billie and Mr. and Mrs. R.S. Pidcock.

Mr. and Mrs. Milo Quinn and baby daughter who spent the winter in Lloydminster returned to their home here on Sunday.

Miss Minnie Parker was an Edmonton visitor recently having a medical check up.

Best wishes for a speedy and complete recovery are extended to Mrs. Emma Parkin who is a patient in the Lloydminster hospital.

The volunteer fire brigade was called to put out a grass fire on Saturday afternoon. The fire fighters were on the scene in a few minutes and the blaze was threatening Mr. F.J. Finlin's garage by that time. No damage was done and the fire was soon extinguished.

Miss Joan McCourt of Edmonton spent the week end here visiting with her parents Mr. and Mrs. J.H. McCourt. Miss Helen McCourt who has completed her first year in Education at the U of A is spending a month's holiday here with her parents and family.

MARWAYNE

(Crowded out last week)

The Poole Construction man was in town on Friday. Work will commence on the new school this week.

Congratulations to Joan and Jerry Calvert on their marriage this past week.

Mr. and Mrs. Delbert Tupper and family of Grande Prairie, visited at their home, Haskell Tupper's, during the Easter holidays.

Mrs. Reichenbaugh went to Edmonton on Friday where Mrs. McNab, her mother, passed away Thursday. Mr. and Mrs. Lorne Franklin went later to attend the funeral on Monday. They will bring Mrs. Reichenbaugh back with them.

Mr. George Perks has sold his farm in the Crown Hill district to Albert George.

The 1959 graduating class in Nursing from the Lamont hospital which includes Betty Klinkner and Muriel Craig were guests at the Wes Craig and George Perks homes this week end. They had turkey dinner at the Craig's on Sunday and then went across the river to the Bruce Parks' farm for an afternoon of horseback riding before returning to Lamont.

Mr. and Mrs. Clair Brown and boys came to visit Mrs. Sonley on Saturday and went to see Mr. Sonley in the hospital before returning to Edmonton on Sunday night.

The 4-H Clothing club will hold their Achievement Day on Wednesday May 7th in the Elks hall, Marwayne. Judging of the girls' work will be done in the afternoon and there will be a program starting at 7:30 in the evening. Lunch will be served and all those interested are cordially invited to attend.

Home and School members please note there will be no meeting in May.

Mr. Stanley Hayes has had to return to the hospital in Lloydminster while Mr. Kettles expects to get home the first of the week.

Bid Farewell To Leader at Mannville

MANNVILLE. — At a regular meeting of the G.A. on Friday last, members of the J.A. were present in order to bid farewell to their leader Mrs. C. C. MacPherson who led both groups of girls. The leader entered the basement to find the two groups assembled singing "For She's A Jolly Good Fellow". Marilyn North, G.A. president, presented Mrs. MacPherson with a combination table and magazine rack of wrought iron. The guest of honor graciously thanked the girls for the gift and Marilyn for her kind words, and asked them to carry on with their groups.

J. Edgar Hoover of the FBI states "That crime on this continent would be practically negligible if the young people attended Sunday School in their formative years."

October is the best month for beating September records.

McLAUGHLIN'S SELF-SERVE

Mannville and District Local News

Mr. and Mrs. John Schock, accompanied by their daughter and son-in-law, Mr. and Mrs. Glen Pyle, left this week on a trip to the west coast and Seattle.

* * *

Miss Betty Proudfoot and friend Miss Anne Kwong, spent the week end with Betty's parents Mr. and Mrs. Fred Proudfoot.

* * *

Mr. and Mrs. Stan Boe have as their guests, Jean's mother and father, Mr. and Mrs. Mitchell of Barrhead.

* * *

Mr. and Mrs. Jim Murray and family were visitors at the parental home with Mr. and Mrs. Fred Prill last week end.

* * *

Seen home over the week end were Norma and Howard McLuckie, Barbara and Walter Gerbart, and Kevin Majeau.

* * *

Mrs. C. Ramsey is again in Edmonton where she is able to visit her husband who is a patient in Col. Mewburn Hospital. In her absence from her home her mother, Mrs. E.B. Allen is staying with the children at the farm.

* * *

Mrs. Twee Horton (nee Adele Matney) and daughter Cindy were week end visitors at the home of Mr. and Mrs. E. Matney.

* * *

Threshing, which sounds funny at this time of the year, and combining, is in full swing in the district for those who were not able to harvest their crops last fall.

* * *

Rev. C.C. MacPherson, Mrs. MacPherson and Cindy left Monday of this week for Fort Saskatchewan, where Mr. MacPherson has been placed in charge of that parish.

* * *

E.B. Allen and Les Kreller were city visitors last week.

News from Dewberry

Death has claimed another old timer of the Dewberry district in the person of Mr. D. Rainey. Funeral services were held in the Dewberry hall on the 24th with interment following in the Dewberry cemetery. The sympathy of the community is offered to all left to mourn his loss.

Sub Lieutenant Eugene Maltais spent some time at home prior to leaving to rejoin the navy.

About twenty people from Dewberry attended the banquet in Clandonald to help their pastor Rev. S.G. Stewart celebrate his silver jubilee on the 23rd. Fr. Stewart of Clandonald has been pastor of the mission of St. Anthony's, Dewberry for the last five years, since his first coming to Clandonald. Congratulations and best wishes to Father Stewart.

Jimmy Jones, Leona Mathison and Joyce Parker, students for the past year at the U of A, were home in time to attend the play held in the school on the 26th.

Jimmy is going to tour with the University Mixed Chorus from April 30 until May 10. Starting at Edson, then several places en route and finishing at Stettler.

Joyce Parker leaves to go to Spruce Grove for practice teaching until the end of June.

Ernie Braithwaite has returned to the city after spending a vacation at his parents home.

Mr. and Mrs. H. Danderfer has been back attending to the business of their sale and other farm business.

Mr. and Mrs. Wm. Porter returned on the 22nd to their home on the farm. They will be here for a few weeks.

Mr. Harlen Green gave several selections on his flute at the Band concert in Lloydminster on the 20th accompanied by Miss Cheryl Jones at the piano.

The electric clock which was given by the Dewberry Co-op was drawn for on Monday. The winner was Mrs. H. McKnight.

The play 'Quit Your Kidding' which was staged by the Mannville High School drama club on the 30th was well attended. There was an estimated crowd of 300 present. The play was very well done and greatly enjoyed and appreciated. Every one acted their parts especially well. We were very pleased to see Mr. Smith who was the director of the play.

The play 'Brides To Burn' will be presented on May 7 instead of May 1st as previously stated. It is being presented by the Little Theatre group of Lloydminster and is being sponsored by the Ladies' Aid. As next day is a school day it will be started at 8 sharp. A treat is in store for all who attend so keep that date open.

Mr. Al Hatfield from the Peace River district is the new manager of the Co-op.

Mannville Couple To Retire From Farm

MANNVILLE. — After farming in the Mannville district for the past thirty years Mr. and Mrs. J. E. Arnold now plan to retire. Their farm home is well known to many and is located five miles west of Mannville on the old highway.

Both Mr. and Mrs. Arnold have been active in community affairs, patronizing all public events and assisting in church work. Plans for the future are indefinite at present but a well earned trip is included.

Some people take so long proving they are right they never find time to go ahead.

WOODVALE NOTES

After a month of spring-like weather that brought us crocuses, silver-colored catkins waving in the wind, early budding shrubs and some green grass, but now, by the feel of the chill wind winter has returned. The drying days made threshing possible and combining of left over 1957 crops and work on the land has been general for well over a week.

The dance at Woodvale hall on the 18th did not draw a large crowd but was enjoyed by every one there.

A meeting was held at the community hall in Tolland to plan the rebuilding of the two school houses into one hall. A yearling Hereford heifer was donated by Mrs. Gladys Wolters to raise funds for the hall and at a F.U.A. meeting on the 22nd the Tolland F.U.A. voted a donation of $100 for the community centre so a real interest is being shown towards that project. The F.U.A. also set the date for their annual picnic, it will be held on July 2nd. Be sure to mark that date on your calendar for a pleasant outing, watching ball games, meeting friends and dancing in the evening.

The Red Cross Auxiliary met at the home of Mrs. F. Anderson on the 23rd and tied a heavy wool patchquilt and with twelve ladies present, that work was soon done and left time for a regular meeting and to enjoy a delicious lunch served by the hostess. This quilt will be held over until there is a shipment of used clothing and other articles to go to the Presbyterian W.A. in Edmonton for their Indian Mission home. If you have any used clothes bring them to the next meeting on Thursday, June 5th at the home of Mrs. M. Watson. $15 collected in March will be sent to the Vermilion branch and the collection taken at this meeting was donated to the Bible Society.

Church will be held May 11th at Tolland hall at 3:00 p.m. and will be a family day in connection with Mother's day.

We were glad to hear that Mrs. Eva Dicks is back in Vermilion where she will stay for some more treatments after her operation in Edmonton. We all hope she'll soon be back on the farm again.

Mrs. Paul Courtier and her daughter Mrs. Cecile Helton of Camrose have gone for a visit to Mr. and Mrs. Arthur Pelletier in Saskatchewan.

While on holidays in Edmonton Mrs. E. Lyons made a trip to Rocky Mountain House to visit old friends and neighbors Mr. and Mrs. J. Haan.

About fourteen curlers from this side of the coulee went to the banquet and dance in Hazelwood and report an enjoyable time at this yearly end of the season party.

Mannville Brigade Agan To Rescue

MANNVILLE. — What could have been a most disastrous fire was under control upon arrival of the local fire brigade at the Leveredge farm a mile south of Claysmore. Fred had started a grass fire unaware of the wind's velocity and was almost overcome when help arrived from neighbors. Mrs. Leveredge put in a call to the fire brigade at Mannville, as things looked very bad for the buildings. However the fire has possibly harmed a line of spruce trees which had thick grass growing amongst them. Upon finding the fire almost extinguished the firemen returned to Mannville not without the grateful thanks of the Leveredges for their prompt arrival.

STRAYED — C. N. R. cement lawn roller. Whoever has same please [illegible] 38 and it will be picked up. 42-3

CUDMORE — Mr. and Mrs. Ralph Cudmore, Vermilion, on April 29th, a girl, Debbie Lynn.

MR AND MRS MARVIN THOMAS LITTLE

Pretty Wedding Solemnized At St. Columbus Church, Clandonald

Red and white mums graced the altar of St. Columbus church for the wedding of Miss Margaret Lenore Michael who became the bride of Mr Marvin Little. The bride is the daughter of Mr. and Mrs Robert Michael of Clandonald and the groom is the son of Mr and Mrs. W. H. Little of Vermilion. The nuptial mass and blessing was given by Father Stewart who also performed the double-ring ceremony. The bride, whose uncle Mr William McLaughlin of Vermilion, gave her in marriage looked lovely in a floor-length gown of French imported lace over satin with a sweetheart neckline and lily point sleeves. Her matching chapel length veil was held in place by a Queen Ann style headpiece. She carried a bouquet of red roses. Her jewelry was a pearl necklace and earrings, a gift of the groom. Miss Nancy Nasadyk of Vegreville and Leona Michael, sister of the bride were bridesmaids and Mr Jerry McGuckin of Clandonald and Mr Bill Kerr of Vegreville attended the groom.

The bridesmaids wore matching gowns of blue and yellow net over taffeta. Matching headpieces and mittens [redacted] their ensembles and they carried bouquets of red hearts and mums.

For her daughter's wedding, Mrs Michael wore a navy blue lace dress over taffeta with matching accessories. Mrs Little, mother of the groom, chose a gray suit with white accessories.

Miss Dona Schneider was organist and altar boys were Anthony Conwey and Allan McDon[redacted].

Out of town guests at the wedding were Mr. and Mrs. W. Little of Cranbrook, B.C.; Mr. Widemere, uncle of the groom, New Westminster; Mrs. Albright, of Vegreville; Mr. and Mrs. D. Cooper and family, Mrs. M. Kehoe and Larry, Mrs. Frances Kehoe, Mr. and Mrs W. McLaughlin, Mr. and Mrs. W. H. Little, Harb and Sammy, all of Vermilion; Mrs. Pat Toner and boys, Vegreville; Mr. and Mrs. Ross White, Vegreville.

Following the wedding a breakfast was held at the home of the bride for approximately 50 guests. Father Hensel proposed the toast to the bride. Several telegrams were received during the day, among them one from Canadian Utilities, Vegreville, one from Mr R. Boisvert, Vegreville and one from Mr. and Mrs. Chester of Marwayne.

An open reception was held in the Columbus hall at Clandonald in the afternoon at which about 350 people signed the guest book. In the evening a large crowd attended the wedding dance. The young couple are making their home in Vegreville where the groom is employed with Canadian Utilities. Lenore has been a member of the staff on the Vegreville merchandise department of the same firm for the past year.

MARWAYNE

Mr. and [redacted] R. Milne, Mr. and Mrs. J. [redacted] Mrs. W. Meiklejohn and other relatives went to Edmonton to attend the Graduation in Nursing of Jean, daughter of Mr. and Mrs. R. Milne, from the Misericordia hospital Monday evening April 28th. Mrs. R. Milne attended a Mother and Daughter tea with Jean on Sunday afternoon.

Mr. Lawrence Perks and Mrs. Saltzberry have been Edmonton visitors this week.

Mrs. Shirley Atkinson and daughter were recent visitors at the Arnel Johnson home. This past week Mr and Mrs John Kinshella of Wetaskiwin Mr and Mrs. L. Johnson and Valerie of Edmonton, have visited with the Johnsons and other relatives and friends in the district.

Mrs. Betty Hale and Mrs. Holmes are attending the Grand Chapter of the Eastern Star Lodge in Saskatoon the first three days of the week.

Friends of Mrs. Joan Calvert (nee Rooks) attended a shower in her honor at the home of Mrs. Betty Shaw on Saturday evening, April 26th. Joan received many lovely gifts for which she gave a very gracious thank you.

We are glad to welcome back Mrs. Haskell after spending the winter with her brother and his wife in the States.

Mrs. Kidder is staying at the home of her daughter Mrs. Roy Bendixen at the present time.

We noted a further list of [redacted] winners from the V. S. A. in the Standard and see two more prizes for Mickey Bendixen in the second year Agriculture class, one for General Proficiency from the T. Eaton Co. and in the Livestock Division awarded by the Alberta Livestock Co-op. Mickey is to be commended for his good work.

Remember the 4-H Sewing Club Achievement day Wednesday May 7th. Program begins at 7:30 p.m., lunch to follow. Everyone welcome.

Flyers will soon be in the mail regarding the Cenotaph in memory of the boys who gave their lives in the two world wars, which is to be built in Marwayne. Canvassers will be around about a week later while it is still fresh in your mind.

Sixteen Years Ago

APRIL 30, 1942

Doug Brimacombe, son of Mr M. G. Brimacombe, has been awarded his wings and is now a Sgt. Pilot in the R.C.A.F. Doug is following hard on the footsteps of brother Geoff who won his wings a month ago.

Oil rose 800 feet in the new Flobell well when the cement was drilled out early this week and all indications point to a better than average producer for the field. Bailing and cleaning will be carried on and pumping equipment installed within the next few days. This well was completed early in the year, being drilled for Vermilion Consolidated Oils by the S.W. Drilling Company. It is 1819 feet deep.

Vermilion Consolidated No. 8 which gained fame under its former name of Hamers No. 3, is now flowing steadily at an average of 80 barrels per day but at times produces as high as 110. This adds a new and valuable producer to the field.

32 Years Ago

APRIL 29th, 1926

D. A. MacLaren for 17 years a director of the Vermilion Agricultural Society and for two years president, was tendered a complimentary banquet on the eve of his departure from the district. He will make a trip to Alaska and tour the U. S. and Eastern Canada after which he intends to reside in B.C.

About thirty of the families for the Clandonald colony have already been placed on farms in that district.

Mr M. Hill returned from Taber Alberta, on Tuesday morning after narrowly escaping from the hotel there which was destroyed by fire. Melvin sustained a scorched neck as well as losing all the personal effects he had with him.

Stores Remain Open Until 9 p.m. Saturdays

All stores in Vermilion will be open this Saturday night to 9.

Since its beginning in 1938 the Canadian Cancer Society has spent more than $3,900,000 on [redacted]

DAILY GRIND

All the world's a stage — and it grants little time for intermission between the acts.

48 YEARS AGO

The by-law for the raising of $10,700 by debenture for a loan to Wiebe & Son and the purchasing of a site for a flour industry received the endorsement of the ratepayers by an almost unanimous [redacted] being 40 for and only three against.

Bad prairie fires have been quite prevalent both north and south of the town for several days.

G. J. Algot of Landonville arrived in town from Red Deer, bringing with him two purebred Hackney stallions and a number of cattle and sheep.

Baptiste Jose, merchant of Cold Lake, was in town with his son on the 18th and disposed of 1700 muskrat pelts to Stephens Bros. He reported the ferry operating in the Saskatchewan and the roads in good condition.

Vermilion, Alberta, Thursday, May 1st, 1958.

Former Dewberry Couple Celebrate Golden Wedding

DEWBERRY. — Mr. and Mrs. Andrew Brett of 4913-48th St., Red Deer, old timers of the Dewberry district, were honored on April 9th at their home in Red Deer, the occasion being their 50th wedding anniversary. The bride and groom of yesteryear are 78 and 90 years of age respectively. With them were their family, Mervin, June and family of Red Deer; Marjorie, Charlie and family of Calgary, and Laura of Red Deer. Also helping them to celebrate were Mr. Brett's [redacted] sisters and Mrs. Wiggins and Mrs. Tremble of Red Deer; Mrs. Brett's sister and husband, Mr. and Mrs. Hodgson, also of Red Deer and nephew Milo Hodgson, wife and family of Dewberry.

Mr. and Mrs. Brett left this district in 1917 to farm in the Red Deer district and later retired to live in that city. Both will be remembered by many in this area. Mrs. Brett was the lady who named our town Dewberry.

Congratulations to this worthy couple from all at Dewberry and [redacted]

Preston 4-H Beef Club News

On April 19 the Preston 4H beef club met at the home of Frank Gibson. The meeting was opened by Linda leading the pledge. The roll call was "How much and what kind of [redacted] my calf eats per day."

A judging class was then held and proved interesting. Adam and Ernest with the help of Mr. Leighton washed and groomed a calf and this was watched with interest by members and parents present. The meeting was completed with a delicious lunch.

Next meeting will [redacted] held at the home of Mr. Roy Dibben on May 25. Joanne will lead the [redacted]ge and the roll call is "The amount of grain my calf eats per day." John and Freddie will demonstrate the proper way to lead a calf. Recreation: a ball game. Lunch: Mary, Allister, Adam and Ernest.

—Ernest Sweeney, Press Reporter Preston 4H Beef Club.

SPRING TEA

REGISTRATION of BEGINNERS

at the Primary School

for 1958-59 Term

Parents are asked to contact Mrs. Shalka at the PRIMARY SCHOOL between

4:00 and 5:00 p.m. on School Days

during the next two weeks, to register any child who is eligible for school attendance.

To be eligible to commence school in September, 1958, a child must be 6 years of age by December 31, 1958.

VERMILION SCHOOL BOARD

More Financial Aid Provided Under Mothers' Allowance Act

More comprehensive financial aid with cost fully borne by the [redacted] government, to [redacted]ers demonstrating need of financial assistance was approved by the last session of the Alberta Legislature. The former Mothers Allowance Act was repealed and a new act was passed, to take effect May 1.

Under the new legislation the province assumes full cost of the assistance program, relieving municipalities of the 20 per cent share they previously were required to pay. Residence qualifications were also altered. Applicants must have resided anywhere in the province for the two previous years. Proof of residence within the municipality no longer will be required.

Eligibility for aid has been broadened to include wives of men sentenced to imprisonment for two years or longer, and wives left in desertion for two or more years. A woman who has been living in marital relation with a man for two years or longer and to whom she has borne a child, may be declared a widow for purposes of the new act.

Applications for aid will continue to be treated on an individual basis. In addition to financial circumstances, other factors to be taken into account include status of husband before death, pensions from other sources, number of dependent children, and other related matters. Provision has been made to allow municipal secretary-treasurers to continue receiving applications and to make appropriate inquiries into history and circumstances of an applicant. Application also may be made directly to the Pensions Board, or to a welfare worker of the Department of [redacted]

Total cost of the new program is to be met from an appropriation of $1,547,000 for the current fiscal year which began April 1. This is an increase of $296,000 over the comparable appropriation made in the fiscal year just [redacted]

Dewberry Home and School Meeting Is Well Attended

The Home and School of April 17 was fairly well attended. We were pleased to welcome Mr. Fester, the new teacher who replaced Mr. Lampitt. Also, we were glad to have Miss Birdsall (health nurse) as our guest speaker. She gave a talk on children's diet, informing us that a survey taken throughout Canada revealed that Canadian children are underfed. This seems hard to believe in our land of plenty. Children need more food than adults because, first, they are growing and second, they use more energy. She ended her talk with a film which showed how important it is to have and to eat garden produce, whole grains, milk, eggs, etc.

The business part of the meeting was lively with several topics [redacted].

The game night held in March was quite well attended in spite of spring break-up roads. Only adults were charged and we found we were $3.00 short. Next time if you don't bring your husband or wife you will very likely be charged for same — so might as well bring them along to join in the fun. The gym proved an ideal place for such a gathering. Bridge, whist, rummy, crib, etc., were played. We hope to have more such enjoyable evenings next winter.

The Home and School are sponsoring the booth for the track meet which is to be held May 24. A motion in connection with the track meet was passed, which is as follows: That everyone be appointed to curb all unnecessary driving of cars in the school grounds.

Our convention delegate is Mrs. Oxton, the convention will be held in Edmonton on May 7, 8 [redacted]

A new lunch committee was elected, Mrs. Davies, Mrs Wilford Mathison and Mrs Oxton.

The H. & S. are sponsoring the grade nine graduation which is to be held Saturday evening May 31.

After meeting adjourned, we were entertained by Mrs. Davies with a couple of contests after which the lunch committee served a very nice lunch.

See you at the next meeting, May 15 when our delegate will will bring us a report on the convention.

W. M. S.

The W. M. S. of the United church held their regular monthly meeting in the church hall on Monday, April 14th at 4 o'clock. Mrs. Agnes MacLean, the president, was in the chair. The meeting was called to order and was opened with a hymn. Mrs. C. Barr and Mrs. Muir were in charge of the devotional and Mrs. Agnes MacLean gave a very inspiring talk on the book on Japan. The minutes were read and approved. Reports were taken and roll call showed that there were 16 members and one visitor present.

At six o'clock a very tasty hot supper was served to all the members which was much enjoyed, and a vote of thanks was given by Miss G. Craig to the committee in charge. At 7:30 the members went upstairs to the auditorium where they were joined by members of the C. G. I. T. for their affiliation with the W. M. S. It was a lovely service with some of the girls receiving their badges for the [redacted] These were presented by the president Mrs. MacLean and vice president Mrs. Muir. C. G. I. T. girls then presented to Mrs. MacLean three boxes of baby clothes to be sent away wherever they may be needed.

A talk was given by a missionary from Irma which was enjoyed very much by the girls. The W. M. S. members were then asked by the C. G. I. T. to go downstairs where the girls put on a skit followed by a lunch. There were 27 C. G. I. T. members present and six leaders. Mrs. Alma Stewart being the chief.

THE SALVATION ARMY
RED SHIELD APPEAL

Food, clothing, shelter . . . yes. But it takes more than these to lift the burden from despairing souls.

This The Salvation Army knows. In its hostels, havens, homes and hospitals; in instances of emergency relief; the understanding heart and the human touch are constantly employed in mending shattered lives and kindling hope in spirits darkened by sin or suffering.

That this work may never flag, YOUR support is needed by faithful workers of The Salvation Army dedicated to these tasks of mercy.

1958 Donations To Red Cross Down

With 200 points conducting Red Cross campaigns in Alberta still to be heard from, returns to date show total receipts down $51,296 from 1957 returns.

Out of 345 country districts conducting campaigns, reports have been received from 145. Of these 77 have completed their canvass and 50 have reached or exceeded their 1957 returns.

Total returns to date amount to $377,485, 62% of the $539,700 quota. At the same date last year 72% of a $537,500 quota had been received with returns of $386,712.

Latest returns show contributions of $111,896 from Calgary, $136,092 from Edmonton, $64,510 from southern Alberta points, donations of $43,469 from northern points and direct donations of $1,917.

Make Plans For Visit of Princess

Representatives of the Federal Government Hospitality Committee were in Edmonton recently to discuss with Provincial Gov[redacted] visit of Princess Margaret to [redacted]

His Honor Lieutenant Governor Dr. John J. Bowlen was in attendance and chairman of the meeting was Honorable A. Russell Patrick who will act as chairman of the Provincial Com[redacted].

The meeting examined suggestions and alternatives for accommodations and program during Her Royal Highness' stay in Alberta. These plans will be presented to Prime Minister Diefenbaker and Her Royal Highness for consideration and approval.

Pioneer Islay Lady Dies in Edmonton

Mrs. Dan Gilchrist, 6331 112 St., a resident of Edmonton for nearly 30 years, died Wednesday at 76 years of age. She had been a members of Knox United Church, and was well known for work with the Social Credit organization.

Mrs. Gilchrist was born near Lindsay, Ont., and came west after her marriage in 1906 to Dan Gilchrist. They homesteaded near Islay and a few years later moved to Edmonton. Mr Gilchrist died in 1955.

Mrs. Gilchrist is survived by a brother Duncan Jamieson of Vancouver, one sister Mrs. Al Beecroft of Edmonton, two sons Donald and Douglas, one daughter Mary, Mrs. W. J. Gibson, eight grandchildren and six great grandchildren, all of Edmonton.

"SCIENCE SURPASSES THE MIRACLES OF MYTHOLOGY"
—*(Author's Name Below)—

The practice of medicine and pharmacy in ancient days was based chiefly on wishful hope. Little was known about how the body was constructed. Most diseases were considered to be caused by evil spirits.

Modern perfected methods or diagnosis enable physicians to correctly determine the cause of sickness. Fortified by this knowledge and ably assisted by recently perfected drugs they often, almost overnight, produce results that were formerly impossible. That is why now, more than ever, it is wise to consult your physician when sick.

Legislature Prorogues — Govt. Increases Municipal Grants

by KEN NASON

EDMONTON — With several of the more vociferous Opposition members not bothering to come back after a week end lay-off, it didn't take the Legislature long to complete its unfinished business on Monday of last week.

[illegible] BILLS RECEIVE ROYAL ASSENT

Lieutenant-Governor Dr. J. J. Bowlen entered the House at 4:17 p.m. and gave royal assent to [illegible] bills, raising to 103 the total number passed during the session.

Seconds later the session officially ended as members of the press gallery showered MLA's and cabinet ministers with bushels of torn up notes, bills and papers accumulated during more than seven weeks of legislative sound and fury.

FIRST MAJOR CHANGE IN LIQUOR LEGISLATION SINCE 1924.

The final day was spent mostly on gathering up loose ends of the new liquor legislation, which will give Alberta cocktail lounges, licensed dining rooms, legal drinking in supper clubs and liquor on trains.

It marks the first major change in the province's liquor laws since prohibition was repealed in 1[illegible].

The liquor bills went through with little debate on the principles involved, although they accounted for more talking than any other issue of the session. The talk developed over the administrative and penalty sections, which were picked to pieces by lawyers sitting in the Opposition side.

In fact, it was lengthy bickering over technical aspects of the bills which prevented prorogation a week earlier and brought members back for one day last week.

Opposition forces had both success and failure in their efforts to change sections of the act.

The government refused to remove a section which says decisions, orders and rulings of the liquor board can't be appealed. This was one of the things that kept debate going for about an hour on the final day.

When the voluminous liquor bills were finally through the House, Hon. F.C. Colborne, who had had the stiffest task of the session in piloting them, thanked all members for their help. "I am particularly pleased with the manner in which it received general acceptance on all sides," he said.

He was referring to the fact that some members are personally opposed to any relaxation in liquor laws, but in view of last year's plebiscite they felt that there was no choice.

The House was in session for 34 days, during which members were called back for 11 night sittings and two morning sittings. Generally they agreed it was one of the roughest in years.

It ended with the government committed to several projects for the coming year.

The government and the oil and gas conservation board will study ways of coping with increased consumer prices for gas, brought about by rising domestic and export demands.

HUTTERITE COLONIES

There will be a departmental study of legislation governing Alberta's Hutterite colonies, which are now spreading from northern to southern Alberta. Premier Manning told the House he is not satisfied with the present laws which require [redacted] to be 40 [illegible] apart. There has been a suggestion that the Communal Properties Act would not stand up in court, since it is legislation against a minority group.

There also will be a study of irrigation in the coming year.

BUDGET REDUCED

A highlight of the session was the budget, which called for reduced spending for the first time since 1946, and which introduced a new departure in the Social Credit government's fiscal policy.

The budget called for expenditures of $263,684,093, a drop of more than $21,805,000 from last year's record figure.

The decline doesn't affect departmental spending, which in fact will increase. But loans to municipalities and Alberta Government Telephones — previously regarded as expenditures although they created reserves — will be virtually eliminated.

GRANTS TO MUNICIPALITIES INCREASED

On the other hand, direct grants to municipalities will be up by $14,000,000. Expenditures on education, health and welfare show sizeable boosts, and another major highway program is proposed.

The reduced budget was introduced in the face of expected declines in revenue from oil and gas, resulting from loss of U. S. markets and a drop in production.

DIVIDENDS CONTINUED

Opposition ranks tried repeatedly to kill the oil and gas dividend program, pointing to the large number of persons jailed for obtaining them illegally last year.

The favorite charge was that the Social Crediters were afraid to "lose face" by admitting the whole thing was a mistake. The budget set aside $10,000,000 for the dividends this year, as against $11,000,000 last year. Individual payments will be slightly smaller, and a new system of distribution is being introduced to cut down on abuses. From now on, applications will be checked before the money is paid out instead of after.

GAS DISTRIBUTION IN RURAL AREAS

Most of the Opposition resolutions on private members' days were crushed by the Socred majority, but one Social Credit backbencher's motion drew unanimous support. It called for establishment of an advisory service to help co-operatives and other groups interested in rural gas distribution. Presumably, such a service will be set up before too long, but province-wide gas distribution in rural areas is still a long way off.

Two bulky reports from Royal Commissions gave members plenty of spare-time reading but there was little or no debate.

The MacGregor Royal Commission on northern development urged the province to press for an immediate start on a railway north through McMurray to the Northwest Territories, and called for a major program of northern road improvement.

TEACHERS' SALARIES

The Blackstock Royal Commission on teachers' salaries urged a province-wide uniform salary schedule for school teachers, and withdrawal of the right to strike. So far the Government hasn't promised any action on this one. The idea is strongly opposed by the Alberta Teachers' Association.

The March 31 federal election didn't go unnoticed in the Legislature. Members forgot political difference and offered desk-thumping congratulations to the victorious Progressive Conservative party.

The election results make for interesting speculation on what might happen in the next provincial vote, but space restrictions make it necessary to set that over for a future report.

COOKIES! COOKIES!!

The Girl Guides and Brownies will be calling at your door with cookies on Saturday, May 3 — their annual cookie day. 41-c

Winners Announced

The Vermilion C.W.L. announces the winners of their draw held April 26th as follows:

Dinner set, first prize, [illegible] by Mr R Mercier, Islay, ticket [illegible].

Second prize, hamper of groceries. Won by Master Larry Andersen, Red Deer, ticket number 248.

Winner of the blanket, for which tickets were sold only at the tea was Mrs. J. [illegible] of Vermilion.

The task ahead is [illegible] as great as the power [illegible] us.

CONSTABLE AND MRS. DENNIS NORTON

Colorful Wedding Solemnized At St. Saviour's Church

[redacted] Easter lilies and twenty-five dozen beautiful white narcissi banked the altar to form a lovely setting at St. Saviour's Anglican Church on Wednesday, April 9, 1958 for the colorful afternoon [redacted] of Jean Ruby Hildreth and Constable Dennis [redacted]

Rev. Minchin performed the double-ring ceremony which united in marriage the youngest daughter of Mr. and Mrs. Albert Hildreth and the son of Mrs. Hitchcock of Cumberland, B.C.

The bride entered the church on the arm of her father to the strains of Lohengrin played by Mr. Elford, wher she joined her [redacted] who was dressed in scarlet red serge, the full dress uniform of the R.C.M.P. She looked beautiful in her floor length gown of many layers of white nylon chiffon, with gathered bodice, trimmed around the neckline and waist with french lace. She wore matching gloves of nylon chiffon trimmed with french lace. Her shoulder length veil of imported illusion net misted from a crown of pearls and sequins, and she carried a bridal bouquet of Easter lilies and lily-of-the-valley. Her only jewellery was a pearl necklace and matching earrings.

The bride's attendants were Miss Joan Eckford of Vancouver and Miss Lorraine Murphy of Vermilion. They wore matching dresses of turquoise nylon chiffon with gathered bodices and carried bouquets of large turquoise daisies with lily-of-the-valley. Their turquoise bandeaux, shoes and gloves completed their ensemble.

Little Dianne Walker, niece of the bride was winsome as flower girl in a yellow eyelet and nylon dress, with matching headpiece. She carried a basket of yellow and turquoise daisies with sprigs of lily-of-the-valley intermingled.

Constable Trevor Dafoe of Edmonton attended the groom and guests were escorted to the pews which were decorated with white satin bows and lily-of-the-valley by R.C.M.P. constables, Harry Metcalf of Peace River and Con[redacted] Steinson of Breton, Alberta. These attendants were also dressed in their red serge uniforms.

During the signing of the register, Mr. John Webb sang 'Wedding Prayer' and 'O Perfect Love.'

For her daughter's wedding Mrs. Hildreth chose a gown of pink lace net over crepe with matching pink accessories and a corsage of pink and white roses.

Mrs. Hitchcock, mother of the groom, wore a stylish navy crepe dress with white accessories and corsage of white roses.

Following the ceremony a reception for some one hundred guests was held at the Legion Hall. The bridal couple were assisted by their parents in receiving the guests and Mrs. J. Sadownyk was in charge of the guest book. Mr Ken Stone was master of ceremonies and Mr Buckingham proposed the toast to the bride with the groom replying. Telegrams were read from out-of-town well-wishers, and Mr John Webb entertained the guests with a solo of the old favourite 'Because.'

The bride's table was centred with the wedding cake set in [illegible] white tinged narcissi.

For a honeymoon to the west coast and Vancouver Island the bride changed to a two-piece suit of beige mixed with white with dark brown accessories and a coat of Chinese green. Her corsage was of yellow Talisman roses.

On their return the happy couple will reside at 6814 - 106 St., Edmonton.

Out-of-town guests at the wedding included Mr. and Mrs. Archie Olstad and daughter Evely of Edberg, sister of the bride, Mr and Mrs. Clem Hildreth and three children from Calgary, Miss Anna Nelson, Lloydminster, Mrs. Murphy and Mr. Stan Galenza of Minburn, Mr. and Mrs. Stan Surby of Westlock, Constable and Mrs. Trevor Dafoe, Edmonton, Mr. and Mrs. Jack Reid of Edmonton, Mr. and Mrs. Carl Sampson, Lloydminster and Miss Vera Hryciuk of Winfield, Alberta.

Following the wedding all the beautiful flowers which had been flown from Vancouver Island by the groom's mother were sent to the local hospital for the patients.

Many years ago a common 'treatment' for skin cancer in England was to tie a live toad to the tumor. Of course it did no good. Today 95% of skin cancers are cured when treated early with X-ray or surgery.

News from Allandale District

Weather — very cool and frost. The land is drying and some of the farmers are working. Snow fell the night of the 25th and on Sunday 27th.

Those unfortunate farmers who were not able to complete their harvest last fall are doing so now.

Flowers are a pleasure at any time but enjoyed so much in the spring. Pleasant Valley correspondent, Mrs. Gladys Gould. I often think of your collection. Just now our five African violets are in full bloom and all different.

The McLellan family was well known around these parts, living north of the Idelore Nelson's, moving years ago to the city. This item was taken from the Journal by Mrs Mayers and will be of interest to many. "On March 7th Donald McLellan of Langford Park, age 42 years, passed away. He leaves his wife, two sons, and two daughters, Daniel, Donald, Dolly and Donna, his mother, ten brothers and two sisters".

A very interesting snapshot was received recently from our son-in-law at Whitehorse. Take note of the view on the back of a $5 bill. It was taken 10 miles north-west of the R.C.A.F. station at Whitehorse Y.T. Paul is planning before leaving there to visit that location and take some pictures.

The community centre board members are having the inside of the centre painted. The work is being done by Mr Stenerson from Vermilion.

A kindness appreciated very much from our secretary of the Island Hill Telephone Co., by enclosing the long distance calls in our three month phone statements.

The Johnny Starko family are now on the 26 phone line. Their number 2019. 1 long, 4 short, 1 long.

On April 18th the menfolk started work at the church. They shingled until early afternoon when forced to stop on account of the high wind. They finished the job the next day. Spading was also done around the shrubs.

Mr. and Mrs. Reeves, who are now in the city, were visitors on April 19th and spent the night at the McPhee home. Sunday afternoon Mr and Mrs Laird, Margaret and Cathryn and the Huckley children from Clandonald were visitors at the McPhee's.

Church was enjoyed in Vermilion on April 20th and after service the Omnesons had dinner at the Fleming home. Mr and Mrs. Art Christianson called in the afternoon.

Mr Gus Throndson of town was taken to the hospital on April 24th. He is getting on very well. Another stubborn case of a cold.

For the week end of the 26th Mrs. Dorothy Johnson and son Ronnie had as their guests Mrs. Johnson's daughter June and Allen Russell from Red Deer.

Mr. Wilf Greaves who has just won the light middleweight championship of Canada, is a cousin to Tommy Greaves, Edmonton. Tommy is a son-in-law of the Baldock's.

Eddie Throndson has rented his farm to the Johnny Forsyth family in Clandonald. Johnny's dad Jock, will be with the family. He has put a lot of his time in the north country and is home home in holidays. Eddie will be leaving shortly for the north.

Bent Hanson who is working at the Wm. Cross farm, had his brother arrive from Denmark recently and he will be working at the Jack Cross farm. Another lad also came across with him and he is at the Jack Tucker farm.

Our first church service will be May 11th. Time has not yet been arranged.

Last Sunday, April 27th, Mr. and Mrs. Wm. Roebuck from town were visitors at the Omneson home.

Mr. and Mrs. Idelore Nelson and son Leslie were Lloydminster visitors April 26th and on the way viewed evidence of that terrible accident near Blackfoot on highway 16. Leslie stayed with his sister Helen and Frank, the Schmidt family all coming home on Sunday afternoon for a visit.

An enjoyable evening was had at the Couples Club in town at the United [illegible] April 28. Mr. Hill of the Co-op had the devotional. The talk by Mr. Balzan on Africa was very interesting. We welcome Mr. and Mrs. Balzan to Vermilion. Games were played and then a delicious lunch was served. Thanks to all who were in charge.

Closing thought: "The only thing you can control in this universe is yourself. Devote some time every day to setting-up exercises in happiness. Sit this half half hour out in a sun bath of cheer. Happiness is entirely a spiritual product and is developed inside of you and cannot be put into you from the outside".

WILDMERE WINKS

To all these young ladies and their husbands we extend congratulations for a long happy married life. Mary Gow, Marjorie Smith, Jean Hildreth, Joyce Armstrong and Marie Miller.

The infant son of Mr and Mrs. Noel Garnett of Basswood underwent an operation in Edmonton hospital last Friday. We all wish this little fellow every sucess for a speedy recovery.

Noticed Arnold Ruud of Battleview going by with a new Case tractor and Graham-Holm plow.

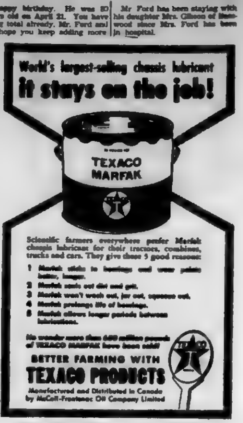
Mrs. L. Howard and baby Marilyn Anne came home from hospital last Tuesday.

Mrs. Cruthers is having a [illegible] floor laid.

The 4-H calf club held a meeting at Frank Gibson's on Saturday with all members present.

We all wish Mr. [illegible] a happy birthday. He was 80 years old on April 21. You have a big total already. Mr. Ford and we hope you keep adding more.

Mr Ford has been staying with his daughter Mrs. Gibson of [illegible] since Mrs. Ford has been in hospital.



World's largest-selling chassis lubricant
it stays on the job!

TEXACO MARFAK

Scientific farmers everywhere prefer Marfak chassis lubricant for their tractors, combines, trucks and cars. They give these 5 good reasons:

1 Marfak sticks to bearings and wear points better, longer.
2 Marfak seals out dirt and grit.
3 Marfak won't wash out, jar out, squeeze out.
4 Marfak prolongs life of bearings.
5 Marfak allows longer periods between lubrications.

No wonder more than 600 million pounds of TEXACO MARFAK have been sold!

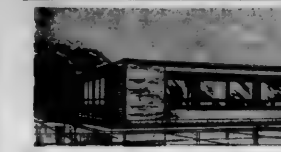
Alberta Provincial Library Dec.58



Myers Construction Awarded Contract For New Federal Building

The Federal Department of Public Works has awarded a contract in the amount of $112,274.00 to K.G. Myers Construction Ltd., of Lloydminster, Alta., for the construction of the new Federal building here. Specified completion date for this project is Dec. 1958.

The new one-storey building will provide accommodation for the Post Office Department and other Government services. Located on the south-west corner of 50 avenue and 51 Street, it will have a frontage of approximately 65 feet on 50th avenue and a depth of approximately 77 feet on 51st street.

The new structure, with partial basement, will be of concrete block and steel construction. Exterior finish will be of brick facing. Interior wall finish will be plaster, painted with cement dados in public areas. Acoustic tile will cover ceilings in the public spaces, while working areas and offices will have ceilings of plaster, painted. Floors will be of wood in general and covered with terrazzo in the public area.

The window grouping, beneath metal fascia panels, will consist of fixed glass panes, with small steel sashes that open inward.

Offices in the new building will be occupied by the Department of Veterans' Affairs, with storage space in the basement reserved for the Department of Public Works. There will be a trucking yard in the rear.

The plans and specifications were prepared by the Architectural staff of the Building Construction Branch of the Federal Department of Public Works.

Claysmore District Petition Asks Changes in M. D., S. D. Boundaries

A petition signed by the farmers living in the area concerned, asks that the eastern boundary of the Minburn M.D. and Vegreville school division, be changed in order to move some 36 sections into the Vermilion River M.D. and Vermilion school division.

The petition has been presented to the [illegible] division boards concerned and the matter taken up with the Dept. of Municipal Affairs.

COUNCIL OPPOSED

A letter from the deputy minister of Municipal Affairs regarding the Claysmore delegation's request to have the area removed from the M. D. of Minburn, was studied at the meeting of the Minburn M. D. council. In answer to the deputy minister's request for information, the secretary was instructed to reply and to advise that the council was opposed.

The area effected lies along the east side of the road running north and south past the Claysmore school, all of it within seven miles of the Town of Vermilion.

Highway 41 Will Be Continued South To Czar

The Hon. Gordon E. Taylor, minister of highways, this week announced the awarding of a contract covering grading and other work on highway 41 from Wainwright to north of Czar, a distance of approximately 15 miles, to T. A. Klemke & Sons, Construction Ltd., Medicine Hat, at a cost of $388,247.51.

Twelve other tenders were received on this project.

Extension of highway 41 south is a long time project of the Boards of Trade of towns along 41.

Stan Reynolds Spends Day Here

Stan Reynolds of Wetaskiwin who as a result of a concentrated and novel advertising policy has become one of Alberta's most most widely known businessmen and citizens, spent Sunday in Vermilion, coming here in his own plane and landing on the local airfield.

Stan was interested in the old tractors on our fair grounds and is prepared to make the owners an offer for them. He also visited farms of W. J. Eckford and Alf Logan, and other farmers at Islay, Beaver Lake and Mundare where old tractors were inspected.

Stan is also on the look out for old fire engines and inquired of S.C. Hechert where Vermilion's original pumper and ladder went to. This machine was sold to Grimshaw.

The energetic Mr Reynolds has built up quite a museum of ancient cars and tractors, and other antiques at his showrooms at Wetaskiwin. Tied to his plane here on Sunday was a huge old spinning wheel which he had purchased at Mundare.

Four-Year-Old Girl Dies From Effects of Gopher Poison

Marlene Cardinal, 4-year-old daughter of Mr and Mrs. Alfred Cardinal died about 9:30 o'clock this Thursday morning en route to the Vermilion hospital from the effects of drinking water from a can which had contained gopher poison. Her 5-year-old brother is in hospital ill from the same cause, but his chances of recovery are good. The children were rushed to hospital by Mr Bardoel.

The Cardinal family are from Cold Lake and arrived only on Wednesday to work at the farm of Joe Bardoel, located 3 miles west and one-half mile south of Clandonald. Marlene leaves her father and mother, four brothers and sisters.

The two little children picked up a can which had contained gopher poison. In some manner it had become partially filled with water, and the kiddies drank from this can, the little boy saying, "we took a drink of medicine".

Funeral services will be held at Cold Lake on Saturday with Moyers in charge.

Public Speaking Contest Proves Interesting Project

The United Nations Pilgrimage public speaking contest sponsored by the Britannia Rebekah Lodge proved a very successful and interesting venture.

Four students Marie Tovell, Fay Wilson, Mary Gibson and Dean McMullen competed in Vermilion.

Marie Tovell was the winner here and then entered the finals at Irma against four competitors. Sharlene Saunders of Killam was the winner from this zone, thus giving her the opportunity to go on the three week bus tour to New York, visit United Nations and many other interesting points.

To these students, the judges, teachers, all who helped in any way and to the public which turned out so well to support the venture, the [illegible] Lodge say thank you. It is hoped to again sponsor the public speaking contest next year.

Legion W. A. Offers Scholarship To Students

The Women's Auxiliary to the Canadian Legion are offering a scholarship of $100.00 which is available to children of veterans under all categories. Need and scholastic ability will be considered in awarding the scholarships.

Application forms may be obtained from Mrs. Arnold Winters, Vermilion.

On Way to China

Suey Fore, popular manager of the Rio Cafe is now on the high seas on the way to his old home in China. He plans to have a good holiday and will be away for six months.

School Sponsors Three-Act Comedy

Vermilion high school students union is bringing to Vermilion on Saturday, May 10th, the three-act comedy "Brides to Burn". This will be presented by the Lloydminster Little Theatre Group.

The play will be held in the armories Sat., May 10 at 8 p.m. with admission price of 75c for adults and 50c for students.

The play is an outstanding comedy written by Jay Tobias and according to reports is exceptionally well presented by the Lloydminster group. Proceeds are for students union activities.

Local Civil Defence Takes Part In Dominion-Wide Exercise

The Vermilion Civil Defence Unit along with many other such units joined Provincial and Federal civil defence organizations in a Dominion-wide exercise over the week end. The Vermilion unit consisted of volunteers from Vermilion, Lloydminster, Kitscoty, Marwayne and Dewberry. For this exercise the municipal district of Wainwright and the County of Beaver No. 9 were incorporated into the unit.

The exercise commenced at 9 a.m. on Saturday morning and closed at 9 a.m. Sunday. The [illegible] communication and preparedness of local headquarters. In case of emergency there is little doubt but that many faults could be found in any such exercise but the opinion is held locally that this exercise, the first held here, was a decided success.

George Martin, Civil Defence Director wishes to thank everyone who helped to make the exercise a success, especially those from the outside points, with special mention of County of Beaver, Lloydminster, Lea Park and Dewberry. Thanks also to the Air Cadets who acted as runners, the members of the municipal staff at Kitscoty, Mr. Clyde Hicks, and special thanks to Mr. Aldous Kent of Vermilion for his donation of coke.

The operation exercise was arranged and organized by members of the civil defence unit and directed by George Martin, Civil Defence Director, M. D. No. 71 Unit.

Mrs (Dr.) Reid and Mrs. Mercier of Vegreville, representing the I.O.D.E. came to Vermilion in order to view the operation of Civil Defence Exercise Co-op 2. By all reports they were very interested in the workings of this exercise.

Advance Notice Of Clean-Up Day

The Vermilion Board of Trade and the Town Council have plans underway for a town wide clean up with pick up day scheduled for May 21. All residents are asked to clean up their property or property occupied and to pile the rubbish at the rear of their lots. This will be picked up and hauled away on Wednesday, May 21 when the town will have on a fleet of trucks to accomplish the job in the shortest time possible.

Vermilion has long been noted [illegible] in Alberta, lets keep it that way.

Pony Baseball League Underway; Vermilion Teams Win

It was "Play Ball" in the newly-organized Pony league on Wednesday evening.

Four of the five teams swung into action and for the Vermilion teams on the roads it was a profitable evening. Buffalo Coulee was the idle team.

The Vermilion Elks journeyed to Mannville where they handed the home-towners a 7 to 2 setback. Details of this game were not available at press time.

The other encounter between the Vermilion Foresters and Islay was a crowd-pleaser with plenty of action. Final score was Foresters 10, Islay 6, with a big four run first inning spelling the difference.

Line-ups were as follows:

Foresters — Ferguson, Robinson, Ackerman, Risdale, Barr, Park, Ross, Manyluk, Sinden, Hill, Seddon, Wasylishen.

Islay — Duddy, Teskey, Jerry Maire, Billy, Jim Maire, Shaw, Waterfield, Brown, Kowalski, Billy, Lewis.

Opening game for Vermilion is on Friday evening with the Elks hosting Buffalo Coulee. Game time is 6.30 sharp as day light is limited. A good crowd is anticipated and good ball is a certainty. All games played at the Athletic park.

The Foresters are still on the road with a game scheduled with Mannville at the western town on Friday evening.

Team	P	W	L	Tied	%
Foresters	1	1	0	0	1000
Elks	1	1	0	0	1000
Mannville	1	0	1	0	.000
Islay	1	0	1	0	.000
Buff. Coulee	0	0	0	0	

Complete schedule follows — clip it for future reference and attend as many games as possible, you'll enjoy them . . .

Vermilion Fastballers Win And Lose At Red Deer

The Vermilion seniors fastball teams, the lady Cardinals and the male All-Stars, spent a very successful day at Red Deer on Sunday, an eight car caravan traversing to the central Alberta city. They played three games in all, the men winning one and losing one, while the ladies captured their game.

The All Stars turned back the Red Deer Glazier Electrics in the first game played by an 8 to 3 score. Murray Millar hurled for the Vermilion team and turned in a 4 hit performance, backed up by the long hitting of Leonard "Nuthin" Joe who was showing up his two brothers playing on the Red Deer team.

The Electrics retaliated in the second game to eke out a narrow 2-1 victory over the Stars. The Stars had a bad time at bat and just couldn't make that old hickory meet the horsehide head on.

Lining up with the Vermilion team were Joe Brower c, Murray Millar, Pug Young, Andy Reiffrid, Stewart Cooper, Ken Brown, Len Joe, George Martin, Jerry Marshall, Bill Chapman, Bud Baddock, Lyle Brown and Bryan Callaghan.

CARDINALS WIN

An 11 to 2 victory by the Lady Cardinals wound up the other highlight of the day. Eva Gordey [illegible] for the winners while backed up by Hazel Barr's homer in the 7th followed by Edith Millar's double with two on base. The Cardinal line up was Lil [illegible] Thompson c, Eva Gordey pitcher, Bea Baddock, Edna Ma[illegible], [illegible] Millar, Carol Hancock, [illegible] Barr, [illegible] Thompson, Margaret Rebner with Jean Burnett, Carol Brown, Sandra Park and Rose Anne Nelson on the reserve list.

Heavy Agenda Including Budget Handled by Town Council

The regular meeting of the Council, Town of Vermilion, was held on Monday, April 21 with Mayor M. Hill and Crs Cooper, Locke, McCormick, Rowe, Sutherland, Thompson present.

Correspondence: Minister of Highways re Highway Safety Conference; Fire Chiefs' Assoc re Conference; Town of Innisfail re trailer camp; Assessment Bd re Equalized Assessment; Dept of Municipal Affairs re Hospitals Benefits Act; Other hospitals re admissions; Salvation Army re Tag day; Dept of Transport re Airport; Rowe & Sons re Esso sign.

Lot Sales: Sylvia Anne Lynn, Lot 2, Blk. 1, Plan 5786 AY.

Building Permits: Nick Klutz residence on Lot 30, Blk 2, Plan 6647S; W. J. Pettigrew, Masonic Temple addition; Muriel Wilcox, residence on Lot 23, Blk 37, Plan 635V; I Miller alterations to the Imperial Block; G. Willmer, Lot 8, Blk. 3, Plan 6647S, garage.

Other Business: W. J. Pettigrew re Lot 13, Blk. 33, Plan 635V; A. Osbaldeston, gas inspector's report; Fire equipment quotations from rubber companies.

The following motions were carried:

That C. F. Thompson be appointed Deputy Mayor for May and June.

That the Salvation Army be granted permission to hold a tag day on May 24th.

That Rowe & Sons Ltd., be permitted to erect 'Esso' sign on Lot 9, Blk 4, Plan 6647S, provided erection conforms with by law covering same.

That two firemen, one to be the fire chief, be sent to Provincial Fire Chiefs' Assoc convention to be held in Calgary in June.

The following articles be purchased for V.F.D. from Dominion Rubber Co.: 8 hard hats at $13.20; 8 coats at $13.50; 8 pr. rubber boots at $18.11; 300 feet 2½in rubber hose at $1.67 per foot; 15 feet of soft suction hose; 1 wall nozzle.

That Israel Mulker be given permit to make improvement and alterations to building on Lots 1 and 2, Blk 11, Plan 6647S as outlined in application April 21 at a cost of approximately $24,000.00.

That the Masonic Temple be granted permission to make alterations to Masonic hall on Lots 18, 19 and 20, Blk 8, Plan 6647S, as outlined in application, subject to usual building by-law.

That Nick Klutz be permitted to build a house on Lot 30, Blk 2, Plan 6647S as per specifications submitted on application, provided construction conforms to town building by law.

That G. Willmer be granted permit for garage on Lot 8, Blk 3, Plan 6647S subject to town by laws.

That Miss Muriel Wilcox be granted permit to build house on Lot 23, Blk 37, Plan 635V subject to building by laws.

That by law 436 re tax levy setting same at 50 mills be given 1st, 2nd and 3rd reading and finally passed.

[illegible] fees at the park for 1958 be set at $3 per person.

Islay Boy Wins Honors At Lloyd.

Kenneth Gunn who prior to this year had taken all of his schooling at Islay, last week was awarded the Conrad Mathematics trophy for attaining the highest percentage in that subject in the Lloydminster high school. Ken is a grade 10 student in Lloydminster this year. The presentation of the award was made at the Lloydminster graduation exercises on May 2.

The trophy was presented by the donor, Mr Conrad, a former principal of the Lloydminster high school. Although he is now retired and lives south of Regina, Mr Conrad was in attendance and made the presentation.

Besides winning the mathematics trophy, this young student had an average of over 90 per cent and was thus recommended to be promoted from grade 10 to grade 11 without writing further examinations.

Road Tips

By "ROAD KNIGHTS"

The White Line is your Life Line. DON'T CROSS IT!

Province To Pay The Full Cost of Homeless Children

Full cost of maintenance of children who become wards of the government will be assumed by the Provincial Department of Public Welfare as a result of amendments to the Child Welfare Act passed at the recent session of the Alberta Legislature. Previously, costs were shared by both municipalities and government, with the municipality paying 40 per cent. Annual saving to Alberta municipalities [illegible]

Municipalities retain the responsibility of investigating all cases of neglected children. In [illegible] the custody of his parents, departmental welfare workers will assist in an endeavor to rehabilitate families in order that their children may be returned to their care. Where all efforts fail steps will be taken to secure the children's future by placing them in selected families, with a view to adoption.

Counseling services have been extended to unmarried expectant [illegible] provided in all cases whether the mother wishes to raise the child or surrender it for adoption.

Airport Busy

The local airport has been the scene of considerable activity during the week. On Sunday Stan Reynolds landed and spent the afternoon flying out from here with his plane from Wetaskiwin. Tuesday two helicopters and two army planes landed while Wednesday two more army planes connected with manoeuvers at Wainwright landed here for refueling. Pilots were Lister and Butant. The army planes will land here again Thursday [illegible] return to their stations at Camp Shilo.

Register School Beginners

Attention of parents with children about to commence school is directed to the fact that beginners should be registered at the primary school within the next week. The principal of the primary school Mrs. [illegible] should be contacted in this regard.

To be eligible to commence school in September 1958 a child must be 6 years of age by December 31, 1958.

Hobby Club Awakes Talent In Boys from 8 to 12 Years

A hobby club for boys between the ages of 8 to 12 years, designed chiefly to awaken latent talents and have the boys become interested in a hobby for their leisure hours, has been carried on in the United Church hall during the winter and spring months. It has been conducted on strictly interdenominational lines and approximately 42 boys attended.

The work covered quite a variety of projects in the hope that those who were not particularly interested in fretwork would be in copper smithing, rope splicing, plastic lacing or model airplane building. A boy interested in a hobby is a busy boy, and a busy boy isn't hanging around town getting into mischief and in later years into trouble.

On Wednesday evening of last week the hobby class held an achievement day with all the work done during the season on display for parents and all interested to see. The work accomplished in the short time is quite remarkable and a credit to boys and teachers alike.

This hobby class was organized through the Men's club of the United Church, the A.O.T.S. and those helping with organization and teaching of the various classes were Keith Dowsell, Dr. E. L. Young, Ted Herbert, Bill Baranyk, Jack Hobbis, Dr. Lynn, Bob Watt, Carl Johnson, Tom Kibblewhite and several others.

It is hoped to continue the hobby classes again next fall.

The A.O.T.S. wish to extend thanks to all who helped in the successful carrying out of this project.

Veteran Speedskater is Vermilion Old Timer

Albert (Bert) Pilkie, well remembered Vermilion old timer, celebrated his 82nd birthday on Monday, April 21. He makes his home with his brother William P. Pilkie in Edmonton. Even though he is 82 years young, just two months ago he spent nearly an hour on skates at Sun Valley.

During a skating career that spanned 1894 when he won his first mile victory to 1903, he amassed nearly 200 medals. He held records for both Canadian and American distances. He also held the Canadian and American mark in the 100 yard open in [illegible]. His time was 1 minute and 20 seconds. He is shown here with a few of his medals and his well loved skates.

Mr Pilkie was born in Lindsay, Ontario and did most of his skating in that area. He came to Vermilion in 1906, served in the First World War, and since that time until his retirement has been working for the Canadian Government.

Albert was interested in all sports while living in Vermilion and one afternoon when the skating conditions were good in the early fall he skated to the junction of the Vermilion and Saskatchewan rivers and return.

His old friends here extend their best wishes to him on his 82nd birthday.

MOTHER . . . QUEEN OF OUR HEARTS—

Every day, Mother reigns supreme in every heart. But each year on her "Special Day" she is crowned anew by her loyal subjects with fond expressions of their warm love and deep devotion. That special day this year is Sunday, May 11th.

Mother may be young or not-so young in years, but this is one day when she is sure to be young in heart . . . made so by the certain knowledge that she is remembered by all those whom she holds most dear.

Preserve Sunday

This month the Lord's Day Alliance of Canada passes its 70th milestone in an active, and frequently controversial career devoted to the preservation of Sunday as a free day for rest, recreation and worship. Instituted in Ottawa in 1888 largely at the request of labor movements, the Alliance now includes representatives of most religious denominations.

The annual report of the Alliance just published, says that automation will provide new problems in the observance of the kind of Sunday presently protected by the Lord's Day Act. The report predicts that 'costly investment in machines, together with considerations of the comparatively few people required to operate them, may be deemed sufficient reason for Sunday work. In such a contingency the effect upon Sunday observance would be hard to predict,' the report says.

Concerning cultural activities on a Sunday the report indicates that it is not likely the Alliance would object to a change in the present law were it possible to limit Sunday activities to high class interests. How to impose such limits to avoid opening Sunday to all kinds of amusements and entertainment, poses grave difficulty, the Alliance feels.

To call something cultural would not of itself be sufficient safeguard, since 'culture' can be, and is with some, a very wide term. It could, the report says, include a great variety of activities which the Alliance, and thousands of other Canadians, would not wish to be permitted on Sunday.

The report of the Alliance pleads for an unhurried and deliberate approach toward any revision of Sunday law. The aim would be to avoid serious loss of Sunday advantages to the people at large.

Of Many Things . .

By [illegible]

I was given a [illegible] the other day on which was printed a prayer 'For a Man in a Hurry.' I liked it and want to pass it along to you, together with a word of caution.

Do not use this prayer as an excuse for loafing, that is not the real meaning of the lines which follow.

'Slow me down, Lord!

'Ease the pounding of my heart by the quieting of my mind. Steady my hurried pace with a vision of the Eternal reach of time.

'Give me, amidst the confusion of my day, the calmness of the Everlasting Hills. Break the tensions of my nerves and muscles with the soothing music of the singing streams that live in my memory. Help me to know the magical restoring power of sleep.

'Teach me the art of taking one-minute vacations, of slowing down to look at a flower, to chat with a friend, to pat a dog; to read a few lines from a good book. Remind me each day of the fable of the hare and the tortoise that I may learn that the race is not always to the swift, that there is more to life than increasing its speed.

'Let me look upward to the branches of the towering oak and recall that it grew great and strong by growing slowly and well.

'Slow me down, Lord! Inspire me to send my roots deep into the soil of life's enduring values that I, too, may grow toward the stars of my greater destiny. In Jesus' name, Amen.'

I like that prayer. It makes me think of the English cabinet maker who seems always to putter with his work, but who gets it done in due time and in a manner to make him proud. The English accomplish great things by steady, careful, continuous effort. Too often, we, in Canada start with a flurry — then quit. We get little pride or pleasure from our work because we are too eager to see the end result and claim the prizes.

It you are a Man in a Hurry, I suggest you clip this column and read that prayer from time to time. Then instead of going all to bits, you'll get your roots down deep into the soil of life's enduring values.

People with nothing to worry about get fat and worry about that.

Corinthian architecture is characterized by columns, usually elaborately fluted and carved.

Here's Something To Investigate

Station Manager

PETER J. EDWARDS

A. F. Shortell, president of Sask-Alta Broadcasters Ltd. announced Monday the appointment of Peter J. Edwards to the position of Station Manager of Radio Station CKSA.

Mr Edwards has been actively engaged in the publishing and radio field for the past twenty years. He resigned from Station CKXL, Calgary, to assume the station management of CKSA. Mr Edwards brings to his new position a comprehensive understanding of sales and merchandising methods in both the retail and national field.

In making the announcement, Mr Shortell stated that no departure from the station's present programming is planned. Additional community service features will be added, however, to provide businessmen in the area served by the station with an expanded marketing service.

An active worker in community affairs, Mr Edwards is a vice-president of the Alberta Command of the Canadian Legion, Director of the Alberta Heart Foundation and Alberta representative on the National Council of the Poliomyelitis and Rehabilitation Foundation of Canada.

Mr Edwards is married with three children. His family will take up residence in Lloydminster at the end of the current school term.

HOW CAN I?

By ANNE ASHLEY

Q: How can I mend broken glass?

Purchase about a dime's worth of water glass from any drug store, and paint the broken edges of the glass, using a small soft brush. The mended portion will not show.

Q: How can I give the impression of extra width and height to a small window?

A.: By setting the curtain rods beyond the casing at top and the sides and then using material heavy enough that the casement cannot be seen.

Q: How can I soften shoes after being in the rain?

A. By first washing them in warm water then rubbing either glycerin or castor oil thoroughly into the leather.

Q: How can I prevent starch from blowing out of drying clothes?

A: Add a little salt to the starch and it will prevent starch from being blown out of clothes when drying them on a windy day.

Q: How can I remove rust from steel?

A: Rub with linseed oil and allow it to soak for several days. Wipe off polish with powdered, unslacked lime until the rust is loosened.

Q: How can I clean gold and silver articles?

A: By dipping a wet cloth into cigar ashes and scouring.

Q: How can I make sash cords last longer?

A.: Before installing the new sash cords, soak them in boiled linseed oil, then allow them to dry thoroughly, and they will last indefinitely.

Q: How can I clean the soiled leaves of house plants?

A.: By applying equal parts of milk and warm water. Use a sponge, and rub gently to prevent breaking the leaves.

Health Unit Notes

CHILD SAFETY

Statistics show that 132 Alberta children under 14 years of age were killed by accidents of various [illegible] last year. Some 50% of [illegible] victims were only 4 years of age or younger.

One hundred children or 76% would be alive today had responsible adults exercised reasonable care and forethought. [illegible] is borne out by the circumstances of the accidents as shown in coroners' reports. Accidental deaths make up 50% of child mortality between the ages of 5 and 14 years.

THE INFANT

New-born babies are helpless and need absolute protection.

1. Always feed your infant in your arms or supported in a vertical position.

2. Avoid leaving your baby lying in a crib with a bottle or 'small comfort' — 16 infants lying in their cribs were choked to death by food during or after feeding last year in Alberta.

HOME SAFETY

1. Check your house regularly to assure removal of fire hazards from basement, attic and closets.

2. Have fire extinguishers in your house in good operating order.

3. Have a dependable person stay with children when going out.

4. Keep handles of pots on your stove out of the reach of the children.

5. Keep all poisons securely locked and out of the hands of children.

ROAD SAFETY

1. Train your children not to play on streets and highways.

2. Secure your vehicle doors so that children are not able to open them from the inside.

3. Drive safely and sanely at all times.

4. Always look behind and in front of your vehicle before moving it.

WATER HAZARDS

1. All ponds, cisterns and wells near your home should be covered over or filled in.

2. Urge your community to provide life guards at bathing and swimming areas.

3. Guard river areas during the spring flood periods.

4. Keep children away from dugouts and unknown bodies of water.

Don't let your neglect or carelessness be the cause of any tot's death! Exercise care, KEEP THEM ALIVE!

Wins Half Car

Mrs. Roy Ensland of Penticton B. C., who before her marriage was Miss Barbara Young of Islay, Alberta, shared the grand prize of a car at a bingo held in the Penticton arena recently. They agreed to share the prize in some fashion rather than playing off for a single winner.

Sixteen Years Ago

MAY 7th, 1942

A cow belonging to Jim Wallington of Wildmere recently gave birth to a calf weighing 122 pounds and the weighing was done by accurate scales. The calf is noticeably huge and was calved last Thursday. A year or so ago the Edmonton Journal carried a story of a calf weighing 116 pounds when born so this one is something really extraordinary.

Rev. and Mrs. H.C. Miller have accepted appointment under the Christian and Missionary Alliance to minister in Ecuador, with the expectation of sailing next fall.

The annual meeting of the Vermilion tennis club was held on Tuesday evening. Sidney Millward was again elected as chairman of the managing committee and Ashley Cooper is secretary-treasurer. Members of the committee are Foster Stone, Mrs. H. J. Clarke and Doug Cooper. Don Easton is the high school representative.

32 Years Ago

MAY 6th, 1926

T J. Souder announces that he is opening a general store in Wellsdale and things are beginning to move along the C.P.R. line to the north.

At the regular meeting of the school board the resignation of W.N. Gourlay, principal of the public school was accepted with regret. He intends entering the University next fall.

Married: A. Rendell of Wildmere to Miss M.E. Paul of Cornwall, England, on April 17 by the Rev. J. Graham at St. Saviour's [illegible]

A barn and 12 horses were burned together with chickens, pigs, harnesses etc., on the farm of D.J. Metie, four miles west of town. The place is rented by D. M. Davidson.

48 YEARS AGO

The law practice of C.L. Freeman was taken over on Wednesday by J.W.G. Morrison of Edmonton, formerly of Sydney, N. S. For the past two years he has been associated with the firm of Debuc and Madore in Edmonton.

Harry Bowtell, manager of the Frog Lake Trading Co., spent several days in town leaving for the north on Monday.

Norman Tucker recently disposed of 10 yoke of oxen advertised in the Standard. Norm says he could have sold 15 more yoke if he had had them.

A post office has been opened at Ethelwyn.

Mr. Crow from Nova Scotia has been added to the bank staff here.

A county lodge L.O.L. was installed in Vermilion.

The grand prize is a 1958 Dodge Crusader. 42

The Homemaker

EDNA M. CRAIG
District Home [illegible]
Wainwright, Alta.

It's gardening time once again and we will soon all be out in our gardens. Several pamphlets are available from the Dept. of Agriculture you may find useful.

Alberta Horticultural Guide— Contains lists of recommended fruits and vegetables suitable for growing in each horticultural zone of Alberta, up-to-date information on disease, pests, garden cultivation, trees and shrubs.

Vegetable Varieties Suitable for Freezing — Some varieties of vegetables freeze much more satisfactorily than others. If you plan to freeze produce, you would be wise to plant these suitable varieties.

Control of Garden Pests in Alberta — Publication No. 130, description of pests, what they attack and how to control them.

Lawn Building and Maintenance — The pamphlets listed above are published by Department of Agriculture in Alberta and are available upon request from my office.

Other bulletins which might interest you and which are available from the Dept. of Agriculture, Ottawa, are:

No. 877 — The Gardeners' Handbook.
No. 703 — Hot Beds and Cold Frames.
No. 785 — Planning Your Garden.
No. 859 — Planning Farm Home Grounds.
No. [illegible] — Garden Rose Growing.
No. [illegible] — [illegible] Bulbs for Canadian [illegible]
No. [illegible] — The Strawberry and its Cultivation.
No. 786 — Annual Flowers for Canadian Gardens.
No. 826 — Raspberries and Blackberries.
No. 880 — Disease and Insect Pest of the Raspberry.
No. 839 — Gooseberry Culture.
No. 839 — Currant Culture.

The publications above are free. Write to the Dept. of Agriculture, Ottawa, giving the name and publication number. Do not send postage.

VARY YOUR VEGETABLE

When you're planning your garden, try to include one new vegetable. There are about 40 different types of vegetables which will grow in this district and frequently our gardens are limited to about ten of the most common. Try to include new vegetables yearly and help your family learn to like them. It will pay off for you in a more varied and interesting menu.

The Board of Directors of the U.F.A. Co-operative Ltd. have given approval to final plans for a new office building which will be the headquarters for U.F.A. Co-op. The building is estimated to cost approximately $225,000.00 and will be erected on the corner of First Street southeast and Twelfth Avenue, Calgary. Construction will commence very shortly.

The office, which will contain about 9,000 square feet of floor space, will be one storey with a full basement. It will be fully fireproof, of masonry, concrete and steel construction. The exterior finish will use glass, travertine and brick. Adjacent to the building will be a 25 car parking area. Architects for the new U.F.A. building are J.H. Cook and Associates of Calgary.

S. O. Hillerud, University Agricultural Secretary Retires

The retirement of Sylvan O. Hillerud, for twenty-one years Agricultural Secretary of the Department of Extension, University of Alberta, was announced by University officials today.

Born in Hillsboro, North Dakota, Mr. Hillerud grew up on a farm near Claresholm and after a period of service with the Royal Canadian Engineers during the First World War, returned to University from which he was graduated with B.S.A. in 1920.

For a number of years he farmed in the Claresholm area and later joined the staff of the Claresholm School of Agriculture.

Mr. Hillerud became very widely known during his eleven years as Provincial Apiarist which provided him with an extensive knowledge of agricultural conditions in the province. During this period he took post-graduate training at Cornell University, New York, and at the University of California.

A close student of social conditions Mr. Hillerud has assimilated a wealth of experience and knowledge in the area of community pressures and trends. Mr. Hillerud plans to retire to his farm in the Claresholm area.

Joyce Armstrong Feted at Showers

A miscellaneous shower was held at the home of Mrs. Lil Nelson on April 28 where the girls from the Canadian Utilities Office gathered to present Joyce Armstrong with many useful gifts. A grand time was had by the girls. Joyce expressed her deepest thanks and appreciation. The happy evening was brought to a close with a delicious lunch served by the hostess.

Last week the C.G.I.T. girls at their meeting presented Joyce with a beautiful gift. Joyce has been a C.G.I.T. teacher since moving to Vegreville, almost one year ago.

Cuts Collisions

To prevent rear-end collisions here's a new gadget, reports The Financial Post. It is an electronic device which flashes a warning signal to driver behind when his vehicle gets too close. Can be used for day or night driving. Device is about size of a camera and prototype will shortly be demonstrated. Surveys indicate over half of auto accidents are rear-end collisions.

Marjorie Smith Becomes Bride of Robt. Keast in Double-Ring Wedding

A lovely wedding was solemnized at First United Church, Vermilion, on Wednesday, April 9th at 2:00 o'clock p.m. when Marjorie Frances Smith, only daughter of Mrs. Arthur Smith and the late Mr. Smith, of Vermilion, was united in marriage to Mr. Robert Earl Keast, the eldest son of Mrs. Herbert Mawhinney of Dewberry.

Baskets of spring flowers [illegible]ed the church for the double-ring ceremony performed by Lieut. H. Crossland of the Salvation Army, Lloydminster.

The bride entered the church on the arm of Mr. William Campbell, of Edmonton, to the strains of the Wedding March, played by Mr. William Elford.

She looked lovely in a floor length gown of white net and lace over satin, with a fitted bodice and lily point sleeves. Her matching finger tip veil was held in place by a coronet of sequins and pearls and her only jewelry was a pearl necklace.

A white Bible, covered with Calla lilies and trailing Sweetheart roses was carried by the bride.

The bride was attended by Miss Margaret McLennan, maid of honor, and Mrs. Herb Smith, sister-in-law of the bride. The attendants wore gowns of pink and blue respectively, of net and lace over taffeta, with matching lace boleros. Their necklaces of aurora borealis were gifts of the bride. Matching headpieces and mittens completed their ensembles, and they carried nosegays of carnations and lily of the valley.

Attending the groom were Mr Herb Smith, brother of the bride, and Mr. Stan Geake, of Edmonton. The groom's gifts to the attendants were matching tie clips and cuff links.

Ushering the guests were Mr. LaVerne Smith and Mr Alton Curtis, who preceded the bridal procession to the altar.

During the signing of the register Mrs. Madeline Edey sang the "Wedding Prayer".

For her daughter's wedding Mrs. Smith chose a blue suit with pink accessories and a corsage of pink roses. Mrs. Mawhinney, mother of the groom, chose a mauve flowered dress with yellow accessories and a corsage of yellow roses.

Following the ceremony a reception was held in the church basement for one hundred guests, being catered by the Salvation Army Home League and servitours being the Misses Donna Isley, Sharon Isley, Helen Highberg, Marlene Wilhite, Joy Dalkin and Mrs. E. Schurman.

The bridal party was assisted in receiving the guests by the bride's mother and the groom's mother and stepfather. Miss Margaret Keast, sister of the groom, attended the guest book and Mrs. S. C. Heckbert acted as hostess for the occasion.

The bride's table was decorated with pink and white streamers and rosettes and was centred with a beautiful three-tiered wedding cake, made and decorated by the groom's grandmother, and set in white tulle.

Lieut. Crossland acted as the master of ceremonies and Mr. Charles Heckbert proposed the toast to the bride in very fitting words, to which the groom ably responded.

Telegrams were received from Mr. and Mrs. Ben Francisco and Mr. and Mrs. Gordon Tiessen of Kindersley, Sask., and Mr and Mrs. Edwin Bowles, uncle and aunt of the bride, of Fort William, Ont. A phone call was also received from Mr. and Mrs. Norman Yarwood of Edmonton.

For her honeymoon the bride changed to a beige suit with tangerine accessories.

The happy couple will make their home in Vermilion.

Out of town guests were Mr. and Mrs. Herbert Mawhinney, Dwight and Margaret, Mr. and Mrs. Gordon Wilson, grandparents of the groom, Mr and Mrs. Steve Romanchuk and family, Mr and Mrs. Vernon Keast and family, Mr and Mrs. Harold Craig and Mrs. Clarence Isert, all of Dewberry; Mr. and Mrs. Wm. Campbell, Mr Stan Geake, Mrs. Milton Brown and Mr. and Mrs. Arley Wilson and Trudy, all of Edmonton.

Old Timer Dies

A few old time Vermilion citizens will remember a young man by the name of Roy C. Jackson. Roy clerked in Stephens store and the old Trading Company store in the very early years. He left in 1909, went to Edmonton and finally worked his way through University graduating in law. He has since built up a very large practise in the city where he was a member of the firm of Jackson, Arlette and MacIver. Mr. Jackson passed away in Edmonton last week.

MARWAYNE

Congratulations to Mrs. Joe Ure on her 80th birthday. Many old friends called Tuesday afternoon to wish her a happy birthday. Helping her to entertain and open her gifts were her daughter Mrs. Jessie Kneen and Mrs. Dan Ure.

Mr and Mrs. H. Lafoy went to Edmonton on Saturday to attend the wedding of Mr. Lafoy's sister Jean Milne and a friend came back with them to spend their holidays at Jean's home.

Misses Betty Klinkner and Muriel Craig and a nurse friend with each spent last week end at their homes. From May 20 to 24th there is an Alberta Student Nurses conference at Banff which Muriel will attend. In July Betty goes to Ottawa to attend a Dominion Student Nurses conference.

Mrs. Rose Culford, an old time resident of Marwayne, will spend the summer at the Jack Culford home.

Bob Young, Cliff Espetveidt and E. Whitfield were Edmonton visitors this past week on Canadian Legion business.

Mr and Mrs. Alvin Parker attended the rodeo in Edmonton on Wednesday night. They called in for Lora at Lamont taking her on to the city with them.

Mr and Mrs. Clair Brown of Edmonton were visitors in town for several days.

Ted Carson was in Edmonton this past week to visit his mother who is in the hospital there. Mrs Carmichael also went to see her mother over the week end.

A number of Elks went to Mundare on Wednesday night to attend the District meeting.

Congratulations to Mr and Mrs L. Hines on the birth of a daughter in Lloydminster hospital Saturday morning.

Mrs Rea was home for a few days this past week.

The Explorers held a 'Family Night' on Thursday May 1st which was much enjoyed. The Explorers gave May baskets to the shut-ins on May Day.

Quite a number of Marwayne residents attended the band concert in Lloydminster this past week.

Mr Harry Pashniak's brother from the coast is visiting at the Pashniak home.

Arnold Kvill and John Milne have completed all their tests for the Queen's Scout medal and will receive this honor in Edmonton this fall. Eldon Giles and John Bell camped out this week end in order to complete their tests. [illegible] went to Red Deer with their Scoutmaster Rev. A. Potter on Saturday where David McCourt of Kitscoty received his certificate. Marwayne should feel very proud indeed to have four Queen Scout candidates coming up and should give the Scout movement all help they can.

Princess Anne W. I. Notes

The March meeting of the Princess Anne W.I. was held at the home of Mrs. George Richardson with nine members present.

The social service report was given and a discussion followed re a gift to be sent to Mrs. M. Simonet, a patient in hospital. Correspondence included a letter fr United Nations, thank you from the Unitarian Service Committee for a layette and a paper on farm accidents from the Alberta Safety Council which showed that the young people suffer most from farm accidents.

Agricultural news letter was read. It was decided to pack a box of attractive dresses and hats to send to the Mental Health Association and a donation was made to the Canadian Arthritic Association.

Mrs. George Mead gave an interesting and inspiring report on the conference held in Edmonton.

A delicious lunch was served by Mrs. N. Armstrong and Mrs. J. Purchewsky.

SCIENCE IN YOUR LIFE

Fighting A Cat Killer

Distemper in cats is a common and usually fatal disease with many medical names, the most widely accepted of which is "feline enteritis". Caused by a virus, distemper is often aggravated by other disease germs.

Many a cat owner has watched helplessly while his pet has crouched over its water dish, dying of thirst but unable to drink because its distemper-inflamed throat can no longer swallow. Farmers are as concerned with distemper as are city people who keep cats solely for pets. To the farmer, a healthy cat is a working animal, which can prevent the destruction of much valuable property by rats.

Vaccines and anti-viral serums have proven their worth in preventing the disease, but they are expensive at best, and are of little use in treating distemper once it has established itself. In recent years, however, veterinarians have made an important discovery about this illness. It is not the virus which kills the cat, but the bacteria which invade the animal's intestines after the virus has lowered its resistance. If these bacteria are knocked out by the antibiotic Terramycin, most infected cats can be saved.

Without such treatment, the death rate from cat distemper is as high as 80 to 90 per cent. Thus the introduction of this broad-range antibiotic has markedly changed the outlook for cat owners.

Three Major Educational Research Projects by Alberta Royal Commission

Alberta's Royal Commission on Education has undertaken three major research projects in connection with its enquiry into the aims and objectives of education in the province.

The Commission is investigating the composition of the teaching force of Alberta, quality of pupil personnel in the province's high schools, and the economic and sociological structure of Alberta with special reference to education.

The teaching force study is being carried out to determine what effect teacher shortages, increased enrolments, emergency training programs and other factors has had on the quality of personnel currently staffing Alberta schools. A factual description of this nature is not available at the present time.

Detailed questionnaires are being sent out to some 10,000 teachers. A questionnaire covers such pertinent points as present teaching position, teacher certification, formal academic and professional preparation, relationship between position and preparation for certain subjects, teaching experience and personal history.

The second major research program dealing with pupils, is designed to reveal the quality of Alberta high school students. Any specific group may be chosen for this study as, for example, the complete grade nine class for 1953. The investigating committee will probe the types of schools attended and the effect of the type of school on the pupil's grades, achievements at various stages of the school year and a follow-up study of achievements of 'bright' and other students. The program will attempt also to determine, in terms of I.Q., finding types of students successful in given programs in various types of schools: whether teacher ratings are valid predictors of success, and whether the quality of teachers affects pupil achievement.

Both the teacher and pupil studies will be analysed rapidly with the aid of electronic computing machines. Machine analysis taking but a few minutes would ordinarily take a research worker several weeks to complete.

The study of the economic and sociological structure of Alberta is designed to develop and maintain an education system with regard to changes in population, productivity, occupations, and trends in expenditures and revenues on all government levels as well as personal income.

In addition the Commission is making a comparison of comprehensive high schools throughout the world and also of curricula or school programs.

The six members of the Commission headed by Senator Donald Cameron, hope to present a report on the comprehensive study on education to the next session of the Alberta legislature.

OUR LETTER FROM EDMONTON

Education In Alberta Receiving Microscopic Examination

by KEN MASON

EDMONTON — Alberta's educational system is undergoing the most microscopic examination of its life at the hands of the Cameron Royal Commission.

The commission wound up its initial public hearings in the capital city last week then began a tour through other parts of the province to hear briefs and submissions from interested organizations and individuals.

It probably will be at least a year before the commission is ready to report its findings to the government, but one result of the investigation is already apparent.

It has generated tremendous interest in the Alberta education program.

This is evident in the fact that the six member commission, set up late last year by the government has received well over 100 briefs. Before the hearings are over, it may be closer to 200.

Originally, the commission was scheduled to hear some 60 briefs in Edmonton during the first session of public hearings. But more arrived in the mail every day and it soon became obvious that the 15 days set aside weren't sufficient. So the commission sat only 10 days here and heard 28 briefs before moving on. Hearings will resume in Edmonton in the fall.

Most of the briefs heard so far have one thing in common. They express dissatisfaction with the way the schools are doing things today. They say the students aren't receiving the solid background in the basic academic subjects and that standards all round are lower than they were 30 years ago.

One of the strongest attacks on the present system came from the Association of Professional Engineers of Alberta. It said the "persistent lowering of standards in high school graduates is making it increasingly difficult to meet Canada's growing demands for trained personnel.

The engineers were particularly unhappy about deficiencies in English, mathematics, physics and chemistry. Adding weight to their argument was the appearance before the commission of members of the university education faculty, who have experience in dealing with the products of the province's high schools.

The association deplored the trend in the schools to accept the responsibility for development of the whole child." It said society does not want the school to train the whole child — that the home and the church have their responsibilities too. The fundamental responsibility of the school is to teach fundamental academic [illegible].

The engineers submission had added strength because of the fact that professional educators appeared with the delegation, but that was not the case with most of the other organizations.

Senator Donald Cameron, commission chairman has been asking for specific evidence to support claims that the school system is falling down on the job, but so far has received practically nothing. Mostly it has been hearsay and opinion evidence.

The school system was defended by the Alberta Teachers' Association. But the ATA wasn't too happy about the way the province trains teachers. The association spoke in favor of abolishing the one-year training course and requiring the four-year university degree course as the sole basis for teacher certification.

It argued that raising standards would improve the prestige of the teaching profession and thereby attract more young people into careers in education.

While the public hearings are an important part of the commission's job, it is expected that most of the findings will be based on the results of extensive research projects being carried on [illegible].

Experts are working on a variety of investigations. For instance they are studying the record of the entire provincial grade nine class of 1953. They want to know what has become of the bright students, how many have dropped out before finishing grade 12, and what is the effectiveness of small rural schools as compared with large urban schools.

The teaching profession also is being probed. The researchers want to find out how adequately the province's teachers have been trained, and how many are teaching in fields for which they have been trained. They also want to know if there is a marked difference in training between rural and urban teachers.

Electronic sorting machines will be used to tabulate the results of these investigations, which are expected to lead to subsequent and more detailed studies in the future.

Marwayne F.W.U.A. Send Out 24 Easter Baskets To Elderly Folk

April meeting was held on the 29th at the home of Irene Johnson with Golline and Ruby Kvill as co-hostesses. There were 24 members and two visitors present. Roll call — exchange of plant slips.

Many thank you notes and two $5 donations have been received for the 47 Easter baskets sent out to elderly friends and those living alone.

Lillian Topper and Mildred Sinclair were delegated to attend the bridge meeting which was on in [illegible] at the same time. They [illegible] back with the report that the FUA and FWUA will have their own booth under their own buying committee the day of the bridge opening, June 13th.

The FWUA conference will be held in the Marwayne school auditorium on June 21st starting at 10 a.m.

It was decided to send one of the young folk of the district to Farm Young Peoples' Week in Edmonton. Candidate not as yet named.

Two books of tickets received from head office for our local Stampede Queen candidate Mrs. Vivian Popowich, were bought by the club.

A drive for funds for the Mental Health Association will be held on a Saturday about the middle of May.

An invitation was received from the W.A. of the United Church to attend their meeting at the home of Delia Pretsch on Thursday, May 8th.

Our doll's wardrobe is growing and tickets for the raffle are still on sale.

Next meeting will be held at the home of Delia Pretsch on May 28th.

NEWS from ISLAY

The Students' Union has purchased ten suits for the Little League baseball players.

Mr. and Mrs. Cook of McLaughlin, Mr. Dave Clark of Paradise Valley and Mr. Clarence Venance of Rivercourse all spent a very enjoyable evening at the home of Mr. and Mrs. Moncrieff on Thursday. They had been attending a meeting of school principals in Vermilion.

Mrs. Monroe of Dewberry was in Islay Friday.

Miss Eva Brassington of Paradise Valley is now on the teaching staff of the Islay school as an extra for primary grades.

Mr. and Mrs. John Shaw of Vermilion, Mr. and Mrs. Dick Bootsman of Edmonton, Mr. and Mrs. Bill Shaw, Mrs. Teskey and Mrs. Gordon Gould went to Perdue, Sask., and attended the 50th wedding anniversary of Mrs. John Shaw's sister and husband. The event was held at a son's home and during the day over 60 guests called. Then for a special dinner later, 35 relatives attended. It was a very lovely and enjoyable occasion.

Mr. and Mrs. Jimmie Barnett of Ft. Saskatchewan were week end visitors at the home of the former's parents, Mr. and Mrs. Wellington Barnett.

The United Church W. A. finally shipped the boxes of clothing for Korea. They were assisted in the shipment by the W.A. of the United Church at Dewberry. The Islay Sunday School brought in enough articles for seven towels kits, only a few articles added by the W.A. The C.G.I.T. girls of Dewberry had made nine baby gowns of flannelette with embroidery, and a dozen face cloths. They were lovely. These were sent to our W.M.S. hospitals in Alberta with some woollen bed blankets, and crib quilts the Islay W.A. had. This was the best shipment for some time.

The United Church W.A. will hold an evening of films in the church hall on Monday, May 12, at 8. Mrs. Lyle Anson has sent for films: one will likely be on 'Cancer' with others, and a comic. Collection will go to the cancer fund. Remember May [illegible].

Mrs. Wm. Axley Sr. of Dewberry is in the University hospital. We hope she may soon recover and be able to return home.

Just before mailing our news items we learn that Mrs. Lorne Axley is in the Misericordia hospital undergoing an operation. We hope she may soon be home.

Bridge Club Member Entertains

MANNVILLE. — On the occasion of her birthday Mrs. Ruth Hughes entertained members of her bridge club on April 25th in the evening. Time was spent in playing cards while a happy social time followed over the tea [illegible].

Coffee Shop To Change Hands

MANNVILLE. — Former operators of the Mannville Hotel and Coffee shop, Mr. and Mrs. Geo. Ackerman, recently of Tofield, have again taken over the business. With them are Mrs. Opal Miller and daughter Barbara. They will occupy the suite upstairs above the coffee shop for their private residence.

DERWENT THEATRE

Showing at Derwent theatre Sat. and Mon. May 10 and 12 "The Rainmaker", one of the best, don't miss this production; Wed. and Thurs. May 14 and 15 "Count Three and Pray", with Van Heflin and Joanne Woodward; May 17 and 19, "The Man Who Never Was" deluxe color with Clifton Webb and Gloria Grahame. 43

LOCAL NEWS

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Milton Lee wish to announce the engagement of their daughter Eunice Marion to Michael Mayowski, son of Mr. and Mrs. Wm. Mayowski of Vermilion. The wedding will take place on Wednesday, June 4th in the First United Church at 3:30 p.m. Reception to follow in the church hall. Friends and relatives please accept this as your invitation.

Mr. and Mrs. S. D. Simonson and Mr. and Mrs. L. G. Hall of Wainwright left by car Wednesday bound for Toronto where they will attend a short course at the university there for three weeks to study problems of educational leadership in local communities. Theme of the course is "The role of the school superintendent in educational leadership". On the return trip Mr. and Mrs. Simonson will take delivery of a new Chevrolet purchased through the local agency, Herzog Motors.

During the absence of their parents in the east Parnell Simonson will stay with his [illegible] will visit relatives at Kingman.

Mrs. W. (Dr.) McJannett and two children left on the return trip to their home at Truro, N.S., after spending the past [illegible] weeks at the home of her parents, Mr. and Mrs. K. E. Rowe.

Mr. and Mrs. Jack Barr of Edmonton are spending the week with the latter's parents Mr. and Mrs. John Bauer. The visitors are on two weeks vacation.

Mr. and Mrs. Earl Towe and family have moved to Lloydminster where they plan to reside in future.

Ken Rowe was a business visitor to Medicine Hat over last week end. He made the trip south by plane, returning by car.

Miss Florence Rooks of Calgary was in Vermilion over the week end visiting at the home of her parents Mr. and Mrs. E.T. Rooks.

Arie De Bruin, son of Mr. and Mrs. K. De Bruin is home on leave from the R.C.A.F. at St. Huberts, Que. Arie will be here for a month.

Mrs. McLeod of Regina is visiting at the home of her son and family, Mr. and Mrs. Charlie Upshall.

Donations to the Crippled Children's fund in memory of Mrs. Galloway have been received from Mr. and Mrs. A. Logan, Mr. and Mrs. Cecil Gannon and family, Mr. and Mrs. W. A. [illegible].

CURLING BINGO

A grand prize of $1000 and 11 prizes of $50 each will go to the lucky winners at a bingo to be held in the Vermilion arena on Saturday, May 31st commencing at 9:15 p.m. This is being sponsored by the Vermilion Curling club. Keep this date open as one thousand bucks is big money to almost all of us these days. 13-5

CARD OF THANKS

I wish to sincerely thank Dr. Evans, the nurses and staff of the Vermilion hospital for the excellent and kindly care and attention received following my recent accident.

E. J. Hearty

CLANDONALD HALL

Showing at the Clandonald hall May 9 and 10 "April in Paris", a musical comedy starring Doris Day and Ray Bolger; May 16 and 17, "Lucy Gallant" a drama in technicolor starring Jane Wyman, Charlton Heston, Claire Trevor and Thelma Ritter. Adult. 43

'A' Coy. Enjoy Annual Banquet

Once again 'A' Coy put on a very successful banquet for their members. They had a turkey supper with all the trimmings followed by a short program at the Legion hall. There are quite a few talented artists in the company. A few games of Bingo were enjoyed by all. After the program all went to a dance at the armories. As before, our own boys provided the music with the help of Mickey Carey. The evening was enjoyed by all, and everyone looks forward to the next social evening.

The membership is still growing with some 60 on the force and anyone interested should come down Thursdays evenings to see what is done.

The Badminton club meets regularly Wednesday evenings unless otherwise arranged and anyone interested is very welcome.

Vermilion Well Represented

Vermilion was well represented at the gigantic Sportsmen's dinner held at the Gardens in Edmonton Monday evening. Present from here were Russell Carroll, Reg Ireland, Harold Moyer and Irvin Gordon. [illegible] came in for some special mention from CJCA's Ken Foss sports announcer, as Mrs. Carroll had sent to him for one of the $10 dinner tickets to give to Russell as a birthday gift.

PROMOTED

Sgt. Edwin Willes R.C.M.P., son of Mr. and Mrs. Percy Willes of Vermilion, has recently been promoted to the rank of Sub-Inspector. Sgt. Willes is presently stationed at Ottawa.

OFFICE CLOSED MAY 12 TO 20

The office of G.C. Rampling, Optometrist, will be closed from May 12 to May 20. During this time, Mr. Rampling will attend the 27th annual short course for Optometrists at the University of Saskatchewan at Saskatoon. 43-4

APPRECIATION

I wish to express my sincere appreciation and deepest thanks to my neighbors and friends who turned out in such numbers and combined my crop for me last week following my accident on Saturday April 26th and for all the kindness and aid received since. Those who helped so much were David Jack man, team and truck, E. Jack team and man, Bob Stone tractor, rack and truck, Jim Drysdale team and man, R. Drysdale truck, Allen Drysdale man, Elmer Dobson, Neil Shook, H. Whalen and L. Weden of 14 [illegible] [illegible] Robinson [illegible] truck, D. A. Drysdale, Joe Patterson. Thanks also to Mrs. Campbell who assisted with the [illegible] to Bill Delgaty [illegible] from Vermilion [illegible] the tractor [illegible] [illegible] [illegible] and help is [illegible] money cannot buy nor words express appropriate thanks.

E. J. Hearty

IN MEMORIAM

In loving memory of
DAVID HENRY SMITH
who passed away May 11, 1955.
Looking back with tenderness
Along the path you trod
I bless the years I had with you
And leave the rest to God.
Now sheltered by the Rock of Ages
Anchored on the golden shore
Safe within heavenly haven
Waiting till we meet once more.
Ever remembered by his loving wife Delia and family.

Rotary Members Report On Grande Prairie Convention

The order of the day at Friday's Rotary Club meeting was reports on the convention held last week at Grande Prairie. All thirteen members of Vermilion club agreed that it was the best convention ever.

Art Balfour retiring governor of district No. 536 handled the convention programmes and the meetings as only he can do it. Mr. Balfour is manager of radio station [illegible] at Grande Prairie and is well and favourably known throughout the whole Peace River country. Mr. Balfour leaves shortly for a speaking tour of Rotary clubs and district conventions in Texas.

The other outstanding rotarian at Grande Prairie was [illegible] of Beyruth, Lebanon. First [illegible] of Rotary International. [illegible] addressed [illegible] during the three days of meetings. He repeated many times the opportunity that rotary clubs have to promote world peace and international understanding. To day there are nearly half a million members in the [illegible] Clubs [illegible].

At the convention a report was made on the Rotary Foundation. This fund is used entirely to pay the expenses of students studying in foreign countries. There are now [illegible] young men and women attending universities in other lands. [illegible] felt that this programme makes a tremendous contribution to promoting good will throughout the world.

Chairman of Friday's meeting was [illegible]. He welcomed as visitors Art Steele, and [illegible] Edwards of Lloydminster. [illegible] thanked Jim Robson for handling the meeting and all the other [illegible] who contributed short reports of the convention.

Islay Amateur Programme Attracts Packed House

ISLAY. — The Islay Amateur as usual played to a packed house with a variety program divided into seven classes. A very strenuous time picking the winners was had by the three judges, Mr. R. Kay of Kitscoty, Mrs. Lila Waterfield and Mrs. Lois Karlsson, but they handled it remarkably well. Many thanks to them.

Winners in the various classes were:

Junior Vocal — 1. Sharon McKnight, 2. Jeanie Axley, 3. Malcolm Stewart.

Intermediate Vocal — 1. Faye Haskell; 2. Deanna Butz; 3. Winona Lunden.

Senior Vocal — 1. Milton Allen; 2. Evelyn Parker; 3. David Madill.

Vocal Duet — 1. Jerry Kada and Pat Thiessen; 2. Fay and Patsy Haskell, 3. Carol Bowman and Loretta Holmen.

Accordion Solos — 1. Marian Allen, 2. Ken Gabrielson, 3. Wilfred Carlton.

Piano Solo — 1. Cheryl Jones, 2. Gerald Inman, 3. Isobel Jones.

Instrumental Duets — 1. Mr. Kada and Gerry, 2. Dennis and Doris Allen.

Miscellaneous Groups — 1. The Dewberry Acrobats, 2. Ted Dennis, Doris and Marian Allen, 3. Pee-Wee Orchestra of Dewberry.

The faster the pace the easier for trouble to overtake you.

Facsimile of A Baseball Glove

While he doesn't specialize in odd shaped potatoes Mike J. Chmilar of Heinsberg certainly came up with a unique one this week. Mike brought a spud into the Standard office which looks for all the world like a baseball glove. The thumb and four fingers are there large as life, with a good pocket which you can just imagine a fly ball snuggling into. The oddity is on display in the window of the Standard office.

Membership At All Time High

Ernie Schurman attended the semi-annual conference of the Alberta Social Credit league which was held in Edmonton on Friday, April 25 as a delegate from the Vermilion social credit group. It was the most largely attended conference in the history of the league. President Orvis Kennedy reported that league memberships were now at an all time high.

Mr. and Mrs. R.H. Norton are away on a two week vacation to Fort William and points east to visit their daughter, Mrs. Grodeland and family.

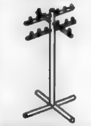
Car Sales Jump

New cars are selling well, reports The Financial Post.

While not quite level with the record 87,700 of the first quarter 1957, they do not appear to be far below.

Much of the impetus is coming from the still-increasing popularity of European imported cars.

In the first three months of 1958, small car imports accounted for 14 per cent of total sales (compared with 8 per cent in the first quarter of 1957.)



YOU CAN FIX IT

by GENE VON

BOW TIE RACK

This miniature telephone pole, set up on top of a man's dresser, makes for an attractive and handy selection of his bow ties. The upright is made of an 18-inch length of ¾-inch dowel, which is set into a blind hole drilled into the half-lapped joint of the 8-inch lengths of ¾-inch base dowels. Three ¼-inch dowels, 7½-inches long, are passed through transverse holes drilled into the upper portion of the upright, the center hole being drilled at a right angle to the other two. There are six blind holes drilled along the top of each arm before assembly to accommodate the ⅛-inch spacer pins which are ½-inch long. After you have glued all the parts together, stain or paint the rack as you wish.

War Amps Will Again Supply Car License Key Tags

Over the next few weeks every automobile owner in Alberta will receive two miniature car license key tags bearing the same numbers as his own car.

The key tags will come from the War Amps Key Tag Service, manufactured by war amputation cases whose work not only keeps them gainfully employed but raises funds for benevolent work of the War Amputations Association of Canada.

Designed mainly so that car owners might recover lost car keys, the War Amps Key Tag Service has now been serving Canadian motorists for 11 years.

In making the announcement, Alan David Piper, Manager of the War Amps Key Tag Service, pointed out that 24 war veterans are steadily employed in a cheery Toronto workshop where all the employees are amputation cases and the boss, Mr. Piper, wears two iron hooks in place of the hands he lost in a grenade explosion in 1942.

Last year the Key Tag Service returned one set of lost car keys to their owner every 26 minutes.

During the past five years of its operation Key Tag Service has transferred an average of $36,431 annually to the Benevolent Fund Committee.

If you, Mr. or Mrs. Motorist, lose your car keys tomorrow, the lost keys are mailed to the War Amps office where quickly the name and address of the car owner are discovered and the keys mailed to their rightful owner.

In 11 years over 15 million miniature key tags have been made by the War Amps. This year 6,500,000 key tags will be mailed out.

The decision to mail out duplicate key tags resulted from the enormous number of requests by subscribers for a second tag.

The innovation of mailing out duplicate key tags is paying real dividends, Allan Piper said today. In many Canadian homes there are two cars. In most homes the husband and wife both have car keys.

Key tags are sent out gratis. The recipient is expected to mail back 60 cents for duplicate key tags or 35 cents if only one key tag is required.

The money is sent to the War Amps Key Tag Service, 7?? Bay Street, Toronto 2.

Lt. Col. The Rev. S.E. Lambert, O.B.E., is Dominion President of the War Amps Association; Alan L. Bell is Honorary Secretary.

TENDERS

McLAUGHLIN'S SELF-SERVE

3-Day Conference for Children's Summer Camp Leaders, Directors

The 4th annual 'Camping Conference' will be held in Red Deer May 23-25 under the joint sponsorship of the Alberta Camping Association and the Community Recreation Bureau of the Department of Economic Affairs.

The conference is open to children's summer camp directors, leaders and other workers. Program chairman is Max Levy, executive director of Jewish Community Services in Edmonton. He is being assisted by Don Milne, executive director of the Edmonton district Boy Scouts Association and Miss E. McFarland, Supervisor of the Community Recreation Bureau.

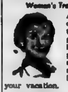
Many public and private camps are already registered. It is anticipated that more than 100 persons providing leadership in summer youth camps will be present. Last year 89 representatives from 39 camps were enrolled.

The conference will take the form of lectures and workshop. Topics to be covered and a few of the speakers include: Challenge of Camping, by Dr. M. Van Vliet, of the U. of A.; The Child of 8 to 15, by Prof. A. G. B. Hough; Waterfront Programs, A. G. Gilmet; Creative Art, by Detta Lange and Bettie Anderson; religious values at camp by Miss Christine Gardner, Executive Director, Edmonton Y.W.C.A.; nature lore and campfire get-togethers.

Further information may be obtained by writing: Community Recreation Bureau, Department of Economic Affairs, Legislative Building, Edmonton. Registry cheques of $3.00 should be made payable to the Provincial Treasurer.

Tips on Touring

By Carol Lane
Women's Travel Authority



An army travels on its stomach, the old saying goes, and so — in a very important way — do you when you and your family motor on your vacation.

I always have advocated proper eating schedules on the road, particularly when you're taking the children along. Breakfast is called by nutritionists the 'most important meal of the day'. This guide to proper diet does not change when you're touring. A nourishing breakfast with real staying power is still essential, but the added dictum — avoid heavy foods — must be heeded, too. To satisfy both requirements, why not try soup for breakfast?

Seem strange? It did to me at first. But it's good. It will stimulate the hardest-to-coax morning appetite. It's also practical, particularly if you stay at motels or tourist homes where breakfast isn't served, or if you like to make an early start before restaurant are open. How about a 'stirrup cup' of soup upon awakening and then a regular breakfast an hour or so later? Soup first thing in the morning is a good eye-opener, and canned soup is easily prepared on a portable hot plate or pocket size stove. If you'd rather not heat it yourself, fill your thermos with hot soup the night before.

Soup for breakfast is just off-beat enough to appeal to people on an off-the-beaten-path vacation.

All About People

Canada's population, now past the 17 million mark, should hit 18 million sometime in 1960. When it does we will be able to chalk up a net gain of no less than six million people since 1945, a greater number than now live in Ontario, most populous of the provinces.

A population increase of 30 per cent in the 15 postwar years must surely rank as one of the world's fastest growing countries. Yet we remain, withal, a giant in infancy having possibly fewer people to the habitable square mile than any other nation on earth. A sobering thought.

Even so, the absorption by 12 million people of half as many again in the brief space of a decade and a half is something few Canadians would have predicted back in 1945. Yet already it has been largely accomplished.

Of the post-war six million who will be among us by the end of 1960, some four million will be accounted for by births, some 2 million by immigration. An interesting ratio. The fact that the post-war immigrant total now exceeds 1,700,000 makes it more than likely that we shall welcome the two millionth before 1960 is very old.

WILDMERE WINKS

We wish Mrs. MacKay a speedy return to health and home.

Both farm work and seeding are going ahead in our district and the nicer weather makes it better for the men working in the fields.

Our new student minister Earl Robinson held service on Sunday afternoon in Wildmere church. Come out folks and support Mr. Robinson who is a good speaker and fine singer. Church next Sunday will be at 7.30 in the evening. Please keep the time in mind.

Miss Doris Fadden who works at Ponoka Mental hospital is home visiting her parents Mr. and Mrs. L. H. Fadden of Wildmere. She has three weeks holidays.

On Sunday evening a very happy group sat down to a sumptuous birthday supper at the home of Mr. and Mrs. C. Cruthers. It was Mrs. Gibson's and Mrs. Cruther's birthdays during the week. Those present were Mr. and Mrs. F. Gibson and family, Mr. and Mrs. R. Martin and Doreen, Mr. and Mrs. George Cruthers and family, Gary Cruthers, Mr. and Mrs. Ken Shepherd, William and Adam Smith, May Margaret and Naomi have many more such happy events.

Willie Clark Jr. and son Johnny of Triangle were at the Wallington home on Sunday.

Quite a large crowd attended the ball game at Wildmere picnic grounds on Sunday afternoon.

Mr. and Mrs. Albert Holte enjoyed a short visit from Albert's brother and his wife from Wetaskiwin Sunday forenoon. They visited a son who works for Calgary Power in Wainwright also.

Chatted on Saturday with Mrs. Wm. Whitlock of Triangle. Pleased to say hello to Mr. and Mrs. A. Smith of Marwayne. Had lunch with Mrs. A. Ross and Mrs. H. Bailey.

Wildmere W.A. will be held in Preston Central school Wednesday evening May 14. Mrs. Westman has the devotional, Mrs. Gibson and Mrs. Haines, lunch. Plan to attend.

Mannville and District Local News

Mrs. Torrance and son Leslie left on Monday of this week for a visit to Mrs. Garrison and family of Red Deer.

•• • ••

Mrs. R. Forsyth left this week to attend the Home and School Convention being held in Edmonton on May 7, 8 and 9. She is the official delegate.

•• • ••

Mrs. E. Elkin is visiting friends at Mannville and has received a warm welcome from all those with whom she was associated.

•• • ••

Miss Connie Gerhart was a week end guest at the home of her parents, Mr. and Mrs. A. Gerhart.

•• • ••

Mrs. M. Brown (nee Maxine Leitch) is home on a visit to her parents.

Mannville residents were pleased to see Mrs. Rose Gordon back in the district and in better health.

•• • ••

Sunday afternoon being particularly warm saw a number of people picnic minded at Vermilion Park. Fishing was popular with many. Two brave men were observed engaged in water skiing behind a motor boat. The water would be a trifle chilly as can be imagined but a good exhibition was given regardless.

•• • ••

Mr. and Mrs. Cliff Emmett and sons Gary and Lyle attended a relatives wedding on Saturday in [illegible]. Returning home via Fort Saskatchewan they called on Rev. and Mrs. C. MacPherson.

Mrs. W. N. Crooks is spending a few days in Edmonton this week.

•• • ••

Mr. and Mrs. M. Van dusen who have sold their business have taken up residence temporarily in the garage while June and [illegible] are completing studies. Plans for the future are as yet indefinite.

•• • ••

The Harry Humeniuks have moved into the living quarters formerly owned by the Van dusens.

•• • ••

Fred Prill is at present a patient in the Mannville Hospital.

•• • ••

Miss Darlene Enfield was home for a few days having completed her studies at University.

•• • ••

John Croft and Willie Sayer are both home on leave.

Conservatives To Choose Provincial Leader in August

RED DEER. -- Alberta Conservatives will gather from all parts of the province Aug. 1 and 2 in Edmonton to choose a leader to organize the party for the next provincial election.

Cam Kirby, president of the Conservative Association of Alberta, said Prime Minister John [illegible] to be guest speakers. He explained the election of the new leader will be by credited delegates including six from each of the 65 provincial constituencies and Alberta's seventeen members of parliament.

Alberta's last tory leader was D. M. Duggan, former mayor of Edmonton, who retired in 1937. The conservatives have never formed a government in Alberta since it was made into a province in 1905. However Conservative candidates in the recent federal election collected more than 62 per cent of the popular vote, capturing every federal riding.

Grass Fire Doused by Local Brigade

MANNVILLE. — With high winds and dry weather prevailing in the Mannville district, grass fires are almost a certainty where people are careless on the highways with cigarettes and matches, as is suspected in the recent grass fire Saturday night of last week. Don Upton, upon looking out, noticed the fire near Yasinskis, the old [illegible] the crossing and called Mrs. T. J. Lugg who confirmed the fact that it was spreading rapidly. The Fire Department was called upon advice from the police and the blaze was extinguished in the local brigade's usual efficient manner. Mannville is fortunate indeed in having such excellent fire fighting service.

Pictured above are Mr. and Mrs. Michael Dyjur who were married in Sacred Heart Church Calgary on April 9. The bride is the former Miss Marie-Therese Forseille, daughter of Mr. and Mrs. V. Forseille of Nampa, Alta., and the groom is the son of Mr. and Mrs. S. Dyjur of Clandonald, Alberta. Attendants at the wedding were Miss Augustine Forseille of Peace River, sister of the bride and Henry Dyjur of Didsbury, Alberta, brother of the groom. Rev. Father Sullivan officiated at the ceremony.

No Changes in Initial Grain Prices For New Crop Year

OTTAWA. — Hon. Gordon Churchill, Minister of Trade and Commerce, announced that the government has approved initial prices to be paid by the Canadian Wheat Board on the basic grades of wheat, oats and barley for the crop year commencing Aug. 1, 1958.

For wheat the initial payment is $1.40 per bushel, basis No. 1 Northern in store Fort William-Port Arthur or Vancouver; for oats, the initial payment is 60c per bushel, basis No. 2 Canada Western Oats in store F.W.-P.A., and for barley the initial payment is 96c per bushel, basis No. 3, Canada Western 6-Row Barley in store F.W.-P.A.

The new initial prices are the same as the initial prices in effect for the present crop year.

Mr. Churchill also announced that the 1956-57 wheat and barley accounts would be closed on May 9th, 1958. He expected two or three weeks would elapse before the final accounts were complete, and that a final payment to producers would then be made from both the wheat and barley accounts.

As previously intimated in the House of Commons, as a result of relatively low prices during the selling period, it is expected there will be a deficit position in the 1956-57 oats pool accounts. There will, therefore, be no final payment to producers.

TENDERS

Tenders will be received for the right to operate the hot and cold booth located at the Vermilion Lake beach. The booth to be kept open continuous and reasonable hours each day. The successful tenderer must pay own light and power. Building provided. The highest or any tender not necessarily accepted.

All tenders must be in the hands of the undersigned by Wednesday, May 14th.

K. G. Urquhart, Sec'y.,
Vermilion Parks Board.

New Mail Pick-up Schedule, Mannville

MANNVILLE. — Following is the pick-up schedule effective after May 31st for Mannville mail, subject to change:

Truck from West — leaves Edmonton 12:15 a.m.; Arrives Mannville 5:15 p.m.

Truck from East — Leaves Lloydminster 5:30 p.m.; Arrives Mannville 7:30 p.m.

Cork comes from the outer bark of a species of oak found in the Mediterranean area.

Solve a Crime BY A.C. GORDON

YOU ARE THE DETECTIVE

In response to a telephone call received in your offices at six o'clock this evening, you hurry out to the residential section of town to the apartment which has been shared by two young men, Herbert Tompkins and Roger Dennison. The white-faced Herbert Tompkins admits you to the sitting room, and your eye is caught immediately by the body on the floor. It is Roger Dennison, a bullet hole in his right temple and there is a gun lying on the floor next to his outstretched fingers.

You nod a greeting to Doctor Tom Jacobs, who is crouched over the body making his examination. Finally, he arises and tells you that death was instantaneous, and that the young man has been dead for at least two hours. As the doctor is packing away his instruments, you wander about the room, noting that for two young men the room is unusually neat and tidy, the only disturbing note being the trench coat thrown carelessly over the back of a chair in one corner. Finally, after the doctor has departed, you turn questioningly to Herbert Tompkins.

"I can't believe yet that this has really happened," exclaims Tompkins, rubbing his fingers nervously through his hair. "Roger surely gave no indication that he was going to do away with himself this way. He was a good roommate always fair about sharing expenses and such. But he did have a violent temper and was inclined to flare up over the most trivial matters. I know you're going to learn that we used to argue quite a bit, but it really didn't mean a thing.

"This afternoon, for example, I think it was about two o'clock, he went into one of his tantrums just because I had borrowed one of his neckties. We exchanged a few words, and then I left him here to cool off. I went to the Bluebird Cocktail Lounge, had a couple of drinks, then left there about 3:30 and took in a movie. I returned here just a few minutes before six o'clock and . . . there he was . . . dead!"

You point to the dark blood stain in the right cuff of Tompkins' white shirt. "You must have touched the body," you suggest.

"Yes — I did," he admits, and shudders involuntarily. "I wanted to see if possibly he was still alive. I felt over his heart and I guess my sleeve must have picked up some blood."

"Whose gun is that?"

"It's mine. I have a license. Roger, of course, knew that I kept it in my dresser drawer under my shirts."

"Well", you say slowly. "Your story sounds real good. But you'll have to come along with me for further questioning regarding the murder of your roommate!"

Why do you suspect Herbert Tompkins?

* * *

SOLUTION

According to Tompkins' story he found Dennison dead at six o'clock and had acquired the bloodstain on his shirt cuff when examining the body at that time. But the doctor has stated a few minutes after six o'clock that Dennison has been dead at least two hours. In two hours the blood would have coagulated and would not have stained Tompkins' shirt at six o'clock.

CALENDAR OF EVENTS

SPRING TEA & SALE

The United Church W.A. will hold a Spring Tea and Bake sale in the church hall on Saturday May 17th. 43-4

More Wayside Camp Sites Are Being Provided in Alberta

The Hon. Gordon E. Taylor, Minister of Highways for Alberta announced the first of the week that good progress was being made on the construction of Wayside campsites throughout Alberta.

The Wayside campsite consists of a kitchen, including a stove, tables, and water if same can be obtained. There are also toilet facilities and a playground area. The purpose of the campsites include the following:

Provision for tourists and others to set up tents for overnight camping.

Provision for lunch stops for tourists and others.

Provision for family picnics and outings.

Work has been commenced and is reaching completion at 16 points including one at Lake Whitney, north of Heinsberg.

Work is proceeding and should be completed near the end of May at 20 other locations including one just west of Kitscoty on Highway 16.

In addition to the above, work has been commenced on 12 Wayside campsites in Provincial parks and these are being carried out under the direction of the Hon. N. A. Willmore, Minister of Lands and Forests.

The program is a joint Federal and Provincial program with the Federal government reimbursing the Provincial government up to 50 per cent of the costs of labor and materials.

Long Lake, Highway No. 28, south of Bonnyville, Sec. 25-58-7-4.

On North Saskatchewan River at Elk Point bridge, Sec. 25-56-7-4.

Wheat Pool Distributes Over One Million In Patronage Dividends

Patronage dividends amounting to over $1,030,000 are now being distributed among Alberta Farmers by Alberta Wheat Pool agents. This dividend is being paid on grain deliveries to Alberta Wheat Pool elevators during the 1956-57 grain marketing season.

Included are cash dividends amounting to $371,000, while $660,000 is being credited to members in reserves.

Cheques covering the cash portion of the dividend were mailed out to Pool agents this week who are making the distribution among the 34,000 member patrons of last season. Decision to make this patronage dividend payment was reached at the annual meeting of Wheat Pool delegates last fall.

Dividends amount to nearly 2½ cents a bushel for wheat and flax, of which eight tenths of a cent is in cash and the balance in reserves.

On oats, barley and rye the dividend totals just over 1.1 cents, with four tenths of a cent in cash and the remainder in reserves.

The reserves credited to members represent the ownership of the organization and under present policy are redeemed in cash from members when they retire from farming, when they reach 75 years of age, and from estates of deceased members.

This year's distribution brings the Alberta Wheat Pool total patronage dividend payments, to $20,900,000, since its inception in 1923, of which $7,975,000 has been in cash and $12,925,000 in reserves. Over $2,500,000 of the latter amount has already been bought back in cash.

CLANDONALD HALL

Showing at the Clandonald hall May 9 and 10 "April in Paris", a musical comedy starring Doris Day and Ray Bolger; May 16 and 17, "Lucy Gallant" a drama in technicolor starring Jane Wyman, Charlton Heston, Claire Trevor and Thelma Ritter. Adult. 43

Vermilion W.I. Discuss Conference To Be Held Here July 5th

The Vermilion W.I. held its regular monthly meeting recently at the home of Mrs. Jo. McCaig with 11 members answering the roll call. There were 1[illegible] made to the sick and two get well cards were sent as well as one sympathy card.

Donations were made to the Polio Fund and Rheumatic-Arthritic Society.

Mrs. Percy Sloan of Mannville, our constituency convenor was introduced and welcomed. Mrs. Sloan then gave us a most interesting and enlightening talk on W.I. work. She advised us to study one or two of our projects each year, rather than try to have a paper on each of the many topics chosen for us. She also stressed that we should first support financially our W.I. projects and then support community projects and if our finances [illegible] support worthy projects farther afield.

The coming conference to be held in Vermilion on July 5th [illegible] and also our [illegible]. Mrs. Sloan urged us to continue our work on our Tweedsmuir History, so anyone who has interestings happenings of the early days around the Vermilion district, we would be glad to include these in our history, as this is to be a record of pioneer days around Vermilion. These stories may be handed in to Mrs. W.J. Bell or Mrs. T.H. Davis.

Mrs. W.J. Bell gave an interesting paper on Rheumatism and Arthritis.

Following the Mizpah benediction, a delicious lunch was served by the hostess, Mrs. Jo. McCaig.

Marwayne CGIT and WMS Hold Affiliation Service

MARWAYNE. — Marwayne C.G.I.T. held their affiliation service on Thursday April 17th in the Marwayne United church. Mrs. J. Smith, Lloydminster, the affiliating secretary for this area, was present to re-affiliate the Senior group and affiliate the Junior group with the W.M.S. Mrs. Dow and Mrs. Sonley attnded for the local W.M.S. and had active parts in the service.

A 'Candle Lighting' ceremony was held in which some of the girls took part, also a 'Cherry' tree on which all the girls placed a blossom and told something of what they had learned in their study of Japan. The service was enjoyed by the girls, their mothers and friends who were in attendance.

Lunch was served after the service.

On Thursday, April 24th the Senior C.G.I.T. put a scrapbook together to send to Japan. The scrapbook is on Alberta and it illustrates many phases of Alberta life.

EXPLORER NEWS

At the begining of the year we made two scrapbooks of old cards for the new Cold Lake hospital. A mission study of Japan was also started. For the Hobby Fair we made a relief map of Japan and gave a panto mine.

A very enjoyable Valentine party was held on Feb. 13th at the home of our leader Mrs. T. Rea. Mr. Earl Gray kindly transported us to the 'river hill' west of Marwayne where a very enjoyable afternoon of tobogganing was spent.

BOWTELL BULLETIN

Congratulations to Mr. and Mrs. Leslie Sherwood on the birth of a baby boy in the Islay hospital on April 30, Robbin Leslie.

A nice letter was received recently from Robert Dibben who is still in hospital in Edmonton, thanking the telephone company of Borradaile for lovely flowers that he received at Easter. Robert is still in a wheel chair, but is looking forward to the day he will be able to come home. We all send our best wishes and hope it is in the near future.

Thanks once again to Charlie Pierman for fixing the phone. This time the trouble was near Sementuks and a boat was required to reach the pole in the deep water.

The young folk are playing ball each Sunday afternoon on the Sherwood farm. A few years ago the Pleasant Valley team disbanded due to some of the members leaving the district. We are pleased to see that another team is in the making.

Ye writer and husband and Beverly visited Sunday at the home of Mr. and Mrs. C. Clarke.

Neil Harrison is home at present helping to put the crop in.

It is certainly good to see our road being gravelled. That new grade was very bad during wet weather.

Frank Robinson is getting the land worked quickly this spring having purchased a new tractor.

Harold Knutson assisted by Arnold Marcs installed a bathroom recently at the Knutson home.

NEWS from KITSCOTY

Miss Sylvia Sheppard who has completed one year of training in physiotherapy at the U of A., spent a week's holiday here with her parents Mr and Mrs. C H Sheppard and with her sister and brother-in-law Mr and Mrs. A. Throndson of Clandonald before entering the University hospital for further training.

Mr and Mrs. A Franke and Lloyd were week end visitors to Fort Saskatchewan where [illegible] visited with their son Earl and Mrs. Franke. They also attended the Silver Wedding anniversary celebration on Saturday evening of Mrs. E Franke's parents Mr and Mrs. Boon of Leduc.

Mr. and Mrs. Alex Potter of Edmonton were in town Saturday on business and called on some of their old friends.

Miss Arlene Joy of Edmonton spent the week end with her parents Mr and Mrs Henry Joy. Sunday guests at the H. Joy home were Mr and Mrs J Pinder of Lashburn, Mr Cliff Pinder of Edmonton and Mr and Mrs. E. Joy from town.

Mr R. M. Mathewson of Edmonton is visiting with Mrs. Mathewson here at the girls' dorm.

Mr and Mrs L. Truscotte and family of Creston B.C. are visiting here with Iva's parents Mr and Mrs Lawrence Watt.

Mrs. Charles Quinn has returned home after spending the past month in Edmonton with her daughter and family.

Best wishes for a speedy recovery are extended to little Miss Jean Parker who is a patient in the Lloydminster hospital.

Although Mr. W. A. McCourt is still in hospital we are pleased to report he is improving and will soon be home again.

Congratulations are extended to David McCourt son of Mr and Mrs. H J McCourt who received his Queen's Scout certificate at Red Deer on Saturday.

Ronald Conarroe is home after spending the past year at Uranium City.

Mrs. Pauline McLean was called to Wenatchee Wash., on Monday due to the passing of her brother Mr Ben H Randall one time resident here for many years. Sincere sympathy is extended to the relatives.

Between 1958 and 1960 about 250,000 young men and [illegible] between the ages of 15 and 19 will be added to the Canadian population says The Financial Post. It points out that these figures may explain the shift in consumer preference that has been receiving attention lately in marketing circles. They could help explain why small, cheaply operated cars are easier to sell than big ones. They could help explain the slowdown in sales of appliances and home furnishings and the reason why cosmetics travel and entertainment are enjoying record sales.

This big influx of young people of courting age is something that hasn't happened to the Canadian market since before World War 2.

BY-LAW No. 906 AND AMENDMENTS THERETO

Municipal District of Vermilion River No. 71

A BY-LAW of the Municipal District of Vermilion River No. 71 to limit the operation of trucks, trailers and traction engines on all public roads, highways, streets, and lanes in the Municipal District of Vermilion River No. 71

WHEREAS under the provisions of the Municipal Districts Act 1954 the control of all public roads, highways, streets and lanes within the said Municipal District is vested in the Municipal District of Vermilion River No. 71 and there is a duty on the Municipal District to repair the said roads, and

WHEREAS under the provisions of the Public Service Vehicles Act the Council may prohibit the use of any district road, local road, or portion thereof, by any truck, trailer or traction engine and the said Public Service Vehicles Act and the Highways Traffic Board do not provide for the control as contemplated by this By-Law

THEREFORE the Council of the Municipal District of Vermilion River No. 71 enacts as follows:

The term "truck" shall include all trucks with a rated capacity of one ton or more and the term "tractor" shall include traction engines operated on wheels and also such motor vehicles as run on tracks.

No person shall operate any truck, trailer, or tractor on any district road, local road or portion thereof during any rain storm or during a rainy season or at any time when the said vehicle breaks through the surface of the roadway or causes rutting or breaks down of road materials from the road bed.

Any person or persons who are found guilty of a breach of this By-Law shall be guilty of an offence and liable on summary conviction for a first offence to a penalty of not more than twenty-five ($25.00) dollars and costs, for a second offence to a penalty of not more than fifty ($50.00) and costs, for a third or subsequent offence to a penalty of not more than one hundred ($100.00) dollars and costs, and in default of payment to imprisonment to a term of not more than 60 days.

OBITUARY

SUSAN MAY BROWN

Mrs. Susan May Brown, wife of David E. Brown of Vermilion, passed away at the University hospital in Edmonton on Thursday, April 17 following a lengthy illness.

Born in Nakusp, B. C. on May 28, 1888, she came here with her parents, Mr and Mrs. Thos. M Pinnell in 1910 and spent most of her life in the Vermilion district. In 1916 she married Harry M Wilson, who predeceased her in 1932. Of this union were born three sons, Mervin of Rosebud Alta, David and Walter of Calgary and four daughters, Mrs Frank Chapman in Spanish Guinea West Africa, Mrs. Kenneth Geake of Canary Islands, Mrs. George Jensen of Vermilion and Bertha of Calgary.

In 1935 she was married to David E. Brown and to them was born one son, Edwin, now of Calgary.

There are fourteen grandchildren. Funeral services were held Monday afternoon, April 21 in the Alliance Chapel, Vermilion with Rev. J. Shrauder and Mr Ray Hutchinson officiating. Pallbearers were Messrs Harvey Anderson, Arthur Tovell, John Hillcox, Lowell McIntosh, Frank Dibben and Ralph Wilson.

Interment was in the Vermilion cemetery.

Floral tributes were received from Loving husband and family; Maggie and Elgin Bailey, Dave and Opal Hardie, Rachael and Lester, Lorne and Irene, Jim and Beatrice, Doris and Harvey, Lillian and Bob, Class of September 60 Holy Cross School of Nursing Calgary, Pat Hanan, Jack and Mickey Garnett, Mr and Mrs Randolph Hutchinson; J. A. Isley; Mr and Mrs. Ken Isley; the E. Madills' and Geo Thursbys'; the Little Family, Mr and Mrs M. Simonsen, Mr Neil McCrimmon.

Gideon Bibles were placed in memory by Evelyn and Ken, Win and Frank, Mr and Mrs Ray Hutchinson, Mr and Mrs F. Hill, Mahan and Mildred Hill, Ellwood and Doris Hill, Mr and Mrs Geo Pearce; John and Beulah Hillcox, Mr and Mrs. Earl Geake, Mrs Annie Geake, Mr and Mrs. Frank Dibben, Mrs. Harvey Wilson and family, Mr and Mrs Dick Seed; Mr and Mrs George Hillcox, Mrs. Malec; Mr Robert Service, Mr. and Mrs. O Gunderson, Mrs. Fern and Margaret Brown; Mr and Mrs. Fred Clarke and Mary Coulter; Mr. and Mrs. Roy Watkins; Mr and Mrs Ernie Clendenning; Mr. and Mrs. Ed Magistad and family; Miss Evelyn Hetherington; Mrs. M Fair, Mr and Mrs. Ernie Schurman; Mr. and Mrs Alton Curtis, Mr. and Mrs. Ira Schurman, Mr. and Mrs. Raymond Stevenson and family; Mayhew Brothers, Women's Missionary Prayer Bands, Mrs Elsie Preston; Mr and Mrs Abe Dicke, Mr A J Sherwick; Mr and Mrs. Peter Jensen, Mr and Mrs Bill Mix, Mr and Mrs Bruce Wilson; Mrs. A. R. Stevenson.

Love gifts were given to her foreign missionary daughters, Winnie and Evelyn, "in memory of their mom", by the following: [illegible] Gladys Tovell, and family, Arthur and Mavis and family, J H Tovell, Mr and Mrs. F F Nelmes, Herman and Leta Wilton and family, Harold, Naomi and family, Edith, Art and family; Dorothy and Harold; Carl, Edna and family; Mr and Mrs Wilfred McLennan and Margaret, Mr and Mrs I Schurman, Mr and Mrs Roy Watkins and family, Ethel Lowell and family, Violet and Angus Anderson and family, Mary and John McKrague and family, Doyles and Cressman, Mr and Mrs. Curtis Wilson, Mrs. M Fair, Clendenning family, Mr and Mrs John Habstritt, Grace, Darrell and Doreen Currah, Mr and Mrs. George Pearce; Mrs. H. Marfleet.

Donations to the Crippled Children's Fund: Mr and Mrs. W A Barnett and Harvey [illegible] and Brenda.

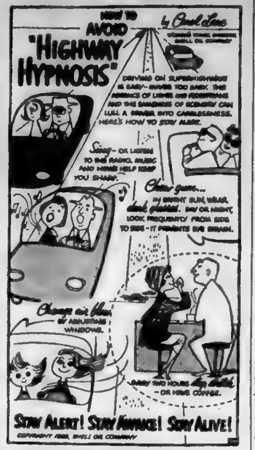
Donations to the Alliance Chapel Building Fund: Mr and Mrs. Mike Kupin and family, Mr. and Mrs A Mix and family, Mr and Mrs L. Mayhew.

Donations to the Cancer Society: the Teasdales' and Mrs. Rankin, Mr and Mrs. John Mix, Mr and Mrs Roy Anderson and Maynard, Mr and Mrs. Martin Haverstew, Mr and Mrs A. Gabrielson, Mr and Mrs A.G. Stone and family, Sig and Cora Lindroth and boys, Mrs. Ivar Larson, Mr and Mrs Albert Williams, Mr and Mrs G. Glass; Mr and Mrs. Harvey Anderson and family, Clarke Wilson, Hiram, Leta and Elma Hodgins, Mr and Mrs. Roy Jory; Mr and Mrs Elward and Jerold; Munroe and Orval, Christie and Annie, Bert and Olive, Earl and Betty, Mrs. Schultz, Mr. and Mrs. Jim Duncan, Mr and Mrs. Tom Hobbs, S. May and family.

Moyer's were in charge of arrangements.

Display Cupboard At Mannville School

MANNVILLE — Something new has been added at the school gym in the form of a fair-sized display cupboard. This will be used in future for small displays of the school etc. After the concert Friday evening last, attention was drawn to the display of Mechanical Arts [illegible] a football holder, most interesting and beautifully finished, [illegible] from the Home [illegible] Flowercraft, attractive [illegible] made from [illegible] [illegible] featured, sewing and embroidery. Basketball trophies, won by the school team, two of them, were likewise displayed for the interest of the [illegible] at the concert. The [illegible] are built in the lobby of the gymnasium.



HOW TO AVOID "HIGHWAY HYPNOSIS"
by Carol Lane
Women's Travel Director Shell Oil Company
DRIVING ON SUPERHIGHWAYS IS EASY—MAYBE TOO EASY. THE ABSENCE OF LIGHTS AND PEDESTRIANS AND THE SAMENESS OF SCENERY CAN LULL A DRIVER INTO CARELESSNESS. HERE'S HOW TO STAY ALERT.
Sing—OR LISTEN TO THE RADIO. MUSIC AND NEWS HELP KEEP YOU SHARP.
Choose glasses... IN BRIGHT SUN, WEAR dark glasses. DAY OR NIGHT, LOOK FREQUENTLY FROM SIDE TO SIDE—IT PREVENTS EYE STRAIN.
Change air flow! BY ADJUSTING WINDOWS.
EVERY TWO HOURS stop awhile —OR HAVE COFFEE.
STAY ALERT! STAY AWAKE! STAY ALIVE!

A Pair of Shoes For A Barefoot Child . . .

What is your fondest dream? a new car? a modern home? a trip to the West Indies? One hundred thousand Vietnamese children would answer most emphatically, 'a pair of shoes!'

To a North American, a bare foot child is something carefree and happy. To a Vietnamese, bare feet mean sore feet -- even infected feet.

Vietnam is a country of heavy monsoon rains — of heat and humidity. It's a natural habitat for snakes and worms and that dire disease, leprosy. One of the best safe-guards against all three is shoes -- many have never had a pair of shoes in their entire life. Like many poverty-stricken youngsters the world over, they try to make do with old rags wrapped around their tiny feet. Yet, the muck sucks them off before a few paces are gone. Medical authorities agree that 51 per cent of the world's leprosy enters the body through the feet — a risk these youngsters are daily exposed to.

As there is an acute shortage of trained doctors and nurses in the small country, these children wander throughout the land, giving leprosy to all they meet. This situation is appalling, yet they can be helped.

For the past three months, Foster Parents' Plan Inc., has been conducting a campaign to send shoes to these youngsters. Leather disintegrates quickly in this humid climate, so brightly colored wooden soled clogs are the answer. They cost 50 cents a pair and will last a child three months.

You can help these innocent victims of bloody civil war and economic strife by sending your contributions today to: FOSTER PARENTS' PLAN, INC., P.O. BOX 65, Station 'B' - Montreal. Help make a child's wish come true - a pair of shoes is such a small one.

Judge Philip H. Gillian of Denver said: "We have never had an active Sunday School boy in real trouble in our juvenile court."

Be Happy Too

Show me the man who owns adequate Life Insurance and knows why he owns it and I'll show you a happy, carefree man.

Check Your Car, Check Your Driving, Check Accidents

Across Canada the month of May will be devoted to a campaign dedicated to alerting motorists to the need for preparing for summer driving.

The campaign is sponsored by the Canadian Highway Safety Conference in co-operation with the Provincial Safety Organizations and with the Automotive Industry.

In Alberta, 3500 garages and service stations have received pamphlets, posters and check lists and are prepared to give quick and accurate checks on the safety features of every vehicle.

The Hon. Gordon E. Taylor, Minister of Highways for Alberta and Chairman of the Canadian Highway Safety Conference issued a statement today.

"A number of accidents take place every year due to mechanical failures of one kind or another. When the brakes do not work, the best driver in the world has difficulty in controlling the vehicle, when the wind shield wiper is not functioning during a heavy rain or snow storm, the best eyes are dimmed and visibility is reduced below a proper minimum, when the tie-rod breaks, the most alert driver has difficulty in controlling his car. Keeping the vehicle in good mechanical condition is just as important as keeping the driver alert.

The onus of responsibility for having a vehicle in good mechanical condition at all times is, under our legislation, placed squarely on the shoulders of the owner of the vehicle. Officers of the law will be carrying out road checks throughout the province this season in an endeavor to make sure that vehicles are roadworthy. The road checks are an attempt to reduce the number of accidents and save human life.

It is much cheaper to pay for a new lining for the brakes than it is to pay for a judgment arising from the failure of the brakes."

The Automotive Industry is alerted and are co-operating in the campaign. Mr. G.E. Curry, Manager of the Automotive Retailers Association of Alberta says

"In the interest of Highway Safety, garage and service station members of the Automotive Retailers' Association of Alberta are wholeheartedly endorsing the safety program being sponsored by the Alberta Safety Council. Courteous and qualified members of this Association have a quantity of literature supplied by the Alberta Safety Council and will gladly provide you with a safety check on your car and your own personal driving habits. Please co-operate in this vital matter now and let us help make your holiday trips safe for you and yours."

OUR LETTER FROM EDMONTON

Resignation of J. Harper Prowse Throws Liberal Leadership Open

by [illegible]

EDMONTON. — The resignation of J. Harper Prowse from the leadership of the Provincial Liberal party arouses a world of conjecture.

The next step will be a meeting of the provincial executive and its advisory committee to set a date for a leadership convention in late spring or early summer. The executive meeting probably will be held here in the capital city shortly.

Several possible successors are being mentioned for the leadership post. A leading contender is Edmonton's Mayor William Hawrelak. High ranking Liberals say he may be interested in the job in spite of the stinging personal defeat he experienced last June when he ran for the Liberals federally in Edmonton East.

Others include Grant MacEwan and Hugh John MacDonald, Calgary Liberal M.L.A.'s. Mr MacDonald has said he may not run again, but party officials believe they may be able to draft him if they want him.

Arnold Platt, president of the Farmer's Union of Alberta, is also said by some to be in the running, although he hasn't made a statement. Calgary's Mayor Don McKay also has been mentioned.

The story that hasn't come out yet is why Harper Prowse is quitting the leadership. There's a strong belief in political circles that he's not resigning by choice but is being forced out by party members who want another leader.

Some high ranking Liberals apparently feel Prowse has somehow failed to sell himself to the Alberta public. They think they stand a good chance of upsetting Social Credit in the next general election, which will probably be next year. But they also think they'll need a powerful new leader to swing it for them.

As for Mr. Prowse, it's been common knowledge for some time that he hasn't had much support from some factions in the party and that hasn't made his job any easier. During the recent session of the Legislature some [illegible] signs that some of the Liberal M.L.A.'s didn't see eye to eye with their leader.

Considering the tough job he had to do and the lack of support, Mr. Prowse has to be given full marks for what he has accomplished. In the 1955 election he led the Liberals to the biggest House representation they've had since 1920's and presented Social Credit with its largest Opposition to date. And it shouldn't be forgotten that Prowse held the fort almost singlehandedly during some mighty lean years. Of course at that time the Liberals were all powerful in Ottawa and quite satisfied with themselves. But things have changed now and some bigger guns are eyeing the provincial field where the party with 15 members in the House [illegible].

Mr. Prowse was born at Taber, Alta., and first entered the Legislature in 1945 as an armed forces representative. He was serving in Italy with the Loyal Edmonton Regiment when elected. Before the war he was a reporter for a time with the Edmonton Bulletin. He's now a practising lawyer in Edmonton.

Premier Manning has denied rumors that he's planning to resign from the Social Credit party leadership. The rumors cropped up persistently during the session of the Legislature and again last week.

The premier, busy working on the government's brief to the Borden commission on energy resources, took time out to say it just isn't so. He says he'll be leading the party in the next election.

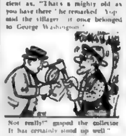
Some people insist he's been threatening to retire from politics. He's said in the past there are other things he'd sooner do such as devote more time to his church work — but he feels he has a duty to the public.

Mentioned as successor to Mr Manning if he ever does retire: Municipal Affairs Minister Alf Hooke, Highways Minister Gordon Taylor, Education Minister Anders Aalborg, Provincial Treasurer Ted Hinman.

Early to bed early to rise till you make enough to do otherwise.

HAVE FUN!
By LEE BRYAN

An antique collector passing through a small village stopped to watch an old man chopping wood with an ancient ax. "That's a mighty old ax you have there," he remarked. "Yep," said the villager, "it once belonged to George Washington."



"Not really!" gasped the collector. "It has certainly stood up well."

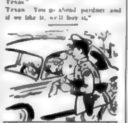
"Of course," admitted the old man, "it's had three new handles and two new heads."

When a man just returned from his vacation complained of the rainy weather he'd had a friend interrupted. "It couldn't have been so bad—you're sunburned."

"Sunburn nothing," he replied. "That's rust!"

Kentuckian: "We have so much gold at Fort Knox we could build a gold fence four feet high clear around Texas."

Texan: "You go ahead pardner and if we like it, we'll buy it."



Policeman: Madam [illegible] me whistle when you went through that red light?

Lady driver: Yes but I never flirt when driving.

There is just one thing worse than having to pay income tax, and that is not having to pay any.

School Spring Party Happy Occasion

MANNVILLE — In a picturesque setting the Junior High Spring party was by all reports, a huge success. Jive happy students appreciated the peppy music. The gym was decorated with springtime theme, flower-bedecked trellis complete with gate, and a profusion of streamers. There was a good attendance of parents, those wishing to dance joining in the fun, while others enjoyed watching the antics of the 'guys and dolls'.

Can. Utilities Ltd. Issue Annual Report

Total revenue of $5,033,957 for 1957, an increase of $421,181 over 1956, is shown in the 31st annual report of Canadian Utilities Ltd. During the fiscal year ended on Dec. 31, 1957, Alberta's second largest electric utility company sold 152,296,000 kilowatt hours of electricity, up 15,886,500 over 1956. Total operating costs of $3,977,133, including $253,803 for income tax, were $553,133 higher than in 1956.

A $216,204 drop in net income was recorded during 1957, the first such decrease shown by the company since 1947. This factor is attributed to increased capital costs as a result of expansion to meet the rapidly increasing industrial and residential loads. Gross plant additions during 1956 and 1957 amounted to $9,570,000 and were largely responsible for the $183,000 increase shown in capital depreciation. "It is expected that generating capacity is now sufficient for growing requirements until 1962" says the directors' report.

Canadian Utilities Ltd. which supplies electrical power in the Vegreville, Drumheller and the Grande Prairie districts purchased all the outstanding shares of McMurray Light and Power Company Limited, during 1956. The north-eastern Alberta company has been operated as a wholly-owned subsidiary since Jan. 1, 1957.

The properties of Slave Lake Utilities were acquired April 1, 1957. With completion of necessary connecting transmission lines, power is now supplied from the Grande Prairie grid to the Slave Lake communities.

Other highlights of the electric utility company's annual report include an increase of 2,452 customers for a total of 38,094. 271 miles of company line were added for a total 3,388 and service was extended to 15 additional communities for a total of 330. Total gross company assets at Dec. 31st 1957 were $37,538,000.

TULLIBY LAKE

Farmers Take Action On Cost-Price Squeeze

In Alberta farmers are doing something about the cost side of the cost-price squeeze presently plaguing agriculture. By co-operative action through U.F.A. Co-op, owned and controlled by farmers, these farmers are on the way to control of the cost of fuel used to provide power on their farms.

Last year a 6% dividend was declared on purchases of Maple Leaf brand U.F.A. Co-op gasolines, oils and greases.

In the bulk farm supply field, through U.F.A. Co-op locals, farmers last year received $22,000.00 cash dividends, in addition to substantial savings at the time of purchase.

Farmers — take positive action to cut your costs!

Contact your local U.F.A. Co-op agent now for Maple Leaf brand fuel and other farm supplies.

CHATSWORTH CHATTER

Weather has been very changeable — one day warm and the next cold. However, as of Sunday there seems to be a change for the better. We hope the winds don't keep up as the land is dry. Reminds one of the windy spring days of those old dirty thirties. Seeding should be general by the end of the week.

Mrs. Cyril Davis returned last month from Ontario where she had been visiting her sister and other relatives for the past two months. She reports a nice winter in the east.

Mr and Mrs. Robert Brass, newlyweds, have taken up residence in their farm home the former Arnold Maggs' place. They were welcomed by a number of friends last Thursday night who invaded the house, moved doors etc., plenty of shenanigans. There was reported to be some 'gunplay' even during the evening.

On Friday evening some 32 friends and neighbors gathered to shower Mr and Mrs. Brass with good wishes and present them with a collection of useful and beautiful gifts for their home. During the evening a "Flower Wedding" contest was carried out, Mrs. Baldar, mother of the bride, and Mr. Bill McGaughey emerging the winners. At the close of the evening lunch was served by a number of the ladies present. Our community wishes them every success and happiness together.

It is reported that Mrs. A. Scoggins has returned home from the hospital in Edmonton and is feeling much better.

Not much news this week — hope to have more for the next 'Chatter' column.

Dewberry Ladies' Aid Meet

The May meeting of the Dewberry Ladies' Aid was held at the home of Mrs. N. E. Jones with Mrs Geo Ewen as hostess. There were nine members present including Mrs. Wm. Porter who was welcomed back from the Coast. The opening hymn was followed by readings of the one hundred twenty-second Psalm by Mrs W.R. Young and from the Upper Room by Mrs. Wm. Porter.

The cold weather came in for some lively discussion and comments, due to the fact that the Aid had a booth at the F. Bowman sale the day before. However, it was found that the effort proved worth while.

The meeting was adjourned after which a lovely lunch was served by the hostess, assisted by her daughter, Mrs. Jones.

Mrs May Braithwaite will give the topic of interest for next month and she, too, will have the June meeting at her home.

The above drawing shows how nine major Canadian cities will benefit from improved air service if an application by Canadian Pacific Airlines now before the Air Transport Board is approved. Daily service is proposed on five east-west mainline routes, providing for the first non-stop service between the following cities: Montreal - Edmonton; Toronto - Regina; Ottawa - Winnipeg; Ottawa - Saskatoon; Regina - Edmonton; and the first service linking Saskatoon and Vancouver via Calgary.

Shower Honors Miss Ruth Gamble

MANNVILLE. — Around fifty ladies gathered in the United Church social rooms to surprise Ruth Gamble, a former Mannville resident, recently. Contests and a social evening were enjoyed. Gifts to Ruth were later presented very fittingly by Mrs. A. Gerhart, with warm wishes expressed for her future. Helping to unwrap gifts [illegible] Ruth's mother Mrs. C. Gamble, her sister Mrs F. Mitz and sister-in-law Mrs. Borysuik. Many were the gifts received, all much appreciated by the bride-elect who thanked all present for their kindness. Ruth is to be married on May 17th in Edmonton to Mr. Dean W. Walker of Wetaskiwin.

Ex-Governor Rankin of Louisiana says: "The Sunday School is one of the most indispensable institutions of this day".

TULLIBY LAKE

Mrs. Roy Morris arrived back home last week. During the past winter she was employed as chief cook for a lumber camp near Chinook Valley in the Peace River country. During her absence Mr John Kay very capably assisted Roy, George and Argyle with the household duties.

Mr and Mrs. Ken Hayes and family of Mossleigh, Alta., have been visiting Ken's parents, Mr. and Mrs. Wesley Hayes.

If you should happen to see Juvenile Behrens putting on a dancing exhibition, which doesn't appear to be either a boogie or rock 'n roll — don't be too alarmed. You see, last week Juvenile received a tape recording of skiffle music from Scotland, and could be practising this new modern craze.

Mr and Mrs. S. A. Marshall and Lee motored down from Edmonton last week. They have been visiting their many friends and relatives in the district. Mrs. M. Trimble accompanied them on the return to the city.

Mrs. Mollie Behrens and Juvenile journeyed down to Lloydminster on Sunday, April 6th to hear the widely advertised discourse "A New Song for All Men of Goodwill" delivered by Mr. H. McLaren in the Kingdom Hall of Jehovah's Witnesses.

Douglas Adamson spent Easter holidays at home. He is presently employed at a branch of the Royal bank in Edmonton.

Mr and Mrs. Henry Reed of Drayton Valley, have been visiting their friends and relatives in the district.

Mrs Louise Huntly thoroughly enjoyed her birthday on Monday, March 24th when about 16 friends and relatives gathered to surprise her with a little party. Looking back on her 84 years, forty-nine of them spent on the farm south-east of Tulliby Lake, she said, "They've been good years". Though at present confined to a wheelchair, Mrs. Huntly has hopes of being able to walk again soon, but she says, "I guess it will be with a crutch."

Greenvale had their last card party of the season on Friday evening. Lawrence Coates won the 50-pound sack of flour for the player with the highest score and Clarence Vance won a 10-pound bag of sugar for second highest score of the season.

Petitions have been circulating throughout the district between Heinsburg and Frenchman's Butte to have the gap in the railway completed between these two places. The petition will be forwarded to Ottawa.

Mr and Mrs. Fred Park have returned home after spending the winter at the west coast.

Miss Betty Krider has terminated her employment at the L. T. Belsheim Jr. home.

Jim Campbell from Leighton has been doing some custom brush-cutting in the district.

STEADY PACE

Make keeping your feet on the ground a habit and [illegible] never have far to fall.

Alberta Highway Deaths At All Time High for First Quarter 1958

Highway deaths for the first quarter of 1958 totalled 57, an all-time high for this normally quiet period. Reported accidents are up 9% but where it took 185 accidents to produce a death in the same three months last year it only required 103 this year. Injuries are only slightly up; 1118 as against 1097.

The month of March saw 17 traffic deaths, sixteen reported by R.C.M.P. and one reported from the town of Forest Lawn on the eastern outskirts of Calgary.

Injuries during the month numbered 383, a good reduction from the 394 of last year.

Accidents totalled 1739 compared to 1533 in March 1957.

Medicine Hat people continue on their safe walking and driving way to have reached about 3 years and 5 months without a fatal accident. They are holding the line on property damage and injuries too with 24 accidents in March, exactly the same as a year ago. They reported only 2 injuries in the month compared to 6 last year.

Lethbridge has been conducting a safe driving campaign under the direction of Alderman Frank Shirring and Chief Constable Carpenter. They reported 42 accidents, 7 injuries and no deaths for March compared to 44 accidents, 16 injuries and 1 death a year ago.

Edmonton reported 641 accidents, 115 injuries, no deaths. Calgary had 364 accidents, 51 injuries, no deaths. R.C.M.P. reported 617 accidents, 181 injuries and 16 deaths. The Provincial total was 1739 accidents, 383 injuries and 17 deaths.

Motorists Warned To Stop, Look, Listen For Rail Diesel Cars

MANNVILLE. — [illegible] we changes in the train [illegible] of the CNR at [illegible] a switch will be made to new rail diesel cars. [illegible] car will leave here at 7:41 [illegible] the westbound will leave at [illegible] a.m. [illegible] will [illegible] Mannville for [illegible] of business operators, definite times to be announced later.

A word of caution is offered by CNR agent Slim Hammond who says special care should be taken by motorists to keep a sharp lookout for the new trains as they approach swiftly at the crossings travelling approximately 75 miles per hour. So motorists stop, look and listen at all crossings.

The C. W. L.

The regular monthly meeting of the C.W.L. was held in the parish hall on May 1st at 8 p.m. Projects for the month of May will be the sale of Mothers' Day flowers, and a bake sale planned for May 30th to be held in the Co-op store.

Lunch period was highlighted with a recording by Fr. John Dee. Thank you Evelyn, we all enjoyed it very much.

SPRING TEA & SALE

The United Church W.A. will hold a Spring Tea and Bake sale in the church hall on Saturday May 17th. 40-4

Vol. XLIX. No. 44. Vermilion, Alberta, Thursday, May 15th, 1958. 12 PAGES $2.50 A YEAR

Alberta Provincial Library Dec 58

Construction Starts on Post Office; Big Year in Prospect

The year 1958 is shaping up as one of the best construction years in the recent history of Vermilion, with activity in commercial as well as home building.

Work started this week on the post office site with excavations being made for footings. Contractors are Myers Construction of Lloydminster and they have a maximum of eight months to complete the $112,274 building.

In the commercial line plans for two business blocks, both on 50th avenue are rapidly nearing completion. These will be large buildings for retail purposes.

On the south side property is [illegible] purchased for another de[illegible] service station.

PERMITS ISSUED FOR 12 NEW HOMES

At the last meeting of the town council permits were issued for seven more new homes, all in the $10,000 class. Those planning to build are Mrs. S. A. (Dr.) Lynn, Rupert Fast, Alberta Pool Elevators, Ella G. Hollen, C. L. Hollen, Miss Muriel Wilson, S. Campbell Tough, Vic Rogers, W. Novak, Chas. Cawthorpe, and E. Samuelson.

Nick Kutz already has a fine new residence underway in the west end of town, bringing to twelve the new homes planned so far for Vermilion this spring and summer. This number can be increased [illegible] during the building season, providing contractors are available for the work.

LARGE REMODELLING JOBS

Two very large remodelling jobs are well underway. The big Imperial Block is being remodelled from the basement to the roof at an estimated cost of $24,000.00. When the work is completed the town will have a large apartment block modern in every respect. Work is being concentrated on the second and third stories at present, all available room there being used for 2, 3 and 4 room apartments. Each suite has its own private bath.

C. J. McCormick is in charge of the actual work with designing being done by a firm of Edmonton architects. Owner of the building is I. Miller.

BASEMENT AT MASONIC HALL

A full basement is being put under the Masonic Hall, while an addition will be made to the front of the building for cloakroom and storage purposes. The work is in charge of contractor Wm. Pettigrew and the cost is $10,000.00.

1958 will see a major change in the face of Vermilion, although it has been changing steadily year by year.

Anglican Men's Club Hold Final Meeting of the Season

The final meeting of the season was held by the Anglican Men's Club on Monday evening of last week. Following an enjoyable dinner the gathering heard the history of the grain trade in Alberta unfolded in an interesting manner by Ken Greenwood, local agent for the Alberta Pacific Grain Co.

The speaker stated that in the earlier years the grain buyer was just that, he has gradually accumulated duties of selling seed and feed, and last fall had a certain amount of bankers duties added to the work. Wheat was at first bagged and sacked and stored in flat warehouses, but since about the year 1900 the elevator has become a common sight on the prairies. Surprisingly enough construction of the elevator has changed very little, only the size has increased, with improvement in the mechanical features.

The talk proved so interesting that a question period lengthened into a round table discussion lasting for more than a half hour at the conclusion of the address.

The Men's Club gave its moral support to the plan of a 'teenager centre being established in Vermilion.

The Men's Club gave its moral for the summer to meet again on September 8th.

Break-in at Derwent Nets $47.00 Cash

DERWENT. — Thieves entered the Derwent Beaver Lumber yard through a side window and got away with $47 in cash sometime during Monday night, the robbery being discovered Tuesday morning May 6th.

That same night thieves tried to break into Zalasky Bros. garage but were unable to force their way into the building.

Graduates From School of Nursing

Miss Constance Joan Harle daughter of Mrs. Rose Harle graduated from the School of Nursing, University hospital on Monday evening of this week.

Death of Mannville Early Settler

MANNVILLE. — One of the first settlers in the Mannville district, Mrs. Janet Semple Kerr passed away in Vancouver on May 3rd. She was in her 81st year. She is survived by three sons, James in Tacoma, George in Windsor, and William at Little Prairie, B.C., and two daughters, Mrs. Thelma Saville, Marwayne and Mrs. L. Campbell Vancouver. There are four grandchildren and three great grandchildren.

Funeral services were held on May 7th at the Bell Home with Rev W. Deans officiating.

Monday, May 19 Public Holiday

Monday, May 19th is being observed as Victoria Day and is a public holiday throughout Canada. All stores and business places in Vermilion will be closed.

First missionary to visit Alberta was Rev. Rundle who arrived at Fort Edmonton on September 1, 1840.

Citizens Urged To Co-operate In Town-Wide Clean-Up Wednesday

Preparations are well underway for a town-wide clean-up with pick-up day set for Wednesday, May 21. On this day a fleet of trucks will converge on every part of town and cart away the garbage. All garbage meanwhile should be piled at the rear of each person's [illegible] in easy [illegible] of the lane [illegible] that no time [illegible] be lost by the pick-up men on their rounds.

Each and every householder and business proprietor is expected to clean up every bit of debris around their premises and have it piled for the pick-up trucks on May 21st. Clean-up is more important than ever this year as the "Battle of the Rats" is on. In order to remain rat-free the Town of Vermilion must allow them no [illegible] no place to hole up and no garbage to feed on.

The clean-up is [illegible] by the Civic committee of the Board of Trade headed by [illegible] man with E. Clendenning and Tom Watts as members [illegible] and carried out with the co-operation of the council of the town of Vermilion.

Block captains and their telephone numbers for the spring clean-up are:

Block 1 — Ed Herzog, ph. 127.
Blocks 2 and 3 — W. Fisk, 65.
Block 4 — Roger Rowe, 108.
Block 5 — Ben Klatt, ph. 98.
Blk. 6 — Ward McDonald, 246.
Block 7 — Art Morgan, 20.
Block 8 — I. Miller, ph. 10.
Block 9 — Chas. Upshall, 268.
Block 10 — Vic Tillet, ph. 288.
Block 11 — Len Mills, ph. 139.
Block 12 — B. Rindale, ph. 74.
Block 13 — A. Tury.
Blk. 14 — Paul Haruther, 330.
Block 15 — Dunc Currie, 303.
Blks. 16, 17 — C. Hockbert, 216.
Block 18 — A. Kent, ph. 116.
Blk. 19 — Jim McLaughlin, 214.
Block 20 — P. E. Cooper, 340.
Block 21 — Geo. Webb Jr 172.
Block 22 — C. Tough, ph. 269.
Block 23 — R. Baddock, 452.
[illegible]
Block 27 — Gordon Allan 444
Block 28 — W. Fischuk 574
Block 29 — Eric Gosko
Block 30 — Mike White 288
Block 37 — Joe Winter 384
Block 34 — Neil MacLean 140
Block 35 — Ted Riley 069
Block 36 — A. M. West 129
Block 38 — Ben Bauer 185
Block 47 — C. Long 161
Hospital Block — Lorne Pockett 294.
Parcel A — W. B. Mix 146.

40% of Wheat Seeded in District

Approximately 40% of the wheat has been seeded in the Vermilion district with the season an estimated 8 days earlier than in 1957. While sub-soil moisture is good, surface soil is definitely dry. It is expected that wheat acreage will be reduced slightly this year, possibly 5% lower than last year.

This area has received only .27 rainfall between April 1 to May 7 this year, compared to a normal of 1.08 inches.

Growth was slow until one week ago when the weather turned suddenly warmer bringing out the leaves on the trees, and starting the wild oat and weed growth in the land.

Ed Lyons Again Reaches Master Salesman Class

Ed Lyons, popular salesman for Rowe and Sons Ltd., has reached the Master Salesman category for the second successive year. To be recognized as a Master Salesman by General Motors a very high record of sales must be attained. Points are awarded for new car and used car sales.

A reception and dinner was tendered the salesmen reaching the charmed category in the MacDonald Hotel in Edmonton on Monday evening with Mr. A. H. Walker, president of General Motors of Canada, and Mr. E. J. Humphrey, director of sales and vice president in attendance.

Eddie was present at the interesting event along with Ken, Roger and Bob Rowe.

All four of the Vermilion men attended a G. M. dealers meeting during the afternoon.

Camera Club Proposed

After making a list of camera owners of 35mm and 8mm movie, then contacting a few of them, there seems to be a great interest in starting a club to study the methods used by others in taking pictures. A program has not been set up as yet however contacts are being made around the province with other clubs as to program. Interest seems to be in portrait taking, color slides, lighting, various lenses, and makes of cameras. There are some new owners of cameras who are interested in getting first hand information on the operation of the machines. Club members will not only be those operating 35mm or 8mm movie, but will include any person who has a camera or is intending to purchase one.

Follow the Standard for further information concerning the "why", "where" and "what for" of the club. To date more than twenty people are definitely in [illegible].

School Fastball At Mannville

MANNVILLE. — Fastball seems to be well supported by the Mannville fans as was demonstrated by the enthusiastic crowd witnessing the two High school games on Tuesday evening of last week. The Vegreville boys and the Mannville team tied with a score of 4-4. The girls fared a little better with Mannville emerging the victors with 18 runs against one for Vegreville. Our girls were the subject of many favorable comments in their smart uniforms of black and white. The Veg girls wore green colored suits.

Junior High Reporting . . .

Again exams are over, and a social activity for May will be a hike to the Provincial Park. Grades seven eight and nine will spend a relaxing afternoon swimming, reading, eating and playing ball.

SPORTS

Baseball is in full swing with games being played at noon hour.

Girls' softball teams have been selected with the following captains: Rosie Sweeney, Betty Leahy, Margwynne Clendenning, Sylvia Wilson, Reta Porter and Dorothy Scott. 'A' team practices are being held regularly. The coaches are Miss Bobelor and Miss Burr.

The boys teams are captained by Clifford Ross, Dave Acheson, Wynne Puckett, Keith Barr, Bob Park and Bob Pare. 'A' team practice [illegible] the direction of Mr Swayne.

Anyone driving by the Junior High will have noticed unusual activities on the grounds. All these exercises are just preparation for the annual Track and Field Day to be held on May 27. The winners of the day will represent Vermilion Junior High at the Divisional Track Meet on June 6 at Kitscoty.

Apart from all these activities studying has not been forgotten. Grade nines in particular have their noses to the grindstone in preparation for Departmental exams.

Mannville Airman Receives Wings

MANNVILLE. — F. C. William Thompson received his 'wings' at the McDonald R.C.A.F. station in Manitoba. Attending the Wings parade were the young pilot's mother Mrs. H. Thompson and Miss Darlene Enfield of Mannville. Bill received his education at the Bloomington school and Mannville high school. He is the son of Mr. and Mrs. Hugh Thompson of the Bloomington district.

Former Vermilion Man, G. Williams, Killed Near Haney

A former Windermere district resident Mr. Gilbert Williams of Whonnock, B.C. was killed Sunday evening, April 27 while returning home from church in Haney by bus. After getting off the bus it was necessary to cross the busy highway and Mr. Williams, the only passenger alighting at this stop, was struck by a car and instantly killed.

Burial was held at Mission City on May 2. His wife predeceased him one year ago. He leaves to mourn his loss one daughter, Mrs. F. Johanson, Ohaton, Alta. three sons, Owen of Firebough, California, Stanley of Medicine Hat, Alta., and Cecil (Bud), of Vancouver.

Vandusen Sells Mannville Store

MANNVILLE. — M. B. Vandusen who has operated and owned his store in Mannville for a number of years, has sold his business to Mr Harry Humeniuk formerly of Plain Lake. Mr Humeniuk is not exactly a stranger to Mannville, having formerly been proprietor at the Red & White [illegible] about eight years ago. His son [illegible] assisting him in the business. Another son, Merrel is the United Grain Growers' agent in Mannville.

Concert Assoc. Plan Second Membership Drive

The Lloydminster Vermilion Overture Concert [illegible] will hold its second annual membership campaign in the Vermilion [illegible] next week from Tuesday May 20th to Saturday May 24th.

After such a highly successful first season it is hoped that many more people in this area will become members and thus be able to enjoy the excellent programs planned for the coming season. In anticipation of this it is being arranged that one of the concerts will be held in Vermilion in the new high school auditorium.

This year's committee members in Vermilion will include Miss Margaret Stephens, Mrs. J. R. Boake, Miss Donna McCauley, Miss K. Fulcher, Mrs. K. A. Minchin, Mr. and Mrs. T. Watts, Mr. W. F. Stewart.

Stock Car Races, Fastball Tourneys Are Stellar Attractions for Monday, May 19th Holiday

Opening of the stock car racing season and two fastball tournaments will supply plenty of excitement for competitors and spectators alike in town for the holiday week end.

The Golden Speedway, the new stock car racing track just west of town, will open for the season with no less than twenty speedy cars competing. The drivers are from North Battleford, Lloydminster, Edmonton, Wainwright and Vermilion. The track itself has been lengthened allowing longer straightaways and more speed with consequent more pile ups on the corners.

The race program is due to start at 2 p.m. with admission prices of adults $1.00, students 50 cents and children under 12 free.

Bleacher seats are provided but there are many vantage points to watch the races from cars if desired.

A lot of favorite local drivers including Earl Pollard, Gordie Allen and Ernie Trocher along with new faces well known to Vermilion and district people will be in there Monday behind the wheels of their pepped up stock cars.

Things are shaping up for a very active fastball season and activities will get off to a fast start on Monday when two open tourneys will be played on the Vermilion Athletic Park. Prize of $100.00 is being offered for the men if there are 12 or more entries, while the ladies prize money is $50.00 with a minimum of six entries needed.

The deadline for entries is Sat. May 17 and these should be sent to Thos. Wilson Jr., Vermilion.

Admission to the grounds for the day is 75 cents with the children under 12, 25 cents. An intermission will be called during the stock car races in the afternoon.

Good For Many More Pension Cheques

MANNVILLE. — Upon opening a letter addressed to his wife, a Mannville old age pensioner received quite a jolt. The letter requested the lady to return the April supplementary allowance cheque for the 'above named deceased' and the name was his own, Norman Harry Arnold.

No reason has yet been ascertained for the mistake which was signed by the Superintendent of Pensions for Edmonton. Mr. Arnold stated that he hopes to collect many more cheques and has advised the Board that he is very much alive.

$1550.00 Offered In Cash Prizes At Bingo

A grand prize of $1000, and 11 prizes of $50 each will go to the lucky winners at a Bingo to be held in the Vermilion arena on Saturday, May 31st commencing at 9:15 p.m. This is being sponsored by the Vermilion Curling club. Keep this date open as one thousand bucks is big [illegible] to almost all of us these [illegible].

Anne Stewart Wins Gold Medal

Miss Anne Stewart who this week graduates with her degree of Bachelor of Science in Home Economics from the University of Alberta, has won the Warren W. and Ida E. Prevey memorial gold medal in household economics.

Anne is the daughter of Mr. and Mrs. E. M. Stewart.

To Receive Bachelor of Education Degree

Among those attending the University of Alberta Convocation this Friday will be Miss Jean West who will receive the degree of Bachelor of Education.

Council Buys New Truck

At the special meeting of the town council held on Thursday, May 8th, the tenders for a new truck were considered. Seven tenders in all had been received and the lowest one of these was accepted.

The decision was thus to purchase a Ford Truck from Oilfield Motors for the sum of $3,900.00 plus the trade in of the present town owned G.M.C. one ton truck.

Canvass For Cenotaph In Marwayne District

[illegible] — Canvassers for the Cenotaph fund are now at work in all districts. Each organization has a definite district to cover. Any person not at home when the canvasser calls, or who wishes to give more, can do so by leaving it with Mr Reinheimer treasurer of the Cenotaph committee.

Mixed Two-ball Foursome To Open The Golf Season

The golf season at the Vermilion club will be officially opened on Sunday afternoon with a mixed 2-ball foursome. Registration commences at 1:30 p.m. It is suggested that players bring their own picnic lunch. There is the possibility that films will be shown in the club house during the evening.

Harry Webster, Naturalist, Speaks at Rotary Meeting

At last Friday's Rotary Club meeting, Harry Webster, Biologist for Western Canada and North West Territories Wild Life Branch spoke on water fowl. Mr Webster has been in charge of banding waterfowl in that area for the past nine years.

The speaker showed pictures of trapping and banding ducks from Southern Alberta to the MacKenzie River. Mr. Webster explained that the object of the whole programme was to maintain duck numbers so that hunters can take a harvest and not interfere with the normal duck population on this continent.

The guest speaker was introduced by Claude Brennan and thanked on behalf of the meeting by Bernie Ackerman.

The visitors were Carmen Long introduced by Claude Brennan, and Jack McKay introduced by Reg Mitchell.

A car rodeo is being arranged for June 13th. This is the third year that this popular event has been sponsored by the Vermilion Rotary Club. There will be more about the car rodeo next week.

Tree planting was the order of the day on Friday. Each rotarian dug a hole and planted a tree in the Vermilion Park under the direction of Alex Palin, acting principal of the School of Agriculture.

The Rotary Club agreed to sponsor a little league baseball team again this year.

Although no motion was brought before the meeting it was generally agreed that Ernie Buckingham ought to get his car washed at the earliest possible moment.

Bill Sutherland was chairman of the meeting. He thanked the speaker and welcomed the guests.

Rotarians Plant Trees At Park

Members of the Vermilion Rotary Club held a bee at the provincial park close to the beach last Friday evening and planted some 30 trees of several varieties including pine, spruce, elm, ash and honeysuckle. This is the third consecutive spring that the Rotarians have carried out the tree-planting project.

In addition to these [illegible] parks board have had [illegible] young spruce planted throughout the woods. These were all donated by Doug Cooper who grew them from seed in beds at his home in the west end.

Reception

Mr and Mrs. Herman Care of Borradaile will be 'at home' at an open house reception on Sunday May 25th, 1958 from 2 o'clock p.m. to 5 o'clock p.m., the occasion of their [illegible] wedding anniversary.

Pony Baseball League Now A Close Race; Last Undefeated Team Loses Wednesday

Two more games were played in the Pony circuit last Friday evening. The boys from Buffalo Coulee were in town to take on the Vermilion Elks. The Vermilion boys got off to a terrific start with eleven runs in the first inning however from here on in it was a tough job hanging on to that lead as the team from the south put on a real rally on the uphill climb.

Finishing pitchers for the two teams were Collin Kennedy for Buffalo Coulee and L. Ferby for the Elks. The highlight of the game was a home run by the Elks first baseman Ford, the first homer of the season. Final score was 16 to 15 for the Elks.

The other game was played in Mannville where the Vermilion Foresters ventured for a game with Mannville. This was a close contest with a 1 to 1 score until late in the game when Mannville broke away with three runs to win 4 to 1.

All games to date have been five inning affairs due to darkness, however these will probably go to six or seven innings as the days get longer.

Timely powerhouse hitting was the big difference when the Foresters handed the Elks their initial loss of the season, 12 runs to 4.

Bouncing back from a 3 to 0 deficit in the first inning the Foresters ran in four runs in the second, one in the third, a big six-run splurge in the 4th and finished their scoring with a singleton in the sixth. Elks were unable to ad to their total until the last of the sixth when their final run crossed the plate.

Irvin Gordon handled the game.

Foresters complete their road trips by journeying to Buffalo Coulee this Friday while the Elks are up against Islay at Islay on Wednesday next.

There are no games slated for Vermilion until Friday, May 23 when both home teams are in action. Elks against Mannville and Foresters against Islay.

ISLAY ENTERS WIN COLUMN

In a game played at Buffalo Coulee, Islay boys won their first game of the season downing B.C. 14 to 7. Details of this game were not available by press [illegible] runs it evidently was a free-hitting, crowd-pleasing contest.

Mannville plays at Islay on Friday May 16th.

STANDINGS TO DATE
MIGHTY CLOSE!

Team	P	W	L	Tied	%
Foresters	3	2	1	0	.667
Elks	3	2	1	0	.667

Mannville Students Win Awards

Bruce Eugene McDonald of Mannville has won the Alberta Branch of the Agricultural Institute of Canada Gold Medal. Bruce graduates in Agriculture and was also awarded a bursary.

Thomas E. Webb of Mannville was awarded a Studentship

Little Leaguers Play To Tie In Season Opener

The world's most enthusiastic ball league, the Little League, got underway Tuesday last with the Legion and Kinsmen sawing off at 11 runs each.

The remaining two teams, Knights of Columbus and Rotary, square off this Thursday night. Game time 6:30 in the Athletic Park.

Results of the Little League, operating for the past two or three seasons, is now showing in the fine material playing in the Pony League. It is only through public support and encouragement that these boys are given the opportunity to play, so get out and cheer your favorites on to victory.

Road Tips

The grand prize is a 1958 Dodge Crusader. 42

SAFER HERE

The chief of the United States secret service recently testified that last year his bureau processed 17,801 letters to the president of which over half seemed alarming enough to require investigation by secret service field officers.

No comparable statistics are available for Canada but if there were points out The Financial Post it is exceedingly doubtful whether they would amount to a fraction of those reported in the United States let alone approach the one tenth which they should do on the basis of population.

Not a single prime minister has ever been assassinated in Canada whereas several U.S. presidents have been shot down and nearly all of them including Franklin D. Roosevelt and Harry Truman had narrow escapes in spite of bodyguards and mechanical protective devices galore.

The Athabaska oil sands rate as the largest reserve of oil known to man. The formation was recorded in 1788 by explorer-fur trader Peter Pond.

Rudyard Kipling once described Medicine Hat as "the city with all Hell for a basement"

Viking Car Bingo

Numbers drawn on Saturday, May 10th N 41, I 17.

Wainwright, Alta.

AVOID THIS COMBINATION

When storing winter garments this spring, damage to clothes can be prevented if plastic hangers and moth preventative are not used at the same time — as vapors given off by some moth preventatives soften the plastic hangers. This can result in garments adhering to the hanger or the plastic may be absorbed by the hanger, leaving a stiff, shiny stain.

BACKGROUND COLOR DOES IT ALL

Do you wish you could transform one or more rooms of your house for spring? Well you can, and you don't have to go to the expense of replacing furniture and fabrics either. Do it by changing the background color of the room. With the new improved paints re-decorating is easy, inexpensive and can be done in a very short time.

Before repainting make sure all cracks are carefully filled and smoothed level with the surface. Patching plaster is used to fill large cracks while small hairline cracks can be filled with spackling material. When patches are thoroughly dry, rub them with fine sandpaper until they are even with the surface.

To make your painting job easier remove the hardware from doors and windows and loosen lighting fixtures. Dust walls thoroughly with a dry mop. If you rub protective cream on hand and arms you'll have no trouble getting the paint off yourself when your finished. And to prevent paint from settling on the floor, the furniture, or on your head, cover them.

Because of the importance of light reflection, ceilings should have a dull surface that reflects light evenly. For walls and ceilings in bathrooms and kitchens, washable semi-gloss finishes are more practical.

The most used interior finish for walls is plaster. Flat oil paint, emulsion, rubber - base and casein paints are suggestions for use in rooms other than the kitchen and bathroom. Wallboard may be coated with the same paints as plaster. For woodwork, tackled only when the wall is dry, the trend is to paint it in the same shade as the wall color. Using a semi-gloss rather than a flat paint, you'll find that your woodwork will be easier to clean.

Sixteen Years Ago

MAY 9th, 1942

Vermilion's pioneer citizen, Peter Graham Pilkie passed away on Tuesday, May 12 at the age of 91 years, six months and 26 days. The death occurred in the Vermilion municipal hospital where Mr Pilkie had been receiving medical attention since Christmas time.

Elmer Kreller a former member of the E.A.C. hockey [illegible] gained fame as Billy Taylor's 'shadow' a few years ago, was in town this week visiting at his home in the Carlton district.

Building permits took another $3,000 jump since last week, and the value of construction work now underway in the town totals $12,382.

The Northwest Drillers are carrying out an extensive seismograph survey on the country north of Vermilion and a drilling program may be undertaken before long.

32 Years Ago

MAY 19th, 1926

The Clandonald townsite on the C.P.R. near Welledale has been selected and businesses have already started here.

J. W. G. Morrison was elected president of the Vermilion Amateur Athletic Association and Geo. McLean is secretary.

A generous rain has fallen over the country and the wheat crop is showing up well.

June 3 has been selected as Vermilion's sports day.

Mr and Mrs. Denis Noonan and eight children who have been residing at Pasadena, Calif., since November last, arrived at Vermilion by motor car and are now located on their farm near McGillivray's lake, south of town.

There are 7,285 square miles of fresh water in Alberta.

48 YEARS AGO

MAY 11th, 1910

Seeding is well advanced and much of the wheat is already up.

The ladies of the Welledale First Aid Society installed their new officers last Tuesday as follows: Pres. Mrs. W. E. Smith, vice pres. Mrs. Lawes, Treas. Mrs. G. J. Stockwell, Sec. Mrs. C. A. Hodgins.

With this issue, the Standard completes one year of publication.

King Edward VII passed away at Buckingham Palace on May 6 in his 69th year. Prince George of Wales immediately upon the death of his father, becomes King.

A few old timers in town during the week from the north were Patrice Gervais, wife and daughter who conduct a popular stopping place at Peguis on the St Paul trail.

James Gilchrist of Islay suffered a heavy loss by fire when his barns burned destroying his stallion Prince Arthur, several horses, a cow, pigs, a quantity of hay and several sets of harness.

The Standard does not hold itself responsible for opinions expressed by correspondents

The Editor,
Vermilion Standard,
Vermilion, Alberta.

Dear Sir

I understand the town has a by-law in regard to dogs running at large but it doesn't seem it has been enforced and if this state of affairs is allowed to continue, something serious may happen. In fact this happened on our street only last week when a little 2 year old child, while playing on the sidewalk, was attacked by dogs and knocked down and if somone hadn't been near and come to her rescue, something serious might have occurred.

The town has come a long way in the last ten or fifteen years in regard to cleanliness and residents have taken more interest in planting lawns and flower beds but it is quite discouraging to have a dog scratch a hole in your lawn, tramp over the flower beds and possibly bury a bone in the middle of said bed.

If the present by-law cannot be enforced, then I think there should be one that could be.

Also, vegetables aren't very appetizing after a dog has roamed through the garden. I think this should be brought to the attention of the Health Officer.

Pretty Wedding Solemnized At St. Saviour's Church, Vermilion

A quiet but very pretty wedding was solemnized at St. Saviour's Anglican Church, Vermilion on Wednesday, May 7 at 3:00 p.m. when Miss June Mary Coxen, only daughter of Mr. and Mrs Ernest Coxen of South Molton, Devonshire, England and who resided in Vermilion some seven years ago, became the bride of Mr. Alfred Reuben Clark, eldest son of Mrs. Olive Clark and the late Mr. Reuben Clark of Vermilion.

The ceremony was performed by the Rev K. A. Minchin with the choir in attendance, before an altar banked with bronze and white mums.

The bride, given in marriage by the groom's brother Trevor, looked lovely in a gown of white nylon lace with tucked nylon front panel edged with sequins. Her matching veil was of embroidered nylon net and was held in place with a short circular pearl headdress. Her bouquet was of red carnations.

Attending the bride was the groom's sister Nita, who wore a pale yellow dress of embossed nylon with headdress to match. She carried a bouquet of white and bronze mums.

The groom was attended by his brother-in-law, Mr. Ian Davis, whose gift to him was a leather [illegible]

During the service the choir sang 'O Perfect Love' and during the signing of the register 'The Voice That Breathed O'er Eden' accompanied by Mrs. C. King at the organ.

The service was recorded.

Following the ceremony a reception was held at the home of the groom's mother for about twenty guests.

The bride's table was decorated with white and bronze mums and was centred with a beautiful three tiered wedding cake baked and decorated by the groom's mother.

Mr. Thos. Thompson proposed the toast to the bride to which the groom fittingly responded.

Telegrams of congratulations were received from the bride's parents and brother Robert, England, aunts and friends of the bride at Hoylake, Cheshire, England and Mr. and Mrs. C. Coles and family, Oxford, England, aunt and uncle of the groom.

For her honeymoon, the bride changed to a suit of flecked tweed with pink accessories.

The happy couple are now making their home on the groom's farm south of Vermilion.

SERVICE AT TOLLAND

You Are Welcome

ISLAY. — The 4-H Sewing Club held 'Achievement Day' on Friday night, a very lovely showing in the church hall. The program was well carried out opening with O Canada with Frances Sherwood at the organ. Then a group sang "I Heard the Bluebird Sing" accompanied by Sharon Redmond on the accordion. Sandra Bell read a poem composed by our own poet Mrs. Neil McLennan (who also makes the most delicious fudge) and the crowd was treated to some of it. Secretary Margaret Robinson and Treasurer Lynn Davidson read yearly reports, the Kowalski sisters then demonstrated the measuring of dry and liquid; Grace Schaffer and Joyce Kowalski sang a duet, Frances Sherwood at the organ. Then a 'basic mix' was made by Sandra Bell and Jeanie Hannon. We hoped we'd get apple pie — but we saw a picture only! Margaret Robinson and Frances Sherwood followed with a duet; Lynn Davidson and Grace Simmons showed pictures and explained outdoor cookery. A book on such may be obtained from the District Agriculturist. The legend of the Blue Willow was told by Shirley McGuigan and Grace Schaffer in poetry and prose; then Jeanie Hannon and Shirley McGuigan sang "Little Bamboo Bridge".

Agnes Carey did really well in a demonstration showing artificial respiration with Grace Simmons as the patient. She used no notes. Other first aid such as treatment of cuts, burns, fainting, choking and foreign object in the eye was shown.

In summing up Miss Craig said the work was of a very high standard due to excellent leadership. The girls presented Mrs. Moncrieff with a gift while the mothers of the girls were each given a corsage. A poem to Dad was read by Frances Sherwood. Prizes were donated by local merchants as follows: McCaughan's, pair of nylons, won by Frances Kowalski for best seamstress; Miller's store—2 cups and saucers, won by Sharon Redmond as best cook; Islay Drug — a figurine of triple dogs, for first years project book, won by Jean Hannon. Mrs Redmond gave a plate for the best biscuits won by Shirley McGuigan; Mrs. Moncrieff — a jewel box for the best book for second year, won by Frances Sherwood, and measuring cups won by Lynn Davidson.

The girls and leaders wish to thank all who helped them, especially to Mrs. McLennan for fudge and poetry, the donors of prizes and the United church for use of church, hall, etc.

Mr and Mrs. Harry Anderson and family of McLaughlin called Sunday at the Moncrieff home.

Pat Moncrieff had a birthday party on Saturday. All went to the show and then home for supper. Mrs. Moncrieff made special cake, decorated as a sail boat placed on blue paper representing Loon Lake.

The 4-H Grain Club held a meeting at the school attended by Mr Buckingham who showed pictures of England taken on his trip last year. The pictures and commentary were much enjoyed and the boys and leader Bill McLean are very grateful to Mr Buckingham.

Affiliation Service Held At Mannville

MANNVILLE. — At a regular meeting of the United Church W.A. in the new social rooms on Thursday last with 17 members present a very impressive ceremony was witnessed when members of the C.G.I.T. affiliated with the W.M.S. and therefore the W.A. as both are one. A most enjoyable meeting was held as arrangements were completed for the Mother's Day tea on the following Saturday. The next meeting will be again held in the social rooms the second Thursday in June.

CLAYSMORE CLIPPINGS

The ladies of the Heatherbell W.A. met at the home of Mrs N. MacHardy on May 8th and all enjoyed a very nice afternoon. Assisting the hostess was her daughter Mrs Henry Haverslew, Mrs B. Duncan, Mrs. Brent Machah and Mrs Brown.

Weather has been very windy here this past week and some fields are beginning to blow. It is hoped a change will soon come, the winds subside and the rains come. Moisture is needed for pasture, crops and gardens.

Mrs. J. Williamson and baby son Dean visited Mr. and Mrs. H. Williamson the week end of May 3rd. She left again Tuesday for Saskatchewan to spend a few weeks with her mother and [illegible]

Local Breeders Do Well Lloydminster's Annual Livestock Show and Sale

Local and district breeders fared very well at the recent Bull Show and Sale held at Lloydminster. Not only did their exhibits stand high in the judging but the stock sold at high prices, apparently catching the eye of the buyers.

In the Shorthorn classes Wm. R. Cornish of Mannville won the reserve grand championship and the reserve senior championship with Murrayfield Lad. He sold four Shorthorn bulls averaging well over $700 while the sale average for the breed was $567.

H. J. Warrilow & Sons of Minburn captured the grand championship of the Aberdeen Angus classes, also taking the senior and reserve senior championships, and won the prize for the best pair of bulls.

W. E. Cross of Vermilion won the reserve grand championship and junior championship in the Angus classes.

In the Hereford section John Ilchuk of Vermilion won the junior championship with Tobruk Lad.

BUY GOOD BULLS

Among those from this area buying bulls was H. D. Cameron, an Aberdeen Angus for $435; Karl Marklund of Koknee, an Aberdeen for $300; Shorthorn bulls were purchased by D. Martin and P. McGuigan of Islay for $500; John Carey of Islay $390.

Bill Waterfield of Islay paid $550 for a Hereford bull. Clarence Wilson of Vermilion, $660; Mike Kochan $565; T. Nelson, Koknee $625; T. M. McKerihan, Kitscoty $540; John Christensen, Vermilion $620; Karl Nelson, Koknee $610.

PRICES MUCH BETTER

Aberdeen Angus bulls averaged $445 compared to $298 one year ago. Shorthorns $367 this year and $306 one year ago. Herefords $618 each compared to the 1957 average of $387.

BUFFALO COULEE ACTIVITIES

The B. C. Junior Red Cross held a parents' night at the gym last Friday evening and put on a very good program in the form of a TV show over CJRC sponsored by the B.C.B.C. Jeannette Caron was the announcer introducing such well known stars as Liberrace (Helen Phrasey) with a piano solo; the Quacktaire Sisters (Faye Lychuk, Nancy McInnis, assisted by Robert Kochan) in "The Little Blue Man"; the Pill Brothers (Blaine Kennedy, Roy McInnis, Melvin and Gordon Fletcher) singing "My Girl's a Corker"; King Bosby and Case Grelly (Barbara and Bobby Haveratew) sang "Sugartime" while Reddy Fisher and Febby Eynolds (John Bauman and Diane Kennedy) gave a fine rendition of "Tammy"; Betty Marfleet sang "Who's Sorry Now" and Bonnie Arthur "It Is No Secret"; Stephen Kennedy's song was "Bye Bye Love" and Gordon Fletcher and Robert Kochan did "Singing the Blues"; Darlene Eyben recited a poem "To Our Parents", and Elaine Renspies as Elvis Presley in "Teddy Bear" did a fine imitation of the teen-age rage. The program concluded with several group numbers and the Red Cross Declaration of Service. Donald and Alayne Stone were the piano accompanists.

Following the program the parents were invited to inspect the children's work which was on display. They also had quite a number of health kits packed and ready for shipment.

Card tables were then set up and quite a variety of games enjoyed by all. A lovely lunch served by the members of the Junior Red Cross concluded an evening that was a credit to Miss MacDonald, Miss Allen and all the little ones from Grade 1 to 6.

The baseball season is getting into full swing with a Little League team playing in a schedule with Wainwright and a Pony League team in the Vermilion, Mannville, Islay league. The B.C. boys played their first game against the Vermilion Elks' team last Friday night and lost by a 16-15 score. They play Islay Wednesday night at the Community centre. No report on Little League activity as yet.

Church services are again under way with very inspiring messages being given by our student Mr. Earl Robinson. Choir practice is held Tuesday evening at 7 p.m. at the church and all young people interested are invited to attend. The Young Peoples' will hold their first meeting Thursday evening at Buffalo Coulee school.

Heatherbell W.A. group met this month at the home of Mrs. Norman MacHardy at Claysmore; the Willowby group at Mrs. Ken Kennedy's and Autumn Leaf at the home of Mrs. Hazel Olson. All groups are busy preparing and making plans for the annual bazaar and picnic to be held at the community centre on June 13th.

The C.G.I.T. are holding a Japanese tea at the B.C. gym on Tuesday, May 27th at 7:30 p.m. to which all ladies of the community are cordially invited. A film on Japan is to be shown and reports of the mission study on Japan given.

Brent and Hazel Macnab and family have returned home from Vancouver where Brent had a very successful season with the Vancouver Canucks, which team won the President's cup. Hazel visited with the family in Calgary during the play-offs.

Serious Garage Fire Averted

MANNVILLE — What could easily have been a serious garage fire was averted at Mannville about 11 p.m. Sunday when an alert citizen, Mr. N. Bohaichuk noticed a fire on the roof of Jack Chrysler's garage. The fire brigade responded immediately, while Wm. Flechuk of Canadian Utilities was already at work cutting the electric wires at the power poles as short circuits were apparently the cause of the fire.

Earlier in the day Mr. Allen's house was found to have the lead wires shorted, and they became heated and sagged until the wires touched the roof of the Chrysler garage. Canadian Utilities were notified and so were ready for the emergency which occurred. Some repair work will be necessary to the garage roof.

Last great Indian battle fought in Canada was between the Blackfeet and the Cree in 1870, near the present site of Lethbridge.

BUYING STOCK TUESDAY

Monday, May 19th my office will be closed, but will be open Tuesday for buying livestock.

66 KEN ISLEY.

Princess Anne W. I. Notes

The May meeting of the Princess Anne W.I. was held at the home of Mrs. Paul Mudryk with eight members and two visitors, Mrs. Julia Simonet and Mrs. Peter Mudryk. Our president, Mrs. George Mead was in the chair, and the roll call was an exchange of plants, seeds and roots.

Discussions followed re the shower which was held for Joyce Armstrong; a gift for Mrs. Ort Strome, a member in hospital and the Agricultural Bursary to Schools of Agriculture.

The topic was on Soil Improvement and was given by Mrs. M. Simonet for Mrs. A. Simonet.

A delicious lunch by Mrs. Paul Mudryk and Mrs. Fred Dougan followed the meeting.

THE TOWN OF VERMILION
NOTICE re DOGS

Section 4 of By-law No. 3-55 provides that every owner, harbourer or custodian of a male or female dog in the Town of Vermilion, shall restrain, tie up, or effectively confine such dog or bitch in or upon the premises of such owner, harbourer or custodian, and shall not permit or allow such animal to run at large.

Section 5 of By-law No. 3-55 provides that every owner, harbourer or custodian of a male or female dog, over four months of age, shall cause same to be licensed prior to January 31st of each year, or as soon thereafter as the said dog or bitch becomes four months of age. The fee or tax payable under this by-law shall be as follows:

For a Male or Spayed Female $2.00
For a Female Dog $5.00

The owner, harbourer or custodian of any dog found running at large, or without a licence, shall be guilty of an offence and liable on summary conviction to the penalties provided for breach of Town by-laws.

CARD OF THANKS

I wish to take this opportunity to thank Dr. Stephens, the matron, nurses and staff of the Vermilion hospital, for their excellent care and cheerful attention while I was a patient there; to the Salvation Army for their service on Sunday morning; to my many friends also grateful thanks for cards and visits, and for all kindnesses to dad and the little ones at home. It was all very much appreciated.

Mrs. Claire MacKay.

LOCAL NEWS

BABY CHRISTENINGS

Among the sixteen babies baptized on Mother's Day at First United Church, Vermilion, were the cousins Deana Marie Bauer, daughter of Ruby and Robert Bauer, and Heather Susan Ray, daughter of Eleanor and Doug Ray of Edmonton. Afterwards, eighteen guests gathered at the Robert Bauer home for a buffet supper. Guests were Mr. Walter Ray of Edmonton, great-grandfather of both babies; Mrs. E.H. Ray of Edmonton, grandmother of both babies; and Mrs. Amelia Bauer of Vermilion; Mrs. Frances Prosser, Gail and Robin, of Irma; Eleanor and Doug Ray; Ella and Ronnie Bauer, Leslie and Karen; Eleanore and Alvin Bauer and Holly.

Mrs. W. G. Urquhart is visiting her son and family, Mr. and Mrs. Douglas Urquhart in Toronto. While there, her son Dr. Malcolm Urquhart, professor at Queen's University, Kingston, will also be a visitor.

Stanley Hicks of the Royal Canadian Navy who has been stationed at Esquimalt is home on a ten day furlough visiting his parents Mr. and Mrs. Clyde Hicks. On his return Stan will be a dry land sailor and will spend a year at the naval radio station at Cloverdale, B. C. He has recently returned from a cruise to Hawaii where he saw Catherine Barr, Noreen Dougan and Lorna Daley, all formerly of Vermilion.

Visitors at the home of Mr. A. W. Elliott last Saturday were his sister-in-law Mrs. Madge Guernsey and his son Clarence Elliott from Edmonton.

BORN — To Mr. and Mrs. Ben Reeves at Dawson Creek on May 6th, a son, Michael Douglas, 9 lbs. 12 oz.

BORN — At the Misericordia Hospital, Edmonton, on Sunday, May 11th, to Sgt. and Mrs. Fred H. Waite (nee Nadeen Cooper) a daughter (a little sister for Arundell).

Mrs. H.C. Hemmingway and little daughter Karen returned Sunday from two weeks spent at Sudbury where brothers of Mrs. Hemmingway were visited. The trip east was made by car with F.O. Bob Hemmingway, R.C.A.F., now stationed at North Bay, and the return journey was by C. N. R.

Mrs. A. Washington went to Edmonton a week ago Friday returning home on Thursday. Her son George and Mrs. Washington celebrated their second wedding anniversary while she was with them.

OFFICE CLOSED MAY 12 TO 20

The office of G.C. Rampling, Optometrist, will be closed from May 12 to May 20. During this time, Mr. Rampling will attend the 27th annual short course for Optometrists at the University of Saskatchewan at Saskatoon. 43-4

ENGAGEMENT ANNOUNCED

Mr. and Mrs. D. M. Woyewitka announce the engagement of their daughter Lillian, to Mr. Donald Maurice Olson, son of Mr. and Mrs. Wm. B. Olson of Vermilion, Alberta. The marriage is to take place at the First United Church, Vermilion, on Saturday, June 7, 1958 at 4 o'clock in the afternoon.

Mr. and Mrs. Gerald Stephens, Mrs. Rose Harle and Norma, Mr. and Mrs. Ashley Cooper and Lois were all in Edmonton Monday evening to see Miss Connie Harle receive her nurse's pin at the graduation of the University Hospital School of Nursing. The graduation exercises were held in the Jubilee auditorium and were very interesting and beautiful in the perfect setting.

Henry Wilson was home for Mother's Day at the family home. Henry is working on the airport at Leduc.

Harry Perkins drops a line to the Standard from Langley, B. C., saying that the whole family is well and that Mr. and Mrs. Vic Dedelly are really enjoying the fine B. C. weather.

Roy Walker has now returned after spending some three months at Tucson, Arizona. Roy had intended to visit around some but liked the weather so well at Tucson that he stayed there.

Further donations in memory of the late Mrs. Susan Brown were received as follows. Personal 'love gifts' to Evelyn and Winnie, daughters of the late Mrs. Brown, from Mr. and Mrs. Wilfred Doyle, Calgary; Mr. and Mrs. Harvey Doyle, Calgary.

The word 'threshing' should have appeared in the card of thanks inserted for Mr. E. J. Hearty instead of 'combining'.

APPRECIATION

The local Parks Board wishes to publicly thank Douglas S. Cooper for his generous donation of some three hundred small spruce trees for transplanting in the provincial park near the picnic areas.

APPRECIATION

John and Shirley Barnes wish to thank everyone for the wonderful shower gifts given to them recently and also for the many kindnesses shown during the past year, and in particular during the past month.

APPRECIATION

The Girl Guides and Brownies wish to take this opportunity to thank all those who helped to make Cookie Day the success it was.

CARD OF THANKS

I wish to sincerely thank Dr. Evans, Dr. King, Dr. Stephens, the matron and staff of the Vermilion hospital for the care and attention received, and to all my friends who visited me during my recent stay in the hospital.

Mrs. A. Wiwchar

CARD OF THANKS

I wish to sincerely thank Dr. Stephens, Dr. King and the staff for their care and kindly attention while I was a patient in hospital; also to thank the organizations and many friends for the cards, flowers and fruit received. Thank you one and all.

Mrs. Alice Marfleet

IN MEMORIAM

In loving memory of Cyril Davis who passed away on May 21, 1957.

A memory is in my keeping
With which I will never part
God has him in His keeping
I have him in my heart
And in memory's garden
We meet every day.

Ever remembered by his loving wife [illegible] and the family.

IN MEMORIAM

In loving memory of mother, *MARGARET SMITH* who passed away May 24, 1940.

"Memory drifts to scenes long past
Time rolls on but memories last
Sunshine passes, shadows fall
Love's remembrance outlasts all."

Ever remembered by Tom, Agnes, Melvyn and Lorraine.

Successful Tea

MANNVILLE — The tea and sale of aprons and home baking was well attended in the most attractive social rooms of the new McQueen Memorial church. Tables suitably decorated for spring were conveniently arranged for comfort and good service. After partaking of a delicious lunch one could wander at will to the sewing and bake tables. The Mission Band table proved most popular with their sale of foam rubber flowers, which were very appealing to the eye and cleverly made by these little people.

Shower Honors Bride Elect

A surprise shower and welcome was held at the home of Mrs. Reuben Clark on May 1 for Miss June Coxen who arrived recently from England to become the bride of Mr. Alfred Clark. June is no stranger to Vermilion as she resided with her parents for two years on the farm now occupied by the groom's family and attended Thorncliffe School and the Public school in Vermilion.

After renewing some acquaintances, games were played and then June was presented with many useful gifts.

A very delicious lunch served by some of the ladies then brought the afternoon to a close.

Celebrates 80th Birthday

On Thursday afternoon May 8, a number of ladies met at the home of Mrs. Preston in honor of Mrs. Tremlett who was celebrating her 80th birthday. The afternoon was spent sociably with talk of old times, followed by Mrs. Preston serving a very tasty lunch.

Dunc Springham of Edmonton was a visitor in town last week end at the home of his uncles, Dunc and Hugh Mitchell.

Mother's Day Well Observed, Mannville

MANNVILLE. — Well-attended was the Mother's Day service in the McQueen Memorial United church on Sunday where 200 people joined in worshipping together. Fifteen children were christened during the service, while 'Mother' was honoured, as the Junior choir offered special music for the occasion.

At the Anglican church the mothers were honoured at Sunday school as little ones presented flowers to each mother and grandmother. In the absence of their vicar the laymen took the service with James Johnstone leading prayers and responses, Reg Lugg reading the lessons and Warden W. Osborn delivering the address. Warden Mercer took up the offering. A large congregation attended.

WRECKING 1951 GMC ½-ton pick-up. Parts available. Apply Rowe & Sons, phones 108 and 80, Vermilion. 44-5x

TRUCKS — [illegible] Austin ½-ton; Fords '51 1 ton, '50 ½-ton, '49 1 ton, '46 [illegible]; Dodges, '49 1 ton, '51 ¾-ton; Internationals, '49 ¾-ton, '51 ½-ton. Many [illegible] both cars and trucks of all years. Rebuilt parts are now available. PIONEER [illegible] Wreckers, Lloydminster, ph. 3105 [illegible] ter hours phone 3431). [illegible]

Girl Guides Hold Tea At Derwent

DERWENT. — The Derwent Girl Guides held a tea, serving sandwiches, cake and cookies at the Cockshutt Implement shop on Saturday, May 10th. Pink and white sponge carnations were sold and a 'foam cushion' was raffled. Mr. Mike Onysyk was the lucky ticket holder for the foam cushion.

Proceeds of the tea will go towards the Girl Guide uniforms.

The following ladies helped the girls serve tea, Mrs. Anne Willmer, Mrs. Pearl Algot, Mrs. Lillian Christensen, Mrs. Verna Churchon and Mrs. Mabel Kosmak. The event proved to be very successful financially, and the first of its kind in this district. A large crowd was in attendance both afternoon and evening.

TENDERS

Tenders are invited for the supplying of farm produce including eggs, poultry and potatoes to Islay Municipal Hospital. Tenders to be in the hands of the undersigned by June 3, 1958.

Miss M. M. Carey, Sec'y.,

Mannville and District Local News

Mrs. E.C. McPhee arrived home after a long holiday spent with daughter Roberta and family of Pouce Coupe, on Saturday last.

• • •

Little Miss Susan Allen of Edmonton is paying a visit to her grandparents, Mr. and Mrs. E.B. Allen.

• • •

Reports on the condition of Claude Ramsey as we go to press are encouraging.

• • •

Sympathy of the Mannville district is expressed to the relatives of the late Paul Kaminsky of Innisfree.

• • •

Nelson Bearisto of Cold Lake was a week end visitor at the M. Mercer home.

• • •

Iver Berg has been a patient in the local hospital for the past while.

• • •

Home for the Mother's Day week end and reported to the Standard, were Joe, Joan and Joanne Dowicki, James Croft, Florence Otto and Betty Proudfoot.

• • •

Among those having children christened were Mr. and Mrs. R. Slobodian (nee Phyllis Nix) of Edmonton, at the recent Baptismal rites conducted at the United Church Sunday last. The Reverend Holter from all reports had a busy day.

• • •

Guests at the home of Mrs. L. Colbourne during the week end were Mr. and Mrs. H. Nix of Stettler, and Mr. and Mrs. R. Slobodian and family of Edmonton.

• • •

With the first green of the trees, Mannville has adopted a look of spring and we do hope for warmer weather, which has not yet settled down to the usual temperatures for this time of the year.

• • •

Also seen home for the week end were Patsy and Rod Eldern of Edmonton, and Harry and Elsie Osborn and family of Saskatoon and Bill and Edith Osborn and family of Edmonton.

• • •

According to word received, Mrs. Janet Semple Kerr was buried on May 7 at the coast. She was a former Mannville resident and a first settler in the district, and is well remembered by old timers. She was 91 years of age.

Health Unit Notes

ARE YOUR CHILDREN PROTECTED

Diptheria, whooping cough, tetanus and smallpox are all preventable diseases. Whooping cough causes more deaths than any of the other communicable diseases.

DIPTHERIA

Diptheria is a killing disease which spreads rapidly through communities which have not been immunized. It attacks all ages but young children are more susceptible and in them it is a more serious illness. Even when apparently mild, it may leave serious heart and nerve complications.

WHOOPING COUGH

Of all the communicable diseases this one is most likely to affect the youngest members of the family. Many cases occur in infants of six months of age or less, while the largest proportion occur between the ages of one and three years. In older children, while the disease may not be so severe, there is still the long drawn out convalescence, with its nights of coughing and wakefulness — which are perhaps harder on the parents than on the child. Permanent damage to the lung sometimes occurs in the spasms of coughing leading to serious illness in later life.

TETANUS

Tetanus or lockjaw is a rather uncommon but serious disease which sometimes follows puncture wounds or other injuries.

TRIPLE PROTECTION

Complete protection can be given against these three diseases by a course of three injections, starting when the child is four months old. To keep immunity at the required level the child should have a booster dose in one year's time and again before entering school at six years of age. Reactions to the injection are uncommon and transient.

SMALLPOX

Although an uncommon disease in Canada nowadays, it is still prevelent in some parts of the world and outbreaks in this country still occur. It is a killing disease and at its mildest, very disfiguring.

The only protection against smallpox is vaccination. This can be done when your child is three months old and at that age causes little upset and quite a small scar. People who have to be vaccinated in adult life for the first time if they travel abroad or enter professions, often have a very severe reaction to vaccination. A certain degree of protection lasts a lifetime from one vaccination.

(To be continued next week)

MARWAYNE

Mr. and Mrs. J. Browett (nee Shirley Bobrowski) of Victoria, B.C., are visiting with Mrs. Bobrowski and other relatives in town.

Mr. W. Linklater was an Edmonton visitor this past week while Mrs. Sonley is going this week to get her glasses.

Little Glenna Ashworth is a patient in the Lloydminster hospital. Mrs. Fleming, Mr. C. Blake and Mr. Sonley are doing well and hope to be home soon.

The 4-H Sewing Club held their Achievement Day on Wednesday May 7th. More details will be given when we know who the proficiency winner is.

At their homes for the week end were Mr. and Mrs. Al Lowrie of Vermilion, Iona Parker and Muriel Craig of Lamont and Doug Shaw bringing Louise O'Brien of Castor with him.

The Junior Boys' choir of St. John's church, Kitscoty, will be singing at the service in St. George's church, Marwayne, on Sunday May 18th at 11 o'clock. Lunch will be served at the church after service.

The Rev. M. Johnson and family were visitors in town last week.

Mr. A. Bendiksen, Mr. Ray Hunter and Mr. A. Romanick are all driving new cars.

Hard ball got away to a good start in the Pony League Gr. 9 and under, on Wednesday afternoon when Dewberry won over Marwayne by a close 11-9 score.

BETTER CONTROL

Girdle Manufacturers aren't pulling in their belts, remarks The Financial Post. Shipments for the first quarter by Canadian makers were up substantially on last year. The reason: "the sack dress, which demands better figure control."

Wildmere Winks

On Friday evening the Wildmere Beavers G[illegible] Club held the May meeting at the home of Mr. Wm. T. Garrett. [illegible] their mothers, other mothers and some fathers came also. Mr. Robinson also came. The girls gave a very nice Mother's Day program and presented little baskets of candy to all the ladies. After the meeting a delicious lunch and chatter over tea cups brought a very pleasant evening to a close. Many thanks girls for a nice evening.

On Sunday evening after the ball game a birthday supper put on by Mrs. [illegible] Cruthers in honour of Dianne Smith, was [illegible] picnic style. Dianne was celebrating her [illegible] birthday. About a dozen or more young friends helped Dianne celebrate. May you have many more such happy events, Dianne. She is the daughter of Mr. and Mrs. E. Smith [illegible].

Mr. David Hughes of [illegible] [illegible] after spending the past month taking a welder [illegible] in Calgary. Dave is now busy [illegible] his [illegible].

Mr. and Mrs. [illegible] family of [illegible] [illegible] brother from Cold Lake [illegible] them over the week end.

Mr. [illegible] of Vermilion [illegible] helping Cliff Cruthers [illegible] last few days picking up [illegible].

Former Vermilion Girl Finds Live Bombs on Her Property

Three army denotating bombs were found last week by the Misses Dorothy Wilson and Stanley on the property of their home at Mission, B. C. Miss Wilson is a daughter of Mr. and Mrs. Curtis Wilson of Vermilion.

The roots of a tree had been exposed by the spring rush of a creek and uncovered the three deadly weapons to the light of day.

Shortly after the girls discovery, and the police being notified, a de-activating crew stationed with the army at Kamloops was rushed to the scene and disarmed each unit.

The bombs were apparently in good condition, showing little or no rust and were adorned with a red cross.

The R.C.M.P. of Kelowna and the army refused to give out any details of type or age, but it is reported they weighed in the neighborhood of five pounds, large enough to demolish a large substantial type of building, when properly placed.

One thing is certain, they were not planted there with the idea of raising a bomb crop. The question of 'who was after whom' will provide the local residents in that area with a topic of conversation for some time to come.

C. N. R. Operates Longest Train Ever

HALIFAX, N.S. — The longest passenger train ever operated in Canada — 26 CNR passenger cars and three diesel units — last week took [illegible] disembarking from the [illegible] 'Saturnia' to various sections across Canada.

The previous record was established on April 15 when a 24-car CNR train handled 761 passengers from the Greek liner 'Olympia' here. Up to that time, the number of cars in passenger trains was limited to 15 units in wintertime and 18 in summertime. The operation of such long trains has been made possible by the use of diesel locomotives.

CLANDONALD HALL

Showing this week end at the Clandonald hall, "Lucy Gallant" a drama in technicolor starring Jane Wyman, Charlton Heston, Claire Trevor, Thelma Ritter; May 23 and 24. "I'll Cry Tomorrow" an excellent drama starring Susan Hayward and Don Taylor. 44

Valuable Information At Meeting of Agricultural Service Board of Vermilion River M. D.

The following is a copy of the minutes of the Agricultural Service Board of M.D. of Vermilion River No. 71 held in the municipal office, Kitscoty, on April 15. Present were Chairman J. C. Anderson and members Messrs. J. D. Stone and J. Hale and District Agriculturist E. H. Buckingham. Also present were Field Supervisor A. Hozack, Assistant D.A. M. Douglas and Supt. of District Agriculturists L. Rasmusson.

Field Supervisor's report was as follows:

WEEDS

Canada Thistle, Sow Thistle, Tartary Buckwheat, Toad Flax and Hemp Nettle are on the increase and are becoming too prevalent and should be carefully controlled by the efforts of individual farmers. Toad Flax, one of the most stubborn weeds in its eradication, can be found on approximately 2000 quarter sections in this M.D. To assist in the eradication of Toad Flax the M.D. and Provincial government supplied Sodium Chlorate and Polybor Chlorate at reduced rates. In 1957 12,432 pounds of Sodium Chlorate were sold at $5 per cwt. 3000 pounds D B Granular and 800 pounds Polybor [illegible] was supplied by the M.D. and Provincial government for use on Toad Flax patches on the roads.

WEEDS ON ROADSIDES

In any township in which the ratepayers wish to spray the road with their own sprayers, the M.D. will supply the spray. The weed problem on roads is still the farmers' responsibility.

MOWING WEEDS ON ROADS

776 miles of roadsides were mowed in 1957. Thirty notices were issued to destroy small patches of Toad Flax. No land was held under prohibit of seeding for 1957 or 1958. The weed situation in this M.D. should be checked more closely by the individual farmer and those concerned with bad infestations are requested to try to do something about cleaning them up.

SEED CLEANING PLANTS

If you haven't a good seed cleaning plant at home, try one of the three seed cleaning plants which are operating for your benefit at low cost. The following is the approximate amount of bushels cleaned in this M.D by the three plants.

Marwayne	173,834 bus.
Vermilion	265,000 bus.
Paradise Valley	289,203 bus.
Total	728,037 bus.
Grain treated	236,425 bus.
Grass seed sold by plants	37,453 bus.

Ways to eradicate weeds are to sow clean seed, use some spray and above all, good farming practices.

BURNING STUBBLE

Stubble is very necessary to hold moisture and also the soil. Burning stubble is very dangerous if the necessary precautions are not taken. If the farmer has to burn stubble or brush he should get a fire permit and read instructions on the back of the permit regarding the setting of fires.

GULLY CONTROL POLICY

Grass seed is available at one-third cost to ratepayers for seeding down gullies. Applications should be made to A. Hozack immediately as only a limited supply is available.

BANGS PROGRAM

The Bangs program is almost finished with total of 9,424 calves vaccinated from August, 1957 to February, 1958.

T.B. TESTING

Testing for T.B. is almost finished in this M.D. with approximately 4000 head to do. Total cattle tested has been 67,000 head with only 16 reactors found branded and disposed of.

REVIEW OF RAT SITUATION

Farms checked in 1956 606. Farms checked in 1957 891. Farms still infested in 1956 20. Farms still infested in 1957 17. Farms infested but exterminated 1956 135, 1957 128. However there is quite an improvement in extermination as only 17 infested farms remained at the year's end as compared to 20 infested at the end of 1956. The Pest Control officer distributed 2,369 pounds of dry Warfarin and 751 packets of water soluble Warfarin. It may be of interest to know that over the whole eastern front from Saskatchewan River low south to Schuler six tons of Warfarin and 9,870 quarts of water bait were used in 1957. It is estimated that over 45,000 rats were killed during the year. Much credit is due to residents along the eastern border for their co-operation with M.D. and Provincial officers. Success is a proven fact. With continued public support, Alberta can remain free of this obnoxious pest.

COYOTE CONTROL

As requested by farmers and ranchers and okayed by Council and Provincial government 15 sets of '1080' were placed in different parts of the M.D. also the following supplies were issued to farmers and ranchers. Strychnine pellets 1,763, cups 1,206, bottles scent 50, warning signs 30, instructions 18, shells 38, stakes 7, firing pins 4, beef fat 10 pounds. It is almost impossible to give an estimate of how many coyotes are killed owing to farmers neglecting to report to M.D. office of coyotes found dead.

RAT CONTROL

Cooperation [illegible] local governments, and with Provincial government, was outlined by A. Hozack. It was noted that some work was being done unofficially by Alberta Pest Control officers in the area immediately east of the provincial boundary especially where a particularly bad infestation is found on the Alberta side or where a persistent re-infestation occurs. This policy seemed to be justified. Mr. Hozack and Mr. Kelly visited the Council of Wilton M.D. in 1957 to outline our rat program and ask for the adoption of a similar program in Saskatchewan. Both Wilton and Britannia councillors were favorably impressed by the successful results of our program, but pointed out that unless provincial assistance was made a reality the scope of their program would be limited.

The work of W. Peltras, Pest Control officer, was reviewed, and it was established that his work was satisfactory but it was felt by the Board that a longer work day was required especially in the summer. This would compensate for the necessarily short day during the winter months and bring the average hours per week worked in to line with what is necessary.

GOOD FARMING AWARD

The Good Farming Award competition sponsored by the Lloydminster and District Chamber of Commerce was brought to the attention of the Board. The Board favored the idea of having farmers in ranges 1, 2 and 3 in this M.D. made eligible to compete for awards in the com-

Happy Hour W. A. Meets, Mannville

MANNVILLE. — Meeting at the home of Mrs. J. Cauford, the Happy Hour W.A. disposed of many items of business on Thursday evening last, May 8th. It was decided to hold the usual June tea, apron and home baking sale on June 7. Arrangements were made for the graduands' banquet in the near future. Reports were heard from Prayer Partner, Dorcas Secretary, G.A. and J.A. groups, along with the financial standing of the Happy Hour group. Plans were tabled to purchase silver for the church hall pending further information required. Fourteen members enjoyed lunch following the meeting. Miss K. Sutton and Mrs. Peskilvets were co-hostesses.

TULLIBY LAKE

Roy Morris and sons have set up their sawing outfit and are again making lumber by Badger Lake on the Indian Reserve at Onion Lake. They have hauled up a small building for living quarters. Mrs. Morris is keeping house and cooking for them.

April's free home Bible discourse was presented at the home of Mollie Behrens on the afternoon of the 27th. The speaker, Lee Wendt from Lloydminster chose as his subject, "Which Religion Really Matters?". The afternoon proceedings came to a close by the serving of lunch.

Recently a resident of the Greenvale area of Tulliby Lake had some anxious moments when Roy Wagner and Percy Hrian were rambling over a portion of their property on foot. Roy's car key found its way through a hole in the pocket of his pants and a search for it proved fruitless until Mrs. Wagner was called in on the hunt and found the missing key in short order.

Mr. Ingver Belsheim has returned home after a stay of two weeks in the Elk Point hospital.

NEWS from ALLANDALE

Weather -- Sunday May 4th, a grand summer-like day; on the 9th the thermometer got to 86, bringing the lovely green foliage out quickly on the trees.

Congratulations to Mr. and Mrs. Leslie Sherwood (nee Rena Ronaghan) of Wainwright on the birth of a son April 30th.

Billie McPhee suffered a painful accident on April 30th when he caught his hand in the motor while pumping water, injuring his fingers. He is reported as getting on well.

On May 2nd Mr. and Mrs. Rufus Omness and daughter Janice from New Sarepta were visitors at the home of their daughter Mr. and Mrs. Jack Hobbis and family in town. Janice is through university for this term and will be holidaying with her sister and taking her grade VIII music, Mrs. Roebuck being her teacher.

The Woody Wilsons and McPhees planted more trees, spruce and pine on the church grounds May 2nd, which will be an added attraction.

Sunday afternoon May 4th a large congregation from Clandonald, Riverton and Allandale gathered at the Riverton hall for church service conducted by Rev. MacKay. The inspiration of Rev. MacKay's services are always grand. The duet by Mrs. Laird and Mr. De Jong "He Walks With Me" was enjoyed very much and added greatly to the service.

Sorry to hear of the illness of Mrs. Margaret Walling of Edmonton, who is very well known in these parts. She was a patient in the Lamont hospital.

What a pleasant surprise Mr. and Mrs. Don MacGillivray had on TV the last week in March. In Nova Scotia they have a program to which people send in events which happened that are nationally known and Rev. Don MacMahon was on. His event was that of when he was a sailor on board the ship that captured a German ship on Canadian waters. There is a panel of people who try to guess the event these people were in or connected with. The next day when Don went to work he found out that his assistant minister was in the same fleet, though at the time he didn't [illegible].

A coincidence — Don MacGillivray's secretary and her boy friend in Edmonton grew up with Rev. MacMahon and knew him well.

Rev. and Mrs. MacMahon and family of two boys and a girl were at Sheet Harbor, N.S., for quite some time but moved to a new charge not long ago. Don was the student minister here in 1951 and was married while on the field. The writer knows Don and Frances very well.

We are pleased that Mrs. Don MacGillivray has such fond memories of Allandale. She was christened, attended her first Vacation school, joined the church and took her first communion at Allandale. Joyce also has fond memories of happy holidays spent with her grandparents Mr. and Mrs. McBride in the Allandale district.

Congratulations to Wm. Cross on winning the grand championship with his Aberdeen Angus at the Lloydminster Bull sale.

Early in the morning of May 3rd a fire occurred at the Paul Whelan home, R.C.A.F. station, Lincoln Park, Alberta. Michael, their 28 months old son was up and around early in the morning and got hold of his dad's lighter, went upstairs and apparently was going to give Teddy a smoke. He came to his mother, pointed upstairs and said, "Hot". Soon the fire was detected and the brigade called. Most of the bedroom contents were destroyed and the walls damaged. Paul got one more week's leave and Orlene and family were delayed a week in coming home.

A very interesting evening was had at the Clandonald United church on May 6th when the Clandonald W.A. had the Allandale W.A., Princess Anne W.I. and other guests at their monthly meeting. The highlight of the meeting was the splendid report given by the Clandonald W. A. president, Mrs. Opel Cooper on the Red Deer conference. A duet by Mrs. Laird and Mrs. Baldock "The Old Rugged Cross" was enjoyed very much. A delicious lunch followed and a social hour enjoyed.

The Allandale W.A. met at the home of Mrs. Woody Wilson on the afternoon of May 8th. For added devotional a continuation of "My Cup Runneth Over" was read. The June meeting will be at the Alvin Throndson home. Lunch by Mrs. Elsa Nelson and Mrs. Mary Wilson.

Mrs. Orlene Whelan and family Paulette, Michael and Lynn left the RCAF station Lincoln Park Saturday morning May 10 by C.P.R. and were met in the city by Della and Jimmy Walsh. Mr. and Mrs. Don Wilson motored to Edmonton that day and brought the Whelan family home to the Omness farm.

Mr. and Mrs. Morris Broadfoot from Saskatoon and daughter Louise and son Chris from Grimsby, Ont., arrived at the latter's sister's the Baldocks on May 9th. The next afternoon Mrs. Baldock accompanied them to the city to visit Mrs. Baldock's daughter Mr. and Mrs. Tommy Greaves and family. They returned home Sunday night.

Church service was held on May 11th with our new student minister Mr. Hugh Farker from Nova Scotia in charge. He gave us a splendid service for Mothers' Day. Church service will be held every Sunday at 11:30 a.m. unless stated otherwise.

Visitors at the Wm. Armstrong home for Mothers' Day was daughter Myrtle and Norman Anderson and family from Lloydminster, Daughter May and Warren Edwards and family of town and Mrs. Thelma Armstrong and family.

Visitors the same day at the Omness home were daughter Orlene and family, daughter Hilda and Don Wilson and family, Mr. Hugh Farker, the Laird family and Eugene Eagh from Clandonald.

Closing thought: "Christian [illegible] [illegible]".

NEWS from KITSCOTY

Mr. and Mrs. J. C. Potter, accompanied by their daughter Mrs. Ralph Gray and grandchildren Richard and Valerie Gray are spending a week's holiday at Fort Nelson with their daughter and son-in-law, Mr. and Mrs. Ken Jenkins and little son Alan.

Mrs. W.L. Apperson received word at the week end that her grandson Ted Tyler who is with the R.C.M.P. has been promoted to a Corporal. Congratulations are extended to Ted on his promotion.

Mr. and Mrs. C.N. Gray were Edmonton visitors the early part of last week. Mr. V.C. Stordy of Vancouver returned home with Mr. Gray and spent two days here on business.

Mr. and Mrs. R.S. Pidcock were Edmonton visitors at the week end when Spen attended the Princess Patricia's Canadian Light Infantry reunion and banquet which was held at the Hamilton Gault Barracks.

Mr. and Mrs. R. S. Angus and Christine are Edmonton visitors this week. Mr. Angus is attending the Hotelmen's Association convention.

ORGANIZE FORESTERS

The initiation meeting of the Canadian Order of Foresters, Court Kitscoty No. 1800 was held on April 29 at 8 p.m. in the Tracy Memorial Hall.

Mr. P. Dribney opened the meeting and then turned it over to brother Russ Forsyth, who instituted the Court in due form; he was ably assisted in the initiations by fellow members from Courts at Lloydminster and Vermilion. There were 78 members present and the meeting came to a close by the serving of coffee and sandwiches kindly made by some of the ladies earlier in the day.

Miss Grace Bootsman, a recent graduate of the Miller Business College at Lloydminster has accepted a position here in the office of the M. D. Vermilion River No. 71.

Mrs. E.H. Sheppard is at present enjoying a holiday with her daughter Mrs. Ralph Small and family at Claresholm.

Mr. Merne Dale of Calgary was a business visitor here last week, staying with his father, Mr. John Dale.

RUSSIANS STEAL SPOTLIGHT

Russians are becoming a big box office attraction in Canada, reports The Financial Post. Some 40,000 people will pay prices up to $ to see Moiseyev Dance Company give three performances in Toronto this week. Result: Promoters are eagerly bidding for stepped-up cultural exchanges.

PAID YOUR SUB. LATELY?

Teen Ager Celebrates Birthday

MANNVILLE. — On the occasion of Karen Hubbard's 13th birthday, her aunt Mrs. R. Lagg entertained at a picnic-supper theatre party, held indoors due to inclement weather. Present were girls of the Christ Church G.A. and one visitor, Marion Schock. After doing full justice to potato salad, hamburgers and buns, birthday cake and ice cream, the girls attended the show at the local theatre en masse, with their leader.

WOODVALE NOTES

Let us begin with congratulations to Mr. and Mrs. Dave Sweeney on the birth of a daughter on April 24th; we heard it too late to put that in our last news budget. Then there is another birth of a baby to announce, a 9 lb. son to Mr. and Mrs. Patterson (nee Mildred Young) of Camrose, a brother for three-year-old Marguerite.

Margaret Watt, after completing her second year at the University for her teacher's diploma, is now teaching Grade VIII in Vermilion. A third room was opened at the Woodvale consolidated school with Miss L. Matheson, Dewberry, taking Grades III and IV. She is staying with Mr. and Mrs. Anderson at the teacherage. The school children are practising for the coming track meet.

We were sorry to hear that Harry Turner is a patient in the Vermilion hospital with pneumonia and that young Charlie Young is there too with inflammation of the nerves in his knee and hip. May they soon be well again; sickness, specially in the busy spring season, is very hard to bear.

Mr. and Mrs. W. Fortune returned earlier than expected from their trip to B.C., due to the illness of Mr. Fortune. Bert Portsmith arrived home after spending the winter with his brother Dick in Ontario.

Mrs. F. Weisenberger spent a few days at the home of her parents in the hope to have the spring house cleaning done for her mother who was in the hospital when she was called home because her husband had entered the hospital in Calgary.

Mrs. Belle McGrath visited a few days last week with her sister Mrs. J. Wyley in the Wildwood district.

Wilton McLean left for Fort St. John where he found work with a surveying party.

There will be a dance at Woodvale Hall on May 30, when it is hoped the rush of spring work, well advanced this year, will be over and time for some fun and relaxation can be taken.

May has been so far stormy and dry although a few light showers fell in the district. Rain is needed pretty soon to assure an even germination. There have also been quite a few twisters and one crossing the yard at Pete Ruud's tore the blower off of his threshing machine and moved a wagon box.

Bob Lamport bought a small Shetland pony stallion north of Vegreville and Johnny Watson brought it home for him.

We do not know if it interests anyone, but two pear trees we have had for years and are quite large, finally bloomed and are a very pretty sight. Maybe we'll get some pears and we only hope they'll be edible.

A Western Wood Pee Wee flew by accident one morning into our bedroom and must have liked the looks of it, as it returned every day to sing its cheery Pee Wee song, sitting on the dresser or on the footboard of the bed! Of course, he left his calling card there too, so we had to put newspapers down. With the screens on now, he had to abandon his visits but we still have him out in the trees. His song is much the same as that of his cousin the Kingbird, but more clear and cheerful.

THE BIBLE IS A CATHOLIC BOOK

People differ radically in what they think about the Bible.

Some seem to think it was handed down from Heaven written in English and bound in morocco. Many accept it as the inspired Word of God without knowing why they are justified in doing so. And others say that the Bible is full of contradictions and must be taken "with a grain of salt."

A proper understanding of the Scriptures can exert a tremendous influence for good in your personal life. You should, therefore, know where we get the Bible ...what it means... why you can believe its every word.

Nowhere in the Bible text will you find a list of the 73 inspired books of which it is composed. This list was given to the world by the Catholic Church almost three full centuries after the crucifixion of Jesus Christ. Between the time of the Crucifixion and the time that the Scriptures were gathered into a single Book, millions had received and accepted the teachings of Christ . . . and had died without ever seeing the complete Bible.

Established by Christ Himself and rapidly spread among the nations of the world, the Catholic Church was carrying on Christ's work for the salvation of men some 60 years before the Apostle John wrote his books of the New Testament.

For more than a thousand years afterward, the Scriptures were preserved and circulated by Catholic monks and scholars who laboriously copied the sacred text by hand. And the Bible authorized by the Catholic Church was the first book produced by Gutenberg upon the invention of printing.

Yet, the Bible is truly a Catholic book. They were members of the Catholic Church who, under God's inspiration, wrote the New Testament in its entirety.

It was the Catholic Church which treasured it and gave it to the world in its original and unaltered form. It is the infallible authority of the Catholic Church that always has been the only sure guarantee of its inspiration.

There are obscure and difficult passages in the Bible, some of which may seem confusing. But with the complete revealed truth of God, delivered to her from the beginning, the Catholic Church has faithfully unfolded the meaning of the written Word of God to past generations of mankind—and does so today.

Those who are familiar with the Bible, as well as those who are reading it for the first time, will find many important questions concerning it clearly answered in a free booklet which we shall send you on request. Ask for Pamphlet No. 3-N.

WILDMERE WINKS

It must really be spring as the Swallows came back to Wildmere on Sunday and are looking over their old nesting places in the Wallington garage.

Everyone was sorry to hear of Mrs. W. J. Garnett of Basswood being ill. She is a patient in Royal Alex hospital. All her neighbors and friends wish her a speedy recovery to health and home.

Mr. H. Leighton, Principal of Preston Central School is also in Edmonton for treatments. All wish him a speedy recovery and back to Wildmere [illegible] well again.

It was very sad to read of those two little children drinking out of a gopher poison can. One cannot be too careful with these cans.

Here is an item we intended for last week's news. A birthday party for Shirley Sweeney was held by her parents Mr. and Mrs. Chas. Sweeney when 18 [illegible] and old enjoyed a turkey supper, cake and all the trimmings. May you have many more birthdays Shirley.

A nice attendance of 40 were at church on Sunday evening. All were pleased to see Mr and Mrs John Wilson amongst us again also Mr and Mrs. Webster. Mr E Robinson gave a nice Mother's Day sermon, the children's choir sang a lovely hymn. Church next Sunday at 7.30 again. Come out and hear this splendid young man.

Mrs. Coburn from Vancouver Island B. C. is here visiting her daughter Mrs. Lloyd Howard and her son Howard Coburn and their families.

Valuable Information At Meeting Of Agricultural Service Board

(continued from p. 1, sec. 2) petition and recommend to the Council that three areas be established as follows. Area 1 — N½ township 51 and north to the Saskatchewan River in ranges 1, 2 and 3. Area 2 N½ township 49 and north to include the S½ township 51 in ranges 1, 2, 3.

Area 3 — S½ township 49 and south to the Battle River in ranges 1, 2 and 3. It is further recommended that the Board or their appointees select five candidates from each area and forward their names to the Agricultural Committee of the Lloydminster Chamber of Commerce before Aug. 1, 1958.

Moved by J. Hale that A. Hosack, E. H. Buckingham and A. R. Kay be appointed a committee to submit the names of at least five candidates for the competition in each area to the A.S.B. to be considered at a meeting before Aug. 1. Carried.

PURE BRED SIRE AREA

Moved by E. H. Buckingham that as the Pure Bred Sire Area (Swine) has been established in this Municipality for almost one year now therefore be it resolved that the establishment of this M.D. as a 'Pure Bred Sire Area (Swine)' be brought to the attention of hog raisers here by advertising in the local papers to the effect that the date of Nov. 1, 1958 be set as a dead line when hog raisers will be required to have registered sires. Carried.

GULLY CONTROL PROGRAM

Moved by E. H. Buckingham that the Field Supervisor and the D.A. proceed immediately to inspect the proposed sites of application for the benefits of the gully control program and if found satisfactory, to distribute the seed and generally implement the terms of the Gully Control Program policy. Carried.

The Board was informed that 21 applications were on file in connection with this program.

BACK SLOPING AND TREE PLANTING

It was drawn to the attention of the Board, for the information of the newer members that the back sloping and tree planting program was outlined in the minutes of the Agricultural Service Board under date of May 24th, 1956. It was agreed that this program should again at this time be brought to the attention of the Council with the request that they give serious consideration to implementing the policy. It was pointed out by Mr Buckingham that the back sloping carried out along the correction line between townships 50 and 51 in ranges 1 and 2 in 1957 did not meet the standards as outlined by the Board in their original proposal in that the back-sloping was not carried back far enough (minimum of 120 feet on each side of road centre). While it was appreciated that quite an effort had been made in this particular project it was felt that, in view of the fact that a further back-sloping project was being considered for 1958, the program as conceived in 1956 be reviewed and possibly carried out on the next project.

WEED INSPECTORS

Moved by J. Hale that two weed inspectors be engaged for two months during the summer of 1958 to check for Toad Flax infestations throughout the M.D., issue notices where necessary and generally to enforce the provisions of the Noxious Weeds Act. Carried.

Spread of Toad Flax throughout the Municipality was noted by the members of the Board and it was felt that an all-out effort should be made at this time to check the spread of this noxious weed and if possible recover ground lost in the past few years.

STUBBLE BURNING

Moved by J. D. Stone that this board recommend to Council that fire guardians be instructed to discourage the practice of burning stubble and to accomplish this end they be advised to restrict the issuing of permits wherever possible. Carried.

P F A A

The following suggestions were raised for discussion and it was decided to refer them to the Council for action as they see fit.

1 That no payments be made on summer fallow acreage — thereby increasing payment on seeded acreage.

2 That elevator agents be commissioned to fill out applications for benefits thereby doing away with inspectors, other than those required for spot checks.

3 That the price per acre in benefits be raised.

4 That a statement showing just what benefits are being paid for be included with each cheque.

BOX CAR ALLOCATION

Moved by J. Hale that as the present system of box car distribution at country points and the quota system, combine to make it nearly impossible for farmers to deliver all their grain to the elevator of their choice and receive the best returns from the sale thereof, therefore be it resolved that this Agricultural Service Board recommend that a card be placed in each permit book for each year, to be filled out by the farmer and mailed to the Canadian Wheat Board which would provide a means whereby a farmer could state his preference as to the place of delivery of his grain, the seeded acreage to be totalled at each delivery point and the elevator having the largest acreage stated as a preference would get the greater percentage of cars at that point. Carried.

Moved by J. D. Stone that the meeting adjourn. Carried.

TIPS TO MOTORISTS

Highway accidents will diminish only when people use enough brain power to match the horse power.

Marwayne 4-H Club Active

MARWAYNE. — On Saturday April 26th the Beef Club held a tour to inspect the members' calves. The group left town at 9 a.m. and stopped at Eddie Anderson's for a weiner roast at noon. After dinner Mr. Anderson gave a demonstration on how to show a calf and on curling the hair.

Tuesday May 6th the regular meeting was held. Roll call was answered by naming a beneficial bird. Committees were picked for the bridge opening display at Lea Park, and also for the thematic display.

The Club was pleased to have Mr. Douglas, assistant D.A. at Vermilion, at the meeting. He gave a short talk on a judging competition for the Achievement Day, June 7th. He then showed a number of slides on thematic displays other clubs had made, which gave some ideas for making one this year.

The members are asked to bring their club shirts, feed boxes and calf signs to the next meeting to be held June 3rd.

Receive Degrees At University Convocation

Many young people from Vermilion, graduates of the local high school, were among those receiving degrees at the University of Alberta Convocation held on Friday afternoon last week.

Included were the following:— Robert Thomas Morrison, the youngest son of Mr. and Mrs. Alex B. Morrison of the Bowtell district, was admitted to the degree of Doctor of Medicine at the Spring Convocation of the University of Alberta held in the Jubilee auditorium on May 16th. Bob received most of his public school education at the Bowtell school and graduated from Vermilion High school in 1951. He then entered the U of A. from which he graduated B.Sc. in Arts Class of '54, having majored in Chemistry. Entering the Faculty of Medicine in the fall of 1954 he graduated with the degree of Doctor of Medicine class of '58. During the past two summer sessions he has done research work in the McEachern Research lab at the University of Alberta and will be interning at the University hospital.

Miss Anne Stewart who received the degree of Bachelor of Science in Home Economics. Anne was a gold medallist of the graduating class in this faculty. Mr. and Mrs. E. M. Stewart attended the graduation ceremonies.

Mr. Duncan Locke graduated in Commerce with his Bachelor of Commerce. He is now articling with B. C. Tanner & Co., Chartered Acountants in Edmonton.

Duncan's parents, Mr. and Mrs. E. A. Locke were guests at the Convocation.

Miss Jean West, daughter of Mr. and Mrs. Fred West obtained the degree of Bachelor of Education. Mr. and Mrs. West were in attendance at the ceremonies.

Mr. Gerald Harle, son of Mrs. Rose Harle, completed his work for his degree of Bachelor of Science. He graduated in absentia as he is working in southern Alberta. He plans to continue University studies in the fall.

Official Opening Of New School Planned for Wednesday, May 28

Everyone interested is invited to the official opening of the new junior high and high school on Wednesday afternoon next, May 28. The program is scheduled to commence at 2.30 o'clock in the school auditorium. The guest speaker will be Hon. Anders O. Aalborg, Minister of Education. Chairman for the afternoon is Mr. C. N. Brenan, who represents this subdivision on the school division board.

During the program several musical numbers will be rendered by the high school and junior high school students. Students from the two schools will attend in a body.

A conducted tour of the new building will follow the program.

At 6 o'clock in the evening all the visitors from out of town will be guests of the Board of Trade at dinner, hall to be announced. Tickets at $1.25 each are available for this dinner from James Champion, Leo McKernan, A. E. Kaiser, Ashley Cooper and Ernest Schurman. Both ladies and gentlemen are invited.

V.H.S. Graduation Friday, May 30

Plans are nearing completion for the annual Vermilion high school graduation, banquet and dance, which will be held on Friday evening May 30. The grade eleven students, as the hosts of the graduates, have been busy for some time preparing for the gala event.

The banquet, honoring our sixteen graduates, will be held in the Anglican Parish Hall where the ladies of St. Saviours W.A. will serve dinner to the graduates, the other senior students, the parents of the graduates, and the school officials. The principal speakers of the evening will be Mr. Donald Galloway, the class valedictorian, Mr. Alex Palin, the guest speaker who is acting principal of the Vermilion School of Agriculture.

After the group pictures have been taken, the dance will follow in the new high school auditorium. As this is the first student function to be held in the new school everyone is anticipating an exceptionally enjoyable evening. The [illegible] orchestra will supply the music.

If anyone who wishes to attend does not receive an invitation, one may be obtained from Mr. David or any other member of the high school staff before Friday May 30th.

Jr. High Students To Present Plays

The final meeting of the season of the Vermilion Home and School will be held in the Junior high school on Tuesday May 27 commencing at 8 p.m. sharp. The program will be the presentation of three one-act plays by the grades 7 and 8.

The plays to be presented are

Grade 8A 'Johnny Dunn' by Robert Gard. A tale told in choral speech about Alberta's Paul Bunyan.

Grade 8B — 'The Courting of Marie Jenvrin.' A comedy of the far north.

Grade 7 — 'The Princess Who Dreamed Too Much.'

The business of the meeting will be the installation of 1958-59 officers.

Admittance — Adults 50 cents and students 25 cents.

Delbert Miller Dies in Edmonton

Funeral services will be held on May 24 at 2 p.m. in the First United Church, Vermilion for Mr Delbert Orville Miller of Edmonton and formerly of Vermilion.

Mr Miller passed away in the Royal Alex hospital Edmonton, on May 21 at the age of 57 years.

He leaves to mourn his passing his loving wife, one daughter Frances at home, two brothers, Jim of Islay and Lester of Edmonton and two sisters, Mrs Ed McCann of Billings, Montana and Mrs. Fred Hildebrand of Escondido, California.

Interment will take place in the Vermilion cemetery.

Moyer's are in charge of funeral arrangements.

Fastball Tourneys Draw Large Crowds Monday

Irma and Vermilion All Stars played ten innings to a 6 all tie in the final of the men's fastball tournament on Monday, to split first and second money while Kitscoty scored a 13 - 11 victory over Vermilion Cardinals to win the ladies event.

The fastball tournaments proved an attraction all day to a large crowd of fans, everyone of the four diamonds in use drawing its crowd of rooters. The two competitions were very well managed with eleven teams competing in the mens' event, and six in the ladies.

The dual tourney was arranged and managed jointly by the All Stars and the Cardinals. Ball diamonds were put into fine shape, a refreshment booth operated and a very enjoyable sports day ensued.

ELEVEN TEAMS IN MENS' TOURNEY

One team, Myrnam which had entered the mens tournament didn't appear with the result that eleven teams were left to battle it out for the prize money.

Vermilion All Stars won by default from Myrnam. Innisfree def Kitscoty. Lloydminster Mohawks def Wainwright. Fabyan def. V.H.S. Lloyd Huskies def. Edmonton Garneau Indians; Irma def. Dewberry; Vermilion def Innisfree. Lloyd Mohawks def Fabyan.

This brought Vermilion against the Lloyd Mohawks, and Irma against the Lloyd Huskies in the semi-finals.

Vermilion All Stars def. the Mohawks 7 to 4 and Irma def. the Lloyd Huskies.

This brought Vermilion against Irma in the final which went 10 innings without a decision. The Irma boys had a big second inning with six runs. This was finally tied up by the locals in the 7th, but neither team could bring in the winning run. Both had runners in scoring position only to see the side retired.

The All Star battery was Andy Redford, Murray Miller to Joe Brower. For Irma it was Jack Gainey hurling to Ron Lovig.

The final game was umpired by Dalton Torrance with Irving Gordon calling the base plays.

Game by innings

Irma — 0 6 0 0 0 0 0 0 0 0 — 6

Ver — 1 0 0 1 3 2 0 0 0 0 — 6

KITSCOTY STAGES RALLY TO WIN

The Kitscoty ladies staged a big rally in the 6th and 7th innings to overcome a big Cardinal lead, and to win first money in the ladies event of the day.

Kitscoty and Lloydminster drew the bye with Mannville def. the V. H. S. girls while the Cardinals downed Dewberry. Kitscoty eliminated Lloydminster and Vermilion ousted Mannville, with the winners advancing to the finals. The final ended Kitscoty 13 and the Cardinals 11.

Weather was perfect for ball all day. During the afternoon, play was halted from 2 to 4:30 to let the fans attend the stock car races, but the crowd was back to see the semi and final games.

Death of Wm. Smith Homesteader of '05

There passed away at the Vermilion hospital on Saturday night, William Smith, esteemed old timer who homesteaded in the Saltaux district, 26 miles south west of Vermilion back in the year 1905. The old homestead is still in the family and is now being farmed by a son, Mr. Tom Smith. The deceased was 86 years of age.

Mr Smith was born in Scotland, coming to Manitoba in 1904. In 1905 he came to Alberta and homesteaded in the Saltaux district. He also became the post master of the Saltaux post office and mail carrier. He was postmaster for the entire history of that post office which was replaced by the rural mail delivery.

Fourteen years ago Mr. and Mrs. Smith retired from farming and moved into Mannville where they resided for four years. Ten years ago they purchased a home in Vermilion where they have resided ever since. A week before his death Mr. Smith was taken to hospital suffering a stroke from which he never recovered.

Surviving members of the family are his loving wife, three daughters, Mrs. Alex Stone, Vermilion, Mrs. Archie Little, Vegreville, Mrs. Don Mullen, Vancouver; and four sons, William of Penticton, Tom of Mannville, Bert in Edmonton and Jack at Vancouver B. C. There are fifteen grandchildren and two great grandchildren.

Funeral services were held on Wednesday afternoon, May 21 at 3 o'clock at the First United Church, Vermilion. Interment followed in the Vermilion cemetery. The Rev. C. W. MacKay officiated.

Moyer's were in charge of funeral arrangements.

Noonday Board of Trade Luncheon Is Cancelled

The noon luncheon meeting of the Board of Trade has been cancelled for Wednesday next May 28th. Everyone is invited to attend the evening dinner meeting at 6 p.m. Hall to be announced.

$15,000 Damages In Fire At Vermilion Coca-Cola Plant

Prompt response of the Vermilion fire brigade resulting in the dousing of the flames in the early stages, averted a major fire on Tuesday afternoon. The fire broke out in the boiler and store rooms of the Vermilion Beverages, a soft drink manufacturing plant, commonly called the 'coke' plant. The fire alarm went shortly before 5 p.m.

Aldous Kent, owner and manager of the business who was in the front part of the building, heard a muffled 'whoosh' and immediately smoke began pouring from the rear of the plant.

The brigade was out and on its way 55 seconds after the warning whistle started to blow. A good many gallons of water were poured on the fire. The actual fire was confined to the boiler room and the storage room or warehouse both at the back of the plant. The fire damaged this part of the building and found its way into the attic above the main building. The ceiling there suffered considerable damage.

One of the chief sources of loss was in the store room where all the manufacturing ingredients were kept. Four refrigeration units were also kept there, two of these are a total loss and the others are questionable at present. Loss of refrigeration tools, bottle tops and the many things necessary for the operation of the plant added considerably to the damage total.

Estimates of the total damage at press time were from $12,000.00 to $15,000.00.

Since the fire, workers have been active night and day and Mr. Kent expects to be back in production of coke and soft drinks by Saturday of this week. Fortunately the damage done to the boiler was minor and was confined to controls and pipes which have already been replaced.

The fire brigade has come in for a lot of praise for their prompt arrival at the fire and for the early control of the flames.

Foresters' Bingo Saturday Night

The friendly 'Forester Bingos' have started again with one slated for this Saturday evening in the Legion hall commencing at 8:30.

A jack pot game has been started and at present the kitty is worth $10. If not won Saturday it will be increased to $15 for the next evening of bingo.

All proceeds of these games go for projects in the community so come and have a pleasant evening and help in worthwhile endeavors at the same time. No admission, play by the game at ten cents a round. Remember, Legion hall, Saturday, May 24th, at 8:30 p.m.

RED SHIELD Tag Day, May 24

Nephew of Buster Larkin Drowns At Barrhead

13 year old Stewart Larkin of Barrhead who drowned Sunday afternoon in the Paddle River at Barrhead after saving a young girl from drowning was a nephew of Mr Buster Larkin of Vermilion.

Stewart was the only son there being two younger daughters in the family.

Witnesses stated that Larkin, who was a good swimmer, answered the girl's cries for help, pushed her ashore, then disappeared under the water.

Attends Diamond Wedding of Parents

Mr and Mrs. T. C. Marshall, Gerry, Merle and Morley attended the Diamond wedding celebration of the former's parents, Mr and Mrs. J. W. Marshall at North Battleford on Sunday, May 18th.

Attend Golden Wedding At Ladner, B.C.

Mr and Mrs. R. S. Cooper motored to Ladner, B.C. to attend the Golden wedding celebration of Mrs. Cooper's parents, Mr and Mrs. Norman DeLorme, on Saturday, May 17th. An open reception was held at the Ladner hall on Saturday evening and on Sunday an informal gathering of relatives met at the DeLorme home. Mr and Mrs. Cooper left here midnight Thursday and returned Tuesday evening. They were accompanied on the trip by Perce Cooper and son Terry.

Obtains Nursing Diploma

Miss Lillian Semeniuk who has completed her nursing training course at the General hospital in Edmonton, was a member of the graduation class at the Commencement exercises held Monday May 4th at the Jubilee auditorium. The Commencement exercises were attended by Lillian's parents, Mr. and Mrs. Semeniuk.

It's an easy matter to give advice the problem is to find people who have faith enough to use it.

Mannville Boy In Semi-Finals

MANNVILLE. — Appearing at the Jubilee auditorium on Saturday evening last, in the contest "Search For Talent" semi-finals, Brian Scoggins filled Mannville hearts with pride as his voice was heard over the air by those unable to attend. Although he was contestant number 20 Brian sang with confidence and a clear voice. While he was not one of the ten picked for the finals, he received a very nice certificate for which Mannville people offer sincere congratulations. Mrs. Scoggins reports those present from here as being most impressed with the auditorium and advises all able to do so to go and view this beautiful building.

Visitors to 'Sunny Alberta' spent nearly sixty-two million dollars in 1957, representing a 10 percent increase over 1956.

Native of Vermilion Is Honored

Dr. Alex B. Morrison, a native of Vermilion, associate research chemist on the staff of Mead Johnson Co., Research Labs., Evansville, Indiana, has recently been elected a member of the American Institute of Nutrition.

Frank Wilkinson New Wheat Pool Agent Here

Mr. Frank Wilkinson has been appointed the new agent for the Alberta Wheat Pool in Vermilion. He will commence his duties here on June 6th.

Mr. Wilkinson comes from Inland, Alberta, where he was very active as secretary of the Farm Forum, Leader of the Grain Club, and as a member of the Masonic Lodge. He is a native of Mayerthorpe, Alberta.

The new agent is a married man and there are two children in the family, aged 5 years and 1 year.

A warm welcome to Vermilion is extended to the young family.

Overture Concert Assoc'n Makes Plans for Year

The Lloydminster Overture Association held its annual organizational dinner at the United Church in Lloydminster Tuesday evening, May 20. A representative group from Lloydminster and its surrounding territory as well as five committee members from Vermilion enjoyed a truly delicious supper served by the ladies of the United Church.

This event launched the annual membership drive of the organization which will be held this week in all the areas that are participating in the next season's concert series. We look forward to another very successful year of outstanding concerts with increased memberships in all points.

In Vermilion the committee members will be Mrs. Fred Stewart, Mr. Tom Watts, Mrs. Muriel Beake, Mrs. K.A. Minchin, Miss Margaret Stephens, Miss. K. Fulcher, and Miss Donna McCauley. We hope that at least one of the concerts will be held in the new High School Auditorium in Vermilion. We also will arrange, as much as possible, the necessary transportation of all members from this area to Lloydminster for each concert held there.

Please get in touch with any committee members for your 1958 - 59 membership.

Reception

Mr. and Mrs. Herman Caro of Borradaile will be 'at home' at an open house reception on Sunday May 25th, 1958 from 2 o'clock p.m. to 5 o'clock p.m., the occasion of their 40th wedding anniversary. 44-5

CGIT Honor Mothers at Banquet; Final Event of Active Year

The Canadian Girls in Training honored their mothers and a number of guests with a banquet in the United church hall Monday evening May 12th. This was a culmination of eight months of activity. There was an abundance of good food.

Frances Mihalcheon departmental president of the C G I T was toastmistress. Marie Tovel proposed the toast to "The Church" with the response being given by Mr. McKay. The toast to "The Mothers" was given by Dorothy Stewart and replied to by Mrs W. L. Robinson. Jacqueline [illegible] gave the toast to "The Leaders" and Mrs James A. Smith replied.

Greetings from the W. M. S. were brought by Miss Craig.

The guest speaker Mrs. A. Christiansen spoke very ably on the theme "The Footprints of Jesus" and using the C G I T four fold purpose developed the topic in a most interesting and inspiring way.

The girls sang the hymn "Footprints of Jesus". The Juniors sang the chorus "What a Friend We have in Mother". Betty Robinson rendered a piano solo.

Each of the four groups presented skits which were much enjoyed.

The Junior Group presented their leader Mrs. Smith with a bouquet of roses. Each of the other groups gave the leader a present as a token of appreciation for their leadership during the year.

Mrs. E. M. Stewart, the departmental superintendent, paid tribute to the leaders, Mrs. Jas. A. Smith Juniors, Mrs. F. Brimacombe Intermediates, Mrs. Ashley Cooper and Mrs. A. E. Kaiser the Seniors, Mrs David and Miss H. Barr the undergraduates.

Mrs. E. M. Stewart the superintendent has again proved herself to be a capable and inspiring leader. A bouquet of beautiful roses was presented to her as a token of appreciation.

The highlights of the past year of C G I T activity include the following.

The C G I T yearly program began in the latter part of September with a rally at Marwayne. The guest speaker was Mrs Watts who is the head of a Christian Girls school in Japan.

Dec. 15th Annual candlelight ing service.

Dec 20th—The C.G.I.T. group sang Christmas carols at the hospital.

Feb. 17th. A rally with Dewberry.

April 14th — Affiliation service with W. M. S.

The C G I T members have paraded to church four times this year.

There have been four films on Bible admission study and one on deportment.

Three talks were given during the season. Mrs Smith spoke on "The Queen's Visit to Ottawa". Mrs Clark on Japanese flower arrangement. Mrs Carmichael on "The Care of the Hair". They were enjoyed by all.

During the year there were four pot-luck suppers and three skating parties.

A worship period was conducted by the girls at each meeting. Singing, dancing and handicraft were also included in the program.

CANCER BLITZ

Cancer blitz on June 2 in the residential section of Vermilion. Please have your pennies ready when the canvasser calls. 45-6

Little Leaguers Playing Good Ball

During the past week the Little League played two more games with Rotary shutting out the Knights of Columbus 10 runs to zero on Thursday last. On Tuesday Legion blasted out a 16-3 win over the luckless K of C.

Rotary and Kinsmen play tonight (Thursday).

Unofficial standings are:

Team	P	W	L	Tied	%
Rotary	1	1	0	0	1000
Legion	2	1	0	1	750
Kinsmen	1	0	0	1	500
K. of C.	2	0	2	0	

Next game will be Tuesday evening at 6:30 in the Athletic park. Turn out and root — the kids love it!

FLASH — Rotary 10, Kinsmen 4, in the game played tonight (Thursday).

Some men stand by their convictions and are dead set on their convictions.

Racing Season Opens At Golden Speedway

By GERRY MARSHALL

The 1958 stock car racing season opened Monday at Golden Speedway in Vermilion and after the dust and mayhem ended, the picture was much the same as last season with the top racers of '57 picking up where they left off. Earl Pollard, Gordie Allen and Peter Rachel, last year's top man, had walked off with a big part of the loot. Pollard, runner-up to Rachel last year, had a field day as he won two races and finished second in three more. Rachel started the day very slowly but came on with a rush to grab the checkered flag in the feature event and the last race.

In the 30 lap feature the youthful Lloyd stock jockey made a complete runaway of it, although being steadily overtaken by Pollard. Starting in the second post [illegible] grabbed the lead at the first corner and breezed to the win as though out for a Sunday drive. The highlight of the rugged [illegible] however was Earl Pollard's [illegible] from the rear of the ten-car [illegible] to [illegible].

Gordie Allen, another local [illegible], was running third in this race only to come to grief on one of the rough corners and spin out allowing Bill Noyes of the Border City to grab off third place money.

In the crowd-pleasing 5th race, the Australian Tag, Gordie Allen and Earl Pollard passed all opposition to win easily with 'The Earl' pocketing first money.

A newcomer to the stock car circuit supplied an overflow crowd with their biggest thrill when local driver Clayton Harrower made a beautiful come from behind finish in the last lap to nose out Morke's car of Lloydminster by a bumper. Harrower, driving one of the few straight six Chevvy motors in the racing game, trailed Morke all through the exciting fourth race but [illegible] on a torrid rush at the [illegible] and circled the speedway with the checkered flag for the first time.

Other newcomers to the dirt track racing union didn't fare so well as Keith Maxwell's car failed him in the second race and sidelined him for the day. Lennie Kohn, also a local, ran into trouble all day — climaxing it by rolling his car in the last race.

RACE RESULTS

First Race — 1. Nordquist; 2. Pollard; 3. Allen.

Second Race — 1. Mark; 2. Noyes; 3. Schock.

Third Race — 1. Pollard; 2. Allen; 3. Mark.

Fourth Race — 1. Harrower; 2. Morke.

Fifth Race — 1. Pollard; 2. Allen.

Sixth Race — 1. Rachel; 2. Pollard; 3. Noyes.

Seventh Race — 1. Rachel; 2. Pollard.

HI-SCHOOL HI-LITES

HI SCOOL. so le tasyd wein

This school term is nearly completed and everybody is earnestly studying for the final exams.

Although much time is taken up by studies, there is still time for baseball and softball. The Results of recent games played are

Boys Carman def Laurier. Service def Carman, Service def Laurier; Laurier def Carman.

Girls Laurier def Carman. Service def Carman, Service def Laurier; Carman def Laurier.

All Houses are making a final bid for first place and the standings up to date are

Carman, 41½ points, Service 37½ points, Laurier 29 points.

The Vermilion High School Graduation dance will be held in the auditorium of the new school on Friday May 30. It will be necessary for anybody that wants to go to have an invitation. Anyone wanting an invitation may obtain one from Mr David.

The yearbook has been sent away to the printers and we would like to extend our thanks to the business places that made it possible for us to have a yearbook this year.

Half-Way Mark Is Reached In Pony League Baseball Play

Four big games were played during the past week with the results as follows:

FRIDAY MAY 16

Islay defeated Mannville at Islay.

The Foresters defeated Buffalo Coulee at B.C., 16 to 8.

WEDNESDAY MAY 21

Elks defeated Islay at Islay, 5 to 3.

Mannville defeated B.C. at Mannville 10 to 8.

Details of all the games are not available but the highlights were Islay upsetting Mannville placing the two teams together in the standing.

In the Foresters vs B.C. game Pitcher Murray Ross rapped a grand slam home run ball completely out of the park, not satisfied with this he cracked out a 3 bagger, driving in two more runs.

At Islay on Wednesday the game was a battle down to the last inning, when, leading 4 runs to 3, the Elks ran in four more runs to clinch the victory.

Double fare for the ball fans in Vermilion this Friday night at 6:30, Mannville playing the Elks while Islay take on the Foresters.

Everybody turn out and treat yourselves to some real ball. It's fun!

HALF WAY STANDINGS

Team	P	W	L	Tied	%
Foresters	4	3	1	0	.750
Elks	4	3	1	0	.750
Mannville	4	2	2	0	.500
Islay	4	2	2	0	.500
Buff. Coulee	4	0	4	0	.000

Road Tips

By "ROAD KNIGHTS"

Observe road signs, pavement markings and signals. They have a definite purpose — to PREVENT ACCIDENTS.

KEEP OUT OF THE WAY!

The extraordinarily fast time made by the brigade in answering fire calls was again demonstrated Tuesday when their prompt response was directly responsible for preventing a heavy fire loss.

The fire demonstrated something else besides an efficient fast acting fire brigade. It showed an entire disregard by the public generally in keeping out of the way of the brigade at the scene of the fire. In fact the firemen were hindered whenever they had to return to the fire trucks for equipment or move hose, as the crowd was gathered around and were very much in the way. The nature of the fire itself did not keep the crowd at a distance and many curious individuals just couldn't keep from getting as close to the burning building as possible.

Next time — don't get in the firemen's way, keep clear of the fire trucks and don't get mixed up in the hoses.

You can be a big help by just watching well back out of the way.

ALL THE WORLD LOVES A WINNER—

The old adage that all the world loves a winner is being borne out in Alberta political circles with the announcement that the rejuvenated Conservative party will hold a convention to select a provincial leader sometime this summer. No less than five aspirants for the position have already thrown their hats into the contest. This is in contrast to the Liberals where so far no one seems interested in succeeding the present leader J. Harper Prowse who announced his forthcoming retirement a short time ago.

Of Many Things . .

By AMBROSE HILLS

38 CENT SLUMP

I'm a great believer in advertising, so perhaps I've grabbed at this story because it proves my point.

Alan Donnahoe, a tough-minded newspaper man, took a sharp look at the business slump in the United States (the same one that has been reflected here) and boiled it down to figures we can all understand.

Consumer spending dropped a billion dollars. Sounds like a lot doesn't it? But when you shake it up and look at it, it means only 38 cents per family per week. American families tightened their purse strings to that extent and stores quickly began to liquidate their inventories. Americans weren't tightening purse strings because they didn't have the money — they were adding to their net savings at the rate of 20 billions a year.

What is needed, then, to start things humming again in the U. S. A. and Canada?

Very simple says Donnahoe. If every family starts to spend at the old rate again — another 38 cents per week — we're off and running.

Now this may be an oversimplification of the problem. Simple or not, it makes a great deal of sense. And it presents a challenge to those who are in the business of advertising — whether buying it, selling it or writing it.

I visited a small Manitoba town the other day where business is humming. This town, Steinbach, hasn't a very large population but it has all the zip and zest of a city. Store fronts are bright, there are smart advertising signs everywhere, and the local newspaper is full of clever advertising. I doubt that the merchants of Steinbach pay much attention to recession talk.

Advertising has helped this town, there is not a bit of doubt about that. Advertising can do wonders — I've seen it happen again and again. It bothers me when people who should know better treat advertising with disdain or attack it as "commercialism."

I believe it is time we all stopped advertising the so-called recession. Instead we should start to advertise our tremendous resources, our abundance of good things, and our faith in a big future for Canada. Gloom, lack of confidence and fear are the only things that can stop us. Confidence, good advertising and smart merchandising can keep the wheels spinning in any community. After all, it was only a 38 cent slump. Let's trade it in on a 50 cent boom.

HOW CAN I?

By ANNE ASHLEY

Q. How can I remove printing from cloth?

A. To remove the printing from flour and sugar bags, cover the bags with kerosene and let stand for 24 hours, drain, then cover with cold water, naptha soap cut up fine and allow to boil for 20 minutes. Then wash as usual. If necessary, repeat the operation.

Q. How can I make a key turn more easily in a door lock?

A.: Try dipping the key in oil, then lock and unlock the door a few times. It will soon turn smoothly. The same treatment can be given to an obstinate bolt.

Q. How can I remove warts?

A.: Castor oil, lemon juice or kerosene applied several times daily for a few days, will cause them to disappear. Applications of oil of cinnamon three times daily will remove them without soreness.

Q. How can I remove a rusty screw that is obstinate and will not move with an ordinary screw driver?

A.: Apply a heavy shower heated red hot, and hold it there until the screw is hot. Then use the screw driver and it will turn easily.

Q.: How should new pots and pans be treated before using?

A.: Always grease new pans, stoves and bread pans with lard before using them, and place in a warm oven. If treated in this way they will never rust.

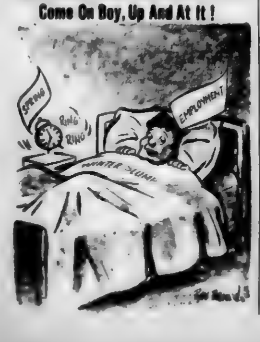
Q.: How can I prevent a bruise from becoming discolored?

A. It is claimed that if a bruise is rubbed with butter as soon as the bump occurs, it will seldom become discolored.

Q. How can I test the hair to find out if it is healthy?

A. Healthy hair is always elastic, and this can be tested by pulling a single hair from the head, wrapping each end around an index finger and stretching it. If it stretches from one-half to one inch, it is healthy.

Come On Boy, Up And At It!



THE Homemaker

EMMA H. CRANE
District Home Economist
Wainwright, Alta.

If you don't already have an electric floor polisher but hope someday to own one, then these suggestions are for you—

Selection of floor polisher

1. It should be easy to control and not inclined to run away from you.

2. It should be designed so that it can be operated close to corners and walls.

3. Some are noisier than others — this is a minor factor.

4. The handle should be convenient and well balanced.

5. Buffing pads and any other pads should be easy to fasten and remove.

6. As a general rule, heavier machines do a better job of polishing; the lighter on the other hand might be more serviceable if much carrying of the machine is necessary.

7. Three brush machines will do a faster job in polishing, but unless exceptionally large areas are to be done, they are not practical. They are more difficult to manoeuvre around furniture and into corners than the two-brush machine. It is generally recommended that the three brush polisher be used commercially and the two brush machine domestically.

8. It is always wise to purchase a polisher made by a reliable manufacturer so you can always be sure of service and repairs.

USE OF FLOOR POLISHER

Floor polishers are often used for applying wax as well as polishing. Special application pads are available for this task, but results are not as good as when wax is applied by hand. Using the polisher you usually get an uneven application, heavy at first and thinner as you go along. The polisher can be used for cleaning and removing old wax from the floor — by the use of steel wool pads (usually purchased extra) and solvent. How often this is done will depend on the amount of traffic through the room. A hardwood floor would not need so thorough a cleaning more than twice a year. Solvent should not be used on rubber tile or asphalt coverings, but is especially successful on wood and can be used on regular linoleums.

Road Hazard

Clandonald, Alta.,
May 19th, 1958.

The Editor,
The Vermilion Standard.

Dear Sir:

We drove up to Lea Park yesterday to see the new bridge. While there we drove over the road on which the old bridge over the Vermilion River used to be but which bridge has now been removed. Imagine our horror to find the road open right to the edge of the river with nothing to warn or prevent cars from plunging straight over the bank into the river. This would result in death or injury to the passengers. Whoever is responsible for this hazardous condition should do something about it before a serious accident occurs. Dozens of people picnic around the river at Lea Park every Sunday.

Mrs. Opal Cooper.

More than forty-four thousand new motor vehicles were sold in Alberta in 1957.

Council Issues Permits For Nine New Residences

The regular meeting of the Council, Town of Vermilion, was held on Monday, May 5th with Mayor M. Hill and Crs. Cooper, Locke, McCormick, Rowe, Sutherland, Thompson present.

Alberta Mountain Range Named In Honor of Sir Winston Churchill

A photograph of a rugged range of mountain peaks in Jasper National Park named in October 1956 in honor of world famous statesman Sir Winston Churchill has been presented to Sir Winston by the Province of Alberta.

The Sir Winston Churchill Range covers an area of 200 sq. miles immediately to the south of the Queen Elizabeth ranges. It is bounded on the south by the Columbia Icefield, on the east by the Sunwapta River and on the west by the Athabaska River. [illegible] in the range [illegible] feet in height and are perpetually snow-capped.

In a letter of presentation, Hon. E.C. Manning, Premier of the Province of Alberta expressed the hope that Mr. Churchill one day would be able to visit the province and personally view the mountains that bear his [illegible]

Partial text of the Premier's letter reads:

'It is with the greatest pleasure that the people and government of Alberta learned that some of the most beautiful scenery within the Province is to be associated for all time with your illustrious name. Indeed it was on the urging of the Geographic Board of Alberta that the Canadian Board on Geographical Names took action in this matter. We hope that some day it may be possible for you to visit this Province and see the mountains which bear your name. In the meantime we shall feel honored if you will accept this photograph which conveys some impression of their surpassing beauty.'

New Railiner Services On Canadian National Railways Go Into Effect Sunday, June 1st

WINNIPEG — A new network of Canadian National Railways Railiner operations, connecting various centres in Saskatchewan and Alberta, will be inaugurated early in June, J. R. McMillan, western region, announced here today.

Designed to link with Railiner runs now in operation, four new services will be established between Saskatoon and North Battleford: North Battleford and Edmonton via Lloydminster, Vermilion and Vegreville: Edmonton and Drumheller: and between Edmonton and Grande Centre. With the exception of the Edmonton - Grande Centre run these new services are expected to begin on June 1. The Edmonton - Grande Centre service will start on June 5.

In addition to faster, more convenient schedules, passengers travelling to Edmonton from North Battleford, Lloydminster, Drumheller and Grande Centre will be able to make convenient connections there with C. N. R. Super Continentals, both eastbound and westbound.

These new services will be integrated with C. N. R. Railiner runs now being operated between Regina, Saskatoon and Prince Rupert.

Approximately four hours running time will be saved on the new railiner run between North Battleford and Edmonton via Vermilion. The Railiner will leave North Battleford daily at 7 a.m., Vermilion at 9:33 a.m. and arrive in Edmonton at 12:15 p.m. noon. Eastbound, the Railiner leaves Edmonton daily at 5:30 p.m., Vermilion at 8 p.m. and arrive at North Battleford at 10:16 p.m.

The new Railiner service between Edmonton and Drumheller via Stettler, will operate daily except Sunday. Departure from Edmonton is scheduled for 5:00 p.m. with arrival in Drumheller at 9:20 p.m. In the opposite direction, the Railiner will leave Drumheller at 6:30 a.m., Stettler at 10:22 a.m. and arrive in Edmonton at 1:20 p.m.

Between Edmonton and Grande Centre, the new Railiner schedule calls for departure from Edmonton daily except Saturday at 5:40 p.m., arriving at Grande Centre 10:15 p.m. The Railiner will leave Grande Centre daily except Sunday at 7:00 a.m., and arrive in Edmonton at 11:30 a.m.

All times mentioned are Standard time.

NEWS from KITSCOTY

Mrs. G. Potter of Edmonton has spent the past week here visiting with her son and daughter-in-law, Mr. and Mrs. J.C. Potter and with her granddaughter Mrs. Ralph Gray (Jean) and the family.

Mrs. and Mrs. Chris Cairns Jr., and family of Edmonton visited here during the long holiday week end with Leota's folks, Mr. and Mrs. C. N. Gray.

Miss Marion Wutherick of Vegreville spent the long week end here visiting with Miss Margaret Miles.

Mr. and Mrs. Reg Kay and family enjoyed the long holiday week end at Elk Island Park.

Mr. and Mrs. J. McCorry spent the long week end in Edmonton.

Dr and Mrs. J. Speelman and family of Lethbridge were guests for the week end at the home of their parents, Mr and Mrs. L. E. Speelman.

Miss Marian Inglis, district home economist, Lacombe, visited here with her parents Mr. and Mrs. J G. Inglis over the long week end.

Mr. and Mrs. R. Milligan and Robert and Miss Arlene Joy, all of Edmonton were holiday week end visitors at the home of Mr. and Mrs. Henry Joy in the Kinnaird district.

We are pleased to report that Mrs. J. Christensen is home from an Edmonton hospital and feeling somewhat better.

Best wishes for a speedy and complete recovery are extended to little Miss Brenda Mitchell and Mr Gordon Blake who are patients in the Lloydminster hospital.

Mr and Mrs R. D Trask and Neta attended the Kent - Whiteside wedding in Dewberry on the 19th of May.

Miss Sylvia Sheppard, Edmonton visited here for the week end with her parents, Mr. and Mrs. C. H. Sheppard Donna and Pat.

Mr Albert Lang, who has completed his 3rd year in medicine at the U. of A in Edmonton was a long week end visitor with his mother, Mrs. W Lang and Judy.

Mrs Elsie Batty is attending the musical festival in Edmonton this week. Her pupil, Miss Patsy Hobart of Lloydminster is competing in the vocal classes.

Rev O C Seward, Mrs Seward and family of Bentley are visiting here at present with their parents Mr and Mrs F O Seward.

Mr and Mrs Ken Gray and family opened their summer cottage at Cold Lake during the long holiday week end.

Mr and Mrs. E. Cattapan and the boys of Edmonton are visiting at present with Muriel's parents, Mr and Mrs Arthur Hale.

Mr M K McDonald is in Edmonton at present visiting with his son Norman, Mrs McDonald and granddaughter Norma.

Mr Ted Joy received the sad news last Friday that his brother Mr H Joy of Chilliwack, B.C. had passed away after a lengthy illness. Sincere sympathy is extended to Mr. and Mrs. Joy and family in their bereavement.

Congratulations are extended to the Kitscoty ladies' fastball team, coached by Miss Pat Tyler, who won first prize at the Vermilion Victoria Day holiday sports on May 19th.

Sixteen Years Ago

MAY 20th, 1942

Dr. Clive Stephens has enlisted in the Canadian Army Medical Corps and left on Sunday night for Edmonton where he will remain until June. From there he will go to Camp Borden for six weeks training leading to his commission of Captain.

During the time he is away Mrs. Stephens and the two children will remain in Vermilion.

The heaviest May frost in the history of the district was registered here last Thursday night and Friday morning when the temperature sank to 10 above zero, 22 degrees of frost. As a result wheat crops were frozen to the ground in many cases and barley which has not the recuperating power of wheat suffered greatly also. Gardens were badly hit and some things will have to be re-seeded. The blossoms were also damaged on saskatoon bushes etc.

A large number of Tiger Moth training planes are now making the Vermilion airfield a regular stopping place and as many as four of them have been lined up on the field at one time. They refuel and spend considerable time in the air above and about the town and some really fine displays of plain and fancy flying are given the populace practically daily.

32 Years Ago

MAY 20th, 1926

Mr and Mrs. Peter Miller and little daughter Alice left for Vancouver where the latter two will spend the summer.

30 more families have arrived for the Clandonald colony and this about completes the settlement.

A heavy downpour of rain fell generally over the country on Wednesday following several showers during the week.

48 YEARS AGO

MAY 19th, 1910

The council are planning to plant several thousand trees in the park made up of hardy varieties obtained from the Brandon nurseries.

Wildmere is the name of the new Post Office located on the George Wilson place [illegible]

[illegible] Bradshaw's new steam [illegible] outfit has been engaged [illegible] Larson's half section.

[illegible] of John Grainger on [illegible] aged 71 years took place [illegible] Friday as a result of falling off a load of hay and being run over. The funeral was held at the home of his daughter Mrs. Donald Anderson.

GREENLAWN Goodwill Club

There were five visitors and twenty-two members gathered at the home of Mrs. G. Lumley the evening of May 14 to hear Dr. Walgerinck give first aid instructions and Mrs. Eaton on Red Cross. Both talks were very helpful after which a short question period was answered.

A committee volunteered to go to Heinsburg on May 26 to get information on Red Cross work and water safety. Report to be given at the June meeting.

Mrs. Bob Grey was the winner of the crazy patch quilt and Mrs. McGowan the door prize.

The June meeting will be at the home of Mrs. Max Madden.

A small amount of sewing was taken by a few of the members to be returned to Mrs. Eaton within three months time.

The hostess and her daughter in law served a lovely lunch at the close of the meeting.

One thing can be said for people who live in the past. They can do it cheaper.

To reach the front many a man has to be kicked in the rear.

Let's Keep Them Safe!

Check your Car . Check Accidents!

— in co-operation with the Canadian Highway Safety Conference.

REMEMBER . . .

Your car carries the most important people in the world . . . you and your family!

10 Point Safety Check

The following 10 point safety check procedure is recommended by the Canadian Highway Safety Conference for adoption by all motor vehicle dealers. Unless otherwise implied "check" entails a visual inspection to determine where corrective measures are needed:

BRAKES . . .
Master cylinder fluid level; Brake hydraulic system for external leaks; Foot and hand brake — reserve and stopping ability.

FRONT LIGHTS . . .
All front lights for operation; Aiming of headlights; Directional lights where applicable.

REAR LIGHTS . . .
All rear lights for operation; Directional lights where applicable.

STEERING . . .
Steering gear play; Steering linkage for wear; Front tires for evidence of misalignment; Spring and shock absorbers for condition.

TIRES . . .
Tread wear, cracks, air pressures.

EXHAUST SYSTEM . . .
Exhaust manifold pipes and mufflers for tightness and leaks.

GLASS . . .
Condition and, where applicable, operation of all glass.

Windshield Wipers . . .
Condition of blades; Operation of motor; Windshield washer where applicable.

Rear View Mirrors . . .
Condition and mounting.

HORN . . .
Satisfactory operation.

YOUR FAMILY

Deserves your best efforts, which are numerous. One of the most important of these is their safety. If you plan on motoring trips this summer, bring your car in for a safey check and shift one of your efforts on us. If making your car safe may prove too costly, see Johnny or Lawrence about a better Used Car or a New Car.

Agricultural Society Dinner Is A Marked Success

The annual Dinner of the Vermilion Agricultural Society, held each year to start off the season's work of the society, was held on Thursday evening last, attended by a gathering that occupied every available seat in St. Saviour's Parish Hall.

Guests attending from outside of the Vermilion area were F. H. Newcombe, Director of Extension for the Provincial Dept. of Agriculture, L. P. Bromham, President of the Edmonton Exhibition Association, accompanied by Messrs. Jas. Madden and Robert Barr of the same organization, R. C. Golightly President and Russell A. Robertson, Secretary Manager of the Lloydminster Exhibition Association and R. J. Whitson, M. L. A. for the Vermilion Provincial constituency. His worship Mayor Melvin Hill brought greetings from the Town of Vermilion in his usual fitting manner.

Orton A. Strome, President of the Vermilion Society was chairman for the evening and the programme was highlighted by an address delivered by Dr. Kenneth Prior of Edmonton and for the past thirty years an agricultural missionary in Africa. Dr. Prior, who is a former student of the Vermilion School of Agriculture, spoke at some length on his experiences among African peoples in Angola and Nigeria and the seriously thought provoking address was extremely well received by the large gathering who were convinced, on conclusion of the address, that they were very fortunate people indeed and living in a virtual paradise in comparison with many of those whose lives were described by the speaker.

Dr. Prior was accompanied to Vermilion by his wife who has also served for a lengthy period as a missionary and it is significant to note both were awarded LL.D degrees by the University of Alberta several years ago in token of the splendid contribution made to the welfare of those they served so faithfully while ministering in Africa. Also accompanying Dr. Prior were Mr. and Mrs. J. W. Findlay who are shortly to leave for Korea, where they will undertake missionary work as representatives of the United Church of Canada.

ACHIEVEMENTS RECOGNIZED

A further feature of the programme was the well-earned tribute paid by R. Gordon Ross, Vice President of the Society to Keith Barr and Betty Robinson, youthful Vermilion exhibitors of livestock who won the Grand Championship and Reserve Grand Championship with their calves at the Edmonton Spring Show in March; the two were also prominent in the calf judging competition in Edmonton, Keith being declared winner and Betty being runner-up. Mr. Ross spoke in praise of the efforts of these two people who have been consistent in their winnings of the higher awards for several years past; he also mentioned others from the Vermilion area who have been prominent in their success in the exhibition of purebred livestock.

In addition to the outstanding record established by Keith Barr and Betty Robinson, Mr. Ross called attention to others from the district who have achieved unusual success in exhibition circles at local, provincial and country wide level. Some who were cited by Mr. Ross were other members of the Robinson and Barr families, Bryden Bros., Wm. R. Cornish and Ernest E. Prill of Mannville, Homer Campbell and Simonet Bros., of Clandonald, Gilbert Creech of Wainwright together with J. S. and Wm. E. Cross, J. C. Tucker, Hugh Stewart, M. and J. Ilchak, the MacMillan Bros., Willes Bros., H. J. Warrilow & Sons and others as having at various times brought honor to the Vermilion district.

TROPHIES DISPLAYED

Keith Barr, son of Mr. and Mrs. Manson Barr, responded on behalf of himself and Betty Robinson and fittingly acknowledged the tributes paid to them. A fine display of trophies, banners and ribbons shown in the hall was, in itself, evidence of achievement of which the entire district may be proud.

Mr. E. H. Buckingham, District Agriculturist introduced Mr. F. H. Newcombe who attended the dinner representing the Department of Agriculture and each spoke briefly particularly referring to a large number of younger farmers and their wives who were guests of the Society at the dinner and who have for some time been engaged in the Farm and Home Improvement Project fostered by the Society.

Others addresing the gathering were Messrs. Bromham and Golightly, while the speaker of the evening was introduced by S. C. Heckbert, manager of the Society and the thanks of the gathering conveyed to Dr. Prior by J. S. Cross, prominent Hereford breeder and for many years a director of the Society.

It is significant that every exhibitor whose name was mentioned as having won country wide prominence is, at the present time, or has, in the past, been a member of the Board of Directors of the Vermilion Agricultural Society.

MUSICAL PROGRAM

Mr. D. C. Folk, with Mrs. A. West at the piano, conducted community singing during the program; Miss Margaret Goodwin, gifted young soloist, accompanied by Mrs. Kells Minchin, rendered two solos which met with enthusiastic reception. Miss Goodwin has been more than generous in the past in assisting the Society in their programmes and her efforts, as well as [redacted] of [redacted] contributed are deeply appreciated.

MANY FIELDS OF ACTIVITY

Favorable comment in respect of the entire programme has since been heard of the affair and the plans of the Society for the coming year are well on their way. The work of the Society includes, in addition to the annual three day Fair, a farm young peoples' summer camp, the girls' section of which is already completely filled for this year, the Farm and Home Improvement Project, and the annual sale of purebred beef cattle and hogs, scheduled for Nov. 14, 1958. The Society sponsors the show and sale of the Vermilion, Mannville and Derwent Calf Clubs, held on the first day of the fair each year and conducts a short course for farmers and their wives during the month of March. The Vermilion Society is said to be one of the most active organizations of its kind in the whole of Canada and such success as has been attained is due, in large measure, to the generous public support accorded its work.

Bowling

The Rotary Club of Vermilion is attempting to learn if there are any men residing in Vermilion or adjacent area who would be interested in lawn bowling.

If sufficient interest is shown, attempts will be made to re-open the green at the C.N.R.

If you wish to play or have any equipment available please get in touch with the secretary of the club, Jim Pobson, Ash Cooper, Bill Sutherland or Reg Mitchell.

Mannville Group Picnics At The Vermilion Park

MANNVILLE. — With their leader Joan Lugg, and transported [redacted] kindly by Kay Sutton [redacted] Elsie Barlow, on Monday [redacted] this week, the G.A. of the Angli[redacted] church went for a picnic to Vermilion Park. Picnic fare was on the menu, so hot dogs, salad, buns and cold drinks, not forgetting toasted marshmallows, were all very popular. Fifteen girls were present. The only drawback to the whole affair was that the time went all too quickly, and the water being too cold to go swimming. However fun was had in watching the water skiers and in just browsing about. It is hoped to have another party in the near future when the water is warm enough for swimming.

$1550.00 Offered In Cash Prizes At Bingo

A grand prize of $1000, and 11 prizes of $50 each will go to the lucky winners at a bingo to be held in the Vermilion arena on Saturday, May 31st commencing at 9:15 p.m. This is being sponsored by the Vermilion Curling club. Keep this date open as one thousand bucks is big money to almost all of us these days.
45-6

Junior Red Cross Give A Helping Hand To Unfortunates

Pennies, nickles and dimes, collected by members of Junior Red Cross in Alberta schools, have brought health and laughter into the life of 7-year-old Betty Hunt. The pretty blonde daughter of Mr. and Mrs. Ed Hunt of Island Lake, Man., recently underwent a delicate operation to close a hole the size of a quarter between the two lower chambers of her heart. But for the miracle surgery which was financed by Junior Red Cross members, Betty's young life would have ended in a few years.

The little girl was born with the heart condition and throughout her young life her father, a flying missionary, has sought a cure. Three years ago Betty went to Toronto seeking help for her condition but was told that nothing could be done. Last year word of the work being accomplished in heart surgery at the University Hospital in Edmonton reached the Hunts and they made enquiries on the possibility of an operation for Betty. They found the operation could be performed but that the cost of such surgery was more than they [redacted] afford.

PAY [redacted] OPERATION

Then the story reached [redacted] Cross and its Junior members, enrolled in classrooms throughout [redacted], [redacted] to aid the stricken little girl. They sold cookies at H. & S. meetings, served milk and hot lunches to fellow students, sponsored fish ponds and [redacted] concerts and sold safety calendars among other projects to raise funds for Betty's operation. Possibly unknown to the little girl she [redacted] had the Red Cross Blood Transfusion service behind her in her fight for recovery for Red [redacted] enlisted donors and provided the 15 pints of blood required for Betty's operation.

The case of Betty Hunt is a vivid illustration of what Junior Red Cross does to promote good health. During 1957 members of this Red Cross youth organization in A[redacted] raised $11,746 for the [redacted] of handicapped children in the province and contributed supplies, toys and school equipment valued at $5,552 for use in other countries. Betty Hunt is the second patient to be helped by Red Cross Juniors who in the past year gave close to $1900 to pay for heart surgery for Dolly Ann Morrow of Munson, Alta. Dolly, a blue baby, underwent the first operation of its kind in Canada to correct two defects in her heart.

Red Cross Juniors are not solely [redacted] with money-raising projects however. As members of a world-wide youth organization they work to promote good health, good citizenship and international understanding.

WILDMERE WINKS

Seeding is going ahead and most farmers are seeding oats and barley now. The high winds last week did quite a bit of soil drifting throughout the country. Rain is needed real soon to give the grain an even start.

Everyone was sorry to hear of Teddy Filipkowski being hurt by an angry bull he was leading. All wish him a speedy recovery. A bee is to be held Thursday of this week to put in his crop.

On Sunday Mr. and Mrs. Geo. Richardson and Karen of Vermilion and Mr. and Mrs. Joe Summers of Edmonton were visitors on Sunday evening at the Wallington home. All truly enjoyed having these folks and do hope they again wander out this way.

Lewis Alexander of the Battleview district is on the sick list at present having suffered a ruptured stomach ulcer. All hope he is soon feeling much better.

There were not many out to church Sunday evening. It is to be hoped when the big rush of work is over more will find time to come out to the services. The church season soon slips by folks.

Anne Garnett is home for a few days this week. She reports her mother is coming [redacted] nicely since her operation on May 12th in the Royal Alex hospital. Hope to see you home soon Mrs. Garnett.

The writer and husband attended the stock car racing Monday afternoon in Vermilion. It was a grand day — except for the dust! A large crowd was in attendance at both the races and the softball tourney.

We wish to congratulate Dr. Robert Morrison who graduated as a medical doctor Friday last and Miss Connie Harle on her graduating as a nurse. Both of these fine young people were born and raised near Vermilion.

Had a nice chat with Doreen Stone who is now nursing in Saskatoon, and at present home for a few days.

Said hello to Mrs. Herman Eyben but sorry we did not see you later Jenny. Maybe we will yet before you go back.

Gary Cruthers and Bobby Graham of Wildmere were city visitors, also attended a wedding at Edson last Saturday.

Ian Clark who works at the refinery at Wainwright, called for a short visit at the Wallington home Sunday afternoon.

Mrs. H. Leighton, teacher at Preston Central, visited her husband in the University hospital over the week end.

SECOND HAND

The things that come to the man who waits seldom turn out to be what he was waiting for.

Visitors to national parks and reserves in Alberta last year increased by nearly eighteen per cent over 1956.

The Jolly Jumper Baby Developer

The Jolly Jumper is a scientifically designed developer and exerciser for infants from 4 months to two years. It is the ONLY DEVICE OF ITS KIND. It provides proper back support for the baby while at the same time giving it complete freedom to exercise all its limbs and muscles.

Although there has been 35 years of experimentation behind the Jolly Jumper, considerable research was undertaken before marketing, to ensure that the product would give the utmost service and protection. The rubber extender which provides the motion, is of special formulae. It combines sensitive elasticity with great strength. The metal snaps and couplings are chromed to prevent tarnish or rust. The soft comfortable saddle piece is of special heavy sanforized surgical duck and is specially designed to fit the contours of the baby's body without chafing. The saddle will take endless washing and will not become lumpy or mat. A removable plastic cover gives added sanitary protection. The nylon suspension cords, also washable, will withstand more than 200 lbs.

The Jolly Jumper provides—

- A tireless and inexpensive nursemaid.
- 700 hours of exercise for your baby in its first year.
- 700 hours of freedom for the Mother.
- Your baby cannot fall out or get injured. Absolutely safe.
- Your baby is out of draughts, out of dirt, and out of danger.
- Your baby cannot over exercise in the Jumper.
- The Jumper automatically adjusts to the demands of your baby.
- Completely protects and supports your baby's spinal column.
- Accepted by hospitals.
- Helpful for retarded children.
- Can be used anywhere — indoors or outdoors.
- What to do with baby at the cottage or on a picnic is no longer a problem with a Jolly Jumper.
- Greatest single advance in scientific baby care since the development of modern baby foods.

When a purchase is made for twins, the manufacturers allow the store to give one Jumper FREE against one sale. Purchaser's receipt is required for credit.

HEALTH HORIZONS

Yes, Your Child Will Eat!

How to stimulate the appetite while restraining the activity of a child before mealtime is a problem faced by many parents. Worried about their fussy, finicky eaters not receiving enough nourishment or gaining enough weight, parents tend to force-feed youngsters — with most unsatisfactory results.

Physicians, who have studied this ever-present problem, offer some mealtime suggestions and a new multi-vitamin preparation that may be helpful:

- Give adequate warning before mealtime so the youngster is not interrupted while playing at an interesting game.
- The "let them eat cake" routine is out. All empty calories from added sweets—jellies, jams, pies, honey, cookies, syrup — are taboo.
- Between meal eating should be minimized and consist only of small quantities of both interesting and nourishing foods.
- Don't let him get overtired before a meal; plan a brief rest period or ask him to help serve.
- Before mealtimes the use of Somatozyme Liquid, a multi-vitamin formulation is suggested by some physicians. Somatozyme is specifically designed to stimulate appetite and promote growth among finicky eaters.
- At the table, no pressure, please. Don't threaten, tease, bribe or nag the youngster to eat. Mealtimes should be relaxed and patient.
- Allow the child to eat as much as he wants. Don't overestimate his capacity or believe he should eat the same quantity every day. Allow him some say in selection of food.

The above suggestions are not guarantees, but if applied with love and patience should help to develop better eating habits.

C.O.F. BINGO in the Legion Hall at 8:30 p.m. 10c a game $810 jackpot **Saturday, May 24**

Dr. Andrew Cairns Dies In Airplane Crash In India

Dr. Andrew [redacted] who grew up at Islay, Alberta, attended the Vermilion School of Agriculture and subsequently the University of Alberta, was killed in a plane crash in India near the New Delhi airport.

Dr. Cairns had become world-famous and had held a multitude of positions with such organizations such as UNRRA, the UN Food and Agricultural Organization and the International Federation of Agricultural Producers.

He is survived by his wife, a son and a daughter. Their home is at Scarsdale, New York.

CLANDONALD THEATRE

Showing at the Clandonald hall this week end, a good drama "I'll Cry Tomorrow" starring Susan Hayward. Adult entertainment; May 30th and 31st "Along Came Jones" an outdoor western starring Gary Cooper and Loretta Young.

Freight Train Over Mile Long Here Last Sunday

The longest freight train ever to pull into the Vermilion railroad yards did so on Sunday, May 11th at 5 p.m. and after changing crews pulled out for Edmonton at 5:20 p.m.

The train was made up at North Battleford and was pulled by four diesel engines and contained a total of 141 box cars. Some 71 of the cars were filled with grain, 2 cars contained other freight and 68 were empties. All together the train weighed 7,958 tons and was approximately 1½ miles long.

It's amazing the number of things one can remember having forgotten.

APPRECIATION

I wish to publicly thank the Vermilion Fire Brigade for their prompt response to the fire alarm, and for the efficient control of the fire at the Vermilion Beverages Plant on Tuesday afternoon. There is no doubt but that their efficiency prevented a major fire loss.

LOCAL NEWS

WILL TAKE IN RACE AT INDIANAPOLIS

Earl Pollard and Mrs. Pollard leave this week end for Indianapolis where they will attend the 500-mile car classic at the speedway there. The event takes place on Memorial Day in the U.S., May 30th. Earl is one of Vermilion's most successful stock car drivers.

Mr. and Mrs. Art Burdett and three little girls of North Battleford were visitors at the home of the former's parents, Mr. and Mrs. Sid Burdett over the holiday week end. Visitors at the same home were son George and a friend from Namao air base and Bill Martin from Cold Lake air base.

Guests at the home of Mr. and Mrs. Mac Si[redacted] the long week end were their daughter and family, Mr. and Mrs. Bob Hite and two children, daughter Alice all from Edmonton, and Bill Zabatos of Wainwright.

At the Norman Armstrong home for Mother's Day were daughter Joyce and husband, Mr. and Mrs. Jim Maciborski from Vegreville, and son Ray from Consort. Ray has spent the past week at home getting in some work on the land.

Mr. and Mrs. E. Sneigrove from Mission, B. C. were in town for a short visit during the past week to see the former's mother, Mrs. S. Sneigrove and other members of the family here. They were on their way to Ontario taking with them a deluxe house trailer.

Mr. and Mrs. Max Kirkpatrick and boys from Saskatoon spent Sunday and Monday visiting at the home of Mrs. Kirkpatrick's sister and husband, Mr. and Mrs. E. Holdsworth of Vermilion.

Mr. and Mrs. E. A. Locke attended the University Convocation last Friday and then motored to Calgary on Saturday where they spent the week end.

Mr. and Mrs. Vernon H. Cooper motored to Calgary over the holiday week end where they visited daughter Beverley (Mrs. Montgomery) and family, and saw their little granddaughter Dianne Susan, born Dec. 31st, for the first time. On the return journey a side trip was made to Alder Flats where they spent a few hours with daughter Joanne, Mr. and Mrs. Allan Gannon and family.

Mr. Arthur Elliott, principal of the high school at Ft. Saskatchewan, spent the holiday week end with his father Mr. A. W. Elliott in Vermilion. Art who ranked high in athletic ranks when attending high school in Vermilion, was an interested spectator at the fastball tournament on Monday.

The movie camera raffled by the Kinsmen was won by Mr. A. T. Morgan of Lloydminster.

RED SHIELD Tag Day, May 24

Mr. and Mrs. Alex Morrison accompanied by son Jack and Mrs. Morrison, all of the Bowtell district, attended convocation at the University of Alberta on May 16th where their son Bob received his Doctor of Medicine degree.

Mrs. Kay Shattuck left this week for Spokane to attend the commencement exercises at Holy Names College, Spokane, Wash. Her daughter Ileen is graduating with the degree of Bachelor of Arts in Home Economics.

Mr. and Mrs. Tom Stack, daughter Marjorie and girl friend Diane of Redwater, were visitors in town over the holiday week end, at the Elliott, Urquhart and Cooper homes.

Mr. and Mrs. Mike Kupin and son Russell were visitors at the home of Mrs. Kupin's mother at Glaslyn and other points in Saskatchewan over the Victoria Day week end.

Mr. and Mrs. Albert Miller and little son Miles were holiday week end visitors to relatives in the Lacombe district.

R. B. Spencer of Barrhead spent the holiday week end visiting at the home of Mr. and Mrs. Tom Watts and Mrs. Spencer.

DEWBERRY — Congratulations are extended to Mr. and Mrs. Jim Kent (nee Marilyn Whiteside) who were married on Monday, May 19th in the United Church at Dewberry.

Mr. and Mrs. Herman Eyben of Cloverdale, B.C., arrived by CN last Thursday and are visiting the former's mother Mrs. A. Carlson and other members of the family in town and district.

Mr. and Mrs. E. Rooks spent the Victoria Day week end visiting their daughter Florence at Calgary. While there a side trip to Banff was enjoyed.

Mr. and Mrs. E. Martyn of Edmonton were guests for the week end at the home of the latter's parents, Mr. and Mrs. J. W. Waldenberger.

Mrs. Ivor Larsen spent an enjoyable three weeks' holiday with her daughter Gladys in Edmonton, Mr. and Mrs. Floyd Taylor and family of Calgary, and relatives in the Ponoka district.

Mr. and Mrs. Ed Lippert and family from Red Deer spent the long week end visiting friends in the Bowtell district.

NOTICE

The offices of Dr. R. A. Lynn, Dentist, will be closed from noon on Saturday May 31 for that day only.
45-6

CARD OF THANKS

I wish to sincerely thank Dr. Evans, the nurses and staff of the Vermilion hospital, for their very kind care and attention I received while a patient there. I would also like to thank all my friends who visited me and sent cards. It was all very much appreciated.

Jack McLaughlin

CARD OF THANKS

I wish to extend my sincere thanks to all the kind people who thoughtfully sent cards, flowers, letters and gifts while I was confined to hospital. Thanks also to Drs. King, Stephens and Evans, the matron and nursing staff of Vermilion hospital.

Sincerely,
Mary Upshall

CARD OF THANKS

We would like to thank our friends and neighbors who so thoughtfully came and put in our garden and for the lovely lunch they provided. Thanks again everybody.

Joe and Marjorie Thompson

CARD OF THANKS

I would like to thank Dr. King, Dr. Evans and Dr. Stephens, the matron, nurses and staff of Vermilion hospital, also thank you to the special nurses [redacted] and Mrs. Sweeney for their good care. Thanks for the nice cards and for all the visits while I was in hospital.

Mrs. J. F. Thompson

Mrs. Kozoway of Derwent Passes Away May 19th

Mrs. Sophie Kozoway of Derwent, aged 83 years, passed away at the Myrnam hospital on May 19th. Funeral services will be held on Friday May 23 at 10 o'clock a.m. in the Fidelity Greek Catholic cemetery. Interment will follow in the church cemetery.

Mrs. Kozoway is survived by four sons and four daughters. Elliam Wasylik, Powell River, B. C.; Nick Wasylik, Vermilion; Steve Wasylik, Edmonton; Mike Wasylik, Derwent; Mrs. Leo Kurpil, Mannville; Mrs. Mike Lichak, Innisfree; Mrs. Steve Proskiw, Myrnam; Mrs. Wm. Tuleck, Mannville. There are twenty-nine grandchildren and 19 great grandchildren.

Moyer's Funeral Home is in charge of arrangements.

Cubs Present May Baskets

The two cub packs of Vermilion got together and made up May baskets to deliver to elderly shut-ins. Some 30 of these baskets were delivered on May 1. This idea was started last year and as it is so much appreciated by the elderly folks, it will become an annual event.

Win Opening Golf Tournament

Mrs. Madeline Edey and Dr. Stephens won the mixed two-ball foursome which heralded the opening of the golf season here on Sunday. They played the course with the very good score of 47. A large number took part during the day, many bringing picnic lunches. During the evening Milo Fleming showed a golf film and other shorts in the club house. The present enthusiasm being shown augurs well for a successful season.

June Bride Honored At Shower

On the evening of May 3, Miss Donna Rae Harrison assisted by her mother, Mrs. Don Harrison, held a surprise shower at their home for Miss Marion Lee, whose marriage takes place in June.

Confetti-filled balloons showered Marion as she entered the room to be seated under a canopy of bells and streamers.

After several games of bingo, Marion was presented with a trunk full of lovely miscellaneous gifts. Two tiny tots, Sherry Engelking and Chrissie Mayowski assisted Marion in opening the gifts. Marion charmingly thanked each of the twenty-one guests for her presents.

Following the opening of the gifts a delicious lunch was served.

HOW CAN I?

By ANNE ASHLEY

Q.: How can I tighten a nail that is loose in a plastered wall?

A.: Saturate a small piece of wadding with glue; wrap as much as possible around the nail and reinsert in hole, pressing in firmly. Remove excess glue with wet cloth. When dry, the nail will be rigid. Any chunk of loose plaster can be fastened in place with the glue.

Q.: How can I remove varnish from metal?

A.: Remove by dipping the article into equal parts of ammonia and alcohol.

Q.: How can I keep plants moist?

A.: Water-soaked newspapers twisted around the roots of the plants, against the dirt, will keep the plants moist.

Q.: How can I stop a small leak in a pan or bucket?

A.: Turn the receptacle upside down, cover the leak with a little powdered sulphur, heat an old knife blade until it is very hot and spread the sulphur around the leak.

Q.: How can I separate stamps that are stuck together?

A.: If they are stuck together or to a piece of paper, place a thin piece of paper over them and then run a hot iron over this paper, very lightly.

Q.: How can I remove odors from leather shoes?

A.: By cutting a raw potato into slices, placing the slices on waxed paper, and laying the waxed paper on the inside of the shoe. Wrap the shoes in heavy paper in order to keep them air-tight.

Time is money—as if you kill time, it and money are gone forever.

WOODVALE NOTES

On May 15th a good old tradition of the West was once again upheld when neighbors and friends of Harry Turner, who had been in hospital with pneumonia, gathered at his place and put in 180 acres of wheat, as Harry as yet cannot resume the dusty, heavy farm work. 14 men on tractors pulling various implements, completed the job in one day and two others came on Friday to work and seed 20 acres of barley and Roger Watt came back again early this week to complete some harrowing. Now Harry can concentrate on getting well and strong again, without worry about his grain crop.

We enjoyed seeing the slides Arnot Brown took in Vancouver when he was there for a trip with his wife and three youngest children early in April. He has some beautiful scenery, flowers and bird pictures.

May we remind readers who might have missed the notice in the Standard that there will be a Presbyterian Church service at the Tolland Center on May 25th at 11 a.m.

CUB & SCOUT MOTHERS TO MEET

A meeting of the Cub and Scout Mothers' Association will be held in the Scout hall on Monday May 26th at 8 p.m. Names of the winners of the lawn chairs will be drawn at this meeting.

McLAUGHLIN'S SELF-SERVE

Summer nightwear has taken gaily to the chemise look. This baby doll with the middy collar is in a cool blend of 65% 'Terylene' and 35% cotton which looks like cotton yet keeps its freshness and seldom needs ironing. The collar is trimmed with lace and the little skirt is permanently pleated.

Bowtell Bulletin

The May meeting of the Loafers' Lodge met at the Sherwood home with ten members and two visitors present. Mrs. B. Risdale and Mrs. Fisher Sr. Mrs. Caro, Mrs. Clarke and Mrs. D. Harrison were presented with a birthday gift each. Next meeting will be held at the home of Mrs. F. Robinson.

Janice Maggs stayed at the Knutson home during the time her mother underwent an operation in the Vermilion hospital.

We are sorry to learn that Mr. Hardie and Mrs. Evans are in hospital.

Mr. and Mrs. Robinson and family journeyed to Marshall on Sunday to visit Mr. and Mrs. Firth.

Hello Rose and Vic and Mrs. Risdale out at the Coast, we are having grand weather here; and Mrs. McClellan in Edmonton, the Saskatoons are blooming beautifully on your old farm.

Some sixteen enjoyed supper at the park Sunday. It is an ideal spot for any recreation.

Mr. and Mrs. B. Wells, Mr. and Mrs. Pulk, Les and Rena, were visitors Sunday at the home of the writer; we were also pleased to have our old friend Barney and Mr. and Mrs. Minard and family earlier in the week.

Mrs. Harrison's mother, Mrs. Wilson from the coast, is visiting at the Harrison home.

Congratulations to Lillian Simeniuk on her recent graduation as a nurse.

MARWAYNE

On Wednesday, 23 women of the O.O.R.P. travelled in 4 cars to attend the annual meeting of District 8 at Vegreville. There were 151 women present for the afternoon long meeting and banquet in the evening.

Also on Wednesday in a hard ball game the Marwayne Pony Team won over the Dewberry team by a score of 7 - 3 at Dewberry.

Congratulations to Mr. and Mrs. Mac Hancock, Mr. and Mrs. Herb Dustow and Mr. and Mrs. Harold Birkett (nee Bev Lowrie) on the birth of sons.

Mrs. J. Carson, Edmonton, is home from the hospital and able to get around again.

Mrs. J. Doull, we are sorry to report, is in the hospital again and is quite ill.

The Marwayne Boy Scouts have an Odd Job Service, so anyone having any odd jobs to do, contact the Scouts, they will be glad to do the job for you.

Sincere sympathy is extended to the Pinsent family in the sudden passing of their mother, Mrs. Pinsent in Edmonton. Service was held here in the United Church and burial was in the Marwayne cemetery.

Another old timer, resident of the Elgin district for many years, Mr. Henry Joy has passed away after a long illness at Chilliwack, B.C. Service will be held in the Anglican Church Marwayne on Wednesday and burial in the Tring cemetery. Sympathy goes to his daughter Mrs. Harold Jacobson and family.

Sympathy is also extended to Mrs. Bob Saville in the passing of her mother, Mrs. Janet Kerr in her 91st year in Vancouver. Mrs. Kerr was an old time resident of Mannville and had visited her daughter here several years ago, coming by plane.

Mr. Joe Hale has bought Mrs. Isert's house and our genial co-op manager and his wife, Mr. and Mrs. Saltzberry will reside in it.

Mrs. Isert has moved to her house on the farm in the Hazeldine district.

We are glad to see Mr. and Mrs. Phil Adamson back from their winter home in Calgary.

Some of those at their respective homes for the long week end were: Mr. and Mrs. John Ramsey, Mr. and Mrs. Herb Bobroski, Mr. and Mrs. Walter Bobroski, Mr. and Mrs. Art Bobroski, Marlene and her husband, Mr. and Mrs. Ken Atkinson, Mr. and Mrs. Dave Lowrie, Mr. and Mrs. Al Lowrie, Mr. and Mrs. Clive Rees, Charlie Dew and a friend and Afton Bades.

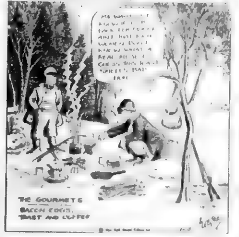
The Thrill That Comes Once in a Lifetime



THE GOURMET'S
BACON EGGS, TOAST AND COFFEE

Mannville and District Local News

Renewing acquaintances and visiting with friends last week end was Miss A. Bourassa, former Mannville school teacher. She came down for the graduation exercises on Friday evening.

•• • ••

Also attending the graduation exercises were Doug and Mae Burch of Edmonton guests of Doctor and Mrs. Hasinoff.

•• • ••

Weekend visitors to Mannville from Edmonton were Miss Barbara Arnold, Miss Norma McLuckie, Jim Croft and Howard McLuckie.

•• • ••

Guests of Mr. and Mrs. Ron Forsyth were Mrs. J.P. Forsyth senior, of Edmonton and E. Forsyth, Ron's brother from Banff.

•• • ••

A number of Mannville residents attended the wedding of Ruth Gamble in Edmonton on Saturday.

•• • ••

Gerald Allen, son of Mr. and Mrs. John Allen, is recuperating after a nasty tangle with dogs, suffering cuts and injuries to the face.

•• • ••

Mrs. A. Meece was a recent hospital patient but is now back in her home.

•• • ••

Sympathy of the Mannville district is extended to the family of the late Wm. Smith, an old timer of the Saltaux district until retirement from the farm.

•• • ••

Miss Doreen Gerhart has accepted a position in the local M. D. office in Mannville.

•• • ••

Sargeant and Mrs. J. Batt of Edmonton were down to the graduation exercises. Mrs. Batt is the former Neva Swain.

•• • ••

Telephone directories are available to the rural companies for 1958 at the telephone office and should be picked up within a month.

•• • ••

Mannville was pleased to welcome C. B. Swain from the west coast at Cloverdale B. C. when he arrived to attend the graduation exercises of his granddaughter Ruby Hawley.

•• • ••

A number of people en route to various points on holiday week end, called at the home of Rev. and Mrs. MacPherson at Fort Saskatchewan.

•• • ••

Jake Schock has been a patient in the Vermilion hospital recently, but is now home and recuperating from his illness.

Mrs. E. Barlow was a week end guest at the home of Mr. and Mrs. R. Lugg.

•• •• ••

First buffalo bean flowers of the season were brought to the writer by three small people, Daphne Hughes, Suzanne and Lorne Goshko.

•• •• ••

First buffalo bean flowers of the season were brought to the writer by three small people, Daphne Hughes, Suzanne and Lorne Goshko.

•• • ••

Rev. and Mrs. Harry Shell and family have taken up residence rain as topsoil of a light nature has been drifting and blowing badly.

•• •• ••

Sympathy of Mannville and district is also expressed to the family of the late Mr. Prior Sr., of Irma, who passed away recently.

•• • ••

Mr. and Mrs. L. Manz were on a fishing trip to Muriel Lake last week end.

•• • ••

Miss Bonnie Proudfoot is a patient in the local hospital for a few days.

If religion and politics are mixed together, religion is apt to lose its identity.

Karl Balzun Speaks At Rotary Meeting

Once again K. W. Balzun, engineer at the Canadian Utilities plant, spoke to the Vermilion Rotary Club. This time Mr. Balzun discussed the political situation in South Africa.

The Nationalist party, supported by most of the Dutch descendants in South Africa and some of British blood received a considerable majority in the recent election. This party advocates segregation and hopes to have all the blacks in South Africa settled in segregation areas within thirty years. How this is going to work out is not understood, as most of the manual labor in that part of Africa is done by the blacks.

Very few blacks can qualify or are allowed to vote. All colored people in South Africa, whether or not they are native from India or Malay are required to carry a record book at all times. If the police find a colored person not in possession of this book he or she is jailed immediately. The prayer of the blacks is "God give back Africa to us."

Mr Balzun said that the situation is very tense and the future uncertain. The colored people showed their strength and resolution in a recent bus strike in Africa. When the bus fare was raised no blacks would pay it. Many of them walked ten miles or more to their work every day.

Jack Kneale introduced Mr Balzun and Chas Heckbert thanked the speaker. Mr Heckbert said that it was one of the most informative addresses that the club members had the privilege to hear.

Two Lloydminster Rotarians Nick Ewanowich and Mel Lavoid attended the meeting. The visitors were Fred Proudfoot of Mannville introduced by Gordon Park, Dan Lutzak of Edmonton by Martin Shalka and Freeman French of Vermilion by Ed Herzog.

It was Bill Cross's birthday. Ross Boake performed the honors.

Geo Webb reported on the arrangements for the car rodeo which will take place on the afternoon of June 13th. It is hoped that 24 drivers will take part. Would all organizations in town and managers of stores etc. please see Mr Webb about sponsoring a car in the rodeo.

Bill Sutherland reported that the Rotary Club will sponsor four bands at Vermilion Lake this summer.

Bill Sutherland was chairman. He welcomed the visitors and thanked the guest speaker.

A piglet was recently born on the Norman Armstrong farm with its eyes closed. The eyes remained closed for three days and then opened. This is peculiar in piggies in case you didn't by pups, kittens, rabbits, etc.

First rain worthy of the name fell Wednesday night but only amounted to one-tenth of an inch. Real summer weather prevails.

High School Graduation Exercises Are Held At Kitscoty

KITSCOTY — Tracy Memorial hall was the scene of the annual K.H.S. Graduation banquet on Friday evening, May 16. It was catered to by the Kitscoty branch of the B.E.S.L.

Eighteen graduands and their fathers and mothers were the honored guests. The class consisted of 14 girls and 4 boys namely:

Glenda Bulduc, Streamstown, Commercial; Marlene Elliott, Kitscoty, Commercial; Sylvia Golinski, Kitscoty Nursing; Myrna Hruby, Streamstown Nursing; Jean Hardstaff Streamstown Commercial; Joyce Johnson, Paradise Valley, Teaching; Henry Kohn Islay Mechanic; Ruth McCourt Kitscoty Nursing; James McGuigan, Islay R.C.A.F.; Olive Nelson Heinsburg Commercial; Marilyn Owen, Kitscoty - P.V. Nursing; Fay Poitras, Dewberry Commercial; Carol Richardson, Kitscoty Nursing; Donna Sheppard, Kitscoty Teaching; Judy Sheppard Kitscoty Nursing; Wayne Shortt Kitscoty Minister; Willard Stewart, Kitscoty Engineering; Barbara West, Clandonald Commercial.

Rev. Andrew Potter, Supervisor of the Kitscoty dormitory, delivered the invocation and the guests sat down to tables nicely decorated with blue and white chrysanthemums, with placecards designed in the form of mortarboards, also in the class colors of blue and white. Mr Richardson, principal of Kitscoty school, acted as toastmaster for the occasion and introduced the official guests including Mr Donald Fair, University of Alberta, guest speaker; Mrs Fair; Mr Duff McGrath, Chairman Vermilion S.D.; Mrs. McGrath; Mr J. R. Robson, Secretary Vermilion S.D.; Mrs. Robson; Mr Bud Miller, Chairman of the Dormitory Board; Mrs Miller; Mr. Roy Speelman, Kitscoty school trustee; Mrs. Speelman; Mr Herb Stokes, Mayor of Kitscoty; Mrs. Matthewson, Matron of the Girls' dorm.; Mrs. Gerrits, Matron of Boy's dorm.

The graduating class was then introduced, and Jim McGuigan, class valedictorian, ably presented a short message dedicated to the parents and pioneers of the district.

Donna Sheppard, the class historian, summed up the history of the class, just three of which started school in Kitscoty twelve years ago.

The toastmaster then called on former principal J. A. Smith, to introduce the guest speaker, and he humorously recounted how Don and his three brothers and sister Avis, all children of Mr. John Fair of Paradise Valley, were transported to school on or behind a faithful horse [illegible] May. Donald Fair was a P.V. High school graduate in 1949. He entered the Faculty of Education at the U. of A. for one year, returned to the Vermilion Division and taught for [illegible] years at Madrasfield and Islay, where Jim McGuigan and Henry Kohn were two of his pupils. He then returned to university for his B.Ed., and completed his M.A., majoring in Psychology at the same institution between two years of teaching in the Balmoral Junior High school in Calgary. He is now attached to the University Advisory Services staff, and lectures in Psychology.

Mr. Fair listed eight major assumptions which he thought our society should be able to make of our high school graduates. Briefly they are:

1. He has acquired a body of knowledge of use to him.
2. He has learned to think on his own.
3. He realizes he has reached a plateau rather than a summit in his learning.
4. He is making careful plans for his future.
5. As he goes into world of work that he does so with a genuine desire to make a contribution to it.
6. That he has learned to get along well with his associates, students and teachers and his training will help him in adjusting of his fellow citizens. He is also sensitive to the needs and experiences of others.
7. He desires to be successful in a number of ways and in so doing is striving toward the development of his full potential, and his goal is self actualization.
8. That he is beginning to inquire into the larger problems associated with life i.e. developing a philosophy of life. He is determined not to include philosophical and religious issues from his mind.

From his experiences as a university counsellor, he followed up with the problems faced by a high school graduate in adjusting to university training, or commercial or technical training, or business life.

The banquet was followed by a graduation dance in the school auditorium with music supplied by Lee Brodeur of Lloydminster.

June 6 — Mannville vs. B.C., at Buffalo Coulee.

Unlucky Ducky

MANNVILLE — Those people travelling the road north west of town past the Milton Finlay farm observed a strange sight admidst the power lines. A duck, apparently caught in a downward dive to earth, had been unfortunate enough to catch his neck twixt the wires, which acted the same as a hangman's noose for poor Mr Duck. Upon seeing this unusual spectacle one wondered what crime a duck could possibly commit to deserve such a fate.

Be as courteous to others as you would like others to be to you.

it's Tourist-time!

Help Tourists Have Fun!

The Tourist Industry is Alberta's third largest, and it benefits EVERYONE. The farmer, processor, distributor, retailer—yes even office workers and industrial employees benefit when visitors come to Alberta.

☆

Tourists spend money earned elsewhere, thereby adding to the wealth of the province. They are your customers. Whether they are satisfied customers is your business.

☆

This is how you can help our Tourist Industry.

1. Be friendly and obliging—be especially considerate, because they are our guests. They have been invited to our province.
2. Encourage visitors to stay a day or two longer.
3. Help tourists overcome any difficulties they may encounter.
4. Tell visitors about points of interest and activities in your community.
5. Make it your business to see that tourist services are adequate.

Tourists are nice People too!

Treat them with Courtesy!

Legislative Buildings Edmonton, Alberta

DEPARTMENT OF ECONOMIC AFFAIRS

Alberta Board on Objectionable Publications Sits

None of 22 periodical publications appearing on Alberta newsstands were found sufficiently objectionable to warrant a request for withdrawal by the Alberta Board on Objectionable Publications following examination of the material at a recent board meeting held at Lacombe. Since its inception in 1954 the board has been responsible for the withdrawal of 80 periodicals from newsstands. 22 have been re-instated following changes in policy of publishers. The Board meetings are held every two months at various points in the province. Next meeting will be held at a location to be determined late in May.

The board works in close co-operation with magazine distributors in the province. Complaints about contents of any periodical received from the general public are always looked into and checked. If a periodical is deemed objectionable, co-operative agreement results in its withdrawal from the market. The board does not censor novels in paper-back or other form, or newspapers.

A public meeting held in the evening was attended by some 300 persons. Board members R. H. Jeacock of Lethbridge outlined the aims of the board and spoke on the content of literature withdrawn from the market. Hon. A. R. Patrick, Minister of Economic Affairs, was chairman.

Shown discussing the quality of the 22 magazines examined at the board meeting are from left to right, B. Peal, Miss Phyllis Lapworth, Mr Jeacock, Mrs. A.J. Maure, Chairman, Mrs. Joan Robison, Mrs. Jack Ferris.

To Revive Lawn Bowling

The Rotary Club of Vermilion is attempting to learn if there are any men residing in Vermilion or adjacent area who would be interested in lawn bowling.

If sufficient interest is shown, attempts will be made to re-open the green at the C.N.R.

If you wish to play or have any equipment available please get in touch with the secretary of the club, Jim Robson, Ash Cooper, Bill Sutherland or Reg Mitchell.

Mannville Sailor Intrigued With Life In Japan

MANNVILLE — When interviewed at his parent's home recently ABRP John Croft (known to Mannville as Butch), who is home on leave after some time spent in Japan and China with the Navy, expressed himself as being intrigued with life in Japan. Especially noted was the courtesy, honesty and culture of these people and manners were always observed. Even in a hockey game in which Butch was on the opposing team, politeness was apparent at all times, even though the language situation presented a complication. John was all over Japan [illegible] times and picked up many interesting and beautiful curios [illegible] which is a musical jewelry case with inner folding compartments and decorated with the usual Japanese artistry. Also seen were samples of currency from Eastern countries in various denominations, as well as Chop sticks demonstrated by John in eating a small cake. Catching the eye of the women is a beautiful [illegible] symbolic of Japanese embroidery in turquoise blue with pyjamas to match and a sports shirt, all of rare silk material, mandarin style. A [illegible] with pocket size folding reflector [illegible] composed of perforated metal, closing up like a fan. A cap with the name "Butch" (worn on board ship on duty) was made by hand by a lady skilled in this work and most attractive in neatness. From Yokosuka to Tokyo ABRP Croft found the same warmth of welcome and cherished the pleasure with which he spoke of his stay in Japan.

Threefold Aims

Through its threefold program Junior Red Cross fosters good health habits and safety measures; students are encouraged to accept the responsibilities of citizenship by service to others and participation in community affairs and on the international level share ideas and ideals with classmates around the world through exchange of art and handicraft and regular meetings at international workshops. With its program for youth Red Cross is giving Junior members a chance to know the thrill of helping other children — children like Betty and Dolly.

Light Your Way To Safety

It's surprising that there are not more accidents involving farm equipment on roads and highways because lighting is often non-existing or inadequate, says C. Cheshire, Extension Engineer, Alberta Department of Agriculture. For a busy farmer, before sunrise or after sunset travel on the highway or road is not unusual. If his equipment is not adequately lighted or protected with reflectors, flags or other means of warning approaching motorists, then he certainly sets himself up as a potential accident victim. This is just as serious on the local by-way as on the main highway.

One of the most usual accidents is side tipping into a ditch. It may be due to imperfect visibility on the part of the tractor operator or because he is crowding the shoulder too closely to let approaching traffic safely pass. The other is collision. Statistics show that in the event of either of these accidents it is practically always the tractor operator who is maimed for life or killed.

Last Year about 500 NEW Medicines Were Introduced

As soon as each one was clinically proved we stocked it in our prescription department. We intend to continue getting any new drugs as fast as they are available.

We Can Compound Any Prescription.

Even if from another town, any physician's prescription will be filled according to his exact specifications.

Your Physician Now Can Help You More.

Improved techniques of diagnosis and treatment, plus the new drugs, are so important that we sincerely advise you to depend more on your physician's advice. Most home remedies and patent medicines are relics of a vanishing past.

When You Are Sick—

Let your physician prescribe the particular medicine that will help you most. The moderate charge for his fee and the prescription can save you sickness time and perhaps your very life.

NO ONE GETS HOUSEMAID'S KNEE ANYMORE

Housemaid's Knee used to be a very common complaint. How did you get it? Simple — too much kneeling on too many floors. Too much scrubbing and polishing and all the rest.

In the homes of today no one gets Housemaid's Knee anymore . . . and the reasons are electrical. Dependable electrical servants — yours to command at the flip of a switch — keeping your home shining for only a few pennies a day. Electrical appliances take the 'work' out of housework . . . just leaving the 'house' . . . bright, clean and spotless.

Canadian Utilities

"Power for Alberta's Progress"

OUR LETTER FROM EDMONTON

The Provincial Political Picture Offers Interesting Conjectures

by [illegible]

EDMONTON. — The recent session of the Legislature ended with the Alberta picture in its most mixed up state in years.

It ended with the prospect of only one more session before a general election. The vote will almost certainly be next year—probably in the summertime, unless Premier Manning decides to remain in office for the full five-year term.

Recent developments must be making it tough for him to decide just what is the best course of action. For example, the overwhelming success of the Progressive Conservatives on March 31 leaves room for plenty of speculation on what can be expected in the next provincial vote. So far, there's no sign of a definite trend.

Will the tories be able to extend their federal success to the provincial field? Some observers say yes, while others say no.

History would appear to be on the side of those who say no. Over the years in Canada, the party in power federally has tended to fade out provincially. The shortage of Liberal provincial governments after the long Liberal hold on Ottawa seems to bear that out.

If Alberta and the rest of the country run true to form, it would appear unlikely that the Conservatives will start toppling provincial governments right and left.

What of the Tory chances in Alberta? With a strong provincial organization which they lack at present, they could gain some seats. At the moment they're looking for a leader, and with a good man in the slot they could improve their position. Party bigwigs are talking about the possibility of Agriculture Minister Douglas Harkness leaving the federal field to take over the provincial leadership. That would almost certainly add at least one seat to the three they now hold. Art Smith, Calgary, who quit the Legislature to run federally, also has been mentioned.

REACTION POSSIBLE

There's another factor which could work against the Tories. Many Albertans were a bit startled to see the huge Tory majority which resulted on March 31, and were even more startled to see Alberta swing entirely over to the Tories. This could result in a reaction against Conservatives provincially.

The final factor is the performance of the Conservatives in Ottawa. The big unanswered question is whether John Diefenbaker will be as popular a year from now as he was on March 31.

NO WIDESPREAD DISSATISFACTION

As for Social Credit, there is no sign of widespread dissatisfaction with the Manning administration. On the other hand, [illegible] such as municipal unrest over provincial aid could be a factor. The premier's admission that natural gas prices are bound to increase could be used as a weapon by Opposition parties.

A major question that only an election will answer is the real public attitude toward the oil and gas dividend program. Opposition politicians are convinced the majority of Albertans regard the giveaway as a mistake. If this is true, it could lose votes for Social Credit instead of gain votes.

As for the Liberals, they think they stand a good chance of toppling Social Credit this time around.

If the federal swing from Liberalism to Conservatism was the result of people just being tired of the same old names in public life, then the Liberals might cash in on the same feeling provincially.

WILL HAWRELAK BE NEW LIBERAL LEADER?

High ranking Liberals feel they will need a powerful leader to pull it off for them. The popular choice right now is Edmonton's Mayor William Hawrelak. Some say the job is his if he decides to take it.

Hawrelak should go over well with city voters, but at the same time he has a pioneer farming background which could put him in good with the rural voters.

With 15 members — many of them exceptionally good men — already in the provincial House, the Liberals are the only party in a position to offer an alternative. Whether they can swing it is anyone's guess.

Number of Alberta visitors last year increased by ten per cent over 1956 to more than two million.

TULLIBY LAKE

Roy Morris and Sons have moved their sawing outfit from the shores of Badger Lake to another location situated on the former Gordon Coleman place. Here they will be turning a large number of logs into lumber for several local enthusiastic lumberjacks, namely Raymond and Damase Nolin, Gordon Coleman and Roy Wagner.

The flu, accompanied in some cases by pneumonia, has once again invaded our community. The latest victim is Leslie Ferris, who is currently employed by Cecil Trimble.

Last Wednesday Mrs. Roy Morris received the sad news of the passing of her mother. At the time of her unexpected death Mrs. Van Patten was residing in the Fort Vermilion area of northern Alberta. Our sympathy goes out to the Roy Morris family and all relatives and friends.

Mr and Mrs. Allan Hewitt have been visiting at the Harlan Rund home for the past while.

Roy Morris recently had an unfortunate experience. During sawing operations for the Onion Lake Indians, a large knot under pressure of the saw, flew out of the log and struck him in the face. It appears this was indirectly responsible for arthritis of the left eyeball for which he received treatment for two weeks in Elk Point hospital. He arrived home Monday feeling considerably improved. We understand however there is still a danger that Mr. Morris could lose the sight of his eye.

On the evening of April 30th an amateur hour was held in the Canadian Legion hall at Lloydminster. This was arranged by Ken Tremain and Ken Allen of CKSA. All proceeds went to the Cancer fund. The broadcast was much enjoyed. We were all very pleasantly surprised to hear Dean Benson, one of our local singers on the program. Congratulations Dean on being called up three times on the request portion of the show. Dean would like to say a big "thank you" to all those supporting him with their donations.

Miss Freda Morris has accepted a position with the Canadian Bank of Commerce in Lloydminster.

Mr Doug Cooke has returned home after a short stay in the Elk Point hospital. Doug was unfortunate in dislocating his back.

Mr and Mrs. Allan Hewitt are employed at the Alex [illegible] ranch near Lloydminster.

All Tulliby Lake-Rex [illegible] their sympathy to Mr and Mrs. Maurice [illegible] and family who recently lost their home and entire contents by fire [illegible] accidentally started with gasoline by a young member of the family.

Alberta and B. C. Recognize Pink Liability Cards

The Honorable Gordon E. Taylor, Minister of Highways, today advised that an agreement effective July 1, 1958, has been signed with the Government of British Columbia granting reciprocity of pink cards. Under this agreement the motor vehicle liability cards (pink cards) or financial responsibility cards, issued by the Government of Alberta will be treated and accepted in British Columbia in precisely the same manner as those issued by the British Columbia Government. Similarly, the cards issued by the Government of British Columbia will be honored in this province. Under this agreement, if a person whose vehicle is licensed in British Columbia is involved in an accident in Alberta, the Alberta police will take particulars of the accident in the same way as if the motorist was an Alberta resident and the British Columbia pink card will make it unnecessary for the said motorist to carry an Alberta pink card, and his motor vehicle will not be impounded.

This is the second reciprocal arrangement of pink cards effected in Canada; the first was consummated last February with the Government of Manitoba.

The Alberta Minister of Highways is hopeful that in time a pink card issued by any provincial government in Canada will be honored throughout the Dominion.

Way To Trade

In welcoming the British trade mission to Canada The Financial Post comments 'In the past too few British firms had the kind of organization in Canada which could do an adequate selling job in this tough market. In the past, Canadian firms, in general, were indifferent about the origin of their purchases, and left this whole business to rather minor people in the company hierarchy. 'Now some Canadian company chiefs are recognizing the national importance of their buying habits, and are finding they can very well be revised.'

The chronic knocker soon finds that the field is badly overcrowded.

Holiday in B.C.

Go CNR . . . The Scenic Jasper Route!

British Columbia . . . Canada's Pacific Coast Paradise . . . famous for its invigorating sunshine and balmy ocean breezes . . . offers a "holiday bonus" this year with province-wide Centennial celebrations.

There's sports and entertainment, colorful pageants . . . The Festival of the Arts, The Naval Review, The Pacific National Exhibition . . . and many other events.

Travel Canadian National Railways — the easy, relaxed way — and thrill to the breath-taking mountain beauty of the picturesque Jasper Route.

CNR "Bluenose" Runs Again

WINNIPEG — The announcement by Canadian National Railways that they once again intend to run their 'Bluenose Special' transcontinental excursion train this year will provide many people in western Canada with an opportunity to visit the historic East for the first time.

Organized by J. V. Dobbs of the Maritime Provinces Association of Edmonton, it will also give former Maritimers a chance to take a trip back to the provinces of their birth, renew old memories, and re-acquaint themselves with relatives and friends.

This will be the tenth year 'Bluenose' has been run. It will leave Edmonton on July 12, picking up passengers right across the west. Among stops to be made en route to Halifax will be Toronto, Niagara Falls, Montreal, Quebec City, Moncton and Truro.

The train will include a special recreation car and there will be movies, music, sing songs, bingo. So there's lots of fun planned for everyone aboard.

The train will leave for the west on August 9.

SPRAY WEEDS EARLY

It has been found that weeds do most damage, in competition with growing crops, during the early stages of growth. For this reason farmers usually plan to start spraying about June 1st or very shortly afterwards. In control of broad leafed weeds the choice lies between two types of spray, 2,4-D for wheat and barley, and MCP for oats, flax and legume crops. At the same time, TCA may be used for narrow leafed weeds such as green foxtail in flax. Whatever product is used, it is important to follow the instructions carefully.

NEWS from ISLAY

Mr. and Mrs. Alex Palls, Billie and Jack were supper guests at the home of Gladys and Muriel Stone on Sunday.

Miss Betty Martin was home for the holiday. Betty has now finished her business course and has a position in Edmonton.

Mr. and Mrs. McLean and son Jim of Edmonton visited at the house of their son and brother Mr. and Mrs. Bill McLean. They also visited Mr. Ernie Dolinsky, Mrs. Bill McLean's brother here too. The men went north to do a bit of fishing.

Mr. and Mrs. McCaughan and boys Randy and Rod, Mr. and Mrs. Bill Barfoot, Ev, Keith and Mr. Inman and Gordon Gould, all went on a fishing trip over the week end to the north lakes.

Gerry Grant and Janet Bell spent the holiday with Janet's mother, Mrs. Bell.

Mr. and Mrs. Jim Miller went to Edmonton for the week end.

Mrs. Nora Carey called on Mr. and Mrs. Bill Axley Sunday.

Noticed Dorothy Axley doing a good piece of work, cleaning the big windows in their house, on the holiday.

Mr. Henry Olds of Edmonton spent a few days last week at the home of her daughter Violet, Mr. and Mrs. Geo. Schaffer.

On Sunday Mr. and Mrs. Geo. Schaffer had a surprise visit from George, John and Eric Olds of Kitscoty; Mr. and Mrs. Dakken and Jim from McLaughlin and Mrs. Gilmar, George and Clarence from Rivercourse.

The Progressive-Conservative Association of Alexandria will hold the annual meeting Wednesday, May 28th, at 8 p.m. in the Legion hall, Kitscoty. Mr. Earl Watkins of Calgary will be guest speaker.

The Moncrieff family went to Metiskow to attend the wedding of a cousin on Friday evening. It was a dusty drive. Drifting off the fields was very bad.

Miss Patricia Plumley of Edmonton and a college friend of Betty Martin spent the week end at Betty's home. She also has a position in the city.

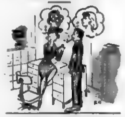
The annual strawberry shortcake and ice cream social is June 12th in the community hall in the evening. It is hoped to have ball games too.

The old timers will remember Ted Guerney, brother of Syd. His youngest daughter, Mrs. Reeves came to Canada two years ago and has been employed by TCA in Montreal. She came west by plane recently to Calgary and visited her cousin, a daughter of Mr. and Mrs. Syd Guerney, then came up to visit her uncle and aunt at Kokner. They spent an afternoon in Islay, calling at the Stone home and then to the Hutton home for tea, movies also being taken. Mrs. Reeves and her husband will return to England in July to live. Mr. Reeves will open a law practice there. During the war he was press reporter in Korea.

HAVE FUN!
by LEE BRYAN

Vermont Bill: The Vermont winters are so cold we have to put heaters under the cows so we can milk 'em."

Texas Joe: "That's nothing! The Texas summers are so hot we have to feed ice to the hens to keep them from laying hard-boiled eggs."



"Well, my dear," said a businessman who had married his secretary, "I must get someone to replace you at the office."

"I've been thinking of that," replied the bride. "My cousin is just leaving school."

"What's her name?"

"John Henry Briggs," said the bride.

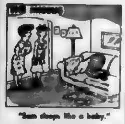
A bride-to-be had just shown her friend the list of wedding guests.

"Isn't it strange," asked the friend, "that you've included only married couples?"

"Oh, that was Albert's idea," the bride-to-be replied. "He says that if we invite only married people, the presents will be all clear profit."

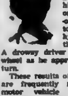
Someone asked Groucho Marx if the new house he is building is stucco.

"Stucco!" cried Groucho. "I'll say we're getting stucco. We're getting stucco so good our bathroom will cost more than Boulder Dam!"



"Sam sleeps like a baby."

Released by Al & Smith Service



Tips on Touring

By Carol Lane

Women's Travel Authority

A sleeping man at the wheel lets his car wander onto a soft shoulder. A hypnotized motorist becomes hypnotized by the white line. A drowsy driver nods over the wheel as he approaches a sharp turn.

These results of driver fatigue are frequently responsible for motor vehicle accidents, according to the nation's safety experts. Even momentary relaxation of vigilance, brought on by physical fatigue, can make you completely lose control of your car.

Driver fatigue can come from so-called hypnosis of the white center line, the glaring heat of the sun on the car's roof and windows, a dirty windshield clouding visibility, or the pressure to arrive at your destination.

You can eliminate your own driver-drowsiness when you take your summer trip by stopping frequently en route. To keep myself alert at the wheel, I have devised what I call a '60 minute formula'. It's a simple practice, which I always follow, of stopping the car and relaxing for five minutes every hour. It clears away that drowsy daze.

Driver fatigue is just one of the many causes of traffic accidents. The nation's women are playing an increasingly important role in educating the public to these and other causes and helping to eliminate them.

Mining Bustle

There's still plenty of bounce in mine exploration as spring break-up signals the start of another push at Canada's mining frontier, says Rey Magiadry in The Financial Post.

A half dozen areas are already pinpointed for emphasis in 1958.

Activity in these camps will be brisk, although over-all exploration effort will likely slide off with the poorer profit outlook, less favorable financing conditions for the mining industry as a result of depressed metal prices.

Sign Agreement This Week For New Alberta Pulp Mill

EDMONTON — Possibility of newsprint being manufactured in the near future at the proposed $30,000,000 pulp mill along the North Saskatchewan river are remote, informed sources report.

In spite of a ready made market for newsprint — including 20,000 ton per year among daily and weekly newspapers in Alberta — financial considerations are expected to shove the date well into the future.

Government officials said the Alberta West Forest Products Corporation Ltd. was scheduled this week to sign a 21-year agreement with the province for a forest management licence covering 5,000 square miles of pulpwood forests.

Construction on the paper mill, expected to cost at least $30,000,000 must begin within a year's time.

The forest management licence covers an area in the vicinity of Whitecourt, 110 miles northwest of Edmonton, and the company proposes to erect a paper mill between Edmonton and Fort Saskatchewan.

An economical unit for the production of newsprint would have a capacity of 100,000 tons per year. One fifth of the production could be consumed in Alberta and Saskatchewan would would likely prove a good customer. Alberta newspapers import several million dollars worth annually.

The new pulp mill at Hinton—which has cost an estimated $6,000,000 to build and equip — has no facilities for making newsprint.

Government sources say that the agreement with Northwest Pulp provides for the construction of a newsprint plant by the company if and when it wishes, but again the cost at the present time is prohibitive.

Money Talks At Hamilton

HAMILTON — Canada's biggest spender spent more than $10,000 while speaking to members of the Hamilton Traffic Club recently.

E. A. Bromley, Montreal, vice-president of purchase and stores for Canadian National Railways, described how his organization spends an average of $282 millions a year or about $537 a minute.

'At that rate,' he quipped, 'I have spent more than $10,000 while talking to you.'

Many a man stubs his toe trying to put his best foot forward.

TAKES COURAGE

If a man is able to think when he is down and out he can be counted on to make a comeback.

Let's Have Wise Spending

Government spending by itself can do little to correct the recession, points out The Financial Post. It is only the right kind of spending — combined with tax policy — by which government can help improve the business climate. So far, it is not apparent that this irrefutable fact is widely and well understood in the triumphant Tory party.

That fact we hope it learns pretty rapidly, also the fact that it doesn't need to buy political popularity. It is so big and so triumphant it can politically afford to be economically wise.

TAKE ALL

The trouble with a chronic borrower is that he always forgets everything but his word.

Value of mineral production in Alberta is second highest of the provinces.

Health Unit Notes

PROTECTION AGAINST POLIOMYELITIS

Vaccination is your protection against this dread killer and crippler disease. Here are some answers to your questions about Poliomyelitis vaccine.

Question: What is Poliomyelitis Vaccine?

Answer: The vaccine is Polio virus, grown in the Laboratory, then killed and made safe so that it is effective in causing the body to build defences against the disease.

Question: Who should be vaccinated?

Answer: Everyone up to the age of six months. Although poliomyelitis attacks are still most prevalent and serious in the 1 to 21 age group and among pregnant women, no one is exempt.

Question: How many injections are required?

Answer: Three doses are needed with a month's interval between the first and second injection and not less than seven months interval before the third.

Question: When does protection begin?

Answer: Body defences begin to form seven to ten days following the first injection and [illegible] sharply after the second injection. The third injection raises these defences to the desired level.

Question: How common is Poliomyelitis in Canada?

Answer: The disease, once called Infantile Paralysis, has been known in Canada for some years. However there has been a steady increase in the number of cases [illegible].

HERE IS CONCLUSIVE EVIDENCE

In 1956 a control test was run on 1,800,000 vaccinated and unvaccinated children in Ontario under 18 years of age. Among the 840,000 who had received one or more inoculations, there were five cases only of paralytic polio. Among the 960,000 who were unvaccinated, 71 attacks were recorded.

NO CASE OF PARALYTIC POLIO HAS OCCURRED IN ANY CHILD IN CANADA WHO HAS RECEIVED ALL THREE INNOCULATIONS.

ADVANCE NOTICE TO ALL ADULTS UP TO THE AGE OF 40 YEARS.

Any adult due for the third injection of Poliomyelitis vaccine and anyone wishing to commence the course will be able to do so during the month of June when Polio vaccination sessions are to be held throughout the Health Unit area at all main centres.

These will be special sessions, the times and dates of which will be advertised each week in this paper.

BABY & PRE SCHOOL CLINICS

Monday, May 26 — Vermilion (Health Unit Office) 2 to 4 p.m.

Tuesday, May 27 — Wainwright (Office) 2 to 4 p.m.

Clandonald W. A. News United Church

The Clandonald United Church W.A. meeting was held on May 6th at the United church in Clandonald with 15 members and 16 visitors, plus a few men and children present. The visitors were Allandale W.A. and the Campbell Lake W.I. The Riverton ladies found it impossible to [illegible].

The Clandonald W. A. made donations to Lake Whitney camp, Cold Lake hospital and United Church hostel in Edmonton.

New drapes for the manse will be purchased to be ordered by Mrs. S. Feenstra.

The June meeting is to be held at the home of Mrs. Cooper.

A duet by Mrs. Laird and Mrs. Baldock accompanied at the organ by Miss Gail Goddard "The Old Rugged Cross" was enjoyed very much by everyone [illegible].

The first church service of the season by our student minister was held on May 11th, Mother's Day. The sermon was about "Mother".

Mrs. Cooper gave a report on the Presbytery meeting which she attended in Red Deer.

A tasty lunch was served by the Clandonald W.A.

Rev. MacKay held a church service in Riverton on May 4th with a very large attendance. The sermon was "Repentance, Confession, [illegible] and Obedience". It was a sermon really worth hearing. Clandonald and Allandale were well represented at the Riverton church.

After church Mr. and Mrs. Wilfred Mathison invited everyone to their house for tea which was enjoyed and appreciated by all who went.

We are sorry that Riverton has dropped church services. We do hope that the folks from that district will attend the Dewberry or Marwayne church or even come out to Clandonald.

12114 — 126 Street,
Edmonton

Dear Sir:

A determined effort is being made to fluoridate the public water supply of every town in Alberta with a public water system. Despite the warnings of the dangers involved in this procedure by many noted scientists, the frenzied drive to enforce this measure on all our citizens goes on unabated.

They are succeeding to a degree. Red Deer, Grande Prairie and others have voted yes.

Why have the larger cities of Edmonton, Calgary, Medicine Hat and Lethbridge voted no?

In each case where the people have been given even a glimpse of the facts behind this so called health measure, they invariably turn it down. The smaller towns have had no such opportunity for all the truth.

Why have so many communities in the United States taken it out after having Fluoridation for various lengths of time?

If we let them put fluorides in our water system today, what will they want to put in tomorrow?

The function of a public water supply is to provide pure and safe water and not to serve as a vehicle for drugs.

Ask for the facts by noted men. For instance Dr. Robert Newton, former president of the University of Alberta and former director of The Alberta Research Council has written a booklet entitled "The Case Against Fluoridation." Every citizen interested in health and freedom should read this booklet.

Sincerely,
J. [illegible]

Solve a Crime
BY A.C. GORDON

YOU ARE THE DETECTIVE

As you drive along the lonely narrow mountain road on this dark, crisply-cold night, your headlights suddenly pick out the rather bedraggled figure of a man, standing in the middle of the road, frantically waving his arms. After you have pulled your car up alongside him, the man leans into your window and gasps out: "Accident . . . my wife, still in car . . . couldn't climb down . . . been waiting here almost half an hour . . . please help us."

You climb out of your car and the man limps ahead of you to the spot where the car went off the road. He turns to you and with an obvious effort seems to recover some of his composure. "I'm Arthur Listerman. My wife, June, and I were touring on vacation. Coming along this road in the dark, one of the front wheels hit a boulder, throwing the car out of my control. The door on my side flew open and I fell onto the road just as the car hurtled over the edge of the road down into that ravine. My leg was hurt in the fall and I couldn't begin to climb down there. It's been just plain agony waiting up here — not knowing whether June is alive or dead — do you think you could . . . ?"

You nod your head, and as you begin your descent of the cliff you're thankful for the light of the full moon. After much scraping and sliding, you finally reach the bottom of the ravine where the car lies upside down, wheels up, windows smashed, body all battered. By aid of your flashlight you see the body of June Listerman [illegible], lying with her head down and feet up, and you can readily determine that she is beyond all aid. Her head is bruised and battered, and the blood from her injuries has soaked into the floor of the car. With difficulty, you drag her body from the wrecked car and place it gently on the ground. Then you clamber back up the cliff and are very happy once again to be standing on the smooth, freshly-paved road above.

Listerman, who is seated disconsolately on the front bumper of your car, looks up at you. "Is she . . . dead?" he asks.

"I think you knew the answer to that before you rolled the car off the road!" you reply.

Why do you suspect Listerman of having murdered his wife?

SOLUTION

You suspect that the woman was killed before the car went off the road because you found blood only on the floor of the car. If she had been killed by the fall of the car over the cliff, there certainly would have been blood on the ceiling of the upside-down car — since you did find the woman with her head down and feet up. Also, you are not quite sure that there could have been a 'boulder' on the smooth, freshly-paved road large enough to have thrown the car out of control, as Listerman claims.

At various times in history counterfeiting has been punishable by death.

Jasper National Park is the largest in Canada with an area of 4,200 square miles.

Canadian Marriages Down

There are fewer marriages these days — but don't blame it all on the business slowdown, says The Financial Post.

One fact is that, despite an increase in population, there are fewer men and women of marriageable age, because of the low birthrate of the depression of the 30's.

For this year's first quarter there was a 5.6% decline in marriages, compared with last year's first quarter. Each month has registered declines: Jan. 2.5%, Feb. 6.6%, March 9.1%.

However, the total for each month is still ahead of the average monthly rate for the years 1955-57.

Alberta Provincial Library Dec 58

Vermilion's new composite high school which will accommodate grades 7 to 12. Completely modern throughout, a masterpiece in planning and construction, it contains sixteen classrooms, a beautiful gymnasium, laboratories for manual arts, household economics and chemistry, commercial and typing rooms, music room, visual aids theatre. An inter-room communication system is a highly [illegible] feature. All facilities required in the present day educational system have been incorporated into the school. —*A Photocraft Picture.*

Ceremonies Mark Opening of Most Modern School in Western Canada

Official opening of Vermilion's new half-million dollar composite high school, claimed to have more new features than any other school in western Canada, attracted an actual attendance of more than 800 people on Wednesday afternoon. The program was complete with musical numbers by senior and junior high school students, presentations, introductions, welcomes, climaxed by the address of the guest speaker, the Hon. Anders Aalborg, Minister of Education, and himself a graduate of the Vermilion High school.

The two-hour program contained so many interesting features that it is impossible to give credit due in detail.

Mr. Claude N. Brennan who is the member of the School Division board for the Town of Vermilion subdivision No. 6, was chairman for the momentous occasion. The agenda was commenced by the presentation of the keys of the building by Mr. Ian Coates, construction supervisor for the C. H. Whitham Co., builders of the school, to Mr. D. C. McGrath, chairman of the School Division board. Mr. McGrath then turned them over to Mr. John David, principal of the new composite school.

Welcome to the very large gathering was extended by His Worship Mayor Melvin Hill, while short talks were given by Mr. Ashley H. Cooper and Mr. Donald Taylor on behalf of the local school board. The remaining members Mr. Ernest Schurman, Mr. Ernest Clendenning and Mr. Claude Brennan were introduced at that time.

Mr. D. C. McGrath, chairman of the Vermilion School Division board, which body was responsible for the erection of the fine school, spoke briefly and introduced the other members of the board in attendance, Mr. Allan Weeks of Paradise Valley, Mr. J. E. Miller of Kitscoty, Mr. C. Brennan, while Mr. W. L. Brown of Islay and Mr. R. C. Mead were unable to attend the afternoon function.

Principal John David expressed appreciation for the ultra modern school facilities and mentioned the many new features provided.

The students interest was given due recognition and Miss Fay Wilson represented the Students' Union. Speaking ably and well, she told of the great anticipation aroused by the new building.

Mr. Russell Whitson, M.L.A., extended greetings and congratulations to the Division on the very fine addition to their educational accommodation and facilities.

The architects P. Campbell-Hope and Associates who designed the school; C. H. Whitham and Co., general contractors, and the sub-contractors Belley Plumbing and Heating, and Harris Electric, all came in for considerable praise for the excellence of the completed structure. All had representatives on the platform who were duly introduced.

SPECIAL PRAISE

Mr. Vic Kapchinsky, Superintendent of Construction for the contractors, C. H. Whitham Co., came in for special notice and was presented with a gift from the Divisional board in recognition of an outstanding construction job, by Mr. Brennan.

I.O.D.E. [illegible] PORTRAIT

On behalf of the I.O.D.E. Mrs. M. Hill and Mrs. L. Metcalfe presented the school with a large and beautifully framed portrait of Her Majesty Queen Elizabeth.

Other guests on the platform and introduced were Mr. E. A. Locke, president of Vermilion Board of Trade; Mr. Arnold Walker, building inspector, Department of Education; Mr. David Clarke, president A.T.A. of Vermilion division.

MINISTER GUEST SPEAKER

The climax of the program was the address of the guest speaker, the Hon. Anders Aalborg, Minister of Education. Mr. Aalborg delighted the many young people in the audience by telling of his own school experiences, then related the vast changes which had come about from various causes, in the field of education in a relatively short time. This change is shown by the fact that now, only 4 per cent of the children of Alberta attend one room schools, and less than 4 per cent need to leave home to obtain a high school education. He added his congratulations to the Vermilion school division in building for the future and constructing such a commodious and complete school. Mr. Aalborg was introduced by Mr. Ashley Cooper.

At the culmination of his remarks the Minister presented a large and beautiful picture of a scene in Alberta to principal John David. The picture is to be hung in the school.

OCCUPIED IN SEPTEMBER

This new school will be occupied with the opening of the fall term. It will accommodate the junior high school grades 7, 8 and 9, and the high school grades 10, 11 and 12. The official name will be the Vermilion Composite High School. Principal will be Mr. John David with Mr. Wm. Novak as assistant principal.

The present Junior high and High schools will be known as the West End elementary schools and will be used for grades 1 to 6. The East End schools, primary and elementary, will also be used for Grades 1 to 6.

As the name composite implies, household economics and manual arts will be taught in the school itself for the first time, while the commercial courses will be continued. The very fine gymnasium will add to the physical training and extra curricula activities.

The school also contains a large library, a visual aids room in addition to the many other laboratories. An inter-room communication system has been incorporated by which each individual room or all rooms at once can be reached from the principal's office.

Actual building cost of the school was $430,000 with equipment bringing this to $500,000 in round figures. Towards this generous grants were obtained from the Alberta government amounting to $232,000. The balance of the money was borrowed on a 15-year debenture from the provincial government at a low rate of interest.

During the course of the speeches, Mr. Ashley Cooper told of the official opening of Vermilion's first school, the Alexandra school, the big brick edifice which is a landmark in the town. This was opened in December 1908, with Hon. Mr. Bulyea, Lieutenant-Governor of the province, Premier Rutherford and Dr. H. M. Tory, president of the University of Alberta, all in attendance. In 1928 came the official opening of the red brick high school, which burned in 1941 and was rebuilt and officially re-opened in the same year. The primary school was opened in 1948 and the junior high school in 1953.

The afternoon's program was completed by conducted tours throughout the big building. It was noticeable that everyone was duly impressed and enthused over the many rooms, features and equipment.

Board of Trade Entertains Guests

As a fitting completion to a much enjoyed day, the Vermilion Board of Trade entertained all out of town visitors here for the school opening at a banquet served in the Brunswick Hotel dining room in the evening.

An excellent turkey banquet was enjoyed, a credit to the caterers and a fine spirit of sociability and goodwill was noticeable throughout.

Mr. E. A. Locke was the chairman and a short informal program of speeches was enjoyed.

Hon. Anders Aalborg was called on to deliver the speech of the evening and dealt with the interest in Education which has led to the appointment of the Cameron Commission now engaged in studying Alberta Education in all of its aspects. Consequent recommendations will be [illegible]. Coming in at this hour made to the Dept. of Education.

The entertainment committee of the Board of Trade, James Champion, Leo McKernan, A. F. Kaiser and Secretary F. J. Richardson were responsible for the arrangements for the much enjoyed [illegible].

$1550.00 Offered In Cash Prizes At Bingo

A grand prize of $1000, and 11 prizes of $50 each will go to the lucky winners at a bingo to be held in the Vermilion arena on Saturday, May 31st commencing at 9:15 p.m. This is being sponsored by the Vermilion Curling club. Keep this date open as one thousand bucks is big money to almost all of us these days.

Stock Car Races Here June 8th

The second race at Vermilion's Golden Speedway is planned to get underway next Sunday, June 8th. This will give the drivers time to get their cars in tip top shape, with many installing new and more powerful motors, and also the laggers who haven't yet hit the track will have time to be ready. Also, at this time cars from North Battleford and Edmonton will be ready and will be down for sure to put on a great show of thrills and spills along with the local and Lloyd[illegible] boys, and our star Earl in No. 77 should be back from the big race at Indianapolis with many new ideas.

For the many fans, they will have the opportunity of driving out this Sunday afternoon and seeing the boys taking trial runs, and also picking out their winners. Something new has been added, namely 5 new high bleachers, and oil has been put on the track to allow for a firmer track and much less dust. [illegible] sure you plan on seeing this new and spectacular sport featuring real daredevils at the wheels on June 8 at 2:30 sharp.

Store Break-Ins At Mannville

MANNVILLE. — Sometime during Tuesday night the local Co-op store was broken into. According to Manager R. White after a check-up, in the store no money was stolen, but some general merchandise was missing.

Last week a break-in attempt was made at the NADP as the washroom window was broken, but apparently no entry was gained thereby. A good footprint was left however in the soft earth beneath the window.

15 Tons of Construction Steel Scattered When Train Hits Truck

Fifteen tons of construction steel were scattered, the trailer portion of the truck destroyed, a diesel engine derailed and two lengths of rails torn up on the C. P. R. crossing on highway 41 between Derwent and Clandonald on Monday. The accident happened about 9:30 a.m.

Driver of the truck was Lionel Moncrieff who is employed by Crone Brothers of Westlock. It was a miracle that no one was injured.

The loaded truck was proceeding north to Cold Lake while the mixed train was travelling west.

It was a short train comprised of the engine, four freight cars, a mixed passenger car and a caboose.

The engine struck the trailer portion of the truck and trailer, the truck itself being extricated by the impact. It was claimed to be the first trip of the truck driver on this road and he was unfamiliar with the railway crossing.

Railiner On Trial Run Wednesday

The new railway service by Canadian National Railiner made a trial run from Edmonton to Vermilion and Lloydminster on Wednesday. Scheduled here at 11:07, it arrived here exactly on time.

On board the modern air conditioned car, in which travelling conditions are excellent, were Roger Graham, general superintendent of the C.N.R., W. A. MacDonald, publisher of the Journal, The Hon. Rusell Patrick, minister on Economic Affairs, Freddie Mitchell, Edmonton Alderman, Ben Knowles, Editor of the Fort Saskatchewan Record, and many others.

An invitation had been issued to Mayor Hill, representative of the Board of Trade and The Standard had been invited to make the trip to Lloydminster, partake of lunch on Mr. Graham's private car there, and return to Vermilion. Mr. Hill and Mr. Kneale, vice president of the Board accompanied the group here.

Wm. Baranyk Is Transferred to Olds

Wm. Baranyk, instructor in Botany and Horticulture at the Vermilion school of agriculture, has been transferred to Olds School of Agriculture in a similiar capacity.

Mr. and Mrs. Baranyk and the two boys are leaving this week end for their new home in the central Alberta town. A community minded family, their departure from Vermilion is widely regretted.

Fair Summer Camp Full For Girls

The summer camp annually held at the School of Agriculture for farm boys and girls is scheduled for July 21st to 26th this year and all room for girls has now been filled. There is still room for some boys and all interested are urged to apply at the earliest possible date to avoid disappointment. It is a wonderful week for the young people and the cost is nominal. Application should be sent to S. C. Heckbert, Secretary Manager of Vermilion fair.

Practical courses will be given both boys and girls and all pupils will be guests of the Agricultural Society during the days of the [illegible].

Vermilion District Medical Assoc. To Meet June 4th

The next meeting of the Vermilion District Medical Society is to be held at Elk Island park on Wednesday, June 4th. Doctors from Lloydminster, Wainwright, Vegreville, Vermilion, Lamont and intervening points will attend. Also present will be the president-elect of the Alberta Division, Canadian Medical Association, Dr. John MacGregor, Edmonton. Scientific papers will be presented after a dinner in the evening at Wapiti Inn. This year the president of the society is Dr. A. Ben King, and the secretary Dr. E. G. Evans, both of Vermilion.

Sees First Train In 1905, Railiner in 1958

An interested spectator at the arrival of the C. N. R. Railiner on Wednesday was W. J. Macnab, pioneer business man and farmer of Vermilion and district, who watched the first train steam in to Vermilion in 1905. W. J. is an old railroader himself commencing away back in 1897.

Air Cadets Visit Namao Station

Thirty-one Air Cadets under the direction of their commanding officer F. L. Stan Manyluk visited the R.C.A.F. station at Namao on the annual Air Cadet day held there last Sunday. The Cadets toured the hangars and watched an air show. They were also taken on a flight of the surrounding area and the city in a C119 Flying Boxcar.

Following dinner in the Airmen's Mess they returned home Sunday evening.

F. L. Manyluk wishes to thank the following persons who drove the cadets to the city in their cars: W. R. Russell, Ward McDonald, Gordon Park, Bob Carmichael, George Evans, Gordon Kessel, Freeman French.

Change In Mail Services

Saturday night, May 31st will be the last despatch of mail by train. No mail will be received or despatched on Sunday, June 1st.

June 2nd will see the motor vehicle service go into effect daily except Sundays. The time table is such that a great change in the mailing habits of Vermilion people will have to be brought about.

Truck for the West, carrying mail for all points west and those east of North Battleford will arrive at 7 p.m. This will mean that the mails will have to be closed at 5:30 p.m. Anything posted after this hour will remain in the post office until the following day.

The eastgoing truck which will carry mail for points only as far as North Battleford arrives at 5:30 a.m. This truck will bring in the big incoming [illegible] will mean that it is going to be impossible for the post office staff to give you the service enjoyed in the past. The best they will be able to do is to have the first class mail out [illegible] your daily newspaper in the boxes when the lobby is opened in the morning.

Some have already been wondering just what kind of service we will get along this line that is from Vermilion to Lloydminster and west to Edmonton. First class mail will not suffer — if mailed on time — and to our adjacent towns Vegreville, Mannville, Islay, Kitscoty and Lloydminster all classes of mail will receive as good service as at the present time.

The P.O. staff will endeavor to give the best service possible but they must have the cooperation of the public. Your mail MUST be posted at least by the 5:30 p.m. deadline. But do not hold it until then. The earlier in the day the better.

Talking with Postmaster Don Taylor he told the Standard that if there were any questions or information regarding the new service he and his staff will be only too glad to help out with any information they have at hand.

Graduates in Medicine

Robert Thomas Morrison, a graduate of the Vermilion High school who was admitted to the degree of Doctor of Medicine at the Spring Convocation of the University of Alberta. Bob received most of his public school education at the Rowtell school and graduated from Vermilion High School in 1951. He then entered the University of Alberta from which he obtained his B.Sc. in Arts class of '54, having majored in chemistry. Entering the Faculty of Medicine in the fall of '54 he graduated with the degree of Doctor of Medicine, class of '58.

During the past two summer seasons he has done research work in the McEachern Research lab at the University of Alberta and will be interning at the University hospital.

Attending the convocation exercises were Dr. Morrison's parents, Mr. and Mrs. Alex S. Morrison, his brother Jack and Mrs. Morrison.

Graduates at Spokane

Miss Ileen Shattuck, daughter of Mrs. Kay Shattuck, Vermilion, who will receive a Bachelor of Arts degree in Home Economics at commencement exercises to be held May 24, is a member of the 1958 graduating class of Holy Names College, Spokane, Washington. Ileen attended school in Vermilion and is a 1954 graduate of St. Joseph's Girls' High School in Edmonton.

Ileen will be employed by Canadian Utilities Ltd., Edmonton for the summer and she plans to return to studies in Interior Design in October.

Miss Shattuck has been chosen as one of six college representatives from Washington State to attend the National Home Economics Convention, June 24-27 in Philadelphia, Pennsylvania.

Graduates In East

Miss Anne Martin, of Vermilion, Alberta, daughter of Mr. and Mrs. George Martin, will receive her Bachelor of Commerce degree from Assumption University of Windsor at the 9th convocation on May 31.

Anne is an honor graduate of the Vermilion High School and commenced her courses in Commerce at the Alberta University.

Mr. and Mrs. Emile Maire of Edmonton were recent visitors in town to wish Mr. and Mrs. Hugh Evans happiness on the latters golden wedding anniversary. They also visited their son John and Mrs. Maire and family at Islay.

153 Years of Canadian Forestry

Shown above are three pioneer members of the Canadian Order of Foresters whose services total 153 years. District Manager Peter Dribnenky is congratulating Mr. S. R. P. Cooper after presenting him with a 50-year button. Mr. Cooper joined the Foresters in 1904 in Brandon, Manitoba, giving him 54 years as a member. Also presented with a button was Mr. Herb Simmons, pictured between Mr. Dribnenky and Mr. Cooper. Herb was sworn in at Drayton, Ont., in 1908 as a member of Court No. 258. The third pioneer Mr. W. H. Duncan shown at the extreme right has 49 years to his credit joining in Dundalk, Ont. He will be presented with his 50-year badge next spring.

The presentations took place at the regular meeting of Court Hilltop No. 1883, the Canadian Order of Foresters, Vermilion, Alberta, on Tuesday, May 6th.

Do's and Dont's Of Water Safety

With the first warm days of summer heralding 'open season' at [illegible] sites and resorts, Red Cross Water Safety officials urge holiday goers to be "Water Wise Swim and Boat Safely".

Of 36 persons drowned in Alberta last year the largest number were children of 1 to 4 years of age. In view of this fact Red Cross urges parents to take the following precautions and avert a water tragedy:

1 Watch children constantly if there are creeks rivers or ponds near the home.

2. Cover open wells and fence excavations in the neighborhood.

3. Supervise children at play in wading pools or garden ponds. REMEMBER that children can drown in two or three inches of water. tf

DON'TS FOR SWIMMERS

DON'T swim alone.

DON'T swim at unsupervised swimming places.

DON'T dive into unknown waters.

DON'T swim after eating wait at least two hours.

DON'T swim when overheated cool off gradually first.

DON'T swim when overtired.

DON'T swim too far from the shore — swim parallel to the shore.

DON'T swim until you become exhausted especially if the water is cold.

DON'T swim after dark.

DON'T panic if you get into difficulties.

DON'T 'duck' or push bathers into water — *Playfulness may cost a life!* tf

Free Blood For Tourists

A friendly agreement between two humanitarian organizations of two great nations is providing a service for Canadian and American citizens of which few are even aware.

Opening of the tourist season will see a flow of Canadians across the border enroute for vacations in the United States. It is likely that few of these vacationists are aware that if hospitalized while in the U. S. they may receive free blood transfusions through a reciprocal agreement between the Canadian Red Cross Society and the American National Red Cross. In turn, Americans in hospital in Canada also receive blood transfusions free through the Canadian Red Cross.

The agreement is purely a paper transaction and no blood ever crosses the border. By means of a 'hypothetical credit' a blood supply is built up for use of visitors from the two countries.

Canadians [illegible] transfusions in American hospitals should advise their doctor or the Red Cross in their home province. They should give their name and address, the name and address of the hospital in which they were treated, the name of the attending surgeon or physician and the number of transfusions received. Notification should be made as soon as possible after receiving transfusions and must be made within three months after leaving the hospital.

Of Many Things . .

By AMBROSE HILLS

Last night I began to read a book which did not seem to promise much excitement. It was called 'The Mere Living,' written by Hazel McDonald Parkinson, and sub-titled 'A Biography of the Hartney District.' Hartney is a small Manitoba town and I feared the story might be dull. Its opening chapter was full of sentences such as 'Our bedroom was on the north side and overlooked the sloping roof of the back shed. In the springtime we climbed out the window and daringly sat upon the roof which became in turn a buggy in which we drove with our dolls to town for supplies, a gypsy caravan when we had been reading a gypsy tale, or after we had travelled by train to Sourgis or Elgin, a railway coach in which we journeyed with all our possessions and our doll family.' Obviously The Mere Living was no Peyton Place. And yet I found myself reading on.

What constitutes the charm of this book? Now having reached Chapter 9, I think I know.

It sets down in print, without any pretence, life almost precisely as it has been lived in the Hartney district for a couple of generations. It does not seek drama, or tragedy or any of the effects commonly supposed to make the best sellers out of books. But the reader who was raised in just such a district unaccountably feels a lump in his throat or a pounding in his heart at certain passages — perhaps because he senses much of what goes on behind the serenity of placid community life.

On travel, livery stables, blacksmith shops ... all are [illegible] recounted simply. [illegible] arrived late in 1881 and lived with the Parsons family while he built a little shop south of the livery stable and secured from Fred Spencer a small shack which he moved onto East Railway Street, three doors south of Dr Woodhill's cottage for a temporary home. Mrs. Batty and [illegible] two children, John and Eva, joined him in 1882.' Do you see what I mean? If you're a small-town boy, somewhere in those lines there's a nostalgic emotion sure to hit you.

What The Mere Living accomplishes, really, is to capture the history of the older families while it is still available. I wish more writers would do the same thing for their communities. I wish more men and women would start putting down on paper (whether they are professional writers or not) the simple story of their generation. It beats Peyton Place for good reading in my opinion. [illegible] about it, old timers? Get [illegible]. Let the youth of this generation know how you struggled for things that they now take for granted, or expect someone to provide for them free. It is a story that needs telling.

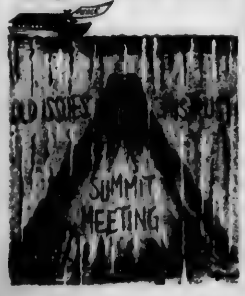
Waiting For The Water To Go Down



Growing industrial might of Alberta was vividly portrayed to interested throngs of interested persons at the 10 day British Columbia International Trade Fair which concluded in Vancouver on May 10. Shown here is an overall view of the province of Alberta exhibit. Some three dozen Alberta made products on display, right of picture, included such items as breakfast foods and canned milk, clothing, dinner ware, auto batteries, steel and plastic pipe, chemicals and chemical byproducts. Sample products were distributed among visitors. European and American buyers showed keen interest in the array. A 'Cities Of The Day' panel highlighted on successive days the 10 cities of Alberta. Other panels described power, gas and coal industries. Alberta pioneers and other former residents who registered at the exhibit expressed surprise and pride in the variety and quality of Alberta manufacturing. The exhibit was a joint project of the Industrial Development Branch, Department of Economic Affairs, cities and utilities. Industrial representatives of cities assisted government officials in manning the exhibit.

Prime Minister Opens Canadian Legion Convention

OTTAWA — Prime Minister Diefenbaker officially opened the Canadian Legion's 17th Dominion Convention at Edmonton on May 25. The ceremony took place in the Jubilee Auditorium on Sunday evening and business sessions began on Monday to continue all week.

A Legion member of long standing, Mr Diefenbaker first joined the Prince Albert branch. He is the only Prime Minister with overseas war service.

The Edmonton meeting marks the first time that a national Legion convention has been held in Alberta. Almost 1500 delegates from all parts of Canada are in attendance at the 5-day sessions, and some 250 resolutions are being dealt with.

A highlight of the convention is a display of Canadian war art from the National War Gallery, Ottawa. Some 45 works by commissioned war artists will be on public display at the Jubilee Auditorium.

On Monday evening the visiting veterans were entertained at a western style barbecue. At noon on Tuesday there was a parade to the cenotaph with Lieutenant Governor J. J. Bowlen, L.L.D. taking the salute.

DONTS FOR BOATERS

DON'T go out in a small boat unless you are a competent swimmer or are wearing a life preserver.

DON'T overload any boat — one person for each seat is a good rule.

DON'T use a craft that is not completely seaworthy.

DON'T go boating in stormy weather.

DON'T stand up in a boat or canoe — learn to handle watercraft.

DON'T change places in a small boat.

DON'T leave the boat if it capsizes — cling to it until rescued.

DON'T attempt to swim to shore.

DON'T shoot rapids.

DON'T use home-made rafts or logs as boats.

DON'T overpower your boat — be sure your motor is designed for your craft.

DON'T drive your boat in or near bathing areas. tf

"GREEN ACRES"

DUST STORMS

On Sunday clouds of dust were rising from a lot of newly-seeded fields in this area. It is too bad to see this good top soil blowing away. Actually there is no need for it as every grain grower in the district knows how to prevent his soil from drifting. Do not burn stubble or bury it with the plow. Leave it worked into the surface soil. Do not use plows, disc harrows or drag harrows. Keep trash on the summerfallow instead of making it black. Keep the surface soil lumpy instead of working it up to dust.

STOP THE DRIFTING

If we get more high winds and soil starts to drift there are a number of things that will check the damage to some degree. Duck foot cultivators at right angles to the prevailing wind will check drifting. Moist soil is turned up in lumps. The distance apart of the strips will depend on the amount of drifting. Drifting usually starts near the west side of a field and spreads eastward as the wind keeps blowing. Blowing can often be checked by spreading straw on drifting areas. It is, however, a case of prevention is better than cure.

ESSAY CONTEST

I have just been informed that the North Central Weed Control Conference is conducting a "Weed Essay Contest" again this year. A scholarship of $300 is offered to the boy or girl between 12 and 18 who writes the best essay. Further particulars are available from this office. School principals are asked to encourage students to enter this contest.

BEE DISEASE ACT

I have been asked by the Agriculture branch, Department of Agriculture, Edmonton, to announce that everyone keeping bees should register with that branch each year as a beekeeper. It is required under the Bee Diseases Act that permits be obtained before used bee equipment is sold or moved. For further information call at this office or write for same.

YOUNG PEOPLES' WEEK

The 40th annual Farm Young Peoples' Week will be held this year from June 18th to 26th. Young people from farms in Alberta between the age of 16-27 are invited to attend. The cost is $20 each. It is expected that applicants attending will have some interest in attending the School of Agriculture or university, although this is not altogether necessary.

I have been asked to recommend one person only from this district to take this course without expense. Please see or telephone me by Monday, June 2nd if you are interested so that I can report to the organization concerned on Monday evening.

SPRAYING WEEDS

Nearly all spraying of crops to control weeds is done too late to get best results. Why not make plans now. Get the chemical from your dealer and a circular on spraying weeds from this office. Check over the sprayer and then you will be already when the weeds are at the stage when they are easiest to kill. There is no outlay that pays off better than money spent on 2,4-D or similar chemical but it must be put on at the right time.

Viking Car Bingo

Number drawn on Saturday, May 24th: B 10.

The following is a list of the numbers drawn to date in the Viking Curling Club's car bingo:

B — 4, 1, 13, 2, 5, 12, 7, 10
I — 16, 21, 20, 27, 25, 18, 22, 27, 24, 17
N — 35, 43, 34, 31, 34, 37, 38, 41,
G — 57, 56, 57, 60, 48, 58, 49, 58, 59, 48, 46
O — 66, 61, 69, 73, 65, 74

Prizes left to win are outside square; letter 'H'; car.

Cards are available from Mr. Walter Fisk in Vermilion.

Cotton culture is thought to have originated in India about 1300 B.C.

Tips on Touring

By Carol Lane
Women's Travel Authority

Summertime — and the livin' is easy, according to the song. But for your car it's a time of hard, hot work. Make it as easy as possible by checking these things now:

Has the anti-freeze been drained, and the radiator refilled with water containing a rust inhibitor?

Is the fan belt tight enough? Examine the radiator hose for possible leaks. Make certain the summer thermostat is installed.

If you haven't switched to a heavier oil, have it attended to now — and get a complete lubrication job. While the car's at the service station, have the battery and electrical equipment checked. It's a good time to have your tires switched, too. Need a new spare?

Did winter driving jolt your wheels out of alignment, or damage braking power? It's easy to have these things tested.

A warm weather car check-up will help you enjoy "easy livin' and easy drivin'" this summer.

4-H ACHIEVEMENT DAYS

The achievement days of the 4 clothing clubs and 2 food clubs in this district have been completed. Each club exhibited the results of their project work and held a short entertaining program to which parents and friends were invited. In each club an 'Efficiency' winner is chosen each year. This girl is top member in her club for the year. Her award is a trip to the Vermilion School of Agriculture to attend the 4-H Club week. The winners this year are:

Marwayne Clothing Club — Betty Ann Murray.

Hughenden Clothing Club — Joyce Anholt.

Mannville Clothing Club — Berna Cotter.

Metiskow Clothing Club — Leona Hesse.

Islay Foods Club — Sharon Redmond.

Paradise Valley Foods Club — Sharon Dobson.

Congratulations, girls. Further particulars regarding Club week will be forwarded to each girl later in June.

RHUBARB SEASON

Rhubarb is the first spring food to appear in abundance in our gardens. Its tangy freshness brings a lift to lagging appetites. Use it frequently now in pies, upside-down cakes or just plain stewed. Don't forget, however, that rhubarb served in winter adds a note of spring to winter menus. To have on hand later, freeze some now while it's young and tender. It's easy to freeze — just cut in one-inch pieces, add sugar or not as desired and freeze. For a delightfully cool summer drink boil rhubarb pieces, extract the juice and add sugar to taste. It can be used plain or mixed with other juices or ginger ale for a party punch.

Mannville Elks Newspaper Bingo

Numbers drawn in the Mannville Elks Newspaper car bingo on Friday, May 23rd: B 9; G 50.

The following is a complete list of the numbers drawn to date:

B — 10, 15, 12, 13, 6, 4, 14, 9
I — 17, 25, 24, 20
N — 31, 34, 41, 43, 33, 45, 36
G — 47, 48, 54, 55, 58, 60, 58, 50, 52
O — 61, 64, 66, 71, 72, 73, 75, 67, 67

The following prizes have been won: 4 corners; St. Andrews' Cross.

The grand prize is a 1958 Dodge Crusader. 43

DEWBERRY CWL PICNIC

The Dewberry C.W.L. are holding their annual picnic on Sunday, June 1st at the Dewberry Sports grounds. Ball games, children's races and bingo. Free admission, booth on grounds. Everybody welcome. 46

Vermilion Elks Newspaper Bingo

Number drawn Friday, May 16th: I 17.

B — 1, 9, 13, 14, 5, 12, 10, 2, 6
I — 16, 18, 19, 20, 23, 21, 24, 25, 30, 26, 27, 28, 17
N — 32, 35, 39, 41, 36, 44, 35, 42,
G — 46, 50, 55, 56, 53, 46, 59, 60, 59
O — 61, 65, 72, 73, 62, 68, 66, 70,

B and N bingos have been called, leaving just the outside square and the blackout.

Bingo cards may be obtained from any member of the Elks and Walter Fisk in Vermilion, or the special agent in your town—

KITSCOTY — Trask's store.
MARWAYNE — G. Hancock

Marwayne High School Holds Graduation Exercises May 23rd

A graduation banquet was held in Marwayne school on Friday evening, May 23rd, catered to by the Home and School Association.

Five graduands and their parents were the honored guests. They were Maureen Culford, Lorna Katz-Maryk, Ronald Golightly, Russel Shaw and John Williams.

Official guests were Mr. J. R. Robson, secretary of the Vermilion School Division and Mrs. Robson, Mr. W. L. Brown, divisional trustee and Mrs. Brown, Mr. A. Hancock, chairman of the local board and Mrs. Hancock, Mr. W. Curtis, secretary of the local board and Mrs. Curtis, Mr. J. Spence, Mayor of Marwayne and Mrs. Spence, Mr. Jas. Hale, secretary of Home and School and Mrs. Hale, Father Henchel, the Rev. A. E. Porter and Mrs. Porter and the school staff with their husbands, wives or escorts.

Mrs. Culford, president of the Home and School and chairman for the evening, called on Father Henchel to deliver the invocation and the guests sat down to tables tastefully decorated with apple blossoms and place cards designed with the school crest. After eating, a toast was made to the Queen.

Mayor Spence was then called upon for a few remarks in which he compared the graduands to his plants which he has been caring for in his greenhouse and now soon, like these plants, will be out on their own in the outside world. He warned them to be careful of the bugs, the thrips and the weeds.

Mr. J. Gardiner, principal of the school, then introduced the graduands in turn with words of commendation and a little humor. Maureen and Lorna are taking business. Ronald intends to farm while Russel and John are joining the RCMP with the possibility of the Navy for John.

Greetings were then extended by Mr. Brown from the divisional board and by Mrs. Culford from the Home and School Association.

Maureen Culford, class valedictorian, ably presented a message dedicated to the parents and teachers.

Mr. Hancock then replied from the local board with well chosen words.

Mrs. Culford called on Mr. J. R. Robson for the main address of the evening. Mr. Robson's message was inspiring and thought-provoking. He defined the word "graduand" as a student in this period of waiting until the examination results are known, then, after that, they are graduates. They were told to remember the 'duties' expected of them: to visit their mothers and fathers often, their duties in their home; their duties to the community, to their country and international duties. He told them to have faith in themselves and to fight the good fight with all their might. The sum total of this life is the result of our own decisions. Mr Robson presented each graduand with a copy of the Four-Way Test of Life by Rotary International.

A dance was held later for all the high school students, a friend and their parents as well as the banquet guests. The stage was decorated in the school colors of black and gold and the rest of the auditorium with the graduation colors of white, blue and pink crepe paper and balloons. The white dresses of the grads with the pastel shades of the other girls' dresses, along with the dark suits of the boys made a lovely picture.

Music was supplied by the local Combos and a bountiful lunch was served at midnight by the Home and School Assoc.

CANADIAN LEGION W.A.

A meeting of the Ladies' Auxiliary to the Canadian Legion is to be held at the home of Mrs. H. Pare on June 2nd at 8 p.m. Attention Ladies — the church parade from the Anglican church will be on Sunday, June 15th at 7:00 o'clock. 48

Blasting caps used to detonate explosives in blasting sewers, roads, dams or for building excavations can seriously injure children who might mistake them for firecrackers or empty rifle cartridges. Here are examples of different types of blasting caps: 1, an aluminum blasting cap with safety fuse attached, 2, an aluminum blasting cap without safety fuse, 3, an electric blasting cap. All are dangerous in the wrong hands and children finding a stray one should notify parents, police or other authority.

Mannville Man Bound for Europe

MANNVILLE. — Embarking from Montreal on the 22nd of May, Edwin Torrance left on a Cook's Tour, expecting to arrive at France on the 29th of this month. Landing at Le Havre, he will spend two or three days in Paris, then to Nice via train. By motor coach he will travel through the French and Italian Riviera to Rome, and from there to Switzerland, after touching at Florence. He will sail by steamer down the Danube through Germany to Holland, then to Brussels in Belgium where he intends to spend a few days at the World Fair. From Brussels he will proceed to London, and while in the British Isles Edwin plans to visit Scotland, Wales and Northern Ireland. It is there in the latter country that he will attend and take part in the world famous Orange parade, as Edwin is a Past Master of that order himself. It is hoped to have a full report of all Edwin's journey on his return as these Cook's Tours have proven most interesting in the past.

Province Arranges 2-Day School For Swim Instruction

Instruction on all the finer points involved in swim coaching and officiating at swimming clubs and meets will be provided at the swimming school to be held June 6 and 7 at Red Deer Composite High School. The two day course, starting at 7 p.m. on June 6, is arranged by the Community Recreation Bureau of the Cultural Activities Branch of the Alberta Department of Economic Affairs, in co-operation with the Canadian Amateur Swimming Association, Alberta Section. Sessions continue all day Saturday, June 7.

Such aspects of swimming instruction as synchronized swimming and competitive strokes, and special sessions on weight training, land drill, diet and officiating, will be provided by provincially and nationally known swimming authorities.

Applications for the course will be received by Miss Elsie McFarland, Community Recreation Bureau, Room 425 Legislative Building, Edmonton, until May 30. A registration fee of $2 must accompany all applications.

Wildwood East

A shower was held in the hall Saturday evening for Miss Alberta Drysdale and Mr. Ralph Shaner. Mrs. Alf Jack supervised while many games were played — then three travelling salesmen arrived with well-filled suitcases and presented their contents to the bride and groom to be. After opening the gifts Alberta thanked her friends for their thoughtfulness. The newlyweds now are living in Edmonton and best wishes are extended to them for a happy life together.

Many ex-Wildwoodites returned for the recent long week end.

The Neil Shook family and the Merinus Hansen's went north for a day's fishing. [illegible] big ones get away."

The neighborhood has once again said farewell to the Marshall Bowen's, this time they moved their house with them.

Mrs. Alfred Jack spent a week end in Edmonton leaving Mrs. G. Jack to supervise for one day.

Mr. and Mrs. J. D. Stone, Mr. and Mrs. B. Stone and Ricky visited the Hilts family in Golden Valley on Sunday.

Masonic Lodge Celebrates 50th Anniversary

MANNVILLE. — The 50th anniversary of Hope Lodge, A. F. and A. M. was celebrated on May 21st in the presence of a large gathering of Masons from numerous Alberta lodges. The afternoon session in the school auditorium featured addresses by Grand Master S Bannon, Blairmore, L. O Sanders district deputy Edmonton, and Grand Secretary, Edward H Rivers of Calgary. A service of thanksgiving was conducted by Rev K. C McLeod, past grand chaplain, Grimshaw assisted by Rev I. C. Holter Mannville lodge chaplain.

At an evening banquet attended by 100 Masons representing many lodges in the province, S Carl Heckbert of Vermilion, past grand master, was the guest speaker giving an outstanding address.

W. N Crooks secretary of Hope Lodge Mannville, was the toastmaster. Catering to the full course turkey banquet was by the ladies of the Eastern Star.

CLANDONALD

The following is a [illegible] news item. The six families noted below enjoyed a series of [illegible] card parties during the past winter namely [illegible] Norman Stone Ray [illegible] Verll Sweet, the Boyce's and the Cooper's. A party was held each week. The hosts for the evening supplied the lunch and small prizes.

At the end of the season each family gave a donation to buy grand prizes. These were presented at a final party held at the home of Norman and Blanche Stone. This was a potluck supper with games and contests following.

Winners of the grand prizes were: ladies 1. Winnie Stone; 2. Pauline Goad; Gents, 1, Gerald Boyce; 2. Frank Stone.

If you haven't already a club like this in your district plan to start one next winter.

WILDMERE WINKS

On Monday the writer accompanied Gary Cruthers, his mother and Bobby [illegible] to the [illegible]. After the [illegible] we all visited Norman [illegible] and family, a brother of Mrs. Cruthers. The boys also called at the Dutton and Fortier homes. It was a very enjoyable day. Going through the big stores 'window shopping' is quite an experience.

Our student minister gave an interesting sermon Sunday evening on "Atonement". He also sang a solo enjoyed by everyone. Come on out folks and hear this young man as our summer services slip by all too quickly. Glad to see Mr and Mrs Webster out, also Bill and Adam Smith.

The writer visited the Old Timers' centre Monday morning and was very pleased to see so many ways old timers can [illegible] themselves in it. It is very nice.

News is rather scarce as is our time this week. Glad you phoned Mrs. Herman Eyben before you left for home. Sorry we did not have a chat [illegible]. We will strive to keep the [illegible] up as you suggested.

It is hoped Mrs. A. Carlson is soon feeling better.

Chatted with Mrs. Osborn Sr., Mrs. L. Howard, Mrs. Haverstew, Mrs. Regan and Mrs. R. Donily, and had supper with Miss Craig at the Rio cafe.

Congrats to Mr. and Mrs. R. Rapp on the birth of a baby boy.

NEWS from ISLAY

Mr and Mrs. Herman Caro of Borradaile on the occasion of their 40th wedding anniversary, were at home at a dinner for relatives and friends on Saturday May 24th at 6:30 p.m. The dining room was very tastefully decorated in pink and white streamers centred with a pink bell. A beautiful [illegible] cake, a bouquet of cut flowers from her grandchildren and a lovely flowering tuberous begonia from a son in Holland; a very pretty cloth adorned the buffet, also from Holland. There were a number of other gifts from friends and an electric tea kettle from daughter Bertha and son Jack. At dinner Mr Krick proposed the toast in Dutch to the honored couple and Mr Freestone gave it in English. Mr Caro replied in a splendid manner. Mr Caro's niece and her husband Mr and Mrs. Mayner came from Edmonton, Mr and Mrs. Krick from Lloydminster, Mr and Mrs. Jim Nevan, Edmonton, Bertha Caro from Edmonton, Mr. and Mrs. Tom [illegible] and Beverly, Mr. and Mrs. Frank Robinson and [illegible] Mr and Mrs. Freestone, [illegible] and Gladys Stone Mr. and Mrs. Edgar Williams, Mary, Shirley, Jim and Kenneth, Jack Caro of Cold Lake. The following day open house was held from 2 to 5 p.m.

A crew arrived last week to paint the new Pool elevator.

Mr and Mrs. Chas. Young of Vermilion called at the home of Mr and Mrs Jim Allan on Monday.

Mrs. Percy Golby is a patient in the Islay hospital.

Mr and Mrs. Bob Saville of Irwinville were in town Monday.

Mrs. Purves, Mrs. Geo. Purves and children, Mrs. Schaller and Jim were in Vermilion on Monday.

A number of Islay folk have signed up for the season membership for the Overture Concerts in Lloydminster.

Graduands Are Feted At Derwent

DERWENT. — Fifteen graduands of Derwent High school were honored at a banquet held at the National hall. The U.W.C.L. catered for the banquet.

Following the banquet, Miss Lavina Palinka and Mrs. C. Sakowsky delighted everyone with a musical interlude. Mr. W. A. Sakowsky, the master of ceremonies, introduced the graduands, their escorts and parents to the assembly. C. A. Algot, mayor of the village extended his congratulations to the grads. Orest Bespalko paid tribute to the parents and Mrs M Hanasyk replied. Miss Jeannie Bober presented the toast to the school. Mr W C Bober, principal, extended his thanks and best wishes to the grads and presented each with a graduation pin.

Mr N Mykiw superintendent of schools, presented the toast to the graduands. Miss Lillian Bielech was the valedictorian, and Emil Sakowsky, the president of the Students' Union, thanked the graduands for their fine participation in student affairs.

Following the banquet, the graduation dance was held in the gym with Vegreville Melody Men in attendance.

The graduands for 1957-58 are: Jeannie Bober, Evelyn Hanasyk, Lillian Bielech, Elizabeth Lychak, Lillian Pidwerbeski, Elsie Kwasnycia, Sally O'Neill, Ruth Demyd, Richard Podlubny, Eugene Shayka, Eddie Melnyk, Marshall Jaremco, Stanley Kobylka, Leonard Wysocki and Orest Bespalko. Honor students for 1956-57 are Irene Chalkowski and Orest Bytsowski.

48 YEARS AGO

MAY 23, 1910

A school district has been formed at Deer Lake and $1500 will be borrowed for the erection and furnishing of the school.

The town council is warning citizens against the practice of allowing chickens to run at large. This is considered an annoyance to the neighbors.

Dewberry Home And School

The May meeting of the Dewberry Home and School Association was held on May 15 with only very few in attendance.

However, the meeting went ahead and current business was attended to.

Final arrangements for the lunch counter at the track meet were made, and a donation committee was elected as the election is next month. The report from the convention was tabled to be given at the June meeting. Please don't let the delegates down at that time.

The Dewberry track meet is now history. The weather was most co-operative and youngsters were there in large numbers but the lack of parents and adults was very noticeable. Dewberry came out on top with a total of 173 points. We are to be reminded that such an event doesn't just come out of a clear blue sky. It is hard to realize the tremendous amount of work that has to be done by the pupils and teachers, sand pits to be dug, practising, organizing etc to have such a worthwhile event run off without confusion. Congratulations to them on a job well done.

A busy time was had at the lunch counter, but that was nothing compared to the soft drink counter. Our children are really soft drink addicts - over 30 cases were sold. Thanks are extended to those who helped in any way to make the lunch counter a success.

See you at the June meeting.

New Minister Is Welcomed, Mannville

MANNVILLE. — After service last Sunday evening, an open reception for the new Anglican rector, Rev. H. Shell and Mrs. Shell, was held in the parish hall, sponsored by Christ Church W.A. Life members of that organization, Mrs. C. Mans and Mrs. A. M. Rutherford, introduced the rector and his wife to those present at this hour of fellowship. A delicious lunch was served by the ladies of the W.A. to assembled guests.

NOTICE
The offices of Dr. R. A. Lyon, Dentist, will be closed from noon on Saturday May 31 for that day only. 46-6

People from all walks of life have luck, but some seem to have more of the hard variety than others.

LOCAL NEWS

ENGAGEMENT ANNOUNCED
Mr. and Mrs. Obert Gunderson announce the engagement of their daughter June Roberta to Mr. Ronald William Mix, only son of Mr. and Mrs. W. B. Mix of Vermilion. The marriage is to take place on Tuesday, June 24th, 1958 at 7:00 o'clock in the evening at the Alliance Chapel, Vermilion.

ENGAGEMENT ANNOUNCED
Mr. and Mrs. George Fluney announce the engagement of their second eldest daughter, Muriel Doreen to Mr. Ronald William Johnson, son of Mrs. Dorothy Johnson of Clandonald, Alberta. The wedding will take place on Wednesday, June 11th in the First United Church, Vermilion at 2:00 p.m. Reception to follow in the Dewberry hall at 5:00 p.m. Friends and relatives please accept this as your invitation.

ENGAGEMENT ANNOUNCED
Mr. and Mrs. Floyd A. Hawley of Love, Saskatchewan, announce the engagement of their daughter Martine Maye to George Sidney Burdett, son of Mr. and Mrs. S. C. Burdett of Vermilion, Alberta. The wedding will take place on July 4, 1958 at 4:00 p.m. in the White Fox United Church, White Fox, Saskatchewan.

Mrs. A. Cameron left this week for Haney, B. C. where she will visit her daughter and family, Mr. and Mrs. John King. Mrs. Cameron delayed her departure in order to attend the official opening of the new composite high school. She also attended the official opening of the brick school in December, 1908.

Mr. and Mrs Roy Cameron and two sons and Mrs. Johnson of Mannville spent the holiday week end with Mrs. A. Cameron in Vermilion.

After being home with his parents, Mr. and Mrs. Bill Anderson since coming out of the Royal Canadian Navy where he served for five years, Jim Anderson has been accepted into the R. C. A. F. and left Sunday for St. Johns, Quebec where he will take his R. C. A. F. training.

Curtis Alfke competed in the Bankers annual golf tourney at Red Deer on the Victoria Day week end and won the championship flight.

Recent guests at the home of Mr and Mrs. Ross Boake have been the former's mother from Edmonton and Rex and Betty Boake also from Edmonton.

Mrs. Thos. Thompson, district commander of the W. A. to the Canadian Legion, is spending from Sunday to Friday attending the Legion convention in Edmonton this week.

Legion delegates to the convention are George Richardson, president of the Vermilion Post and Victor Tillett.

First Officer Ken Caron who is employed with C. P. A. is at present visiting in Vermilion at the home of his parents, Mr and Mrs George Caron. Ken has recently been transferred from Prince Rupert to Edmonton.

Mrs. M. Taylor and sons Frank and Duncan of Calgary have been holiday visitors at the home of Mr and Mrs. Clarence Barr. They returned to Calgary by way of Jasper and the Columbia Icefields, and were accompanied by Mrs. Barr.

The winner of the Kinette dress of the month was Mrs. Bill Chapman. 46c

Mr and Mrs R. J. Shepherd of Edmonton were week end visitors at the home of Mr and Mrs. T. L. Conboy.

Miss Roseline Procyshyn of the Toronto-Dominion bank staff in Edmonton, spent the holiday week end at the family home.

With the Clandonald Promenaders

On April 20th Art Ziegler of Clandonald was the caller at the Promenaders' square dance. He was accompanied by Marg. A large crowd was on hand to greet this popular couple.

On May 14th Harold and Irene Schacher of Bawlf called for another large crowd, seven squares to be exact. Clubs represented at both dances were Derwent, Heinsberg Greenlawn Elk Point, Lindberg, Islay, Vermilion, Islay and Mannville.

On June 21st both the above couples will be calling for a mammoth dance in Camrose with proceeds for the Crippled Children. At this dance too, Harold and Irene's 6-year-old son is going to call for children's squares.

Bob Peck will call at the next square dance in Clandonald.

Mr. and Mrs. E. B. Johnson and little daughter Elnor Mae of Dawson Creek were visitors for a short time Monday at the home of Mr. and Mrs. Doug Cooper, on their way back home after spending two weeks at various points in Minnesota. They were accompanied by Miss Darlene Johnson, a niece, who will spend a month or so at Dawson Creek.

Mr. and Mrs. Chas. Dunn and their two daughters Judy and Cheri were Edmonton visitors Monday and Tuesday of this week.

Miss Dorothy Taylor of New York City flew home on Saturday to visit her father, Mr. Raymond Taylor, who is seriously ill in the local hospital.

Ed Baldwin who has spent the winter at Penticton, B. C. has now returned to Vermilion for the summer months.

Wm. T. Bothwell of Regina spent the holiday week end of May 19 with his parents Mr. and Mrs. Thos. Bothwell of Vermilion.

Mr. and Mrs. Bud Baddock are away on a trip to Oakville, Ont. this week. They will pick up a new Ford there and deliver it to Bud's Dad, Mr. Jack Baddock in town. The car was purchased through the local dealer, Oilfield Motors.

Stewart Cooper spent the long week end of May 19 at the family home in town. He had spent the previous week at the plant of the Wainwright Producers and Refiners, Wainwright. He has now returned to the Edmonton office of the company. While here he enjoyed very much playing with the senior football team in their holiday tourney.

Don Taylor plans to leave Sunday for Calgary where he will attend the annual convention of Alberta's postmasters.

CARD OF THANKS
I wish to thank Drs. King Evans and Stephens, the matron, nurses and staff of the Vermilion hospital. Also all my friends who visited me and sent cards, flowers, fruit and gifts during my stay in the hospital.
Mrs. Marion Maggs.

CARD OF THANKS
I wish to extend my sincere thanks to Dr Evans, the matron and nursing staff of the Vermilion hospital for the very kind care and attention I received while a patient there. Thanks also to all the kind people who so thoughtfully sent cards, letters, flowers and gifts. All this was deeply appreciated.
Mrs Margaret Duncan.

CARD OF THANKS
We would like to extend our sincere thanks to Mrs. Jack Hobbis, Jim Ferguson and the RCMP in helping locate little Cheryl last Saturday afternoon.
Vic and Helen Rogers.

CARD OF THANKS
I would like to thank my friends and neighbors for their generous assistance while I was in the hospital. My special thanks to Ernie Stuhl for his time and trouble doing my chores and arranging the bee. Thanks to Dr Evans and the nursing staff at the hospital for their kindly care.
Ted Filipkowski

IN MEMORIAM
In loving memory of
DAD

"There is no death no fear
ful darksome night
It is the entrance to eternal
light
The portal where our earthly
pathways end
A gladsome trysting place of
friend with friend
He has just gone a step or
two ahead
To larger, fuller life — he is
not dead."

—In fond remembrance. Mom, Matt and girls

IN MEMORIAM
In loving memory of
DELAREY LYNN TONER
who passed away May 30 1954 at the age of 1 years and 11 months

"You cannot say, you must not
say
That she is dead. She is just
away!
With a cheery smile, and a
wave of the hand
She has wandered into an un
known land
And left us dreaming how very
fair
It needs must be since she
lingers there
So think of her faring on, as
dear
In the love of There as the
love of Here
Think of her still as the same,
and say
She is not dead, she is just
away!

Ever remembered by Dad, Mother and Sister Pat.

Nurses Shower Bride Elect

Some 20 nurses, nursing aides and other well wishers gathered at the home of Mrs. Edith Waldenberger on Tuesday, May 13 for a surprise shower for Lillian Woyewitka. After several interesting games, Lillian had bells to answer from each room in the house, for which she received a gift. The last two bells brought forth a "coke" wagon filled with parcels and a doll carriage pushed by Ellen Waldenberger dressed as an Alex graduate. The carriage was decorated in the school of nursing colors of purple, gold and white. Before opening the gifts, Lil made a wish for each of those present and thanked everyone very graciously.

The evening closed with the serving of a delicious lunch.

DRAW FOR CUB CHAIRS
The draw was made recently for the lawn chairs raffled by the Vermilion cubs. The lucky winners were Mr. J. Wenmouth of Saskatchewan (Mrs. A. Palin's father) and Mr. Ken Greenwood of Vermilion.

The chairs were put together by cub pack no. 2 and the proceeds go to the cub hall.

Miss Lillian Halverson was home from Vermilion visiting her mother and friends.

Solve a Crime
BY A. C. GORDON

YOU ARE THE DETECTIVE

Big Bill Denning is dead, presumably a suicide as the result of an overdose of sleeping pills in his coffee. Denning had been a giant of a man, and as you pace the floor in the living room of his home, you notice that all the furnishings seem to have been scaled to his measurements — oversized chairs, immense [illegible] trays, great, hold-pa[illegible] pets and draperies. The suicide angle doesn't quite satisfy you, and you now have in the room with you four good suspects — four persons who you know hated the ill-tempered Bill Denning.

As you turn to look at the pretty young maid, Alice Gregg, her husband, the butler, places a protective arm around her shoulders. You know he had plenty of occasions to be angry at Denning for his advances at Alice. Robert Gregg speaks up: "Alice and I were sleeping when we were awakened by angry voices. We couldn't make anything of it, and had almost fallen to sleep again when the headlights of a car coming into the driveway reflected on our ceiling and woke us again. We noticed it was exactly three o'clock."

Your gaze wanders to Mary, the cook. She has certainly had plenty of motive for killing Denning. She had been forced to bear the brunt of much of her employer's fits of temper, and she had become resentful and sullen of late — so much so, in fact, that Denning had threatened to dismiss her.

Joan Denning, the dead man's wife now speaks up. "Bill was out attending some convention affair in town last night, and I was watching the late movie on television. I had a terrific headache and finally decided to walk to the all-night drugstore for some medicine. This was about two o'clock in the morning. When I returned, I lay down on the sofa to wait for Bill. When he came home at about three, he told me to ring for Mary to make some coffee for him. I told him I could make him some, [illegible] I awake Mary said that was what he was paying her for." Joan Denning burrows down even deeper into the huge wing chair, which seems to dwarf her small, delicately-formed figure.

You nod slowly as you remember the drug clerk's corroboration of Mrs. Denning's story — the make your arrest.

Whom do you suspect of murder, and why?

fact that she had been in the store for medicine, and that she had to hurry home to wait for her husband's return. Then you excuse yourself and walk outside to think things over. You see Denning's car still parked on the driveway and you slide in behind the wheel, absent-mindedly pushing the front seat back to accommodate your long legs. You sit there for several minutes, turning things over in your mind — then you have it — and you hurry back into the house and

** ** **

SOLUTION

You suspect Joan Denning of killing her husband. You had to push back the front seat of the car, which leads you to believe that someone small, like Joan Dening, had driven the car after Big Bill Denning had been in it. You suspect Mrs. Denning of having fixed the fatal cup of coffee, then driving to the drugstore to establish her alibi *AFTER* she had killed her husband. Then she could have returned to the house at three o'clock and awakened Mary to make some coffee which, she claimed, was for her husband.

MARWAYNE

Some of the long week end visitors at their homes, missed in last week's paper are Mr. and Mrs. Gordon Sidee (nee Noreen Bobroski), Mr. and Mrs. Norman Murray and the Rev. T. Addison and daughter at Duncan Addison's.

Congratulations are extended to Mr. and Mrs. Jim Kent (nee Marilyn Whiteside) who were married in the United Church, Dewberry on Monday, May 19. Jim is working as a carpenter on the school and they are living in Bob Hillaby's house on the farm.

The Little Leaguers played in Kitscoty on Wednesday and were defeated by a score of 6 - 5.

Mr. and Mrs. Sinclair attended the Graduation in Nursing of Miss Enid Timanson at Vegreville on Sunday evening, May 18.

Mr. and Mrs. H. Hillaby went to Edmonton last week to see their daughter Lillian off to Italy after her furlough. While there, Mrs. Hillaby had the misfortune to fall and break her shoulder. After being in the hospital in Edmonton for two days, she was brought home and then moved to the Lloydminster hospital.

Mrs. Kay Hillaby is also a patient in the hospital.

Mrs. Adam Fairbairne was an Edmonton visitor this week, coming back with Mrs. Sonley.

Mr. Sonley and Mr. Blake are home from the hospital. Mr. Blake has the basement dug for his home on the lot between Sevele's and Midgley's.

The ladies of the Catholic Altar Society are holding a bake sale in Mr. Elliott's office on Sat. evening, June 21.

Mrs. Reinheimer has had her sister Mrs. Wells of Mayronne, Sask., visiting with them this week.

The 8 month old toy terrier pup owned by Mr. and Mrs. C. Harrington killed and brought [illegible] a rat on Sunday morning. This was reported to the town council immediately.

On Thursday afternoon last [illegible] School girls defeated the Jr. High in a soft ball game while in the evening the men's hard ball team won over the Jr. team.

On Saturday May 31 the track meet eliminations will be held at Streamstown and on June 6 the Divisional track meet in Kitscoty. That accounts for the running and jumping at the school. The merry-go-round is also in operation in the school yard which accounts for some of the dazed [illegible].

At a hard ball game played in Marwayne Sunday afternoon, Dewberry Juniors defeated Marwayne 11 - 7.

Remember the Home and School meeting on Tuesday, June 10.

On Thursday, May 15, the Marwayne C.G.I.T. had a weiner roast at Mrs. Johnson's. After the business meeting, Sheila Robbie and Louise Parker gave a very interesting report on their leadership course at Alberta College during the Easter holidays.

The annual Mother and Daughter Banquet will be held on Thurs. May 29. The speaker will be Mrs. Shortt from Kitscoty.

The scrap book on Alberta has been completed and will be sent to Japan.

the Snapshot Guild

Little Leaguers in your family or neighborhood are excellent picture subject material.

"Play Ball!"

The clean sharp whack as wood meets leather — is there any other sound that's a surer sign of spring? It's baseball time around the country and no picture-taker has to wait for the big stadium game to get exciting action shots. There's plenty of picture material awaiting you at any neighborhood park, playground or empty lot.

If your household boasts a young man in a visored cap wearing a baseball mitt, just follow him almost any Saturday morning. Otherwise, amble over to the nearest park or school playground and follow the sound of high-pitched voices until you're right in the midst of a game in action. There it is — every bit as good for snapshooting as what you see on a large stadium [illegible] — the pitcher winding up and exploding into a pitch, the stance of the batter, the swipe at the ball, the quick movement of the players, the roar of the spectators, the grim-faced referee, the bench filled with eager young "replacements."

A word about camera equipment first: it isn't even necessary to have a camera with a fast shutter unless you're planning to concentrate on the running action of the game. Your trusty box camera can actually do wonders with the material at hand, for a speed of 1/25th of a second is all you need to catch the dramatic highlights of the play.

With a simple camera, however, you'll do well to use your flash equipment even if there's a bright sun in the sky. Flash will increase the effective speed of your shutter to the point where it's about the equivalent of 1/100th of a second — or fast enough to catch all the action of your subjects.

The way you handle your camera can make a world of difference to the final prints. This is no time to have to fuss with adjustments — so have fresh film in your camera, exposure and distance pre-set for the general prevailing conditions. Try to shoot from waist level, if you can. That way, you won't miss any of the fast action which may be over by the time you raise the camera to your eye.

670 —John Van Guilder

CNR Employing 3,600 Extra Men

WINNIPEG — Canadian National Railways are employing 3600 extra men in the western region this year to strengthen their regular track forces, J. R. McMillan, CNR vice-president, western region has announced.

They will supplement the 6,600 regular western region track and bridge and building [illegible] engaged on routine maintenance on the CNR's six-year western region track improvement program [illegible] which has a heavy [illegible] tabled for this year.

The men will assist in installing heavier rails, crushed rock ballast, signals, and in carrying out other track betterments in this region.

Improvements to track in recent years have already added to the CNR's high standard of efficiency Mr. McMillan said. The program now underway will result in even greater betterment to CNR services and also lead to even more efficient operation.

The summer work program will be carried out on all divisions in the western region, which comprises 12,160 miles of main line, and 2,400 miles of spurs, sidings and yard tracks.

New and relay rails will be installed on 498 miles of track; 1,300,000 cubic yards of ballast will be laid including 1,000,000 cubic yards of crushed rock on 572 miles of road bed, over 1,500,000 ties will be replaced, 300,000 cubic yards of earth and rock moved in bank widening and 1,700,000 tie plates and 160,000 rail anchors will also be installed.

The Rainy Season will soon be here, and your

McLAUGHLIN'S SELF-SERVE

News from Dewberry

Don't forget the St. Anthony's church picnic on Sunday June 1. Ball games, races for the children and bingo will be played. The ladies of the C.W.L. will sell lunch, salads, hot dogs etc. The men will dispense soft drinks etc. There is no admission charge.

The Dewberry Farmers and 4-H will again hold a picnic on the same lines as last year on the local sports grounds. Due to the Lea Park bridge opening being held on the 13th the picnic is to be on Saturday, June 7th. The program will feature baseball, fastball and horse events such as [illegible] races, junior and [illegible] and cowboy races, also a potato race. There will be a full line of races for the children. Remember the date, June 7th. Anyone who attended the last picnic may look forward to as good if not a better time.

Diane MacGillawee who attended the Dewberry school and who now resides in Edmonton, was in a bad car accident the week end of the 19th. She suffered a back injury but we are glad to say she is now at her home in Edmonton and reported to be improving.

Mr. and Mrs. John Anderson and family motored to Calgary to attend the wedding of John's brother William James Anderson to Miss Blanche Cormier of Moncton, N.B. The groom is well known to many in Dewberry as 'Jimmy.' He is a well known lawyer practising in Calgary.

When in Calgary Mr. and Mrs. Anderson and family were taken all over the city to places of interest among them being the well-kept zoo which was enjoyed very much. The friend who motored John and family around is also a former Dewberry resident, Gordon Glaholt.

A number from here attended the banquet given by the Farmers' Improvement Agricultural Society.

James Munro of North Battleford flew over Dewberry one day last week. He circled over the town several times and then landed on the sports grounds. He took several up for a ride while here including his mother and father.

At a film shown in the hall last Thursday and sponsored by the Farmers' Union, the fisheries at Great Slave Lake were shown. Mrs. Allen had the pleasure of seeing her son-in-law Eugene Ball who is an inspector of Fisheries at Hay Lake in the film.

Belated congratulations to Mr. and Mrs. Francis Gray and to Mr. and Mrs. George Prowse on the birth of baby sons to each family.

Congratulations to Mr. and Mrs. Casper Beirman of Hazeldine on the birth of a daughter.

Sandy Ewer has returned home from a welding course in Calgary. Mrs. Ewen, Janet and Olive spent a week at Torrington with Mr. and Mrs. Gerald Hodgson. Mrs. Walker looked after Penny.

Mr. and Mrs. Hatelidis and family have taken up residence in the Leo Maltais house.

Mr. and Mrs. Nelson are in the wheat pool house as Mr. Nelson is the new Pool Elevator agent.

Gerald Holman is the new agent of the Federal elevator.

The long week end has seen many visitors around these parts.

At the John Maltais home, Eugene is spending a holiday. Mr. and Mrs. Romanchuk and family of Edmonton were week end visitors there too.

Mr. and Mrs. Danderfer of Edmonton visited at the Jack Kiss home.

Mrs. Bob Gordon of Edmonton spent some time at the home of her parents, Mr. and Mrs. Joe Ryan.

Mr. and Mrs. Gervase Kinshella and Patricia and Mr. and Mrs. H. Gagne and Mickey of Edmonton were visitors at the M. [illegible] home.

Marjorie Redman, Edmonton, visited with her parents, and Mr. and Mrs. Dick Goad of Edmonton visited at Dick's sister's, Mrs. J. Allen and with other relatives.

Mr. and Mrs. Goad travelled by car all night and arrived in Clandonald at 3 a.m. Seeing a light in Mrs. Filgate's house, they went in and found Mrs. Filgate very ill. She was suffering from a heart attack and pneumonia. On phoning the doctor they were advised to take her to Vermilion where she was admitted to the hospital and found to be in a serious condition. At time of writing she is improving. Mrs. Filgate is Mrs. Goad's aunt. It was fortunate that they arrived when they did, as they had previously planned on leaving the next morning. We hope Mrs. Filgate keeps on improving.

The C.G.I.T. held their mother and daughter banquet on the 14th. The same evening a shower was held in the school for Miss Marilyn Whiteside, a former teacher here. A large number attended including several members of the C.G.I.T.

Win Braithwaite and Harold McKnight have gone into partnership and have bought and are operating the former McKay hardware as a grocery and hardware business.

Eddie Wowk had an accident in which he wrecked his car. Glen Ewan was a passenger in the car at the time. Both were fortunate to escape without injury when a wheel came off and both were thrown clear.

Bob McGill is a patient in the Islay hospital. He had the misfortune to cut his foot with an axe almost severing the toes.

Mrs. Peggy Porter was the lucky winner of the dutch oven given by Win Braithwaite and donated by the Maple Leaf Flour Company.

The track meet will be held in the school grounds on the 24th. Why not turn out and give the youngsters encouragement?

The St. Anthony's parish picnic will be held on June 1st in the Dewberry sports ground. Everyone is welcome. We will have more details later.

A farewell party put on by the birthday club was held at the home of Mrs. Kopper. Mrs. Weil and and Mrs. A. Stuart were each presented with cups and saucers from the members. Both have been members of the club for the past year. We wish them well and will miss them at our meetings.

The main street of our village is being fixed up. It has been in very poor condition since the spring. An Edmonton visitor to whom we were talking told us that the site of the village used to be a slough and he and his companions had often trapped rats there. No wonder it is bad after a rain.

Mannville and District Local News

Guests at the home of their sister Mrs. R. Scott and R. Scott were Mrs. R. Shaw and Mrs. J. B. Burch of Edmonton. Both are old-timers of the Mannville district, having grown up and farmed here in the good old days. R. Boe, farming north of town is a brother and the two sisters spent a few days at the old home, with Mr. and Mrs. Boe who farm there with son John and [illegible].

** ** **

Mr. and Mrs. R. Allen spent a few days at Mannville this week, guests of Mr. and Mrs. E. B. Allen. Daughter Susan has been here on a visit for some time.

** ** **

Alf Christensen has purchased the lot across the road from the R. Lugg residence, directly west of same and intends to build on this site. He is at present clearing the lot in his spare time.

** * **

R. Bodard is building a garage on the home premises of Merle [illegible].

Miss K. Sutton was a week end visitor to the home of Rev. and Mrs. C. C. McPherson at Fort Saskatchewan.

** * **

Citizens are again advised to watch mail schedule changed bus schedule not that of the local C. N. R. services closely.

** * **

Mrs. Rees Emmott has been visiting her daughter Mrs. F. Ronspies coming here to attend the funeral of her brother the late W. Smith of Vermilion. Mrs. Emmott now resides at the coast.

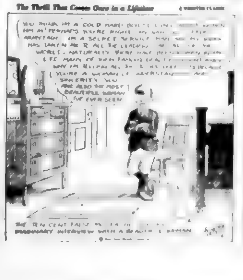
** * **

Mr. and Mrs. Orval Boe and family have been visiting friends and relatives the past week.

** * **

Mr. and Mrs. John Shock visited their son Adolph and wife Doris at Lloydminster on Sunday where they saw a new grand daughter born recently who is being named Gwendolyn Deborah. While there they attended the stock car races in which Adolph was a participant.

The Thrill That Comes Once in a Lifetime A WEBSTER CLASSIC



U.G.G. Offers Farm School Bursaries

Two bursaries will be provided by United Grain Growers Ltd. this year to assist young Alberta farm people to attend Schools of Agriculture and Home Economics. One award will be for entrance to the school at Olds, and the other entrance at Vermilion.

The bursaries will be available to any young person living on a farm, who is 17 years of age or older, and must be used for the school term which will commence next October. A committee appointed by the Provincial Department of Agriculture will be established to evaluate the candidates, and to recommend to the U. G. G. Ltd., to whom the bursaries should be awarded. In recommending the awards the committee will consider the following factors: academic achievement, interest in junior and community activities, leadership ability and need for assistance. Primarily the bursaries are intended to help those who could not otherwise attend a School of Agriculture, but through their participation in community activities have proven themselves worthy of assistance.

Application forms are available through the office of District Agriculturists, District Home Economists and Fieldmen of the U. G. G., or may be obtained upon writing to the offices of United Grain Growers Ltd., at Calgary. Applications will be considered until August 15th.

We were not surprised that the wife won a slogan contest. But what did amaze us was that she said anything in 25 words or less.

Norman Lifeso Buys "Ronald Lee Rose"

"Ronald Lee Rose" a triple Registered American Bred Palamino was purchased at the Calgary Horse sale by Norman Lifeso of Onion Lake.

This horse needs no introduction. He has been Grand Champion at Denver Col. and Reserve Grand Champion in his home state of Florida. Imported from that state into Alberta at a cost of $5000 he was Reserve Grand Champion at the Toronto Royal.

He was head of the R. M. Spence stables at the Golden Gate Ranch Calgary where Palamino and American Saddle bred horses were raised. At the dispersal sale of the Golden Gate horses he was purchased by Mr. I. B. Gibson and taken to the Gibson Ranch at Ricinus Alta. There he reigned through the years previous to the 1958 horse sale at Calgary.

To take the place of Ronald Lee Rose Mr. Gibson has now acquired "Showboat" the Registered Palamino stallion raised by Norman Lifeso of Onion Lake.

North-eastern Alberta can well be proud to have such a famous horse as Ronald Lee Rose come to make his home here.

A patched up quarrel is not the best, but a still lot better than a new one.

INCREASED EFFICIENCY

The CNR's increase in efficiency over the years is illustrated well by a comparison between the years 1957 and 1928. If the railway was to carry its 1957 volume of traffic at the 1928 level of efficiency, the C N R would need no fewer [illegible] more locomotives, 80,000 more freight cars and an increase in man-hours which would have added a staggering $380 million to recorded expenses.

Rotarians Hear About Western Canada Baseball League

The Rotary Club was invaded on Friday by officials of the Western Canada Baseball League.

To get the programme going, Chairman Ross Boake asked Gordon Park, an old ball player, to introduce Slim Thorpe of Lloydminster, President of the Lloydminster - Battleford club in the Western Canada Baseball League.

Slim said that this league had more outstanding players than any league in America. Big league scouts had signed up one-third of last year's players for try outs in the big company.

There are six clubs in the league including cities of Edmonton, Regina and Calgary. 72 scheduled games will be played during the summer. The opening game at Lloydminster will take place on June 5th at 2:30 p.m. at Legion Sportsman's park.

Mr Thorpe then called on Ken Nelson of Battleford, Manager of the Lloydminster Battleford team. Mr Nelson emphasized the team's policy of having players only who are gentlemen on or off the field. The management intended that the team should set an example for coaches and players in juvenile and junior leagues throughout the area.

The next visitor called by Mr Thorpe was Keith Erne also of North Battleford. Mr. Erne is vice president of the club. He was sure that the Lloydminster-Battleford team would give a good account of itself through the season.

Ed Clarke, rotarian of Lloydminster introduced as visitors, Herb Kufeldt of Lloydminster and Bob Rowe Vermilion.

Two birthdays were recognized this week. Carl Heckbert did the honors for Ken Rowe and Jim Robson.

Ross Boake was chairman of the meeting. He welcomed the visitors and thanked Slim Thorpe, Keith Erne and Ken Nelson for their reports on the Western Canada Baseball League. He assured them that there are a lot of good baseball fans in Vermilion and district and no doubt many of them will run down to Lloydminster when league games are played there.

To Revive Lawn Bowling

The Rotary Club of Vermilion is attempting to learn if there are any men residing in town or adjacent area who would be interested in lawn bowling.

If sufficient interest is shown, attempts will be made to re-open the green at the C.N.R.

If you wish to play or have any equipment available please get in touch with the secretary of the club Jim Robson, or Ash Cooper, Bill Sutherland, Reg Mitchell.

SQUARE NOTES From Circle 8

The Circle Eight Square Dance club are pleased to announce that they will again sponsor a series of square dances at the Vermilion Park bandshell on the first and third Saturdays of the month. The first of three dances will be on June 7th and it was decided to have them from 9 until midnight with hot dogs and coffee to follow at the camp kitchen. Johnny Maxwell will call.

You will no doubt recall the numerous visitors from Edmonton last summer and to date there have been two calls from the city inquiring about Saturday night dances again this year.

At the annual meeting held just before spring work commenced, a slate of officers was presented by the nominating committee for the ensuing term. The results are as follows:

President — Cliff Reid
Vice-Pres — Johnny Maxwell
Sec-Treas. — Laurie Lovett
Lunch Conv — Sheila Hicks
Press & Advertising — Leona Willmer

Last year's secretary gave a very complete report of the past season and pointed out a very successful term in every respect with one major problem being passed on to the new executive. Where will we be able to dance on the first and third Saturdays come fall when it will be too cold at the bandshell?

The executive is presently making a survey of possible dancing places so that it will not hold us up in the fall.

In the meantime — see you Saturday, June 7th at the 'Lake' where the sound is perfect and hot dogs never tasted so good!

Beginners' Day At Mannville School

MANNVILLE. - The annual pre-school beginners' day was held in Mannville grade one room on Friday, May 23. Most of the beginners arrived by bus to get acquainted with the new surroundings and the teachers. As usual one new hand reached for the fire alarm lever. There were some exciting moments but it didn't take long for the [illegible]ers to realize that this was an annual occurrence when the beginners arrive. The day was spent doing typical grade one work. Comments heard were: "When do we begin doing real work?" "Doesn't anyone ever get cross here" and "My, but there are a lot of kids here!"

The washroom and water fountains, because they are a novelty to some children, were in continual use. The children also enjoyed the teeters and merry-go-round. Also enjoyed was a film, the Raccoon's Picnic which had to be shown twice.

Children were treated to ice cream, candy, gum and a peanut scramble.

Approximately fifty children visited the school and went home tired but happy. The grade one teachers are sorry all were not able to come and are looking forward to meeting them in the fall. The regular grade one pupils spent the day in various other classrooms and enjoyed the change.

CLANDONALD HALL

Showing at the Clandonald hall on Friday and Saturday May 30 and 31 "Along Came Jones" starring Gary Cooper and Loretta Young: June 5, 6 and 7 "Battle Cry" in technicolor. A big picture with an all star cast. 46

Pony League Action

FORESTERS 9 — ISLAY 8

In a tight, [illegible] ball game last Friday evening the Vermilion Foresters downed a battling Islay team 9 runs to 8. Sparkling [illegible] field play by the Islay lads was a revelation.

Trailing 6 to 3 Islay ran in 4 runs in the first half of the 6th inning to take the lead only to have the Foresters reply in the bottom half with 3 and then hold the visitors to one in the 7th to take the game; final score Foresters 9, Islay 8, in the best ball game seen here to date.

The Elks-Mannville game also scheduled for last [illegible] was postponed to avoid [illegible] two home games at the [illegible].

I. Gordon was umpire-in-chief.

ELKS 14 — BUFF. COULEE 4

Buffalo Coulee failed once again to crash the win column when the Vermilion Elks rang up a 14 to 4 victory over them Wednesday evening.

The big blow of the evening came off the bat of Colin Kennedy with a home run for a losing cause. For Vermil. Forbey slammed a triple to drive in three runs.

H. Haverslew was umpire-in-chief.

FORESTERS 12 — MANVILLE 2

In other Wednesday action the Foresters took over league leadership by a 12 to 2 win over Mannville.

Once again the hickory of Murray Ross boomed out a home run far into left field. Trailing 2 to 1 in the 4th inning with 2 men on, the circuit clout gave a lead never relinquished. In the last of the fifth inning Foresters got mobile and ran in 7 runs, finishing with a single in the sixth to complete the scoring. Final score Foresters 12, Mannville 2.

I. Gordon was umpire-in-chief.

HOME STRETCH STANDINGS

Buffalo Coulee at Foresters.

Vermilion W. I.

The regular monthly meeting of the Vermilion W.I. was held recently at the home of Mrs. J. D. Perkins. There were 11 members present reporting 2 sympathy cards being sent, 10 get well cards as well as flowers to a member who is ill in hospital. There were 49 sick calls made.

The grandmother's quilt block competition was discussed and it was decided that we try to compete in this project.

Mrs. E. T. Rooks gave her report on the conference held recently in Edmonton.

Mrs. T. H. Davis reported on progress being made to establish a recreational centre for youth in Vermilion. A committee was formed of Mrs. O. E. Clark and Mrs. T. H. Davis to work with Mrs. Sidney Moore in furthering this very worthwhile project.

We were pleased to welcome Mrs. Mabel Lee as a new member. Mrs. Lee used to be a W. I. member years ago.

Mrs. Gordon Dunsmore won the mystery box, a lovely cup and saucer.

After the close of the meeting a delicious lunch was served.

Pleasant Valley

Where the streams of living waters flow — that's where the fishermen all go. With boats and rods off they went, where the long week end was spent. Bill and Helen with a shout, were the only two to catch a trout.

The 'Valley' has been a lovely sight with blossoms everywhere. The flowering shrubs and lilacs have put on a wonderful display with pink apple blossoms, flowering pink almond and flowering almonds also much in evidence.

Springtime is nature's rebirth. Everyone was very happy when the frost missed nipping the buds — we thought at one time the cold nights had frozen them all.

Daughter Jean and boys spent last week end at the home of the writer.

Bill Gillies and family spent the week end down on the farm. Mrs. Gillies returned to the city with them while Lee has gone to visit her parents in Saskatchewan.

Congratulations are extended to Mrs. David Giles who won the silverware at the Shoprite last week.

Mr and Mrs. Maire were visiting their son and family from Edmonton last week.

We all wish Mrs. Evans a speedy recovery.

Last week the writer and daughter Jean visited the Moore family.

The sympathy of the district goes out to the Miller family in their bereavement.

Hi Mrs. Fisher. The Easter lily is now in full bloom — quite late isn't it?

Some girls use pills to get rid of headaches: others use headaches to get rid of pills.

You can't consider experience a good investment until after it has paid dividends.

Don't fool yourself — most of the people who dwell on easy street arrived there over the hard work road.

Four-Week Recreation Leadership Course Opens July 7th

Recreational leaders from the three western provinces have been engaged to instruct at the four-week recreation leadership school sponsored by the Community Recreation Bureau, Cultural Activities Branch, of the Government of Alberta. The summer course will be held in Red Deer Composite High School, a fully residential centre, July 7 to August 2.

Registration closes June 15, about 150 students can be accommodated. Miss Elsie McFarland, Community Recreation Bureau Supervisor and director of the school, recommends those planning to attend to register early, because available accommodation is rapidly being filled. A registration fee of $30.00 covers board, room, tuition and text-books.

To be eligible for the school, candidates must be nominated by the local recreation authority or by a responsible community organization; be at least 17 years of age prior to July 1; be physically fit and prepared to provide leadership services in the sponsoring community. The school offers primary and advanced courses in quick crafts, dance, creative drama, rhythmics, principles of recreation, first aid, team and individual sports, swimming instructor's training, sports officiating, community singing and others.

Alberta communities hiring certified part time leaders, such as graduates of the above course, may receive government leadership grants.

Instructional staff recruited for this year's school includes Vic Appleton, Medicine Hat; Dick Bradshaw, Nelson B. C. Mrs. Lillian Cornish, Regina, Sask; Mrs. Rhona Duncan, Calgary; Mrs. June Epton, Calgary; Barrie Hughes, Calgary; Mrs. Doris Garside, Edmonton; Mrs. Jean Kay, Lethbridge; Nick Kohlman, Ponoka, Miss Phyllis Parker, Edmonton; and Mrs. Edna Tree, Calgary.

There are many ways to get even with your enemies, but none of them leap upward.

Four new CNR Railiner runs are scheduled to begin operation in Saskatchewan and Alberta early in June. Designed for faster, more convenient passenger service, the new runs will link up with those already in operation to provide a more than 1000-mile Railiner network stretching across the two provinces. The new services will be between Saskatoon and North Battleford; North Battleford and Edmonton via Lloydminster, Vermilion and Vegreville; Edmonton and Drumheller via Stettler; and Edmonton and Grand Centre. The map, above, shows how they will be integrated with those now operating between Regina, Saskatoon and Prince Albert and between Edmonton and Calgary. With the exception of the Edmonton-Grand Centre service, the new runs will begin operation on June 1. The Edmonton-Grand Centre service is scheduled for June 5.

4-H Beef Shows and Sales Continue Though June, July

Soon the air will be humming with activity — at least for 4-H Beef Club members. Animals will be washed, brushed, curried and primped for the 4-H Beef Club Achievement Days and Sales which continue through June, July and two days of August. At that time most of the members of the 161 Beef Clubs from all over Alberta will be showing and selling approximately 2,700 finished beef animals, says V. T. Janssen, Associate Supervisor of 4-H Clubs in Alberta.

The program this year is similar to last. It will take the form of judging competitions, of showmanship, grooming competitions and the actual sale of calves. Calves will be judged according to groups and numerical placings will not be used except for the champions. The judging is to be done by about fifteen government officials and outstanding commercial stock men.

Members of the Beef Clubs receive their animals in the fall and up to the time of the sale keep a complete feeding record which helps the 4-H'ers to determine actual profit or loss.

Last year approximately 85% of the animals sold were eligible for red or blue brands of commercial beef. Packing houses provided their encouraging support by buying most of the meat.

We all profit by our own mistakes, but prefer to profit by the mistakes of others.

TENDERS

TENDERS are invited for the operation of concessions at Vermilion Fair on July 24, 25, 26 as follows:

1 Dining Hall concession, no ice cream or soft drinks to be handled.

2. Hot Dog concession, no ice cream or soft drinks to be handled.

3. Soft drinks and ice cream concession.

Tenders will close on the 14th day of June, 1958.

The highest or any tender not necessarily accepted.

S. C. Heckbert,
Secretary-Manager
Vermilion Agric. Society.
46-7

Wildmere Women's Institute Notes

The May meeting of the W.W.I. was held at the home of Mrs. Frank Gibson with 8 members present and Mrs. H. Leighton coming in for lunch. Roll call was naming a breed of dog. Owing to the absence of Mrs. W J Garnett the treasurer's report was given by Mrs Roy Dibben and was accepted as read by Mrs. Haines and Mrs Wallington.

Correspondence: A letter from Dr Lotta Hitschmanova and one from Mrs. P. Sloan who sent report sheets for the conference on July 8th.

The Tweedsmuir project was talked over: Quilt, History or Songs.

A shipment of old woollens is to be made the middle of July and anyone wishing to send with us is welcome to do so. Mrs. Chas. Sweeney is the club shipper this year.

Mrs. Roy Dibben W.B.G.C. supervisor spoke on the possibility of sending girls to Vermilion rather than the Olds Agricultural college as the girls to attend are quite young.

June project is used clothing.

Mrs. J. Wallington gave her report of the District 2 convention which she attended in March.

"Happy Birthday" was sung for Mrs Cruthers whose birthday was that day and the meeting closed with the Creed. Johnny Jump Up was won by Mrs Cruthers. June meeting will be held at the home of Mrs. F Haines. Roll Call - name a weed; Topic by Mrs N Garnett; Social Mrs. Cruthers. Lunch Mrs Osterburg Mrs. Sweeney and Mrs Wallington.

$300 Scholarship For A Weed Essay

The North Central Weed Control conference is again sponsoring a weed essay contest this year, states W Lobay Alberta's Supervisor of Soils and Weed Control. Any boy or girl 12-18 years old whose family is actively engaged in managing and operating a farm is qualified to enter. The title of the essay is "How We Control Weeds on Our Farm" and it must not exceed one thousand words. There is a $25 cash prize for the provincial winner whose essay is then entered for the $300 scholarship embracing 14 states and 3 prairie provinces. This scholarship is available at time of registration at a recognized agricultural college of the individual's choice for courses in agriculture or home economics.

The competition in this province is handled through Soils & Weed Division, Field Crops Branch. For further details the contestants are asked to consult their District Agriculturists or to write to the Field Crops Branch, Department of Agriculture, Edmonton.

I O D E

The regular monthly meeting of the I.O.D.E. will be held this month on Thursday, June 5th at 8 p.m. at the home of Mrs Thompson. Please note change of date. 46

Attend Legion Service in City

MANNVILLE. — Attending the Canadian Legion's Remembrance service that preceded the Dominion convention in the Jubilee auditorium, Edmonton, were Ralph and Gladys Reud, Jack and Nancy Coxford of Mannville. Following an impressive ceremony of parading flags and wreath - laying, members were privileged to hear Prime Minister Diefenbaker in a 35 minute address. He pronounced himself just as impressed as they were to have this convention in Alberta for the first time, as well as in Edmonton, in so fine a building.

MR. AND MRS. GARRY KENT GIEBELHAUS

Iva Marie Miller Becomes Bride Of Garry Kent Giebelhaus

A beautiful double ring ceremony at St Saviour's Anglican Church solemnized the marriage of Iva Marie Miller daughter of Mr and Mrs. Wm Pettigrew to Mr Garry Kent Giebelhaus, son of Mr and Mrs Conrad Giebelhaus of Edmonton.

Rev. Keils Minchin performed the service before an altar flanked with baskets of spring flowers. White bows with white mums marked the guest pews.

Given in marriage by her father the bride wore a cocktail length gown of white embroidered illusion, the strapless bodice modified with a jacket styled with a mandarin collar and lily point sleeves. A crown of seed pearls held her fingertip veil in place.

She carried a white prayer book topped with a mauve orchid combined with white roses and stephanotis. To complement her dress she wore cultured pearl earrings a gift of the groom and a pearl ring given her by her grandmother.

Mrs Kenneth Miller sister-in-law of the bride was matron of honor wearing a cocktail sheath of turquoise lace with matching picture hat and gloves. She carried a bouquet of calla lilies encircled with white roses and stephanotis.

Bridesmaid, Miss Shirley McCormick wore an identical cocktail length sheath in rose with matching picture hat and gloves. She too carried a bouquet of calla lilies, white roses and stephanotis.

Best men for the groom were Const. Jack MacIntosh, R.C.M.P., of Redwater and Mr Kenneth Miller, brother of the bride.

Ushering the guests were Mr. Owen Giebelhaus, brother of the groom and Mr Donald Miller, brother of the bride.

Mrs. Cecil King played the wedding music and soloist was Mrs. K. Minchin who sang 'The Wedding Prayer' during the ceremony and 'The Wedding Hymn' while the register was being signed.

At a reception for 170 guests in the Parish Hall, the bride's table was centred with a four tiered wedding cake baked by the bride's mother. It was decorated with yellow roses and encircled with yellow tulle flanked by white tapers.

The toast to the bride was proposed by Dr. E.G. Evans and was responded to by the groom.

Miss Gail Latimer was in charge of the guest book. During the reception beautiful solos were rendered by Miss Shirley McCormick accompanied by Mrs. King and Mr John Webb accompanied by Mr Jack Brown.

Several telegrams were read, among them one from the bride's brother Gerald Miller, U. of A., Edmonton and one from the groom's sister and brother-in-law, Mr and Mrs Briel, Tucson, Arizona, and Mr. and Mrs. Gerald Cunningham of Edmonton.

Later the bride changed to a brown and gold suit with gold accessories and an orchid corsage for a honeymoon in Jasper and other scenic places in the mountains.

Mr and Mrs. Giebelhaus are now at home in the Qu'Appelle Valley near Regina, Sask.

Out-of-town guests were Mr and Mrs Conrad Giebelhaus of Edmonton; Mrs Ada Giebelhaus, Toronto; Mr and Mrs. Owen Giebelhaus, Edmonton; Mr and Mrs Donald Giebelhaus, Regina; Mr and Mrs Kenneth Miller, Forestburg; Mr Donald Miller, Edmonton; Miss Gail Latimer, Calgary; Miss Shirley McCormick, Edmonton; Cpl Jack McIntosh, Redwater; Mr. Gordon Pettigrew Millet; Mr and Mrs Stanton Mathews, Wetaskiwin; Mr and Mrs Donald Nelson, Calgary; Mr and Mrs Harold Pettigrew Edmonton; Dr and Mrs. S. P. Giebelhaus, Edmonton; Miss Emma Giebelhaus, Edmonton; Mr and Mrs Ron Giebelhaus, Edmonton; Mr and Mrs Wm. Giebelhaus Wanda and Joanne, Vegreville; Mr and Mrs K. Bauer, Vegreville; Mr and Mrs G. Dromwich Vegreville; Mr and Mrs. N. Bartayla, Vegreville; Mr and Mrs. A. Desmond, Vegreville; Mr Vincent Martin, Edmonton; Mr and Mrs L. Sharp, Spruce Grove; Mr and Mrs Evan Jones, Red Deer; Mrs. G. Berry and Harold, Marwayne; Mr. and Mrs. Stan Jackson, Carol and Lois, Galahad; Mr. and Mrs. Wm. Schmidt, Forestburg. Mr and Mrs. Ted Groman of Forestburg.

Fire Destroys Onion Lake District Home

Maurice Skidmore, his wife Cora, and son Larry received burns when an early morning fire destroyed their home and entire contents April 29th, four miles north-west of Onion Lake.

The fire started when a 9-year-old nephew got up before the rest of the family and attempted to light a fire in the cook stove. Apparently the gasoline used spilled on the floor and in an instant flames were mounting to the ceiling. The young lad rushed outside and his screams below the upstairs window roused the sleeping family. They made their escape by jumping out of the upstairs window. Maurice immediately grabbed a couple of blankets and tried to smother the flames but they had made too much headway. Badly burned about the face and arms he rushed back upstairs to save his family and his sister-in-law Mrs. Cameron Forbes and her two children who were visiting at the Skidmore home. Panes were knocked out of the windows and all made their escape to the ground still in their night attire. Maurice got out just as the gas can was heard to explode in the kitchen.

The truck had been left near the door but the keys were in the burning house so Maurice and the two ladies pushed it to a safe distance and then the children, Mrs. Skidmore and Mrs. Forbes made their way barefoot to the home of Mrs. Henry Benson a mile away. The Benson boys hurried back to the scene of the fire and found Maurice had taken shelter in his truck, suffering with cold, burns and cuts from broken glass.

Maurice, his wife Cora and son Larry were taken to Elk Point hospital where they remained for two weeks.

New Gas Field Biggest?

What looks like the most prolific gas producer ever drilled in Canada has been brought in by a four-company team in the Dick Lake field in central Alberta, says W. L. Dack in The Financial Post.

The well has an open flow potential of around 280 million cu. ft. daily — almost as much as the current indicated flow through-put rate in the Trans-Canada gas pipeline.

Gas production came from one of the thickest payzone sections ever encountered in this country, — 550 ft. of [illegible] reef. This was the third well drilled in the field and proves up at least four miles of productive acreage. The [illegible] zone 70 miles south west of Edmonton.

More extensive [illegible] tions and more development drilling are needed to more completely assess the potential, but principals in the project feel they have uncovered one of Canada's largest gasfields. It may be second only to the big Pincher Creek gasfield far to the south.

NEWS from ALLANDALE

Some slight frost has been noticed. The country is sorely in need of a good rain.

Mrs. Della Walsh and family of Edmonton were visitors at the home of her parents, the Omnesses, over the long week end.

Mrs. Stella Mayers of Chipman was home for the long week end. Her sister Mrs. Lee of town accompanied her to Allandale visiting relatives and also putting in the garden at the farm.

Church services on May 18th and 25th were well attended. Mr. Hugh Parker, our minister, has excellent [illegible]. The services throughout the summer will be at 11:30 every Sunday unless stated otherwise.

The sympathy of the community goes out to Mrs. Delbert Miller, daughter and relatives in their bereavement on the passing of a loved one. The late Mr. [illegible] was well known in the [illegible] and his death was a shock to the [illegible].

Mr. and Mrs. Laird of Clandonald accompanied by Mr. Cliff Stockwell motored to the city on the 20th. Their daughter Cathryn spent the day at the Omness home.

The week end of May 17th the Baldocks enjoyed a visit from Mr. and Mrs. Wilmer Hogaboam of Camrose.

On May 18th Eddie Throndson and Orley Omness went fishing and also enjoyed visiting old friends. Lunch was appreciated at the Stultz home with the family. They called on Joan and Morgan Darling where an ideal set-up was viewed for a [illegible], a creek runs near the yard making it possible for irrigating. Mrs. Edna Darling and daughter Betty and Don Butner and family and Mr. and Mrs. Donald Darling all will have their gardens in this ideal location.

SHOWER BRIDE-ELECT

On the evening of May 24th an enjoyable time was had at the Community centre when a shower was held for Miss Marian Lee of town. Around 80 were in attendance.

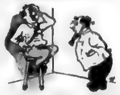
We're grateful to Glen Baldock, Mickey Carey, Mrs. Lurlene Hobbis, and Orley Omness for helping out on the social part of the evening. The honored guest was presented with a pink carnation corsage. Orley, on behalf of the gathering and others not present, presented Marian and Mike with a number of lovely gifts. Both thanked those in attendance for the beautiful gifts received and for the corsage and expressed appreciation for all the kindness shown to them during the evening. The solo "I Love You Truly", sung by Mrs. Mildred Baldock and accompanied by Mrs. Mossy McPhee at the piano, was enjoyed very much. A social time was enjoyed during lunch hour and "For They are Jolly Good Fellows" closed an enjoyable evening.

Closing Thought: "Be not anxious about tomorrow. Do today's duty, fight today's temptations, and do not weaken or distract yourself by looking forward to things which you cannot see and could not understand if you saw them."

HANDICRAFT DISPLAY

Vermilion Handicraft Guild will hold a display of their work on May 31st in the Elks hall from 3 to 5 p.m. This display is in conjunction with the O.O.R.P. lilac tea. 45-6

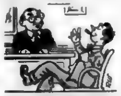
People who are quick to take offense can always be certain of a plentiful supply.



A visiting psychiatrist, wandering through the wards of a state asylum, was particularly intrigued by a patient who sat huddled in a corner all by himself, and scratched himself, for hours on end.

"My good man," the doctor addressed the patient gently, "why do you stay huddled in a corner all by yourself and scratch yourself?"

"Because," replied the man wearily, "I'm the only person in the world who knows where I itch."



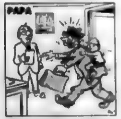
The young man started work as a stock-room boy. Within six months he was made a salesman. In another six months he was upped to sales manager, and shortly thereafter he was made general manager.

A few days later, he was called in by the president of the firm, who [illegible] would [illegible] soon and would turn the presidency over to the [illegible].

"Thanks," said the young man.

"Thanks!" growled the president. "You've been with this firm only about a year. Is that all you can think of to say?"

"Well," said the young man, "thanks a lot, Dad."



"When I got off that crowded bus this morning . . . there he was!"

Pretty Wedding Solemnized At Dewberry United Church

On Monday, May 19th at 2:30 o'clock in the afternoon the Dewberry United church was the scene of a very beautiful wedding, when Marilyn Ena, second daughter of Mr. and Mrs. J. K. Whiteside of Hazeldine, was united in marriage to James Richard Kent, youngest son of Mr. and Mrs. W. R. Kent of the Irwinville district, west of Marwayne. Rev. J. Shortt of Kitscoty performed the ceremony.

The bride, looking exceedingly lovely, entered the church on the arm of her father. Her snow-white cocktail-length gown was of tiered Chantilly lace and a matching bolero with lily-point sleeves. The lovely lace-trimmed veil was held in place by a tiara trimmed with seed pearls. She carried a lage fragrant bouquet of American Beauty roses. The bride's only jewelry was a pair of black diamond earrings, a gift of the groom.

Miss Daisy Whiteside attended her sister wearing a waltz-length gown of pink nylon lace and net and a matching pink tiara trimmed with pastel seed pearls. She carried a beautiful bouquet of white Marguerite daisies.

The groom's attire was a charcoal grey suit and he was attended by his brother Mr Jack Kent.

Ushers were Mr Meredith Whiteside, brother of the bride, and Mr. Mac Kent, brother of the groom. All male members of the bridal party wore white carnation boutonnieres.

The bride's mother chose a medium blue suit with white accessories and wore a corsage of pink violets.

The groom's mother was in a Nile green tweed suit with white accessories and a corsage of pink apple blossoms.

The wedding music was played by Miss Cheryl Jones of Dewberry. Just preceding the vows Miss Janet Kent sang the ever-beautiful "Lord's Prayer" and during the signing of the register she sang the immortal "Wedding Prayer".

After the ceremony the bridal party journeyed to the bride's home for the reception. Tables were spread on the green lawn. The bride's table was laid with a lovely lace cloth and centred with a tall three-tiered wedding cake and a large bouquet of mixed flowers.

Lunch was arranged by Mrs. F. D MacLean and Mrs. E. Mirbach of Hazeldine and coffee and lunch was served by several young ladies from Dewberry, Hazeldine and Irwinville, all friends of the bride and groom.

Mr. R. D. Trask of Kitscoty a close friend of the bride and her family, very fittingly proposed the toast to the bride, to which the groom very ably replied.

[illegible] and Miss Neta Trask presided over the guest book.

Motion pictures and many flash pictures were taken during the reception by the large number of relatives and friends in attendance.

The bride sent her bouquet of roses to Mr Webedale, a special friend who is ailing in an Edmonton hospital.

Leaving on a brief honeymoon the bride wore a lovely blue boxy style suit with white accessories. The happy couple will take up residence four miles north of Marwayne.

History proves that no man has ever reached perfection by following his own advice.

'The Bible Today'

"Three thousand copies of the Scriptures for university graduates". The Bible Society presented the [illegible] Scriptures to the graduating students at the Convocation of the Andhra University, India, this year. Perhaps this is the first time in India that such a large-scale distribution of Scriptures has ever been made on a single occasion. Several Canadian Missionaries were present at the Convocation, and were thrilled to witness this great distribution of the Word of God.

"The wonderful thing about it all", writes Rev John Hart, "is that when asked if presentation might be made to the Christian graduates the University authority asked 'Why not all the graduates?' So to all the three thousand graduates this year, a copy of the New Testament was given."

Surely the entrance of His Word will give light.

COMMON SENSE FEEDING
[illegible] FOR YOUR BABY
MIXED FEEDING:

When baby is ready to start mixed feeding, introduce new foods in very small quantities. If a food is refused don't worry but try it again another day. Try new foods early and often but give the same food for several days until he is used to it before going on to another one.

HOW TO FEED

While he is very small, take baby on your knee to feed him and only when he has got used to taking food from a spoon and cup put him into his high chair. Don't make him the centre of attention as this will encourage him to show off and need coaxing to eat. Take plenty of time over feedings so that he can enjoy his food.

BE CALM AND UNCONCERNED

His appetite will vary from day to day just as yours does so don't worry if he sometimes refuses things. As he gets older he will develop definite likes and dislikes but try not to show your own dislikes too much as he will quickly follow your example.

If baby does not want to eat at all perhaps your attitude is at fault, you are worried and anxious about him. He is quick to find that this is a way of getting extra attention.

TYPES OF FOOD

Some mothers feel that baby's food tastes uninteresting but actually simple foods with natural flavors and little seasoning are enjoyed most. Tinned foods are a useful standby but when possible something from the family menu should be given. These can be mashed up finely with a little milk and are much more economical especially in the early stages when baby only takes a spoonful or two.

[illegible]

Serve very small portions at first, gradually increasing as baby gets used to new foods. Make the most of different coloured foods and avoid covering everything with brown gravy. Don't overload baby's dish as this discourages him and may spoil a normal healthy appetite.

FEEDING HIMSELF

By the time baby is a year old he should have begun to handle his own cup and spoon. When he begins to reach for the spoon let him have one of his own to hold and leave him with the last spoonful of his meal to finish by himself. As soon as he seems able, let him feed himself. You will of course protect his clothes and the floor around as he is bound to make a mess while he is learning.

JOINING THE FAMILY MEAL

As soon as your child is able to feed himself and enjoy his food without wanting to be the centre of attraction you can introduce him to the family table. He will quickly learn table manners from those around him but it is better not to over stress these until he has learned to enjoy his food, otherwise, meal times will become an unhappy time for you all. Aim at cheerful, happy meal times but avoid too much conversation or rowdiness, amongst the juniors.

BABY & PRE SCHOOL CLINICS

Monday, June 2 — Vermilion (Health Unit Office) 2 to 4 p.m.

Tuesday, June 3 — Wainwright (Office) 2 to 4 p.m.

Thursday, June 5 — Derwent (School) 10:30 to 12 noon.

Thursday, June 5 — Clandonald (School) 2 to 3:30 p.m.

Thursday, June 5 — Derwent (School) 12 to 12:30 p.m.

Thursday, June 5 — Clandonald (School) 1:30 to 2:00 p.m.

Friday, June 6 — Dewberry (School) 1:30 to 2:00 p.m.

Saturday, June 7 — Mannville (School) 10 to 12 noon.

Saturday, June 7 — Vermilion (Office) 10 to 12 noon.

Duty or Self-Interest

Has the consumer a duty to buy? An economics professor, in a letter to a newspaper, answers 'No.'

It is surely a new-fangled and false notion the professor argues, that the public ever has an obligation to purchase goods. The classical and still correct theory of the market economy, he says, is that a willing buyer and willing seller must meet. If there's any duty involved, in his opinion, it's on the part of the seller to offer a wanted commodity at an attractive price.

The flaw in this discussion, says The Financial Post, comes from mixing up 'duty', usually thought of as something painful, with self interest, which is something pleasant.

There's no duty to buy or to sell; but right now it would be in everybody's interest if buying and selling were speeded up.

But it isn't conscience but advantage that makes people spend money, or save it.

News from Tulliby Lake

Last fall the Ian Forbes family changed living quarters by taking up residence on property of Len Park. Last week they moved back to their original location.

There was some excitement at the Ruth Ferris home one evening recently when Ruth very mysteriously disappeared from the premises. Immediately Bill Necombe started a full scale search by contacting all the nearby neighbors. Sometime after dark Ruth turned up safe and sound. She had merely been across the road on the old homestead attending to one of her dams. All's well that ends well. But we would like to make the following suggestion — before anybody leaves home inform your family associates of your plans.

Miss Freda Morris has been spending a few days at home. Freda is employed at the Canadian Bank of Commerce in Lloydminster.

Jimmie Lee is back in the district and has just completed his last year's threshing.

Mrs. Christina Moss has made another move. This time it was from her son Reuben's place back to the old homestead.

Mrs. Roy Morris arrived back home last week. During the past winter she was employed as the chief cook for a lumber camp near Chinook Valley in the Peace River country. During her absence Mr. John Kay very capably assisted Roy, George and Argyle with their household duties.

After visiting friends and relatives and friends in the district Mr. and Mrs. Ken Hayes and family have returned to their home near Monsleigh, Alberta.

Juvenile Behrens received another tape recording of skiffle music from Scotland and is becoming quite proficient in this new modern dance craze.

Mr. and Mrs. S. A. Marshall and Lee motored down from Edmonton last week. They have been visiting their many friends and relatives in the district. Mrs. M. Trimble accompanied them on the return to Edmonton.

Mrs. Mollie Behrens and Juvenile [illegible] to Lloydminster [illegible] to hear the widely advertised discourse "A New Song for all Men of Goodwill". This was delivered by Mr. Harold McLaren in the Kingdom Hall of Jehovah's Witnesses.

Douglas Adamson spent a few days at home. Doug is employed at a branch of the Royal Bank in Edmonton.

Mr. and Mrs. Henry Ruud of Drayton Valley have been visiting friends and relatives in the district.

Mrs. Louise Huntly thoroughly enjoyed her birthday recently when about sixteen relatives and friends gathered to surprise her with a little party. Looking back on her 84 years, 49 of them being spent on the farm at Tulliby Lake she said: "They've been good years". Though at present confined to a wheelchair, Mrs. Huntly has hopes of being able to walk again soon.

Green[illegible] had their last card party of the season on Friday evening. Lawrence Coates won the 50-lb. sack of flour for the player with the highest score and Clarence Vanes won a 10-lb. bag of sugar for the second highest score of the season.

Petitions have been circulating throughout the district between Heinsburg and Frenchman's Butte to have the gap in the railway completed between these two places. The petition will be forwarded to Ottawa.

Mr. and Mrs. Fred Park have returned home after spending the winter at the West Coast.

Miss Betty Krider has terminated her employment at the L. T. Beisheim Jr. home.

Jim Campbell from Leighton has been doing some custom brushcutting for several Tulliby Lake-ites.

Wilburn 'Sam' Forbes has purchased the former Bruce Parke property situated just north of Tom Carmichael's.

Emile Nolin is presently working for Johnny Kipp.

It has been reported that Hans Barthol has purchased the Hans Martenson estate. Some of the Barthol children attend school, consequently Arthur Fortin's bus route has increased by four miles.

Leonard Park has rented his farm to the Ted Quist boys.

Kay and George Savage spent last week end in the district.

A bundle shower was held in the Greenvale Community hall on the evening of Thursday, May 15th. This was in aid of Mr. and Mrs. Maurice Skidmore and family who lost their home and contents by fire recently. A large crowd assembled bringing with them many donations of household articles, which will greatly assist the Skidmore family in their task of starting all over.

Three Seek Leadership of The Provincial Conservative Party

EDMONTON — Three prominent Albertans have officially announced they are seeking the leadership of the provincial conservative party at an August leadership convention.

They are Ernest Watkins, Calgary lawyer and member of the legislature, Alderman Gifford Main, an Edmonton criminal lawyer and Eneas Toshach, mayor of Drumheller. The conservatives will chose their new leader at a convention in Edmonton to which Prime Minister John Diefenbaker has been invited in mid-August.

Watkins, 54, is an author, economist and lawyer who last October won a provincial by-election in Calgary. Born in Liverpool, England, he served on the London County Council and worked for the British Broadcasting Corporation before coming to Canada in the early 1950's. The author of 'The Cautious Revolution' and 'Prospects for Canada,' he is currently writing the official biography of the late R. B. Bennett. He is married with [illegible].

Main was a magistrate for several years before starting his own law firm in Edmonton in 1953. One of his partners is Terry Nugent, Member of parliament for Edmonton-Strathcona. Main was an unsuccessful tory candidate federally in 1953 and provincially in 1955. He is married with two daughters.

Toshach, 29, is the youngest mayor in Canada. He operates the family store in the central Alberta mining town. He is married with two daughters.

Another possible contender for the leadership of the conservatives in the province is Cam Kirby, MLA for Red Deer and president of the Alberta Conservative Association.

WOODVALE

A dance will be held at Woodvale on Friday May 30. Per-Yen orchestra. Everybody welcome. 45-6

BALER SCHOOL JUNE 2

John Deere Baler school at Delainey Implements, Vermilion on Monday, June 2nd at 1:30. Everybody interested invited to attend. 45-6

The more energy some people have the further they go in the wrong direction.

Shown here are the members of the Vermilion High School graduation class of 1958. From left to right commencing in the back row they are: — Kenneth Porter, David Smith, Roger Stephens, William Payne, David Kindrachuk, Emil Yarmuch, John Feenstra, Ronald Mathison, Keith David, Donald Galloway, Tom Kibblewhite; front row, left to right — Arthur Redman, Lynda Long, Norma Harle, Lila Porter, William Marian. — Photo by Vermilion Photocraft

Graduation Banquet, Dance, Awards Climax School Year

The graduation banquet, presentation of awards, addresses, followed by the prom held on Friday evening last, culminated the school careers of sixteen grade twelve students. The exercises proved most interesting and entertaining. Both banquet and dance found the graduates well surrounded by parents, friends [illegible].

[illegible] COMMENCEMENT ADDRESS

Delivering a powerful but [illegible] Commencement address Mr. A. Palin, acting principal of the Vermilion School of Agriculture, took as his theme, "Today is Graduation day — where now from here." He urged each graduate to choose a goal which appears beyond reach — and reach for it, set your aim and set it high. Mr. Palin's address was a timely and inspiring one.

FRANCES MIHALCHEON TOASTMISTRESS

The program was in the capable hands of Miss Frances Mihalcheon of Grade 11, as toastmistress. The toast to the graduates was ably proposed by Marie Tovell, with reply by Kenneth [illegible].

GRADUATES INTRODUCED

Introductions of the graduates were made by Dean McMullen and revealed some little known as well as known habits and the aspirations of each. A graduation pin was presented to each graduand by the principal, Mr. John David.

Graduates this year numbered sixteen, thirteen boys and three girls. They were Keith David, John Feenstra, Donald Galloway, Norma Harle, Thomas Kibblewhite, David Kindrachuk, Lynda Long, William Marian, Ronald Mathison, William Payne, Kenneth Porter, Lila Porter, Arthur Redman, David Smith, Roger Stephens, Emil Yarmuch.

AWARD WINNERS

Following the presentation of pins to the graduates, Mr. David bestowed the awards for the year, a Crest for 25 points, Wings for 50, bars for 75 and pins for 100 or more points. The winners of the awards were:

CRESTS — 25 POINTS

Roger Stephens, Norma Harle, Elenor Watkins, Marie Smith, Betty Robinson, Margaret Nelson, Frances Mihalcheon, Elsie Maruya, Merle Marshall, Dean McMullen, Shirley Porter, Elliott Urquhart, Tom King, Diana Ferguson, Ken Graham, Garry Harcourt, Don Geake, Allan Forbes, Julia Kaiser, Ina de Bruin.

WINGS — 50 POINTS

Marian Mead, Dale Scott, Marie Tovell, Mary Gibson, Don Galloway, Bryon Calvert, Bob Waldenberger.

BARS — 75 POINTS

Dale Scott, Fay Wilson, Mary Gibson, Lila Porter, Bryon Calvert, Bill Tough, Marjorie Waldenberger.

PINS — 100 POINTS

Fay Wilson, Lynda Long.

ELKS PRESENT SCHOLARSHIPS

Each year the Vermilion Elks Lodge present two $25.00 awards. These awards go to the student in grade 12 and grade 9 considered the best all-round student in that grade. Consideration is given to academic accomplishment, participation in sports, leadership and other personal characteristics.

The presentations were made on behalf of the Elks by Mr. Roy Hitchcock, the Exalted Ruler of the Lodge. The winners were Ronald Mathison, grade 12 and Dorothy Tovell for grade 9.

THE VALEDICTORY

Delivering the valedictory address is an honor given to an outstanding graduate, and this year the Valedictorian was Donald Galloway. Donald's address was followed by that of the guest speaker Mr. Palin.

The banquet was held in the Anglican Parish hall, nicely decorated with streamers in school colors for the occasion. The excellent catering was done by the Happy Hour W. A.

THE SCENE SHIFTS

The scene of the graduation exercises now shifted to the auditorium of the new high school, the initial student function to be held there and a fitting inauguration of the splendid facilities for this purpose. The decorations followed a Chinese theme. Here, as the perfect setting for the graduation prom, Parents, students, friends attended in large numbers so that even the spacious hall was well filled. Music was by the Williams-Barwick orchestra.

The pretty grads in their graduation gowns, the well dressed and handsome young male grads, along with scores of other happy young people, made a pleasant and memorable scene, a fitting climax to Graduation Day.

DOROTHY TOVELL

Winner of the Elks award for grade 9 is Dorothy Tovell who has attended Vermilion schools since grade 5, and who has an enviable academic record. In addition to a high honors standing, Dorothy takes part in sports and in her quiet efficient way assists in many of the activities of the school.

She is the daughter of Mr. and Mrs. Arthur Tovell of Vermilion.

This award of $25.00 is presented annually by the local Elks Lodge to the boy or girl considered to be the best all-round grade 9 student in the V. H. S. Consideration is given to academic accomplishments, participation in sports, leadership and other personal characteristics. A similar award is given to grade 12.

RONALD MATHISON

The grade 12 recipient of the Elks award for 1958 is Ronald Mathison, eldest son of Mr. and Mrs. Wilfred Mathison of Dewberry. Old timers in Vermilion will be interested to know that he is a grandson of the late Mr. and Mrs. Frank Baker of Vermilion.

Previous to the 1957 - 58 school term, Ronald attended the Dewberry school but with the closing of that high school for the year, he came to the Vermilion High School to complete his course. Ronald is a good student, and has also proven himself to be quite capable in sports. Last fall he played football, during the winter he was a member of the Bobcats hockey team, and at present is a baseball pitcher on the high school A team.

Cross Between Dog, Fox Coyote Shot

An animal which ran with the coyotes but appears to be a cross between a fox and coyote with a little domestic dog coloring thrown in, has finally been shot on the farm of Henning Haverslew.

The animal was very sly and had eluded hunters for the past three years, even having been hunted with hounds. Last Thursday while Henning was seeding he noticed the fox trying to entice his dog into the bushes where another coyote was waiting. The dog and crossbreed chased each other back and forth. His senses dulled for once, the wild animal did not notice the arrival of Walter Hinton. Walter drilled him through the heart with his first shot.

The animal is between a fox and coyote in size but is black with three white feet and white chest. The corpse has been sent to Edmonton to diagnose his ancestry.

Foresters' Bingo Saturday Night

The friendly 'Forester Bingos' have started again with one slated for this Saturday evening in the Legion hall commencing at 8:30.

A jack pot game has been started and at present the kitty is worth $15. If not won Saturday it will be increased to $20 for the next evening of bingo.

All proceeds of the games go for projects in the community so come out and have a pleasant evening and help in worthwhile endeavors at the same time. No admission, play by the game at ten cents a round. Remember Legion hall, Saturday, June 7th at 8:30 p.m.

Apply for Increase in Gas Rates

Northwestern Utilities Limited filed an application on Friday May 30th with the Board of Public Utility Commissioners for an increase in rates charged for natural gas service in Edmonton and other communities it serves in Central Alberta.

As indicated some months ago in its annual report, the company has undertaken this action due to:

1 The necessity for increased capital expenditures for improvements and extensions to its system and to provide additional sources of supply.

2 Increased costs of material supplies, wages, costs and quantities of purchased gas, and increased costs of money.

The Viking-Kinsella field has served the company for many years and while this field still contains significant volumes of gas it is necessary to preserve these reserves to prolong their useful life in meeting demands during [illegible], the company said.

The Viking-Kinsella field was developed at low cost many years ago and customers have benefited by these low costs. The sources necessary to augment supplies must be developed at today's higher cost levels and the price of gas purchased in new fields will be much higher than at Viking-Kinsella, it reports.

The application is returnable on June 13th when the Board will be asked to fix a date for the hearing. It is unlikely that the hearing will begin before early fall.

Loses Foot In Line Accident

Ted Richardson, well known young lineman employed by the Canadian Utilities Ltd., was severely injured last Thursday afternoon when he came into contact with a 2300 volt line. Injuries suffered included the removal of a portion of his left foot. His right arm was also hurt but is showing gradual improvement.

Ted was engaged in working on the town line at Lloydminster. He was up a transformer pole and in some manner his right arm came in contact with the live wire, 2300 volts passing through his body and burning his left foot. He was removed from the pole by other members of the line gang and taken to the Lloydminster hospital. He is now reported improving [illegible].

Car Roadeo Friday, June 13

The Rotary Club is again sponsoring the Alberta Motor Association Car Roadeo and this will be held on Friday afternoon next commencing at 1:30 p.m. The location will be either on 50th avenue at the Treasury Branch corner, or on 49th Avenue at the Brunswick hotel corner.

Drivers are being sponsored by various firms in town and the entry fee is $10. There is room for 24 drivers in the contest. Anyone interested in sponsoring a driver and car should contact the Rotary club committee convener, George Webb. He has the necessary entry forms.

Hon. Gordon Taylor To Address Rotary

The Hon. Gordon Taylor, Minister of Highways, will be the guest speaker at the Rotary club next Friday evening. Other guests present will be the drivers in the Rotary Car Roadeo held that day and their sponsors. Prizes to the winners will be presented on that occasion also. The luncheon meeting is scheduled for 6:30.

Clarence Bazere Wins $1,000

Clarence Bazere, well known district farmer, was the lucky winner of the $1000 cash prize at the Curling Club bingo Saturday evening. The bingo was well supported with a net of some $700 going into the club coffers.

There must have been a predominance of local people attending as all but two of the winners of the 50 prizes were from Vermilion immediate district. Winners of cash prizes included [illegible], D. Peters of Lloydminster, Jim Cameron, [illegible], Thompson, [illegible], Mrs. Walter [illegible], Peter Grabas of Mannville, [illegible] and Philip Smith (split), Mrs. Lailey of Denzil, Sask., Mrs. D. Peters of Lloydminster, Mrs. H. Lamont of Dewberry (split). Unless otherwise designated the winner was from Vermilion.

Stan Marvick was the caller.

RACES SUNDAY STOCK CAR

A second program of stock car races will be held at the Golden Speedway west of Vermilion this Sunday, June 8th. The races commence at 2 p.m.

Additional bleacher seats have been provided, refreshment concessions operated and everything possible done for an interesting and entertaining day.

Cars will compete from Edmonton, Lloydminster, Vermilion, Fort Saskatchewan and possibly Wainwright. 67

School of Agriculture Will Operate As Usual This Fall

A report emanating from Medicine Hat over the week end left the impression that it was highly likely that the Vermilion School of Agriculture would not operate this fall. This report is entirely erroneous, the school will operate as usual for the 1958-59 term.

The Hon. Mr. Halmrast, Minister of Agriculture, called Mr. Ashley Cooper at the Standard office on Tuesday and stated that there had been no change in the decision of his department reached on April 28th following the disastrous fire at Fairview school early in March. For the information of readers, the entire announcement made at that time is reproduced below:

"The Hon. L. C. Halmrast, Minister of Agriculture, announced today that reconstruction will start immediately on the heating plant at the School of Agriculture which was destroyed by fire early in March, but that the rebuilding of the mechanic and gymnasium building will be deferred pending a survey to determine the most beneficial use which the institution can render to the entire Peace River area in the future.

In making the announcement the Minister pointed out that during the last two years attendance at the province's three schools of agriculture was approximately one-half the maximum number of students which can be accommodated. For the ensuing term students from the Peace River area will be accommodated at the Olds and Vermilion schools with the Government paying approved transportation costs.

In view of extensive northern development anticipated in the next ten years the Government believes it is important that the future requirements of the Peace River area should be completely reviewed to ensure that the school facilities are rebuilt to render the most necessary and beneficial use to the community.

The Minister stated that the Cameron Commission on education has been requested to review the function and place of the Schools of Agriculture in the Provincial educational system and to recommend the nature and extent of any changes which should be made to best meet the needs of the future."

Vermilion Hospital Acquires New Equipment; Best in Province

The Vermilion Municipal Hospital has very recently acquired a Labline High speed Centrifuge which, together with the other laboratory equipment, purchased over the past eighteen months, makes the laboratory one of the most up-to-date in the province. One important addition is a special incubator which allows the technician to take samples of infected material and grow the organisms and find which drug is the one effective against a particular kind of infection. At present the lab is equipped to do practically any test that a doctor may order and very few specimens have to be sent to the city. This is a service that very few communities can claim except the cities.

The X-ray equipment is of the highest quality available and in addition to the large machine there is at present a miniature Chest X-ray machine which was given to the hospital by the Xmas Seals Division of the TB Association. There is an electric dryer for rapid drying of developed X-ray plates, and in the viewing room is a bank of four viewing lights. The value of the equipment in X-ray [illegible] $15,000 — a remarkable amount, the total value of which measured in research and service to the people of the district is inestimable.

In charge of all this equipment and the person who does all the X-ray and lab work is Mr. L. Marian, M.T., R.T. He took a two year course in lab and X-ray at the Northwest Institute of Medical Technology, Minneapolis, Minnesota and graduated in Sept. 1952. When he came to Vermilion in October 1952 there was very little in the way of lab or X-ray and it is under his direction that it has been built up to the present high standard. He belongs to the American Medical Technologists Society which society covers the North American continent. He is also a member of the National Society of Medical Technologists.

Vermilion is fortunate to have a trained technician of such quality, and to have the facilities with which to work. It is one means by which Vermilion hospital is able to be considered one of the best Municipal Hospitals in the province.

Valle Watt Wins $1600.00 In the Irish Sweepstake

Vallie Watt received quite a thrill last week end when he received a wire stating that he had drawn a horse in the famous Irish Sweepstakes. The horse called "Magi" was listed however as a doubtful starter. But even at that drawing the horse gave Vallie the chance to cash in on some $1600 or thereabouts. The race was run on Wednesday.

BREAK-IN AT DEWBERRY

DEWBERRY — On Friday May 30th in the early hours of the morning thieves forced entry into the Farmers' Store owned by Mr. J. Machon. Cigarettes, tobacco, shoes, shirts, weiners, candy and some cash were taken. They strewed papers around which were taken from the safe.

The thieves appeared to have time to spare as they tried on several pairs of shoes and left the boxes on the floor. They had lunch of weiners and garlic sausage and seemed by all evidence to have had a good time.

Mr. Machon feels particularly badly about a gold medal also stolen which he won a few years ago. It was the only article saved from a fire which destroyed his house at one time.

So far no trace has been found of the burglars.

Four District Teams Form D.I.K.M. Little League

A meeting of representatives from Dewberry, Islay, Kitscoty and Marwayne was held at Dewberry recently and organized a Little League. The following schedule was drawn up with the games starting on June 11th.

D.I.K.M. LITTLE LEAGUE

June 11 — Kitscoty at Islay; Marwayne at Dewberry.
June 12 — Kitscoty at Dewberry.
June 20 — Islay at Marwayne.
June 26 — Islay at Dewberry.
July 2 — Marwayne at Islay; Dewberry at Kitscoty.
July 9 — Dewberry at Islay, Kitscoty at Marwayne.
July 16 — Islay at Kitscoty, Dewberry at Marwayne.

Conservatives To Organize

The Progressive Conservatives of the Vermilion constituency will hold the annual meeting at Mannville on Monday, June 16th at 8 p.m. The meeting will be held in the Legion hall.

Business will include election of a new executive and the appointing of delegates for the leadership convention to be held in mid-summer. 67-8

Three Men Injured In Oil Warehouse Explosion and Fire

Three men received painful burns, one of whom is in hospital, while the office and warehouse of the Texaco Company bulk station along with a large stock of lubricating oils and greases are in ruins as a result of a fire caused from an explosion on Saturday morning at 11:30 o'clock. In hospital is Tom Fenton, an employee of the Texaco Company, while also receiving painful burns were two customers in the building at the time, Wally Polinsky and John Tisdale.

The oil and grease fed fire raged within 2 feet of the five gasoline storage tanks of the company, each tank with a capacity of 12,000 gallons. The wind which fortunately was driving the fire to the west and away from the storage tanks. These tanks are constructed to stand a great deal of heat and are equipped with valves which automatically open under pressure from the vapors inside.

Tisdale had his truck backed up to the loading platform and was making a purchase of diesel fuel, as was inside of the building with Fenton. Owing to a valve not being tightly closed some high test gasoline had sprayed out and Fenton's clothes became gas soaked when he turned it fully off. Fenton and Tisdale were about to leave the warehouse just as Polinsky was entering when the explosion occurred. Tisdale and Polinsky were blown for several yards out of the building while Fenton whose clothes were wet with gas became a living torch with his clothes ablaze and ran from the flaming building. The other two men realized Fenton's peril and caught him and rolled him in long green grass in the roadside ditch to extinguish the flames. Fenton was taken to hospital for attention, and Wally and Tisdale received medical care. What caused the spark that set off the explosion is not known.

For awhile the flames raged unabated and roused fear of spreading to properties of other nearby oil companies and to the pens, sheds and offices of the stockyards immediately adjacent towards which the flames were being blown. The three fire engines of the local brigade threw streams of water into the flames and gradually brought it under control with no spreading.

The brigade also managed to keep the office of the warehouse fairly clear of flames and heat and thereby saved all of the company's records.

Two light trucks and a car parked right at the building and at times enveloped in smoke were removed by the firemen. Each vehicle suffered some damage.

The fire was most spectacular with the flames roaring skyward with reams of black smoke. The fire was out at 3:30 p.m. after the firemen had poured 90,000 gallons of water onto it.

The destroyed building was of sheet metal construction and was valued at $3,000.00 while the stock of oils and greases and plant equipment will add another $15,000.00 to the fire loss.

The local manager of the Texaco bulk station is Oliver Tulson. Plans for rebuilding and carrying on the business are already underway.

To Attend Fraternity Convention

Miss Anne Stewart, Gold Medalist in the graduating class of Home Economics, University of Alberta who will attend the International convention of her fraternity Kappa Alpha Theta, at Wainierville, Penn., June 23rd to 28. She has been president of the fraternity for the past year.

Anne is the daughter of Mr. and Mrs. F. M. Stewart.

Graduates As Jet Pilot

F/O R. P. Hemmingway, son of Mr. and Mrs. Herbert Hemmingway of Vermilion, has recently arrived at RCAF Station North Bay, Ont. F/O Hemmingway was transferred to 414 Squadron at North Bay on his graduation from the operational training unit at Cold Lake. He will fly CF-100 Jet Interceptor aircraft while at North Bay.

WHO? ME? - YES, YOU!

The 'in-a-hurry' driver will find himself the target of an international campaign to reduce traffic deaths this summer. Beginning this June 1, Canada and the United States, with Puerto Rico participating as well, will conduct an intensive 'Slow Down and Live' drive. Police, governments, safety organizations, industry and many other groups will [illegible] in this campaign against the motorist who attempts to use all the tricks he knows to get there fast.

The campaign will aim its guns at the driver who cuts traffic, fails to stop at intersections, jumps traffic-control signals and generally drives as a menace to other drivers and pedestrians. The heart of the campaign will attempt to make each individual motorist realize that he is the offender not the other motorist, and the slogan appearing below a picture of a surprised looking vehicle operator will read, "Who? Me?" with the reply "Yes, you!"

This is Canada's second year to participate in the 'Slow Down and Live' campaign sponsored nationally here by the Canadian Highway Safety Conference. As last year, the 1958 effort will run through the summer vacation months of June, July and [illegible] and an official Provincial [illegible] Director will co-ordinate the activities in each province, providing assistance as well to the community safety councils [illegible] they exist.

In 1957 the over-all record of highway fatalities in Canada did not decrease as compared to the same 1956 period. However, traffic deaths dropped during the summer in five provinces as [illegible] as in 28 states and Puerto [illegible].

Said W. Arch. Bryce, general manager of the Canadian Highway Safety Conference, national sponsors in Canada of 'Slow Down and Live.' With the Canadian motoring and walking public becoming more and more [illegible] of the perils we can hope for a definite reduction in highway deaths this summer. However, as our chairman, Hon. Gordon Taylor has pointed out, the only way this can be done is for the individual driver and pedestrian to do it. He cannot leave it to the other fellow and expect to be safe himself.

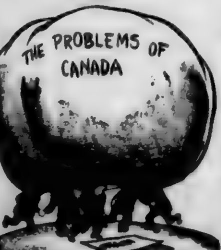
It's Easier If We All Go In The Same Direction



Nursing Consultant For Alberta

Even the smallest Alberta hospitals and schools of nursing will now be able to call in an expert on their own special problems of nursing education.

Miss Marguerite Schumaker, R.N. appointed to fill the newly created post of Advisor to Alberta Schools of Nursing through routine visits to all hospitals with nursing schools in the province will review with them the most efficient methods suited to their needs. She will also be available for special advice on emergency problems.

With degrees in half a dozen American and Canadian universities and schools of nursing, Miss Schumaker also has practical experience in most aspects of nursing education in both large and small hospitals.

Formally introduced to the nurses of this province at the 40th Annual A. A. R. N. meet in Banff last week, she challenged Alberta [illegible] democratic living. 'Our foundation of life and an integral part of nursing.'

'The high standards of nursing education in the A. A. R. N. are second to none,' she said. 'However let us remember that progress is made by striving together toward our goal.'

'In democracy we believe in the individual's worth. By expressing ourselves freely and amicably let us set new goals to work out our nursing problems according to our belief in democratic living.'

The new nursing consultant for schools of nursing Education will begin her duties in Edmonton this week.

Western Canada Is Featured in U. S. Radio Programs

WINNIPEG — The story of Western Canada's attractions is being told in the homes of Americans from Vermont to the Virgin Islands. Numerous travel 'plugs' contained in recorded talks from the New York public relations office of Canadian National Railways are being carried by over 400 radio stations in 43 American states.

The series of 26 broadcasts entitled "This Is Canada" began in March. The promotions of Western Canada will be carried during the weeks of June 23, July 21 and 28 and Aug. 11 and 18. They include "Winnipeg, Gateway to the West", "The Canadian Rockies"; "British Columbia (1958 Centennial Year)"; "Alberta", and "Saskatchewan, Breadbasket of a Commonwealth".

The narration is by Peter Roberts, Canadian - born commentator.

BUFFALO COULEE ACTIVITIES

The Grade X students of Buffalo Coulee were guests of honor at a farewell party held in the gym which was beautifully decorated with streamers and balloons. The background of the stage, done in blue and silver to the theme of "Sail Along Silvery Moon" was very effective. The students on the platform who are completing their Grade X were Vernon Smith, Margery Brook, Shirley Cooper and Bette Caron. Elaine Everett, a Grade IX student, gave the farewell to the [illegible]. This was suitably replied to by Vernon Smith. Mr George Spak, a former teacher who was to have been guest speaker, was unable to be present. The evening was rounded out with a dance to the music of the "Mix Masters". After supper a shower of balloons caused lots of noise and merriment. Best wishes of the community go to these students in their future endeavors.

On Tuesday evening C.G.I.T. sponsored a Japanese tea for the ladies of the community as a climax to their study of Japan. This was very well attended and enjoyed by all. Under leadership of their president, Alayne Stone the girls had their regular opening followed by readings from Japanese students. These were done by Fay Lychuk, Ruby Boier, Laurena May, Lyla Eyben and Katherine Barlow. A film on "The Church at Nishio" followed. The tea tables were centred with vases of lilacs and cherry blossoms on Japanese place mats. Bouquets of these flowers were also on the platform and the walls were decorated with paper fans. The girls very efficiently served the ladies with a bountiful supply of sandwiches and small cakes. They would like to thank all the ladies for their generous patronage. Some of the proceeds will be given to forward the work of the church in Japan.

May 29th was "Play Night" when students of Grades 7 and 8 presented [illegible] plays as a conclusion to their course on Dramatics. While not a very large crowd attended, all those who were there were well entertained. "His First Shave" directed by Diane [illegible], had the following cast: Alayne Stone, Robert Cameron, Grant Hawrelaw, Ruby [illegible], Colleen Kennedy. Those taking part in "Lemon Pie for [illegible]" directed by Lenore McInnis were Jerry Falcon, Katharine Barlow, Roddy Haverslew, Lyla Eyben, Laurena May and Lyle Gabrielson. The third one was "Mother Walks Out" directed by Mr Bowman. Included in this cast were Janet Falcon, Ronnie Kennedy, Rex Cunningham, Brian Harrison, Eleanor Green, Jeannie Keehan, Fay Lychyk and Marie Falcon. Donald Stone acted as M.C. Following the plays coffee and doughnuts were served by the students.

The last Home and School meeting of the season was held on May 28th. Mrs. Forsyth of Mannville who had attended the H & S convention in Edmonton gave a most interesting report on what had been done there. Owing to the busy season no one from the Buffalo Coulee Home & School had been able to attend.

The Buffalo Coulee boys are still in the hard luck column in the Pony baseball league with only two games left to play. The Pony league has been handicapped by a shortage of players this year with just exactly enough for a team and no spares.

Heatherbell W.A. meets this week at Mrs. Sheldon May's; the Autumn Leaf group at the home of Mrs. L. [illegible] and [illegible] at Mrs. Alf Green's. The latter group is honoring one of their older members Mrs. Fred Arthur on the occasion of her birthday.

Remember the Auburndale picnic and bazaar at the Community centre Friday June 13.

Health Unit Notes

WHAT IS MENTAL HEALTH?

Mental health is so closely linked with how we feel, think and do that it would be unwise, if not impossible, to tie it down to a simple definition. There is, however, one quality common to people who enjoy good mental health — emotional security.

Such persons are useful members of society, reasonably happy and well adjusted, who get along with their families, friends, acquaintances and business associates. They have their share of the 'blues,' get into quarrels and once in awhile lose their tempers, but they have learned to take the ups and downs, the troubles and annoyances of everyday living with a minimum of damage to themselves and others. As you'd expect, these people are able to meet life's serious crises successfully.

Fortunately, mental health isn't a case of 'either you have it or haven't.' Just as [illegible] health can be improved, or become run down, so too with mental health; that is the encouraging thing about it and the one which seems to be the most misunderstood. A weak or sickly individual can build better physical health and similarly most of us can do something about strengthening our own and our children's mental health.

A WAY OF LIFE

Mental health isn't something that is separate from the rest of us, to be strengthened with a 'set of exercises' or a 'course of treatment.' It is interlocked with our physical health, social life, church affiliation, family relationship, work, play and community participation.

In short not enough recreation, selfish living — these won't necessarily make us mentally ill but they can lower our mental health. Regular adequate meals, eight hours of sleep, fresh air and exercise is [illegible] advice for [illegible] health. It applies to [illegible] health too! Family life, the [illegible] and [illegible] activities should play their important roles, each in responsible proportion.

In this way we can keep emotional equilibrium — respect for ourselves and others, self control, tolerance of the other persons views, ability to give as well as take, making decisions and accepting responsibility, facing up to problems and meeting success and failure with equally good grace — ability to 'get along.'

ESPECIALLY FOR OUR CHILDREN

Good mental health has been described as a family matter, flourishing in happy home life. How a child is brought up, the kind of family spirit about him, — this is what mainly decides the kind of adult he'll become.

The things that are so vital to sound mental health in children are basically simple — love and affection, praise and encouragement, a feeling of security in the home, a chance to really grow without being smothered by too much love and to many "dont's".

Wise parents today realize more and more that children need a healthy education. If you wish more detailed information about this, there are many helpful publications available free through your provincial health department or local health units.

BABY & PRE-SCHOOL CLINICS

Monday, June 9 — Vermilion (Health Unit Office) 2 to 4 p.m.
Tuesday, June 10 — Wainwright (Office) 2 to 4 p.m.
[illegible], June 12 — Kitscoty (Office) 10 to 12 noon.
Thursday, June 12 — Lloydminster (Teetens) 2 to 4 p.m.
Thursday, June 12 — Chauvin (Rest Room) 2 to 4 p.m.
Friday, June 13 — Marwayne (Hall) 10 to 12 noon.

Wainwright, Alta.

Are you one of the lucky families who own a home freezer? — A good deal of time can be saved by baking ahead these busy spring days. Here are a few tips on freezing of baked goods.

CAKES

Cool thoroughly before freezing. Wrap carefully in foil, saran or moisture proof paper. Leave them wrapped until thawed.

Frozen cakes dry out more quickly than fresh ones so if only part of cake is to be used cut the portion needed and leave the rest in the freezer.

Cakes do not freeze firm or solid so protect with a box or cake cover.

ICINGS

Both boiled (fudge type) and butter frostings freeze satisfactorily. For best results do not frost of fill cakes. Fillings tend to make the cake a little soggy and some icings do not freeze well.

KEEPING TIME

For best results use up frozen butter, angel, chiffon or chocolate cakes in 1 to 2 months.

WHIPPED CREAM

Try making your whipped cream with confectioners sugar instead of granulated sugar. Drop by spoonfuls on a waxed paper lined baking sheet. To use place frozen mound on dessert. Allow 20 minutes to thaw. Storage period 1 month.

PIES

Fruit pies, pumpkin, mince and chiffon freeze well. Most fruit pies are frozen unbaked for fresher flavor. Do not slit top crust (to prevent drying out) and use twice the amount of thickening in a pie that is to be frozen. Cream pies do not freeze well as they tend to curdle or weep.

Reheat previously baked pies at [illegible] degrees for 25 minutes. If frozen unbaked cut holes for steam escape in top crust. Without thawing, bake in hot oven (450 degrees for 15 - 20 minutes, then bake at 375 degrees until well done.

Pies keep well up to 6 months but for the best results use in 4 to 6 weeks.

REMEMBER — In wrapping food (cool and chill before wrapping) it is important that foods be wrapped correctly so that freezing will be complete. Packages should be airtight; wrapped in heavy material that it will resist tearing.

Vermilion Elks Newspaper Bingo

Number drawn Friday, May 23rd: O 68; May 30, B 7.

B — 1, 9, 13, 14, 5, 12, 10, 2, 6, 7

MISS HELEN M. MASYK

Clandonald Girl Graduates

MASYK GRADS etc. [illegible]

Miss Helen M. Masyk was among the sixty-two members of the Edmonton General Hospital School of Nursing to graduate at ceremonies held at the Jubilee auditorium Sunday evening May 4th.

More than two thousand parents, relatives, friends and special guests attended the Commencement exercises.

Most Rev. Coadjutor Archbishop Jordan gave the address to the Graduating class. Hon. Dr. J. J. Bowlen, lieutenant-governor of Alberta brought greetings to the nurses from the Province. Also extending greetings were Ald. Clifford Roy, representing Edmonton; Dr. J. W. Scott, Dean of Medicine; Dr. M. McCallum, representing the Department of Health. Dr. C. A. Allard was chairman. Dr. L. P. Mousseau presented the diplomas and Dr R. M. Clare, Medical Director of the Edmonton General Hospital, led the Nursing Pledge.

Guests attending Miss Masyk's graduation exercises were her mother Mrs. A. Masyk of Clandonald, young brother Anthony of Clandonald, Maurice Masyk and Leola Knull of Thorsby, Mrs. L. Morin and daughter Lorene of Calgary, Mr Eugene Maltais of Dewberry, Dr and Mrs. J. A. O'Brien, Mr and Mrs A Roberge, Mr. and Mrs R Lemp, Mrs M. Lakusta and daughter Lorraine, Miss Margaret Kolodjiejzyk and fiancee Anthony Senger, Miss Louise McCammon (E.G.H. student nurse), Mrs T Charchun and daughter Emily, Mr. Robert Koles, Mr. and Mrs. L. Bissonnette, all of Edmonton. Miss Marie Charchun, R.N., and Miss Jane Chrenek, R.N., motored from Vermilion.

A buffet lunch was given in Helen's honor for her guests at the residence of Mr. and Mrs L. Bissonnette Edmonton.

Saturday, May 3rd at 3:00 p.m. a mother and daughter tea was held in the Edmonton General Hospital Nurses' residence at which Miss Masyk presented her mother with a corsage of pink roses.

On May 4th at 8 30 p.m. the graduating class attended mass held in the nurses's residence chapel. Guest at mass was His Lorship Most Rev. Bishop MacDonald of Edmonton. He presented the Mass Sermon to the graduands. He also attended the Communion Breakfast with the graduating class in the hospital cafeteria.

May 5th at 7 p.m. a banquet was held in the MacDonald hotel in honor of the graduands given by the Edmonton General Hospital Nurses Alumni. Following the banquet a graduation ball took place in the MacDonald [illegible]. Miss Masyk was escorted by Dr H M Toupin M.D. of Edmonton.

Helen is a 1954 graduate of the [illegible] St Joseph's high school. She completed her three years' training for a nurse at the General hospital on Feb. 1 of this year. She is now taking a six month post graduate course in tuberculosis at the Baker Memorial San in Calgary and is planning to take a post graduate course in Obstetrics and another in bedside surgical nursing in the spring of 1959 in the United States.

Junior High School Plays Please Large Audience

Play night, the culmination of much work and pleasure by the Drama classes of Grades 7 and 8 was well received by an overflow audience at the Junior High on May 27. The plays in order of performance were:—'Johnny Dunn,' based on tall tales of Alberta, told in choral chorus by the students of Grade 8A. The part of Johhnny Dunn, the spinner of tall tales was taken by Peter Dahoy. The narrator was Ronald Gillman and Mrs. Johnny Dunn, the prodding wife, by Jacqueline Bell. The play was written by Robert Gard who gathered the tales and wrote the drama. It was evident that the audience enjoyed their efforts as much as 8A enjoyed presenting it.

The second presentation was 'The Courting of Marie Jenvrin,' a comedy of Yellowknife, N. W. T., put on by the students of 8B. Any attempt to single out any one member of the cast would indeed be unfair to the rest. All identified themselves with the characters they portrayed and best of all they played them with zest and enjoyment. The cast was as follows: Marie, a much courted French Canadian girl — Dianne Sieden. Louis [illegible], a young miner — Tommy [illegible]. Mr. Dinsmore — an arrogant, too rich business man — Henry Wasylik. Michael Lorrigan — hard rock miner — Ian Taylor, who won the pretty little girl. Mr. Wernecke — the proprietor of the Yellowknife Hotel — John Sedon. [illegible] Wernecke — his wife, placid and peace loving — Sandra Moses. Father Lebeau — a flying priest played by Keith McDonald.

The setting was the lunch counter and lobby of the Yellowknife Hotel. The action was fast to the very last.

'The Princess Who Dreamed Too Much' concluded the Drama Night. The young players from Grade 7 showed individually and collectively much natural talent in this splendid play by Alberta's Elsie Park Gowan. Here we must single out one young actress who played the witch — Louise Shalka. The Princess who dreamed too much was taken by Angela Carlyle. Her sister — Idagene Ferguson, the Prince — Brian Wilson, The King — Bobby Williams, The Queen — Sharon Martin, The Page — Douglas Heckbert.

Directors of the plays were Mrs. M. McMeekan and Miss H. [illegible].

Memorial Bible Presented To Kitscoty Church

An impressive dedication service was held in the Kitscoty United Church on Sunday, June 2 at 11 30 a.m. when Mrs. Clifford W. Miller on behalf of the Women's Association [illegible] to the congregation, a gold inscribed Bible in memory of the late Mrs. John Dale who passed away on November 2, 1957. The Bible was received by Mr. H. J. McCourt, a member of the session who in turn presented the Bible to Rev J. Shortt. After a prayer of dedication he placed it on the pulpit. Mr. Robert Seal a student minister, preached the sermon from the memorial Bible.

The choir, under the direction of Mrs. F. Batty, sang an anthem suitable for the occasion during [illegible].

Mrs. Dale was an original member of the Ladies Aid, which was organized in 1908. She was a faithful worker for her church until her health failed, but continued to keep in touch with the W. A. members and was very interested in all their activities.

All members of the family were present for the service, Mr. and Mrs. J. C. Dale, Edmonton; Mr and Mrs. Ross Walker, Saskatoon; Mr. and Mrs. Merne Dale and Merna of Calgary. Several relatives from Lloydminister also attended the dedication service.

'The Bible Today'

Recently a senior user of a new hearing aid expalined to her hearing aid consultant that she was making slow progress in educating her hearing and her voice because she lived alone. He suggested that she try reading aloud to herself one hour a day. She began with the Bible and read right through it. Words spoken aloud took on fresh significance and time time passed more swiftly. Then some chance visitors stayed to listen. They found she was such a good reader that she was asked to give readings at her church. The Bible has been called "The Silent Missionary". It speaks in more than 1100 languages and always improves the sincere listener.

Brass - Buldoc Nuptials Are Solemnized at Lloydminster

At a double ring ceremony in St John's Anglican Church, Lloydminster on April 23, Irene Y[illegible] eldest daughter of Mr and Mrs. N Buldoc of Lloydminster, became the bride of Robert Ernest Brass, only son of Mr and Mrs. E. Brass of Vermilion. [illegible] Rev Parling read the mar[illegible].

Given in marriage by her father the bride wore a floor length gown of lace and nylon net over taffeta. The fitted bodice trimmed with sequins and pearls was designed with a round neckline and lily point sleeves. Her chapel length veil was held in place by a pearl and sequin trimmed coronet. She carried a white prayer book with a spray of red roses.

As bridesmaids, Glenda Buldoc, sister of the bride and Leona Cundliffe cousin of the bride, chose identical princess styled dresses of crystal charm in blue and pink respectively. They wore matching headdresses and carried colonial bouquets of white carnations.

The groom was attended by Ian and Clayton Davis. Ushering the guests were James McGaughey and Horace Cundliffe.

The organist was Mrs. J. Skinner and Mrs Noyes sang during the signing of the register.

For her daughter's wedding, Mrs. Buldoc wore a pink dress with white accessories and a corsage of white carnations. Mrs. Brass chose a navy blue dress with pink carnations.

Following the ceremony, a reception tea was held in the Church Hall with Mr J. David of Vermilion proposing the toast to the bride which was ably responded to by the groom.

Telegrams of congratulations were read from the groom's grandfather, his aunt and uncle in Scotland.

For her wedding trip, the bride changed into a fawn colored suit with tangerine accessories and a matching corsage. Her jewelry was a necklace and earrings, a gift of the groom.

The happy young couple will reside on a farm near Vermilion.

Convention At Alliance Chapel

The annual missionary convention of the Alliance Chapel will be held from June 8 to the 15th with Rev. A. H. Lopston as the guest speaker. Mr Lopston has worked for more than four years in Kwangsi Province and nearly thirty years among the Moros of the Sulu Archipelago under the Christian and Missionary Alliance.

On Sunday evening the missionary film 'Shadow of Shangri-la' will be shown. This is a revealing and challenging film of the strange stone age tribesmen of New Guinea.

On Wednesday June 11, one hundred twenty five ladies from churches throughout this part of the province will convene at Vermilion Alliance Chapel for a Missionary Rally. Featured speaker will be Miss Honor Warden, a registered nurse who has been working among the lepers of Thailand.

Intelligence Tests Discussed at Rotary

Fred Stewart, principal of the intermediate grade school discussed intelligence tests now being given to school children in all schools in this division. The first tests are given in grades one and 2, and they continue for four years.

Mr. Stewart stated that a complete record is kept of every pupil's intelligence tests as well as standings obtained in subjects throughout his or her school years.

Another new and interesting phase of the pupil's training is in developing the ability to see and to register what they have seen. Pictures are shown at a shutter speed of one fifth of a second and children must relate what they saw on the slide. This is gradually built up to one fifth of a second. Similiar training in hearing is also part of the curriculum.

Ken Rowe related the life history of the speaker. It was quite interesting. Ken said he got the information from Mr. Stewart's wife. It must have taken quite awhile. Geo Webb thanked the speaker. He mentioned that he was concerned about children's education being both a father and grandfather of school age children.

Art Shortell of Lloydminster was the only visiting Rotarian.

Chas Heckbert introduced as his guests, Jack Taylor of Edmonton and Bud Trites of Vancouver.

Elmore Stewart introduced Walter Fulkerth of Innisfree, an Aberdeen Angus breeder in that district.

Only one birthday was celebrated. Bill Pettigrew was presented with a carnation by Ross Boake. It did not need a hammer to nail it on this time.

Alex Palin reported that the junior baseball team sponsored by the Rotary Club had played three games and won all of them.

Ernie Buckingham told of some wishing wells which he had seen in Toronto and other places. He suggested that it would be a good project to construct one at Vermilion Lake Park. The funds could be turned over to some charity.

Bill Sutherland was chairman of the meeting. Bill thanked the speaker and welcomed the several guests to the club meeting.

CAN YOU BEAT THIS?

Mrs. M Fair is already using radishes from her own garden. They are plenty large and flavorful too!

Sixteen Years Ago

MAY 21, 1942

The Hon. W. A. Fallow, Alberta minister of Public Works, made the announcement Thursday that an agreement had just been reached with the Dept. of National Defence Ottawa, to establish immediately at the Vermilion Agricultural College, a training centre for the reception of the Canadian Women's Army Corps personnel.

The use of the College is a source of keen gratification to Mr Fallow, who has worked on the matter consistently for the past year. The news will be received here with great satisfaction.

Heavy rain commenced falling over this district early Wednesday evening, continued all night and was still at it early Wednesday morning. Up to 9:00 a.m. Thursday, 2½ inches had fallen here. The Claysmore district is reported to have had a 'water spout,' or cloud burst, the water in one place 12 miles west of Vermilion was backed up and running over the railroad tracks.

Cedric Passmore, son of Mr and Mrs. S. H. Passmore of Kitscoty has graduated in optometry after taking a three-year course in Toronto. He is now training for a pilot in the R. C. A. F.

The farm home of Mr. and Mrs. Jack Marfleet and all contents were completely destroyed by fire during the high wind on Monday.

32 Years Ago

MAY 27, 1926

Rev Chas. Bishop has been appointed to the pastorate of the Provost United Church.

25 schools will take part in the school fair this year. The organization is headed by J. W. G. Morrison and W. E. Sutton is secretary with Miss Edna Daley as his assistant.

Winners in a 24th of May tennis tourney were Emil Wener and Miss E. Craig. Golf competitions were won by John Boington, Mrs. Norton, George Wright and Mrs. Cash.

Q. How can I clean outdoor brass fixtures?

A.: Use scouring soap that is mixed with kerosene. Apply with a flannel cloth and rub thoroughly.

Mr and Mrs. Herman Care celebrated their 45th wedding anniversary on May 24th at their home at Borradaile. They arrived in Canada from Holland on July 1st, 1949, living at Islay prior to moving to the Borradaile district. They have three children living in Canada, Mrs. Edgar Williams of Borradaile, Miss Bertha Care in Edmonton and a son Jack at Cold Lake. One son lives in Holland.

Mr. and Mrs. Care held an 'open house' reception on the occasion of their wedding anniversary and many friends called to pay their respects and extend best wishes to the esteemed couple.

Oscar Johnson Dies At Vegreville

A former resident of the Borradaile district, Mr. Oscar Ferdinand Johnson passed away at Vegreville on May 29. He was 80 years of age. Funeral services were held under Masonic auspices on Monday, June 2. Mr Johnson is survived by his wife, three sons and two daughters.

Mr. Johnson and family lived at Borradaile for seven years, leaving there a little more than one year ago to return to their former home in Vegreville.

Attending the funeral services from Vermilion were Mr. and Mrs W. H. Little, the former is a brother-in-law of the deceased.

Librarian Retires At Mannville

MANNVILLE. Retiring after many years of faithful library service is Mrs. R. Hay who will be greatly missed by the Library Association and the many people who frequented the library, particularly the children. Mrs. Hay never refused to assist them in their selection of books, and helped them in various other ways. The Library Board acknowledges with gratitude, the capable services of a gracious librarian.

OBITUARY

DELBERT ORVAL MILLER

Funeral services for the late Mr Delbert Orval Miller, who passed away in the Royal Alexandra hospital, Edmonton on Wednesday, May 21st, were held at the United Church, Vermilion with Rev C. W. MacKay officiating. Interment took place at the Vermilion cemetery.

Delbert Miller was born in the year 1900 on Aug. 8th in Carrington, N. D. He came to Canada in 1917 and lived in and around Vermilion until 1949, at which time he moved to Edmonton. He was employed by the T. Eaton Co. until his recent illness.

He leaves to mourn his passing his loving wife, one daughter Frances, two brothers and two sisters, Jim of Islay, Lester of Edmonton, Mrs. Ed. McCann, Billings, Montana, Mrs Fred Hildebrand of Escondido, Calif.

Funeral arrangements were carried out by Moyers' Funeral Home, Vermilion.

Beautiful floral tributes were received from loving wife and daughter Frances; Fred and Minnie, Jim and Nellie; Lester and Janet; Mr. and Mrs. Jim Miller, Jr.; Russell, Kathleen and family; Monty, Doreen, Johnny and Alec; Frank and Tiny; Bob, Vera and [illegible]; Mr and Mrs A. C. Fry and Sherrie; Engineers' Dept. of the T. Eaton Co.; Bert, Billie and W. P. Pilkie; Bert Family; Mr. and Mrs Jim Johnson; Mr. and Mrs. Berg; Mr. and Mrs. Norman McGinnis; Mr and Mrs. Charlie Hollen; Donald and Jean Harrison; Ted and Anne Kushn; T Eaton Co. Ltd.; Friends in the Alex Taylor Apartments.

Donations to the Crippled Children's Fund: John and Leonne Clark, Charlie Cawthorpe; Irwin Whitcher.

Donations to Canadian Cancer Society: Annie, Edward and family; Al Pearl and Sylvia; Dewer; Mr and Mrs Isidore Nelson; Cora Lindroth and Mrs. Larsen; Mr and Mrs. Edgar Williams, George and Ian Webb.

The pallbearers were George Webb, Albert Kushn, [illegible], Don Harrison, Tom [illegible] and Chas. Hollen.

LOCAL NEWS

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Clarence V. Wilson of Vermilion wish to announce the engagement of their eldest daughter, Magaret Rose, to Mr. Gordon Boyd Bell, son of Mr. and Mrs. E. H. Bell of Edmonton. The wedding is to take place at the First United Church in Vermilion on July 5th at 4:00 p.m.

ENGAGEMENT ANNOUNCED

The engagement of Miss Cora Marlene Mahan of Vermilion, youngest daughter of the late Mrs. Mercy Mahan, formerly of Vermilion, is announced to Mr. Fred Henry Wutzke, youngest son of Mr. and Mrs. Emil Wutzke of Herbert, Saskatchewan. The wedding will take place in First United Church, Vermilion on Saturday, June 28 at five o'clock in the afternoon.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Russell McEwen of Lloydminster wish to announce the engagement of their daughter Doreen May to Mr. Robert McIntyre of Vermilion. The wedding will take place on June 21st in Grace United Church, Lloydminster, at 4:00 p.m.

Home for the graduation exercises of the high school last Friday were the Misses Rhona and Rhoda Hodgson, Miss Joan Shepherd, Miss Eileen Bauer, all from Edmonton; Lee Coyne, Valleyview; and Pat Bentley from Viking.

Dr. and Mrs. E. L. Young are in Medicine Hat this week end looking for living accommodation preparatory to their move to the southern city about the end of June.

Wm. E. McCrae well known Vermilion old timer arrived this week and is visiting at the home of the members of his family in the district. He comes from Whalley B. C and plans to continue his trip east to his old home in Quebec. He is looking and feeling fine belying his 79 years.

Mr. and Mrs. Ross Boake accompanied by Mrs. K. G. Urquhart plan to leave this Friday for Lethbridge where Ross will attend a two day meeting of the executive of the Alberta Pharmaceutical Association. They will then continue on for a holiday trip to Billings, Montana.

George Maxwell left on Wed for Banff where he will spend a two weeks vacation. While he is away his insurance office will be looked after by Stan Waldenberger who is now associated with him in selling Sun Life As[illegible].

Miss N. E. L. Long returned this week from a six weeks Cook's tour of the continent of Europe. The trip was made by air both ways and a very enjoyable time is reported although another month could well have been used for the sightseeing holiday.

Mr and Mrs. Bob Rankin and Mr and Mrs. Peter Jensen are away for a three weeks' visit to relatives at Badger, Minn.

Mr and Mrs. W. S. Porter of Dewberry have returned to their Vancouver home after helping to put in the crop at the Dewberry farm.

Miss Alma Cameron spent the past ten days in Edmonton visiting her sister and family Mr and Mrs. J. W. Bristow and attending the 17th Dominion Convention of the Canadian Legion.

Mr. and Mrs. Ken Greenwood spent last week at Sylvan Lake, Mrs. Greenwood's old family home.

Mr and Mrs. Ed Magistad and Morley, and Mrs. Laurence May hew travelled to Lethbridge over the recent holiday week end to visit the former's daughter Miss Georgetta Magistad, and with Mr Neil MacLean, former bus sister here. Mrs Mayhew visited her sister, Mrs. Webber.

Mr. and Mrs. Gordon Williams enjoyed a complete re-union of their family and grandchildren last week end. Mr and Mrs. Grant Hetherington and three children were here from Grand Centre, Dr and Mrs Marvin Crowell and three kiddies of Grande Prairie, Mr and Mrs. Bill Williams, Edmonton and of course Mr and Mrs. Les Williams and the two children of Vermilion.

Test courses for the safe driving rodeo have been set up by Rotarian George Webb on the athletic grounds. Anyone who wishes to practise the various manoeuvres is welcome.

84 Years, Travels Alone – England To Vermilion

Visiting at home of his nephew, John I. Parkin in Vermilion, is Mr. Richard Hawksworth of Derby, Eng. Mr Hawksworth is 84 years of age and travelled from Liverpool, England to Montreal, Canada, by himself on the Cunard Liner Sylvania and the super-continental train from Montreal to Edmonton.

Mr. Hawksworth is a retired railway coach designer and builder. Some of the ambulance trains he helped to build have been sent to countries all over the world.

While in Canada for a two months holiday he will also visit relatives at Kitscoty, Lloydminster and Bremner.

Also visiting at the home of Mr. John Parkin in town is his mother Mrs. Emma Parkin of Kitscoty who hasn't seen her brother-in-law for 43 years.

Old Timers Attend Shaner-Drysdale Wedding

Two guests at the recent Shaner Drysdale wedding remembered Vermilion very well in the years gone by. Dr N. J. Minish taught school in the Ganton district during the school term of 1916-17, and Dr John W. Scott relieved Dr. Knoll during the summer of 1926 spending two months here during which time he lived in the Knoll home.

Should be Mentioned By the SPCA

Bill Bell comes in for worthy mention this week. Bill took pity on two hogs who were penned up in the stockyards at the time of the fire last Saturday. They were right in the path of the heavy smoke and could very well have been cured hams in a short time. Bill loaded them in to the trunk of his car and took them home for safe keeping.

Determination

Answering a call from west of town very early Tuesday morning Dr. Ber[illegible] was surprised to overtake a pretty young lady heading west [illegible] with her arms full of music books. It was Miss Marg Goodw[illegible]. Asked whither she was headed Margaret answered that she had missed her ride to Edmonton for her music lesson and she was now hopeful of hitching a ride so as to not miss the lesson. She made it all right.

CANNIBALS

Mrs L. R. L. Brown was given a fish recently by a neighbor who enjoys fishing. On cleaning the big jack Mrs. Brown and her daughter Margaret were amazed to find the bigger fish had swallowed another fair-sized fish and this second fish was inside there all intact.

More Official School Opening

Due no doubt to the proximity of the event to press time, two paragraphs were omitted from the report of the official opening of the new school which appeared in last week's Standard. Tribute was paid by the chairman to Mr J. R. Robson, secretary treasurer of the school division who renders yeoman service to the board and to the division. Mr. Brennan also praised the school superintendent Mr Simpson [illegible] the latter being absent in Eastern Canada.

The second paragraph recounted the very enjoyable reception held at the lovely west end home of Mr and Mrs Jas. R. Robson who entertained the guests from out of town here for the school opening. The Robson home is surrounded by luxurious lawns and overlooks Vermilion Lake. Mr and Mrs Robson were assisted by Mr and Mrs. Clyde Brennan. The reception was held during the hour between the official school opening and the Board of Trade banquet.

MR. AND MRS. RICHARD ARTHUR SMYTH

Pretty Double-Ring Ceremony At St. Saviour's Anglican Church

A very pretty double-ring wedding ceremony was solemnized at 3:00 p.m. on Saturday, April 5th at St. Saviour's Church, Vermilion, when Elizabeth Felicia Dow, daughter of Mr and Mrs Gordon J. Dow of Clandonald became the bride of Richard Arthur Smyth, son of Mrs R. J. Smyth and the late Mr Smyth of Streamstown. The groom's grandfather Rev Canon L. Freeman of Lloydminster, officiated, assisted by Rev K. A. Minchin of Vermilion.

Given in marriage by her father, the bride wore a floor length gown of white brocade styled on princess lines with round neck and lily point sleeves. The back fell from the Empire waistline to form a train. A head dress of scalloped net crusted with irridescent sequins held in place her fingertip veil of French illusion net. She carried a cascade bouquet of red roses and her only jewelry was a black Alaska diamond necklace set in sterling silver, a gift of the groom.

The bride was attended by her sister Mrs Lois Strudwick as matron of honor, and Mrs. Evelyn Smyth. Their cocktail length gowns were identically styled in brocade featuring an Empire waistline round neck and short sleeves with matching accessories. They wore single strand cultured pearl chokers gifts of the bride. Lois wearing yellow carried a cascade bouquet of blue carnations and Evelyn wearing blue carried yellow carnations.

The groom was attended by his brother Mr Ted Smyth and Mr Stuart Dow brother of the bride. Ushering the guests were Mr Jack Tyner and Mr Gerald Strudwick.

Miles Knecle played the Wedding March and accompanied Miss Janet Kent as she sang A Wedding Hymn during the signing of the register.

For her daughter's wedding Mrs. Dow chose a blue crepe dress with pale yellow accessories. Her corsage was of pink roses. The groom's mother wore a pale blue nylon taffeta dress with matching accessories and a corsage of pink roses.

At a reception held in the Church Hall at which the King Edward W. A. catered, Rev Canon Freeman proposed the toast to the bride to which the groom ably responded. Miss Doreen MacDougall was in charge of the guest book.

The bride's table was decorated with a lace tablecloth made by her grandmother and centred by a three tiered wedding cake. Mr Ted Smyth read telegrams from friends and relatives of the couple in Vancouver B. C. and during the cutting of the cake Miss Janet Kent sang I'll Walk Beside You.

Among the out-of-town guests Rev. Canon L. Freeman, Mrs. W. E. Smyth, Mr Maurice Freeman, Mr and Mrs. Ed Freeman and George, all of Lloydminster. Mr and Mrs. Roy Kent, Mrs Art Kent, Mr and Mrs. Brian Kent, Mr and Mrs Mac Kent and Miss Janet Kent, all of Marwayne. Mr. and Mrs. James Hosack, Mr and Mrs. Gordon Hosack, Mr and Mrs Jack Tyner, Mr and Mrs. Tom Jamieson, all of Streamstown; Mr and Mrs. Gerald Strudwick, Mr Stuart Dow, Mr and Mrs Lawrence Steffler of Edmonton, Mr and Mrs Carl Wellman of Carstairs and Lt Stan Coty of Calgary.

Following the reception the bride changed to a blue wool suit with beige and rust accessories. The happy couple will make their home in Edmonton where the groom is employed with Canadian Utilities Limited.

C.G.I.T. Entertain At Mannville

MANNVILLE. Members of the local C.G.I.T. and those of Minburn, a few mothers and others were privileged to see two very fine films "The Younger Brother" and "Life in Japan" typical of habits and customs of the Japanese giving a clear idea of the Japanese study on Friday evening last. A silver collection was taken. Both the leaders and mothers enjoyed this evening with the girls as lunch concluded a happy time spent.

Do's and Dont's Of Water Safety

With the first warm days of summer heralding 'open season' at camp sites and resorts, Red Cross Water Safety officials urge holiday-goers to be "Water Wise, Swim and Boat Safely".

Of 58 persons drowned in Alberta last year the largest number were children of 1 to 4 years of age. In view of this fact Red Cross urges parents to take the following precautions and avert a water tragedy:

1. Watch children constantly if there are creeks, rivers or ponds near the home.

2. Cover open wells and fence excavations in the neighborhood.

3. Supervise children at play in wading pools or garden ponds. REMEMBER that children can drown in two or three inches of water. tf

Notice to the Public
WARNING
Camp Wainwright Ranges

Firing will be carried out at the Camp Wainwright Ranges, Province of Alberta until further notice.

Camp Wainwright is situated in Townships 42, 43, 44 and 45, Ranges 5, 6, 7, 8 and 9 west of the fourth meridian and the danger area of the firing ranges is clearly defined by DANGER signs.

The danger area of the firing range comprises all land within the boundary of the Camp including statutory road allowances lying within the aforementioned boundary.

Saving and excepting thereout and therefrom:

The travelled roadway which intersects the northerly boundary of the Park between sections 8 and 9, Township 43, Range 6, west of the fourth meridian and which roadway continues in a southerly, south-easterly and southerly direction to the south boundary of the Park.

The public are warned NOT to trespass in this area.

The Crown will not accept responsibility for any claims which may arise out of damage or injury (including death) to persons or property resulting from disregard of this notice.

Advertising	367.75
TOTAL	$1,000.12

Dated at Vermilion, this 29th day of May, 1958.
HERBERT STOKES,
Official Agent.

Attend Deanery At Vermilion

MANNVILLE - With the Deanery W. A. taking place in Vermilion again this year, a number of Mannville Anglican W. A. ladies attended. The senior W.A. were out in almost full force, joining the various groups in Communion service at St. Saviour's church, Vermilion. Following service a luncheon was enjoyed by those present at the Parish hall, served and catered to by the Vermilion W.A. ladies. A busy afternoon was experienced as various W. A. groups gave reports on the year's activities, etc., proving without any doubt that W. A.'s are most necessary. It was decided to hold the Deanery at Mannville next year.

Doll House Will Be Raffled

MANNVILLE. -Miss June Van Dusen has very kindly donated her doll house to the Library Board to raffle. This is a fine doll house and would gladden the heart of any small person, and may be seen in the window of Johnston's furniture store, on display. Tickets may be procured from any W. I. member or member of the Library Board.

They have decided to raffle the house off, as June has expressed the wish that books be bought for the library with the money realized, a most unselfish gesture.

OBITUARY
WILLIAM SMITH

Funeral services for the late William Smith, who passed away in the Vermilion hospital May 17th, were held at the First United Church, Vermilion, on Wednesday, May 21st at 2:30 o'clock in the afternoon. Interment took place in Vermilion cemetery. He was 86 years of age.

The Rev. C. W. MacKay officiated. Pallbearers were Messrs. Mac Smith, Lister Emmott, Dud Staden, Frank Renspies, Arthur Pheasey and Fred Proudfoot.

Mr. Smith was born in Scotland. He came to Canada in 1904, settling in the Saltaux district south of Mannville in 1905. He was for many years the postmaster at Saltaux and mail carrier. Mr. and Mrs. Smith retired from the farm 14 years ago and lived in Mannville for four years prior to coming to Vermilion. A week before his death Mr. Smith suffered a stroke from which he never recovered.

Surviving members of the family are his loving wife, three daughters, Mrs. Alex Stone, Vermilion; Mrs. Archie Little, Vegreville; Mrs. Don Mullen, Vancouver; and four sons, William of Penticton, Tom of Mannville, Bert in Edmonton and Jack at Vancouver. There are fifteen grandchildren and two great grandchildren.

Moyers were in charge of the funeral arrangements.

Beautiful floral tributes were received from: Loving Wife and Family, Dave, Rachael, Irene, Murray, Jean, Morris, Johnnie, Mac and Rheta; Bella and Riley; Louise, George, Doreen, Don, Alayne and Carol; Tom, Lil, Stan and Vernon; Mr. and Mrs. Carman Long; Matt and Mrs. Majury; Lottie, Ken and Mrs. Elliott; Mr. and Mrs. George Capatos; Vermilion Lodge B.P.O.E. No. 31; Mrs. Ivar Larsen, Gladys, Cora and Sig; Mr. and Mrs. Walter Thompson; Mr. and Mrs. M. Simonsen; Mannville Old Timers; Mr. and Mrs. R Whitson; Mr and Mrs Hamilton, Mr and Mrs Gordon Williams; Mr and Mrs A Carlson;

Dora and George, Marie and Curtis; Mr and Mrs Andrew Grech and Mary; Alex and Jeannie Blair; George and Ina Webb.

Canadian Cancer Society: Sid Hinton and family; Harold Barlow; Wilson and Vera Brooks; Hilton Family and Miss Radmore, Jim Duncan and family, E. Cunningham; Mr and Mrs Ches Waldenberger, Hiram Lena and Elma Hodgins; Mr and Mrs R. Woodruff, Mrs Edna Reel; Mr. and Mrs Martin Haverslew, Macnab Families; Frank and Emma Syben and family; Mr and Mrs. Roy Jory; Miss A Keith; Mr. and Mrs. Ivan Smith; Lawrence and Muriel Barlow; Genny and Herbert Johnson.

Crippled Children's Fund: Mr and Mrs. Sid Brass and family; Mr and Mrs Jim McLaughlin; Mrs. Elliott, Ken and Lottie; Harry and Marie Cooper and family; Chris Grace and [illegible] Bradshaw

The Vermilion United Church Memorial Fund: Stan and Edith Waldenberger; Betty, Gerald and Margaret Stephens; Mrs. Annie Cameron.

St. Saviour's Memorial Fund: Mr and Mrs. Harry Scott and family; Mrs. W. A. Rogan

The McQueen United Church Memorial fund: Margaret and Allan Emmott and family; Frank and Ellen Renspies and girls; Cliff and Sheila Emmott and Boys, Albert and Jean Emmott and boys; Myrtle and Roy Hay; Torrance Family; Mr and Mrs. Neil McKinnon; Gar, Elsie, Stan and Ann Coultman; Mrs W H. Prior, Earl and Lizzie, Ted and Eileen, Babs and Ruby

Vermilion Cemetery Fund: Mr and Mrs J. M. Wilson; Mr and Mrs. Jack McLaughlin; Billy and Leona McLaughlin; Neil and Agnes MacLean.

Auburndale Cemetery Fund: Della and Ronnie [illegible]

Mannville Cemetery fund: Mrs H. Drayer

Auburndale Memorial Fund: Alf and Agnes; Hennig Ruth and family; Jack and Mary Ann; Rose and family; Mr and Mrs H Wear and Lester, Mrs Irving, John and Flora; Mr and Mrs Elward and Jerrold, Lloyd and Ruth, George and Gladys

United Church Fund Vegreville: Mr and Mrs Floyd Shaw, Mrs J Tweedale

Allan McKay Heart Memorial fund: Mrs Lloyd McFadden

CARD OF THANKS

We wish to extend our sincere thanks for the floral tributes, memorial donations and sympathy cards received during our bereavement, to all the neighbors for their many kindnesses with special mention of Mrs. Scott and Agnes MacLean and thanks to Dr Stephens and the nurses of the Vermilion hospital for their care of Dad during his last illness.

Mrs Wm Smith and family

Bowtell Bulletin

Miss Stone of Islay covered Mr and Mrs. Caro's wedding anniversary in a splendid write-up, but ye writer would like to add that we enjoyed the wonderful turkey dinner with all the trimmings. On the following day quite a few journeyed to their home to wish them many more anniversaries and enjoyed a piece of their lovely wedding cake.

Frances Sherwood enjoyed a visit Wednesday night at the Kowalski home.

Mr. Gow and Dorothy visited Friday evening at the Sherwood home.

Congratulations to Bob Morrison. It doesn't seem long since you were a wee lad Bob, and the muskrat bit you.

Mr. and Mrs. F. Robinson and Brian were visitors at the home of Mr. and Mrs. J Repp on Monday.

Mrs. Sherwood enjoyed a visit Saturday at the Knutson home.

Happy birthday wishes go the following: Jean Harrison, Tom Sherwood and Mrs. Knutson whose birthdays were on May 28. Leslie Sherwood and R. Lind on

NEWS from KITSCOTY

Mr. and Mrs. Eric Seward of Edmonton spent last week here visiting with their daughter and son-in-law Mr and Mrs J Bootsman and Grace.

Week end visitors at the home of Mrs. R. A. Evans and family were Mr. and Mrs. M. Jamison of Major, Sask., Mr. and Mrs. Chunese Evans, Ron and Reg of Leduc.

Mr and Mrs. J. Ronson of Hamilton, Ont., called on Mr. and Mrs. E. Joy last Sunday.

Mr. and Mrs. R. E Lascelles who have resided here for several years, left last Friday to take up residence at Pullman, Washington, U.S.A.

We are pleased to report Mr W. A. McCourt is home again after spending several months in the Lloydminster hospital.

Mannville and District Local News

Visitors at the week end at the home of Mrs. C Mercer were Mr and Mrs. N Anderson and Tracy, and Miss Barbara Arnold from Edmonton.

•• •• ••

Mr and Mrs. J. McLuckie were Edmonton visitors over the week end.

•• •• ••

Home to visit her parents was Shirley Alm (nee McFadden) with her husband and their family from Lloydminster. They report seeing terrible dust storms while in Saskatchewan.

•• • ••

'The Rains Came' could easily be applied as a movie title to Mannville as showers of blessing fell on this town over the week end and were greatly appreciated. A million dollar rain they say.

•• • ••

Colin MacKay, an old time resident of twenty-three years ago was a week end visitor to Mannville at the home of Mr. and Mrs. M Morrison. Colin resided with Paddy O'Connor in the good old days. He plans to return to Mannville to spend part of his holidays here and renew old acquaintances with many old friends.

•• • ••

Sympathy of Mannville is expressed to the family and relatives of Claude Ramsey who passed away recently. The funeral was held on Thursday.

•• • ••

Mrs. G. Mojean is attending an Eastern Star convention at Banff this week.

•• • ••

A number of friends of Mr. and Mrs. J. Thorne of Camrose attended the graduation of their daughter Valerie from Lutheran College at Camrose. Mr and Mrs. Thorne and Valerie lived at Mannville some time ago.

•• • ••

Mrs. J. Peskivets is visiting her brother and friends in North Battleford.

•• • ••

Mrs. R. Forsyth and Mrs. M. Morrison attended the recent Home and School meeting at Buffalo Coulee where Mrs. Forsyth gave her report on the recent convention in Edmonton of Home and School Highlights.

Foresters Wrap Up Pony League With Double Win During Week

Vermilion Foresters walked off with top honors in the Pony League regular play by virtue of a double win. Sunday, in a tight defensive game, they downed the Elks 6 runs to 2. Except for a few loose fielding plays by the Elks' infield in the early stages of the game there was little to choose between the two teams.

The big blow for the day went again to Murray Ross who slammed out his fourth home run of the season.

On Wednesday evening Buffalo Coulee were the victims of a 13 to 4 onslaught at the hands of the Foresters in a game played at Vermilion. Credit must be given to the B.C. gang for the spirit they show hampered by lack of players, they never fail to play their best in a sporting manner.

Irvin Gordon was umpire-in-chief for both games.

ISLAY TAKES THIRD SPOT

In a postponed game between Islay and Buffalo Coulee, the Islay squad emerged winners and by virtue of this win took over sole possession of third place. The game was nip and tuck until the final stages and then the roof fell in on Buffalo Coulee.

ISLAY 14 — MANNVILLE 14

Other league action on Wednesday saw Islay hold on to their position by tieing Mannville 14-all in a game played at Mannville. Details of the game are not known but evidently it was a real battle.

JUNE 4th STANDINGS

Team	P	W	L	T	%
Foresters	8	7	1	0	.875
Elks	6	4	2	0	.667
Islay	7	3	3	1	.500
Mannville	6	2	3	1	.417
Buff. Coulee	7	0	7	0	.000

Owing to the School Division track meet on Friday the game scheduled for Vermilion between the Elks and Islay is postponed. Mannville will play Buffalo Coulee at B.C. as scheduled.

Little League

The Rotary Little Leaguers got by their big hurdle when they defeated the Legion last Thursday by a 16 to 12 score.

This victory left the Rotary on top of the league with a perfect 3-game record.

On Tuesday evening the hard-luck kids of the league, Knights of Columbus, came within an ace of posting their first win. Leading the Legion going into the last of the final inning they saw victory fade into defeat by a 6 to 5 count.

UNOFFICIAL STANDING

Team	P	W	L	T	%
Rotary	3	3	0	0	1000
Legion	4	2	1	1	.625
Kinsmen	3	1	1	1	.500

Second Egg Marketing Plebiscite

It was announced last week that a second plebiscite on the proposed Alberta egg marketing board will be held during June, July and August. Producers with fifty or more hens will be entitled to vote.

It will be recalled that the marketing plan was defeated last year when it fell short of the required majority — it got 48.41% of the eligible voters instead of the 51% per cent it needed.

Farm organization officials complained that the enumeration was faulty. Presumably greater care will be taken this time, and if it fails again it will be because poultrymen don't want a board to control the marketing of all commercial eggs in the province.

CLANDONALD HALL

Showing at Clandonald hall for three days, Thurs, Fri and Sat, June 5, 6 and 7 "Battle Cry" one of the top pictures, in technicolor with a mighty cast; Fri and Sat. June 13 and 14, "3 Ring Circus", a comedy starring Dean Martin and Jerry Lewis. In technicolor 47

Since 1950, nearly a billion dollars of capital has been invested in improving and modernizing the property of Canadian National Railways.

Herbert Ganton Dies In Edmonton

On June 2, 1958, Mr. David Herbert Ganton of 9308 - 95 Ave., passed away. He leaves to mourn his loss besides his loving wife one daughter, Lenore of Edmonton and one son, Ted of Edmonton; also his father Mr R. Ganton of Vancouver; two brothers, Donald of Edmonton and Norman of Jasper and three grandchildren.

—*Edmonton Journal.*

Highland Games to Feature Fair

The Agricultural Society in conjunction with the local unit of the Loyal Edmonton Regiment is to hold a series of Highland dancing and pipe music on the Sat. afternoon of the Fair, July 26. Considerable interest has been manifested in the 'Highland Games' since the St. Andrew's group withdrew a year or two ago and it is to meet this demand that a most interesting program is being arranged for fair week.

Queries have been received from interested competitors in Edmonton, Calgary, Regina, Saskatoon and as far away as Winnipeg, so that competitions should be well filled in each of the classes to be featured.

The programme will start at noon and be completed by 5:30 p.m. so that the regular grandstand attractions programme can be proceeded with in the evening, two shows being held if necessary.

All Scotch dancers or pipers are urged to begin practising for the competition, so that those of the Vermilion District will be able to 'hold their own' with outsiders. A number of fine trophies are being provided for the various competitions.

[illegible] PARADE ON FIRST DAY

Following the practice of recent years a giant parade will be staged on the opening day of the Fair, July 24th: the P.P.C.L.I. band and that of the local army company and a band from the midway will be available for music along the route and all local businesses as well as groups from farming areas are cordially invited to prepare and exhibit floats. Every effort is being made to make 1958 Fair the outstanding attraction of the season and the co-operation of the entire district will be very sincerely appreciated.

THANKS

Thanks to the generous response of the public to the cancer blitz, and to all of the canvassers who worked so hard and so successfully.

Fair Prize Lists Completed by The Standard Job Print

The Standard Job Print delivered the fair prize lists this week to secretary - manager S. C Heckbert. The list this year is comprised of 76 pages with a four page cover, making 80 in all. This is the biggest prize list yet and has kept the Standard job shop busy for the past month.

Mr Heckbert expressed himself as quite pleased with the well printed list.

S. S. Members Attend All Saints'

Forty-eight members of St Saviour's Sunday school and church attended service in All Saints' Cathedral, Edmonton, on Sunday, June 1st. The young group travelled to the city by car, returning Sunday evening.

The service was conducted by the Very Rev Dean Burch. His text was "Except a man be born again, he cannot see the Kingdom of God".

Following the service the group met in the parish hall for lunch. Despite the inclement weather the trip and service were both much enjoyed by all those who made the journey.

Enjoy Golf Course Opening, Cold Lake

Thirteen members of the Vermilion club attended the official opening of the new golf course at Cold Lake on Sunday last. Besides playing golf the party enjoyed a conducted tour of the air base by bus, dinner in the cafeteria and a very fine social time. Those attending from Vermilion included the club president Stan Waldenberger, Dr C. W Stephens, Warren Rosequist, Mr and Mrs. Ted Edey and family, Mr and Mrs Mac Simonson, Mr and Mrs Al Locke, Mr and Mrs. Ken Rowe, Mr. and Mrs. Bill Sutherland.

Fire Danger Less In Jasper National Park

Due to improved fire conditions in Jasper National Park, effective June 1st, fishing and boating will be permitted on lakes and streams within one-quarter of a mile of the following highways and roads: Edmonton to Jasper to Banff; Jasper to Pyramid Lake, Medicine Lake road, Fish hatcheries road, Yellowhead road, Jasper Park Lodge road, Medicine-Maligne lake drainage system including Beaver Lake.

These areas had previously been prohibited to fishers and campers due to extremely dry weather.

Caretakers Now Appointed For New Composite High School

The meeting of the Divisional Board was held at the divisional office on Thursday, May 22.

Trustee C. N Brennan was absent owing to illness and Supt. S. D Simonson was attending Kellogg Foundation course in Toronto.

Millerdale S.D.: Sale of the school was referred to Mr. J. E. Miller.

Fulgham Bus Route: Board approved arrangements to be made with Mr Robert Coleman to operate Moyerton bus route in conjunction with Vanesti route by use of additional car until June 30th.

Kitscoty Dormitory: It was decided that no dormitory student will be admitted after the official opening day until admission has been approved by the Chairman of Dormitory Board Mr J. E. Miller.

Vermilion School Official Opening: Official invitation to attend banquet following official opening of school was received from Vermilion Board of Trade.

Teacher Appointment: Board approved appointment of Mr W. G. Yuskow to intermediate staff at Vermilion.

Teacher Residences: Board approved awarding of contracts for teacherages to be constructed at the following locations: Tulliby Lake, Marwayne, Paradise Valley, Dewberry (2), Kitscoty. Purchase of residence of E. H Walter at Paradise Valley was approved.

Tuition Fees: Board approved payment of tuition fees for Kenneth Gunn, Grade 10, Lloydminster.

Caretaking Vermilion School. Applications for the position of caretaker at the new school were considered. C. P Raun and Magnus Stensveen were the successful applicants.

Salary Schedule: The Salary schedule committee of Vermilion Teachers' Local attended the meeting to give further discussion to salary schedule for 1958-59. Board agreed to the following schedule:

First year of training, basic $2600 to $4000; 2nd, $3000 to $4600; 3rd, $3400 to $5300; 4th $3900 to $6000, 5th $4200 to $6400.

Additional payments for supervision will be as in previous schedule.

Board approved payment for additional site at Dewberry S.D. to W. Braithwaite in amount of $1600 and for lot at Marwayne to J. Spence in amount of $325.

Next meeting June 23rd.

News from Dewberry

Congratulations to Mr. and Mrs. Adolph Butz on the birth of a son in the Islay hospital. Also to Mr and Mrs. Ian McRobert on the birth of a daughter in the Elk Point hospital.

Mr. and Mrs. J. Porter, Mr and Mrs. A Redman, Mr and Mrs. W. Mathison and Mr. and Mrs. Wm. McMullen attended the graduation banquet and dance in Vermilion on the 30th. All had sons graduating that evening. Ronald Mathison was acclaimed as the best all-round student. Congratulations to him and to all the other boys. We hope they may continue on in life as well or better even than they have done so far. Also congratulations to Fay Poitras who graduated at Kitscoty.

LADIES AID MEETS

On Tuesday May 27th the members of the Dewberry Ladies Aid met at the home of Mr and Mrs. Alf Purser. The event was a surprise party for Mrs. Georgia McKay. Mrs. McKay had been a supper guest at the Purser home and was surprised as the ladies began to arrive but more so when after a couple of contests the president of the Aid Mrs. J Porter, presented Mrs McKay with a travelling clock. Lunch was served by the hostess aided by Mrs. J. Porter and Mrs N Jones. The writer joins with Mrs. McKay's friends in wishing her good luck in the future.

Mr. and Mrs. Peter Martin have come back from B.C. to live on their farm. We are sorry to hear that Mrs Martin is not keeping very well and hope that now she has returned to her home here she will have a complete return to health.

Mr. and Mrs. Wm. Porter are leaving for Vancouver this week. All their old friends will be looking forward to seeing them again in the fall.

Mrs. J Allen and Mrs Ballard Goad have left on a six weeks' trip to Minnesota and district. Mrs. Goad's son took them by car to Wainwright where they boarded the train for the States. Mrs. Allen has two sisters in Minnesota which is her home state.

Mrs. Ernest and Mrs. Erven Garnier left Sunday morning for Edmonton to visit their father Mr R. Wade who is seriously ill in hospital there.

Hello Ivy and girls.

Tractor Contests This Friday

Interesting tractor contests shape up for Friday afternoon at Horrick's Dairy farm 3 miles north of Edmonton on the Namao road. Challenges have been issued by Case-O-Matic 800 tractor to all other tractors of similar size for a series of tests which are laid down. The local Case agents, W. H Little & Sons, are planning to attend

June 14 and 16 "The Come On" with Anne Baxter and Sterling Hayden in a powerful drama that is tremendous in its suspense and climax. 47

How about your SUB?

Dewberry C. G. I. T. Honor Mothers At Closing Banquet

DEWBERRY. — On Wednesday, May 14th the Canadian Girls in Training of Dewberry, honored their mothers and a number of guests with a sumptuous banquet. This brought to a close the year's activities. The table was tastefully laid with an abundance of good food and decorated with flowers, most of which the girls had made. Each mother was presented with some little token fashioned by the girls such as corsages, brooches, earrings, etc.

Irene Parker, president of the group was toastmistress. Sharon Braithwaite proposed the toast to "The Queen". Cheryl Jones, a toast to the church, with the response being given by Rev. Shortt. The toast to 'Mothers' was given by Lorraine Braithwaite and replied to by Mrs. Holmen who told the girls how happy and proud the mothers were to have their daughters belong to such a fine group which is Canada-wide. She also paid tribute to the busy mother who gives so freely of her time to be leader of this group.

The toast to the girls was given by Mrs. Parker and replied to by Jean Holmen. She thanked the mothers for their co-operation, and also thanked the leader, saying they felt very fortunate in having such a person in the community.

Louise Rainey proposed a toast to the leader and was replied to by Mrs. Jones. She thanked the girls and mothers for the wonderful co-operation received. They have had almost a one hundred percent attendance at the meetings. She also stressed the importance of attending camp.

Irene Parker then introduced the Explorer leader, Mrs. Oxton, who thanked the girls most heartily for having been invited.

Next, Irene introduced the guest speaker, Mrs. Claire MacKay of Vermilion. Her very pleasing presentation of the subject "Footprints of Jesus" was an inspiration to the girls and adults alike. She used the four-fold C.G.I.T. Purpose to illustrate the way in which she brought out the truths, often in a whimsical manner endeared her to everyone. She showed clearly that footprints do count. She told the girls they had a tremendous challenge before them, that other girls were looking to them for leadership. In concluding each girl was presented with a [illegible] which represented the "Footprints of Jesus" and as they threw it into their box of trinkets, although it was not glamorous like the rest of their jewelry, she hoped it would be a gentle reminder that 'footprints do count'.

The girls then entertained with a short program. Since they were learning about Japan this year, they used a cherry tree to illustrate what they had learned. As each girl came forward and pinned a flower on the tree they told of some of the things they had learned about Japan. "The Footprints of Jesus" sung by the group was lovely; also "Viva la C.G.I.T.", "Whispering Hope" the beautiful old hymn was very well sung by Irene and Jean. Cheryl accompanied on the organ.

A few films, shown by Neal Jones, brought a very enjoyable evening to a close.

com. at 2:00 p.m.

SUNDAY, JUNE 8th

Cars from Edmonton, Lloydminster, Fort Saskatchewan, Wainwright and Vermilion are expected.

Additional Bleacher Seats Provided.

Alberta Drysdale Becomes Bride Of Mr. Ralph Shaner

In an afternoon ceremony at the United Church, Miss Alberta Clare Drysdale became the bride of Mr. Ralph Kimball Shaner.

Baskets of spring flowers decorated the church where Rev. C. W. MacKay performed the ceremony. The bride is the daughter of Mr. and Mrs D. A. Drysdale of Kitscoty and the groom is the son of Dr. and Mrs. R. F. Shaner of Edmonton.

Given in marriage by her father, the bride wore a waltz-length gown of embroidered satin with matching pointed lower sleeves. Her finger tip veil of illusion net embroidered with flowers and pearls was held in place by a coronet of net and pearls. She carried a Cascade bouquet of red roses. Her jewelry was a necklace and earrings of pearls, the gift of the groom to his bride.

The bride was attended by her two sisters, Mrs. Carl Johansson, as matron of honor and Miss Carol Drysdale as bridesmaid. They wore taffeta dresses in a princess - style with matching headdresses, white gloves and carried semi-cascade bouquets of daisies.

Mr. Keith Cale of Edmonton attended the groom. Ushers were Mr. Ian Stewart of Edmonton and Mr Alan Drysdale, brother of the bride. Mr. Brown played the wedding music and Miss Beverlie Jack was soloist.

A reception for eighty guests was held at the Legion hall where Mr Cale proposed a toast to the bride.

Miss Beverlie Jack accompanied by Mr Brown sang "Bless This House" and "A Perfect Day". The festivities were brought to a close by the guests singing "Happy Birthday" to Mr Drysdale whose birthday is also on May 17th.

For a wedding trip to the West Coast the bride donned a blue ensemble with white accessories and a corsage of white carnations.

Mr and Mrs. Shaner will make their home in Edmonton.

The groom's parents and about forty friends motored from Edmonton to attend the wedding.

4-H Beef Club Meets At Preston

On the evening of May 23 the Preston 4H Beef Club met at the home of Mr Roy Dibbens. The assistant D.A., Mr. Morley Douglas was present. Joan and Hewitt showed their calves before Mr Douglas. Mr Smith showed the members a beautiful leather halter which he had made himself.

The meeting opened with Joanne leading in repeating the pledge. It was then decided to hold the Achievement Day on June 30 at the farm of Mr Frank Gibson. The members are asked to have their calves at Gibson's at 1 p.m. to be prepared for the show at 2 o'clock. Everyone is asked to bring lunch.

The meeting was adjourned and a ball game was played. A delicious lunch, enjoyed by everyone followed.

To Revive Lawn Bowling

The Rotary Club of Vermilion is attempting to learn if there are any men residing in town or adjacent area who would be interested in lawn bowling.

If sufficient interest is shown, attempts will be made to re-open the green at the C.N.R.

If you wish to play or have any equipment available please get in touch with the secretary of the club Jim Robson, or Ash Cooper, Bill Sutherland, Reg Mitchell.

Poisoning

Fatal accidental poisoning mostly from sampling the wrong medicine bottle — is commoner among adults than children, reports The Financial Post. Deaths from this cause are less than one in 100,000 among children under 15 but the rate rises to [illegible] for the 40-49 age group to 5.6 for those of 70 and over.

CLANDONALD HALL

Showing at Clandonald hall for three days, Thurs, Fri and Sat June 5, 6 and 7, "Battle Cry" one of the top pictures, in technicolor with a mighty cast. Fri and Sat June 13 and 14, "3 Ring Circus", a comedy starring Dean Martin and Jerry Lewis. In technicolor. 47

NEWS from ISLAY

Congratulations go to Sharon Redmond as efficiency winner in the 4H Cooking club this year. Also to Shirley McGuigan as efficiency winner of the 4H Garden club for 1957. These girls will attend the week's activities at the Vermilion School of Agriculture this summer.

Dr A. H. and Mrs. Sweet, Richard and Elaine, Mr Jim Allan and Mrs Dave Martin attended the graduation of nurses at Lamont on Saturday as Erva Sweet was graduating. Erva won the award for Obstetrics.

On Saturday May 31st Mrs Frank Hancock celebrated her 86th birthday. Mrs Betty Shaw, Gladys and Muriel Stone and Mrs Hancock's daughter Mrs Midgley were there during the afternoon. There were a number of cards and gifts and a very prettily decorated cake with candles. Ice cream was served. All enjoyed the occasion and had a grand visit.

Shower Bride-Elect At Clandonald

Around sixty-five were in attendance for a miscellaneous shower held at the Orange hall in Clandonald for Miss Doreen Fluney on the evening of May 27th, put on by the ladies of Clandonald and Allandale.

Miss Fluney was presented with a lovely corsage of pink carnations. Eddie Lyons took flash snaps during the evening and humorous skits were enjoyed. Many thanks are extended to all those who helped with the entertainment.

Mrs. Norma Laird, on behalf of the gathering, very kindly presented Doreen and Ronnie with a number of beautifully wrapped gifts. Both thanked all for the lovely presents received and expressed appreciation for kindness shown them. Doreen thanked the ladies for her corsage.

Lunch, served by the ladies, closed a very enjoyable evening.

News from Tulliby Lake

A brand new sparkling N. A. D. P. cream truck from Vermilion resumed its service last week. All those that milk the cow for a living were delighted upon its arrival. The truck will make its rounds locally every Thursday morning, arriving at the home of Mollie Behrens at approximately 7.30.

Ray Morris and Sons have completed sawing operations for Messrs. Wagner, Coleman and Fortin. Their gigantic pile of logs is now a huge pile of bright shiny new lumber.

Mrs. Frank Fox has returned home after having an enjoyable holiday and a much needed rest.

Common knowledge is the fact that the Tulliby Lake area is well known for its raising of cattle. Back in the days of Harry Ferris a number of such cattle raisers organized the Tulliby Lake Stockmen's Association. They formed a large area of grazing land some 20 miles north of here near Prairie Lake. Every spring we witness a large trek of cattle proceeding north for the summer months. Chucktrucks and cowboys are then the order of the day.

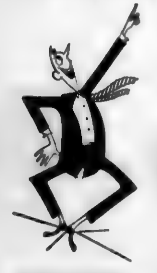
PLYMOUTH HAS THE EDGE IN PRICE!



It's the lowest priced of all leading cars built in Canada. And that's not all!

- You get the highest trade-in allowance of the year, right now, when you buy a new Plymouth!
- You get your choice of 21 models—all priced lower than comparable models of other leading Canadian cars!
- You get at these low prices a full-sized car with full-sized roomy comfortable interiors—and Plymouth parks easier, drives easier, handles easier than any other car on the road.
- You get the biggest windshield, biggest wipers (and they're electric!) and biggest trunk in the low-price field!
- You get Plymouth's advanced Torsion-AIRE Ride. (It doesn't cost a cent extra, yet independent tests show it's superior to "special" ride systems that add as much as $150 to the cost of other cars.)

Check Plymouth now! You'll never buy more...for less!

Twenty-two Graduate At Mannville High School

Twenty-two graduands of the Mannville High School were honored at the 1958 Graduation Banquet on Friday, May 16 at which teachers, and parents, grandparents and honored guests sat down to a sumptuous turkey supper. The banquet, which was held in the Christ Church Parish Hall and catered to by the Happy Hour W. A. was attended by approximately 111 people, 11 of these being honored guests at the head table. Eddie Karpinski was a most able toastmaster and following his toast to the Queen, Dixie Schreyer made a toast to education and she assured the assembled crowd that graduands had not pursued education merely because of high salaries. Sincere gratitude was expressed to the teachers for their never failing support. Mr. A. Rostron replied on behalf of the teachers. Toasting the parents, Harold Keuschnig declared that they stood on the threshold of achievement today because of their parents sacrifices. Mrs. Schreyer replied. R. Forsyth proposed the toast to the graduands, lauding the patience and attention with which this class studied, despite varied comments he had heard on homework. "Life," he said, "is an educational progress, close your eyes to the challenge of new ideas, and education will not be completed." Wishing them all success, he urged them to open their eyes to new ideas. Danny Hasinoff ably replied to this toast. The toastmaster welcomed all present and introduced all head table guests.

Following the banquet, the guests withdrew to the High School gymnasium where graduation exercises continued. The gym was tastefully decorated to depict the theme "Stairway to the Stars" in blue and silver. On the ceiling of the gym, a huge star had been hung with white, blue and gold streamers. The Grade 11 class were responsible for the decorations and they were thanked by Mr. Doherty, who then introduced the graduands. They staged a very impressive seating drill, executed to music which was played very slowly.

Rings were presented to the graduands by Mr. Smith of the High School staff who commented on what a wonderful class they were and he also said that when they threw the torch to the Grade 11 class, it would indeed be a burning one. Mr. R. Whitson, trustee and M. L. A., urged the graduands to stick to their task — rest if they must but never quit. Referring to the early days he reminded them of the many failures of their forefathers who kept right on and made something of themselves.

Awards were handed out to all grade 10 and 11 students who had an average of over 75% and also to students in grades 9, 10 and 11 who improved most since November. Miss Lilliam Zaharia delighted the audience with two piano accordian solos. The guest speaker for the evening was Mr. H. J. McKim Ross who congratulated the parents of the very young graduands, predicting new ideas for the future, higher standards, and spoke of the changes being made in the world of today. New Einsteins and Edisons are needed he said and we must start enriching intelligence with knowledge. Following this address, those present were privileged to hear Reggie Vandervaate who sang "Stairway to the Stars" and "Graduation Day." Very capable class historian was Joan Finlay and Bruce Anderson was class valedictorian.

Those expected to graduate are Bruce Anderson, Samuel Boyle, Clara Brokop, Agnes Calder, Joan Clennette, Elizabeth Dach, Joan Finlay, Daniel Hasinoff, Ruby Hawley, Edward Karpinski, Harold Keuchnig, Brian Kufeldt, Barbara McKenzie, Marilyn Mercer, Nelson Modin, Walter Smart, Marlene Phillip, Dixie Schreyer, Lorne Scoggins, Alice Winters, Dale Young, Walter Wychopin.

A very enjoyable graduation dance followed these exercises.

More Women, Less Men Working

With total employment in Canada slightly below the level of last spring, and only 2.4% above the spring of 1956, the number of women with jobs rises steadily, while the number of employed men drops, reports The Financial Post.

In April (latest survey) men with jobs were 64,000 fewer than a year before, and 8,000 fewer than in April 1956.

But employed women were 75,000 more than last year, and 135,000 more than April, 1956.

This is an increase of better than 10% over the years, and 5.6% over the last 12 months.

The implications of this switch from male to female employment are getting increasing study, and Ottawa authorities are beginning to doubt whether it is merely a recession phenomenon, adds the Post.

Strive to do favors for your friends- you can always build stronger friendships that way.

Violates the Basic Rules of Water Safety

Two basic rules of water safety are being violated by these boaters. The skipper of the craft is speeding too close to a solid object, such as the wharf, and he is allowing one of his passengers to stand while the boat is in motion. These and other matters pertinent to all fields of water safety will be discussed at the third Alberta Water Safety conference being held at the Civic Recreation Centre at Lethbridge, June 11 and 12. The session, sponsored by the Alberta Division of the Canadian Red Cross Society, and the Alberta Cross Society will be chaired by H. P. Brown, chairman of the water safety committees of both groups. Speakers will include A. G. Gilmet, director of [illegible] Cross Water Safety Services, S/Sgt. B. D. Peck, RCMP, J. A. Aird, Commodore of the Calgary Yacht Club; Hon. N. A. Willmore, minister of Lands and Forests and many others. Discussed will be power boating, light craft operation, waterfront supervision and Canada boating regulations. The conference is open to every

News from Clandonald

Friends of the Free family will be pleased to learn that Clarence is home again following an illness which kept him a patient in the Vermilion hospital for several weeks. Cause of the trouble was flu followed by complications. Shortly after his return home a number of neighbors came to his farm early one day and by early afternoon had prepared the land and seeded most of the crop.

Another district farmer, Alphonse Bardoel, who suffered a serious accident early in the spring also had his crop put in by sympathetic neighbors. Alponse, while cranking a combine motor, suffered a multiple fracture to his left arm. The break was so bad that he was sent immediately to Edmonton. When last seen he was still unable to do any work but had hopes that he would have the use of the arm in a few weeks.

Mrs. Frank Filgate, a long time resident of town and district is still at time of writing a patient in Vermilion hospital following a flu attack and complications.

Still another well known resident, Tony Convey, has been absent from his teaching duties for several weeks following the recurrence of a former back ailment. Tony had to take treatment in the University hospital and may have to return later for further treatment. During his absence from work Mrs. Fred West has been substituting at the public school.

Following receipt of news of her son's illness, Mrs. Convey Sr., who makes her home in Saskatoon, spent several days visiting with her family in the district.

Cliff Stockwell returned to work recently following a four week vacation during which time he made himself very useful acting as chief cook at his brother's home during the spring rush.

Sunday morning Mr. and Mrs. Arthur Rowntree left on the first leg of a journey which will keep them away for over four months and take them as far as their old home in Durham, Eng. Arthur also plans to visit some of the old battlefields in France where he spent four years during world war 1. This is the Rowntree's first visit home in thirty years so it is a truly great event for them. Prior to sailing, around the middle of June, they will visit their daughters' families in Edmonton, Calgary and Ottawa. A pleasant holiday and safe journey is wished them by all their Clandonald friends.

Accompanying the Rowntree's Sunday morning as far as Edmonton was Francis Monaghan who planned to spend a few hours visiting his wife who underwent a serious operation in a city hospital not very long ago.

Mike Dyjur, son of Mr. and Mrs. Stanley Dyjur and his recent bride, have been spending the past few weeks at his family home. Mike has been giving a hand putting in the crop and plans to stay for the summer at least. He has been employed for some time with a government survey gang.

It is not very long ago that residents of the district had the opportunity of seeing a $50[illegible] free show as was the case following the wreck west of Rusylvia. Crowds numbering into the thousands and requiring several policemen to keep in order, paid a visit to the scene following news of the mishap. Traffic was restored on the C.P.R. about 36 hours later after two wrecking trains and large crews of men worked all through the night. Reports are that repairs to the diesel locomotive will take six weeks.

A sidelight on the accident was that the first train east following the wreck struck a car just outside of Edmonton but fortunately no one was injured.

Mr. and Mrs. Ernie Stanley have finally returned home from B.C. following what was to have been an absence of a month but which lasted over four.

During their absence Mr. Stanley was bereaved by the death of his brother Maurice, a well known resident and successful farmer of the Landonville district for many years. Sympathy is extended to the relatives in the loss of a husband, father and brother.

Mr. and Mrs. Stanley spent some time in Kelowna where they visited daughter Jessie and family as well as with their daughter Edith and her family and other relatives at the coast. While in central B.C. Ernie had the very interesting experience of riding a diesel locomotive pulling a crack C.N.R. train from Revelstoke to [illegible]. Also while in Kelowna he visited with Harry Varew, a former district resident for many years. Harry was confined to hospital at the time of his visit and last word was that he was still unable to return home.

Mr. and Mrs. Mike Convey have had their daughter [illegible] and her children home for some time from Prince George, B.C. More recently son-in-law Joseph Martin arrived and helped with the seeding operations for a few days.

F. U. A. Meet At Tulliby Lake

The Heinsburg Local No. 432 of the FUA held a meeting in the Central school at Tulliby Lake on Monday evening May 19.

The minutes of the previous meeting were read and adopted.

Some of the members reported they had made a comparison of the market quotation given over CJCA Edmonton and CKSA and found a discrepancy between the two. It was decided to bring this matter to the attention of stations concerned asking for an investigation and that the consequent findings be made known.

It was decided to operate a booth at the forthcoming Lea Park bridge opening ceremonies on June 13th. FUA car insurance then came up for a full discussion.

The Local was very pleased to have Mr. Wolf present who delivered a talk to the members on numerous matters pertaining to FUA activities. He was pleased to answer any questions that the audience cared to ask.

Mr. Hozack showed some interesting and educational films. First came a description of the manufacture of aluminum all the way from the raw materials to the finished product. Next was an exposition on the livelihood of people in Indo-China. One on "Exploring Ungava" proved unusually interesting. The film session was completed with "Frontier College" a descriptive epitome of teen-agers continuing on through the summer holidays with a reduced curriculum. This afforded them time for limited employment.

Lunch was then served bringing the evening's proceedings to a successful conclusion.

BY-LAW No. 906
AND AMENDMENTS THERETO
Municipal District of Vermilion River No. 71

A BY-LAW of the Municipal District of Vermilion River No. 71 to limit the operation of trucks, trailers and traction engines on all public roads, highways, streets, and lanes in the Municipal District of Vermilion River No 71

WHEREAS under the provisions of the Municipal Districts Act 1954 the control of all public roads, highways, streets and lanes within the said Municipal District is vested in the Municipal District of Vermilion River No 71 and there is a duty on the Municipal District to repair the said roads, and

WHEREAS under the provisions of the Public Services Vehicles Act the Council may prohibit the use of any district road, local road or portion thereof by any truck, trailer or traction engine and the said Public Services Vehicles Act and the Highways Traffic Board do not provide for the control as contemplated by this By-Law

THEREFORE the Council of the Municipal District of Vermilion River No. 71 enacts as follows:

> The term "truck" shall include all trucks with a rated capacity of one ton or more and the term "tractor" shall include traction engines operated on wheels and also such motor vehicles as run on tracks.
>
> No person shall operate any truck, trailer, or tractor on any district road, local road or portion thereof during any rain storm or during a rainy season or at any time when the said vehicle breaks through the surface of the roadway or causes rutting or breaks chunks of road materials from the road bed.
>
> Any person or persons who are found guilty of a breach of this By-Law shall be guilty of an offence, and liable on summary conviction for a first offence to a penalty of not more than twenty-five ($25.00) dollars and costs, for a second offence to a penalty of not more than fifty ($50.00) and costs, for a third or subsequent offence to a penalty of not more than one hundred ($100.00) dollars and costs, and in default of payment to imprisonment to a term of not more than 60 days.

BY-LAW No. 906 Done and Passed in Council on the 3rd day of April, 1957. A.D

School Track Meet Well Contested at Dewberry

DEWBERRY — A lovely day on the 24th of May favored the children taking part in the sub-local track meet held in the school grounds. There was no lack of enthusiasm among the participants and the onlookers enjoyed the events very much. The soft drink booth and the ice cream stand were kept busy all day. The lunch stall was well patronized too. Tea and coffee did not sell so well however, due to many adults being unable to attend as work on the land was in full swing. All who were able to be there however enjoyed a very pleasant time. Winners were as follows:

BOYS, 8 & UNDER

25 Yard Dash — 1, Pat Witzanry Dewberry; 2, Lyle Dorey, Louise Lake; 3, Brian Waltz, Louise Lake.

40 Yard Dash — 1, Jimmy McLean, Hazeldine; 2, Darvin Heinemann, Louise Lake; 3, Leslie Taschuk, Clandonald Sep.

Running Broad Jump — 1, Jimmy McLean, Hazeldine; 2, Leslie Taschuk, Cland. Sep.; 3, Lyle Dorey, Louise Lake.

Standing Broad Jump — 1, Leslie Taschuk, Cland. Sep.; 2, Jimmy McLean, Hazeldine; 3, Darvin Heinemann.

Running High Jump — 1, Leslie Taschuk; 2, Darvin Heinemann; 3, Lyle Dorey.

GIRLS, 8 & UNDER

25 Yard Dash — 1, Linda Stone, Dewberry; 2, Patricia Convey, Cland. Sep.; 3, Irene Roberge, Cland. Sep.

40 Yard Dash — 1, Elaine Waltz, Louise Lake; 2, Patricia Convey, Cland. Sep.; 3, Lorna Protach, Louise Lake.

Running Broad Jump — 1, Elaine Waltz; 2, Barbara Sweet, Dewberry; 3, Linda Stone, Dewberry.

Standing Broad Jump — 1, Phyllis Sikora, Dewberry; 2, Linda Stone; 3, Lorna Protach.

Running High Jump — 1, Carol Bruce, Cland. Public; 2, Linda Stone; 3, Emily Taschuk, Cland. Public.

BOYS, 9 & 10

40 Yard Dash — 1, Francis Curtis, Dewberry; 2, Dwayne Rainey, Dewberry; 3, Harry Leslie, Cland. Sep.

60 Yard Dash — 1, Patrick Convey, Cland. Sep.; 2, Dwayne Rainey; 3, Francis Curtis.

Running High Jump — 1, Jimmy Madden, Dewberry; 2, Patrick Convey; 3, Vincent Cusack, Cland. Separate.

Running Broad Jump — 1, Dwayne Rainey; 2, Jimmy Madden; 3, Patrick Convey.

Standing Broad Jump — 1, Jimmy Madden; 2, Dwayne Rainey; 3, Harvey Strome, Clandonald [illegible].

GIRLS, 9 & 10

60 Yard Dash — 1, Susie Wowk, Dewberry; 2, Lavonne Strojanowski, Dewberry; 3, Anne Cusack, Cland. Public.

60 Yard Dash — 1, Anne Cusack; 2, Lavonne Strojanowsky; 3, Susie Wowk.

Running High Jump — 1, Sharon Dorey, Louise Lake; 2, Anne Cusack; 3, Loretta Holman, Dewberry.

Running Broad Jump — 1, Norma Stanley, Louise Lake; 2, Sharon Dorey; 3, Susie Wowk.

Standing Broad Jump — 1, Susie Wowk; 2, Norma Stanley; 3, Sharon Dorey.

BOYS, 11 & 12

50 Yard Dash — 1, Kenneth Mergle, Dewberry; 2, Harvey Rainey, Dewberry; 3, Larry Romanick, Hazeldine.

75 Yard Dash — 1, Kenneth Mergle; 2, Harvey Rainey, Dewberry; 3, Herbert Protach, Louise Lake.

Running High Jump — 1, Joe Leslie, Cland. Sep.; 2, Harvey Rainey; 3, Dwight Mawhinney, Dewberry.

Running Broad Jump — 1, Harvey Rainey; 2, Ken Mergle; 3, Herbert Protach.

Standing Broad Jump — 1, Joe Flunry, Dewberry; 2, Joe Leslie; 3, Herbert Protach.

GIRLS, 11 & 12

50 Yard Dash — 1, Marion Braithwaite, Dewberry; 2, Isabelle Jones, Dewberry; 3, Jessie Etherington, Louise Lake.

75 Yard Dash — 1, Marion Braithwaite; 2, Hariette Stuparyk, Louise Lake; 3, Isabelle Jones.

Running High Jump — 1, Iris Hawryluk, Dewberry; 2, Lynn Collins, Dewberry; 3, Margaret Convey, Cland. Sep.

Running Broad Jump — 1, Iris Hawryluk; 2, Marion Braithwaite; 3, Margaret Convey.

Standing Broad Jump — 1, Marion Braithwaite; 2, Shirley Fellows, Dewberry; 3, Harriette Stuparyk.

BOYS, 13 & 14

60 Yard Dash — 1, Buck Maltais, Dewberry; 2, Lynn Parr, Dewberry; 3, Marvin Waltz, Louise Lake.

100 Yard Dash — 1, Buck Maltais; 2, Lynn Parr; 3, Richard Wasylishen, Louise Lake.

Standing Broad Jump — 1, Buck Maltais; 2, Richard Wasylishen; 3, Marvin Waltz.

Hop, Step & Jump — 1, Marvin Waltz; 2, Billy Bohaio, Dewberry; 3, Donnie Flunry, Dewberry.

GIRLS, 13 & 14

50 Yard Dash — 1, Sharon Braithwaite, Dewberry; 2, Dianne Clark, Dewberry; 3, Marion Gratton, Cland. Sep.

75 Yard Dash — 1, Sharon Braithwaite; 2, Dianne Clarke; 3, Myrna Taschuk, Cland. Sep.

Running High Jump — 1, Cheryl Jones, Dewberry; 2, June Craig, Dewberry; 3, Myrna Taschuk.

Running Broad Jump — 1, Cheryl Jones; Sharon Braithwaite; 3, Myrna Taschuk.

Standing Broad Jump — 1, Sharon Braithwaite; 2, Dianne Clark; 3, Myrna Taschuk.

BOYS, 15 & 16

1, Anthony Organ, Cland. Pub.; 2, Ken Taschuk, Cland. Sep.; 3, Jimmy Gorley, Cland. Sep.

220 Yard Dash — 1, Anthony Organ; 2, Jimmy Gorley; 3, Bobby Stojanowski, Dewberry.

440 Yard Dash — 1, Anthony Organ; 2, Allan McDonald, Cland. Sep.

Running High Jump — 1, Ken Taschuk; 2, Mitchell Trost, Clandonald Sep.; 3, Bobby Stojanowski, Dewberry.

Running Broad Jump — 1, Ken Taschuk; 2, Mitchell Trost; 3, Jimmy Gorley.

Standing Broad Jump — 1, Mitchell Trost; 2, Bobby Stojanowski; 3, Allan McDonald.

Hop, Step & Jump — 1, Ken Taschuk; 2, Bobby Stojanowski.

GIRLS, 15 & 16

60 Yard Dash — 1, Violet Keast, Dewberry; 2, Ann Hagen, Cland. Pub.; 3, Marie Gratton, Cland. Sep.

100 Yard Dash — 1, Ann Hagen; 2, Shirley Elliott, Dewberry; 3, Marie Gratton.

Running High Jump — 1, Violet Keast; 2, Frances Nowasad, Cland. Pub; 3, Doreen Poitras, Dewberry.

Running Broad Jump — 1, Violet Keast; 2, Ann Hagen; 3, Darlene West, Louise Lake.

Standing Broad Jump — 1, Ann Hagen; 2, Violet Keast; 3, Shirley Elliott.

BOYS, 17 & OVER

100 Yard Dash — 1, Arthur Lawrence, Cland. Sep.; 2, Earl Sweet, Dewberry.

THE VERMILION STANDARD

Alberta Provincial Library Dec.58

Vol. XLIX. No. 48. Vermilion, Alberta, Thursday, June 12th, 1958. 12 PAGES $2.50 A YEAR

Viola Elizabeth Maggs

Helen Erva Sweet

Graduate At Lamont School of Nursing

Impressive graduation ceremonies were held at the Archer Memorial Hospital School of Nursing on Saturday, May 31st and the two young ladies pictured above, both graduates of the Vermilion High school, came in for special praise and were awarded the major prizes.

Miss Viola Elizabeth Maggs, daughter of Mr. and Mrs. Geo. Maggs of Vermilion, was the outstanding winner, taking two prizes. She was first presented with the nutrition prize for showing the highest marks in nutrition of patients, Theory, Laboratory and patient meals. She also won the general proficiency medal presented by the Alberta Conference Hospital Board of the United Church of Canada.

Viola was the class valedictorian and has held the office of President of the Student Nurses' Association of Alberta for the past year. She attended provincial convention last year at Banff as well as this year.

Miss Helen Erva Sweet, daughter of Dr. and Mrs. A. H. Sweet of Islay, won the prize for general proficiency in Obstetrical Nursing Classroom, Nursery and Maternity ward duty. The hope was expressed that Erva would still further her training by enrolling in the 4 months' course in Advanced Practical Obstetrics offered at the University of Alberta.

Vermilion Red Cross Collects $1,726.76

Campaign managers D. R. Mitchell and J. R. Robson report that the 1958 campaign for funds has now been completed. A total of $1726.76 was reached and sincere thanks is extended to all rural and urban volunteer workers whose efforts made this possible.

Cardinals Win Irma Ball Tourney

The Vermilion Cardinals ladies fastball team won two games at Irma on Sunday to win the tournament.

In the first game the Cards defeated the home town Irma crew by a score of 22 to 1. They went on to take the final game from Wainwright 10 runs to 3.

Eva Gordey pitched both games to catcher Lillian Thompson.

The complete Vermilion line up was Eva Gordey, Lillian Thompson, Doreen McDougall, Edna Martin, Alice Winters, Edith Millar, Sandra Park, Jean Burdett, Hazel Barr, Lucille Thompson, Rosanne Nelson.

MEN LOSE

Vermilion All Stars lost a close game to Fabyan in the men's tourney by a 5-4 score in the first game. Some rather rank officiating aided the results, in other words the Vermilion team "was robbed"

DR. BOB ANDERSON

Local Kinsman Is Elected District Deputy Governor

At the largest convention ever held in Red Deer, Kinsmen from all of Alberta gathered last week end. Over 600 Kinsmen and Kinettes joined in the business meetings, and gala entertainment provided by the host club.

Highlights of the convention for the local Kin members was the success of their candidate, Dr Bob Anderson, who was elected District Deputy Governor for Zone 2. Bob's campaign was greatly enlivened by costumed members of the local club who provided impromptu songs and entertainment. He defeated Terry Bolden of Vegreville in the election.

Local Kin and Kinettes who attended were: Bob and Marion Anderson, Jim and Nora Ferguson, Joe and Kay Hart, Nick and Joan Kowalchuk, Vic and Helen Rogers, Bob and Ruth Rowe and Jack and Jean Wright.

Honored On 50th Anniversary

A very enjoyable evening was spent at the home of Mr and Mrs. O Stephen when the family and relatives of Mr. and Mrs. Hugh Evans gathered to honor that esteemed couple on their 50th wedding anniversary.

A delicious buffet supper was served. Mr. John Maire proposed the toast to the bride and groom of fifty years. This brought forth an able reply by the groom.

The highlight of the evening was when Mr and Mrs. Evans cut the wedding cake which had been made and beautifully decorated by Mrs. A. Stollery, a niece. Pictures were taken and all agreed that it was grand to be able to share this day with these wonderful old timers.

Men's Fastball Tournament At Derwent Sunday

Derwent curling club has planned an eight team men's fastball tourney for Sunday June 15. The first eight teams entering will be accepted and the prizes are $60 [illegible] $30.00 and two of $10 for third and fourth.

A fee of $10 must accompany entry but this is refunded when the team is fielded. Entries should be sent to Steve Zarulak or phone 7 Derwent.

Roy Hitchcock Receives Transfer And Promotion

Roy Hitchcock, well known engineer at the Dept. of Transport Radio beam and weather station here, has received word of his transfer to Whitecourt. The transfer carries with it a promotion as he will be in charge of the station there.

Roy will be greatly missed in curling circles and by the Elks as he is the present Exalted Ruler of the local B.P.O.E.

Mr and Mrs. Hitchcock and family will leave for their new appointment early in July.

Fair Parade Scheduled for July 24

The directors of the Vermilion Agricultural Society are earnestly inviting the co-operation of business men, district organizations, boys and girls — indeed everyone — to join together to stage the 'best ever' parade for the opening day of the 1958 Fair on July 24th next.

The fine band of the Princess Patricia's Canadian Light Infantry battalion will be here from Calgary to assist the Pipe Band of the local Reserve Army unit and the Jimmie Sullivan band to fittingly open what is expected to be Vermilion's supreme effort for an outstanding exhibition.

The route of the parade and all other details will shortly be appearing in the Standard and it is hoped that floats of various kinds will be prepared in large numbers and that the younger folk will plan to decorate their bicycles and take part in the competitions.

The parade will be judged en route and winners of the various classes will be announced at the fair grounds and awards made immediately on the conclusion of the parade. The light horsemen who will be showing at the fair have promised generous assistance in the parade and a number of novelty items will also be appearing including some clowns who will provide amusement.

Let's all get ready for the big parade. Bring our neighbours to Vermilion in large numbers and start off the 1958 Fair with a bang. A special invitation is extended to district U. F. A. groups, community associations and others to take part.

Lake Whitney Camps Start July 2nd

Lake Whitney camps, sponsored by the St. Paul United Presbytery of the United Church, will commence on July 2nd. The camp for boys ages 10 to 17 will run from July 2nd to July 9th. Camp for girls ages 10 to 17 will run from July 9th to 16th.

Camp Whitney is located on Lake Whitney approximately 6 miles east of Lindberg, or 8 miles north and west of Heinsberg.

The registration forms for this camp may be obtained from Rev. C. W. McKay or Mr. E. Schurman. The fee for each camper is $10.00 plus $2.00 registration for a total of $12.00.

Alta Theatre In Mannville Celebrating Third Anniversary

The Alta Theatre in Mannville is celebrating its third anniversary from June 23 to June 28. There will be free suckers for each child during the week, and the grand prize of $35.00 worth of Alta theatre tickets is waiting for some lucky winner. It could be you! 48-9

Awards Feature Legion Banquet In Honor of Air Cadets

Last Thursday night the Vermilion Canadian Legion entertained the 97th Squadron Royal Canadian Air Cadets and their parents with a banquet which they hope will become an annual affair.

The banquet was an honor to the Vermilion Squadron which has made its presence felt not only in Vermilion and Alberta but nationwide.

Following an excellent turkey supper a short program of speeches took place with Mr George Richardson, Legion President, saying the first words.

Mr Richardson gave a brief history of the Legion's part in helping the Cadets and closed his remarks by congratulating the officers and those connected with the Cadets for their splendid contributions.

His Worship Mayor Hill took the stand and gave a well received speech on the importance of Cadets and similar organizations in building good citizens.

Mr George Martin Sr., subbing for [illegible] Chairman of the Civilian committee gave an entertaining speech filled with suitable little stories, on the importance of Cadet training and the advantages gained by the Cadets.

Mr Bill Novak proposed a toast to the Cadets and Cpl Morley Marshall of the Cadets in his reply thanked all those concerned in the Cadet training program for their fine efforts throughout the year.

This brought the banquet to its height [illegible] evening the presenting of [illegible] awards.

F L Manyluk, Commanding Officer of the 97th Squadron, first pinned the Wings on Sgt Bob Waldenberger as Bob had received his private pilot's license while on a flying scholarship last summer.

Then came the top award of the evening, a beautiful R C A C crest with gilt embroidering on it. This will be presented every year to the most progressive Air Cadet. It was given on Mr Taylor's behalf this year by George Martin to Sgt. Robert Carmichael.

The next two awards, R C A C crests, went to Sgt. Bonnie Hemmingway and LAC Tony Dixon as outstanding Senior and Junior Cadets respectively.

Final A. T. A. Meeting of Year

On Wednesday June 4 the Vermilion Sublocal of the Alberta Teacher's Association held its final meeting of the school year. This was in the form of a supper in St Saviour's Parish Hall.

The past year has been a busy one for the teachers. Some have attended zone meetings in Hardisty; a few went to the A. G. M. in Calgary; others have made reports on medical assistance, pension plans and other matters of interest.

Campaign Drive For Cancer Fund Totals $756.00

There has been a very satisfying response to the canvass on behalf of the Cancer fund in the town of Vermilion. Returns received to date show Vermilion itself with a total of around $756. This gratifying sum has been made possible through the efforts of Mrs. Fred Stewart and her committee of ladies who collected $427. The balance is made up from the business section, canvassed by local business men who also did a very good job. There are still some donations to come in from this group.

Islay canvass is yet to be completed but Mrs. Veran Anson reports she is working on it and so far has met with generous response from that district.

Mrs Armstrong in the Island Hill district has also turned in a fine amount of money and is still collecting. Clandonald and Dewberry have not reported but a good response from those two districts is confidently expected.

Week end visitors at the home of Mr and Mrs. L. P. Metcalf were Mr and Mrs. A. T. Haines of Edmonton and Mr and Mrs L. Altho and baby of Calgary. Mrs. Metcalf's brother and sister-in-law, Mr. and Mrs. R. S. Sharp of Baker, Oregon, motored up for a short visit bringing Howard Metcalf home.

Tillage Field Day June 19th

A tillage machinery field day will be held on the McAllister farm 3 miles west of Lloydminster on highway 16 on June 19th starting at 1:30 p.m. All implement companies will have machines on the ground. Charles Cheshire, Agricultural Engineer, Alberta Department of Agriculture will conduct the demonstrations. All implements entered will be tried out for weed cut and will be adjusted where necessary. This is a good opportunity for farmers to compare implements under field conditions. The Lloydminster Chamber of Commerce is sponsoring this field day. People from Saskatchewan will be very welcome to attend.

Lucky Ted

Ted Edey is the lucky boy this week, last week it was Vallie Watt. Ted purchased a ticket on a raffle by a Smoky Lake organization, first prize was a beautiful boat, value $600 — and Ted won it!

He went up last Saturday with a trailer and brought the craft home, and it is a beauty.

A man really puts his foot in it when he attempts to stand on his dignity.

Kiddies' Wading Pool Now Open

The Kinsmen Club wading pool is opening this week and all kiddies are most welcome. For the month of June the pool will be under the supervision of Mrs. Kay Hemmingway.

Vermilion Zone Wins School Track Meet

For the first time since the zone competition plan was set up the Vermilion schools won the Division track meet held at Kitscoty on Friday last. The weather was perfect for such an event and a large crowd of spectators augmented the hundreds of young athletes on the grounds.

The Vermilion Zone schools to win first prize, amassed the total of 139 points; Zone 1, made up of Paradise Valley-Kitscoty-Islay schools was second with 104 points; Zone 3, comprised of Marwayne, Streamstown, Clandonald-Dewberry, was third with 92 points.

Vermilion students came home with championships in four of the ten classes. Robert Jones tied for the medal in the boys 11 and 12 year old class, Ronnie Hemmingway boys 15 and 16, Lila Porter girls 17 years and over, Dale Scott boys 17 and over. Dale was the only winner to compile a perfect record having four first prize ribbons for the maximum of 12 points.

The winner in each class was:

GIRLS

9-10 Years — Sharon Dorey, Clandonald

11-12 Years — Marion Braithwaite, Dewberry

13-14 Years — Sharon Redmond, Islay

15-16 Years — Violet Keast, Dewberry

17 and Over — Lil Porter, Vermilion

BOYS

9-10 Years — Richard [illegible], Blackfoot

11-12 Years — Tie: Robert Jones, Vermilion; Jim Shaw, Islay

13-14 Years — Raymond [illegible], Islay 10 points

15-16 Years — Ron Hemmingway, Vermilion 9 points.

17 and Over — Dale Scott, Vermilion 12 points

BASEBALL AND FASTBALL CHAMPIONS

Winners in the various baseball competitions were as follow:

A Boys — 1, Marwayne; 2, Vermilion (High School Baseball).

B Boys — Vermilion and Marwayne to play off.

B Boys — 1, Dewberry; 2, Islay.

A Girls — 1, Kitscoty; 2, Vermilion.

B Girls — 1, Islay; 2, Kitscoty.

Mixed Teams — 1, Lea Park; 2, Hazeldine.

D Mixed — 1, Vermilion; 2, Paradise Valley.

E Mixed — 1, Vermilion Elementary; 2, Kitscoty.

The track meet is arranged and carried out by the A. T. A. of the Vermilion School Division.

Sponsor Young Farmers At Short Course

Two young farmers of the district, Philip Taylor and Orest Misick, will attend the University short course for farm young people which will be held in June.

This recommendation was made to the Agricultural committee of Ralph Wilson and E. H. Buckingham and received the unanimous approval of the board. Cost of the week's course is $25.00 each.

Mayor Hawryluk To Speak At Spring Banquet

Mayor William Hawryluk of the city of Edmonton will be the guest speaker at the annual spring banquet of the Vermilion Board of Trade. The event will be held in the Legion Hall on Friday evening June 27th at 6:30 o'clock.

The banquet is a public affair, both ladies and gentlemen are invited and all interested in hearing Mayor Hawryluk speak are urged to attend. Tickets are $1.50 each and may be obtained from any of the business men around town.

Arrangements for the anticipated dinner and program are being made by the entertainment committee of Jim Champion, Leo McKernan, A. E. Kaiser. 48-9

Cat Air-Minded; Has Kittens In Crow's Nest

A cat on the farm of Mr. and Mrs. Ernie Brass, two miles west of town, has gone air-minded. The cat recently had kittens but so well hidden were they that the Brass family could not find them. Last Thursday morning Mrs. Brass managed to follow the cat unperceived. Puss trotted down a path that led into the nearby ravine past the farm well. Mrs. Brass lost trace of the mama cat but could hear kittens meowing excitedly — the sound came from above and looking up Mrs. Brass beheld mother cat climbing into an old crow's nest. The nest was located in big willows some ten feet above the ground.

Mrs. Brass decided that climbing to the nest was too much of a job for her so the number of kittens remains unknown. Just how Mrs. Cat expects to get her offspring to the ground before they are well grown is another unknown factor. This was the last batch of kittens for the cat and it would be interesting to know what considerations leading to her choice of a nesting place. A box lined with straw and covered had been provided for her at the house in anticipation of the event.

HON. GORDON TAYLOR
Minister of Highways,
who will be the guest speaker at the Rotary Club dinner on Friday evening.

Road Tips

By "ROAD KNIGHTS"

A motorist MUST STOP behind a school bus when it is loading or unloading passengers.

A.M.A. Roadeo Friday Afternoon

The A M A car roadeo has attracted seventeen entries and will be run off on the same course as in previous years, from Webb's Garage to the Treasury Branch corner. The event is sponsored by the Vermilion Rotary Club.

At 6:30 in the evening all the competitors in the contests, and their drivers will be guests at a Rotary Club dinner when the winners will be announced. The guest speaker on this occasion will be the Hon. Gordon Taylor, Minister of Highways.

District Pioneer, Barney Powell Died Saturday

Barney Powell who first came to the Vermilion district in 1907 and has resided here ever since passed away in the Islay hospital on Saturday, June 7th following a short illness. He was 7[illegible] years of age. He is survived by two brothers, both living in the [illegible].

Funeral services were held at the Holy Name church on Wednesday morning June 11th, at 10 o'clock with interment following in the Roman Catholic cemetery, Vermilion. The Rev. Father Landrigan officiated.

Moyers were in charge of arrangements.

Pioneer Derwent Lady Passes

On Wednesday June 4th Mrs. Katherine Mistal of Derwent passed away in the Vermilion Municipal Hospital at the age of 80 years.

She leaves to mourn her loss three sons, John of Edmonton, Stanley of Derwent and Joseph of Vermilion. There are 21 grandchildren.

Funeral services were held on Friday June 6th in the Derwent Roman Catholic Church with interment in the Blessed Virgin Mary cemetery. Rev. S. V. Zenko officiated.

Moyer's were in charge of arrangements.

Special Visitors Day At Park Planned for Sunday, July 13

A special "Visitors' Day" is being planned for Sunday, July 13th as an opening of the summer season at the Vermilion Provincial Park.

Plans for the program include the presence of a member of the provincial parks board, a ladies' softball team from Edmonton will play two games against the local Cardinals on the park diamond, game times 2:30 and 6:30 p.m., a horseshoe tournament will be held also on the beach pitches during the day.

Then for the water there will be swimming and diving exhibitions at 4 p.m.

A movie program will be shown in the band shell at 8:30 p.m.

Prizes will be given for the oldest married couple, youngest married couple, largest family, and four prizes to visitors who come the greatest distance from north, south, east and west.

Watch the Standard for more details concerning this special day. 48-9

Register For Swim Lessons Now — Season At Beach Under Way

Again parents and children are thinking about the swimming, the picnics, band concerts and all that makes life more enjoyable during the summer months down at the Vermilion Park Lake. Swimming lessons as usual will begin shortly after the beginning of July. Registration for lessons will begin any time. It is important that this be done at your earliest convenience to help line you up in your proper group and to get the most out of your lessons. The registration fee this year is three dollars per registration. Application forms can be obtained at the lake front after [illegible] This form is important and must be completed before any lessons commence.

We would like to impress upon you the need for exercising safety at all times while down on the lake front. In the past there have been occasions when persons have become very inconsiderate of themselves and others.

A warning to boat owners and people skiing or surf boarding:— There are boundaries marked for swimming only, no other activity is permitted within these boundaries.

The parks board are really doing a wonderful job fixing up the facilities for an even more enjoyable vacation at the park. This park is one of our proudest ventures — let's co-operate to keep it the most beautiful in Northern Alberta. Let's see you all down there — either enjoying the band concerts, having a recreational swim, taking swim lessons, playing checkers or horseshoes, boating or just getting a darn good sun burn. Incidentally the picnic and camping sites are really terrific this year.

VERMILION, ALBERTA, THURSDAY, JUNE 12th, 1958.

This country was developed by pioneers imbued with the will to help their neighbors as well as themselves. Working together they cleared the land, built homes and roads and schools, shared their tools as quickly as they spared a cup of flour.

Today the frontiers have moved to the underdeveloped countries all around us, where millions of people are struggling to rise from poverty. But Canadian pioneers are there in spirit, too, voluntarily lending a hand to others through CARE'S Self-Help Program.

While CARE food gifts must still bring vital aid to the hungry, Self-Help gives them the means to increase their earnings, improve their health and education, so that they will no longer need our charity. Certainly our best tradition is voiced in CARE'S appeal: "Give them the tools to help themselves."

Plows, hoes, livestock for farmers, equipment for fishermen, seamstresses, carpenters, other artisans, new books and writing supplies, medicines and hospital equipment — all are among the tools CARE distributes as personal gifts from Canadians.

Many of these items are sent in CARE packages ranging from $1 school kits to $60 sewing machines. Many more are specially purchased for villages, clinics, schools and training centres. To complete [redacted] Self-Help projects in 23 areas of Asia, Europe, the Middle East and Latin America, a minimum of $2,000,000 is needed this year. Whatever you give, you help open the frontiers of decent living for suffering humanity.

Send your contribution to CARE Self-Help, CARE of Canada, Ottawa.

MAKE SURE YOU HAVE ENOUGH

The best time to provide for the necessary hay and grass crops for livestock is before a shortage occurs. Farmers should give consideration now to crops that might be planted to provide late fall pasture and winter feed, advises A. M. Wilson, Alberta's Field Crops Commissioner. If acreages of hay and pasture land are inadequate they can be supplemented with grain crops to be cut for greenfeed, pastured, or made into silage.

The dry early spring indicates a light hay crop, at least for the first cutting. While there is still time, livestock men must recognize losses that might occur through feed shortages and do the necessary plantings now.

Conservatives To Organize

The Progressive Conservatives of the Vermilion constituency will hold the annual meeting at Mannville on Monday, June 16th at 8 p.m. The meeting will be held in the Legion hall.

Business will include election of a new executive and the appointing of delegates for the leadership convention in mid-summer. 47-8

You can be sure you're on the right road if its upgrade.

Vermilion Red Cross Collects $1726.76

Contributions of $453,085 have been received to date in the provincial Red Cross campaign for funds. This figure represents 84 per cent of the $537,500 provincial quota and is $40,625 less than receipts for the same period in 1957.

Break down of total returns shows contributions of $122,690 from Calgary; $164,735 from Edmonton; $83,206 from southern Alberta points and $58,625 from northern points of the province. Direct donations total $2,986 of which $1,088 was received from southern points and $1,908 from centres in the north.

CANADIAN RED CROSS SOCIETY

June 3rd, 1958.

Editor, Vermilion Standard.

Dear Sir:

The following resolution was approved by Central Council of the Canadian Red Cross Society at its annual meeting:

"The Central Council of the Canadian Red Cross Society is grateful to the national and photographic services, and weekly publications and magazines for generously providing space and favorable editorial comment."

On behalf of the Canadian Red Cross Society, may I express our sincere appreciation to you Mr. Cooper and your staff for [redacted] interest and co-operation.

Yours sincerely,
Marshal Stearns,
Chairman, National
Executive Committee.

FATHER'S DAY JUNE 15th
KING FOR A DAY!

Of Many Things . .

By [redacted]

LIVING IT UP!

I've been trapped by my subconscious. Quite a trick for a fellow who hardly knows what 'subconscious' means. It happened this way.

I came home tired and weary from a day at the typewriter, to find my young daughter gay and bright-eyed, dressed in finest party clothes. 'What's up?' I asked.

'Another party,' she said. 'I'm living it up these days eh Dad?'

For some reason these gay words, 'living it up,' stuck with me like burrs to sheep. To my own horror, a couple of nights later, I heard myself say to my wife, 'Honey, let's go out somewhere tonight. Let's live it up a little — we're getting stodgy.'

My wife gave me a long, puzzled stare. 'For the first time in weeks you get your head out from behind that newspaper, and then you suggest that we're getting stodgy. What's happened to you?'

'Darned if I know,' I said. 'Suddenly I feel we ought to live it up. We're both getting stodgy.'

'What do you suggest? Rhumba lessons? Or tango?'

'I'm too old to tango. But maybe I could rh. . .'

She shook her head. 'You could take the kids to the [redacted] circus for a starter. I'll tell them to be ready for tomorrow night.'

'Well,' I said, 'I . . .'

'On Thursday there's a Parent Teacher's meeting . . it would do you good to take part, and . .'

'I had a good picture in mind,' I said, 'for a starter . .'

'Fine . . we'll go to a show on Saturday night, and to one of those nice new restaurants afterwards. And on Monday . .'

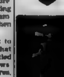
This sort of thing went on for two whole weeks. I suppose I am less stodgy, but I'm also very tired. At long last I am back of my newspaper again, with my slippers on and my pipe burning gently. I've figured out what happened. Those 'living it up' words got hooked up in my subconscious with notions of youth and gaiety. That's what happened. I was trapped.

Thinking back on it, I believe a touch of 'living it up' would be good for us all. Not because circuses are bigger or picture shows more thrilling, but because after a couple of weeks traipsing around the old easy chair looks even better than it did before. Like the fellow who kept hitting himself on the head with a hammer, because it felt so good when he quit.

It feels real good to be back to normal. Only trouble is that every evening, after I've settled in, my wife peeks over the newspaper and sarcastically inquires, "Anybody feeling stodgy this evening?"

Can any of you fellows supply me with a real cutting [redacted]

THE Homemaker
EDNA M. CRAIG
District Home Economist
Wainwright, Alta.



Though it is a busy season, perhaps a few of you are doing some sewing for summer. If so, these tips may be of assistance to you:

— To keep threads from unwinding from a spool, place a sturdy tight fitting elastic band lengthwise around the spool.

— After oiling your machine, sew through a blotter to absorb excess oil which may stain the fabric when it is placed under the needle.

— If your thimble is too large, place strips of adhesive tape inside it until it fits comfortably.

— Use needles and pins when working with sheer or synthetic fabrics, also with polished cotton, to prevent holes or snags. Toughness of synthetic fabrics, and with polished cotton dulls needles and pins faster than other fabrics.

— When stitching darts, stitch from the wide to the narrow part. Taper off gradually so that the last 4 or 5 stitches are almost on the edge and tie the threads securely. In this way you avoid a pucker at the end of the dart. Press the dart over a press mitt, or a towel wrapped around your hand to make a curved surface.

— When stitching to a point, as in a collar, or a slashed opening, take one stitch across before continuing on the other line. This technique enables you to make a sharper point or smoother turn.

— To make a professional looking job on a curved seam, the trick is in the clipping and pressing. On a convex curve trim the seam to about ¼ inch, remove small V's every ½ inch or so along the curve; for a concave curve, plain clipping is enough. Press before turning, then press again first rolling the seam under slightly so that the seam doesn't show and press. It is a [redacted] idea to baste the edges by [redacted] particularly in a collar, to [redacted] the edge in place.

— An old stunt, but a useful one. When mending socks and sweaters, place the hole over a lighted flashlight. Stitches can be seen more readily, thus ensuring a good job.

While waiting for a break, a good many people go broke.

NEWS from KITSCOTY

Mrs. M. K. McDonald is spending a two weeks' holiday in Edmonton visiting with her son Norman, Mrs. McDonald and granddaughter Norma.

[redacted] and Mrs. [redacted] the week end in [redacted] visited with their [redacted] and other relatives.

Mr. and Mrs. Reg Kay and boys are spending a week at Banff where Mr. Kay is attending the Municipal Secretaries convention.

"The House that Service Built"

Derwent H. & S. Announce Awards

DERWENT — A Home and School meeting was held at the Derwent School auditorium on Wednesday, May 28.

An interesting program was prepared: — Mrs. Pete Noster reported on awards and scholarships to be presented by the Home and School to encourage the school children to do better and harder work in school; Mr. Nick Boyko, Mr. Alec Kozmak, and Mr. Wm. Sakowsky reported on promotion policies as carried on in the Two Hills School Division.

Mr. Wm. C. Bober, principal of the Derwent High School and President of the Home and School was presented with a farewell gift — an engraved tray with a matching cream and sugar silver set on behalf of the members of the Home and School. Mr. Bober is planning to leave Derwent sometime in July. Lunch was served which brought the program to a close.

Myrnam Parents Enjoy Fashion Show

DERWENT — Many parents motored to Myrnam on May 29 and enjoyed a very pleasant evening at the Fashion Show, sponsored by the Home Economics classes held in conjunction by Derwent and Myrnam.

Sixteen Years Ago

JUNE 11, 1942

Ken Rowe suffered severe burns to his face and hands in a welding accident late Monday afternoon and he is at present a patient in the hospital.

Mr. and Mrs. Stewart Bothwell and two children from Pickle Crow, Ont., are visiting at the home of the former's parents, Mr. and Mrs. Thos. Bothwell of Islay and other relatives in town.

Richard Joseph McDaniel of the Island Hill district has joined the R. C. A. F. as an airframe mechanic and is taking a special course in that line. He is the sixth son of Mr. and Mrs. Patrick McDaniel of Island Hill to join the Canadian armed forces. Several of the boys are overseas.

1.02 inches of rain fell here from 5:30 a.m. Wednesday to 7 a.m. Thursday. The moisture was badly needed and greatly improves the condition of crops, pasture and gardens.

32 Years Ago

JUNE 10, 1926

L. C. Vary, 10 miles south of town has a field of wheat which was sown the first week of May, and now measures 18½ inches in height.

Crops throughout the country could not look better.

Canadian Legion of the British Empire Service League, Alberta Branch, replaces the G. W. V. A.

Large crowds attended the Vermilion sports day held on June 3.

48 YEARS AGO

JUNE 8, 1910

At an enthusiastic and largely attended convention of the Vermilion constituency, Hon. A. L. Sifton was heartily endorsed as the Liberal candidate. Writs for the by-election have been posted.

R. G. Dunsmore was elected by acclamation as councillor on Monday to fill the vacancy caused by the resignation of C. L. Freeman.

On June 2, Hon. Chas. S. Rolls, captain of the London section of the army reserve, driving a Wright bi-plane crossed the English Channel twice without alighting, making the round trip between Dover and Calais in 90 minutes. The distance between the points named is 21 miles so that his over-water flight of 42 miles without a stop has established a new record.

That Kenneth L. Isley be recommended for a license as a dealer for the sale of motor vehicles and farm implements.

That proposal No. 2 in the lighting prospectus supplied by Canadian Utilities Ltd. be accepted at an additional cost of $177 per month.

Second Alberta Boy Scout Jamboree Slated for Banff July 5 to 12

At the Second Alberta Jamboree to be held in Banff National Park from July 5th to 12th, Alberta Scouting will play host to many groups from outside the Province.

British Columbia, Saskatchewan, N. W. T. will be represented by Scout contingents. Montana, Alberta's neighboring State to the South will also be represented by a troop of Scouts and Leaders.

Many important visitors will be visiting the Jamboree to see some of the activities and to participate in the various ceremonies. The Lt. Governor, the Honourable J. J. Bowlen, Mr. Fred Finlay, Chief executive Commissioner from Ottawa, Mr. N. E. Tanner, the only living past Provincial Commissioner, will be among the many visitors to the Jamboree.

VISITORS' HOURS

Visitors will be welcome to see the camp during the regular visiting hours, Sunday, July 6th from 2 p.m. to 10 p.m. for the opening ceremonies; Monday to Thursday from 7 p.m. to 10 p.m.; Friday, July 11 from 2 p.m. to 10 p.m. for the official closing ceremonies.

The Scouts attending the Jamboree will be having the opportunity to take part in many great adventures, such as a tour to Banff, swim in the hot springs, a hike to Johnson's Canyon, and they will see demonstrations of fire fighting and mountain rescue.

Many Scouts who attended Jamborees in England and U.S.A. last year will be on hand to display the souvenirs of their trip to the camp.

Mannville Student Wins Honor

MANNVILLE — Honor comes to Miss Jacqueline Hasinoff of Mannville High school, a grade [redacted] student, who has been chosen to attend the summer course of United Nations at the Banff School of Fine Arts.

"Jackie" as she is known to all, is the daughter of Dr. and Mrs. D. Hasinoff of Mannville.

The C. W. L.

An executive meeting of the C.W.L. was held in the parish hall on June 2nd. Mrs. Kay Williams, president, was elected as voting delegate to attend the Diocesan convention held in Edmonton June 6 to 8. Mrs. Doris Keating, secretary also plans to attend the convention. At the close of the meeting lunch was served.

The regular monthly meeting of the C.W.L. was held in the Parish hall on June 9th. Projects for June were discussed and it was decided to cater to the K. of C. initiation banquet on June 15th. Also to furnish the refreshments for the Catechism class picnic. Lunch was served by the hostesses.

Rotary Club Members Hear Inspiring Speech

The guest speaker Sr Major Alfred Simester, Edmonton, Officer in charge of the Salvation Army for Alberta was introduced by Walter Duncan.

Major Simester spoke on the fellowship of Rotary - both at the local and international level. He suggested that the principles upon which Rotary has built its foundations are basic to better international understanding and eventual world peace. The speaker made reference to the wonderful convention held at Grande Prairie and the fellowship enjoyed by all. Before coming to Alberta one year ago Major Simester was very active in youth work in Toronto, and was responsible for the publication "Crest."

The speaker was thanked by Dr. Ben King for his inspiring talk. Local Salvation Army officers, Lieut. Morgan and Lieut. Dickson were guests of the club.

Reference was made to a proposed Driver Training School to be sponsored by the Rotary Club. Cpl. Harry Aime R. C. M. P. Detachment of Vegreville gave a very informative talk on the value of such a school and how it is operated.

The car for this school is a dual controlled machine, supplied by the Alberta Motor Association with a very capable instructor. The course consists of 12 hours classroom instruction and 12 hours practical training. The cost would be $15.00 for students and $30.00 for adults.

The chairman of the meeting was Gil Rampling. Gil welcomed the guests and thanked the speaker.

Alex Palin introduced Bob Snelgrove as his guest.

Visiting guests were Mel Lavold, Bill Skinner, Al Hansen, A. Miller and Slim Thorpe, all from Lloydminster.

A Report on the Nation's Business From Ottawa

By C. S. SMALLWOOD, M.P. (Battle River-Camrose)

In this, my first report to you from Parliament Hill, I would like to tell you something about the Speech from the Throne.

The Speech from the Throne was very comprehensive and contained many points which the government will implement in legislation as the Session progresses. Some of these points that are of particular interest are a substantial Works Programme, measures to encourage the development and processing of raw materials, measures to establish research in our Arctic areas; a measure to establish an agency for the assistance of small business, increased mortgage money. Federal payments to implement the National Hospitalization Scheme, measures for the assistance of Agriculture, the introduction of a Bill of Rights and extended Unemployment benefits. These are by no means all the measures that will emerge, but the most obvious that will be placed before the House in the form of legislation.

It may be that a more important aspect of the Throne Speech is the manner in which the government suggested to the country that co-operation is expected from all branches of the economy to assist in maintaining the present level of prices so that our economy might again attain some form of stability. This too, is a very democratic approach to many current problems, while at the same time allowing citizens the fullest possible freedom of participation without the added costs of some form of control.

During these first three weeks of the twenty-fourth Parliament the House of Commons has effected measures to grant 'Interim Supply' to increase the amount of mortgage money to Central Mortgage and Housing Corporation and increased the period for which benefits under the Unemployment Insurance Act can be paid.

Concluding this first Report of the Twenty fourth Parliament, I wish to extend to the citizens of Battle River-Camrose my gratitude for this opportunity to serve you and I sincerely trust that I will warrant the support you have given me.

MARWAYNE

June 4 being Royal Purple Day, the ladies of the O. O. R. P. distributed boxes of fruit and cookies to all older and ill people in town. Thank you for your thoughtfulness.

Mrs. Holmes, on Tuesday, entertained the Past Matrons Group of the Lloydminster Eastern Star also all members of the Eastern Star living in or near town were invited.

Sincere sympathy is extended to Mrs. Elba Currie in the death of her stepfather, Mr John Ericson of Lloydminster.

Mrs. W. McDonald Sr., is in the hospital for a few days.

The F. W. U. A. held a very successful tag day for the Canadian Mental Health Association on Saturday, June 7th.

Congratulations to Mr Peter Whitzaney on his 79th birthday on June 8th and to Mr. Alcock, Mrs. Howard Hines's father on his 91st birthday.

Mr and Mrs Gene Chester and Glen visited Gene's parents in Edmonton over the week end.

Mr and Mrs Clair Brown and boys of Edmonton spent the week end in Marwayne with Mr and Mrs. Sealey.

Mr and Mrs. Mac Hancock and wee son have moved to Wainwright where Mac is working for the Wheat Pool elevator.

Mrs. Saltzberry's daughter, Mrs Blades and Afton of Edmonton have been here helping Mr. and Mrs. Saltzberry move into the Isert house.

Cecil Twist has bought Mrs. Rose's property and will be building a house there.

The Ladies of the Catholic Altar Society will have a Bake Sale in Mr Elliot's office on Saturday evening, June 21.

The F. W. U. A. will have a Tea and Bake Sale in the Elks Hall on Friday afternoon, June 27. All proceeds of this will go to Mr. John Papp.

The W. A. of the Anglican Church will serve coffee and have a Bake Sale in Mr Elliot's office on Saturday evening, June 28th.

The 4-H Calf Club held a very successful Achievement Day at the Sports Grounds on Saturday; complete details will be given later.

Mrs. Garfield Midgley has her mother Mrs. Hancock, with her for the summer.

CLAYSMORE CLIPPINGS

Several from here were on fishing trips at various points on Sunday. All report good fishing bringing home some nice catches. Mr and Mrs Jim Horne and family were at Stoney Lake. Fred and Richard Watling, Allan Olstad and Vern Willee went to Muriel Lake.

Mr Bill Horne, Lloyd Paulsen and Gordon Murray of Red Deer spent the week end at Jim Horne's.

There was a large 4-H gathering at the Willee farm on Sunday.

Gordon Schaffer and Jimmy Raffan of Allingham, Alberta, were Monday morning callers at the Jim Horne home. It has been eight years since they had seen one another. Gordon trucked Jim's furniture to Claysmore when they moved here some 8 years ago.

We see Mike Weywitka driving a new '58 Ford and Mike Maler a '58 Chev.

A miscellaneous shower was held in the school on Friday evening May 30th in honor of Miss Lillian Weywitka, bride-elect for early June. Lillian is a local girl and lived in the Claysmore district for some years before the family moved into Vermilion. Many relatives and friends were present and all enjoyed a social evening with amusing games and visiting. After a delicious lunch was served, a carriage was brought in laden with gifts and presented to Lillian with best wishes of everyone in attendance. Her sister Alice and her niece Lillian assisted in opening the presents. [illegible] thanked everyone for their kindness and best wishes.

Mrs Stanley Gerrie and baby daughter of St. Albert spent the week end with her parents Mr and Mrs. Robert MacMillan.

Mrs H. Ralph had her sister from North Battleford, Sask. visiting her for the week end.

The rain of June 9th was very welcome and should make a wonderful difference to crops and gardens.

We hope the light frost of June 10th has not damaged gardens and fruit too much. The wild and tame fruit bushes had a grand display of flowers this spring and there should be a heavy crop if they escaped the frost.

Visit Woodvale From Maritimes

Three girls in a Volkswagen, packed full with suit cases, boxes and camping equipment, made the long trip from Fredericton, New Brunswick to Tolland. The trip was made via Quebec, Ottawa, North Bay, Port Arthur and Winnipeg. Camping was enjoyed all the way and the girls arrived hale, hearty and happy at the farm home of Mr. and Mrs. Van Wageningen in the Woodvale district.

The tourists are the Misses Albertha Lensbock, Toddy Meeder and Gerda Leer who are all graduates of a Horticulture school in the Netherlands and have worked in a florist shop and greenhouse in Fredericton.

Miss Lensbock was here two years ago but the other two girls arrived in Canada only this year. All three hope to find work in their line in Alberta. After a short vacation at the Van Wageningen farm they will go to Calgary.

PICNIC SUPPER

The Vermilion Graduate Nurses Association are holding a picnic supper, Sunday, June 22nd, at the farm home of Mr. and Mrs. Wm. E. Cross.

Tickets may be obtained from members of the Association at $1.00 each or at the picnic. Everybody welcome. 48-49

LOCAL NEWS

[illegible]

Mr. and Mrs. Herman Dargatz announce the forthcoming marriage of their daughter Delene Hermena, to Mr Joseph August Smola which will be solemnized on Saturday, June 14th at 2 00 o'clock in the afternoon at St. Paul's Lutheran church in Mannville. The wedding reception will be held in the Legion Hall, Vermilion, at 6 00 o'clock.

Mrs. George Martin returned on Tuesday from Windsor where she attended the graduation exercises of her daughter Miss Anne Martin at the Assumption University. Anne now has the degree of Bachelor of Commerce and commencing in September will be junior administrator in the Department of Finance at Ottawa. In the meantime she will enjoy some well-earned holidays and plans to leave on June 28th for a trip to England.

Harvey Anderson, Jr., who was injured in a car accident in the Three Hills district some two weeks ago, returned to his home here on Wednesday well on the road to recovery, despite some one hundred plain and fancy stitches.

Cliff McKee is spending a few days in town and district this week. He has spent the past year employed on a large ranch in the Milk River district of Southern Alberta.

Mr. and Mrs Andy Anderson are holidaying at Elk Island park for two weeks.

Bud and Reah Baddock returned Wednesday evening of last week from Oakville, Ont., where they picked up a new "Fairlane 500" for Bud's dad, Mr Jack Baddock. The car, a two-tone red and off white, drew the admiring glances of many of Jack's friends over the week end, and Jack thinks that it is a beauty too. On the way home from the east a stop was made at Vida, Manitoba, where Bud and Reah visited the former's paternal grandfather. The last time Mr. Baddock, Sr. saw his grandson was in 1937, when Bud was 2½ years old.

Stewart Cooper spent the week end with his parents Mr. and Mrs. Ashley Cooper. After returning to the city office of the Wainwright Refiners and Producers Ltd., he left on Tuesday for the vicinity of Radium Hot Springs where the Company is supplying hot asphalt for hard surfacing.

Mrs E. Davies of Victoria was a recent visitor in Vermilion, a guest at the home of Mr. and Mrs. Sid Brass.

Mr and Mrs Bob Snelgrove and family have recently returned from Mission B.C. where they have spent the past year. After visiting relatives in this district they are residing at R. R. No. 4, Edmonton.

Mr and Mrs. S. D. Simonson returned last week from the Canada wide work conference of school superintendents held in Toronto. They have now gathered up the two boys who spent the time with relatives in Edmonton and the Camrose district, and all are settled down in their Vermilion home again. The trip homeward was made in a [illegible] picked up at the factory at Oshawa.

Guests at the home of Mr. and [illegible] Alfke for the week end were Mr. and Mrs. Harvey Birt of Edmonton.

Mr George Law is in charge of the prescription department in Boake's Drug Store this week. He is formerly of Didsbury, Alberta, where he had a drug store for some nineteen years.

School Pupils Express Appreciation

The members of the Junior Red Cross, grades 6A and 6B would like to thank everyone for their help in making our raffle a success. The winner of the table lamp was Mrs. Mary Shepansky. We would especially like to thank Mr and Mrs J. H. Hart for making the tickets for us.

Grades 6A and 6B were very happy to send $65.15 to the Junior Red Cross Hospital in Calgary.

Attend Provincial C. of C. Conference

E. A. Locke, president of the Vermilion Board of Trade, and Angus MacMillan, a member of the executive, attended the annual meeting of the Alberta Boards of Trade and Agriculture held in Calgary Tuesday and Wednesday of this week.

Development Board Meets

D. R. Mitchell attended the meeting of the Industrial Development Board of the Province held at Waterton Lakes June 5 and 6. Mr. Mitchell is a member of the Board.

Don Taylor attended the annual convention of the Alberta Branch of Canadian Postmasters which was held at Calgary last week.

Golden Age Picnic Wed., June 18th

All Golden Age Friendship Club members and those within the age limit, are cordially invited to the first picnic of the club which will be held at the lake in the Vermilion park. A pot luck supper will be served and tea and coffee will be supplied. Any persons not having transportation to the lake meet at the Legion Hall at 3 p.m. on Wednesday, June 18. Cars will be available. Golden Age Club members, this is your picnic - turn out and make it a success.

Proposed Camera Club To Meet

The first meeting of the proposed Camera Club, will be held on Wednesday June 18, 8.30 p.m. at the Junior High School.

Those people interested in any phase of photography are invited. Wednesday's program will consist of some 35 m.m. slides shown by Mr Ross Boake and Mr Arnot Brown. We are trying to line up some 8mm. movie also.

This meeting will decide whether a slide will be formed, if you ther a club will be formed. If you are interested it is essential that you be there.

Mrs John Kuzek returned to her home Tuesday evening on the C.N.R. Dayliner from two weeks spent visiting her son and family Mr and Mrs Victor Kuzek and little son Murray Dwayne at Grande Prairie and daughter Mrs Everett White, Mr White and Barbara at Fairview.

APPRECIATION

I wish to extend my sincere thanks to my neighbors and friends who seeded my crop during my illness, including the many [illegible] but did not have [illegible] work.

I also wish to thank Dr. [illegible] and the nursing staff of the hospital for the efficient care and attention received.

CLARENCE FREE

People [illegible] run it [illegible] by gossiping [illegible] people who [illegible]

BOWTELL BULLETIN

The June Leaders' Lodge meeting was held at the home of Mrs. Robinson in the form of a birthday party for Mrs. Knutson. Eight members were present and two visitors Mrs. B. Risdale and Mrs. Knutson. [illegible] Mrs. Knutson was presented with a lovely bouquet of flowers and a lovely birthday cake which was baked by Thelma. Mrs. Knutson, in a very befitting manner thanked the club. It was decided to have a picnic at the lake on Fathers Day. Next meeting will be held at Mrs. C. Clarke's.

The district was saddened on Saturday by the passing of an [illegible] and neighbor "Barney [illegible]". His cheery smile and happy disposition will be greatly missed by all those who knew him. Another old timer gone on to a well-earned rest. Our sympathy is extended to the Powell family and Mr and Mrs F. [illegible].

Eleven attended church Sunday and enjoyed the special speaker Mr R. Brown. Watch for date of our next service. We hope to see you there. Gladys [illegible] over them thar hills on your bike!

Mr and Mrs R. [illegible] and family from Edmonton visited over the week end at the Robinson home.

Congratulations to Miss Iris [illegible] who was recently married in Edmonton.

Les Sherwood was busy over the week end running cement for the foundation for his barn. He now owns his grandfather's farm, the late Mr W. Sherwood. This farm has been in the family since 1904.

We are pleased to report that Garry McLaughlin is much improved after spending some time in the hospital.

Tom [illegible] is in the University hospital undergoing further treatment for burns suffered during the fire at the Texaco bulk [illegible] in Vermilion recently.

[illegible] Wainwright [illegible] the east

Young People Feted At Shower

A surprise shower was held in the Alliance Chapel [illegible] in honor of Miss June [illegible] and Mr Ron Mix whose marriage is to take place on June 24th. There were some seventy-five friends and relatives present. The pastor Rev. J. M. Schroeder was the master of ceremonies for the evening's activities. The room was artfully decorated, featuring a 'make-believe' school teacher at her desk. Mrs. A. Curtis pinned a lovely corsage on the [illegible].

Games and quizzes were played and a mock wedding was enacted. Balloons suspended from the ceiling, when broken were found to contain Bible promises which were read by the happy couple.

A girls trio, consisting of Barbara Gunderson, Margwynne Clendenning and Marguerite Watkins sang 'A Wedding Prayer.'

A poem 'An Ode to June' was read by the writer, Mrs Clendenning.

Miss Margaret McLennan sang a solo 'Thou Art My Own.'

Rev. Schroeder then expressed the sincere best wishes of all those present and gave thanks to these two young people for their faithful work in the church.

Little Brenda Schroeder and Robert Watkins brought in a miniature school house full to overflowing with gifts. Both June and Ron very aptly expressed their thanks and appreciation for the wonderful gifts they received.

During the lunch which followed, the guests of honor circled the room thanking each one personally for his or her part in the evening's success.

The enjoyable time was brought to a close with prayer by Rev. [illegible].

W. Baranyk Takes Up New Post

Mr Wm. Baranyk who has been on the staff of the V. S. A. for the past five years has transferred to the Olds School of Agriculture. Both Mr and Mrs. Baranyk have had a long association with the V. S. A. both being graduates of the school.

While on the V. S. A. staff Mr Baranyk taught English, Community Organization, Economics and Co-operation during his first year. For the past four years he has been instructor in Horticulture, Botany and Community Organization.

For the summer months he has taken charge of the grounds and has done much good work in making these grounds attractive for all who see them.

Prior to their departure for Olds Campus friends and neighbors gathered at the Palm home for a farewell party at which Mr. and Mrs. Baranyk were presented with a 35 m.m. slide projector. Their many friends at the V.S.A. and in the town of Vermilion wish them the best of luck in their new home at Olds.

Reform is the thing everyone wants to apply, but no one wants to receive it.

If An Emergency should happen away from home **Phone Us Collect**

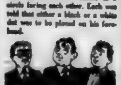
Automatic SAWFILING
VERMILION — ALBERTA

While waiting for a bus on New York's Fifth Avenue, I noticed a woman looking another over from head to toe. When she finally completed her appraisal, the victim smiled and asked cheerfully "Well—what's the verdict?"

A tourist was being taken for his first New York taxi ride. The cabby wheeled wildly in and out of traffic, honking his horn and cursing other drivers. Suddenly a pedestrian stepped off the curb against the light and the cabby slammed on the brakes to miss him. Apparently figuring such unusual courtesy called for an explanation, he turned around to the passenger and said: "If you hit 'em, you gotta fill out a report."

Entertaining three applicants for a choice job, Thomas Edison based his choice on the results of the test. The three were seated in a circle facing each other. Each was told that either a black or a white dot was to be placed on his forehead.



ALL 3 DOTS WERE BLACK!
At a signal, each was to begin tapping on the table if he saw a black dot on any forehead, and to stop tapping only if he could determine the color of the dot on his own forehead.
After a few moments one stopped. He correctly had determined his was black. How did he know?

Do's and Dont's Of Water Safety

With the first warm days of summer heralding 'open season' at camp sites and resorts, Red Cross Water Safety officials urge holiday-goers to be "Water Wise, Swim and Boat Safely".

Of 36 persons drowned in Alberta last year the largest number were children of 1 to 4 years of age. In view of this fact Red Cross urges parents to take the following precautions and avert a water tragedy:

1. Watch children constantly if there are creeks, rivers or ponds near the home.

2. Cover open wells and fence excavations in the neighborhood.

3. Supervise children at play in wading pools or garden ponds. REMEMBER that children can drown in two or three inches of water. tf

McLAUGHLIN'S SELF-SERVE

WOODVALE NOTES

We are rather late, as usual, with our congratulations to Mr. and Mrs. Bill Wells and Mr. and Mrs. R. Thomsen on the birth of baby daughters in the Vermilion hospital in May. Mrs. Isley took care of the other two Wells' girls, her grandchildren, while Mrs. J. Ross in turn helped her to look after them, a pleasure indeed to this great-grandmother! Mrs. Bill Whitlock looked after the two little Thomsen girls while her daughter, Mrs. Thomsen, was in the hospital with the baby.

Bill Wells himself spent a few days in the hospital with an infected arm.

Mr. and Mrs. Anderson, Inez and Miss Matheson took in the graduation dance of the Vermilion High school.

The Woodvale dance at the community centre was a pleasant one, though not too big a crowd attended.

The Lloyd McLean children, while on a hike in the Grizzly Bear coulee, found a few Indian arrowheads, reminding us that an old trail led through these parts in the days long ago before settlers came in.

Our student minister, Mr. Homer McAvoy, of Hamilton, Ont., has arrived for the summer and will hold church services at Ganton hall every Sunday at 11 o'clock. He is staying at the home of Mrs. Margaret Watson.

On June 1st the Wolters family went on a picnic with Mr. and Mrs. Curtis Wilson and other members of the Wilson clan, to the old family homestead 14 miles north of Vermilion, named Coyote Valley at the time. Such a visit always brings back old memories of pioneer days and is much enjoyed by everyone.

Some light rain fell on the district Friday, May 30th, and a cloudburst of very short duration on June 3rd. A steady, all day rain is what is needed now.

The Hindville P.O. has now been moved to the home of Mr. and Mrs. Clarence Crocker.

The F.U.A. at Tolland met on June 3rd, mostly to make plans for the big Tolland picnic to be held on July 2nd.

The Red Cross meeting was held June 5th at the home of Mrs. Margaret Watson and there too, plans were made for the supper, both at the Tolland picnic. In the meantime the nine ladies and their three guests stitched away on a large quilt, wishing that the wool batt inside was not quite so lumpy as this made the work slow. One of the guests, when there was no more room around the frame, sat under the quilt and with another guiding her needle managed to make a few more fans, causing quite a bit of merriment. The lunch was very much enjoyed after all that hard work. A few boxes of used clothing are to be sent with a quilt to the Presbyterian W.S. in Edmonton. The next meeting is planned for July 10th at the home of Mrs. F. Van Wageningen.

Mr. and Mrs. Gordon Portsmith have a young nephew staying with them for a week and are expecting Mrs. Alice Goertzen and another sister with three children from B.C. very soon.

The officers of the Woodvale Mutual Telephone Co. met at the Union school on June 5th to plan for their yearly fixing bee. The line east of Jack Schaumloffel's will be rebuilt and other jobs done at different places. Members will be notified when to work. The first date set is for Tuesday June 24th. Please keep that date open.

Mr. and Mrs. H. C. Graham of Toronto, cousins of Mr. Duff McGrath, spent a week at the McGrath home recently after an extended vacation in the West. Mr. McGrath met them in Edmonton and later took them to Wainwright to the train. While here they visited Mrs. Belle McGrath in the Islay hospital who, we are glad to report, is home again.

A reputation cannot be built on the things you intend to do

OUR LETTER FROM EDMONTON

New System Inaugurated for Dividend Distribution in Alberta

by KEN MASON

EDMONTON — Albertans will be taking a $2.50 cut this year in their oil and gas royalty dividend payments.

Provincial Treasurer Ted Hinman last week anounced that the dividend this year will be $17.50, compared with $20.00 last year. The payments will be made out of a $10,000,000 fund appropriated by the Legislature this year. Last year's fund was $11,000,000.

The reduction in the payments is due to a small drop in oil and gas royalties. Under the Dividend Act, the province sets aside a third of royalties to pay the dividends.

A new system of distribution will be introduced this year in an effort to cut down on the wholesale abuses which cost the province thousands of dollars last year. A new dividend branch of the department will handle the payments.

Applications will be sent by mail to persons who qualified for dividends last year, and more will be available from government offices for persons who qualify but who are not on the list.

The big difference this year is that the applications will be checked before the money is paid out. Last year, citizens just called at chartered banks or treasury branches, filled out an application form and collected the loot. The law is still catching up with smart operators who cashed in on more than their share.

The government undoubtedly would have preferred to declare a bigger dividend. At the time the program was introduced, officials thought large-scale gas export was around the corner, and the resulting boost in royalties would have meant bigger dividends.

Opposition politicians are still confident the dividend plan has backfired on Social Credit. They think the public shares their view that it's a waste of money, particularly in view of the number of fraud cases which have come to light.

The new aim of the provincial government forest service is getting its first real workout.

General rains late last week eased the situation considerably, but so far this sping hot, dry weather has made conditions in the forests the worst since a couple of years ago when Forests Minister Norman Willmore declared a state of emergency.

As a result of the experience in 1956 when flames destroyed thousands of acres of valuable timber, the government decided to equip its forestry branch with aircraft. One plane was purchased last year and the others were chartered when the need arose. The results were so good that the lands and forests department purchased a helicopter this year to augment the fixed-wing plans.

Last year wasn't a particularly bad one for forest fires, but this spring has been among the worst. It's too early to get a full report on the operations, but in all likelihood the records will show that the extra mobility afforded by aircraft has helped.

At the end of the week there were 43 fires burning but only one in the Rocky Mountain House area was burning out of control.

So far this year there have been 108 fires.

Mannville and District Local News

Lightning struck twice at Mannville, but not in the same place. The houses of Don Upton which had a power switch thrown outside, and that of John Baldwin, which had the power cut off and the telephone put out of commission, as well as damage being done to the roof of the house and some shingles loosened somewhat.

Air Force Day at Cold Lake Saturday, June 14th

Airmen of six NATO nations get their first detailed look at an RCAF-33 jet trainer with the help of their RCAF instructor. The RCAF, which began training airmen for NATO in 1950, has graduated more than 5100 NATO pilots and navigators, trained side by side with their Canadian counterparts. Uniforms in this picture, from left, are those of Great Britain, Canada, France, Turkey, Holland, Norway and Denmark.

RCAF station Cold Lake will again hold "Open House" from 1 p.m. to 5 p.m. on Air Force day, Saturday June 14th.

Anglican Rector Of Early Days Dies in England

An Anglican rector who ministered to the people of Islay Pleasant Valley and Vermilion in the early days, Rev. Harold A. Edwards, passed away on June 1st at his home in Preston Priory near Ledbury, Herefordshire, England. He was in charge of the mission field of Islay and Pleasant Valley from 1906 to 1913, and came to St. Saviour's in 1913, ministering here until 1918. He left Vermilion for Jasper and after quite a number of years there during which time the present beautiful Jasper Anglican Church was built returned to his native England. He is survived by his wife and one daughter.

Information regarding the passing of the well remembered Cleric was sent by the Rev. George E. Trench. Mr. Trench served a large area in both Saskatchewan and Alberta as a superintending clergyman, and will probably be recalled by pioneer people of the district. Rev. Trench lived in Lloydminster from 1909 to 1914 at which time he left for overseas to serve as a Chaplain in France.

Dominion Veterinary Transferred To Medicine Hat

Dr. E. L. Young, Veterinarian in charge of the Vermilion sub-district, Health of Animals Division of the Dominion Department of Agriculture has been transferred to the Medicine Hat sub-district where he will be in charge of the work.

No successor will be appointed here until the fall, with the work in the meantime being handled from Edmonton.

Firm of Chartered Accountants Buy Local Business

Harris, Flngarson & Company of Wainwright, a firm of chartered accountants have purchased the practise of Mitchell Taylor in Vermilion. While there will not be a resident manager here for the time being, the office will be serviced from the Wainwright office under the management of Peter P. Herauf. In the meantime Mrs. Taylor will still be available at the office for several months, after which time it is hoped to have a full time manager in charge of the Vermilion office.

Letters to the Editor

The Standard does not hold itself responsible for opinions expressed by correspondents

Vermilion, Alberta,
June 11th, 1958.

Editor, Vermilion Standard,
Dear Sir:

Please allow me the valued use of your paper to express an opinion on the recently concluded S. D. track meet held last Friday.

Firstly, congratulations to all winners and those who gave their best.

Secondly to the teachers' association who handle the event I say either grow up with the event or turn it over to some organization that will. Expecting teams to play first class ball on areas such as they have been forced to use these last few years is nonsense. What good are three inning games? There is the case of one Little League team waiting 7 hours to play simply because 7 teams were using one so-called diamond.

Events such as this must be played where facilities are provided. Look around, teachers, and see where they are!

Yours sincerely
"SLUGGER."

Tame Setting Duck Blasted By Town Boys with Shotgun

A tame duck on the farm of I. Filgate just two miles south of town, was blasted to bits by a shotgun shell last week end as she swam on a slough beside the farm yard. The duck was setting at the time and had just taken a few minutes off her nest for a swim on the nearby slough. There was no mistaking her for a wild duck, which of course would be a poor excuse as all migratory game birds are protected by law at this time of the year, her color being vastly different. The duck was shot and left, apparently just to satisfy a lust to kill.

The slough is in the Filgate pasture quite close to the barnyard and garden, and the area is a favorite spot for the Filgate children. Boys from town have this spring been seen in the immediate vicinity with shotguns. They are now warned to stay away as they could easily kill livestock or even the children with their indiscriminate shooting.

The possibility that the boys have been shooting wild ducks out of season is being investigated by game authorities. Parents should take note of what their sons are doing on hikes and if they take firearms with them.

The Filgates have lodged no formal complaint but ask the boys to please stay off the farm as livestock and poultry is valuable to them. They have quite a number of young ducks and a drake which go to the slough quite regularly. "No shooting signs" have been posted but are just ignored by the gun-toters.

FIREARMS IN THE PARK—

It has come to the attention of the Standard that someone is ignorant of the fact that the Vermilion Provincial Park is a game sanctuary and consequently the carrying of firearms and discharge of same within the park boundaries is absolutely against the law, as well as endangering human lives. Whoever has been using a .22 rifle in the park area is warned to desist or stand the chance of confiscation of his gun along with a good stiff fine.

Pony League Now Winding Up; All Teams in the Play-Offs

All but one game has been run off in the regular schedule of the Pony League and that game between Vermilion Elks and Mannville at Vermilion, may cause a tie for third place between Mannville and Islay.

AS THEY NOW STAND—

Team	P	W	L	T	%
Foresters	8	7	1	0	.875
Elks	7	5	2	0	.714
Mannville	7	3	3	1	.500
Islay	8	3	4	1	.438
Buff Coulee	8	0	8	0	.000

THE PLAY-OFFS

In the play-offs the second place team plays the fourth, and third plays the fifth with the Foresters who won the league waiting in the finals. Owing to the proximity of final exams, it is not likely play-offs will commence until these are completed.

MANNVILLE 6 — B. C. 5

Buffalo Coulee playing on home grounds, made a valiant effort to gain entry on the credit side of the standings, only to have the Mannville 9 come from behind in the last inning to grab a 6 to 5 win.

ELKS 8 — ISLAY 7

In a rousing game at Vermilion on Wednesday that saw both good and bad ball played, the Elks came through in the last half of the final inning to break a 7-all deadlock with Islay to rack up their fifth win. Islay boys had fought back from a 7 to 3 deficit to throw a bad scare into the Elks.

I. Gordon was umpire-in-chief.

Rotary Maintains 1.000 Pace

Rotary Little Leaguers held on to their perfect average during the week, turning in two decisive wins.

First win was at the expense of the Kinsmen, who, in a game played last Thursday evening, took a 15 to 7 beating by the inspired Rotarians.

On Tuesday, after a shaky start, the same Rotarians came on in the fifth inning with a rush to wrap up a 12 to 7 win over a fighting band of Knights.

I. Gordon, umpire-in-chief.

UNOFFICIAL STANDINGS

Team	P	W	L	T	%
Rotary	5	5	0	0	1.000
Legion	4	2	1	1	.625
Kinsmen	4	1	2	1	.375
K of C.	5	0	5	0	.000

GAMES THURSDAY AND TUESDAY EVENINGS.

Auto Dare Devils Tempt Grim Reaper

Death will ride as a passenger on Tuesday night, June 24th at 8 p.m. when the North American Thrill Drivers take over the race track at the Vermilion Fair Grounds for a one night stand.

World-famed stuntmen Lyle Anderson, Jimmy Reddy, Sunny Seymour, Paul Riddell, Bobby Malloy and others who defy death to live, will be behind the wheels of the new Dodge sedans and convertibles to perform feats of autobatrics and precision driving requiring the utmost in skill and courage.

The feature of the evening will be the "cannon shot" in which a new convertible will be fired from the mouth of a huge steel cannon, hurled some 80 feet through space to land on a narrow rundown ramp, while a new sedan races directly beneath the wheels of the flying convertible.

Other features of the 28-event program will include motorcycle trick and fancy riding, motorcycle polo, leap-frog and ramp to ramp leaps on the two-wheel machines. Remember, showtime is set for 8 p.m.

Successful Track Meet at Vermilion Primary School

Ideal weather conditions, willing helpers and eager children made a success of the Primary School track meet on Friday last, June 4th.

A good supply of colorful prize ribbons gave incentive to youthful competitors to put forth their best efforts.

Organized by the primary grade teachers, the events went off smoothly.

The staff and pupils of the primary grades appreciate the co-operation of the many helpers and thank them most sincerely for their time and effort. Without their help our track meet could not have been possible.

Beautiful Deer Becoming Plentiful

Deer under the watchful eye of Game Officer George Sens, are becoming quite plentiful around this area. One morning this week, the Carmichael family, who reside just north of town, were pleasantly surprised on looking out the window to see three of the beautiful animals in the yard. Their home is two miles north of Vermilion.

Again, one day last week Wilf McLennan spotted a deer right on the east edge of town at the railroad Y.

These lovely creatures would be a great asset to the park area as they are quite an attraction to tourists and picnickers, and the co-operation of every one is sought in their protection.

Islay Hospital Board Regular Meeting

The regular monthly meeting of the Islay Hospital Board was held in the hospital on June 3, at 8 p.m. Present were Messrs. D. B. Shirreff, J. W. Shaw and the secretary.

Minutes of May 6th meeting and the financial statement were adopted as read.

Matron's Report: In hospital 11, admitted 33, discharged 36, remaining June 1, 8. Out-patients 7, births 3, deaths 0, operations major 2, minor 3, X-rays 11. Receipts $2740.15. Occupancy 72.4% of capacity.

Bank Bal May 1	$11,197.33
May Receipts	2740.15
	$13,937.48
May Accts. Payable	$ 3,287.23
Bank Bal. May 31	$10,650.25

Meeting adjourned to meet on Thursday, July 3 at 2 p.m. in the hospital.

Vermilion Golfers Win Prizes At Lloydminster Tourney

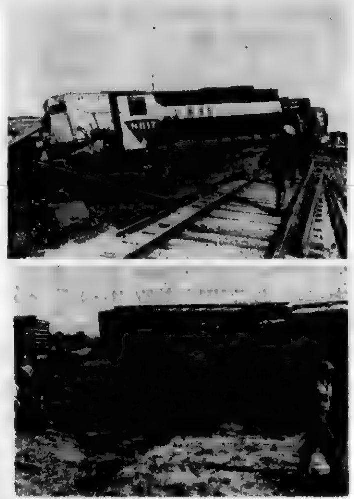
Twelve members of the Vermilion golf club journeyed to Lloydminster on Sunday June 8 and took part in the Lloyd club's annual golf tournament. There were fifty-seven golfers from various towns east and west of Lloydminster competing.

The day was perfect with the weatherman co-operating 100 per cent to make this a very enjoyable day. Those competing from Vermilion were Dr. C. W. Stephens, Warren Rosequist, Al Locke, Leo McKernan, Roy Hitchcock, Carmen Long, Norman Henderson, Dr. A. B. King, Stan Waldenberger, Mac Simonsen, Russell Carroll and Les Chivers.

The Vermilion players did not fare too well prize-wise. Two did bring home a prize each. Norman Henderson won the fourth flight and received a set of cuff links. Stan Waldenberger won the first flight and won a movie camera which wife Edith thinks is first rate and now owns.

Championship flight was won by Dodi Nicholson from Wainwright and he received a caddy-car. Now he says all he has to do is to train his wife to pull it around the golf course for him and he's home-free. Dodi was shooting red hot golf, playing well under par figures.

Actions of some men knock the good out of their good intentions.



Two pictures of the recent derailment on the C. P. R. crossing on highway 41. Top view shows the diesel locomotive well off the tracks, along with 2 freight cars. The second picture shows the truck which derailed the mixed train. The truck and trailer was loaded with structural steel. Fortunately no one was injured but a piece of steel penetrated the engine cab close to the engineer. Photos are by Photocraft.

Happy Hour W.A. Meets at Mannville

MANNVILLE. — Nineteen members of the Happy Hour and five visitors met at the home of Mrs. Cliff Emmott Thursday evening last week. Visitors were welcomed by President Kay Sutton, as was Mrs. Shell, the new rector's wife, to our group. This was the last meeting before the two month holiday season. All reports of various secretaries of this group were heard. Business was discussed and transacted. It was decided to cater to a wedding in June. Stainless steel cutlery is also to be procured through a special deal. Mrs. Edith Johnstone gave an interesting report on the recent W.A. Deanery held at Vermilion.

F. W. U. A. Convention Planned For Marwayne June 21st

The regular meeting of the F.W.U.A. was held at the home of Della Protsch on May 29th with Ruby Hale and Florence Pinski as co-hostesses. There were 20 members present. The meeting opened with the singing of "The Maple Leaf Forever".

The representative on the Cenotaph committee reported that F.W.U.A. collectors had received $58.10 from Tp. 53, R. 2, the district given to canvass. The money was turned in to the treasurer of the Cenotaph committee and receipt received.

Arrangements were completed for the F.W.U.A. conference to be held in Marwayne school on Saturday June 21st. Weather permitting a picnic lunch will be held on the lawn at the home of Betty Hale. Members are to bring handicrafts for a display.

The bridge opening June 13th was discussed and it was decided to have a booth along with the F.U.A. Each member is to bring two pies and those not connected with other organizations having booths, also to bring cake or doughnuts. On the buying committee is Frances Gray, Margaret Miller and Mildred Sinclair. The Parker girls, mounted on horses, will carry the F.W.U.A. banner in the parade.

Tag Day for the Mental Health Association will be held Saturday June 7th. Quite a number of donations have already been received from other organizations.

The F.W.U.A. will sponsor Eunice Gray in attending Farm Young Peoples' Week at the U. of A. starting June 18th.

The first two names drawn to attend Farm Women's Week at Vermilion were Doris Tupper and Janet Hancock; in the event of these two not being able to attend, third and fourth names drawn were Dorothy Milne and Isabel Parker.

The date of the flower show was set for Friday, Aug. 15th.

It was also decided to have a tea and bake sale Friday afternoon June 27th with all proceeds going to John Papp.

The Convention Handicraft committee requested that members be able to tell them at the next meeting what they intend to make for the handicraft display in December.

Next meeting will be on Monday, June 23rd, place to be announced later.

Alberta 'Teen-age Driving Champion

Marvin Dutnall of Bowness is the new Alberta teen-age driving champion. Marvin defeated 17 other competitors at the provincial road-e-o in Lethbridge recently. For his efforts he won the provincial trophy, a check for $100 and the right to represent Alberta at the dominion finals.

Leo Goshko of Vegreville, who represented this district, placed 15th. He was second in the road check, but lost ground in the written quiz and the skill test.

Shown above are left to right, Maurice Lobe of Edmonton, who placed third; Marvin Dutnall, Gerry Kaumeyer of Edmonton, who presented the trophies on behalf of the sponsoring organization Imperial Oil Limited and Les Santa of Lethbridge, second place winner.

NEWS from ALLANDALE

Weather — Some nice warm days. Frost, however, was observed the last of May and the first of June.

Eddie Throndson left for Yellowknife May 21st. His employer, Mr. Heeley arrived for him on the 20th.

There has been some road done on the north road from the Pierce corner, which is quite an improvement.

On May 22nd Wondy Wilsons and the Wm. Armstrongs motored to the city.

The Nelson family were Edmonton visitors on May 26th, returning home the next day.

Mrs. Evelyn Throndson and Mrs. Omness were visitors at a birthday club party on May 29th at the Ralph Strome home. Speed-O-Weave was demonstrated by the visitors. Mrs. Jessie Strome brought along her lamp, the post being made from a willow, a beautiful piece of handwork. 'Happy Birthday' was sung to the honored guest, Mrs. Delsie Strome and a lovely gift presented. A delicious lunch, a birthday cake included, closed a very enjoyable evening.

The Herb McPhee family attended church services in Vermilion June 1st. Their oldest daughter Myrna joined the church that morning.

On June 3rd something very unusual was observed — a flock of geese, going north, flying quite low.

Congratulations and very best wishes to the newlyweds Mr. and Mrs. Mike Mayowski who were married June 4th.

Mrs. Stella Mayers motored from Chipman to attend the wedding of her niece Marian Lee on June 4th.

The Fleming family from town were visitors at the Omness home last Saturday.

Mrs. Orlene Whelan and family accompanied Mrs. Whelan's parents, Mr. and Omness to Lloydminster on Sunday to visit at the Johnny Nelson home.

Also visiting there were Mrs. Nelson's sister Eunice and Milton Lee, niece Joan and Edie Nelson and son Brian, daughter Joan Roberge and sons Roger and Johnny.

Congratulations to Mr. and Mrs. Frank Schmidt of Lloydminster on the birth of a daughter.

Closing Thought: "The more we share of joys and of service, the more joyful we find ourselves."

DERWENT THEATRE

Showing at Derwent theatre Sat and Mon June 14 and 16 "The Come On" with Anne Baxter and Sterling Hayden in a powerful drama with tremendous suspense and climax. June 21 and 23 "Pillars in the Sky" an action picture so completely different that it will hold you spellbound. 46

Couple Honored On Golden Wedding

MANNVILLE. — [illegible] and relatives gathered from Edmonton and Wetaskiwin at the home of Mr and Mrs George Younge of Mannville on Sunday June 1st to honor Mr and Mrs R. Swanson on the fiftieth anniversary of their wedding. Besides Mrs Younge Mr and Mrs Swanson have one other daughter Mrs. David Trefield of Edmonton and five grandchildren. The couple have resided in Mannville for the last five years.

The man who makes many promises and fails to come through is [illegible].

Ellwood Family Hold Re-union

MANNVILLE. — Members of the Ellwood family were reunited at Calahoo recently on the occasion of their mother's, Mrs T. Ellwood of Mannville, 80th birthday. The occasion took place at the home of her eldest daughter Mrs Henry Norris of Calahoo. Among those present were her five children, Annie Norris of Calahoo, Harry Ellwood of Irma, Mary Walker of Sherwood Park, Elsie Williams of Onoway and Edith Laidler of Mannville, and their families. Most of the 32 grandchildren were there as well as great grandchildren. The family presented their mother with a purse of money which was given to her by one of of her great grand sons, Henry Petrie of Morinville. A buffet supper was served the table being centred by a three-tiered birthday cake made and decorated by her daughter Edith. This was the first time in 30 years that all the Ellwood family had been together.

CLANDONALD HALL

Showing at the Clandonald hall Friday and Saturday June 13 and 14 "Three-Ring Circus" A real good family picture in technicolor starring Dean Martin and Jerry Lewis. June 20 and 21 Fri and Sat "The Invisible Boy" a science-fiction story starring Richard Eyer, Phil Abbott, Diane Brewster and Robbie the Robot. 46

"IT IS A MISERABLE THING TO LIVE IN SUSPENSE"
— *(Author's Name Below)* —
Physicians and pharmacists often wonder whether many current health articles are not causing some mental distress. Their information about new miracle drugs, usually accompanied by vivid descriptions of disease symptoms, often may influence one to think they have the disease they are reading about.
If you have any constantly re-occurring unusual symptoms that you think might be serious, don't worry about it. Just visit your physician and let him find out if you really have any problem.

Air Force Day at Cold Lake Saturday, June 14

Aircraft on which the RCAF trains its own and NATO pilots are grouped together here in flight. From bottom to top, they they are Chipmunk elementary trainer, the familiar Harvard piston-engine trainer, and finally the T-33 Silver Star, on which pilots are brought up to modern jet standards. All these aircraft will play a large part in aerial displays when the RCAF celebrates its 12th Air Force Day June 14th at Cold Lake Air Base from 1 to 5 p.m. —RCAF Photo.

WILDMERE WINKS

We will start with some items which should have been included last week.

The community joins with the writer in extending sympathy to Mrs. Wm. Smith and family in their recent bereavement. Another of our great pioneers has passed on to his well earned rest. He too has seen the vast changes in progress in this province of ours since he came in 1905, and it can be truly said, "Well done, good and faithful servant." It was nice that he and Mrs. Smith could enjoy a few years of leisure after their homesteading days.

On Thursday May 22nd a bee was held to put in Ted Filipkowski's crop, as he lay in the hospital after being hurt by a bull. Fifteen tractors, drills, surflexes, and harrows were on hand, and one hundred acres of crop were seeded, with some 80 acres being cultivated besides. Many hands make light work and makes the sick one feel much better too.

Everyone was indeed sorry to hear of the accidents to Teddy Richardson and Mr T. Fenton. A speedy recovery is wished them both.

Quite a small crowd attended the Gay 90's dance last Thursday evening, but a good time was enjoyed. It is the last dance until October when the new season will open with a banquet. M.C. was Chas Waldenberger, with the Hanna orchestra, and Irvin Gordon and Jimmie McFadyen calling the quadrilles. At supper the president, Chas Waldenberger treated each one with ice cream.

Miss Hanna and Mr. Hurst sang during the supper hour which everyone enjoyed, and "Happy Birthday" was sung for Mr. Carl Johnson who had a birthday. All will be looking forward to October and the return of the '90s.

Congratulations to Miss Viola Maggs on winning the Gold Medal in her nurse's training, also the award in nutrition. Viola graduated last Saturday at Lamont.

Congratulations also to Miss Anne Martin and Miss Ileen Shattuck on their fine work in obtaining their degrees, Bachelor of Commerce and Bachelor of Arts. Well done, girls.

Maureen Cruthers of Wildmere won two tickets to the Nat King Cole show in Edmonton Monday, June 2nd. She and her father went up to it. Hope you enjoyed it, Maureen.

Mr and Mrs. F. Gibson of Beamwood attended the graduation dance last Friday evening at the new school gym. Next year we hope some from our way will be graduating too. Good luck grads as you go forth out into the world, each on his or her way.

Still not too many come out to church and the summer is slipping by.

A few from our corner took in the dance at Wildwood on Friday evening.

Glad to hear some of our sick friends are coming home. Mrs. Evans went home Friday from the Vermilion hospital and Mrs. MacKay and Mrs W. J. Garnett both came home on Sunday. We wish all of these folks continued recovery to health again.

Mr. C. Brveaire was the lucky winner of the top money at the bingo on Saturday night and Vallie Watt also was lucky in having drawn a horse on the Irish Sweepstakes.

Congratulations to the following parents: Mr. and Mrs. W. Wells, Mr and Mrs. R. Thomsen on the birth of baby girls and to Mr and Mrs. W. Gillman on the birth of twins a boy and a girl also to Mr. and Mrs. Vic Kuzek on the birth of a baby son.

We had a nice chat with Mrs. Henningsen who said she plans to write her notes, Chatsworth Chatter, more often. We hope so. We had lunch at the Royal Purple Lilac tea with Mrs. J. A. Smith, Mrs. Ashley Cooper and Mrs. H. Leighton and where a nice chat was enjoyed. Also chatted with Mr. Andrew Sherwick who told us of his wonderful trips to different parts of the world. They must have been very interesting, Mr Sherwick.

Just heard that Mrs. Roy Dibben is also in the hospital. We all wish her a speedy recovery to health and home.

Wildmere W. A. will hold their next meeting at Wildmere United Church on Wednesday evening, June 11th. Auburndale W.A. have been invited as guests. Mrs. H. Cooper of Clandonald will be guest speaker. She attended the conference at Red Deer last spring. We hope to have a good turn out from the four groups of Auburndale, as you have been so good at inviting Wildmere to your meetings. Mrs. Cooper would like as many as possible to hear her report. See you all, then, June 11th at 8:00 o'clock.

Say, Mr. Rowher, do you need another rooster? We have one if you do.

Annual Sports Day July 1st

MANNVILLE. — Sports Association have planned a bang up day for all on their 54th annual Dominion Day of Sports, July 1st. For instance, $200 is offered for senior baseball event, $100 for men's fastball, $40 for ladies' fastball and $30 for Pony League baseball. Horseshoes will be an added feature. Athletic events for the children are being specially arranged. In attendance for the enjoyment of the public will be the ever-popular Vermilion Pipe band and Mannville Majorettes. A dance in the evening will climax the gala day.

TURN FOR THE WORSE

The man who trusts to luck should be sure that his emergency brake is in good order.

Health Unit Notes

CANCER

WHAT IS CANCER?

The human body is made up of millions of tiny cells. Under healthy conditions these cells divide and grow only to produce normal body growth, i.e. increase in size from childhood to adult life and also to replace tissue lost in ordinary wear and tear. In cancer the growth and division of a number of cells 'runs wild' and they grow in a disorderly and uncontrolled manner in some part of the body. Sooner or later some of these cells break off from the original growth and lodge in other parts of the body and there set up secondary growths. There are many types of cancer and each presents its own problems. Cancer occurs mainly in middle aged and elderly people but no age group is immune; it is about equally divided among males and females.

WHAT CAUSES CANCER?

The exact cause of cancer is unknown although scientists can produce certain types of cancer in animals by using various techniques, i.e. the application of chemicals.

There is no evidence that cancer is caused by a germ and so it is not contagious or infectious — there is no evidence of doctors or nurses getting cancer from a patient despite the close contact with them. One type of bone cancer can result from one severe injury, but it is not believed that this applies to other types of tissue. Cancer is not caused by eating refrigerated food, any particular combination of food or using aluminum cooking utensils.

There is a little but no definite evidence that cancer is hereditary; if either one or both of an individual's parents have had cancer, he or she should be more alert in looking for suspicious conditions but should certainly not adopt fatalistic [illegible]. There have been many cases where both mother and father have had cancer but none of their children developed it; many people develop cancer when there has been no evidence of it in their parents.

TREATMENT OF CANCER

Cancer can be cured if treatment is begun early and so diagnosis at the earliest possible stage is important. The treatment is confined to surgery, X-ray and radiation therapy. Home cures such as pills, powders, salves, etc., and advertised sure and secret cures are useless; they are also dangerous as they can delay proper treatment until it is too late to be of use. It cannot be emphasized too strongly that early diagnosis is essential, so if you have any suspicion that you may have cancer, consult your doctor immediately. It must also be remembered that there is absolutely no disgrace in having [illegible]

The main warning signals of cancer are: —

1. Any sore that does not heal.
2. A lump or thickening of the breast or elsewhere.
3. Unusual bleeding or discharge.
4. Any change in a wart or a mole.
5. Persistent indigestion or difficulty in swallowing.
6. Persistent cough or hoarseness.
7. Any change in normal bowel habits.

If you become aware of any of these, CONSULT YOUR DOCTOR IMMEDIATELY.

◆

BABY & PRE-SCHOOL CLINICS

Monday, June 16 — Vermilion (Health Unit Office) 2 to 4 p.m.
Tuesday, June 17 — Wainwright (Office) 2 to 4 p.m.
Tuesday, June 17 — Ranfurly (Hotel) 11 to 12 noon.
Tuesday, June 17 — Innisfree (Office) 2 to 3:30 p.m.
Thursday, June 19 — Edgerton (Office) 2 to 4 p.m.
Friday, June 20 — Mannville (School) 10 to 12 noon.
Friday, June 20 — Minburn (School) 2 to 3 p.m.

◆

ADULT POLIOMYELITIS

All adults up to the age of 40 years due for their third injection of poliomyelitis vaccine or anyone wishing to commence the course may do so by attending any of the clinic centres listed below:

Tuesday, June 17 — Ranfurly (Hotel) 10:30 to 11 a.m.
Friday, June 20th — Minburn, (School) 3 to 3:30 p.m.

Require Trailing Permits

Aside from taking animals direct to market, it is illegal to drive cattle or horses on foot or haul them a distance of over twenty miles in a farm truck without a trailing permit states W. S. Baldwin, Inspector and Investigator, Alberta Livestock [illegible].

In case an emergency arises to move a sick animal to a veterinary clinic or lab., wherever possible, the veterinarian should provide the owner with a written order for the movement.

The best arrangement, if at all possible, is to obtain a trailing permit before actual hauling takes place. Contact the nearest R. C. M. P. detachment, livestock inspector or livestock commissioner. Permits are free of charge.

These regulations, effective throughout Alberta under the Livestock Inspection Act, Section 22, protect cattle owners from theft. Violators can be fined up to $500.00.

TULLIBY LAKE

Alfred Waskowitch from the reserve at Onion Lake has terminated his employment for Doug Cooke.

As the years go by, more and more cattle are being raised in this area. To find adequate pasture has been a major concern. To help alleviate this problem two large grazing areas have been formed. The Tulliby Lake Stockmen's Association, some 15 years ago, and the newly organized Burke Lake Grazing Lease Association.

Mr. Eddie Lider of Lloydminster is employed at the Doug Cooke premises.

Mr and Mrs. Cecil Trimble are on a short business trip to Edmonton. During their absence, Cecil's mother is handling the household duties.

Gordon Walterhouse of West Ryder Lake, B. C., is visiting friends and relatives in the district.

A son, Larn Ronald, was born to Mr and Mrs. Ken Larson in the Lloydminster hospital on May 5. Congratulations!

Douglas Adamson spent a couple of weeks at home. Doug is employed at a branch of the Royal Bank in Edmonton.

DEWBERRY NEWS

GRADE NINE GRADUATION

The Grade 9 class held a graduation dance in the school auditorium on May 31st. There was a large crowd in attendance to wish the young folks well and to trip the light fantastic. They were guests of the Grade 8 class who were in charge of arrangements. The auditorium was very nicely decorated for the occasion by the pupils of Grades 6, 7 and 8 under the direction of their teachers. All were pleased to see Mr and Mrs. A. Smith, Rae and Jimmy from Mannville and to have a nice chat with them; also Mrs. George Kinsbella Sr., of Leduc, Mrs. George Kinsbella Jr., and son Bobby of Edmonton. There were also visitors from Vermilion and Lloydminster.

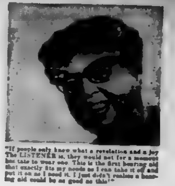
C. W. L. PICNIC

The C.W.L. wish to thank all who helped in any way at the picnic on June 1st. There was a good attendance. At first the rain put a damper on the proceedings in more ways than one, but gradually the sun came out and things brightened up, although it still remained cold. Nevertheless the ball games, bingo and races went off as scheduled.

Chatted with Mr. and Mrs. James Munro of North Battleford on Sunday and James says he hopes to fly a plane over the grounds on the 7th. He will be able to take passengers on trips that day. Of course, everything depends on the weather.

A man really puts his foot in it when he attempts to stand on his dignity.

Mrs. Eleanor Roosevelt acclaims new HEARING MIRACLE ...
"IT HERALDS A NEW DAY FOR THE HARD OF HEARING!"



"If people only knew what a revelation and a joy The LISTENER is, they would not for a moment hesitate to wear one. This is the first hearing aid that exactly fits my needs as I can take it off and put it on as I need it. I just didn't realize a hearing aid could be as good as this!"
Rose Franck

Plans for the June 17 [illegible] Alberta conference, which will be attended by hundreds of business leaders from [illegible] Alberta, were being finalized this week by the organization committee. The Conference is initiated by the Alberta Departments of Industries and Labor, and Economic Affairs. The full program for the day long session, to be held in the Northern Alberta Jubilee Auditorium at Edmonton, will include panel discussions on publicity and panel discussions led by purchasing experts and federal and provincial buyers. Names of those participating will be announced shortly. An outstanding display of Alberta made goods will be featured during the conference, [illegible] and exhibits prepared by industrial concerns. Directing the conference are, from left to right, the Hon. R. Reierson, Minister of Industries and Labor, the Hon. A. R. Patrick, Minister of Economic Affairs, Murry Kowton, Edmonton Chamber of Commerce, John Fleming of the Department of Industries and Labor; Ralph R. Moore, deputy minister of Economic Affairs; C. W. Carry, president of the Edmonton Chamber of Commerce, R. Martland, director of Industrial Development for the Department of Economic Affairs, and standing, Hal. E. Martin, director of publications for the Department of Economic Affairs.

Cutworm Warning

Red backed cutworm damage has been reported from High River, Red Deer, Lacombe, Legal, Hardisty, Grande Prairie and Edmonton district. Attacks can also be expected in any part of the wooded, parkland and foothills area especially where damage occurred in 1957.

Last summer cutworm moths laid their eggs in loose soil where weeds or other green growth was present. Therefore careful examination of last year's fallow fields, hay pasture and gardens is strongly advised by J. P. Gurba, Supervisor of Crop Protection and Pest Control for Alberta.

Endrin recently licensed in Canada is the most effective and cheapest chemical control, but various other controls may be employed. Further information is available from any District Agriculturist or Field Supervisor.

Since one cutworm per square foot can cause heavy damage to young crops, quick action is essential.

NOTHING IN RETURN

Too many people use friendship as a drawing account, but forget to make a deposit.

YOUR DECISION

Conscience is one thing that will never trouble a man unless he troubles it.

MARWAYNE

(Held over from last week)

This week has seen a lot of action in the baseball front. On Tuesday evening in Marwayne the Little League team won over Kitscoty by a score of 16-15. At the same time the Pony team of Marwayne won over Kitscoty Pony leaguers by a score of 13-2.

On Wednesday in girls' softball the Junior High school of Kitscoty won over Marwayne by 18-5 at Kitscoty. In Marwayne the same night the Senior hard ball team won over the Juniors 9 to 2.

Gary Ure, catcher of the senior ball team, will attend, by invitation, the Edmonton Eskimo tryout camp for ten days, with all expenses paid.

The doll with her wardrobe to be raffled on bridge opening day by the F.W.U.A. is on display in the local Co-op store.

On Thursday evening the Cubs' Father and Son banquet was held in the Elks hall and the C.G.I.T. Mother and Daughter banquet in the church hall.

Mr. and Mrs. Fred Hennig and family and Donna Alton of Josephsburg, were visitors at the home fo Mr. and Mrs. A. Ferguson on Sunday, May 25th.

Mrs. Dudiyke attended the Legion convention in Edmonton this past week.

The Rev. Mr. Shortt and Mr. Berg are going to attend the Alberta conference at Banff. Mrs. Berg will go as far as Edmonton with Mr. Berg.

Five ladies of the Anglican W.A. attended the annual Deanery meeting in Vermilion Tuesday, May 27th. There was a large attendance with all points represented with the exception of Vegreville.

Mac Hancock is now working in the Wheat Pool elevator at Wainwright.

The United Church W.A. of Marwayne will hold their meeting on Thursday afternoon at the manse in Kitscoty.

Baptismal service will be held in the United Church on June 15. June 22 Communion will be dispensed and on June 29th the pastoral charge will have a joint service and picnic at Whitney.

Mr. Stuart Beattie, son of Mrs. C. Harrington, having fully recovered from his illness, returned by air to his work in Ottawa.

The last meeting of the season 1957-58 will be held by the Home and School Assoc. on Tuesday, June 10th.

C.G.I.T. Mother and Daughter Banquet At Marwayne

MARWAYNE. — The climax and highlight of the year's work in C.G.I.T. groups culminated on Thursday evening in the Mother-Daughter banquet in the United Church hall, Marwayne when 53 mothers, daughters and guests sat down to a table beautifully decorated with spring flowers and a bountiful repast. The toast to the Queen was proposed by Donna Giles; the Mothers, Isabel Gray, replied to by Mrs. H. Tupper; the Church, Arleen Kvill, reply by the Pastor Rev. Mr. Shortt. Short thank yous came from the W.M.S., the W.A. and Explorer leaders. The girls presented gifts to leaders of the Senior C.G.I.T., Mrs. R. A. Johnson and [illegible] leader Mrs. Gardiner in appreciation of their leadership and guidance throughout the year. The company then went into the church where they heard the graduation ceremony and presentation of certificates to Louise Parker who had been five years in active C.G.I.T. group. Mrs. Shortt gave an instructive and interesting talk to the girls and guests saying it is an honor and a privilege to belong to such a worthwhile and world-wide group as the C.G.I.T. She said what the girls learned would stay with them all their lives and would help them in any different situation in the years ahead.

THE VERMILION STANDARD

Vol. XLIX. No. 49. Vermilion, Alberta, Thursday, June 19th, 1958. 12 PAGES $3.00 A YEAR

Alberta Provincial Library Dec.58

Hon. E. C. Manning, Premier of Alberta, cuts the ribbon to officially open the Lea Park bridge, located 10 miles north of Marwayne, while other Alberta ministers and department officials look on. Shown in photo, from left to right are Premier Manning, L. H. McManus, Chief Bridge Engineer, Hon. A. O. Aalborg, Minister of Education; E. Brisheim, district road engineer; Hon. Gordon Taylor, Minister of Highways; F. C. Harvey, supervising bridge engineer.

Outstanding Program Marks Opening of Lea Park Bridge

The Village Council and Civic Affairs Society of Marwayne tendered the visiting dignitaries to the Lea Park bridge opening a banquet at 11:30 a.m. in the Elks hall Friday, June 13th. Mr. J. Reinheimer was chairman, and Mayor Spence introduced and welcomed the guests.

At 1 p.m. the bridge was officially opened by Premier Manning, introduced by Thos. Brisheim, a former reeve of the municipality. Being a resident north of the Saskatchewan he knew and recalled all the inconveniences of ferrying or swimming cattle across the river, of the tie-up spring and fall when ice was going out or just forming.

The Lloydminster band headed the mile-long parade of floats from Lloydminster, Kitscoty and Vermilion as well as several from Marwayne and district, cars, new and old, riders on every type of horse, a settler coming in with his effects over fifty years ago and some walking, dressed in costumes of that age; a prospector with his pack horse, Indians in full dress, C.G.I.T., Boy Scouts and Cubs all marched along. The Kitscoty band half way along in the parade livened it up considerably; there was also the Sheriff's Posse from Edmonton.

From a platform built at the corrals, Archie Miller in his very pleasing and capable manner handled the 'mike' for the afternoon, introducing Premier Manning; Hon. Gordon Taylor, Minister of Highways; Hon. Anders Aalborg, Minister of Education and Hon. R. Reierson, Minister of Industries and Labor; all of whom spoke in glowing terms of the country and the need there had been for the bridge.

Mr. S. A. Berg welcomed all guests and visitors estimated to be in the neighborhood of 7000. An amusing incident was the presentation, as promised, of a 'Blonde' to the Hon. Gordon Taylor by Oscar Peterson.

Mr. E. A. Meiklejohn called on old timers who had been in the country fifty years to answer a roll call of which there were 65 from the surrounding country and as far as Vermilion, Paradise Valley, Lloydminster, Heinsburg, Frenchman's Butte and St. Paul. What a grand occasion for the renewing of old acquaintances among the old timers and talking of the pioneer and 'good old days'.

Following this was a program of singing, playing, Indian Dances and the raffling of the F.W.U.A. doll and wardrobe won by Wanda Ratcliffe.

The famous precision riding of the Sheriff's Posse, which has become known in and far beyond our province, was enjoyed by all.

It was a beautiful day and a wonderful time was had by all with a dance in the Elks hall at Marwayne completing an epoch-marking day for this area.

Ratepayers Meeting Called by School Trustees Assoc.

The Vermilion Divisional School Trustees Association will hold their annual convention in the auditorium at Kitscoty on Saturday, June 21, and every ratepayer in the Vermilion School Division is invited to the sessions.

The roster of speakers will include the Hon. Anders Aalborg, minister of Education who will speak on 'The Cameron Commission on Education.' Mr. A. G. Andrews of the Alberta School Trustees Association whose subject will be 'Merit Rating of Teachers.' Mr. W. Fred Stewart, principal of the Vermilion Elementary school on 'How we grade our students,' and 'Report Forms'.

PANEL DISCUSSION

An interesting feature of the afternoon will be the panel discussion on education led by C. J. Alfke, Dr. A. B. King, S. C. Heckbert all of Vermilion and Reeve J. H. Kelly.

All trustees, electors and ratepayers are invited to attend this meeting.

Vermilion All Stars Win Derwent Ball Tournament

Vermilion All - Stars won three games at Derwent Sunday and thereby won the first prize money of $80.00 in the Fastball tourney held that day.

In the first game played against Myrnam, Murray Millar pitched to Gerry Marshall and the score was 8 to 1: the All - Stars then scored a 10 - 2 victory over the home town Derwent team with the same battery, Millar to Marshall. The final game was a real see-saw battle bringing the All - Stars against the Lloydminster Mohawks and the issue wasn't decided until the last out was made. Andy Redford to Gerry Marshall was the All - Star battery for this one.

Edmonton Ladies At Park Sunday

An Edmonton Ladies' Fastball team will provide the attraction at the Vermilion Park ball diamond on Sunday when they clash with Vermilion's snappy Cardinals. The games will start at 2 p.m. and 4:30 p.m. That's this Sunday, June 22nd.

The Edmonton girls have appeared here before and are known as the Falling Supply Company team, one of the top ladies' teams in the city.

Forum Park At Vermilion Park

Plans were laid on Saturday night at the Northern Alberta Farm Forum Committee meeting at Vegreville, for the annual Picnic, this year to be held July 4th, at Vermilion Park. Beginning with lunch, brought by the various groups, coffee provided, the Forums will gather at the band shell where each Forum will suitably respond to Roll Call. The shield, last year won by the Waskawa Forum, will again be awarded to the best all-round group present.

Most members of the Committee present planned on attending a special Farm Forum meeting to be held in Edmonton, June 24th. Chairman for the group, Mrs. Irene Ziegler conducted the business which also included selecting Regional topics for the coming Forum season. Each member introduced themselves and stated the approximate size and attendance of their respective Forums. Closer co-operation between F.U.A. groups and Forums are being studied as Forum "discussion groups" are an excellent tool to be used by the various F.U.A.'s.

Greatest Picture of All Time Coming To Columbia Theatre

The greatest picture of all time "The Ten Commandments" is coming to the Columbia and Manager Nick Kowalchuk is keeping the mighty picture here for six days commencing on Friday, June 27th and running through to Thursday, July 3rd.

Due to the length of this great picture and the cost of production, the film company has set the prices at $1.25, 65c and 50c. The prices are beyond the control of local theatre managers. Show time is 7:00 o'clock with only one showing each night.

Many Attractions Planned For Visitors' Day at Vermilion Park

Many attractions are being planned for a special visitors day at the Vermilion Park, Sunday, July 13. The program is being arranged by Dr. Ben King and is rapidly taking shape. Besides the softball games, diving and swimming exhibitions, boating, horseshoe tournament, a number of other features are in the process of arrangement.

Among the visitors present will be Dan E. Campbell, Director of the Alberta Travel Bureau.

A film for the evening is being planned by Mr. Bell of the National Film Board, Edmonton.

The refreshment booth will have in addition to regular supplies, hot coffee hamburgers and hot dogs.

A registration desk will be provided on the beach area at which all visitors will be requested to register. From this register, the various prize winners for visitors will be picked.

It is expected that 100 airmen and officers and families will be attending from the R.C.A.F. station at Cold Lake.

Mayor Melvin Hill will officially welcome the visitors in a short informal ceremony at 2 p.m.

A new camping area is now established for those who wish to put up tents and stay overnight.

Drinking water is also available in two picnic areas from two recently drilled wells.

Horseshoes for the day are in charge of Elmer and Les Kreller.

Programs will be printed shortly listing the many events of the day.

Elks Win Final Effort In Pony League Schedule

Vermilion Elks made the final game of the regular schedule a run-away with a lop-sided win over a short-handed Mannville crew. Big blow among many blows was a home run by L. Forbey for the Elks with a deep smash to left centre field.

The loss dropped Mannville into a third place tie with Islay.

Ken Brown was umpire-in-chief.

FINAL WIND-UP!

Team	P	W	L	T	%
Foresters	8	7	1	0	.875
Elks	8	6	2	0	.750
Mannville	8	3	4	1	.438
Islay	8	3	4	1	.438
Buff Coulee	8	0	8	0	.000

Play-offs to commence on the completion of school exams.

Mayor Hawrelak To Speak At Spring Banquet

Mayor William Hawrelak of the city of Edmonton will be the guest speaker at the annual spring banquet of the Vermilion Board of Trade. The event will be held in the Legion Hall on Friday evening, June 27th at 6:30 o'clock.

The banquet is a public affair, both ladies and gentlemen are invited and all interested in hearing Mayor Hawrelak speak are urged to attend. Tickets are $1.50 each and may be obtained from any of the business men around town.

Arrangements for the anticipated dinner and program are being made by the entertainment committee of Jim Champion, Leo McKernan, A. E. Kaiser. 49-0

Edwin Throndson Loses Life In Drowning Accident

Edwin Throndson, well known Clandonald man, son of Mr. and Mrs. Gus Throndson of Vermilion, was drowned in a boating accident at Yellowknife, N.W.T., early this week. Edwin had rented his Clandonald district farm and had worked at Yellowknife for the past two years. He was 34 years of age. Details of the tragedy are as yet unknown here.

A brother, Ted Throndson of Fort McMurray, has flown to Yellowknife to the scene of the accident.

Many Summer Short Courses Planned for V. S. A. in July

Once again the Vermilion School of Agriculture and Home Economics will be offering a variety of short courses during the coming month. The schedule for July at V. S. A. is as follows:

July 3 — F. W. U. A. District Conference.

July 4 — V. S. A. Alumni Reunion and Rose Ball.

July 5 — Women's Institute Constituency Conference.

July 7 - 10 — Farm Women's Week.

July 21 - 26 — Boys' and girls' Short Course and Fair Camp.

Farm Women's Week has carried on each summer since 1930 with attendance from a wide area of Northern Alberta. The major enrollment for the programme generally consists of ladies who wish to and can get away from duties at home for a short holiday, a visit with others, and an opportunity to participate in a programme of lectures, discussions and demonstrations on topics of interest to farm women.

The programme this year plans for topics of interest to both men and women during the afternoon of Thursday, July 10, followed by a banquet for husbands and wives at 6:30 in the evening.

In recent years groups of ladies — sometimes the entire membership of a women's club, W. I. or other such organizations, have attended selected portions of the programme. Such interested ladies or groups of ladies are welcome to do so again this year.

The only charge is for meals and room accommodation when provided.

Ladies who wish to bring small children with them will be pleased to know that 'sitters' will be provided throughout the week.

The programme is planned and conducted by the Women's Extension Services of the Alberta Department of Agriculture in conjunction with the staff at the Vermilion School of Agriculture and Home Economics. Programmes are available from any District Home Economist or from the School.

4 - H Club Week will be a busy one this year. Some one hundred seventy boys and girls are expected to attend. These boys and girls are achievement winners in their respective clubs. A highlight of the Club week at Vermilion this year will be the attendance of a delegation of 4 - H'ers from Montana.

North American Thrill Drivers Here Tuesday, June 24th

The Fair Grounds in Vermilion will become a scene of calculated calamity on the evening of Tuesday June 24th when the North American Thrill Drivers take over for two hours of what one national magazine described as "automotive fury" and "motorcycle insanity". The show, Canada's contribution to the thrill show world, will feature two, three and four car precision driving, motorcycle polo and motorcycle acrobatics performed by the best known names in thrilldom. These drivers have earned the title of world champions with their exhibitions of skill and steel nerves, both in Canada and the U. S.

Climaxing the program of events, which ranges from precision driving to a flaming slide for life' will be the stunt that has stunned and thrilled the entire North American continent for the past season. A new Dodge automobile and driver will be fired from the mouth of the world's largest cannon over the top of another speeding car to land on a narrow rundown ramp some 80 feet away.

Showtime is set for 8 p.m. at the Fair Grounds in Vermilion.

Bobcats To Receive Jackets, Dinner, Free Show

Members of the Vermilion Bobcats hockey team champions of the Eastern Alberta Juvenile hockey league for the past season, will be feted by their sponsors the Knights of Columbus on Friday evening when they will be guests at a banquet in the Brunswick hotel. A feature of the evening will be the presentation of new jackets to each member of the club.

Following the banquet and short program the hockey players will be guests of the manager Nick Kowalchuk at a free show at the Columbia.

Earl Pollard Three-Time Winner Of Vermilion Car Roadeo

The annual car rodeo was held this year on June 13. This event is sponsored by the Rotary Club and it is proving to be very popular if we were to judge by the number of contestants and the large number of spectators.

The rodeo was held on the pavement between the Treasury Branch and the town park. Geo. Webb had charge of arrangements. He was assisted by six other rotarians.

Jack Makay was again chief director of events. His assistant was R. J. Lawson, Traffic Inspector. There are five contests in the programme, namely parallel parking, straight line, smooth stop, off set lane, serpentine and a written test.

The winner of the competition was Earl Pollard with 352.6 points out of 410. He was sponsored by Superior Auto Body Shop. Second placing was a tie between Ken Brown and Emil Zayac with the score of 344.4. Ken was sponsored by the Vermilion Hotel and Emil by Stephens Ltd.

High teenager was Wayne Ireland with 313.6 points. Hazel Barr was high lady scorer with 313.2 points.

The record of the sponsors and drivers is as follows: Vermilion 5 cents to $1.00 Store (Gerry Marshall), Geo. C. Webb and Sons (Miss Hazel Barr), Vermilion Board of Trade (Bob Waldenberger), Craig Bros. Ltd., (Wayne Edwards), Stephens Ltd., (Emil Zayac), [illegible] (Fred Schock), Mannville Motors (R. Panter), Herzog Motors (Dave Kindrachuk), Superior Auto Body Shop (Earl Pollard), Long's Drug Store (Bob Green), Canadian Utilities (Clayton Harrower), Northwest Utilities (Wayne Ireland), Reg Ireland (Murray Millar), Oilfield Motors (Gerald Isley), Checker Transport (Mickey Giles), Vermilion Hotel (Ken Brown).

The Rotary Club is very grateful to all the firms who sponsored the drivers and for the contestants themselves for doing such good driving.

Junior High Reporting . . .

The Junior High Students Union sponsored "Play Night" on May 27th and netted $135. The success of the plays was due to the fine efforts of the Grade 7 and 8 classes and their directors, Mrs. [illegible] and Miss Barr.

SPORTS

June 6th found a large number of students participating in the various events at the annual track and field meet at Kitscoty. A number of ribbons were brought back to the Vermilion Junior High including 3 firsts, 6 seconds and 3 thirds. In baseball the Junior High boys were finalists losing to Marwayne by a score of 3 to 0.

Plastic Neckbands . . Again!

The results of the use of neckbands for marking ducks is vividly shown in the picture above. This mallard hen was turned in to "The Standard" on Monday of this week and then given to Game Officer George Senz.

As can be seen, the duck, in her efforts to be free of the collar, has slipped the lower half of her bill under the band, from which position it could not be extricated by the bird's endeavors. Under this circumstance, the bird was doomed to a painful death by starvation.

In September 1955, an editorial appeared in these columns decrying the use of plastic neckbands after grim results were seen. A short time after the editorial appeared several more cases of birds perishing, owing to these bands, two in the manner similar to the picture, were reported.

These were REPORTED birds, how many more died slow lingering deaths unseen, is of course, not known.

Now it has all started again, this time on nesting ducks. That means, for every hen that dies its tortuous death in the next few weeks, it also results in a loss of a nest full of eggs, or worse still, leaves a brood of unprotected ducklings to die in many ways.

Three years ago, in a reply to the editorial from a wildlife officer, and reproduced in "The Standard", it was stated, and we quote: "It is true that our methods can be improved but show us new techniques that always work efficiently the first time" Unquote. This was nearly three years ago and still no change in "technique". In our opinion the biggest improvement that could be made would be stopping the use of plastic neckbands immediately. The Canadian Wildlife Service does good work . . . let's not spoil it by something like this.

Egg Marketing Plebiscite Has Commenced In This District

An enumeration is being made throughout Alberta for a vote on egg marketing plan for this province. Egg producers will recall that a vote was taken last fall but so much dissatisfaction was voiced in the methods employed that it is being done again.

In this area E. H. Buckingham, District Agriculturist, Vermilion will act as returning officer. Mr. Buckingham has employed 14 enumerators to canvass the district.

The enumerators are as follows: Wm. Giles and A. Vaughan Smith, Marwayne: W. R. Cornish, Mannville: Jim Wallington, Allan Cunningham, Norman Armstrong and Roy Jory, Vermilion. Jack Hardstaff, Russ Buchanan and Albert Beck, Islay: Lyle Finlin, Kitscoty: Tom Stockwell, Clandonald: R. D. Heath, McLaughlin: John Foy, Streamstown.

Every farm in this district must be contacted either by a visit or telephone by these enumerators to list the number of laying hens. A voter's list will be drawn up. Eligible voters will be only those farmers who have 50 or more laying hens at the time of listing.

The enumeration started on June 16 and will continue until July 11. The voter's list will be available for examination and correction if necessary on the afternoons of July 17 and 18th, at the homes of the enumerators or at the office of the District Agriculturist.

There is no need for egg producers to look up the enumerators as they will canvass everybody. If it should be that anyone with over 50 laying hens thinks he has been missed from the listing then he should contact the enumerator in his district on July 17 or 18th.

The voter's lists from all over Alberta will be sent to the chief returning officer, Edmonton on July 18th. Ballots will be mailed to all eligible voters on August 6th.

Relative Killed In Vancouver Bridge Disaster

Following the bridge disaster in Vancouver on Tuesday, Mrs. Marshall Jackson received word that her sister's husband had been killed in the calamity. Mrs. Jackson left for Vancouver on Wednesday to be with her sister.

DEWBERRY

Annual Clean-Up and meeting of the Dewberry Cemetery, on Tuesday, June 24th at 1:00 p.m. Help is needed! 49

The new steel through truss type bridge which crosses the North Saskatchewan river at Lea Park, is 200 feet long and consists of five spans. The bridge has a clear roadway width of 24 feet. Some 2,400 cubic yards of concrete, 170,000 pounds of reinforcing steel and 520 tons of structural steel were used in the project. Approximate cost of the bridge was $[illegible].

Additional pictures taken at the bridge opening will appear in next week's Standard, having been regretfully held out this week due to lack of space.

A SENSE OF DEEP LOSS -

It was with a sense of deep loss that word of the death of A. L. Horton, for 52 years Editor and Publisher of the Vegreville Observer was received by S. B. P. Cooper and his sons, on Sunday. Even though the Hortons and the Coopers did not see each other very often, there existed a strong bond of friendship between the two veteran editors which was carried on by the sons of both.

Coming to Vegreville in 1906, A. L. Horton had no peer as a writer of editorials. His amazing knowledge of political history, his insight into Federal, Provincial and Municipal matters gave him ample background for his editorials which were known far beyond the boundaries of the province. Yet even when in a critical mood, he frequently alleviated his most pointed barbs by his wit and humor.

Up until his health began to fail two years ago "A. L." was a regular attender at the conventions of newspapermen. It was always heart-warming when he made his first appearance at any convention ... the hand shaking, back slaps and even the occasional hug greeted the veteran, all indicating the genuine affection and esteem felt for a pioneer newspaperman who served his vocation, country and community so long ... well and truly.

The passing of A. L. Horton has created a void in the weekly newspaper world of Alberta.

Many times this summer this newspaper will provide a regretted service for its readers. In the public interest it will print obituaries of men, women and children in our community who are victims of accidents in, on or near the water.

This is an unhappy task because the tragedy of those accidents will linger in our memories for a long time. Summer months are designed for healthful, happy recreation and it is unfortunate that drowning accidents must cut short the lives of people in the midst of a delightful season.

In most cases, drownings are not mere accidents. When you learn the facts you are amazed to find that most could have been avoided. They happened because people did not think. They are usually the result of venturesome escapades or an ignorance of the simple rules of water safety.

This summer the Canadian Red Cross Society is making a determined effort to tell our citizens about water safety. Every citizen is urged to join in this crusade. A word of warning may save a life ... perhaps it may be your own.

Be water wise!

TRAFFIC FIGURES

According to a report received at the Health League of Canada, the World Health Organization has made a comparison in traffic accidents between the years 1950-52 and 1953-55 and found out that the number of fatal accidents in the second period had doubled as compared to the first period.

In Holland the accident figures for the aged increased by 120% while the average for all ages increased by 60%.

Only in the U. S. A. and Ireland was there a decrease in fatal traffic accidents.

In the U. S. A. in the 1953-55 period 120 pedestrians were killed per million motor cars.

Japan had the highest number of fatal accidents with 2,336 pedestrians killed per million motor cars during the same period.

Would you like a few days off from daily household routine? Then plan to attend the Farm Women's Week at the Vermilion School of Agriculture from July 7 to 12.

An interesting program has been planned which includes informative lectures and displays along with recreation and entertainment.

If you are within daily driving distance you are welcome to attend for one or more days. Your organization may attend as a group for only one day. Since arrangements for meals must be made please advise the staff of the school.

Approximately 100 guests can be accommodated and early applications are given first consideration. Accommodation is provided in the school dormitories at a charge of $4 for room and board (banquet included). No charge is made for children under six years of age and baby sitters are available at no extra charge. If you plan to take a small child please notify the school well in advance so arrangements for supervision can be made.

Applications and further information are available from this office or the School of Agriculture, Vermilion.

BEFORE You Start Packing

Your luggage deserves a beauty treatment. After a good cleaning a coat of wax will improve its appearance as well as protect the surface from dirt and scuff marks.

TRAVEL LIGHT

Keep luggage to a minimum or you will be worn out just packing it around.

PLAN Carefully

A versatile basic outfit with accessory changes makes it possible to travel light but right.

The "blend trend" makes for real comfort and convenience in your travel wardrobe. The new blends of nylon, dacron and terylene combine the good features of both fibres and give a fabric that is cool (absorbs moisture), quick drying, needs little ironing, is shrink proof, wrinkle resistant, long wearing and opaque. The drip dry cottons have similar characteristics. These materials are available in slips, pyjamas, blouses and dresses and are excellent travelling companions.

Farm Picture

Just because DBS reports that farm prices are still going up, don't jump to the conclusion that farmers are riding the prosperity train advises The Financial Post.

Most are struggling along, worrying about the up-coming crop and unpredictable weather.

A bright spot ... few labor problems.

Farmlands in most provinces need rain. The next few weeks are crucial.

An exception is feeder beef cattle: they are being grabbed by free-spending U.S. buyers who have skyrocketed our meat prices and sparked cattle raising everywhere.

Pink Card Honored

The reciprocal agreement between Alberta, B.C. and Manitoba on pink card regulations has been approved and is now in effect. There is no pink card law in Saskatchewan. A pink card testifying to insurance coverage, issued in either of the three provinces is honored in any of the other two.

Viking Car Bingo

Number drawn on Saturday, June 14th: B 3.

The following is a list of the numbers drawn to date in the Viking Curling Club's car bingo:

B — 4, 1, 13, 2, 5, 12, 7, 10, 3.
I — 16, 21, 29, 20, 26, 18, 22, 27, 24, 17, 19.
N — 35, 40, 44, 31, 34, 37, 28, 41.
G — 51, 54, 57, 60, 46, 55, 49, 59, 58, 56, 48.
O — 66, 61, 69, 73, 65, 74, 75.

Prizes left to win are outside square; letter "N"; car.

Cards are available from Mr. Walter Fisk in Vermilion.

"GREEN ACRES"

CUTWORM DAMAGE

Quite a few reports have come in about crop damage from cutworms. The cutworms can be killed by spraying with Endrin, Chlordane, Dieldrin or Toxaphene. The cost is about $1.00 per acre. Circulars on cutworm control are available from this office.

WEEDS IN PASTURES

It pays to spray pastures to kill weeds such as buck brush, dandelions, mustards etc. It is better to add about half quantity of 2, 4, 5 - T to the 2, 4 - D for woody plants. Rose bushes are not killed by these chemicals. Get a circular entitled 'Weed Control with Chemicals' from this office.

SILAGE FOR CATTLE

Putting up silage is proving to be a cheap and easy way to handle the problem of feeding milk cows, stockers or feeder cattle. In many districts in Alberta cattle men are changing over to the use of forage harvesters instead of haying machinery. Now is the time to fix up a trench or bunker silo and be ready to fill it in July.

CHEMICAL WEED CONTROL

Weeds must be treated in early stages with 2, 4 - D or MCP to make the best kills. However, grain crops are affected at certain stages by the chemicals. As each crop is affected at different stages of growth it would be well to get the booklet on weed control before starting out with the sprayer.

REGISTERED CROP INSPECTIONS

The Plant Products Division has announced that June 30 is the deadline for getting applications for crop inspections into their office. Application forms are available at this office so don't leave it too late as I think they mean what they say.

Vermilion Elks Newspaper Bingo

Number drawn Friday, June 13th: O 64.

B — 1, 9, 13, 14, 8, 12, 10, 2, 6, 7
I — 16, 18, 19, 20, 23, 21, 24, 30, 29, 28, 27, 25, 17
N — 32, 35, 30, 41, 36, 44, 33, 40, 38
G — 48, 50, 55, 56, 53, 46, 59, 60, 58
O — 61, 65, 72, 73, 62, 63, 66, 74, 70, 68, 61

All prizes have been won except the outside square and the blackout.

Letters to the Editor

The Standard does not hold itself responsible for opinions expressed by correspondents

Box 1744, Vermilion.
June 17th, 1958.

The Editor,
Vermilion Standard.
Dear Sir,

On behalf of the teachers of Vermilion Local, A.T.A., I have been asked to reply to the letter signed "Slugger" which appeared in a recent issue of your paper, and which expresses some criticism of our Track Meet of last June 6th.

We would agree with "Slugger" that the event was something less than perfect, but we would like to point out to him we are bound by certain limitations of time, finances, and distances in the conduct of our Track Meet, of which he may not be aware.

The expenses of our Track Meet are, in relation to receipts, very high. We are always concerned with meeting expenses, not with making a profit. An extensive project of grounds improvements at Kitscoty is simply not within the financial means of our Local. We do receive valuable and reasonable assistance from municipal authorities at Kitscoty.

The centre of Vermilion School Division is approximately at Kitscoty. To change the location of the Track Meet would place a serious burden on some schools and would probably necessitate their withdrawal from participation. As it is now, many pupils are obliged to leave home very early in the morning, and return home late at night.

To hold a Track Meet and a Ball Tournament that would overcome "Slugger's" criticism of the time involved could probably be achieved by having a two-day meet. We suspect that the School Division authorities might not appreciate such a change. Nor would we wish to drop the track events to allow more time for a ball tournament.

We feel that "Slugger" is not too consistent when he asks in one sentence "What good are three inning games?", and in the next complains that teams have to wait too long for their turn to play. It was precisely for that reason that the three-turn inning rule was applied in some ball games. The average time for a three-inning game is one hour and fifteen minutes.

In conclusion, Sir, I would like to repeat that we do not hold that our Track Meet has reached an absolute in perfection. Each year we do make changes to meet varying conditions, and which will, we hope improve the general quality of the event. We believe that, within the limitations noted, we are doing a reasonable job. If "Slugger" knows of an organization that could and would undertake the Track Meet and handle it more effectively and efficiently than we are doing, we shall be happy to hear further from him.

Yours sincerely,
W. F. Stewart.

Old Timers Celebrate Birthdays

MANNVILLE — Two of Mannville's alert young men celebrated their birthdays on Thursday, June 12th, at a supper date when Mr. and Mrs. J. Chrysler were guests at the home of Mr. and Mrs. Neil McKinnon. Mr. Chrysler was 80 years young while Mr. McKinnon was 82. They always get together each year, at the alternate homes of each. 1958 was the McKinnon year to be hosts, and a happy time was reported.

Mr. Kenneth Harrison will conduct current examinations for The Royal Conservatory of Music of Toronto in Vermilion on June 24th. He will also examine in Dewberry on that day, and in Kitscoty on June 25th.

A bachelor of music from the University of Toronto, Kenneth Harrison studied with Ernest Seitz, Healey Willan, Charles Peaker and Bela Boszormanyi-Nagy. He holds associateship from the Royal Conservatory of Music in Toronto and the Canadian College of Organists.

A native of Toronto, he was music master at Moulton College and has been a member of the Conservatory faculty since 1947.

A talented conductor and accompanist, he has acted in both capacities in Toronto performances of oratorios such as Handel's "Messiah", Haydn's "Creation", Mendelssohn's "St. Paul". An experienced examiner and adjudicator, he has served on the Conservatory's Board of Examiners since 1948.

He is organist and choirmaster of Islington United Church, Toronto.

Ian F. McCrae, Chairman of the Board of Canadian General Electric Co. Ltd., who was elected president of the Canadian Manufacturer's Association for the ensuing year. He succeeds Harold V. Lush of Toronto.

Derwent Couple Celebrate Silver Wedding

Mr. and Mrs. Dmytro Pidwerbecki of Derwent celebrated their 25th wedding anniversary on June 8th at their home east of Derwent.

To help them celebrate this happy occasion were their elder children Ruby, Emil, their daughter-in-law Helen and her mother Mrs. H. Nazarewick from Toronto. In addition were seventy relatives and neighbors who gathered to offer their congratulations.

Greetings were received by mail and wire from Mr. and Mrs. Wm. Pidwerbecki of Port Colborne, Ontario and their son Taras of Laramie, Wyoming.

A supper was held at which they were presented with a 52 piece Community silver set.

W. M. S.

The regular monthly meeting of the United Church W. M. S. was held at the home of Mrs. R. Williams on June 12 at 2:30.

The meeting was called to order by the president Mrs. Neil MacLean who was in the chair. Mrs. Hawley was in charge of the devotional with Mrs. MacLean assisting. The minutes were read and approved and the business for the month was heard and dealt with. It was decided to give a Baby Band tea in the church hall for mothers and babies at 3 o'clock on Wednesday afternoon, June 25th. The reports were given and calls were taken. Roll call showed that there were 21 members and seven associated members. This was the last meeting of the W.M.S. before breaking up for the holidays. The meeting was closed with a prayer by the president.

The associated members who were in charge of the meeting served a delicious lunch, very much enjoyed by all present. The social half hour which followed was taken up looking at the garden before leaving for home.

Worry is a way of putting today's sun behind tomorrow's cloud.

Mannville Sunday School Holds Picnic

Gathering clouds and slight shower activity dampened nary a shred of the enthusiasm displayed by Christ Church Sunday School and families, as they met at the Fair Grounds for their annual picnic. Races were run, contests held, jumping, sack races, three legged ones, etc. were all on the programme and of course ever popular ball games. The rector and a few of the Dads should need a little liniment by Monday to aid sore muscles. Lunch, or rather a picnic supper was heartily partaken of after games and races. Ice cream, cold drinks and lots of picnic fare were popular with all present.

Check that date now.

Pleasant Valley News

A lovely day with the rain falling we have needed so badly.

There are about three grass widows down in this corner as the men folk went fishing for trout.

Margaret Coutts is spending the week end with her sister Annie Clarke.

Mrs. Gillies is spending a few days with the writer.

Mrs. Moore visited at the home of Mrs. Gillies on Wednesday.

Congratulations to you Mr. Strang. I met Anna on Monday and heard the news.

The shrubs were something wonderful this year. Lilacs, roses, dahlias and many of the lovely garden flowers can be dried for the winter by placing them in sand with the flowers down. They must be dry.

Mrs. Cummings and the writer spent a day in Lloydminster recently and saw some lovely gardens.

Hi Isabel, how about giving the writer a ride in your new car sometime? In exchange you can have a nice bike ride over the gravel road or 'the rock pile'. It's really terrific on tires — worse than having no gravel at all.

We hope to hear good news of Tom Fenton and Teddy Richardson. We wish both of them a speedy recovery.

Weather is lovely after the rains. Everything looks so nice and fresh again.

We have a lovely red African violet. The leaves on this new new variety are quite large, it is called Cocaine. Has anyone else one?

The owner must take care of purchases and payroll before his pack is sold
The farmer needs cash to finance operations until his crop is delivered

...so both are borrowing from a bank

When borrowing is sound business practice, it is a simple, straightforward process to arrange a loan from a chartered bank.

Every day, in every part of Canada the chartered banks are lending money to farmers, fishermen, producers, manufacturers, processors and other commercial customers, large and small — to meet payrolls, buy raw materials, market goods and meet a multitude of financial needs.

A bank manager is constantly on the lookout for opportunities to make such loans —that's his job. Bank loans are an essential part of the process that provides the goods and services that make life better for all Canadians.

LOCAL NEWS

ENGAGEMENT ANNOUNCED

Mr and Mrs. O. L. Wolters of Tolland wish to announce the engagement of their second eldest daughter Edith Irene, to Mr John Wasylik, eldest son of Mr and Mrs. Nick Wasylik of Vermilion. The marriage is to take place on Saturday, July 12th at the Fidelity Greek Catholic Church.

Mr and Mrs. Wm. B. Elford left Vermilion on Wednesday and will travel by air to London, England where they plan to spend a six weeks vacation.

Mr and Mrs. Allan Gannon of Alder Flats, and two young sons Monte and Tony, spent from Wednesday to Saturday in town, visiting the parental homes.

Mrs. Mary Patenaude (nee Mary Oliver) left Vancouver on June 15th via Pan-American for Northern Ireland, England, Scotland. While overseas she will visit her many relations and also plans a two weeks' tour on the continent. Mrs. Ann Wilson (nee Annie Oliver) will follow in August for a similar trip.

Mrs. E. Rooks [illegible] motored to Calgary accompanied by Mr. and Mrs. Russell Sutton of Calmar to visit Miss Florence Rooks for the week end.

Mrs. M. Urquhart returned home last week end after enjoying a visit with her son Douglas and family in Toronto and son Mac at Kingston.

Mrs. Baxter of Edmonton and formerly of Islay was a guest at the home of Mrs. Roy Stone this past week.

Mrs. E. Corlett of Edmonton was a recent guest at the home of her daughter and husband, Mr and Mrs. Cyprian Bell of [illegible]

George Maxwell returned the early part of this week from Banff where he enjoyed a two weeks vacation. George brought back with him, greetings from that well known former Vermilion citizen, Ken McDonald and Mrs. McDonald. They are both [illegible] wish to be remembered to all of their friends hereabouts.

Several local golfers competed in the golf tourney at Viking on Sunday where there were 82 entries. Each came home with a second prize, all in the second flight and Ed Lyons in the fourth flight. The next tournament attracting local golfers will be at Sedgewick this Sunday.

Catherine Barr, R. N. returned on Monday from Honolulu, Hawaii where she spent the past year as a member of staff at Queen's Hospital.

Graduates From Harvard University

Mr Fred King, brother of Dr. A. Ben King, graduated June 12 from Harvard School of Business Administration, Boston, Mass., and is establishing a business in Boston. Mr. R. L. King, editor of the Camrose Canadian, was present at his son's graduation.

Victor Chanasyk of Myrnam graduated from Harvard University, Cambridge, Mass., on Thurs., June 12 with the degree of Master in Landscape Architecture.

APPRECIATION

The management of the Brunswick Hotel wish to express their appreciation to the general public for the very fine attendance at their anniversary party and to the following individuals who helped so much with the entertainment: Jack Baddock for his feats of magic; Becky Swan and Jim McFayden for their guitar selections and songs and to the W. I. which organization served the lunch. There will be another anniversary party next year.

The list of the names of those sending flowers to the home in memory of the late Mr William Smith was omitted from the obituary. They were as follows: Mac, Fred, Betty and Bonnie Proudfoot; Staden Families; Marion and Lester Emmott and girls; Glenna [illegible] Alex Burnett; Lillian and Arthur, Helen and George; Verda, Gertrude and Muriel.

IN MEMORIAM

In loving memory of
MARY CALLAGHAN
—who passed away June 16, 1953.
"As we loved you, so we miss you,
In our memory you are always near.
Loved, remembered, longed for always
For to us you were so dear."
—Ever remembered by Pat Callaghan and family.

Neil McLean, agent for the United Grain Growers is spending some time as the guest of the company at the west coast. Neil is enjoying a tour of the terminal elevators, a trip across to V.I. and many other points of interest.

Mr. and Mrs. Orley Omness left Sunday afternoon for a week's holiday to Edmonton, Calgary and points in Montana. Mrs. Orlene Whelan and family accompanied them, meeting her husband Paul in the city and visiting the Walsh family.

Mr. and Mrs. Sam Solden and the girls from Consort are spending the week here, guests at the home of Miss A. Smaychuk. Sam is convalescing from a recent major operation at the University hospital where he was a patient for two weeks.

Several of the Paradise Valley W. A. members attended the Friendship Rally held at McLaughlin on Tuesday. This was very much enjoyed by all and it is hoped more gatherings of this kind can be held in future.

To See Brother After 60 Years

DEWBERRY - Mr. Bill (Pinky) Wilkinson left Dewberry on June 14, arrived in Montreal on the 16th, then boarded the Empress of France on June 17th, sailing to Liverpool, England. He will be met by his brother at Liverpool on June 26 and this will be the first occasion for sixty years that the brothers have seen each other. They will then proceed to Gloucester where his brother and family reside.

Pinkie came to Canada at the age of nine years and has never returned until the present occasion. A very happy re-union is anticipated. Pinkie plans to spend about three months in England.

Marion Lee Becomes Bride Of Michael Mayowski

The First United Church, Vermilion, was the setting for a beautiful ceremony on June 4th at 3:30 p.m. when Eunice Marion, youngest daughter of Mr. and Mrs. Milton Lee of Vermilion, became the bride of Mr. Michael Mayowski, third eldest son of Mr. and Mrs. Wm. Mayowski of Vermilion.

Lovely summer flowers of lilacs, gladioli and fern banked the altar for the double ring ceremony. Rev. Morris, Presbyterian minister from Lloydminster, officiated.

The bride, given in marriage by her father, looked charming in a floor-length gown of Chantilly lace over satin, with a Princess Grace neckline and lily point sleeves. Her matching fingertip veil was held in place with a coronet set with rhinestones and pearls. She carried a beautiful bouquet of American Beauty red roses.

Mrs. Jean Nelson, sister of the bride, and Mrs. Lorna Stockwell, cousin of the bride, were matrons of honor and Miss Donna Rae Harrison was bridesmaid. They wore identical cocktail length dresses of nylon net over taffeta in contrasting colors of pink, yellow and blue with matching headdresses. They each carried nosegays of carnations which matched their dresses.

Alva Jean Nelson, cousin of the bride and Christina Mayowski, niece of the groom, were flower girls and wore identical floor-length dresses of light blue dotted nylon over blue taffeta with matching hats and carried baskets of mixed carnations.

The men of the bridal group wore boutonnieres of carnations.

The groom was supported by his brother William, Glen Baldock and Archie Pollachuk. The guests were ushered by Eric Nelson, brother-in-law of the bride, and Ernie Mayowski, brother of the groom.

Before the entrance of the bridal group, Mrs. Norma Laird accompanied by Miss Cheryl Jones at the organ, sang 'The Wedding Hymn.' During the signing of the register she sang The Wedding Prayer.

The bride's mother was attired in a floral nylon dress with white accessories, her corsage was white carnations. The groom's mother chose a powder blue nylon dress with white accessories and a corsage of red roses.

Following the wedding ceremony a reception was held in the church hall. Miss Linda Lee, cousin of the bride was in charge of the guest book. The bride's table was covered with a linen table cloth which had belonged to her great great grandmother. A three-tiered pillared wedding cake centred the table. It was baked and decorated by the bride's great aunt Ellen Omness. [illegible] imbedded in white tulle surrounded the cake and and white candles in silver holders and lovely vases of glads completed the table decoration.

The bride's great uncle Orley Omness as toastmaster paid a very heart - warming tribute to the bride to which the groom responded.

Out of town guests were Mr. and Mrs. Paul Godzik, sister of the groom, [illegible] Mr. and Mrs. Emil Pidverbiski, cousin of the groom, Toronto, Ont.; Mr. and Mrs. John Zaharko, Mr. and Mrs. Matt Pidverbiski, Derwent; Mr. and Mrs. Mike Zaraska, Elk Point; Mr. Walter Mayowski, Mr. Wm. Mayowski, Vancouver; Miss Janice Omness, New Sarepta; Mrs. Isobel Ronaghan, Wainwright; Mrs. Stella Mayers, Chipman; Mr. and Mrs. John Nelson and Alva, Mr. and Mrs. Art Roberge, Roger, Mrs. Ernie Strang and Linda, Lloydminster; Mr. and Mrs. W. Curtis, Mr. and Mrs. W. Parker, Miss Cheryl Jones, Dewberry.

A dance followed in the evening in Clandonald at the Orange hall, music was supplied by the "For You" orchestra.

For going away the bride changed to a tweed suit with red accessories. She wore a corsage of sweetheart red roses and a black Alaska diamond necklace and earring set, a gift from the groom.

The happy young couple left on a honeymoon to Banff and points in the U.S.

On their return they will make their home in Vermilion.

O.O.R.P. Officers At Marwayne

MARWAYNE — O.O.R.P. installation of officers was held on Tuesday, June 3rd. There were 17 members present. 13 members with perfect attendance were given O.O.R.P. spoons by H.R.L. Hutchinson.

After the business part of the meeting, installation was performed by P.D.D.S.H.R.L. Culford assisted by P.H.R.L. Elliot.

Following installation P.H.R.L. Hutchinson presented Lady Culford with a corsage and thanked her for her services. H.R.L. Bell presented Secretary Ashworth with a bar for her jewel and also presented Lady Hutchinson with a jewel and corsage. The latter then thanked the members for their kind co-operation during her year in office.

H.R.L. Bell brought the meeting to a close and lunch was served.

Vermilion W. I.

Vermilion Women's Institute held the June meeting at the beautiful farm home of Mr. and Mrs. W. F. Crane.

Donations were sent to the A.W.I. fund, Polio fund and the Girls Club Travel fund. Six 'Cheer' cards were sent to sick and shut-ins.

Vermilion W.I. wish to thank the management of the Brunswick hotel for the opportunity to cater at their June 6th dance.

Mrs. O. Clark was appointed delegate to the conference to be held July 5th at the Vermilion School of Agriculture.

Next meeting is to be held at the park on July 15th at 2 p.m. All other branches in District No. 2 are cordially invited to attend. Mrs. W. J. Bell won the mystery box.

107 Attend Spring Missionary Rally

In conjunction with the annual missionary convention of the Christian and Missionary Alliance of Vermilion, Alberta, the Women's Prayer Bands held their Spring Missionary rally Wednesday, June 11. There were 107 delegates registered from Edmonton, Stony Plain, Wainwright, Mannville, Vermilion and Hearts Hill, Saskatchewan. All sessions were held in the Alliance Chapel with the meals served by the Vermilion ladies in the Legion Hall. The special speakers for this rally were [illegible] returning missionary from Thailand and Rev. A. M. Lapston, retired missionary from the Philippines. Both speakers stressed the power of prayer and the vital need for the co-ordination of the missionary on the foreign field and the 'prayer-warrior' in the homeland. In the business session, the convention agreed to accept the offer of Beulah Alliance Church, Edmonton to be the host for the fall rally on November 6.

Alta Theatre In Mannville Celebrating Third Anniversary

The Alta Theatre in Mannville is celebrating its third anniversary from June 23 to June 28. There will be free suckers for each child during the week, and the grand prize of $35.00 worth of Alta theatre tickets is waiting for some lucky winner. It could be you! 49-0

Most of the worry a man has in this world is centred around under his hat.

TULLIBY LAKE

After spending a couple of weeks at home, Douglas Adamson has returned to Edmonton where he is employed at a branch of the Royal Bank.

Now we've seen everything! A helicopter flew over the district last Thursday morning.

Tuesday last Juvenile Behrens caught a glimpse of a Black Chinned Hummingbird. To the best of his knowledge this is the first time that this little gem of the air has been spotted in this locality. Previously it has been known to inhabit the Western and Northwestern U.S., with the odd exception.

Mrs. Louise Huntly has returned to the Lloydminster hospital for further treatment of her previously broken hip. A complete recovery is wished her by all.

The $17.50 many will eventually receive under the Alberta Oil and Gas Royalties Act, will come in very handy.

Mr. and Mrs. Alec Finlay of Mission City, B.C., and formerly of Tulliby Lake are enjoying themselves on a trip to Ireland, where they are visiting friends and relatives in and around Belfast.

Several attended the 'Grand Ole' Opry' show in Lloydminster on June 6th.

Roger Morris suffered a hip injury while swinging at school. He is receiving treatment in the Elk Point hospital.

Matilda Dyrvik has returned home after undergoing an operation in the University hospital at Edmonton.

The free home Bible discourse for the month of May was presented at Willard's Electric on the afternoon of June 1st. The speaker, Eddie Petras of Lloydminster, chose as his subject the timely topic "What Is This World Coming To?" These free Bible discourses are presented by representatives of the Watch Tower Bible and Tract Society. The public is cordially invited to attend.

Mrs. Arthur Fortin Jr. had some anxious moments Tuesday last. It all started when little Sharon went to look at the pigs in the yard and never returned to the house. Mary made a search of the yard which proved fruitless. As Arthur was away to town at the time she called in several of the nearby neighbors. The immediate area was combed until finally Alfred MacKay spotted the little tot. She had wandered about half a mile south-west of the house. Fortunately Sharon was none the worse for her experience.

Word has been received that the former Fay Martin has passed away. We extend sympathy to all her friends and relatives.

PIONEER AUTO WRECKERS
We are wrecking the following cars and trucks with all parts available — Chevrolets, 1937, 1938 [illegible], '39, '51, '48; Fords, 1938, '38, '48; 1939 Monarch; Dodges, '34, '48, '49; 1949 Pontiac. TRUCKS — 1949 Austin ½-ton; Fords '31 1 ton, '38 ½-ton, '40 1 ton, '46 ½-ton; Dodges, '40 1 ton, '31 ½-ton; Internationals, '49 ¾-ton, '38 ½-ton. Many others, both cars and trucks of all years. Rebuilt parts are now available. PIONEER Auto Wreckers, Lloydminster, ph. 2345 (after hours phone 2081). 31ntf

Do's and Dont's Of Water Safety

With the first warm days of summer heralding 'open season' at camp sites and resorts, Red Cross Water Safety officials urge holiday-goers to be "Water Wise, Swim and Boat Safely".

Of 56 persons drowned in Alberta last year the largest number were children of 1 to 4 years of age. In view of this fact Red Cross urges parents to take the following precautions and avert a water tragedy:

1. Watch children constantly if there are creeks, rivers or ponds near the home.
2. Cover open wells and fence excavations in the neighborhood.
3. Supervise children at play in wading pools or garden ponds.

REMEMBER that children can drown in two or three inches of water. tf

LARRY WATT — CLERK

Wildwood East

The weatherman favored the Wildwood F.U.A. for their picnic again this year. The usual good crowd gathered from many miles around and enjoyed the afternoon of fun and games. The Wildwood ball team came out second best, allowing Paradise Valley to take home first prize money.

Herman Hartman, Neil Shook, Merinus and Martin Hansen went north again to fish and this time the big ones, even some of the ten pounders, did not get away. They tasted very good too, thanks fellows.

Guests at the Ernest Jack home this week end were daughter Doris, Mr. and Mrs. Ernie Edgar and Mr. Morley Currey, all from Edmonton.

Mr. and Mrs. Tom Stoddart and family came from Edmonton for the picnic and stayed the week end at the D. A. Drysdale home.

Mr. and Mrs. Alfred Jack with Mr. and Mrs. Martin motored to the Capital on Friday for the graduation of their daughters Beverlie and Betty.

Mrs. Foster, while visiting her daughter Mrs. Dirksen and family, attended the picnic on Friday.

Mr. David Jack attended the wedding of his friend Mr. Jack Currie in Edmonton on Saturday.

How about that SUB. date?

SQUARE NOTES From Circle 8

Square dancers in this area have been really busy this past month. Circle Eight men who had Saturday, June 7 off, organized a bee down at the Park, that afternoon they sanded the bandshell platform, mowed the grass to the camp kitchen and then went to work cleaning the kitchen itself. The weatherman threatened with a shower in the afternoon but it cleared off by five o'clock so at nine p. m. seven squares gathered at the platform for a very enjoyable evening. This was followed by hot dogs and coffee in the camp kitchen at midnight. The sound is exceptionally good down there and apparently the reception is even very clear above the hill as one of our former square dancers reported that he could understand every word that caller Johnny Maxwell said from his west-end bedroom window saying that it made his feet itchy again.

It was decided not to hold a dance one week later as we were informed that a bingo was to be held on June 14. We are sorry we did not hold a dance to accommodate the two carloads and possibly more square dancers who travelled sixty miles to attend the bingo which was evidently cancelled.

There will be no dance here on June 21 as that is the big jamboree at Camrose in aid of the crippled children and four squares from our own club have tickets for it. This means that the soonest dance we can possibly have will be on June 28 and our caller Johnny Maxwell will be at Banff at the Square Dance Institute the next week. Once again, our dance on the 28th will commence at 9 p.m. to give everyone a chance to be there for the whole dance and again we will collect in the camp kitchen at midnight for lunch. We are anticipating even larger crowds as the summer evenings get warmer and the word spreads about this lovely place to dance. We also have made further arrangements that should we be rained out at the bandshell, the dance will automatically go on June 28 at the Bowtell Community Hall to eliminate any uncertainty.

On Thursday, June 12, six squares collected at Harry Goldsmith's new barn. This was a very gay evening and we are sorry if you didn't learn about it as it was planned on such short notice that we were unable to advertise it in the Standard.

Happy square dancing in Camrose on the 21st and at the Vermilion Park on the 28th.

NEWS from KITSCOTY

Congratulations are extended to Miss Helen McCourt who is the recent winner of the Edmonton Education Society Scholarship, which is presented to a student for the most academic and professional honors in first year Education at the U. of A. Helen is spending the summer months at Deer Lodge, Lake Louise where she is employed.

Mrs. A. Goertzen of Yak, B. C. visited here with several of her old friends one day last week. She was accompanied by her sister-in-law, Mrs. Boyd and family of Yak.

Mrs. Lawrence Watt left last week end to spend a month visiting with her daughters and their families at Creston, B. C.

Mr. and Mrs. E. Beechman of Milo, Alberta spent several days here last week visiting with their sister and brother-in-law, Mr. and Mrs. J. McCorry.

Mr. and Mrs. R. H. Findlater from Carleton Place, Ontario, mother and father of Mrs. Reg Kay are spending the summer here. They are at present residing in Mr. W. J. Johnston's house.

L. A. C. Ted Conarroe, R. C. A. F. is spending a months holiday here with his parents Mr. and Mrs. C. Conarroe and Bobby.

Mr. and Mrs. Tom Foley and Terry of Vegreville were week end visitors here at Monica's parents, Mr. and Mrs. J. F. Finlin's home. We are pleased to report that Mrs. Finlin is home again after a short stay in the Lloydminster hospital.

Miss Marian Inglis of Lacombe spent the week end here with her parents Mr. and Mrs. J. G. Inglis.

Mrs. C. K. Miller left here on Monday to spend a month holiday with her daughter and son-in-law, Mr. and Mrs. Victor Heath and family at Prince George, B. C.

Mr. John Dale is spending the next two weeks in Edmonton and Calgary visiting with his sons and their families.

Mr. and Mrs. Roy Walton and family of Edmonton spent the week end here visiting with their parents, Mr. and Mrs. D. Walton and other relatives.

Mrs. A. Duckering of Edmonton visited here for the week end with her sister and brother-in-law, Mr. and Mrs. G. C. Christoffer.

Mr. and Mrs. Alex Peterson of Edmonton, one time residents of Kitscoty were in town on the week end and called on Mrs. W. L. Apperson and other old friends.

All the visitors from Edmonton attended the opening of the new bridge at Lea Park on June 13.

Seven members of St. John's Anglican Church W. A. attended the Deanery W. A. which was held in Vermilion recently.

The annual recital of Mrs. Elsie Batty's music pupils will be held in the Kitscoty Town Hall on Friday, June 20 at 8 o'clock. A cordial invitation is extended to all parents, friends and the general public to come and give your support to the children.

Nearly every family in Kitscoty was represented at the opening of the Lea Park bridge last Friday where about 8,000 people assembled to enjoy the colorful parade and the afternoon ceremonies held in warm sunshine at the stampede grounds.

McLAUGHLIN'S SELF-SERVE

BUFFALO COULEE ACTIVITIES

The annual picnic and bazaar sponsored by the Auburndale W. A., held at the community centre last Friday was a decided success from every standpoint. A large crowd attended and both booths were completely sold out when it was over. The sale of work and home baking which took place at 4:30 didn't last very long as the crowd of women in the hall quickly bought up everything on the tables, including a table of work done by the CGIT. The girls also sold home-made candy.

A full afternoon and evening of ball games were enjoyed by young and old, including a "Little League" game between Wainwright and Buffalo Coulee which was won by Wainwright. Races for the children and novelty races were run off after supper.

Everyone was very pleased to see Mr. Musto and Mr. Plant, two of our former students, at the bazaar. Rev. Musto, who is now at Lamont was accompanied by his wife and small son. Mr. Plant has a three point charge at Cadogan this year.

Quite a number of ladies of the Auburndale W. A. attended the meeting at the Wildmere church last Wednesday evening to hear Mrs. Cooper of Clandonald give a most interesting report on the W. A. conference held in Red Deer. The Wildmere ladies served a lovely lunch following the meeting.

Mr. Earl Robinson, our student, had his mother, dad and young brother from Moose Jaw visiting him this week end at the Holte home. They attended services on Sunday and did some visiting in the community. They were very impressed with the beauty of the countryside around here.

The Boy Scouts who plan on attending the Jamboree in Banff went to Wainwright Saturday morning to have some training in building a tower. They camped out Saturday night and returned home Sunday afternoon. They were accompanied by their Scoutmaster, Hennig Haverslew. Mr. Ted Marfleet and Mr. Russell Kennedy took the boys down on Saturday, and Ken Kennedy and Alex Stone brought them home Sunday afternoon.

The CGIT held their last regular meeting last week but plan on having a hike and weiner roast down at the Coulee the evening of June 30th.

The regular quarterly meeting of the four groups of the Auburndale W. A. will be held in the church on Wednesday afternoon at 2:30.

The annual picnic sponsored by the B. C. curling club is being held on June 27th, with a full program of sports. Everybody welcome.

Wildmere Women's Institute Notes

The Wildmere Women's Institute held the June meeting at the Wallington home owing to sickness at the Fred Haines' home where the meeting was to have been held. Meeting opened with the Code.

Seven members and one visitor Mrs. R. Smith, were present. Business arising out of minutes was the shipment of old woollens which will be made the end of July. Mrs. Chas. Sweeney is the club shipper. It was nice having the treasurer, Mrs. W. J. Garnett back again: the treasurer's report was accepted as read by Mrs. N. Garnett and Mrs. Holte.

Mrs. Garnett told of having Mrs. Sherman of the Edmonton W. I. visit her in the hospital. Canon Teape also called on her.

Delegate to the conference on July 5th is Mrs. A. Holte. Most of the members plan to attend that day.

The topic was by Mrs. N. Garnett who gave a very interesting demonstration of punch work, which everyone really enjoyed and will be trying this winter. She also showed how fancy candles are made of parawax.

Social was by Mrs. C. Cruthers "Quiz on Cake Names." Johnny Jump Up was won by Mrs. Holte.

Meeting closed with the Creed. Next meeting will be held on July 2nd owing to the Tolland picnic being on the regular date and will be held at the home of Mrs. A. Holte. Roll call: Cause or prevention of fire. Topic by Mrs. W. J. Garnett; Social by Mrs. Roy Dibben; Lunch, Mrs. Sweeney, Mrs. Cruthers, Mrs. R. Dibben.

The hostess served lunch, and Mrs. D. Hughes dropped in for a pleasant hour of chatting.

Passes From the Sky Advertising Gimmick

MANNVILLE — Instead of "Catch A Falling Star" this past week it was a case of "Catch a free pass to Wainwright Stampede". Young folks were quite thrilled to observe pamphlets descending in the area surrounding Jean Allanach's property and that of Dr. Hasinoff's. dropped it was discovered, from an airplane for advertising purposes. A yellow sheet was just advertising, while a green one provided the lucky finder with a pass to the Stampede. Dennis Baker captured two. Lawrence Humeniuk picked up 6.

Mannville and District Local News

Visiting relatives this week in Mannville were Mrs. Stella Majeau and Mrs. Gilbert Majeau of Edmonton.

** * **

Mr. and Mrs. G. Majeau became proud grandparents recently when daughter Rita and husband Len Johnson became the parents of a baby boy named Mitchell Bradley. Donna Majeau who thereby became an aunt, has returned from a visit to the city where she met her nephew for the first time.

** * **

The boat building bug has also hit Brian Hasinoff and Victor Pedersen, who have completed their smart model.

** * **

Miss Connie Gerhart is home for holidays, spending a few days at the home of her parents, Mr. and Mrs. A. Gerhart.

** ** **

Mr. and Mrs. Ken Cundal, with Mrs. Albert Cundal were visitors to Mannville over the week end, at the M. Mercer home.

** ** **

Seen home over the week end were Sandra Leitch, Norma and Howard McLuckie and Bruce and Carol Bennett.

Mr. and Mrs. E. Matney were driven to the city by Mr. and Mrs. M. Morrison Wednesday of last week, where they planned to catch the plane east. They are bringing home a new car and will be away for a three week holiday it is reported.

** ** **

Mrs. C. Finlay and Mrs. C. Johnson have both left on a trip to the west coast.

** * **

Miss Zeda Christie is a guest at the home of Miss Jean Allanach.

** * **

Sympathy of Mannville is expressed to relatives of Miss Helen Saint who passed away recently.

** * **

Rev. and Mrs. C. MacPherson and Cindy were Mannville visitors Tuesday.

** * **

Mr. and Mrs. W. Osborn left for Saskatchewan for a holiday trip on Sunday.

** ** **

Mr. and Mrs. A. Toronchuk and the J. Toronchuk family of Vegreville held a family reunion at Vermilion Park Friday, where a picnic took place to celebrate the occasion.

CLAYSHORE CLIPPINGS

Edmonton visitors over the week end were Mr. and Mrs. Ernie Larcombe and family.

Saturday dinner guests with Mr. and Mrs. Allan Olstad were Mr. and Mrs. Bruce Johnson of Peachland, B.C.

Wishes for speedy recoveries go to Mrs. R. D. Lynch who is a patient in the Mannville hospital and to Mr. Pete Krushinsky in the Vermilion hospital.

Mr. and Mrs. Mike Malec left for a holiday to Vancouver on Monday morning. Jim Herne is doing the chores while they are away.

Mr. and Mrs. Ronnie Bauer and family were guests at the wedding of Driene Dargatz and Joe Smala on Saturday. Little Karen was the flower girl, and we understand she looked very cute.

Jim Winters, Dallas Hines and Johnny Martin have returned from a very enjoyable holiday which took them through seven States. The boys left May 31st and returned June 11th. In that time they travelled 4200 miles. States visited were Oregon, Washington, Idaho, Montana, Nevada, Wyoming and as far as Salt Lake City in Utah. They went through Yellowstone National Park and Glacier National Park and crossed the Great Salt Lake desert going into Salt Lake City. The boys report having had a wonderful time.

Jimmy Winters came back from the trip sporting a lovely white cowboy hat, so if you see a big hat coming down the street and wonder who is under it, we will tell you ahead of time, it's Jim. He also brought back a number of very interesting souvenirs and cards of various places visited.

Glen Nelson of Calgary is a visitor hereabouts for a few days.

Mr. and Mrs. Tim Nelson and family of Vermilion were Sunday guests at the Jack Willis home.

Mrs. Allan Olstad and Sandra accompanied Mr. and Mrs. Fred Watling and family of Mannville to Lloydminster on Friday evening to a piano accordion recital. Gordon Watling played in the recital which was thoroughly enjoyed by all. They also visited the wild life museum which is really something to see if you happen to be in Lloydminster.

Mr. and Mrs. Richard Stebner and family of Vermilion were Sunday callers at the Olstad home.

Attend Fire Chiefs Work Shop

Fire chief Ken Urquhart of the Vermilion Brigade and Gordon Park attended the three day convention and work shop for fire chiefs at Calgary last week. They report a concentrated course of great value to firemen.

IN MEMORIAM
In memory of [illegible]
MRS. M. A. ROBINSON
—who passed away June 25, 1955.
"Three sad years have passed away
Since our great sorrow fell;
The shock received that day
We still remember well.
Your end was sudden,
You made us weep and cry;
But Oh, the saddest part of all,
You never said goodbye."
—Lovingly remembered by her family.

Following the fairly copious showers which however, do not appear to be too widespread, growth has been rapid and the countryside is a fine green in color. Showers fell on Saturday .09, Sunday .23, Monday .05 and Wednesday .05 for a total of .42 of an inch for the week.

DAILY TEMPERATURES

Date	High	Low

When a Clandonald district farmer, Alphonse Bardoel, suffered a multiple fracture of his left arm at the start of seeding time this spring, all of his neighbors moved in to put in his crop. These two pictures were taken during the mammoth bees.

The top picture shows the men taking a few minutes well-earned rest, from left to right they are Ignac Frey, Sandy MacMillan, Alex MacMillan, Pat Tassey, Rod MacMillan, Louis Bardoel, Louis Collins (for Homer Campbell), John Mergl, Alex Rudyk, John Rudyk, Jerry O'Connor.

Others who helped out but were not in the picture were Karl Kreitz, Harry Grant, Tony Bardoel, Paul Mudryk, Jerry Bardoel, Jim Kreitz.

Alphonse wishes to say many thanks once again, to all who helped.

The bottom picture is a general view of equipment and men lined up for work.

The Great Dr. Kit, Hypnotist, To Perform Here Monday

The Great Dr Kit, Master Hypnotist, has been performing before the public for the past 15 years.

As a boy he became interested in the occult and practiced magic, travelling all over the North American continent. He is recognized as one of the best magicians in the business.

He has always been fascinated by the powers of the mind and through years of intensive study and continuous practice plus belief in his own ability, has enabled him to achieve recognition as one of the master hypnotists.

In 1946 he discarded his 2-hour show of magic and built an entirely new show consisting of a very short demonstration of magic (usually 20 to 30 minutes) and mostly the demonstration of the unbelievable power of hypnosis. He has hypnotized thousands upon thousands of persons during the past years.

During his course of demonstrations Dr Kit requests for volunteers. Those who come forward of their own free will, are the good participants, during these demonstrations.

A person can never be hypnotized against his or her will, nor can an idiot, moron or an alcoholic be influenced.

The best subjects for hypnosis are the intelligent type.

Those who have any intention of attempting to be a smart Alec, prankster, jokester, a funny fellow or a would be comedian, are asked to remain in their seats and not volunteer, as no nonsense will be tolerated.

During his course of demonstrations Dr. Kit does not embarrass anyone. He treats his volunteers with the utmost courtesy and respect.

You will observe that these demonstrations are genuine. Dr. Kit has been voted by thousands of people to be one of the top entertainers of our times.

Hypnotism is a Greek word meaning "sleep", so there is nothing mysterious about it. Hypnotism applied by Dr. Kit will do no harm, nor is there the slightest danger of a person not awakening. His volunteers wake up refreshed and feeling wonderful.

Once again he is making a trip across Canada and will play in the larger theatres and auditoriums. He is also visiting some of the smaller cities to enable everyone to see this outstanding showman present the unbelievable power and science of hypnotism. A show for the whole family which is best enjoyed by sitting back in your chair and relaxing. He will be in Vermilion on Monday, June 23rd at the Elks hall. Show time 8:30. Admission, adults $1, children 75 cents. 49

DEWBERRY NEWS

Congratulations to Mr. and Mrs. Ronnie Johnston (nee Doreen Finney) who were recently married.

WINNERS AT PICNIC

The winners of the games at the picnic on the 7th were: In baseball, Dewberry and Marwayne a draw. Football Dewberry, 1st, Aicurve, 2nd. Ladies' ball game Dewberry 1st and Heinsberg second.

Horse events: Clover Leaf 1st, Allen Bannmiller, 2nd, Roy Butz. Stake Race 1st, Bruce Craige, 2nd, John Anderson. Musical chairs winner, Roy Butz. Potato race, Roy Butz. Cowboy race, Jim Ryan. A large attendance at the picnic was appreciated by the committee. Next year a bigger and better program is being planned for Farmers' Day.

On Sunday a number of our local fishermen went to Fishing Lake where hundreds of perch were caught.

Sol Lemp had his big new boat out for the first time. It is a very lovely home assembled craft powered by a 22 h.p. motor.

Sincere sympathy is extended to the widow and family of the late Mr. Robert Wade who passed away on Saturday, June 14th in an Edmonton hospital. He was a former Dewberry resident.

HURT IN TRUCK ACCIDENT

Mr Neil Jones suffered a painful accident last week. He was doing voluntary repair work at the U. C. camp at Whitney Lake when a scaffold collapsed, causing him to dislocate his shoulder.

Mrs. Stuart Hartwell had the misfortune to be in a truck accident on the 13th when on her way to Edmonton to attend a medical appointment. While going there the Neil Jones truck driven by Floyd Oxton and in which she was a passenger, was crowded off the road by another truck, causing it to roll over twice. The accident happened about 20 miles from Edmonton. An ambulance took Mrs. Hartwell to the city where it was found there were no bones broken but her arm and shoulder are badly bruised. The driver was not hurt much but bruised a bit too.

Mannville Student Graduates as Nurse

MANNVILLE. — Graduating May 31st from Archer Memorial Hospital at Lamont was Miss Winnifred Nelson, who received her elementary schooling at Minburn, her high school education at Mannville. A member of the United church she sang in the choir and taught Sunday school in Minburn while there. Winnie will be remembered by many Mannville residents as a sports enthusiast, particularly in curling, and played ball for Minburn, Mannville and Innisfree respectively. During her third year of high school Winnie was elected girls' sport representative, and edited the year book at that time. As a delegate last year Miss Nelson attended he Alberta Association of Registered Nurses conference at Banff, and was president of the Student Nurses' Association last year. Her parents now reside at Elk Point, having moved there from Minburn three years ago.

PONY LEAGUERS DO WELL

The Dewberry team belonging to North-Eastern Alberta Pony League are doing well. They won the first game with Clandonald 9 to 4, and on June 11th beat Myrnam 6-5. Mr. E. Fester is coach of the team.

Demonstration Of Case-O-Matic At Macnab Farm

Demonstration of the new Case-O-Matic drive on the 800 model Case tractor, 4 to 5 plow class, were carried out at the farm of Brent Macnab in the Buffalo Coulee district on Wednesday afternoon. The demonstration was attended by sixty interested farmers. The tests were much more severe than ever encountered in farm work.

The Case-O-Matic did everything that was claimed for it, met and defeated any competition present. Everyone who wished was given the opportunity to drive the new Case-O-Matic.

One Game To Finish Little League

One game is left to play in order to complete the regular Little League schedule. This contest is between the Kinsmen and Knights of Columbus, and cannot affect the standings of the teams.

Legion polished off the Kinsmen 13 to 10 in a good game last Thursday and then lost a real hair-raiser 10 runs to 8 against first place Rotary.

—I. Gordon, umpire-in-chief.

All teams will compete in the play-offs in sudden death games. Watch for dates in *The Standard.*

Farm Officials On Advisory Com. Of Wheat Board

OTTAWA — The Hon. Gordon Churchill, Minister of Trade and Commerce, announced today that Mr. Gordon L. Harrold of Lamont Alta., Mr. Arnold W. Platt, of Edmonton, Alta., and Mr. A. P. Gleave, of Biggar, Sask., have been appointed to the Advisory Committee of the Canadian Wheat Board.

Mr. Harrold is Chairman of the Alberta Wheat Pool and President of the Alberta Federation of Agriculture; Mr. Platt is President of the Alberta Farmers' Union and Mr. Gleave is President of the Saskatchewan Farmers' Union.
